Entitlement to attend and vote

In accordance with regulation 7.11.37 of the *Corporations Regulations 2001* (Cth), the Board has determined that persons who are registered holders of PAC shares as at 7:00pm (AEST) on 16 April 2024 will be entitled to attend and vote at the EGM as a Shareholder. A proxy need not be a Shareholder of PAC.

A Shareholder may appoint up to two proxies and specify the proportion or number of votes each proxy may exercise. If the Shareholder does not specify the proportion or number of votes to be exercised, each proxy may exercise half of the Shareholder's votes.

To be effective, the proxy must be received at PAC's Share Registry no later than 10:30am (AEST) on 16 April 2024 (48 hours before EGM). Proxies must be received before that time by one of the following methods:

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 1.

NOTICE OF EXTRAORDINARY GENERAL MEETING

Voting at the Meeting

The proposed resolution at this Meeting will be conducted by a poll, rather than on a show of hands.

Corporate Representatives

The appointment of the representative must comply with the requirements under section 250D of the Act. PAC will not allow conduct at any Shareholder meeting which is discourteous to those who are present at the meeting, or which in any way disrupts or interferes with the proper conduct of the meeting. The Chair of the Meeting will exercise his powers as the Chair to ensure that the meeting is conducted in an orderly and timely fashion, in the interests of all attending shareholders.

PARTICIPATION IN THE EGM

There are two ways shareholders and interested parties can participate in the EGM:

- Physical Meeting: Shareholders and visitors may attend the meeting in person at the venue as previously noted. Shareholders and Proxyholders can vote and ask questions during the meeting.
- Online Audio Webcast: Shareholders and Proxyholders can listen to the proceedings live and view the presentation, but will not be able to ask questions or vote at the meeting via the audio webcast. - all Shareholder questions should be stated clearly and should be relevant to the Business of the Meeting;
- if a Shareholder has more than one question on an Item, all questions should be asked at the one time; and
- Shareholders should not ask questions at the Meeting relating to any matters that are personal to the Shareholder.

NOTICE OF EXTRAORDINARY GENERAL MEETING

Explanatory Notes

1. Overview of Proposed Transaction

Background

Following the conclusion of PAC's strategic transaction process in November 2023, PAC has been considering opportunities to unlock value on behalf of shareholders.

As part of this process, the PAC Board has considered the future strategic direction of the Company, having regard to a number of factors including the valuations offered as part of the recent strategic transaction process conducted in 2023, feedback received from several major shareholders on value, likely liquidity events in PAC's portfolio, the cost structure required to support the firm's business, and PAC's current and historical share price discount to the fair value of PAC's investments.

Proposed Transaction

On 15 March 2024, PAC entered into agreements to externalise investment management by appointing an affiliate of GQG Partners Inc. (ASX: GQG) (**GQG**) to provide investment management services to PAC and has also agreed to sell three boutique investments to another affiliate of GQG (**Buyer**) (together, the **Proposed Transaction**).

The majority of PAC's US-based employees, including the investment team led by current PAC Managing Director, Chief Executive Officer and Chief Investment Officer Paul Greenwood, would become full time employees of GQG, ensuring continuity while providing PAC a significantly lower cost structure more appropriate for the nature of its portfolio going forward.

PAC will appoint an affiliate of GQG to provide investment management services to PAC for two years, with the possibility of extending the relationship upon mutual agreement (the **Externalisation**). Paul Greenwood will act as portfolio manager, and the PAC Board will continue to consider and approve all major portfolio and company actions. Paul Greenwood would step down from the PAC Board at the time of completion of the Proposed Transaction.

The investment management fee will be 0.75% of the fair value of PAC's investment portfolio (excluding cash). In conjunction with the Externalisation, PAC will restructure its back office functions in the United States. The Externalisation together with a restructure of PAC's US back office operations is expected to result in an immediate net cost saving for PAC of approximately A\$6m compared to 1H24 on an annualised basis, with the potential for further cost savings as the PAC operating model continues to simplify.

PAC will receive US\$71.25m from the Buyer for its holdings in Proterra Investment Partners (**Proterra**), Cordillera Investment Partners (**Cordillera**), and Avante Capital Partners (**Avante**) (together, the **Investment Assets**). In connection with the sale of PAC's interest in Avante, the Buyer will also become responsible for future deferred and contingent consideration payments outstanding as at the date of completion of the Proposed Transaction. PAC will also have the right, but not the obligation, to invest in any GQG sponsored investment vehicles focused on GP stakes.

The agreements also set out the manner in which GQG will make offers of employment to certain of PAC's US-based employees, enable the assignment of the lease at PAC's office in Tacoma, and the licencing of certain investment record data maintained by PAC to GQG primarily comprising certain records, data and other information of PAC and its affiliates for certain limited purposes, including in connection with the PAC Copyrights and the PAC Trademarks.

Additional detail on the agreements is set out in Sections 2 and 3 below.

NOTICE OF EXTRAORDINARY GENERAL MEETING

Rationale for the Proposed Transaction

The Board considers that the Proposed Transaction is in the best interests of the Company as:

- It results in a substantial reduction of PAC's expense structure. The externalisation and back office restructure is expected to result in an immediate net cost saving for PAC of approximately A\$6m compared to 1H24 on an annualised basis, with the potential for further cost savings as the PAC operating model continues to simplify;
- The arrangements with GQG maintain continuity in the management of PAC's current portfolio, including the ongoing involvement of Paul Greenwood as portfolio manager;
- It preserves optionality for PAC to continue investing in boutique asset managers, including in GP stakes opportunities through GQG sponsored vehicles;
- It monetises part of PAC's portfolio at an attractive price; and
- PAC retains a portfolio of investments that have attractive value upside relative to PAC's current share price.

The PAC Board is considering the most appropriate uses of the proceeds from the Proposed Transaction, together with receipts from the recent sale of PAC's investment in GQG. It is currently anticipated that a significant amount of the aggregate proceeds will be returned to PAC shareholders and work is being undertaken to determine the most appropriate mechanism by which this will occur, which may include a share buyback. A further update on potential capital management initiatives is anticipated to be provided to PAC shareholders prior to the EGM.

Director's Recommendation

The Board (other than Paul Greenwood, who makes no recommendation on account of the fact that he is a director of GQG) unanimously recommends Shareholders vote in favour of the Resolution.

Each PAC Director intends to vote all Shares over which he or she has control, or in which he or she has a relevant interest, in favour of the Resolution.

Intentions if not approved

If PAC Shareholder approval is not received, GQG will have the right to terminate the relevant transaction documentation and cease to pursue the Transaction.

Shareholder voting intention statement

As set out in the Company's ASX Announcement on 15 March 2024:

- River Capital Pty Ltd (**River**) (on its own behalf and on behalf of its related bodies corporate) has confirmed to PAC that it will vote all shares held or controlled by them (or in respect of which they have a relevant interest) on the date of the PAC shareholder meeting, in favour of the Proposal. It currently holds 19.8%.
- In the absence of a superior proposal and subject to Perpetual Limited (**Perpetual**) continuing to hold its PAC shares on the date of the EGM to vote on the Proposal, Perpetual will vote all of its shares in favour of the Proposal. Perpetual currently has a holding of 15.0% in PAC.

Third Party Approvals

The sale of the Investment Assets is contingent upon the receipt of regulatory approvals. In particular the sale of Proterra, will be contingent on receiving UK Financial Conduct Authority approval and the sale of Avante on receiving approval from the US Small Business Administration.

For personal use only

NOTICE OF EXTRAORDINARY GENERAL MEETING

Under the terms of its investment in the Boutiques, PAC is required to receive consent on a sale of its holding from each of Proterra, Cordillera and Avante. There are other conditions precedent to completion of the Proposed Transaction, set out in section 2 below.

Vesting of Long Terms Incentives

Should the Proposed Transaction complete, the PAC Board intends to vest all outstanding options and substantially all performance rights in full in accordance with the discretion accorded by the long term incentive (**LTI**) plan. The PAC Board believes that the intended objectives of the LTI plan, namely shareholder value creation, will have been achieved by enacting the Proposal.

The LTI will be predominantly payable in PAC shares, indicatively equating to a ~2% increase in PAC shares on issue, potentially with a portion in cash. 40% of the LTI shares will be held in escrow in line with the GQG investment management period.

2. Transaction Implementation Deed

GQG Partners LLC (**GQG**), GQG Private Capital Solutions Master Fund (US) I, LP (**GQG Master Fund**), PAC, Northern Lights MidCo LLC (**MidCo**) and Northern Lights Capital Group, LLC (the **Sellers**) have entered into the Transaction Implementation Deed (**Deed**) to effect the Proposed Transaction, which includes the GQG Master Fund purchasing the Investment Assets, GQG making offers of employment to certain US-based PAC employees, the assignment of the lease agreement with respect to the premises located in Tacoma, WA, USA, to GQG, and a licence to use certain investment record data primarily comprising certain records, data and other information of PAC and its affiliates for certain limited purposes, including in connection with the PAC Copyrights and the PAC Trademarks.

The key terms of the Deed include:

- **Assets being sold by PAC** The assets being acquired by the GQG Master Fund are the Investment Assets, being:
 - the limited partnership and other capital and profits interests held by MidCo in Proterra, Avante, and Cordillera, including special limited partnership and other capital and profits interests held by MidCo in certain of Cordillera's funds.
 - MidCo's rights and interests under certain Boutique agreements in respect of the Boutiques;
- **Ancillary Agreements** certain ancillary agreements will be entered into relating to the following matters:
 - assignment of the lease to PAC's office located at 909 A Street, Suite 810, Tacoma WA 98402, USA to GQG;
 - offers of employment by GQG or its affiliate to certain of PAC's US-based employees, including Paul Greenwood and Trent Erickson; and
 - a licence to use certain investment record data primarily comprising certain records, data and other information of PAC and its affiliates for certain limited purposes, including in connection with the PAC Copyrights and the PAC Trademarks.
- **Consideration:** The total consideration to be paid by GQG to PAC at closing in connection with the Proposed Transaction (Completion) will be an aggregate amount in cash equal to US\$71,250,000.

NOTICE OF EXTRAORDINARY GENERAL MEETING

- **Investment Services:** After the date of the Deed, PAC and GQG must document a full form Investment Services Agreement consistent with the agreed terms, summarised in section 3.
- **Board Voting Intention:** Each member of the PAC Board intends to vote all PAC shares they control in favour of the Proposed Transaction;
- **Conditions Precedent:** There are four conditions precedent to Completion of the Proposed Transaction, summarised below:
 - (PAC Shareholder Approval) PAC Shareholders pass the shareholder resolution subject to this Notice of Extraordinary General Meeting on or before 19 April 2024 (or such later date as may be agreed in writing between PAC and GQG);
 - (Regulatory Consents) All required consents, approvals or waivers required by the United States Small Business Administration and the United Kingdom Financial Conduct Authority (if any), in each case, in connection with the sale, purchase and transfer of the interests in the Investment Assets, as well as any other regulatory approvals identified by the parties have been obtained and not withdrawn;
 - (Boutique Consents prior to Completion) PAC provides evidence satisfactory to GQG that all Boutique consents have been obtained on an unconditional basis and no Boutique consent has been withdrawn, conditioned, or revoked; and
 - (Boutique Agreements prior to Completion) With respect to certain Boutique agreements, PAC provides evidence to GQG that MidCo's rights and obligations under the relevant Boutique agreements have been novated to the GQG Master Fund under the applicable Boutique consents with effect on and from Completion.
- **Warranties and indemnities:** PAC and the Sellers have provided a customary warranty package to GQG, including warranties in relation to corporate authorisation, power and capacity, incorporation, solvency, no regulatory approvals are required to enter into the Deed, no regulatory action or litigation, limited warranties in relation to PAC's recent financial statements, a set of limited employee-related warranties, and a warranty that no PAC Material Adverse Change (as defined) has occurred at the date of the Deed. In summary, a PAC Material Adverse Change means an event which has resulted in (or would be reasonably likely to result in) a material adverse effect on any of the assets being acquired (including, without limitation, with respect to the financial position, profitability or prospects of a Boutique or the key management, sales or other fundamental transactions of the boutiques being sold) or any of the Boutiques.
- **Break fee regime:** PAC will be liable to pay a break fee to GQG equal to US\$712,500 in the event that:

 - the Resolution is not approved by the requisite majority of PAC Shareholders on or before 19 April 2024 (or such later date as may be agreed in writing between PAC and GQG).
- **Limitation of GQG Liability:** GQG and the GQG Master Fund's liability if the Transaction Implementation Deed is terminated before Completion is US\$712,500.
 - **Termination rights:** PAC or GQG may terminate the Deed if:
 - the case of the GQG Master Fund, one of the PAC parties to the Transaction Implementation Deed, or (ii) in the case of PAC, the GQG Master Fund or GQG, has materially breached the Deed or has breached a fundamental warranty under the Deed;
 - Completion has not occurred by a date within 5 months of signing; or
 - there is a restraint which permanently prevents, prohibits, or makes illegal the Proposed Transaction.
