Short explanation

The Directors' fee cap has not been increased since 2017. EXPLANATORY STATEMENT

2.5 Resolution 4 - Increase in Non-Executive Director Fee Cap

(a) Background

- (i) Under Listing Rule 10.17, the Company must not increase the total aggregate amount of Directors' fees payable by the Company to all of its non-executive Directors without the approval of shareholders.
- (ii) Article 50(a) of the Company's Constitution limits the aggregate amount of Directors' fees which the Company may pay to the non-executive Directors to an amount or value determined by the Board which does not in any financial year exceed in aggregate the amount last determined by the Company in general meeting (Fee Pool).
- (iii) The current Fee Pool of \$1,100,000 was approved by Shareholders at the Company's 2017 Annual General Meeting. Details of the remuneration paid to the Company's non-executive Directors during the financial year ended 31 December 2023 are set out in the Remuneration Report.
- (iv) Shareholder approval is sought to increase the Fee Pool by \$250,000 to \$1,350,000. The Fee Pool has not been increased since 2017. The Company seeks approval for an increase to the Fee Pool to provide flexibility to add skills to the Board composition that may be necessary to best manage the Company in the interests of all Shareholders, and to ensure non-executive Directors are appropriately remunerated (taking into account industry benchmarking). If Resolution 4 is not passed, the Company may not have the flexibility it requires to add appropriate members to the Board in the future.
- (v) In accordance with Listing Rule 10.17, the Fee Pool is inclusive of superannuation contributions made by the Company for the benefit of non-executive Directors and any fees which a non-executive Director agrees to sacrifice on a pre-tax basis.
- (vi) Although an increase in the Fee Pool is being sought, it does not imply that the full amount will be used. Also, it is emphasised that the Fee Pool is a maximum annual limit and does not indicate that fees will necessarily be increased accordingly to that limit. Full details of the remuneration arrangements applicable to non-executive Directors will be set out in the Company's annual remuneration report, which must be submitted for adoption by resolution of Shareholders at every Annual General Meeting.
- (vii) There will be no changes to non-executive Director fees in 2024.

(b) Listing Rule 10.17 requirements

For the purposes of Listing Rule 10.17, the following information is provided about Resolution 4:

- (i) the amount of the increase: \$250,000 per annum
- (ii) the maximum aggregate amount of director's fees that may be paid to all of the Company's non-executive directors: \$1,350,000
- (iii) no securities have been issued to any non-executive director under Listing Rule 10.11 or 10.14 with the Company's shareholders' approval within the last 3 years

(c) Director's Recommendation

Mr Pejman Okhovat, as executive Director of the Company, recommends that Shareholders vote in favour of Resolution 4. The non-executive Directors do not make a recommendation as to how Shareholders should vote on the resolution, as each of the non-executive Directors has a personal interest in the subject matter of the resolution.

2.6 Resolution 5 - Issue of Performance Rights under the 2024 GEIP to Managing Director and Chief Executive Officer

(a) Introduction

Resolution 5 seeks Shareholder approval for the granting of 755,347 Performance Rights to the Company's Managing Director and Chief Executive Officer, Mr Pejman Okhovat, under the GEIP, as well as Shareholder approval for the vesting of the Performance Rights granted to Mr Okhovat in the event that Mr Okhovat ceases employment with the Company in certain circumstances.

(b) Why Shareholder approval is being sought

- (i) Listing Rule 10.14 states that a listed company must not permit a director to acquire securities under an employee incentive scheme without Shareholder approval, by ordinary resolution. The granting of Performance Rights to Mr Okhovat would be a relevant acquisition of securities under Listing Rule 10.14.1 as Mr Okhovat is a Director of the Company. Resolution 5 therefore seeks approval from Shareholders for the proposed grant of Performance Rights to Mr Okhovat pursuant to the GEIP.
- (ii) If Resolution 5 is passed, the Company will be able to proceed with the issue of Performance Rights under the GEIP, providing adequate remuneration (in the Board's opinion) to Mr Okhovat.

EXPLANATORY STATEMENT

- (iii) If Resolution 5 is not passed, the Company will not be able to proceed with the issue of Performance Rights under the GEIP, and adequate remuneration will (in the Board's opinion) not be provided to Mr Okhovat.
- (iv) A summary of the key terms of the GEIP is set out below and a copy of the terms of the GEIP is available upon request from the Company.
- (v) In addition, the Company seeks Shareholder approval pursuant to section 200E of the Corporations Act for vesting of the Performance Rights granted to Mr Okhovat in the event that Mr Okhovat ceases to be employed by the Company in certain limited circumstances, as specified in Mr Okhovat's individual personalised offer document. Such circumstances include termination without cause, redundancy, death or permanent disability.
- (vi) Under section 200B of the Corporations Act, a company may only give a person a "benefit" in connection with their ceasing to hold a managerial or executive office in the company (**Termination Benefit**) if it is approved by Shareholders under section 200E of the Corporations Act (or an exemption applies). The term "benefit" may include the pro rata vesting of Performance Rights in the limited circumstances outlined above, where Mr Okhovat ceases to be employed by the Company. The pro rata vesting of Mr Okhovat's Performance Rights, in those limited circumstances, may amount to the giving of a Termination Benefit requiring Shareholder approval under section 200E of the Corporations Act. As such, Shareholder approval is sought for these purposes.
- (vii) The number of Performance Rights that may vest on cessation of Mr Okhovat's employment for retrenchment or redundancy is calculated on a pro-rata basis using the following formula:
- The number of Performance Rights that may vest on cessation of Mr Okhovat's employment for termination without cause, death or permanent disability is determined by the Board in its sole discretion.
- All Performance Rights will lapse (and will not vest) on cessation of employment for resignation or termination with cause.
- (viii) The value of the Performance Rights may be affected by:
- the market price of the Shares at the time the employment ceases;
 - the exercise price applicable to the Performance Rights;
 - performance against the performance hurdles at the time the employment ceases;
 - part of the service period having elapsed at the time the employment ceases; and
 - the number of Performance Rights that lapse on cessation of employment.
- (c) **Grant of Performance Rights to Mr Okhovat**
- (i) The Board's People, Culture and Education Committee believes that the offer of Performance Rights under the GEIP is an important part of Mr Okhovat's remuneration and has concluded that the remuneration for Mr Okhovat (including the proposed grants of Performance Rights) is reasonable and appropriate having regard to the circumstances of the Company and Mr Okhovat's duties and responsibilities as Managing Director and Chief Executive Officer of the Company.
- (ii) The proposed grant of Performance Rights is intended to align Mr Okhovat's remuneration with Shareholders' longer-term interest and to incentivise him to meet relevant performance hurdles.

$$\frac{\text{The period, in days, from the date of grant to the date of termination, inclusive}}{\text{The period, in days, from the date of grant to the intended date of vesting, inclusive}} \times \text{No. of Performance Rights issued, or to be issued}$$

EXPLANATORY STATEMENT

(d) Mr Okhovat's remuneration package

Mr Okhovat's 2024 Total Target Remuneration is as follows:

- (i) Total Fixed Remuneration of \$950,000 (annualised);
- (ii) a Special Equity Award comprising 1,267,740 Performance Rights, issued to Mr Okhovat in February 2023, representing a value equal to \$1,450,000. The value of each Performance Right, being \$1.14376734 per Share, was determined using the 5-day volume weighted average price of the Shares up to and including 9 January 2023, which was the period immediately following Mr Okhovat's commencement of employment with G8 Education. The Special Equity Award Performance Rights will vest in March 2025, subject to satisfaction of performance hurdles, with any shares required to meet the grant to be acquired by the Company on-market;
- (iii) Sign-On Equity Grants (one granted in 2023 and one to be granted in 2024) of G8 Education Limited shares equivalent to forfeited long-term incentives, to be purchased and issued at the applicable time of vesting and following notification of the relevant vesting outcomes from Mr Okhovat's prior employer (Woolworths Group Limited). The number of G8 Education Limited shares is calculated as the amount that would have been received (if applicable) at the time of vesting at Woolworths Group Limited and will be paid in equivalent value (\$) in G8 Education Limited shares based on a 5-day volume weighted average price (VWAP) following notification of Woolworths Group Limited's vesting outcomes.
 - The 2023 Sign-On Equity Grant shares (637,207 G8 Education Limited shares) were purchased on-market by the G8 Education Employee Share Scheme Trust on behalf of G8 Education Limited for \$618,227.23 around November 2023 and issued to Mr Okhovat.
 - The 2024 Sign On Equity Grant shares (being up to an equivalent maximum of 38,514 Woolworths Group Limited shares at the relevant time) will be purchased on market by the G8 Education Employee Share Scheme Trust on behalf of G8 Education Limited at the appropriate time;
- (iv) a target STI (short-term incentive) opportunity of up to 75% of Total Fixed Remuneration (i.e., \$712,500); and

- (v) an LTI (long-term incentive) grant comprising Performance Rights of a value equal to \$950,000 (being 100% of Total Fixed Remuneration) calculated by dividing that amount by the value of each Performance Right (subject to Shareholder approval, as further set out in this section 2.6).

(e) Maximum number of Performance Rights to be issued to Mr Okhovat

If Shareholder approval is granted, the maximum number of Performance Rights that may be granted to Mr Okhovat in respect of the FY24 grant is 755,347.

The number of Performance Rights to be granted (subject to Shareholder approval) has been calculated by dividing the dollar value of Mr Okhovat's LTI opportunity (being \$950,000, as described in section 2.6(d)(v) above) by the value of each Performance Right, as calculated below.

(f) Value of Performance Rights

The value of each Performance Right, being \$1.2577 per Share, was determined using the 5-day volume weighted average price of the Shares up to and including 5 March 2024, which was the period immediately following the release of the Company's Annual Report, including the Financial Statements for the 2023 full year. On this basis, the Company has not obtained an independent valuation of the Performance Rights.

The Company uses Performance Rights because they create share price alignment between Mr Okhovat and ordinary shareholders but do not provide him with the full benefits of share ownership (such as dividend and voting rights) unless and until the Performance Rights vest and Shares are allocated.

(g) Price of Performance Rights upon being granted

The Performance Rights will be granted at no cost to Mr Okhovat. Once the vesting conditions attached to Mr Okhovat's Performance Rights (described in section 2.6(j) are satisfied (or waived)), the Performance Rights will be exercisable at an exercise price of \$0.00.

(h) The date that the Company will grant the Performance Rights under the LTI

Subject to Shareholder approval, it is anticipated that the Performance Rights will be granted to Mr Okhovat shortly after the Meeting to coincide with the grant of long-term incentives to other selected Company executives in accordance with the Company's remuneration strategy. Irrespective of these intentions, the grant of Mr Okhovat's Performance Rights, if approved by Shareholders under Resolution 5, will be made no later than 12 months after the date of the Meeting.

EXPLANATORY STATEMENT

(i) Important Dates

$$\frac{(\text{share price at end of period} - \text{share price at beginning of period}) + \text{dividends during the period}}{\text{share price at beginning of period}} \times 100$$

- (ii) The two equally weighted performance hurdles for the Performance Rights issued under the LTI are CAGR of EPS and Absolute TSR.

The Board has retained the discretion to adjust for significant items that may arise over this uncertain vesting period to ensure the integrity of the performance hurdle is maintained.

- (iii) These vesting conditions have been selected by the Board:
- to ensure that the Performance Rights only vest where demonstrable outperformance by the Company is achieved;
 - to align the interests of Directors and Shareholders; and
 - for simplicity and transparency of calculation.
- (iv) Any Performance Rights which fail to satisfy the above vesting conditions will lapse immediately and be incapable of vesting.

(k) Other Conditions

- (i) Mr Okhovat's unvested Performance Rights may, in certain circumstances, vest early in accordance with the terms of the GEIP that may apply from time to time, as approved by the Board.
- (ii) No loans will be provided to Mr Okhovat by the Company in respect of the Performance Rights.
- (iii) The Performance Rights will be subject to the Company's Malus & Clawback Policy, which allows for the malus or clawback of unvested Performance Rights in various circumstances including fraud, dishonesty, a breach of obligations, gross negligence and dismissal without notice.
- (iv) The Shares awarded on vesting of Mr Okhovat's Performance Rights may be subject to restriction and any dealing in Shares is subject to the constraints of Australian insider trading laws and the Company's share trading policy.
- (v) Under the terms of the GEIP, Mr Okhovat is prohibited from entering into transactions or arrangements which limit the economic risk of holding unvested Performance Rights, including by way of derivatives or similar financial products.
- (vi) If, in the Board's opinion, Mr Okhovat has acted fraudulently or dishonestly or is in breach of his material obligations to the Company, the Board

EXPLANATORY STATEMENT

may determine that any or all of his unvested Performance Rights will lapse (and become incapable of vesting).

- (vii) Mr Okhovat is the only person in a position referred to in Listing Rule 10.14 who is entitled to participate in the GEIP. If any other person(s) covered by Listing Rule 10.14 become entitled to participate in the GEIP, they will not participate until Shareholder approval is obtained.
- (viii) Mr Okhovat has previously received 1,267,740 Performance Rights under the GEIP (pursuant to the Special Equity Award), which will be satisfied by the Company acquiring shares on market in the event that they vest. There was no acquisition price to acquire those Performance Rights.
- (ix) Mr Okhovat has also previously received 774,119 Performance Rights under the GEIP pursuant to the 2023 LTI grant approved by shareholders at the 2023 Annual General Meeting. There was no acquisition price to acquire those Performance Rights.
- (x) Details of any Performance Rights issued under the GEIP will be published each year in the Annual Report. Where applicable, the Annual Report will note that approval for issue of those securities was obtained under ASX Listing Rule 10.14.

(I) Summary of GEIP Material Terms and Key Policy Settings

Set out below is a summary of the material terms and key policy settings of the GEIP. These terms may be adjusted by the terms of a participant's specific offer.

(i) Eligibility

The Board has the discretion to determine which executives are eligible to participate in the GEIP. The definition of employee under the terms of the GEIP include any full-time or permanent part time executive or officer or executive Director (thereby excluding non-executive Directors) of the Company or any related body corporate of the Company.

(ii) Vesting conditions

The vesting of any securities issued under the GEIP, excluding any securities issued under an exempt share award or stock appreciation right, if any, may be conditional on the satisfaction of performance and/or service conditions as determined by the Board and advised to executives in their individual personalised offer documents.

(iii) Exercise of securities

Vested securities issued under the GEIP will not automatically trigger the exercise of the securities, but a participant will be entitled to exercise in accordance with the terms contained in their individual personalised offer documents.

(iv) Price

Securities issued under the GEIP may be issued at no cost to the participants. Options, if offered, may be subject to payment of an exercise price by the participant which is determined by the Board and advised to the participant in their individual personalised offer documents.

(v) Lapse/forfeiture

Securities issued under the GEIP will lapse or be forfeited on the earliest of:

- ▶ the occurrence of any Clawback Event (as defined in the Company's Clawback Policy, if any, in force from time to time);
- ▶ any expiry date applicable to the securities if any Vesting Conditions (as defined in the GEIP plan rules) have not been exercised, or waived by the Board;
- ▶ any date which the Board determines that Vesting Conditions applicable to the securities are not met or cannot be met;
- ▶ the participant dealing in respect of the securities in contravention of the GEIP; and
- ▶ the Board determining that a participant is ineligible to hold the office for the purposes of Part 2D.6 of the Corporations Act, or is found to have acted in a manner that the Board considers to constitute gross misconduct,

EXPLANATORY STATEMENT

as set out in the individual personalised offer documents.

(vi) Board may elect to settle in cash

If the Board determines that it is not appropriate for tax, legal, regulatory or compliance reasons to issue or transfer Shares upon satisfaction of its obligations under the plan, the Company may make a cash payment to the participant in accordance with the terms of the plan for equivalent value.

(vii) Waiving the restricted period

The Board may waive or shorten the restriction period applicable to securities issued under the GEIP to the participant in accordance with the terms of the GEIP.

(viii) Change of Control

On the occurrence of a Change of Control of the Company (as defined in the terms of the GEIP), or if in the Board's opinion a Change of Control will occur, the Board will determine, in its sole and absolute discretion, the manner in which vested and unvested securities issued under the GEIP shall be dealt with.

(ix) Cessation of employment

Under the individual personalised offer documents, if an executive's employment with the Company (or a related body corporate of the Company) is terminated prior to the vesting of any securities issued under the GEIP, the number of Performance Rights that may vest on cessation of employment for retrenchment or redundancy is calculated on a pro-rata basis using the following formula:

$$\frac{\text{The period, in days, from the date of grant to the date of termination, inclusive}}{\text{The period, in days, from the date of grant to the intended date of vesting, inclusive}} \times \text{No. of Performance Rights issued, or to be issued}$$

The number of Performance Rights that may vest on cessation of employment for termination without cause, death or permanent disability is determined by the Board in its sole discretion.

All Performance Rights will lapse on cessation of employment for resignation or termination with cause.

(x) No dealing or hedging

Dealing restrictions apply to securities issued under the GEIP in accordance with the terms of the GEIP, the individual personalised offer documents and the Company's share trading policy. Participants are prohibited from hedging or otherwise protecting the value of unvested securities issued under the GEIP.

(xi) Rights attaching to Shares

Shares issued under the GEIP (upon exercise of vested securities issued under the GEIP) will be subject to any restrictions imposed under the terms of the GEIP and otherwise rank equally with the existing Shares on issue at the time of allotment or transfer.

(xii) Company may issue or acquire shares

The Company may, in its discretion, either issue new Shares or acquire Shares already on issue, or a combination of both, to satisfy the Company's obligations under the GEIP.

(xiii) Adjustments

Prior to the allocation of Shares to a GEIP participant upon exercise of vested securities issued under the GEIP if the Company undergoes a reorganisation of capital, the terms of unvested securities will be changed in order to comply with the Listing Rules. If the Company makes a pro rata bonus issue to Shareholders, the terms of any unexercised securities will change to entitle the participant to one Share plus the number of bonus Shares which would have been issued to the participant if the unexercised securities had been exercised prior to the bonus issue.

(xiv) Continued operation of the plan

The GEIP may be suspended, terminated or amended at any time by the Board, subject to any resolution of the Company required by the Listing Rules.

(m) Directors' Recommendation

The Directors (with Mr Okhovat abstaining) unanimously recommend Shareholders vote in favour of Resolution 5 set out in the Notice of Meeting.
