Genex enters into binding Transaction Implementation Deed with J-POWER

Genex Power Limited (**ASX: GNX**) (**Genex**) is pleased to announce that it has entered into a binding Transaction Implementation Deed (**TID**) with Electric Power Development Co., Ltd. (**J-POWER**), under which J-POWER has agreed to:

- acquire all of the ordinary shares in Genex (**Genex Shares**) that J-POWER and the Excluded Genex Shareholders¹ do not already own by way of a members' scheme of arrangement for A\$0.275 in cash per Genex Share (**Scheme Consideration**)(**Scheme**); and
- make a simultaneous off-market takeover offer for all of the Genex Shares for A\$0.270 in cash per Genex Share (**Takeover Consideration**), conditional on (among other conditions) the Scheme not being approved by the holders of Genex Shares (**Genex Shareholders**) at the Scheme Meeting, or by the Court, and the 50.1% Minimum Acceptance Condition² (**Takeover Offer**),

(together, the **Transaction**).

Highlights of the Transaction

Unanimous recommendation of the Genex IBC

The independent committee of the board of directors of Genex (**Genex Board**)⁸ (**Genex IBC**) unanimously recommends that:

- Genex Shareholders (other than Excluded Genex Shareholders) vote in favour of the Scheme at the Scheme Meeting, in the absence of a Superior Proposal⁷ and subject to the Independent Expert concluding in the Independent Expert's Report, and continuing to conclude, that the Scheme is fair and reasonable and in the best interests of Genex Shareholders (other than Excluded Genex Shareholders); and

⁵ Implied enterprise values based on Scheme Consideration of A\$0.275 per Genex Share and Takeover Consideration of A\$0.270 per Genex Share (as applicable), 1,385,177,140 Genex Shares on issue (being the number of Genex Shares on issue as at the date of this announcement), and Genex's net debt of A\$654 million as at 31 December 2023.

⁶ Implied equity values based on Scheme Consideration of A\$0.275 per Genex Share and Takeover Consideration of A\$0.270 per Genex Share (as applicable), multiplied by 1,385,177,140 Genex Shares on issue (being the number of Genex Shares on issue as at the date of this announcement).

⁷ As defined in the TID.

⁸ Comprised of all members of the Genex Board, other than J-POWER's representative and nominee to the Genex Board, Kenichi Seshimo.

- Genex Shareholders accept the Takeover Offer, in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert's Report, and continuing to conclude, that the Takeover Offer is fair and reasonable.

Subject to those same qualifications, each member of the Genex IBC (**Genex IBC Member**) intends to:

- vote, or cause to be voted, all of that Genex IBC Member's Genex IBC Member Shares⁹ in favour of the Scheme at the Scheme Meeting; and
- accept, or procure the acceptance of, the Takeover Offer in respect of all of that Genex IBC Member's Genex IBC Member Shares.¹⁰

Non-executive Genex Director and Chairman of the Genex IBC, Dr Ralph Craven said:

"The Genex IBC is unanimous in its conclusion that the Transaction is in the best interests of Genex Shareholders (as a whole). In making this assessment, the Genex IBC carefully considered a range of matters, including its view of the intrinsic value of Genex and the certainty for Genex Shareholders of the all-cash consideration, and unanimously concluded that the Transaction provides an opportunity for Genex Shareholders to realise their investment in Genex for cash at a significant premium to the prices at which Genex Shares traded before Genex received the Indicative Proposal".

Background

On 4 March 2024, Genex announced that it had received a non-binding, indicative and conditional proposal (**Indicative Proposal**) from J-POWER to acquire all of the Genex Shares that J-POWER and its associates did not already own by way of a members' scheme of arrangement for A\$0.275 in cash per Genex Share (**Potential Scheme**). The Indicative Proposal also contained an alternative structure, under which J-POWER would potentially also, concurrently with the Potential Scheme, make an off-market takeover bid for all of the Genex Shares for A\$0.270 in cash per Genex Share (**Potential Takeover Offer**). The Indicative Proposal followed an earlier non-binding, indicative and conditional proposal (**Initial Indicative Proposal**) received from J-POWER for A\$0.240 under the Potential Scheme and A\$0.235 under the Potential Takeover Offer.

⁹ 'Genex IBC Member Shares' means, in respect of a Genex IBC Member, those Genex Shares (i) held by or on behalf of, or controlled (as defined in the Corporations Act) by, that Genex IBC Member, or (ii) in which that Genex IBC Member otherwise has a relevant interest (as defined in the Corporations Act) and in respect of which the Genex IBC Member has the power to exercise, or control the exercise of, the voting rights attached to those Genex Shares.

¹⁰ As at the date of this announcement, Dr Ralph Craven has 1,048,188 Genex IBC Member Shares (representing approximately 0.08% of the Genex Shares on issue), Ms Teresa Dyson has 585,856 Genex IBC Member Shares (representing approximately 0.04% of the Genex Shares on issue), Mr Simon Kidston has 8,663,827 Genex IBC Member Shares (representing approximately 0.63% of the Genex Shares on issue) and Mr Ben Guo has 2,420,681 Genex IBC Member Shares (representing approximately 0.17% of the Genex Shares on issue).

After careful consideration of the Indicative Proposal in consultation with its legal and financial advisers, the Genex IBC unanimously determined that it was in the best interests of Genex Shareholders (as a whole) to progress the Indicative Proposal and allow J-POWER to undertake confirmatory due diligence on Genex to assist J-POWER to provide a binding proposal to the Genex IBC. Genex also entered into a confidentiality and exclusivity deed with J-POWER, under which Genex agreed to certain exclusivity restrictions and obligations while J-POWER undertook its confirmatory due diligence.

Following completion of J-POWER's confirmatory due diligence, Genex and J-POWER entered into the TID.

Overview of the Scheme

If the Scheme is implemented, each Genex Shareholder (other than Excluded Genex Shareholders) on the Scheme Record Date⁷ will receive the Scheme Consideration, being a cash amount of A\$0.275 per Genex Share, which implies an equity value for Genex of A\$381 million.

The TID sets out the terms and conditions on which the Scheme will be implemented and related matters.

The Scheme is subject to a number of conditions which must be satisfied or, if applicable, waived before the Scheme can become effective. These conditions are set out in full in the TID and include:

- the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Scheme is fair and reasonable and in the best interests of Genex Shareholders (other than Excluded Genex Shareholders);
- the approval of the acquisition of all of the Genex Shares by J-POWER under the Scheme by the Foreign Investment Review Board (**FIRB**);
- the approval of the Scheme by the requisite majorities of Genex Shareholders (other than Excluded Genex Shareholders) at a meeting of Genex Shareholders ordered by the Court to be convened to consider the Scheme (**Scheme Meeting**);
- the approval of the Scheme by the Supreme Court of New South Wales (the **Court**);
- the receipt of certain consents and approvals from Genex's contractual counterparties related to the change of control in Genex that will occur on implementation of the Scheme; and
- other customary conditions, including that no Target Prescribed Occurrence⁷ or Target Material Adverse Change⁷ occurs.

The Scheme is not subject to a condition that J-POWER obtains internal or external financing to allow J-POWER to fund the Scheme Consideration.

Overview of the Takeover Offer

Under the terms of the Takeover Offer, Genex Shareholders that accept the Takeover Offer will, if the Takeover Offer is declared or otherwise becomes unconditional, receive the Takeover Consideration, being a cash amount of A\$0.270 per Genex Share, which implies an equity value for Genex of A\$374 million.

Schedule 2 of the TID sets out the terms and conditions of the Takeover Offer.

The Takeover Offer is subject to a number of conditions which must be satisfied or, if applicable, waived before the Takeover Offer can become unconditional. These conditions are set out in full in Schedule 2 of the TID and include:

- the approval of the acquisition of all of the Genex Shares by J-POWER under the Takeover Offer by FIRB;
- the Scheme not being approved by Genex Shareholders at the Scheme Meeting or by the Court (**Scheme Fails Condition**);
- J-POWER having a relevant interest¹¹ in at least 50.1% of the Genex Shares on issue (**50.1% Minimum Acceptance Condition**);
- certain of Genex's contractual counterparties not exercising (or stating an intention to exercise) certain contractual rights related to a change of control in Genex that arise or will arise as a result of J-POWER acquiring a relevant interest in Genex Shares under the Takeover Offer (except where the relevant counterparty has provided the required consent, waiver or approval under the relevant contract);
- J-POWER not terminating the TID due to an unremedied breach of the TID by Genex or a representation and warranty given by Genex in the TID, or an unremedied Target Regulated Event⁷, in each case, that is, alone or together with any other such breaches or Target Regulated Events (as applicable) that have occurred, material in the context of the Scheme (taken as a whole) or the Takeover Offer (taken as a whole); and
- other customary conditions, including that no Target Prescribed Occurrence or Target Material Adverse Change occurs.

Under the TID, the Scheme Fails Condition can only be waived by J-POWER with the prior written consent of Genex, and the 50.1% Minimum Acceptance Condition can only be waived by J-POWER

¹¹ As defined in the *Corporations Act 2001* (Cth) (**Corporations Act**), but determined on the basis set out in clause 3.4(i) of the TID.

once J-POWER has a relevant interest¹¹ in at least 40% of the Genex Shares on issue (and certain other requirements are met) or, otherwise, with the prior written consent of Genex.

In addition, under the TID:

- the Takeover Offer must remain open for acceptance by Genex Shareholders for at least 20 business days after the date of the Scheme Meeting, so Genex Shareholders will have the opportunity to consider whether to accept the Takeover Offer after they have voted on the Scheme and the outcome of the vote at the Scheme Meeting is known; and
- J-POWER must not extend the Takeover Offer period to a date that is after the latest to occur of 3 months after the date of the Scheme Meeting, 30 November 2024¹² and the date to which the end of the Takeover Offer period is automatically extended under the Corporations Act without the prior written consent of Genex.¹³

The Takeover Offer is not subject to a condition that J-POWER obtains internal or external financing to allow J-POWER to fund the Takeover Consideration.

Other key terms

The TID contains certain, customary termination rights for each of Genex and J-POWER, including that either party may terminate the TID in the event of an unremedied breach of the TID by the other party (including a breach of a warranty given by the other party under the TID) that is, alone or together with any other such breaches that have occurred, material in the context of the Scheme (taken as a whole) or the Takeover Offer (taken as a whole).

Under the TID, Genex is subject to customary exclusivity obligations, including “no shop”, “no talk” and “no due diligence” obligations (the latter two obligations being subject to a customary fiduciary exception), and “notification” obligations (in respect of any Competing Proposals⁷ received by Genex). The TID also includes a “matching right” regime that applies to any Superior Proposal made or received by Genex. In addition, the TID sets out certain, customary circumstances in which Genex will be required to pay a break fee to J-POWER and J-POWER will be required to pay a reverse break fee to Genex. The amount of each of the break fee and the reverse break fee, should either become payable under the TID, is A\$3,515,014¹⁴.

A copy of the TID, which sets out the full terms and conditions of the Scheme and the Takeover Offer and other provisions relating to the Scheme and the Takeover Offer and the implementation of those transactions, is attached to this announcement.

¹² Or such later date agreed between Genex and J-POWER.

¹³ Except where the Takeover Offer period is automatically extended to a later date as a result of the operation of section 624(2) of the Corporations Act.

¹⁴ In both cases, being an amount equal to 1% of the aggregate Scheme Consideration.

Indicative timetable and next steps

As summarised above, implementation of the Scheme is subject to (among other conditions) approval by Genex Shareholders¹⁵ at the Scheme Meeting. For this condition to be satisfied and the Scheme to proceed, the resolution to approve the Scheme to be considered and voted on by Genex Shareholders at the Scheme Meeting must be approved by at least 75% of the total number of votes cast by Genex Shareholders¹⁵ on that resolution and a majority in number (more than 50%) of all eligible Genex Shareholders¹⁵ present and voting at the Scheme Meeting (in person or by proxy, attorney or corporate representative).

A Transaction Booklet containing important information in relation to the Transaction, including an explanatory statement in respect of the Scheme, J-POWER's bidder's statement (which will include the formal offers made to Genex Shareholders under the Takeover Offer) and Genex's target's statement in respect of the Takeover Offer, the reasons for the Genex IBC's unanimous recommendation in respect of the Transaction, a copy of the report prepared by the independent expert appointed by Genex in respect of the Transaction (**Independent Expert**) (which will include the Independent Expert's opinion on whether the Scheme is fair and reasonable and in the best interests of Genex Shareholders¹⁵ and whether the Takeover Offer is fair and reasonable) (**Independent Expert's Report**), and notice and details of the Scheme Meeting (including information about how to vote on the Scheme), is expected to be sent to Genex Shareholders in early- to mid-June 2024.

After the Transaction Booklet has been sent to Genex Shareholders, Genex Shareholders will have the opportunity to vote on the Scheme at the Scheme Meeting, which is currently expected to be held in mid-July 2024. As at the date of this announcement, J-POWER has a relevant interest in 7.72% of the Genex Shares (**J-POWER's Genex Shares**) and these Genex Shares will not be acquired under the Scheme. Accordingly, the Scheme must be approved by the requisite majorities of Genex Shareholders – excluding the holders of J-POWER's Genex Shares (being the **Excluded Genex Shareholders**) – at the Scheme Meeting.

If Genex Shareholders¹⁵ approve the Scheme by the requisite majorities at the Scheme Meeting, and the other conditions precedent to the Scheme becoming effective are satisfied (or, if applicable, waived), Genex currently expects that the Scheme will be implemented in late-July 2024.

The dates set out above in relation to the implementation of the Scheme are indicative, subject to Court availability and the Court approval process, and the satisfaction (or, if applicable, waiver) of the conditions precedent to the Scheme becoming effective, and are subject to change.

¹⁵ Other than Excluded Genex Shareholders.

Genex Shareholders do not need to take any action at this time. Genex will continue to keep Genex Shareholders informed about the Transaction in due course and in accordance with its continuous disclosure obligations.

Genex is being advised by Goldman Sachs and Gilbert + Tobin in relation to the Transaction.

J-POWER is being advised by Macquarie Capital and MinterEllison in relation to the Transaction.

2.5 Bidder may elect a Subsidiary

- (a) Target agrees that Bidder may, by giving written notice to Target on or before the date that is 5 Business Days prior to the date on which Target intends to provide the Regulator's Draft to ASIC for its review for the purposes of section 411(2) of the Corporations Act in accordance with clause 5.3(b) and the Timetable, nominate under this clause 2.5 a wholly-owned Subsidiary of Bidder (**Bidder Subsidiary**) to perform its obligations under this deed (including under clauses 2.1(b), 2.2, 2.3, 5 and 6) to:

 - (B) indemnifies Target on demand against any Claim, action, damage, loss, liability, cost, expense or payment of whatever nature and however arising that Target suffers, incurs or is liable for arising from any default or delay in the performance by the Bidder Subsidiary of such obligations; and

- (e) The liability of Bidder under clause 2.5(c) is not affected by anything which, but for this clause 2.5(e), might operate to release or exonerate Bidder in whole or in part from its obligations.

The completion of any contract that results from an acceptance of an Offer under the Takeover Bid will be subject to the conditions set out in clause 7 of Schedule 2 (being the Takeover Bid Conditions), except to the extent that any such Takeover Bid Condition has been fulfilled or validly waived (or the Offer has been freed of any such Takeover Bid Condition) by Bidder.

3.3 Satisfaction of Conditions

- (a) Target must, to the extent it is within its power to do so, use its reasonable endeavours to satisfy, or procure the satisfaction of:
 - (i) the Scheme Conditions in clauses 3.1(a) (Target Shareholder Approval), 3.1(e) (No Target Prescribed Occurrence), 3.1(f) (No Target Material Adverse Change), 3.1(i) (Target Performance Rights) and 3.1(j) (Target Options); and

as soon as reasonably practicable after the date of this deed and otherwise in accordance with the Timetable and in any event before the End Date, and continues to be satisfied at all times until the last time that the relevant clause provides that such Condition is to be satisfied.

- (b) Without limiting clauses 3.1(g), 3.3(e) or clause 7(a) of Schedule 2, Bidder must, to the extent it is within its power to do so, use its reasonable endeavours (other than waiving a Condition) to satisfy, or procure the satisfaction of, the Scheme Condition in clause 3.1(g) (Scheme Transaction FIRB approval) and the Takeover Bid Condition in clause 7(a) of Schedule 2 (Takeover Bid Transaction FIRB approval) as soon as reasonably practicable after the date of this deed and continues to be satisfied at all times until the last time that the relevant clause provides that such Condition is to be satisfied.
- (c) Each party must:
 - (i) to the extent that it is within its power to do so, use its reasonable endeavours (other than waiving a Condition) to satisfy, or procure the satisfaction of:
 - (A) the Scheme Conditions in clauses 3.1(b) (Court Approval Condition), 3.1(c) (No restraints), 3.1(h) (ASIC and ASX) and 3.1(k) (Identified Contracts); and

- (ii) without limiting clause 3.3(c)(i), use its reasonable endeavours to ensure that there is no occurrence or non-occurrence within its reasonable control (or control of, in the case of Bidder, another Bidder Group Member, or, in the case of Target, another Target Group Member), other than waiving a Condition, that prevents, or would be reasonably likely to prevent, the satisfaction of any Condition.
- (d) Target will not be in breach of its obligations under clauses 3.3(a) or 3.3(c) to the extent that it takes an action or omits to take an action:
- (i) where such action or omission (as applicable) is expressly required or expressly permitted (including any action expressly required or expressly permitted to not be taken) by this deed, the Scheme Transaction, the Takeover Bid Transaction or the transactions contemplated by any of these;
- (ii) which is undertaken in connection with an actual, proposed or potential Competing Proposal, but only to the extent not restricted or prohibited under clause 10;

- (e) Without limiting clause 3.3(b), but subject to clause 3.3(e)(iii):
- (i) Bidder must take all steps required, and for which it is responsible, in respect of the process for satisfying the Scheme Condition in clause 3.1(g) (Scheme Transaction FIRB approval) and the Takeover Bid Condition in clause 7(a) (Takeover Bid Transaction FIRB approval) of Schedule 2 (with such approvals, collectively, being **FIRB Approval**), including, subject to clause 3.3(e)(ii), responding to requests for information at the earliest reasonably practicable time;

- (A) promptly (and in advance) provide Target with drafts of all material written communications to be provided by or on behalf of Bidder (or another Bidder Group Member) to one or more Government Agencies after the date of this deed in connection with FIRB Approval such that Target has a reasonable opportunity to comment on them before

submission, and, prior to submitting each such communication, Bidder must:

- (1) correct any factual inaccuracy in such a communication identified by Target and notified to Bidder;
 - (2) consider in good faith any other comments notified to it by Target; and
 - (3) following such consideration, incorporate the reasonable comments of Target;
- (B) promptly provide Target with a copy of any material communication between Bidder (or another Bidder Group Member) or a Representative of Bidder and a Government Agency in connection with FIRB Approval (including in relation to any conditions or undertakings imposed, requested, proposed or required by a Government Agency, and details of any such conditions or undertakings);
 - (C) give Target reasonable notice of any proposed meetings or discussions with the Government Agencies where such meetings or discussions are expected to relate to matters that are material to FIRB Approval and, if the participation of Target in any meeting or discussion between Bidder and a Government Agency in connection with FIRB Approval is requested or required by a Government Agency use reasonable endeavours to procure that the relevant meeting or discussion is held at such time that will enable Representatives of Target to attend that meeting or discussion; and
 - (D) without limiting any other obligation of Bidder in this clause 3.3(e)(ii), keep Target reasonably informed of the progress in relation to (including, but not limited to, all material developments regarding) FIRB Approval (including, but not limited to, any material matters raised by, or conditions or other arrangements proposed by, the relevant Government Agency, and/or any issues that may affect Bidder's ability to complete either Transaction);
- (iii) without limiting clause 3.3(b) or this clause 3.3(e), Target must:
 - (A) as soon as reasonably practicable, provide:
 - (1) Bidder with all information that Bidder reasonably requests; and
 - (2) the applicable Government Agencies with all information that the relevant Government Agency reasonably requests,

for the purpose of progressing an application for FIRB Approval; and
 - (B) if the participation of Target in any meeting or discussion is required by a Government Agency for the purpose of progressing an application for FIRB Approval, use reasonable endeavours to procure that Representatives of Target attend the relevant meeting or discussion;

- (iv) in relation to the Scheme Condition in clause 3.1(g) (Scheme Transaction FIRB approval) and the Takeover Bid Condition in clause 7(a) (Takeover Bid Transaction FIRB approval) of Schedule 2:
 - (A) Bidder must agree or accept:
 - (1) conditions or undertakings in the form of the tax conditions published by or on behalf of the Foreign Investment Review Board (**FIRB**) prior to the date of this deed in items 1 to 6 of part D of FIRB's guidance note 12 (Tax Conditions) (in the form last updated on 10 August 2023); and
 - (2) conditions of a similar kind to which the Bidder or a Bidder Group Member has accepted in relation to prior notifications under the FATA (including for the avoidance of doubt any condition requiring notification of implementation of a Transaction),

promptly after such conditions or undertakings are imposed, required or requested; and
 - (B) for the avoidance of doubt, Bidder may in its absolute discretion determine whether or not to agree or accept any other conditions imposed, required or requested by any Government Agency.
- (f) Nothing in clause 3.3(e) requires a party to disclose to any other party any information, document, submission or other material or to permit any other party or its Representatives to attend meetings or discussions:
 - (i) the subject matter of which is privileged, and cannot be provided pursuant to common interest privilege, or on an external counsel to counsel basis, without waiving such privilege;
 - (ii) the subject matter of which cannot be disclosed due to confidentiality obligations owed to any Third Party (including any Government Agency);
 - (iii) if such disclosure or attendance will cause a breach of an applicable law, or regulation or request, order or direction of a Government Agency; or
 - (iv) is commercially sensitive to the party or:
 - (A) in the case of the Bidder, the Bidder Group; or
 - (B) in the case of Target, the Target Group.

3.4 Benefit and waiver of Conditions

- (a) The Scheme Conditions in clauses 3.1(a) (Target Shareholder approval), 3.1(b) (Court Approval Condition) and 3.1(g) (Scheme Transaction FIRB approval) cannot be waived.
- (b) The Scheme Conditions in clauses 3.1(c) (No restraints) and 3.1(h) (ASIC and ASX) are for the benefit of Target and Bidder and any breach or non-fulfilment of the relevant Scheme Condition may only be waived with the written consent of both Bidder and Target (in each party's absolute discretion).

- (c) The Scheme Condition in clause 3.1(d) (Independent Expert) is for the sole benefit of Target and any breach or non-fulfilment of that Scheme Condition may only be waived with the written consent of Target (in its absolute discretion).
- (d) The Scheme Conditions in clauses 3.1(e) (No Target Prescribed Occurrence), 3.1(f) (No Target Material Adverse Change), 3.1(i) (Target Performance Rights), 3.1(j) (Target Options) and 3.1(k) (Identified Contracts) are for the sole benefit of Bidder and any breach or non-fulfilment of the relevant Scheme Condition may only be waived with the written consent of Bidder (in its absolute discretion).
- (e) If a party waives the breach or non-fulfilment of a Scheme Condition, such waiver will not prevent that party from suing the other party for any breach of this deed that resulted in the breach or non-fulfilment of the relevant Scheme Condition, provided that the relevant party is permitted to do so under this deed.
- (f) Waiver of breach or non-fulfilment of a Scheme Condition does not constitute:
 - (i) a waiver of breach or non-fulfilment of any other Scheme Condition resulting from the same event; or
 - (ii) a waiver of breach or non-fulfilment of that Scheme Condition resulting from any other event.
- (g) A party entitled to waive a Scheme Condition under this clause 3.4 may do so in its absolute discretion. Any waiver of a Scheme Condition by a party for whose benefit the Scheme Condition applies must take place at or prior to the Delivery Time.
- (h) The Takeover Bid Condition in clause 7(f) (Scheme fails) of Schedule 2 may only be waived by Bidder (where, for the purpose of this clause, such 'waiver' includes Bidder freeing the Offer from that Takeover Bid Condition) with the prior written consent of Target (in its absolute discretion).
- (i) The Takeover Bid Condition in clause 7(g) (Minimum acceptance) of Schedule 2 (**Takeover Bid Minimum Acceptance Condition**) may only be waived by Bidder (where, for the purpose of this clause, such 'waiver' includes Bidder freeing the Offer from that Takeover Bid Condition):
 - (i) if Bidder has a Relevant Interest in at least 40% of Target Shares on issue, where, for the purpose of this clause 3.4(i), Bidder's Relevant Interest is to be determined as if section 609A of the Corporations Act was omitted from the Corporations Act and disregarded in relation to a facility covered by that section relating to the Takeover Bid (**Takeover Bid Acceptance Facility**), provided that the waiver of the Takeover Bid Minimum Acceptance Condition (together with the waiver of any other applicable Takeover Bid Conditions at the same time as such waiver) causes acceptances under the Takeover Bid Acceptance Facility to be unable to be withdrawn; or
 - (ii) otherwise (and in all circumstances other than those expressly stated in clause 3.4(i)(i)) with the prior written consent of Target (in its absolute discretion).

3.5 Failure of a Scheme Condition

- (a) If:
- (i) there is a breach or non-fulfilment of a Scheme Condition before the earlier of the End Date and the time and date specified in this deed for the satisfaction of that Scheme Condition and:
 - (A) the breach or non-fulfilment of that Scheme Condition is not waived in accordance with clause 3.4 or cannot be waived because of clause 3.4(a); or
 - (B) in respect of a Scheme Condition that can be waived under clause 3.4, each party having the benefit of that Scheme Condition confirms in writing to the other party that it will not waive the breach or non-fulfilment in accordance with clause 3.4; or
 - (ii) subject to clause 3.5(d), a Scheme Condition becomes incapable of satisfaction or being fulfilled before the earlier of the End Date and the time and date specified in this deed for the satisfaction of that Scheme Condition and:
 - (A) the breach or non-fulfilment of that Scheme Condition that has occurred or would otherwise occur is not waived in accordance with clause 3.4 or cannot be waived because of clause 3.4(a); or
 - (B) in respect of a Scheme Condition that can be waived under clause 3.4, each party having the benefit of that Scheme Condition confirms in writing to the other party that it will not waive the breach or non-fulfilment of that Scheme Condition that has occurred or would otherwise occur in accordance with clause 3.4; or
 - (iii) the Scheme has not become Effective by the End Date,
- then either party may give the other party written notice (**Consultation Notice**) within 10 Business Days after the relevant event (**Termination Event**). The parties must then consult in good faith with a view to determining whether they can reach agreement with respect to:
- (iv) changing the date of the application made to the Court for an order under paragraph 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed to in writing by Bidder and Target, unless there is no reasonable prospect that the relevant Scheme Condition will be satisfied before the End Date;
 - (v) an extension of the time for satisfaction of the relevant Scheme Condition or an extension of the End Date, or both (as the case may be); or
 - (vi) the Scheme or both Transactions proceeding by way of alternative means or methods or whether, in the case of a breach of the Scheme Condition in clause 3.1(e) (No Target Prescribed Occurrence) or clause 3.1(f) (No Target Material Adverse Change), the breach or non-fulfilment or the effects of the breach or non-fulfilment are still able to be remedied.
- (b) If the parties are unable to reach agreement under clause 3.5(a) before the later of 10 Business Days after a Consultation Notice is given and 5 Business Days before the time and the date specified in this deed for the satisfaction of the Scheme

Condition or, if a Consultation Notice is not required to be given or is otherwise not given within 10 Business Days after a Termination Event, then either party (in this clause 3.5, the **Terminating Party**) may terminate this deed by giving written notice (**Termination Notice**) to the other party, provided that:

- (i) if the basis upon which the Terminating Party is seeking to terminate this deed is the occurrence of an event described in clause 3.5(a)(i) or clause 3.5(a)(ii):
 - (A) the relevant Scheme Condition is a Scheme Condition referred to in clause 3.4(a); or
 - (B) the Terminating Party is stated in clause 3.4(b), 3.4(c) or 3.4(d) to have the benefit of the relevant Scheme Condition (whether or not the other party also has the benefit of that Scheme Condition); and
- (ii) there has been no failure by the Terminating Party to comply with its obligations under this deed, where that failure directly and materially contributed to the circumstances giving rise to the Termination Event.
- (c) Where a Termination Notice is validly given under clause 3.5(b), this deed will terminate with immediate effect and clause 15.6 will apply.
- (d) For the purposes of clause 3.5(a)(ii), a Scheme Condition will be incapable of satisfaction or incapable of being fulfilled if there is an act, failure to act or occurrence that will prevent the Scheme Condition being satisfied by the End Date (and the breach or non-fulfilment that would otherwise have occurred has not already been waived in accordance with this deed).

3.6 Certain notices

Each party must as soon as reasonably practicable (and in any event within 5 Business Days) notify the other party in writing if it becomes aware:

- (a) that a Condition has been satisfied, in which case that party must comply with any reasonable request for evidence of such satisfaction made by the other party;
- (b) that there is a breach or non-fulfilment of a Condition; or
- (c) of any fact, matter or circumstance that has resulted, will result or is reasonably likely to result in:
 - (i) a Condition becoming incapable of satisfaction or otherwise not being satisfied in accordance with its terms;
 - (ii) a Target Representation and Warranty or a Bidder Representation and Warranty (as applicable) becoming, or being discovered or determined to be, untrue or incorrect in any material respect;
 - (iii) the occurrence of a Target Regulated Event; or
 - (iv) a material breach of this deed by the relevant party.

3.7 Scheme voted down

If the Scheme is not approved by Target Shareholders (other than Excluded Target Shareholders) at the Scheme Meeting by reason only of the non-satisfaction of the

Headcount Test and Bidder considers acting reasonably that Share Splitting or some abusive or improper conduct may have caused or contributed to the Headcount Test not having been satisfied, then Target must:

- (a) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and
- (b) make such submissions to the Court and file such evidence as counsel engaged by Target to represent it in Court proceedings related to the Scheme, in consultation with Bidder, considers is reasonably desirable or required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act by making an order to disregard the Headcount Test,

and if the Court exercises such discretion or gives such approval, the Scheme Condition in clause 3.1(a) (Target Shareholder approval) is deemed to be satisfied for all purposes.

7.5 Permitted activities in relation to conduct of Target's business

Nothing in clause 7.4 restricts the ability of a Target Group Member (or any Representative of a Target Group Member) to take or not take any action (other than any action that breaches clause 7.4(k)):

Implementation Date and the close of the Offer Period, Target must, and must cause each other Target Group Member to, provide to Bidder and a reasonable number of Bidder's Representatives (in accordance with the terms of the Confidentiality and Exclusivity Deed) reasonable access to: (A) information (including, for the avoidance of doubt, reports ordinarily prepared by senior executives of Target for the Target Board in the ordinary course of Target's business after the date of this deed and any monthly or other periodically prepared unaudited management accounts prepared by or for the Target Group's senior executives); (B) premises; and (C) such senior executives of any Target Group Member, as reasonably requested by Bidder at mutually convenient times, for the purposes of:

 - (iii) any actual, proposed or potential Competing Proposal (including a Relevant Person's consideration of any actual, proposed or potential Competing Proposal), provided that nothing in this clause 7.6(f) limits the obligations of Target under clause 10;
- (g) the provision of information pursuant to this clause 7.6 must not result in unreasonable disruptions to, or interference with, the Target Group's business;
- (h) Bidder must, and must procure that each of its Representatives and each other Bidder Group Member and their respective Representatives:
 - (i) keep all information obtained by it or them as a result of the operation of this clause 7.6 confidential in accordance with the terms of the Confidentiality and Exclusivity Deed;

- (ii) provide Target with reasonable notice of any request for information or access; and
- (iii) comply with the reasonable requirements of Target in relation to any access granted;
- (i) nothing in this clause 7.6 gives Bidder or any other Bidder Group Member any rights as to the decision making of any Target Group Member or its business; and

 - (i) breach any confidentiality obligation owed to a Third Party or any applicable law, regulatory requirement, Authorisation or court order; or
 - (ii) result in a waiver of legal professional privilege.

7.7 Change of Control Requirements

As soon as practicable after the date of this deed, the parties must:

- (a) seek to identify any change of control provisions or similar or equivalent terms in any Material Contracts which will, or are reasonably likely to, be triggered by the execution of this deed, the Scheme becoming Effective, the implementation of the Scheme, or completion of the Takeover Bid (**Change of Control Requirements**);
- (b) without limitation to the Scheme Condition in clause 3.1(k) (Identified Contracts), the Takeover Bid Condition in clause 7(i) (Identified Contracts) of Schedule 2 and the parties' obligations in respect of those Conditions under clause 3.3, in respect of any such Material Contracts that contain Change of Control Requirements:
 - (i) Target and Bidder must, each acting reasonably and in good faith, agree a proposed course of action to obtain any consents, waivers, approvals or other confirmations required in accordance with or in relation to the terms of any identified Change of Control Requirements. If it is agreed between Target and Bidder that Target will initiate contact with the relevant counterparties to request that they provide any consents, waivers, approvals or confirmations required in accordance with any such course of action agreed between Bidder and Target, Target must do so as soon as reasonably practicable after such course of action has been agreed between Bidder and Target;
 - (ii) Bidder and its Representatives must not contact any counterparties without Representatives of the Target or a Target Group Member being present or without Target's prior written consent (which must not be unreasonably withheld or delayed);
 - (iii) Target must cooperate with, and provide reasonable assistance to, Bidder to obtain such consents, waivers, approvals or confirmations as expeditiously as possible, including by promptly providing any information reasonably required by the relevant counterparties (but nothing in this clause requires Target or Bidder to incur material costs or expenses); and

- (iv) Bidder must cooperate with, and provide reasonable assistance to, Target to obtain such consents, waivers, approvals or confirmations as expeditiously as possible, including:
 - (A) promptly providing any information and entering into such form of guarantee or security, as counterparties may reasonably require; and
 - (B) making its Representatives available where reasonably necessary to meet with counterparties to deal with any issues arising in relation to the relevant consent or waiver.

- (d) For the avoidance of doubt, nothing in this clause 7.7 will require Target to seek any consents, waivers, approvals or other confirmations from any Bidder Group Member under any Existing J-POWER Agreement.

7.8 Appointment and resignation of directors

- (a) Target must, on the Implementation Date, after the Scheme Consideration has been provided to Scheme Shareholders in accordance with the terms of the Scheme and with effect from the time that the transfer of all of the Scheme Shares to Bidder has been effected in accordance with the terms of the Scheme, procure that:

nothing in this clause 7.8(a)(ii) requires any such director to forego) any rights or remedies they may have:

- (A) under any deed of access and indemnity (or similar) between the director and one or more Target Group Members, a complete copy of which has been disclosed in the Disclosure Materials;
 - (B) under an indemnity given to the director under the constitution of a Target Group Member (including under the Target Constitution);
 - (C) under a policy of directors' and officers' insurance relating to his or her position as director of a Target Group Member; or

 - (3) provides the information required to allow Target to comply with all applicable laws, regulations, orders and requests of any Government Agency and the ASX Listing Rules; and
 - (4) signs a consent to act as a director of Target and a letter of appointment as non-executive Target Director, in a form reasonably required by Target and that is materially consistent with that signed by the other non-executive Target Directors (with necessary modifications);
 - (B) the documents and information referred to in subparagraph (A) above are provided to Target before the appointment of the relevant person as a Target Director; and
 - (C) the persons nominated by Bidder to be appointed as Target Directors represent the minimum number of persons required to ensure that the persons nominated by Bidder to be appointed as Target Directors

under this clause 7.8(b), together with the J-POWER Nominee Director, comprise a majority of the Target Directors at the time of their appointment to the Target Board.

- (c) After the appointments of the Bidder's nominees to the Target Board are made under clause 7.8(b), Bidder must procure that its nominees on the Target Board do not participate in any discussions or decisions of the Target Board or Target Directors which relate directly to the Takeover Bid and occur or are taken (as applicable) during the Offer Period (and, for the avoidance of doubt, such nominees will not be members of, or be entitled to be present at or participate in (or receive any materials prepared specifically for) a meeting of, the Target IBC).

 - (ii) the Offer having been declared or otherwise having become unconditional, any continuing rights it has at that time to appoint, or nominate a person for appointment as, a Target Director under any written agreement between AED and a Target Group Member that remains in force at that time.

- (i) the Target IBC unanimously recommends that Target Shareholders accept the Offer to be made to them under the Takeover Bid, in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert's Report, and continuing to conclude, that the Offer is fair and reasonable (**Takeover Recommendation**); and

- (ii) there is a statement by each Target IBC Member that the Target IBC Member intends to accept, or procure the acceptance of, the Offer in respect of all of that Target IBC Member's Target IBC Member Shares, in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert's Report, and continuing to conclude, that the Offer is fair and reasonable (**Takeover Acceptance Intention**).
- (d) For the avoidance of doubt, and without limiting clause 9.2, Target's obligations under clauses 9.1(b) and 9.1(c) will immediately cease to apply in respect of a Target IBC Member's Scheme Recommendation, Scheme Voting Intention, Takeover Recommendation and/or Takeover Acceptance Intention (as applicable) if that Target IBC Member withdraws, adversely changes, adversely modifies or adversely qualifies his or her Scheme Recommendation, Scheme Voting Intention, Takeover Recommendation and/or Takeover Acceptance Intention (as applicable) following the occurrence of one of the events referred to in clause 9.2, provided that, in the case of an event referred to in clause 9.2(c), such obligations cease to apply only in relation to the Scheme Recommendation, Scheme Voting Intention, Takeover Recommendation and/or Takeover Acceptance Intention (as applicable) of each Target IBC Member(s) to which clause 9.2(c) applies and not the Scheme Recommendations, Scheme Voting Intentions, Takeover Recommendations or Takeover Acceptance Intentions of the other Target IBC Member(s) (if any).
- (e) Target's obligations under clause 9.1(c) will immediately cease to apply if the Scheme becomes Effective.

9.2 Maintenance of Recommendations

Target must use its reasonable endeavours to ensure that the Target IBC collectively, and the Target IBC Members individually, do not publicly withdraw, adversely change, adversely modify or adversely qualify its or their Scheme Recommendation, Scheme Voting Intention, Takeover Recommendation or Takeover Acceptance Intention unless:

- (a) the Target has received, other than as a result of a breach of clauses 10.2, 10.3 or 10.4, a Competing Proposal and the Target IBC has determined, after the procedures in clauses 10.5 and 10.7 have been complied with, that the Competing Proposal is a Superior Proposal;
- (b) the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, the Independent Expert's Report) that:
 - (i) in respect of the Scheme Recommendation and the Scheme Voting Intention:
 - (A) the Scheme is not in the best interests of Target Shareholders (other than Excluded Target Shareholders); or
 - (B) the Scheme is not fair and/or not reasonable to, but is in the best interests of, Target Shareholders (other than Excluded Target Shareholders); or
 - (ii) in respect of the Takeover Recommendation and the Takeover Acceptance Intention, the Takeover Bid is not fair and/or not reasonable; or
- (c) the adverse change, withdrawal, adverse modification or adverse qualification in respect of a Target IBC Member's Scheme Recommendation, Scheme Voting Intention, Takeover Recommendation and/or Takeover Acceptance Intention (as

applicable) occurs because of a requirement of a court of competent jurisdiction, ASIC or the Takeovers Panel (which, for the avoidance of doubt, includes where such a court, ASIC or the Takeovers Panel advises Target or Bidder to the effect that any consent, approval, or order requested by Target or Bidder in connection with a Transaction will only be given if (or, in the case of the Takeovers Panel, a declaration of unacceptable circumstances in connection with a Transaction is or is likely to be made unless)) that the relevant Target IBC Member abstains from making the applicable recommendation or voting intention (in which case, Target's obligations under this clause 9.2 cease to apply only in respect of the Scheme Recommendation, Scheme Voting Intention, Takeover Recommendation and/or Takeover Acceptance Intention (as applicable) of each Target IBC Member(s) to which this clause 9.2(c) applies and not the Scheme Recommendations, Scheme Voting Intentions, Takeover Recommendations and/or Takeover Acceptance Intentions of the other Target IBC Member(s) (if any)).

9.3 Qualifications relating to Scheme Recommendation, Scheme Voting Intention, Takeover Recommendation and Takeover Acceptance Intention

- (a) For the purposes of clauses 9.1 and 9.2, customary qualifications and explanations contained in the Transaction Booklet, the Agreed Public Announcement and any Material Public Announcement in relation to a Scheme Recommendation, Scheme Voting Intention, Takeover Recommendation or Takeover Acceptance Intention to the effect that the applicable recommendation is made or the voting intention is held:
- (i) in the absence of a Superior Proposal; and/or
 - (ii) in respect of:
 - (A) any Material Public Announcement issued before the issue of the Transaction Booklet, 'subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that:
 - (1) the Scheme is fair and reasonable and in the best interests of Target Shareholders (other than Excluded Target Shareholders); and
 - (2) the Offer is fair and reasonable'; or
 - (B) the Transaction Booklet and any public announcements issued at the time of or after the issue of the Transaction Booklet, 'subject to the Independent Expert continuing to conclude that:
 - (3) the Scheme is fair and reasonable and in the best interests of Target Shareholders (other than Excluded Target Shareholders); and
 - (4) the Offer is fair and reasonable',
 - (C) any public announcement issued after the Condition in clause 7(f) of Schedule 2 (Scheme fails) has been satisfied, 'subject to the Independent Expert continuing to conclude that the Offer is fair and reasonable',

will not be regarded as a failure to make, or a withdrawal, adverse change, adverse modification or adverse qualification of, a recommendation or voting intention.

- (b) Despite anything to the contrary in this clause 9, a statement made by Target, the Target IBC or any Target IBC Member:
 - (i) to the effect that no action should be taken by Target Shareholders pending the assessment of a Competing Proposal by the Target IBC; or
 - (ii) permitted by clause 10.7(a),shall not, by that statement alone, contravene clause 9.1 or clause 9.2.

10 Exclusivity

10.1 No existing discussions

Target represents and warrants to Bidder that, as at the date of this deed:

- (a) neither Target nor any Restricted Representative is, directly or indirectly, in any negotiations or discussions, and have ceased any existing negotiations or discussions, in respect of any Competing Proposal with any Third Party or that would reasonably be expected to lead to a Competing Proposal (other than, for the avoidance of doubt, the discussions with Bidder and its Representatives in respect of the Transactions and the discussions between Target and its Representatives in respect of the Transactions);
- (b) neither Target nor any Restricted Representative is a party to any agreement, or other binding arrangement, with any Third Party (other than a confidentiality agreement) in relation to any actual, proposed or potential Competing Proposal;
- (c) any access to non-public information relating to the business, operations, assets or affairs of the Target Group (**Non-public Information**) granted by Target to any Third Party for the purpose of Target facilitating a Competing Proposal before the date of this deed has been terminated;
- (d) any Third Party to which Non-public Information has been provided by or on behalf of Target under the terms of an Existing Confidentiality Agreement has been requested to return or destroy that Non-public Information (but only if, and to the extent that, the applicable Target Group Member has the right under the Existing Confidentiality Agreement to request the return or destruction of that Non-public Information by the relevant Third Party); and
- (e) Target has not breached or failed to comply with the obligations set out in or the requirements of clause 7 (Exclusivity) of the Confidentiality and Exclusivity Deed (including, for the avoidance of doubt, the obligations of Target to ensure that Restricted Representatives comply with such requirements, but only where and to the extent stated in clause 7 (Exclusivity) of the Confidentiality and Exclusivity Deed) between the date of the Confidentiality and Exclusivity Deed and the date of this deed.

10.2 No-shop

During the Exclusivity Period, Target must not, and must ensure that each Restricted Representative does not, directly or indirectly:

- (a) solicit, invite or initiate any enquiry, expression of interest, proposal, offer, negotiation or discussion with or by any Third Party; or

- (b) communicate to any Third Party any intention to do any of the things referred to in clause 10.2(a),

in relation to, or that would reasonably be expected to lead to the making of, or with a view to obtaining, an actual, proposed or potential Competing Proposal.

10.3 No-talk

Subject to clause 10.5, during the Exclusivity Period, Target must not, and must ensure that each Restricted Representative does not, directly or indirectly:

- (a) negotiate or enter into or participate in negotiations or discussions with, or negotiate or enter into any agreement, arrangement or understanding with, any Third Party; or
- (b) communicate to any Third Party any intention to do any of the things referred to in clause 10.3(a),

in relation to, or that would reasonably be expected to lead to the making of, an actual, proposed or potential Competing Proposal by a Third Party, even where that Third Party's actual, proposed or potential Competing Proposal was not directly or indirectly solicited, invited, encouraged or initiated by Target or any Restricted Representatives or that Third Party has publicly announced the Competing Proposal (provided that nothing in this clause 10.3 prevents or restricts Target or any Restricted Representative from responding to a Third Party in respect of an enquiry, expression of interest, proposal, offer, negotiation or discussion or other communication by that Third Party in relation to, or which would reasonably be expected to lead to the making of, a Competing Proposal to merely: (i) acknowledge receipt; and/or (ii) advise that Third Party that Target is bound by the provisions of this clause 10.3 and is only able to engage in negotiations, discussions or other communications if the fiduciary exception in clause 10.5 applies).

10.4 No due diligence

- (a) Subject to clause 10.5, during the Exclusivity Period, Target must not, and must ensure that each Restricted Representative does not, directly or indirectly, in relation to an actual, proposed or potential Competing Proposal:
 - (i) enable any Third Party to undertake due diligence investigations on the Target Group by disclosing, providing or making available Non-public Information to that Third Party; or
 - (ii) disclose, provide or make available to a Third Party any Non-public Information,

with a view to obtaining, or which would reasonably be expected to:

- (iii) lead to the making of; or
- (iv) be used by such Third Party for the purpose of formulating, developing or finalising, or assisting in the formulation, development or finalisation of,

an actual, proposed or potential Competing Proposal by that Third Party (or, so far as the Target IBC was aware at the time the Non-public Information was disclosed, provided or made available to the relevant Third Party, for the purpose of the formulation, development, finalisation or announcement of an actual, proposed or potential Competing Proposal by that Third Party).

- (b) If, during the Exclusivity Period, Target:
- (i) enters into a confidentiality agreement with a Third Party for the purposes of providing Non-public Information to that Third Party in reliance on clause 10.5 or otherwise (subject, for the avoidance of doubt, to the provisions of clause 10) in connection with an actual, proposed or potential Competing Proposal, and that agreement contains confidentiality or standstill obligations on the Third Party (as recipient of that information) which are more favourable to that Third Party in any material respect than the confidentiality or standstill obligations (as applicable) under the Confidentiality and Exclusivity Deed are to Bidder, Target must promptly notify Bidder of the relevant terms and upon Bidder's written request Target must take all steps reasonably necessary (and within its control) to amend the Confidentiality and Exclusivity Deed to reflect and align with such terms (provided that Target's obligations under this clause 10.4(b)(i) will cease to apply in respect of a confidentiality agreement entered into with a Third Party during the Exclusivity Period if Bidder does not act reasonably and in good faith in relation to the negotiation of the documentation of any relevant amendment of this deed requested by Bidder); or
 - (ii) provides any Non-public Information to a Third Party in reliance on clause 10.5, then Target must within one Business Day of doing so also provide that Non-public Information to Bidder (unless the Non-public Information has already been provided to Bidder or its Representatives), provided that this clause 10.4(b)(ii) does not require Target to provide or make available to Bidder any information which the Target IBC reasonably considers is commercially sensitive or confidential information of that Third Party.

10.5 Fiduciary out

Each of clauses 10.3 and 10.4 do not apply to the extent that they prohibit or restrict Target or a Restricted Representative from taking or omitting (or failing or refusing) to take any action with respect to or in relation to an actual, proposed or potential Competing Proposal which was not solicited, invited, encouraged or initiated in contravention of clause 10.2, provided that the Target IBC has determined in good faith after:

- (a) having consulted with its Financial Adviser, that such Competing Proposal is bona fide and is, or may reasonably be expected to lead to or become, a Superior Proposal; and
- (b) having received written advice from its external Australian legal advisers specialising in the area of corporate law, that omitting (or failing or refusing) to take the action, or taking the action, (as applicable) in relation to the actual, proposed or potential Competing Proposal would, or would be reasonably likely to, constitute a breach of the fiduciary or statutory duties of the Target IBC Members.

10.6 Notification obligation

During the Exclusivity Period, Target must:

- (a) notify Bidder in writing within one Business Day after Target receives from a Third Party a request or proposal, whether in writing or otherwise, that Target take any action that would breach Target's obligations under clause 10.3 or clause 10.4 (or

that would breach Target's obligations under clause 10.3 or clause 10.4 if clause 10.5 did not apply); and

- (b) no later than one Business Day after Target receives a Competing Proposal, whether in writing or otherwise, from a Third Party, notify Bidder in writing of:
 - (i) the fact that Target has received the Competing Proposal;
 - (ii) the identity of the Third Party that made the Competing Proposal; and
 - (iii) the material terms of the Competing Proposal, including the offered or proposed price, form of consideration, break or reimbursement fee (if any), proposed timing and material conditions precedent (if any), in each case, to the extent known by the Target IBC.

10.7 Matching right

- (a) Without limiting clauses 10.1 to 10.4 (inclusive) or clause 10.6, Target must:
 - (i) not, and must procure that each Target Group Member does not, enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which one or more of a Third Party, Target or any Target Group Member proposes or propose to undertake, implement or give effect to a Competing Proposal (which, for the avoidance of doubt, excludes a confidentiality (or similar) agreement entered into between a Target Group Member and a Third Party for the purpose of facilitating an actual, proposed or potential Competing Proposal, to the extent not prohibited under the terms of this clause 10); and
 - (ii) subject to any change, withdrawal, modification or qualification of a Target IBC Member's Scheme Recommendation, Scheme Voting Intention, Takeover Recommendation and/or Takeover Acceptance Intention (as applicable) by one or more Target IBC Members that is permitted by clause 9.2, use its reasonable endeavours to ensure that no Target IBC Member, in connection with a Competing Proposal, publicly:
 - (A) withdraws, adversely changes, adversely modifies or adversely qualifies his or her Scheme Recommendation, Scheme Voting Intention, Takeover Recommendation and/or Takeover Acceptance Intention (as applicable) (as set out in clause 9.1);
 - (B) recommends or endorses the Competing Proposal; or
 - (C) recommends against either Transaction,

or makes any public statement to the effect that he or she may do so at a future point (subject to any change of a Target IBC Member's Scheme Recommendation, Scheme Voting Intention, Takeover Recommendation and/or Takeover Acceptance Intention (as applicable) that is permitted by clause 9.2),
- unless:
- (iii) the Target IBC has complied with all requirements of clause 10.5 in respect of that Competing Proposal and has determined that the Competing Proposal is a Superior Proposal;

- (iv) Target has provided Bidder with a notice stating that it is given for the purposes of this clause 10.7 and which sets out the material terms of the Competing Proposal, including those terms set out in clause 10.6(b)(iii) (in each case, to the extent known by Target);
- (v) Target has given Bidder at least 3 Business Days after Target has provided to Bidder the notice referred to in clause 10.7(a)(iv) (**Bidder Counterproposal Deadline**) to announce or otherwise propose or provide to Target a counter-proposal to the Competing Proposal (**Bidder Counterproposal**); and
- (vi) either:
 - (A) Bidder has not announced or otherwise proposed or provided to Target a Bidder Counterproposal before the Bidder Counterproposal Deadline; or
 - (B) if Bidder has announced or otherwise proposed or provided to Target a Bidder Counterproposal before the Bidder Counterproposal Deadline, both: (I) the Target IBC has under and in accordance with the requirements of clause 10.7(b) determined that the Bidder Counterproposal is not a Superior Bidder Counterproposal; and (II) Target has notified Bidder in accordance with clause 10.7(d)(i) that the Target IBC's determination is that the Bidder Counterproposal is not a Superior Bidder Counterproposal and, if applicable, Target has complied with its obligations under clause 10.7(d)(ii),

and provided that a statement that no action should be taken by Target Shareholders pending the assessment of a Competing Proposal by the Target IBC or the completion of the matching right process set out in this clause 10.7 shall not contravene this clause 10.7.

- (b) If Bidder announces or otherwise proposes or provides to Target a Bidder Counterproposal before the Bidder Counterproposal Deadline, Target must procure that the Target IBC promptly considers the Bidder Counterproposal and, determines, acting in good faith, after consulting with Target's Financial Advisers and external Australian legal advisers specialising in the area of corporate law, whether the Bidder Counterproposal would provide an outcome that is no less favourable, or more favourable, for Target Shareholders (other than Excluded Target Shareholders) as a whole than the Competing Proposal, taking into account all terms and conditions and other aspects of:
 - (i) the Bidder Counterproposal (including the consideration, conditionality, funding, certainty and timing, the capability of the Bidder to complete the transaction(s) contemplated by the Bidder Counterproposal, the views of Target Shareholders (other than Excluded Target Shareholders) in relation to the Bidder Counterproposal compared to the Competing Proposal, and any other legal, financial, regulatory and other matters that the Target IBC determines to be relevant in the circumstances); and
 - (ii) the Competing Proposal (including the matters set out in subparagraph (b)(i) of the definition of "Superior Proposal"),

(**Superior Bidder Counterproposal**), such determination to be made by the Target IBC within 5 Business Days of receipt of the Bidder Counterproposal.

- (c) If the Target IBC determines that a Bidder Counterproposal is a Superior Bidder Counterproposal, then:
- (i) Target must promptly, and in any event within 1 Business Day, notify Bidder of the determination in writing; and
 - (ii) Target and Bidder must use their best endeavours to agree any amendments to this deed (and any other transaction documents required) and the contents of the Scheme Booklet which are reasonably necessary to reflect and document the Superior Bidder Counterproposal and, once agreed:
 - (A) Target and Bidder must enter into an appropriate amending deed (and any other transaction documents required) to give effect to those amendments; and
 - (B) Target must use its reasonable endeavours to ensure that the Target IBC recommends the Bidder Counterproposal to Target Shareholders (other than Excluded Target Shareholders) and does not recommend the applicable Competing Proposal,

in each case, as soon as reasonably practicable.
- (d) If the Target IBC determines that a Bidder Counterproposal is not a Superior Bidder Counterproposal, then:
- (i) Target must promptly, and in any event within 1 Business Day, notify Bidder of the determination in writing;
 - (ii) Target must allow Bidder a further 2 Business Days after Target gives Bidder notice of the Target IBC's determination under clause 10.7(d)(i) above to (acting in good faith) announce or otherwise propose or provide a revised, alternative or new Bidder Counterproposal to Target (**Revised Bidder Counterproposal**) and, if Bidder does so before the end of that 2 Business Day period:
 - (A) Target must follow, and must procure that the Target IBC follows, the process set out in clause 10.7(b) as if the Revised Bidder Counterproposal was a Bidder Counterproposal;
 - (B) if, after following the process set out in clause 10.7(b), the Target IBC determines that the Revised Bidder Counterproposal is not a Superior Bidder Counterproposal:
 - (1) Target must comply with its obligations under clauses 10.7(d)(i) and 10.7(d)(iii) as if the Revised Bidder Counterproposal was a Bidder Counterproposal; but
 - (2) Target is not required to allow Bidder a further 2 Business Days after Target gives Bidder notice of the Target IBC's determination in respect of the Revised Bidder Counterproposal under clause 10.7(d)(i) to announce or otherwise propose or provide a revised, alternative or new Bidder Counterproposal or Revised Bidder Counterproposal to Target, such that this clause 10.7(d)(ii) will not have any repeated application after Bidder has provided a Revised Bidder Counterproposal and the Target IBC has

determined that that Revised Bidder Counterproposal is not a Superior Bidder Counterproposal; and

- (c) if, after following the process set out in clause 10.7(b), the Target IBC determines that the Revised Bidder Counterproposal is a Superior Bidder Counterproposal, Target and Bidder must follow the process set out in, and comply with their obligations under, clause 10.7(c) as if the Revised Bidder Counterproposal was a Bidder Counterproposal.
- (iii) Target must not do any of the things referred to in clauses 10.7(a)(i), and must use its reasonable endeavours to ensure that the Target IBC Members do not do any of the things referred to in clause 10.7(a)(ii), before it has notified the Bidder of the Target IBC's determination under clause 10.7(d)(i) and, if applicable, Target has complied with its obligations under clause 10.7(d)(ii).
- (e) For the purpose of this clause 10.7, each new Competing Proposal or successive material variation or amendment to a Competing Proposal (including, for the avoidance of doubt, any material change to any of the terms set out in clause 10.6(b)(iii)) will constitute a new Competing Proposal and the process set out in this clause 10.7 must again be followed prior to Target or the Target IBC taking any of the actions referred to in clauses 10.7(a)(i) or 10.7(a)(ii).
- (f) Despite any other provision in this deed, a statement by Target, the Target IBC or any Target IBC Member only to the effect that:
 - (i) the Target IBC has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in this clause 10.7; or
 - (ii) Target Shareholders should take no action pending the completion of the matching right process set out in this clause 10.7,
 does not by itself:
 - (iii) constitute an adverse change, withdrawal, adverse modification or adverse qualification of the relevant Target IBC Member or Target IBC Members' Target Scheme Recommendation, Scheme Voting Intention, Takeover Recommendation and/or Takeover Acceptance Intention (as applicable);
 - (iv) contravene this deed;
 - (v) give rise to an obligation to pay the Break Fee under clause 11; or
 - (vi) give rise to a termination right under clause 15.1.

10.8 Compliance with law or determination of the Takeovers Panel

If it is determined by a court, or the Takeovers Panel, that the agreement by the parties under this clause 10 or any part of it:

- (a) constituted, or constitutes, or would constitute, a breach of the fiduciary or statutory duties of the Target IBC Members;
- (b) constituted, or constitutes, or would constitute, "unacceptable circumstances", as defined in the Corporations Act; or

(c) was, or is, or would be, a breach of applicable law for any other reason,

then, to that extent (and only to that extent) Target will not be obliged to comply with that provision of this clause 10.

10.9 Exceptions to the exclusivity arrangement

- (a) Nothing in this clause 10 prevents, restricts or prohibits Target or any Restricted Representative from (directly or indirectly):
- (i) engaging with Target Shareholders (in their capacity as a Target Shareholder) in relation to the Target Group in the ordinary course of business, or responding to queries or discussion points from a Target Shareholder in respect of that Target Shareholder's shareholding (including in relation to that Target Shareholder's future intentions regarding its shareholding), provided that in each case:
 - (A) any such queries or discussion points were not initiated by Target or any Restricted Representative;
 - (B) any such engagement with a Target Shareholder does not, and any such queries or discussion points from that Target Shareholder or Target's responses to them do not, follow or relate to an actual, proposed or potential Competing Proposal (other than a Competing Proposal that the Target IBC has determined is, or may reasonably be expected to lead to or become, a Superior Proposal in accordance with clause 10.5); and
 - (C) any such engagement does not, and Target's responses to any such queries or discussion points do not, result in a breach of clause 10.2;
 - (ii) without limiting paragraph (i) above:
 - (A) approaching or contacting, or having discussions with, any person or entity that has a substantial holding in Target from time to time (including a Skip Entity as that expression is defined in the definition of 'Competing Proposal') (**Substantial Holder**) (or any Representative of a Substantial Holder) in relation to the Transactions; or
 - (B) without limiting subparagraph (A) above, disclosing or discussing details of the Transactions to or with any Substantial Holder or any of its Representatives,

in each case, solely for the purpose of canvassing for the Substantial Holder's support for the Transactions or soliciting any commitment, agreement or public statement from a Target Shareholder to vote in favour of, or accept, the Transactions and provided that such discussions and disclosures do not result in a breach of any of Target's obligations under clauses 10.2 to 10.4;
 - (iii) making presentations or providing information to, and/or responding to enquiries from, brokers, portfolio investors, analysts and institutional lenders in the ordinary course of business, provided that such action does not result in a breach of any of Target's obligations under clause 10.2;
 - (iv) promoting the merits of one or both Transactions;

- (v) providing any information to the Target Group's customers, financiers (and/or potential financiers), joint venture partners, suppliers, other contractual counterparties or Target Shareholders in the ordinary course of business;
 - (vi) instructing, providing information to or receiving advice from its Representatives;
 - (vii) providing any information to any Government Agency;
 - (viii) providing any information to its auditor; or
 - (ix) providing any information required to be provided by any applicable law (including to fulfil Target's continuous disclosure and other obligations under the ASX Listing Rules).
- (b) Notwithstanding anything else in this clause 10, no action taken or not taken (or omitted to refused to be taken) by Mr Kenichi Seshimo, non-executive Target Director and Representative of Bidder, or any other Target Director that is a nominee of Bidder or another Bidder Group Member from time to time (including the J-POWER Nominee Director), (**Bidder Nominee**) whether in their personal capacity or on behalf (or purported to be on behalf) of a Target Group Member or the Target Board, that would, but for this clause 10.9(b), be, constitute or result in a breach by Target of an obligation or representation or warranty under clause 10.1, 10.2, 10.3, 10.4, 10.6 or 10.7 will be deemed to be, constitute or result in a breach by Target of that obligation or representation or warranty (and will be disregarded for the purpose of assessing the operation of any such clause (and/or clause 10.5 or 10.6)).

11 Break Fee

11.1 Background

- (a) Bidder and Target each acknowledge that Bidder has incurred, and will further incur, significant costs in connection with the Transactions (including those costs described in clause 11.4), which will include significant opportunity costs if either of the Transactions are not implemented.
- (b) Target and Bidder acknowledge that, in the circumstances described in clause 11.1(a), Bidder has requested that provision be made for the payment of the Break Fee by Target in accordance with this clause 11, without which Bidder would not have entered into this deed and or agreed to assist Target to implement the Transactions.
- (c) Target confirms that the Target IBC believes, having taken advice from its external legal advisers, that the implementation of either Transaction will provide significant benefits to Target and Target Shareholders, that consistent with clause 11.4 the Break Fee represents a genuine and reasonable pre-estimate of costs that would be incurred by Bidder if the Transactions are not implemented, and that it is reasonable and appropriate for Target to agree to the Break Fee in accordance with this clause 11, and if required under this clause 11 to pay the Break Fee, in order to secure Bidder's participation in the Transactions.

11.2 Break Fee triggers

Subject to clauses 11.3 to 11.8 (inclusive), Target must pay to Bidder the Break Fee if any of the following events occur:

- (a) if, at any time before:
 - (i) in the case of the Scheme Recommendation and the Scheme Voting Intention, the Effective Date; or
 - (ii) in the case of the Takeover Recommendation and Takeover Acceptance Intention:
 - (A) if Bidder has complied with its obligations under clause 2.3(b)(ii)(B) and the end of the Offer Period has been extended to a date that is after the End Date, the end of the Offer Period; or
 - (B) otherwise, the earlier of the end of the Offer Period and the End Date,

any Target IBC Member:

- (iii) fails to recommend the Scheme or the Takeover Bid (as applicable), or to make a Scheme Voting Intention or Takeover Acceptance Intention statement, in the manner described in clause 9.1(b) or 9.1(c) (as applicable);
- (iv) publicly withdraws, adversely changes, adversely modifies, adversely qualifies, or otherwise makes any public statement that is inconsistent with, his or her Scheme Recommendation, Takeover Recommendation, Scheme Voting Intention or Takeover Acceptance Intention (as applicable);
- (v) makes any public statement:
 - (A) endorsing or recommending a Competing Proposal; or
 - (B) to the effect that he or she no longer supports the Scheme or the Takeover Bid (as applicable),

or makes any public statement to the effect that he or she may do so at a future point; or

- (vi) votes any of that Target IBC Member's Target IBC Member Shares in favour of a Competing Proposal (or any of that Target IBC Member's Target IBC Member Shares are voted in favour of a Competing Proposal) or any of such Target IBC Member Shares are accepted into a Competing Proposal), or otherwise publicly states an intention to accept or to vote in favour of a Competing Proposal in respect of any Target IBC Member Shares,

provided that Bidder has terminated this deed in accordance with clause 15.3 except:

- (vii) following the Independent Expert concluding in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, the Independent Expert's Report) that:
 - (A) in the case of the Scheme, the Scheme Recommendation and the Scheme Voting Intention, the Scheme is:

- (1) not in the best interests of Target Shareholders (other than Excluded Target Shareholders); or
- (2) not fair and/or not reasonable to, but is in the best interests of, Target Shareholders (other than Excluded Target Shareholders); or
- (B) in the case of the Takeover Bid, the Takeover Recommendation and the Takeover Acceptance Intention, the Takeover Bid is not fair and/or not reasonable,

in each case, except where the Independent Expert's opinion or conclusion is due wholly or partly to the existence or announcement of a Competing Proposal or a Superior Proposal;

- (viii) where the failure to make a Scheme Recommendation, Takeover Recommendation, Scheme Voting Intention or Takeover Acceptance Intention, or the adverse change, withdrawal, adverse modification or adverse qualification of a Scheme Recommendation, Takeover Recommendation, Scheme Voting Intention or Takeover Acceptance Intention is permitted by clause 9.2(c); or
- (ix) in circumstances where Target is entitled to terminate this deed under clause 15.1(b) or clause 15.2(b),

provided that, for the avoidance of doubt, a statement made by Target, the Target IBC or any Target IBC Member: (A) to the effect that no action should be taken by Target Shareholders pending the assessment of a Competing Proposal by the Target IBC; or (B) permitted by clause 10.7(a) will not, by that statement alone, require Target to pay the Break Fee to Bidder;

- (b) a Competing Proposal is publicly announced (whether or not such Competing Proposal is subject to any pre-conditions) at any time before the expiry of the Exclusivity Period and, within 12 months after that occurring, the Competing Bidder that made the Competing Proposal (either alone or together with one or more of its Associates):
 - (i) completes a transaction of the kind referred to in paragraph (a) of the definition of Competing Proposal, other than where the Competing Bidder's acquisition of a Relevant Interest in more than 20% of the aggregate number of Target Shares on issue:
 - (A) has occurred solely as a result of a Substantial Holder acquiring a Relevant Interest in Target Shares in reliance on section 611, item 9 of the Corporations Act, without: (I) the Target making an issue of new Target Shares after the date of this deed to the Competing Bidder (and/or its Associates) under the Competing Proposal; or (II) the Target IBC supporting, recommending or endorsing, or Target assisting, the Competing Bidder (and/or its Associates) in respect of the Competing Proposal; or
 - (B) has occurred as a result of the transaction the subject of the Competing Proposal being a takeover bid under Chapter 6 of the Corporations Act provided that: (I) such takeover bid is not declared, or otherwise does not become, unconditional during that 12-month period; and (II) the Competing Bidder (and/or its Associates) has (or

have) not, and the Competing Proposal has not, been supported, recommended or endorsed by the Target IBC or Target;

- (ii) completes a transaction of the kind referred to in paragraphs (b), (c) or (d) of the definition of Competing Proposal; or
- (iii) without limiting clause 11.2(b)(i) and 11.2(b)(ii), otherwise acquires a Relevant Interest in, or becomes the holder of, or otherwise acquires, directly or indirectly, more than 50% of Target Shares and that acquisition is (or becomes) unconditional;
- (c) Bidder has terminated this deed under clause 15.1(b) and at the time of such termination neither Transaction has completed;
- (d) Bidder has terminated this deed under clause 15.2(a) and at the time of such termination neither Transaction has completed; or
- (e) Bidder has terminated this deed under clause 15.3(b) and at the time of such termination neither Transaction has completed.

11.3 Payment of Break Fee

- (a) A demand by Bidder for payment of the Break Fee under clause 11.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to the payment of the Break Fee;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of Bidder or another Bidder Group Member into which Target is to pay the Break Fee.
- (b) Target must pay the Break Fee into the account nominated by Bidder, without set-off or withholding, within 10 Business Days after receiving a demand for payment under clause 11.3(a) where Bidder is entitled to the Break Fee under clause 11.2 (for the avoidance of doubt, Target may be required to pay the Break Fee at an earlier time if Target terminates this deed in accordance with the provisions of clause 15.4).

11.4 Nature of Break Fee

Target and Bidder acknowledge and agree that the amount of the Break Fee has been calculated as an amount to compensate Bidder for the following costs and expenses:

- (a) fees for legal, financial and other professional advice in connection with planning and implementing the Transactions (excluding success fees);
- (b) reasonable opportunity costs incurred in engaging in the Transactions or in not engaging in other alternative acquisitions or strategic initiatives;
- (c) costs of management and directors' time in planning and implementing the Transactions;
- (d) out of pocket expenses incurred by Bidder in planning and implementing the Transactions;

- (e) costs associated with the financing arrangements in respect of the Transactions; and
- (f) any damage to Bidder's reputation associated with a failed transaction and the implications of that change to the Bidder's business,

in each case, incurred by Bidder directly or indirectly as a result of having entered into this deed and pursuing the Transactions, and Target and Bidder agree that:

- (g) the costs actually incurred by Bidder will be of such a nature that they cannot all be accurately ascertained; and
- (h) the Break Fee is a genuine and reasonable pre-estimate of those costs.

11.5 Compliance with law

- (a) This clause 11 imposes obligations on Target only to the extent that the performance of all or part of those obligations:
 - (i) does not constitute "unacceptable circumstances" as declared by the Takeovers Panel; and
 - (ii) is not determined to be unenforceable or unlawful (including by virtue of it being a breach of the fiduciary or statutory duties of any Target IBC Member) by a court of competent jurisdiction.
- (b) If:
 - (i) clause 11.5(a)(i) or clause 11.5(a)(ii) applies; and
 - (ii) the Takeovers Panel or a court of competent jurisdiction (as applicable) determines that an amount lower than the Break Fee does not constitute unacceptable circumstances or is not unenforceable or a breach of applicable law (as applicable) (**Permitted Break Fee Amount**),
 then:
 - (iii) Target shall be required to pay the Permitted Break Fee Amount in accordance with clause 11.2; and
 - (iv) if the Break Fee has already been paid to Bidder, Bidder must refund an amount equal to the difference between the Break Fee and the Permitted Break Fee Amount to Target within 10 Business Days after receipt of a written demand from Target.
- (c) Each of Bidder and Target must not make, or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 11.5(a).

11.6 Break Fee payable only once

Without limiting clause 11.7:

- (a) Target can only ever be liable to pay the Break Fee once; and

- (b) where the Break Fee becomes payable to Bidder under this clause 11 and is actually paid to Bidder, Bidder cannot make any claim against Target for payment of any subsequent Break Fee.

11.7 Exclusive remedy and limitation of liability

- (a) Despite anything to the contrary in this deed (but subject to clauses 11.7(b), 11.7(c) and 11.7(e)), if:
 - (i) Target pays the Break Fee to Bidder in accordance with this clause 11 after receipt of a written demand from Bidder under clause 11.3(a); or
 - (ii) the Break Fee would be payable if Bidder made a written demand under clause 11.3(a),then:
 - (iii) Bidder cannot make any Claim against Target or the other Target Indemnified Parties in relation to any event or occurrence referred to in clause 11.2; and
 - (iv) Target has no further liability to Bidder (or any Bidder Group Member) under or in connection with this deed, the Transactions, the Scheme or the Takeover Bid (including, but not limited to, for any Claim, action, damage, loss, liability, cost, expense or payment of whatever nature and however arising in connection with this deed, the Transactions, the Scheme or the Takeover Bid).
- (b) Nothing in clauses 11.7(a) or 11.7(d) in any way prevents either party (in its own right or as trustee for another person or entity, as the case may be under this deed) from seeking orders from a court of competent jurisdiction for the specific performance by the other party of its obligations under this deed or for injunctive relief in respect of any breach or threatened breach of this deed.
- (c) Without limiting clause 11.7(b), Target acknowledges and agrees that monetary damages may not be a sufficient remedy for a breach of this deed by Target and that specific performance, injunctive relief or any other remedies that would otherwise be available in equity or law are available as a remedy for a breach or threatened breach of this deed by Target, notwithstanding the ability of Bidder to demand payment of the Break Fee under this clause 11 and the other provisions of this clause 11.
- (d) Subject to clauses 11.7(b), 11.7(c) and 11.7(e):
 - (i) the maximum aggregate liability of Target (and the Target Group) under or in connection with this deed (including, but not limited to, for any and all Claims, actions, damages, losses, liabilities, costs, expenses or payments of whatever nature and however arising in connection with this deed) is the Break Fee; and
 - (ii) in no event will the aggregate liability of Target (and the Target Group) under or in connection with this deed (including, but not limited to, for any and all Claims, actions, damages, losses, liabilities, costs, expenses or payments of whatever nature and however arising in connection with this deed) or in connection with the Transactions, the Scheme or the Takeover Bid exceed the Break Fee.

- (e) Clause 11.7(d) will not apply to:
- (i) any order of a court of competent jurisdiction for (A) the specific performance by Target of its obligations under this deed or (B) injunctive relief in respect of any breach or threatened breach of this deed by Target; or
 - (ii) any Claim made by Bidder for or in respect of a breach of this deed by Target, or failure by Target to perform its obligations under this deed (including its obligations to procure that other Target Group Members, Representatives of Target Group Members or Target IBC Members do or do not make certain statements or take certain actions), where such breach or failure arises as a result of the wilful or intentional breach of this deed by Target, or the fraud of any Target Group Member or a Target Indemnified Party (and, for the avoidance of doubt, the amount of any loss or damage caused by the wilful or intentional breach of this deed by Target, or the fraud of any Target Group Member or a Target Indemnified Party, for or in respect of which such a Claim has been made shall be deemed to be reduced by the amount of any Break Fee actually paid to Bidder under this clause 11).

11.8 No Break Fee payable in certain circumstances

- (a) Despite anything to the contrary in this deed, the Break Fee will not be payable to Bidder if:
- (i) the Scheme becomes Effective;
 - (ii) Bidder becomes the holder of a Relevant Interest in at least 50.1% of the Target Shares on issue and the Offer has been declared or has otherwise become unconditional; or
 - (iii) at the time that the Break Fee becomes payable under this clause 11:
 - (A) Target was entitled to terminate this deed under:
 - (1) clause 15.1(b);
 - (2) clause 15.1(c)(i) or clause 15.1(c)(ii) in circumstances where the Takeover Bid Condition in clause 7(a) (Takeover Bid Transaction FIRB Approval) of Schedule 2 has not been satisfied or fulfilled (or has become incapable of being satisfied or fulfilled) prior to the End Date; or
 - (3) clause 15.2(b),
 and has given the appropriate termination notice to Bidder; or
 - (B) either party has terminated this deed under clause 3.5 as a result of a breach or non-fulfilment before the End Date of the Scheme Condition in clause 3.1(g) (Scheme Transaction FIRB approval) (or where that Scheme Condition has become incapable of satisfaction or being fulfilled before the End Date). For the avoidance of doubt, and by way of example, this clause 11.8(a)(iii)(B) will not apply if a party has terminated this deed under clause 3.5 because of a breach of another

Scheme Condition and at the time of such breach the application for the FIRB Approval is still being considered by FIRB.

- (b) If clause 11.8(a) applies, any amount or part of the Break Fee that has already been paid to Bidder must be refunded by Bidder:
 - (i) where clause 11.8(a)(i) applies, within 10 Business Days after the Scheme becomes Effective;
 - (ii) where clause 11.8(a)(ii) applies, within 10 Business Days after the Bidder becomes the holder of a Relevant Interest in at least 50.1% of the Target Shares on issue and the Offer has been declared or has otherwise become unconditional; or
 - (iii) where clause 11.8(a)(iii) applies, within 10 Business Days after the date Target gave Bidder the relevant termination notice referred to in clause 11.8(a)(iii).

12 Reverse Break Fee

12.1 Background to Reverse Break Fee

- (a) Target and Bidder acknowledge that Target has incurred, and will further incur, significant costs in connection with the Transactions (including those costs described in clause 12.4), which will include significant opportunity costs if the Transactions are not implemented.
- (b) Target and Bidder acknowledge that, in the circumstances described in clause 12.1(a), Target has requested that provision be made for the payment of the Reverse Break Fee by Bidder in accordance with this clause 12, without which Target would not have entered into this deed and or agreed to implement the Scheme or assist Bidder in making the Takeover Bid.
- (c) Bidder confirms that it believes, having taken advice from its external legal advisers, that the implementation of either Transaction will provide significant benefits to Bidder, that consistent with clause 12.4 the Reverse Break Fee represents a genuine and reasonable pre-estimate of costs that would be incurred by Target if the Transactions are not implemented, and that it is reasonable and appropriate for Bidder to agree to the Reverse Break Fee in accordance with this clause 12, and if required under this clause 12 to pay the Reverse Break Fee, in order to secure Target's participation in the Transactions.

12.2 Reverse Break Fee triggers

Subject to clauses 12.3 to 12.7 (inclusive), Bidder must pay to Target the Reverse Break Fee if any of the following events occur:

- (a) Target has terminated this deed pursuant to clause 15.1(b) or clause 15.2(b);
- (b) the Scheme becomes Effective but Bidder does not pay the Scheme Consideration in accordance with its obligations under this deed, the Scheme and the Deed Poll; or
- (c) the Offer has been declared or has otherwise become unconditional and Bidder does not provide the Takeover Bid Consideration to Target Shareholders that have accepted the Offer in accordance with the Takeover Bid Terms.

12.3 Payment of Reverse Break Fee

- (a) A demand by Target for payment of the Reverse Break Fee under clause 12.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in clause 12.2 giving rise to the right to payment of the Reverse Break Fee;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of Target or another Target Group Member into which Bidder is to pay the Reverse Break Fee.
- (b) Bidder must pay the Reverse Break Fee into the account nominated by Target, without set-off or withholding, within 15 Business Days after receiving a demand for payment under clause 12.3(a) where Target is entitled to the Reverse Break Fee under clause 12.2.

12.4 Nature of Reverse Break Fee

Bidder and Target acknowledge and agree that the amount of the Reverse Break Fee has been calculated as an amount to compensate Target for the following costs and expenses:

- (a) fees for legal, financial and other professional advice in connection with planning and implementing the Transactions (excluding success fees);
- (b) reasonable opportunity costs incurred in engaging in the Transactions or in not engaging in other alternative acquisitions or strategic initiatives;
- (c) costs of management and directors' time in planning and implementing the Transactions;
- (d) out of pocket expenses incurred by Target in planning and implementing the Transactions; and
- (e) any damage to Target's reputation associated with a failed transaction and the implications of that damage to Target's business,

in each case, incurred by Target directly or indirectly as a result of having entered into this deed and pursuing the Transactions, and Bidder and Target agree that:

- (f) the costs actually incurred by Target will be of such a nature that they cannot all be accurately ascertained; and
- (g) the Reverse Break Fee is a genuine and reasonable pre-estimate of those costs.

12.5 No application to Takeovers Panel or court

Each of Bidder and Target must not make, or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination that the Reverse Break Fee is invalid or unenforceable.

12.6 Reverse Break Fee payable only once

Without limiting clause 12.7:

- (a) Bidder can only ever be liable to pay the Reverse Break Fee once; and
- (b) where the Reverse Break Fee becomes payable to Target under clause 12.2 and is actually paid to Target, Target cannot make any claim against Bidder for payment of any subsequent Reverse Break Fee.

12.7 Exclusive remedy and limitation of liability

- (a) Despite anything to the contrary in this deed (but subject to clauses 12.7(b), 12.7(c), 12.7(e) and 12.7(f)), if:
 - (i) Bidder pays the Reverse Break Fee to Target in accordance with this clause 12 after receipt of a written demand from Target under clause 12.3(a); or
 - (ii) the Reverse Break Fee would be payable if Target made a written demand under clause 12.3(a),then:
 - (iii) Target cannot make any Claim against Bidder or the Bidder Indemnified Parties in relation to any event or occurrence referred to in clause 12.2; and
 - (iv) Bidder has no further liability to Target (or any Target Group Member) under or in connection with this deed, the Transactions, the Scheme or the Takeover Bid (including, but not limited to, for any Claim, action, damage, loss, liability, cost, expense or payment of whatever nature and however arising in connection with this deed, the Transactions, the Scheme or the Takeover Bid).
- (b) Nothing in clause 12.7(a) or 12.7(d) in any way prevents either party (in its own right or as trustee for another person or entity, as the case may be under this deed) from seeking orders from a court of competent jurisdiction for the specific performance by the other party of its obligations under this deed or for injunctive relief in respect of any breach or threatened breach of this deed.
- (c) Without limiting clause 12.7(b), Bidder acknowledges and agrees that monetary damages may not be a sufficient remedy for a breach of this deed by Bidder and that specific performance, injunctive relief or any other remedies that would otherwise be available in equity or law are available as a remedy for a breach or threatened breach of this deed by Bidder, notwithstanding the ability of Target to demand payment of the Reverse Break Fee under this clause 12 and the other provisions of this clause 12.
- (d) Subject to clauses 12.7(b), 12.7(c), 12.7(e) and 12.7(f):
 - (i) the maximum aggregate liability of Bidder (and the Bidder Group) under or in connection with this deed (including, but not limited to, for any and all Claims, actions, damages, losses, liabilities, costs, expenses or payments of whatever nature and however arising in connection with this deed) is the Reverse Break Fee; and
 - (ii) in no event will the aggregate liability of Bidder (and the Bidder Group) under or in connection with this deed (including, but not limited to, for any and all

Claims, actions, damages, losses, liabilities, costs, expenses or payments of whatever nature and however arising in connection with this deed) or in connection with the Transactions, the Scheme or the Takeover Bid exceed the Reverse Break Fee.

- (e) Clause 12.7(d) will not apply to:
- (i) any order of a court of competent jurisdiction for: (A) the specific performance by Bidder of its obligations under this deed; or (B) injunctive relief in respect of any breach or threatened breach of this deed by Bidder; or
 - (ii) any Claim made by Target for or in respect of a breach of this deed by Bidder, or failure by Bidder to perform its obligations under this deed (including its obligations to procure that other Bidder Group Members and Representatives of Bidder Group Members do or do not take certain actions), where such breach or failure arises as a result of the wilful or intentional breach of this deed by Bidder, or the fraud of any Bidder Group Member or a Bidder Indemnified Party (and, for the avoidance of doubt, the amount of any loss or damage caused by the wilful or intentional breach of this deed by Bidder, or the fraud of any Bidder Group Member or a Bidder Indemnified Party, for or in respect of which such a Claim has been made shall be deemed to be reduced by the amount of any Reverse Break Fee actually paid to Target under this clause 12).
- (f) Nothing in clause 12.7(a) or otherwise in this deed will limit Bidder's liability under or in connection with a breach of clause 5.2 of this deed or the Deed Poll.

- (iii) for a period of 7 years from the first to occur of the Implementation Date and the event described in clause 14.3(a)(ii), ensure that the constitutions of Target and each other Target Group Member continue to contain such rules as are contained in those constitutions at the date of this deed that provide for each company to indemnify (and keep indemnified) each of its directors and officers (including, but not limited to, any directors and officers in office on the date of this deed and/or at the time of the first of the events in either clause 14.3(a)(i) or 14.3(a)(ii) occurring) against any liability incurred by that person in her or his capacity as a director or officer of the company to any person other than a Target Group Member; and
 - (iv) procure that Target and each other Target Group Member complies with any deeds of access, indemnity and insurance made by them in favour of their respective directors and officers from time to time (including, but not limited to, any directors and officers in office on the date of this deed and/or at the time of the first of the events in either clause 14.3(a)(i) or 14.3(a)(ii) occurring).
- (b) Without limiting clause 14.3(a), Bidder acknowledges that, notwithstanding any other provision of this deed, Target may, at any time after execution of this deed, enter into arrangements to secure run-off directors' and officers' liability insurance that covers claims made in a period of up to 7 years from the first of the events in either clause 14.3(a)(i) or 14.3(a)(ii) occurring (**D&O Run-off Policy**), provided that:
 - (i) the scope of cover of the D&O Run-off Policy is on the same or substantially the same terms (except in respect of the premium) as the directors' and officers' liability insurance policies in place for the benefit of directors or officers of Target and other Target Group Members at the date of this deed;

- (ii) Target must use reasonable endeavours to obtain the most attractive commercial terms for the D&O Run-off Policy reasonably available from a reputable insurer, including by engaging a reputable insurance broker to obtain quotes and/or proposals from insurers in respect of the D&O Run-off Policy;
 - (iii) Target, in entering into arrangements to secure the D&O Run-off Policy with an insurer recommended by such reputable insurance broker and selected by Target, acts in good faith and reasonably, having regard to the insurer's proposed terms in respect of the D&O Run-off Policy (including in respect of the premium) and, if Target does so, it will be taken to have complied with its obligations under clause 14.3(b)(ii) above; and
 - (iv) the premium for the D&O Run-off Policy must not exceed the amount agreed between the parties in writing in the Disclosure Letter.
- (c) The undertakings contained in clause 14.3(a) are subject to any Corporations Act restriction or any restriction in the law of a jurisdiction in which the relevant Target Group Member is incorporated, and will be read down accordingly.
 - (d) Target receives and holds the benefit of clause 14.3(a), to the extent it relates to any other relevant Target Indemnified Parties, as trustee for them.

15 Termination

15.1 Termination by either party

- (a) Either party may terminate this deed in the circumstances set out in and in accordance with clause 3.5 (provided that the party purporting to terminate this deed under clause 3.5 has first complied with its applicable obligations under clause 3.5).
- (b) Without prejudice to any other rights of termination under this deed:
 - (i) subject to clause 15.1(b)(ii), either party may terminate this deed at any time if the other party commits a breach of this deed (other than a breach of a Representation and Warranty (which is dealt with in clause 15.2 below) or a breach of this deed with respect to a Target Regulated Event (which is dealt with in clause 15.3(b))) that is, alone or together with any other such breaches that have occurred, material in the context of the Scheme (taken as a whole) or the Takeover Bid (taken as a whole), provided that:
 - (A) it has given written notice to the other party setting out the relevant circumstances and stating an intention to terminate this deed; and
 - (B) the relevant breach has not been remedied within 10 Business Days from the time such notice is given (or any shorter period ending at 5:00pm (Sydney time) on the Business Day before the Second Court Date or the end of the Offer Period (as applicable)); and
 - (ii) notwithstanding anything in clause 15.1(b)(i), neither Target nor Bidder may issue a notice to the other under clause 15.1(b)(i)(A), or terminate this deed under clause 15.1(b)(i), if the Court Approval Condition has been satisfied or fulfilled or the Scheme has become Effective.

Termination of this deed under this clause 15.1(b) will take effect at the expiry of the period referred to in clause 15.1(b)(i)(B).

For the purposes of this clause, the parties acknowledge and agree that any breach of clause 7.4(k) will be deemed to be a breach of this deed by Target that is alone material in the context of the Scheme (taken as a whole) or the Takeover Bid (taken as a whole).

- (c) Without limiting clauses 3.5, 15.1(a) and 15.1(b), either party may terminate this deed by written notice to the other party if there has been a breach or non-fulfilment of the Scheme Condition in clause 3.1(a) (Target Shareholder Approval) or the Court Approval Condition, or either of those Scheme Conditions becomes incapable of satisfaction or being fulfilled before the End Date (and no party entitled to give the other party a Consultation Notice in respect of the relevant Scheme Condition under clause 3.5(a) has given such Consultation Notice), and:
- (i) Bidder subsequently withdraws the Takeover Bid (or publicly states its intention to withdraw the Takeover Bid, whether or not such intention to withdraw the Takeover Bid is stated to be subject to the consent or approval of ASIC) or the Takeover Bid lapses for any reason (including the non-satisfaction or non-fulfilment of a Takeover Bid Condition); or
 - (ii) as at:
 - (A) if Bidder has complied with its obligations under clause 2.3(b)(ii)(B) and the Offer Period has been extended to a date that is after the End Date, the end of the Offer Period; or
 - (B) otherwise, the earlier to occur of the End Date and the end of the Offer Period,

Bidder has not acquired a Relevant Interest in 50.1% or more of the Target Shares on issue and the Offer has not been declared or has not otherwise become unconditional.

15.2 Termination for breach of Representation and Warranty

- (a) Subject to clause 15.2(c), Bidder may, at any time before the later to occur of the Delivery Time and the close of the Offer Period, terminate this deed if a breach of a Target Representation and Warranty occurs, but only if:
- (i) Bidder has given written notice to Target setting out, to the extent known to Bidder, the relevant facts, matters and circumstances that gave rise to the relevant breach and stating an intention to terminate this deed if the breach is not remedied;
 - (ii) the relevant breach continues to subsist 10 Business Days (or any shorter period ending at 5:00pm (Sydney time) on the Business Day before the Second Court Date or the end of the Offer Period (as applicable)) after the date on which the notice is given under clause 15.2(a)(i); and
 - (iii) the relevant breach is, alone or together with any other such breaches that have occurred, material in the context of the Scheme (taken as a whole) or the Takeover Bid (taken as a whole).

- (b) Subject to clause 15.2(c), Target may, at any time before the later to occur of the Delivery Time and the close of the Offer Period, terminate this deed if a breach of a Bidder Representation and Warranty occurs, but only if:
 - (i) Target has given written notice to Bidder setting out, to the extent known to Target, the relevant facts, matters and circumstances that gave rise to the relevant breach and stating an intention to terminate this deed if the breach is not remedied;
 - (ii) the relevant breach continues to subsist 10 Business Days (or any shorter period ending at 5:00pm (Sydney time) on the Business Day before the Second Court Date or end of the Offer Period (as applicable)) after the date on which the notice is given under clause 15.2(b)(i); and
 - (iii) the relevant breach is, alone or together with any other such breaches that have occurred, material in the context of the Scheme (taken as a whole) or the Takeover Bid (taken as a whole).
- (c) Notwithstanding anything in clause 15.2(a) or clause 15.2(b), neither Bidder nor Target may issue a notice to the other under clause 15.2(a)(i) or clause 15.2(b)(i) (as applicable), or terminate this deed under clause 15.2(a) or clause 15.2(b) (as applicable), if the Court Approval Condition has been satisfied or fulfilled or the Scheme has become Effective.

15.3 Termination by Bidder

- (a) Subject to clause 15.3(c), Bidder may terminate this deed, with immediate effect, at any time before the later to occur of the Delivery Time and the end of the Offer Period by notice in writing to Target, if in any circumstances (including where clause 9.2 applies), any Target IBC Member:
 - (i) fails to recommend the Scheme or the Takeover Bid, or to make a Scheme Voting Intention or Takeover Acceptance Intention statement, in the manner described in clause 9.1(b) or 9.1(c) (as applicable);
 - (ii) publicly withdraws, adversely changes, adversely modifies or adversely qualifies, or otherwise makes any public statement that is inconsistent with, his or her Scheme Recommendation, Takeover Recommendation, Scheme Voting Intention or Takeover Acceptance Intention;
 - (iii) makes any public statement:
 - (A) supporting, endorsing or recommending a Competing Proposal; or
 - (B) to the effect that he or she no longer supports the Scheme or the Takeover Bid,
 or makes any public statement to the effect that he or she may do so at a future point; or
 - (iv) votes any of that Target IBC Member's Target IBC Member Shares in favour of a Competing Proposal (or any of that Target IBC Member's Target IBC Member Shares are voted in favour of a Competing Proposal) or any of such Target IBC Member Shares are accepted into a Competing Proposal, or otherwise publicly states an intention to accept or to vote in favour of a Competing Proposal in respect of any Target IBC Member Shares,

for any reason and whether or not permitted to do so under this deed, other than:

- (v) a statement made by Target, the Target IBC or any Target IBC Member:
 - (A) to the effect that no action should be taken by Target Shareholders pending the assessment of a Competing Proposal by the Target IBC; or
 - (B) permitted by clause 10.7(a); or
 - (vi) where the failure to make a Scheme Recommendation, Takeover Recommendation, Scheme Voting Intention or Takeover Acceptance Intention or the adverse change, withdrawal, adverse modification or adverse qualification of a Scheme Recommendation, Takeover Recommendation, Scheme Voting Intention or Takeover Acceptance Intention is permitted by clause 9.2(c).
- (b) Subject to clause 15.3(c), Bidder may terminate this deed, with immediate effect, at any time before the later to occur of the Delivery Time and the end of the Offer Period by notice in writing to Target if:
- (i) a Target Regulated Event has occurred;
 - (ii) Bidder has given written notice to Target setting out, to the extent known to Bidder, the relevant facts, matters and circumstances that gave rise to the occurrence of the Target Regulated Event and stating an intention to terminate this deed if the Target Regulated Event continues to subsist;
 - (iii) the Target Regulated Event continues to subsist 10 Business Days (or any shorter period ending at 5:00pm (Sydney time) on the Business Day before the Second Court Date or end of the Offer Period (as applicable) after the date on which the notice is given under clause 15.3(b)(ii); and
 - (iv) the Target Regulated Event is, alone or together with any other such Target Regulated Events that have occurred, material in the context of the Scheme (taken as a whole) or the Takeover Bid (taken as a whole). For the avoidance of doubt, the occurrence of a Target Regulated Event as set out in paragraph (f) (Net Debt) of Schedule 6, which continues to subsist as at the date determined under clause 15.3(b)(iii) in respect of such Target Regulated Event, shall be deemed to be material in the context of the Scheme (taken as a whole) and the Takeover Bid (taken as a whole).
- (c) Notwithstanding anything in clause 15.3(a) or clause 15.3(b), Bidder is not entitled to terminate this deed under clause 15.3(a) or clause 15.3(b) if the Court Approval Condition has been satisfied or fulfilled or the Scheme has become Effective.

15.4 Termination by Target

Target may terminate this deed with immediate effect at any time before the later to occur of the Delivery Time and the end of the Offer Period by notice in writing to Bidder, if the Target IBC or such number of Target IBC Members as constitutes a majority of the Target IBC:

- (a) fails to recommend the Scheme or the Takeover Bid, or to make a Scheme Voting Intention or Takeover Acceptance Intention statement, in the manner described in clause 9.1(b) or 9.1(c) (as applicable);

- (b) publicly withdraws, adversely changes, adversely modifies or adversely qualifies his or her Scheme Recommendation, Takeover Recommendation, Scheme Voting Intention or Takeover Acceptance Intention; or

 - (i) supporting, endorsing or recommending a Competing Proposal; or
 - (ii) to the effect that he or she no longer supports the Scheme,

in each case:

- (d) following;
 - (i) the Target having received, other than as a result of a breach of clauses 10.2, 10.3 or 10.4, a Competing Proposal and the Target IBC having determined, after the procedures in clauses 10.5 and 10.7 have been complied with, that the Competing Proposal is a Superior Proposal; or
 - (ii) the Independent Expert having concluded in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, the Independent Expert's Report) that:
 - (A) in respect of the Scheme Recommendation and the Scheme Voting Intention:
 - (1) the Scheme is not in the best interests of Target Shareholders (other than Excluded Target Shareholders); or
 - (2) the Scheme is not fair and/or not reasonable to, but is in the best interests of, Target Shareholders (other than Excluded Target Shareholders); or
 - (B) in respect of the Takeover Recommendation and the Takeover Acceptance Intention, the Takeover Bid is not fair and/or not reasonable; and
- (e) provided that, if it is required to do so under clause 11 (or would be required to do so but for and excepting the requirement in clause 11.2(a) regarding the Bidder having terminated this deed in accordance with clause 15.3, and notwithstanding that a written demand for payment of the Break Fee has not been made by Bidder under clause 11.3), the Target has paid the Break Fee in accordance with clause 11; and
- (f) provided that Target is not entitled to terminate this deed under this clause 15.4 if the Court Approval Condition has been satisfied or fulfilled or the Scheme has become Effective.

15.5 Termination by written agreement

This deed may be terminated by the written agreement of the parties, on such terms as the parties agree.

15.6 Effect of termination

If this deed is terminated by either party under clause 3.5 or this clause 15, this deed will cease to have force and effect without any liability or obligation on the part of any party, except that:

- (a) this clause 15.6 and clauses 1, 2.3(b)(ii), 3.3(e)(iv) (to the extent that it applies to the Takeover Bid Condition in clause 7(a) (Takeover Bid Transaction FIRB approval) of Schedule 2 only), 3.4(h), 3.4(i), 11, 12, 13.5 to 13.9 (inclusive), 14, 16, 17, 18 and 19, and Schedule 1, will survive termination; and
- (b) each party will retain any rights and remedies it has or may have against the other party that accrued prior to termination, including any rights and remedies in respect of any past breach of this deed or (if applicable) in respect of the breach giving rise to termination (if applicable).

15.7 No other termination

Neither party may terminate or rescind this deed except as permitted under clause 3.5 or this clause 15.

16 Confidentiality

- (a) Each party acknowledges and agrees that, subject to clause 16(b):
 - (i) it continues to be bound by the Confidentiality and Exclusivity Deed after the date of this deed for so long as the Confidentiality and Exclusivity Deed binds that party in accordance with its terms;
 - (ii) nothing in this deed derogates from the rights and obligations of Bidder and Target under the Confidentiality and Exclusivity Deed, provided that this deed prevails to the extent of any inconsistency between this deed and the Confidentiality and Exclusivity Deed; and
 - (iii) subject to subparagraphs (i) and (ii) above, the rights and obligations of the parties under the Confidentiality and Exclusivity Deed survive termination of this deed for so long as the Confidentiality and Exclusivity Deed binds a party in accordance with its terms.
- (b) Each of Target and Bidder acknowledge and agree that, on and from the execution of this deed, without limiting or otherwise affecting any other provision of the Confidentiality and Exclusivity Deed, the representations and warranties given, and obligations of, Target under clause 7 (Exclusivity) of the Confidentiality and Exclusivity Deed are terminated and cease to apply (and all of Target's obligations under clause 7 (Exclusivity) of the Confidentiality and Exclusivity Deed are discharged). Nothing in this clause 16(b) affects any right or remedy that a party has against the other in connection with any breach of the Confidentiality and Exclusivity Deed before the execution of this deed.

17 Duty, costs and expenses

17.1 Duty

- (a) Bidder:
 - (i) must pay all Duties (and any fines, penalties and interest with respect to Duties) in respect of this deed, the Scheme or the Takeover Bid and:
 - (A) any transaction effected under this deed, the Scheme, the Deed Poll or the Takeover Bid (including the transfer of Target Shares to Bidder under the Scheme or the Takeover Bid); and
 - (B) steps to be taken under this deed, the Scheme, the Deed Poll or the Takeover Bid; and
 - (ii) indemnifies Target (in its own right and separately as trustee or nominee for each Target Shareholder) against any liability arising from or in connection with any failure by it to comply with clause 17.1(a)(i).
- (b) Target holds Bidder's obligations under clause 17.1(a)(ii) as trustee or nominee for each Target Shareholder.

17.2 Costs and expenses

Except as otherwise provided in this deed, each party must pay its own costs and expenses in connection with the negotiation, preparation, execution and performance of this deed and the proposed, attempted or actual implementation of this deed and the Transactions.

18 GST

- (a) Any consideration or amount payable under this deed, including any non-monetary consideration (as reduced in accordance with clause 18(e) if required) (**Consideration**) is exclusive of GST.
- (b) If GST is or becomes payable on a Supply made under or in connection with this deed, an additional amount (**Additional Amount**) is payable by the party providing Consideration for the Supply (**Recipient**) equal to the amount of GST payable on that Supply as calculated by the party making the Supply (**Supplier**) in accordance with the GST Law.
- (c) The Additional Amount payable under clause 18(b) is payable at the same time and in the same manner as the Consideration for the Supply, and the Supplier must provide the Recipient with a Tax Invoice. However, the Additional Amount is only payable on receipt of a valid Tax Invoice.
- (d) If for any reason (including, without limitation, the occurrence of an Adjustment Event) the amount of GST payable on a Supply made under or in connection with this deed (taking into account any Decreasing or Increasing Adjustments in relation to the Supply) varies from the Additional Amount payable by the Recipient under clause 18(b):
 - (i) the Supplier must provide a refund or credit to the Recipient, or the Recipient must pay a further amount to the Supplier, as applicable;

- (ii) the refund, credit or further amount (as the case may be) will be calculated by the Supplier in accordance with the GST Law; and
 - (iii) the Supplier must notify the Recipient of the refund, credit or further amount within 10 Business Days after becoming aware of the variation to the amount of GST payable. Any refund or credit must accompany such notification or the Recipient must pay any further amount within 5 Business Days after receiving such notification, as applicable. If there is an Adjustment Event in relation to the Supply, the requirement for the Supplier to notify the Recipient will be satisfied by the Supplier issuing to the Recipient an Adjustment Note within 10 Business Days after becoming aware of the occurrence of the Adjustment Event.
- (e) Despite any other provision in this deed if an amount payable under or in connection with this deed (whether by way of reimbursement, indemnity or otherwise) is calculated by reference to an amount incurred by a party, whether by way of cost, expense, outlay, disbursement or otherwise (**Amount Incurred**), the amount payable must be reduced by the amount of any Input Tax Credit to which that party is entitled in respect of that Amount Incurred.
 - (f) Any reference in this clause to an Input Tax Credit to which a party is entitled includes an Input Tax Credit arising from a Creditable Acquisition by that party but to which the Representative Member of a GST Group of which the party is a member is entitled.
 - (g) Any term starting with a capital letter in this clause 18 that is not defined in this clause 18 has the same meaning as the term has in the GST Law.

19.2 Governing law and jurisdiction

- (a) This deed is governed by the law in force in New South Wales, Australia.

- (b) Each party irrevocably submits to the non-exclusive jurisdiction of courts exercising jurisdiction in New South Wales, Australia and courts of appeal from them in respect of any proceedings arising out of or in connection with this deed. Each party irrevocably waives any objection to the venue of any legal process in these courts on the basis that the process has been brought in an inconvenient forum.

19.3 No representation or reliance

- (a) Each party acknowledges that no party (nor any person acting on its behalf) has made any representation or other inducement to it to enter into this deed, except for representations or inducements expressly set out in this deed and (to the maximum extent permitted by law) all other representations, warranties and conditions implied by statute or otherwise in relation to any matter relating to this deed, the circumstances surrounding the parties' entry into it and the transactions contemplated by it are expressly excluded.
- (b) Each party acknowledges and confirms that it does not enter into this deed in reliance on any representation or other inducement by or on behalf of any other person, except for any representation or inducement expressly set out in this deed.

19.4 No merger

The rights and obligations of the parties do not merge on implementation or completion of the Transactions. They survive the execution and delivery of any assignment or other document entered into for the purpose of implementing the Transactions.

19.5 Waivers and consents

- (a) Failure to exercise or enforce, a delay in exercising or enforcing, or the partial exercise or enforcement of any right (including a right to rely on this clause 19.5), power or remedy provided by law or under this deed by any party does not in any way preclude, or operate as a waiver of, any exercise or enforcement, or further exercise or enforcement, of that or any other right, power or remedy provided by law or under this deed.
- (b) Any waiver or consent given by a party under this deed is only effective and binding on that party if it is given or confirmed in writing by that party.
- (c) No waiver of a breach of any term of this deed operates as a waiver of another breach of that term or of a breach of any other term of this deed.
- (d) Except where this deed expressly provides otherwise, where the consent, approval or agreement of a party is required under this deed, such consent, approval or agreement may be given or withheld in that party's absolute discretion and (except where this deed expressly provides otherwise) a party is not required to act reasonably in giving or withholding any consent, approval or agreement or exercising any other right, power, authority, discretion or remedy, under or in connection with this deed. Except where this deed expressly provides otherwise, a party may (without any requirement to act reasonably) also impose conditions on the grant by it of any consent, approval or agreement, or any waiver or any right, power, authority, discretion or remedy, under or in connection with this deed. Any such conditions must be complied with by the party relying on the consent, approval, agreement or waiver (to the extent that the relevant party seeks to rely on the consent, approval, agreement or waiver).
- (e) For the purpose of this clause 19.5, a 'waiver' includes an election between rights and remedies, and conduct which might otherwise give rise to an estoppel.

- (f) Without limiting paragraphs (a) to (e) (inclusive) above, where the consent, approval or agreement of Target is required or may be given under this deed, that consent, approval or agreement (as the case may be) may not be given by a J-POWER Nominee Director, and any such consent, approval or agreement purported to be given by the J-POWER Nominee Director will be invalid and of no effect and may not be relied upon by Bidder, any other Bidder Group Member, or any of its or their Representatives.

19.6 Variation

This deed may only be varied by a document signed by or on behalf of each of the parties.

19.7 Assignment of rights

- (a) A party may not assign, novate, declare a trust over or otherwise transfer or deal with any of its rights or obligations under this deed without the prior written consent of the other party or as expressly provided in this deed.
- (b) A breach of clause 19.7(a) by a party shall be deemed to be breach that is material in the context of the Scheme (taken as a whole) or the Takeover Bid (taken as a whole) for the purposes of clause 15.1(b).
- (c) Clause 19.7(b) does not affect the construction of any other part of this deed.

19.8 Further action

Each party will do all things and execute all further documents necessary to give full effect to this deed.

19.9 Entire agreement

Other than the Confidentiality and Exclusivity Deed (and subject, for the avoidance of doubt, to clause 19.12(b)), this deed supersedes all previous agreements, understandings, negotiations or deeds in respect of its subject matter and embodies the entire agreement between the parties in respect of that subject matter.

19.10 Severability

- (a) If the whole or any part of a provision of this deed is void, unenforceable or illegal in a jurisdiction, it is severed for that jurisdiction but only to the extent that it is void, unenforceable or illegal and provided that it will have full force and effect in any other jurisdiction. Where a provision (or any part thereof) is severed in a jurisdiction, the remainder of this deed will have full force and effect in that (and any other) jurisdiction.
- (b) This clause 19.10 does not apply to any severance that alters the basic nature of this deed or is contrary to public policy.

19.11 No agency of partnership

Nothing in this deed is to be construed as constituting an agency, partnership, joint venture, or any other form of association between the parties in which one party may be liable for the acts or omissions of any other party. No party has the authority to incur any obligation or make any representation or warranty on behalf of, or to pledge the credit of, any other party.

19.12 Remedies cumulative

- (a) The rights, powers and remedies provided to each party in this deed are in addition to, and do not exclude or limit, any right, power or remedy provided by law or equity or by any agreement.
- (b) For the avoidance of doubt, nothing in this deed will be taken to amend, vary, limit, waive or otherwise affect the rights or obligations of any parties to an Existing J-POWER Agreement (including in relation to the enforcement of any security interests under an Existing J-POWER Agreement), and the parties acknowledge and agree that:
 - (i) there is nothing in this deed that restricts Bidder or any other Bidder Group Member, or any Representative of a Bidder Group Member, from taking, or that requires any of them to forbear or omit from taking, any action to exercise, enforce or defend any of its rights (including any security interests) under an Existing J-POWER Agreement; and
 - (ii) Bidder (and, if applicable, the Bidder Subsidiary) will not be, or be deemed to be, in breach of any of its obligations under this deed or the Deed Poll, by reason or as a result of Bidder or any other Bidder Group Member, or any Representative of a Bidder Group Member, taking or omitting to take any action to exercise, enforce or defend any rights (including any security interests) under an Existing J-POWER Agreement.

19.13 Action or inaction by a Bidder Nominee

Notwithstanding anything else in this deed (and without limiting clause 10.9(b)), no action taken or not taken (or omitted to refused to be taken) by a Bidder Nominee, whether in their personal capacity or on behalf (or purported to be on behalf) of a Target Group Member or the Target Board, that would, but for this clause 19.13, be, constitute or result in:

- (a) a breach by Target of an obligation or representation or warranty under this deed; or
- (b) a Target Material Adverse Change, a Target Prescribed Occurrence or a Target Regulated Event,

will be deemed to be, constitute or result in (i) a breach by Target of that obligation or representation or warranty or (ii) a Target Material Adverse Change, a Target Prescribed Occurrence or a Target Regulated Event (and will be disregarded for the purpose of assessing the operation of any such clause or defined term).

19.14 Counterparts

This deed may be executed in any number of counterparts, each of which:

- (a) may be executed electronically or in handwriting;
- (b) will be deemed an original whether kept in electronic or paper form, and all of which taken together will constitute one and the same document; and
- (c) may be exchanged by PDF versions attached to emails.

Without limiting the foregoing, if the signatures on behalf of one party are on more than one copy of this deed, this shall be taken to be the same as, and have the same effect as, if all of those signatures were on the same counterpart of this deed.

3 Conditions Precedent

3.1 Conditions Precedent

This Scheme is conditional on, and will have no force or effect (and will not become Effective) until, the satisfaction of each of the following conditions precedent:

- (a) **(Transaction Implementation Deed Scheme Conditions)** all of the Transaction Implementation Deed Scheme Conditions (other than the Transaction Implementation Deed Scheme Condition in clause 3.1(b) of the Transaction Implementation Deed) are satisfied or, if applicable, waived in accordance with the terms of the Transaction Implementation Deed by the Delivery Time;
- (b) **(no termination of Transaction Implementation Deed or Deed Poll)** neither the Transaction Implementation Deed nor the Deed Poll is terminated in accordance with its terms before the Delivery Time;

- (a) as at the End Date, this Scheme has not become Effective; or
- (b) the Transaction Implementation Deed or the Deed Poll is terminated in accordance with their respective terms,

unless Target and Bidder otherwise agree in writing.

5 Implementation of this Scheme

5.1 Lodgement of Court orders with ASIC

For the purposes of section 411(10) of the Corporations Act, Target must lodge with ASIC an office copy of the orders made by the Court under section 411(4)(b) of the Corporations Act approving this Scheme by 5.00pm (Sydney time) on the first Business Day after the day on which such office copy is received by Target (or such later date as Target and Bidder agree in writing).

5.2 Consequences of this Scheme becoming Effective

If this Scheme becomes Effective:

- (a) it will override the Target Constitution, to the extent of any inconsistency;
- (b) subject to the terms of this Scheme, in consideration for the transfer to Bidder of the Scheme Shares, each Scheme Shareholder will be entitled to the Scheme Consideration in respect of each Scheme Share in accordance with the terms and conditions of this Scheme;
- (c) Bidder must (pursuant to its obligations under this Scheme and the Deed Poll) provide or procure the provision of the Scheme Consideration in the manner contemplated by this Scheme; and
- (d) subject to the provision of the Scheme Consideration as contemplated by clause 5.2(c), all the Scheme Shares (together with all rights and entitlements attaching to the Scheme Shares at the Implementation Date) will be transferred to Bidder in the manner contemplated by this Scheme.

5.3 Provision of Scheme Consideration

Subject to this Scheme becoming Effective, in consideration for the transfer to Bidder of the Scheme Shares held by each Scheme Shareholder under the terms of this Scheme, Bidder will provide, or procure the provision, to each applicable Scheme Shareholder the Scheme Consideration to which that Scheme Shareholder is entitled (as determined in accordance with clause 6) on the Implementation Date by complying with its obligations under clause 7.1 (and otherwise in accordance with this Scheme).

5.4 Transfer of Scheme Shares

On the Implementation Date, subject to, and after, the provision of the Scheme Consideration to Scheme Shareholders in the manner contemplated by this Scheme:

- (a) all of the Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares at the Implementation Date, must be transferred to Bidder without the need for any further act by any Scheme Shareholder (other than acts performed by Target or any of its directors, secretaries and officers as agent and attorney of the Scheme Shareholders under clause 9.6, or otherwise) by:
 - (i) Target duly completing and executing the Scheme Transfer on behalf of the Scheme Shareholders (as transferors) and delivering it to Bidder; and
 - (ii) Bidder duly executing the Scheme Transfer (as transferee) and delivering it to Target for registration; and

- (b) immediately after receipt of the Scheme Transfer in accordance with clause 5.4(a)(ii), but subject to the stamping of the Scheme Transfer (if required), Target must enter, or procure the entry of, the name of Bidder in the Target Share Register as the registered holder of all of the Scheme Shares.

5.5 Suspension of trading of Target Shares on ASX

Target must apply to ASX for the suspension of trading in Target Shares on ASX with effect from the close of trading on ASX on the Effective Date.

5.6 Removal of Target from Official List of ASX

Target must apply, and take all other steps reasonably necessary:

- (a) for the Official Quotation of Target Shares to be terminated; and
- (b) to have Target removed from the Official List,

in each case, with effect on and from the Business Day immediately following the Implementation Date (or such other Business Day notified by Bidder to Target in writing), including by lodging a request for the termination of Official Quotation of Target Shares and the removal of Target from the Official List with ASX on or before the Implementation Date, and Target must satisfy any conditions reasonably required by ASX for it to act on that application.

6 Scheme Consideration

6.1 Scheme Consideration

Under this Scheme (but subject to the terms of the Scheme), each Scheme Shareholder will be entitled to receive the Scheme Consideration in respect of each Scheme Share held by that Scheme Shareholder at the Scheme Record Date.

6.2 Fractional entitlements

Where the calculation of the Scheme Consideration to be provided to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a cent (after applying the Scheme Shareholder's entitlement (prior to rounding) to its entire holding of Scheme Shares), the fractional entitlement will be rounded down to the nearest whole cent.

7 Provision of Scheme Consideration

7.1 Provision of Aggregate Scheme Consideration

- (a) Bidder must deposit, or procure the deposit, in cleared funds an amount equal to the Aggregate Scheme Consideration into the Trust Account by no later than two Business Days before the Implementation Date, such amount to be held by Target on trust for Scheme Shareholders (provided that any interest on such amount(s) deposited (less bank fees and other charges) will be credited to Bidder's account).
- (b) Bidder must notify Target in writing as soon as practicable after it has complied with its obligations under clause 7.1(a).

7.2 Provision of Scheme Consideration to Scheme Shareholders

- (a) On the Implementation Date, subject to clause 7.2(b) and Bidder having complied with its obligations under clause 7.1, Target must pay or procure the payment of the Scheme Consideration from the Trust Account to each Scheme Shareholder who is entitled to receive the Scheme Consideration (in accordance with the terms of this Scheme), by paying or procuring the payment of such amount of cash as is due to that Scheme Shareholder as Scheme Consideration in respect of all of that Scheme Shareholder's Scheme Shares.
- (b) The obligations of Target under clause 7.2(a) will be satisfied by Target (in its absolute discretion, and despite any election referred to in clause 7.2(b)(i) or authority referred to in clause 7.2(b)(ii) made or given by the Scheme Shareholder):
- (i) if a Scheme Shareholder has, before the Scheme Record Date, made a valid election in accordance with the requirements of the Target Share Registry to receive dividend payments from Target by electronic funds transfer to a bank account nominated by the Scheme Shareholder, paying, or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election;
 - (ii) if a Scheme Shareholder has otherwise nominated a bank account for the purpose of receiving the Scheme Consideration by an appropriate authority from the Scheme Shareholder to Target (or the Target Share Registry), paying, or procuring the payment of, the relevant amount in Australian currency by electronic means to that bank account; or
 - (iii) otherwise, whether or not the Scheme Shareholder has made an election referred to in clause 7.2(b)(i) or a valid nomination referred to in clause 7.2(b)(ii), dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian currency to the Scheme Shareholder by prepaid post to their Registered Address, such cheque being drawn in the name of the Scheme Shareholder (or, in the case of joint holders, in accordance with the procedures set out in clause 7.4).
- (c) For the purposes of clauses 7.2(b)(i) and 7.2(b)(ii) (as applicable):
- (i) if a Scheme Shareholder has validly elected in accordance with the requirements of the Target Share Registry (and, if applicable, the Third Party Currency Conversion Service Provider (as defined below)):
 - (A) to receive dividend payments from Target by electronic funds in Australian currency to a bank account operated by a third-party service provider (**Third Party Currency Conversion Service Provider**) (or otherwise nominated the Third Party Currency Conversion Service Provider to receive that Scheme Shareholder's dividend payments from Target) which must (in accordance with the agreement between the Scheme Shareholder and the Third Party Currency Conversion Service Provider) then convert those payments into the Scheme Shareholder's nominated non-Australian currency (**Elected Foreign Currency**) and transfer the converted amount(s) (in the Elected Foreign Currency) to a bank account (denominated in the Elected Foreign Currency) nominated by the Scheme Shareholder for that purpose; or

- (B) otherwise nominated (by an appropriate authority from the Scheme Shareholder to Target or the Target Share Registry) to receive the Scheme Consideration by electronic funds to a bank account operated by a Third Party Currency Conversion Service Provider (or otherwise nominated the Third Party Currency Conversion Service Provider to receive that Scheme Shareholder's Scheme Consideration) which must (in accordance with the agreement between the Scheme Shareholder and the Third Party Currency Conversion Service Provider) then convert the Scheme Consideration into the Scheme Shareholder's Elected Foreign Currency and transfer the converted amount(s) (in the Elected Foreign Currency) to a bank account (denominated in the Elected Foreign Currency) nominated by the Scheme Shareholder for that purpose,

then, without limiting clause 7.2(b), the obligations of Target under clause 7.2(a) will be satisfied by Target paying, or procuring the payment of, the Scheme Consideration to which a Scheme Shareholder is entitled (in accordance with this terms of this Scheme) in Australian currency by electronic means to the bank account operated by (or otherwise to) the Third Party Currency Conversion Service Provider; and

- (ii) each Scheme Shareholder that has made a valid election described in clause 7.2(c)(i)(A) or clause 7.2(c)(i)(B) above acknowledges and agrees that, if Target pays or procures the payment of the Scheme Consideration to which a Scheme Shareholder is entitled (in accordance with the terms of this Scheme) in Australian currency by electronic means to the bank account operated by (or otherwise to) the Third Party Currency Conversion Service Provider in accordance with clause 7.2(c)(i):
 - (A) the obligations of Target under clause 7.2(a) will be satisfied (in their entirety) in respect of that Scheme Shareholder;
 - (B) the aggregate Scheme Consideration to which the Scheme Shareholder is entitled will be converted from Australian currency to the relevant Elected Foreign Currency at an exchange rate determined or achieved by the Third Party Currency Conversion Service Provider (**Scheme Consideration Exchange Rate**);
 - (C) the Target has no control over, cannot and does not make any representations or warranties in respect of, and will not be responsible for, the Scheme Consideration Exchange Rate; and
 - (D) Target has no responsibility, and accepts no liability, for the conduct, acts or omissions of the Third Party Currency Conversion Service Provider (including in relation to the conversion of the Scheme Consideration into the Scheme Shareholder's Elected Foreign Currency, the Scheme Consideration Exchange Rate actually achieved, and/or the transfer of the converted amount (in the Elected Foreign Currency) to a bank account (denominated in the Elected Foreign Currency) nominated by the Scheme Shareholder for that purpose), and the Scheme Shareholder hereby waives its right to make any Claim against Target in relation to any such conduct, act or omission of the Third Party Currency Conversion Service Provider.

- (d) Subject to clauses 7.2(e) to 7.2(i) (inclusive), if Bidder is required by section 260-5 or Subdivision 14-D of Schedule 1 of the *Taxation Administration Act 1953* (Cth) (**Subdivision 14-D**), or section 255 of the *Income Tax Assessment Act 1936* (Cth), to pay to the Commissioner of Taxation (**Commissioner**) an amount in respect of the acquisition of Scheme Shares from any Scheme Shareholder (the **Withholding Amount**), Bidder is permitted to deduct the Withholding Amount from the payment of the Scheme Consideration otherwise payable in respect of those Scheme Shares and remit that Withholding Amount to the Commissioner. The aggregate sum payable to that Scheme Shareholder under this Scheme shall not be increased to reflect the deduction of the Withholding Amount and the net sum payable to the Scheme Shareholder to which the Withholding Amount relates in respect of Scheme Consideration under this Scheme shall be taken to be in full and final satisfaction of the amounts owing to those Scheme Shareholders in respect of Scheme Consideration under this Scheme.
- (e) Bidder must pay any Withholding Amount to the Commissioner in the time required by law and, if requested in writing by the relevant Scheme Shareholder (or Target), provide a receipt or other appropriate evidence of such payment (or procure the provision of such receipt or other evidence) to the relevant Scheme Shareholder (or Target, as applicable).
- (f) Bidder acknowledges and agrees that Bidder must not pay any Withholding Amount to the Commissioner with respect to a Scheme Shareholder where it receives an entity declaration from the Scheme Shareholder prior to the Implementation Date where:
- (i) the entity declaration is made in accordance with the requirements of section 14-225 of Subdivision 14-D and covers, at a minimum, the period between (and including):
 - (A) either: (1) if the Scheme Shareholder was a Target Shareholder on the date of the Transaction Implementation Deed, the date of the Transaction Implementation Deed; or (2) if the Scheme Shareholder became a Target Shareholder after the date of the Transaction Implementation Deed, the date on which the Scheme Shareholder became a Target Shareholder; and
 - (B) the Implementation Date,**(Entity Declaration)**; and
 - (ii) Bidder does not know the Entity Declaration to be false.
- (g) For the avoidance of doubt, if the period between (and including) the date of the Transaction Implementation Deed and the Implementation Date is more than 6 months, Bidder acknowledges and agrees that Bidder must not pay any Withholding Amount to the Commissioner with respect to a Scheme Shareholder where it receives a new entity declaration from the Scheme Shareholder prior to the Implementation Date where:
- (i) the entity declaration is made in accordance with the requirements of section 14-225 of Subdivision 14-D and covers, at least, the period between (and including) the last day of the period referred to in clause 7.2(f)(i) and the Implementation Date (**New Entity Declaration**); and
 - (ii) Bidder does not know that the New Entity Declaration to be false.

- (h) Target and Bidder agree to consult in good faith as to the application of Subdivision 14-D to the Scheme and to take all actions that they agree (each acting reasonably and in good faith) are necessary or desirable following that consultation, which may include, without limitation, making amendments to the Scheme to ensure that relevant representations required or contemplated by Subdivision 14-D are obtained from Scheme Shareholders.
- (i) To the extent Bidder determines that it is required to pay a Withholding Amount to the Commissioner:
 - (i) Bidder must give Target, at least 10 Business Days prior to the Implementation Date, information which identifies (in reasonable detail) the reasons as to why a liability arises under Subdivision 14-D in respect of the relevant Scheme Shareholder(s) and the basis of the calculation of the Withholding Amount;
 - (ii) Target may, at least 5 Business Days prior to the Implementation Date, give information to Bidder which, in Target's reasonable opinion, demonstrates that there should not be a liability under Subdivision 14-D in respect of the relevant Scheme Shareholder(s); and
 - (iii) Bidder must have reasonable regard to, and consider in good faith, the information provided by Target under paragraph (ii) above before making its final decision on whether a Withholding Amount is required to be paid to the Commissioner under Subdivision 14-D in respect of the relevant Scheme Shareholder.

7.3 Cancellation and re-issue of cheques, right to credit Separate Account, and treatment of unclaimed monies

- (a) Target may cancel a cheque issued under clause 7.2(b)(iii) if the cheque:
 - (i) is returned to Target or the Target Share Registry; or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of one year commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Target or the Target Share Registry (which request may not be made until the date which is 15 Business Days after the Implementation Date), a cheque that was previously cancelled under clause 7.3(a) must be reissued.
- (c) In the event that:
 - (i) either:
 - (A) a Scheme Shareholder does not have a Registered Address; or
 - (B) Target, as trustee for the Scheme Shareholders, believes that a Scheme Shareholder is not known at the Scheme Shareholder's Registered Address,

and no account has been notified in accordance with clause 7.2(b)(i) or clause 7.2(b)(ii) or a deposit into such an account is rejected or refunded; or

- (ii) a cheque issued under this clause 7 has been cancelled in accordance with clause 7.3(a),

Target, as the trustee for the Scheme Shareholders, may credit the amount payable to the relevant Scheme Shareholder to a separate bank account of Target (**Separate Account**) to be held until the Scheme Shareholder claims the amount or the amount is dealt with in accordance with the *Unclaimed Money Act 1995* (NSW) (however, to avoid doubt, if the amount is not credited to a Separate Account, the amount will continue to be held in the Trust Account until the Scheme Shareholder claims the amount or the amount is dealt with in accordance with the *Unclaimed Money Act 1995* (NSW)).

- (d) Without limiting clause 7.3(f), if the Target credits an amount payable to a Scheme Shareholder to a Separate Account under clause 7.3(c), until such time as the amount is dealt with in accordance with the *Unclaimed Money Act 1995* (NSW), Target must hold the amount on trust for the relevant Scheme Shareholder, but any interest or other benefit accruing from the amount will be to the benefit of Bidder.
- (e) An amount credited to a Separate Account or Trust Account (as applicable) is to be treated as having been paid to the Scheme Shareholder when credited to the Separate Account or Trust Account (as applicable). Target must maintain records of the amounts paid to or from the Separate Account, the people who are entitled to those amounts and any transfers of those amounts.
- (f) Subject to clause 7.3(d), the *Unclaimed Money Act 1995* (NSW) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 7 of the *Unclaimed Money Act 1995* (NSW)).
- (g) To the extent that, following the satisfaction of Target's obligations under the other provisions of this clause 7 (and provided that Bidder has by that time acquired all of the Scheme Shares in accordance with this Scheme), there is a surplus in the amount held by Target (as trustee for the Scheme Shareholders) in the Trust Account (which, for the avoidance of doubt, excludes any amount payable to a Scheme Shareholder (whether Scheme Consideration or otherwise) under this Scheme (including, but not limited to, any amount payable to a Scheme Shareholder that Target may credit to a Separate Account under clause 7.3(c)), then, subject to compliance with applicable laws, the other terms of this Scheme, the Deed Poll and the Transaction Implementation Deed, that surplus may be paid by Target (as trustee for the Scheme Shareholders) to Bidder.

7.4 Joint holders

In the case of Scheme Shares held in joint names:

- (a) subject to clause 7.2(b), any Scheme Consideration payable in respect of those Scheme Shares is payable to the joint holders of those Scheme Shares;
- (b) any cheque required to be sent under this Scheme will be made payable to the joint holders and sent to the holder whose name appears first in the Target Share Register as at the Scheme Record Date; and
- (c) any other document required to be sent under this Scheme will be forwarded to the holder whose name appears first in the Target Share Register as at the Scheme Record Date.

7.5 Orders or directions of a court or Government Agency

If written notice is given to Target (or the Target Share Registry) of an order or direction made by a court of competent jurisdiction or a Government Agency that:

- (a) requires payment to a third party of a sum in respect of Scheme Shares held by a particular Scheme Shareholder, which sum would otherwise be payable to that Scheme Shareholder by Target in accordance with this clause 7, then Target will be entitled to make that payment (or procure that it is made) in accordance with that order or direction; or
- (b) prevents Target from making a payment to a particular Scheme Shareholder in accordance with clause 7.2, or such payment is otherwise prohibited by applicable law, Target will be entitled to retain an amount, in Australian dollars, equal to the amount of the relevant payment until such time as payment in accordance with this clause 7 is permitted by that order or direction or otherwise by law.

- (b) Target must register valid registrable transmission applications or transfers of the kind referred to in clause 8.1(b) by no later than the Scheme Record Date (provided that, for the avoidance of doubt, nothing in this clause 8.2(b) requires Target to register a transfer that would result in a Target Shareholder holding a parcel of Target Shares that is less than a Marketable Parcel).

- (c) Target must not accept for registration or recognise for any purpose any transmission application or transfer in respect of Target Shares received after the Scheme Record Date or received at or prior to the Scheme Record Date but not in registrable or actionable form (as appropriate).
- (d) From the Scheme Record Date until the earlier of registration of Bidder in respect of all Scheme Shares under clause 5.4(b) or the End Date, no Target Shareholder (other than an Excluded Target Shareholder) may deal with Target Shares in any way except as set out in this Scheme and any attempt to do so will have no effect and Target must disregard any such dealing.
