EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of Shareholders of Grange Resources Limited (**Grange** or **Company**) in connection with the business to be conducted at the Meeting to be held at Room 241, University of Tasmania, Cradle Coast Campus, 2/8 Bass Highway, Burnie, Tasmania at 10.00am (AEST) on Tuesday, 14 May 2024.

The purpose of this Explanatory Memorandum is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the resolutions accompanying the Notice of Annual General Meeting.

This Explanatory Memorandum should be read in conjunction with the accompanying Notice of Annual General Meeting.

1. Financial Statements and Reports

The Corporations Act requires the financial report, directors' report and auditor's report to be laid before the Company's Annual General Meeting. There is no requirement in either the Corporations Act or the Constitution for Shareholders to vote on, approve or adopt these reports.

Shareholders will be offered the following opportunities:

- (a) to discuss these reports and ask questions or make comment on these reports and on the business, operations and management of the Company; and
- (b) to ask the auditor questions about the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements, and the independence of the auditor in relation to the conduct of the audit.

In addition to taking questions at the Annual General Meeting, written questions to the Chairperson of the Annual General Meeting, or to the Company's auditor on the above matters may be submitted no later than five business days before the Annual General Meeting to the Company Secretary at the Company's registered office.

2. Resolution 1 - Adoption of Remuneration Report

The Annual Report for the year ended 31 December 2023 contains the Remuneration Report which sets out the remuneration policy for the Company and reports the remuneration arrangements in place for the key management personnel and each director. A copy of the report is set out on pages 30 to 37 of the Company's Annual Report, which is on the Company's website at www.grangeresources.com.au.

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report be put to shareholders at the Annual General Meeting. Whilst there is a requirement for a formal resolution, the resolution is advisory only and does not bind the Company or its directors. However, the Board will take the outcome of the vote into consideration when considering remuneration policy and practices.

Sections 250U to 250Y of the Corporations Act (among others) give shareholders the opportunity to spill a company's board of directors ("Board spill") if the resolution to approve a company's remuneration report receives "no" votes of 25% or more at two successive Annual General Meetings.

Specifically a 25% or higher "no" vote on the remuneration report resolution at an Annual General Meeting triggers a reporting obligation on a listed company to explain in its next Annual Report how shareholders' concerns are being addressed. If a 25% or higher "no" vote on the subsequent remuneration report occurs at the next Annual General Meeting, a resolution must be put to shareholders (a "spill resolution") that another general meeting be convened to consider the election of certain directors (the "spill meeting"). If the spill resolution is carried by an ordinary majority, the spill meeting must be held within 90 days and all directors that were directors when the 25% "no" vote was passed will cease to hold office immediately before the spill meeting (except for any managing director) and the general meeting will vote on whether those directors should be re-elected.

The Chairperson of the Annual General Meeting will allow a reasonable opportunity for Shareholders to ask questions or make comments on the Remuneration Report.

Directors' Recommendation

The Board recommends that Shareholders vote in favour of Resolution 1.

The Corporations Act prohibits certain persons from voting on this item of business. A voting exclusion statement is set out on page 2 of this Notice. The Company encourages all shareholders who submit proxies to direct their proxy how to vote on the resolution.

3. Resolution 2 – Re-election of Mr Ajanth Saverimutto as a Director

Mr Saverimutto is required to resign under the Director rotation provisions of article 4.7(b) of the Constitution. Under these provisions one third of the Directors retire from office at each Annual General Meeting. The retiring Director however, if eligible, may offer herself for re-election.

Therefore, in accordance with the Constitution, Mr Saverimutto retires and, being eligible, offers himself for re-election.

Mr Saverimutto is a mining engineer with over 25 years of Australian and International mining experience and a proven senior level executive whose career has included a balance of corporate and operational roles. Mr Saverimutto has a proven track record of delivering results, driving change, achieving the highest safety, environmental, and governance standards. He also has extensive experience in due diligence, M&A, resource assessment and business improvement.

Directors' Recommendation

The Board, other than Mr Saverimutto, recommends that Shareholders vote in favour of Resolution 2.

4. Resolution 3 – Election of Miss Tianxiao Shen as Director

Ms. Shen was appointed to the Board on 21 December 2023. Ms. Shen is required to resign under the Director retirement provisions of article 4.7(a) of the Constitution.

Article 4.7(a) of the Constitution requires a Director appointed by the other Directors of the Company to retire at the conclusion of the next Annual General Meeting following their initial

appointment as a Director. Therefore, in accordance with the Constitution, Ms. Shen retires, and being eligible, offers herself for re-election.

Ms. Shen is currently the deputy general manager of Shagang International (Singapore) Pte. Ltd., a subsidiary of Jiangsu Shagang Group, China's largest private-owned steel conglomerate. Ms. Shen has extensive experience in raw material procurement and trade, company management, and supply chain operation management, investment planning.

Directors' Recommendation

The Board, other than Ms. Shen, recommends that Shareholders vote in favour of Resolution 4.

5. Resolution 4 – Approval to Increase Maximum Securities Under the Company's Executive Rights Plan

General

Resolution 4 seeks Shareholder approval to increase the maximum number of securities proposed to be issued under the existing Executive Rights Plan (**ERP**) (adopted by Shareholders on 11 May 2022) from the existing maximum of 295,729 Securities to a maximum of 5,000,000 Securities, and for the issue of Securities under the ERP in accordance with Listing Rule 7.2 (Exception 13(b)).

The Board and the Company's remuneration committee recognise that the Company's performance and ultimate success depends very much on its ability to attract and retain highly skilled, qualified and motivated people in a competitive global remuneration market. At the same time, remuneration practices must be transparent to Shareholders and be fair and competitive taking into account the nature and size of the organisation and its current stage of development.

The Board considers that a long-term incentive should form a key component of total annual remuneration of executives and senior management which can be achieved by setting a significant portion of total annual remuneration "at risk" to better align interests with those of Shareholders to encourage the production of long-term sustainable growth and to assist with retention.

The Board recognises that to preserve Shareholder value it must therefore have in place a long-term remuneration structure which ensures executives and senior management are attracted, motivated and retained by the Company.

Listing Rule 7.1 and Listing Rule 7.2 Exception 13(b)

Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If Resolution 4 is passed, the Company will be able to issue an increased number of securities under the ERP to eligible participants over a period of 3 years from the date of the Meeting. The issue of any Securities to eligible participants under the ERP (up to the proposed maximum number of Securities stated in below) will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 4 is not passed, the Company will not be able to issue an increased number of securities under the ERP to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of those securities.

Technical information

The following information is provided in relation to Resolution 4:

- (a) the terms and conditions of the ERP are set out in Annexure 1;
- (b) the Company has issued a total of 295,729 securities under the ERP; and
- (c) the maximum number of securities proposed to be issued under the ERP in reliance on Listing Rule 7.2 (Exception 13(b)), will increase from 295,729 securities to a maximum of 5,000,000 securities. It is not envisaged that the maximum number of Securities for which approval is sought will be issued immediately.

Corporations Act

Section 259B(1) of the Corporations Act prohibits a company from taking security in its own shares except as permitted by section 259B(2) or 259B(3). Section 259B(2) states that, relevantly, a company may take security over shares in itself under an employee share scheme that has been approved by a resolution passed at a general meeting of the company.

Section 260A(1)(c) of the Corporations Act prohibits a company from financially assisting a person to acquire shares in itself except as permitted by section 260C. Section 260C(4) provides for special exemption for approved employee share schemes and states the financial assistance is exempted from section 260A if a resolution is passed at a general meeting of the company.

Accordingly, the Company seeks Shareholder approval under this Resolution 4 to ensure compliance with these sections of the Corporations Act.

Directors' Recommendation

The Board, other than Mr Zhao and Mr Xu recommend that Shareholders vote in favour of Resolution 4.

6. Resolutions 5, 6 and 7 – Approval of the issue of Performance Rights to Mr Honglin Zhao and Mr Chongtao Xu

Resolution 5 seeks Shareholder approval for the grant of up to 828,099 2023 Performance Rights to Mr Honglin Zhao, on the terms and conditions set out in this Explanatory Memorandum.

Resolution 6 seeks Shareholder approval for the grant of up to 749,610 2024 Performance Rights to Mr Honglin Zhao, on the terms and conditions set out in this Explanatory Memorandum.

Resolution 7 seeks Shareholder approval for the grant of up to 207,976 2024 Performance Rights to Mr Chongtao Xu, on the terms and conditions set out in this Explanatory Memorandum.

Background to the grant of Performance Rights to Mr Zhao and Mr Xu

The purpose of the proposed grant of the Performance Rights to each of Mr Zhao and Mr Xu is to provide an appropriate remuneration strategy and incentive for each of them to assist the Company to achieve prescribed performance milestones and to assist the Company to retain the services of Mr Zhao and Mr Xu.

Each of Mr Zhao and Mr Xu will only benefit from the grant of the Performance Rights if the relevant performance conditions attaching to the Performance Rights are fulfilled as described below and they are issued with Shares on vesting of the Performance Rights.

The Performance Rights proposed to be granted to each of Mr Zhao and Mr Xu reflect the level of commitment to they will each provide to the Company in assisting the Company to achieve certain specified performance objectives, taking into account their responsibilities and the time commitment required from them. The Performance Rights to be granted to each of Mr Zhao and Mr Xu also reflect the value the Board believes they each bring to the enhancement of the Company and the relative importance of the performance objectives set by the Company.

Whilst Mr Zhao’s Performance Rights cover both 2023 and 2024, Mr Xu did not receive 2023 Performance Rights as he was not a director of the Company at the time the 2023 Performance Rights measurement period began.

The Board considers it appropriate for part of each of Mr Zhao and Mr Xu’s remuneration package to comprise non-cash, incentive-based remuneration. If Shareholders approve Resolutions 5, 6 and/or 7 (as applicable) the relevant Performance Rights will be granted no later than 3 months after the date of the Meeting. However, as described below, each of their Performance Rights will only vest if the performance conditions attaching to those Performance Rights are met.

Key details of the Performance Rights

It is proposed that Mr Zhao is to be granted 1,577,709 Performance Rights (comprising 828,099 2023 Performance Rights and 749,610 2024 Performance Rights) by the Company on the following key terms:

2023 Performance Rights Vesting Conditions **Tranche 1:**
Tranche 1 2023 Performance Rights are subject to an iTSR Performance Rights Vesting Condition. This Vesting Condition compares the Company's TSR over the Measurement Period with the movement in the ASX 300 Metals and Mining TR Index. This Index is a TSR Index.

Total Shareholder Return (**TSR**) is calculated as a percentage growth in Shareholder value based on Share Price growth and dividends, assuming that they are reinvested into Shares. It is calculated over a specific period which is the Measurement Period.

The vesting scale for this Vesting Condition is as follows:

Performance Level	Annualised Grange TSR Compared to TSR of the ASX 300 Metals and Mining TR Index	% of Tranche Vesting
Stretch	\geq Index TSR + 9% TSR CAGR	100%
Between Target and Stretch	$>$ Index TSR + 2% TSR CAGR & $<$ Index TSR + 9% TSR CAGR	Pro-rata
Target	Index TSR + 2% TSR CAGR	50%
Between Threshold and Target	$>$ Index TSR & $<$ Index TSR + 2% TSR CAGR.	Pro-rata
Threshold	= Index TSR	25%
Below Threshold	$<$ Index TSR	0%

Note: a Gate of TSR being positive applies to this metric (will not pay out if TSR is not $>0\%$)

Tranche 2:

Tranche 2 2023 Performance Rights are subject to a ROE Performance Rights Vesting Condition. The vesting scale for this Vesting Condition is as follows:

Performance Level	Return on Equity	% of Tranche Vesting
Stretch	≥ 15% ROE	100%
Between Target and Stretch	>8% ROE & < 15% ROE	Pro-rata
Target	8% ROE (Cost of Equity)	50%
Between Threshold and Target	>6% ROE & < 8% ROE	Pro-rata
Threshold	= 6% ROE	25%
Below Threshold	= <6% ROE	0%

ROE is calculated by dividing the sum of NPAT declared in respect of each year of the Measurement Period, by the sum of opening book equity from the Balance Sheet in respect of each year of the Measurement Period.

ROE is calculated by dividing the sum of NPAT declared in respect of each year of the Measurement Period, by the sum of opening book equity from the Balance Sheet in respect of each year of the Measurement Period.

The vesting scale for this Vesting Condition is as follows:

Performance Level	Annualised Grange TSR Compared to TSR of the ASX 300 Metals and Mining TR Index	% of Tranche Vesting
Stretch	\geq Index TSR+9%TSR CAGR	100
Between Target and Stretch	$>$ Index TSR + 2% TSR CAGR & $<$ Index TSR + 9% TSR CAGR	Pro-rata

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a Related Party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions to the provisions;

- (b) or prior shareholder approval is obtained to the giving of the financial benefit.

For the purposes of Chapter 2E, each of Mr Zhao and Mr Xu is a Related Party and the proposed grant of the Performance Rights and subsequent issue of Shares to each of Mr Zhao and Mr Xu on vesting of those Performance Rights, constitutes the giving of a financial benefit.

However, an exception to the prohibition in Chapter 2E of the Corporations Act permits the Company to give a financial benefit to a Related Party without the need for Shareholder approval if the benefit is remuneration to an officer of the Company that would be reasonable given the circumstances of the Company and the Related Party's circumstances (including the responsibilities involved in the Related Party's office).

The Board considers that the proposed grant of Performance Rights to each of Mr Zhao and Mr Xu is reasonable remuneration, and Shareholder approval is therefore not being sought for the purposes of Chapter 2E of the Corporations Act.

Notwithstanding that Shareholder approval is not being sought for the purposes of Chapter 2E, the following information is provided to Shareholders to allow them to assess the proposed grant of Performance Rights and issue of Shares to each of Mr Zhao and Mr Xu on vesting of the Performance Rights:

- (a) Each Mr Zhao and Mr Xu is a Related Party of the Company to whom Resolutions 5, 6 and 7 would permit the financial benefit to be given.
- (b) The nature of the financial benefit to be given to Mr Zhao is the grant of:
- (i) up to 828,099 2023 Performance Rights as set out in section 6 of this Explanatory Memorandum and the issue of up to 828,099 2023 Shares upon the vesting of those Performance Rights for no cash consideration; and
 - (ii) up to 749,610 2024 Performance Rights as set out in section 6 of this Explanatory Memorandum and the issue of up to 749,610 2024 Shares upon the vesting of those Performance Rights for no cash consideration.
- (c) The nature of the financial benefit to be given to Mr Xu is the grant of up to 207,976 2024 Performance Rights as set out in section 6 of this Explanatory Memorandum and the issue of up to 207,976 Shares upon the vesting of those Performance Rights for no cash consideration.
- (d) The Performance Rights proposed to be granted will be issued in accordance with the terms and conditions set out in section 6 of this Explanatory Memorandum and with the ERP Rules.

Capital	Number

If Shareholders approve the grant of 828,099 2023 Performance Rights and to 749,610 2024 Performance Rights to Mr Zhao, under Resolution 5 and Resolution 6 and all 1,577,709 Performance Rights subsequently vest such that 1,577,709 Shares are issued to Mr Zhao, the Performance Rights issued to Mr Zhao may result in dilution of the shareholdings of all other existing Shareholders of approximately 0.1% (based on the existing number of Shares as at the date of this Notice and assuming that no other existing options or Performance Rights are exercised and no other securities are issued by the Company in the meantime).

If Shareholders approve the grant of 207,976 2024 Performance Rights to Mr Xu, under Resolution 7 and all 207,976 2024 Performance Rights subsequently vest such that 207,976 Shares are issued to Mr Xu, the Performance Rights issued to Mr Xu may result in dilution of the shareholdings of all other existing Shareholders of approximately 0.01% (based on the existing number of Shares as at the date of this Notice and assuming that no other existing options or Performance Rights are exercised and no other securities are issued by the Company in the meantime).

The market price of the Company's Shares over the 5 days of trading on ASX up to and including 9 April 2023 has been between a minimum of \$0.435 per Share to a maximum of \$0.445 per Share. On 9 April 2024, the last trading day before this Notice was lodged with ASX, Shares closed at a price of \$0.445 per Share.

- (k) The primary purpose of the grant of the Performance Rights to each of Mr Zhao and Mr Xu is to provide an incentive to strive to meet the Company's performance objectives. Given this purpose, the Directors do not consider that there is any opportunity cost or benefit foregone by the Company in granting the Performance Rights or issuing the Shares on the vesting of those Performance Rights, as proposed by Resolutions 5, 6 and 7.

- (l) The issue of securities to each of Mr Zhao and Mr Xu is a more cost effective and appropriate incentive for the Company as opposed to the payment of additional cash compensation.

- (m) Mr Zhao has a material personal interest in the outcome of Resolution 5 and Resolution 6 as he is a recipient of the Performance Rights proposed to be issued under that resolution. The Company's remaining Directors do not have an interest in the outcome of Resolution

- (q) The Company will incur no liabilities or costs in respect of the proposed grant of the Performance Rights to each of Mr Zhao and Mr Xu other than:
 - (i) The fees payable to ASX for quotation of the Shares if and when the performance conditions applicable to the Performance Rights are satisfied and the Performance Rights are vested. At the rates applying at the date of this Notice, these fees would be approximately \$8,431;
 - (ii) The cost of the Shares issued on vesting of the Performance Rights, which will be expensed through the Company's income statement in accordance with AASB2 Share-based payments;
 - (iii) Tasmanian Payroll tax liability; and
 - (iv) Plan administration fees.
- (r) The Company conducted a valuation of the 2023 Performance Rights proposed to be offered to Mr Zhao applying the Black-Scholes pricing model ("**Black-Scholes Model**").

The Black-Scholes Model is based on a number of assumptions and variables, including the following:

GRANGE
RESOURCES

Grange Resources Limited Rights Plan Rules

Cover notes regarding this Plan (not to be taken as part of the Rules):

- The **Rights are NOT exercised automatically by default** to increase the likelihood that desirable taxing points can be achieved regardless of whether or not the Company is paying dividends or offering Participation to internationally located employees (this aspect may be changed in the Invitation, if needed). A Participant must submit an Exercise Notice in order to exercise vested Rights. However, this may be overridden in an Invitation, specifying an automatic exercise date, in respect of Participants outside of Australia where a fixed taxing point is required,
- **Unless a Settlement Restriction is specified in an Invitation that requires settlement in Shares only, Rights will be considered “indeterminate” because they may be settled in cash (a kind of derivative). Indeterminate Rights are not considered “securities” by ASIC and Corporations Act s708 relief is not available: in this case ASIC Class Order 14/1000 may be relied upon for Australian Participants, and the Company must notify ASIC when it first relies upon it in relation to this plan. Note: the Corporations Act is expected to be amended to incorporate the Class Order in the near future.**
- An Exercise Price can be specified for a Right to create an option type instrument, however it will be a cashless exercise option or share appreciation right, which is less dilutive and simpler to exercise. These are also derivatives and must rely on ASIC Class Order 14/1000,
- Non-executive Directors are excluded from Participation,
- In response to the receipt of an Invitation, a potential Participant will make an Application for Rights, which is subject to Board consideration and approval, such that all grants may be made on the same date after Applications are received,
- Both on-market purchases, and new issues of Shares, may be used to settle Rights,
- **Continued service for the whole of the Measurement Period is a default requirement** for Performance Rights,
- Malus/clawback/Good Behaviour Bond features apply at all times, including following cessation of employment (addresses joining a competitor),
- Major transactions are addressed including change in control, major return of capital, demerger and delisting,
- Exercise Restrictions which are flexible, can be attached to Rights to defer the earliest exercise point following vesting (a form of deferral) and to ensure that equity is available for clawback, if needed,
- Specified Disposal Restrictions which are inflexible, can be attached to Shares that result from exercise (another form of deferral),
- The plan is designed not to give rise to a termination benefit, by default, by avoiding vesting triggered by cessation of employment, though this may be overridden by the Board’s general discretion to vest at any time,
- International participation and local tax and legal compliance can be achieved via custom Invitation documents (i.e. there is a Rule in the Plan covering this approach),
- The Rights Plan can be used for a range of purposes, including but not limited to:
 - Long Term Variable Remuneration using Performance Rights,
 - Retention grants to employees below the senior executive level using Service Rights, or
 - Deferring Short Term Variable Remuneration using Service Rights or Restricted Rights.

The Board is authorised, subject to the provisions of these Rules, to establish such guidelines for the administration of the Plan as are deemed appropriate, and to make determinations under the Plan as may be deemed necessary or advisable from time to time. Such determinations shall be conclusive and binding on all Participants.

4 Eligibility

All Eligible Persons are eligible to receive Invitations.

5 Invitations

- 5.1 The Plan will operate through a series of Invitations. The Board will in its absolute discretion determine those Eligible Persons who will receive Invitations, and the procedure for making invitations (including the terms and content of any offer or invitation or acceptance procedure) in accordance with the Rules.

- 5.2 Subject to compliance with the Listing Rules, the Corporations Act and the Company's Constitution, the Board may make Invitations at such times and to such Eligible Persons as it determines in its discretion.
- 5.3 Each Invitation may contain terms and conditions that vary between Invitations. The variable terms and conditions that apply to an Invitation and any consequent issue of Rights under the Plan are to be determined by the Board and included in the Invitation.
- 5.4 Details to be contained in an Invitation will include each of the following to the extent applicable to the intended features of a particular Invitation and the type of Rights that are the subject of the invitation (Performance Rights, Service Rights, and/or Restricted Rights):

The form of Application and the Application Period shall be determined by the Board in its discretion from time to time. In submitting an Application, the Eligible Person will be agreeing to be bound by these Rules and the terms of the Invitation.

7 Granting of Rights

- 7.1 The Board will consider valid Applications that are made in response to Invitations and determine whether or not to accept them.
- 7.2 In respect of accepted Applications, the Board will use reasonable endeavours to grant the Rights within 30 days of the end of the Application Period, unless otherwise determined by the Board.
- 7.3 Participants will be advised in writing when Rights have been granted and the date of the grant, via a Grant Notice.
- 7.4 No Rights may be issued to, or exercised by a participant if to do so would contravene the Corporations Act, the ASX Listing Rules or any relief or waiver granted by ASIC or the ASX that binds the Company in making any offer or invitation under these Rules or otherwise in connection with the operation of this plan. Shareholder approval must be obtained prior to a grant being made to a Director when required under the ASX Listing Rules.

8 Participants

- 8.1 Eligible Persons whose Applications have been accepted and have been granted Rights will be referred to as Participants in the Plan.
- 8.2 They will remain Participants until all Rights they have been granted have either lapsed or been exercised and both any risk of forfeiture and disposal restrictions applicable to the Shares acquired by exercising the Rights have ceased to apply.

9 Rights May Not Be Disposed of or Transferred or Encumbered

Rights may not be disposed of or transferred or otherwise dealt with (including for purposes of this Rule, encumbered or made subject to any interest in favour of any other person) and will lapse immediately on purported disposal, transfer or dealing unless the transfer is effected by operation of law on death or legal incapacity to the Participant's legal personal representative.

10 Measurement Periods

- 10.1 The Measurement Period applicable to each Tranche of Performance Rights will be three years unless otherwise specified in the Invitation. The Measurement Periods for Performance Rights will relate to periods when performance conditions must be satisfied for them to vest.
- 10.2 The Measurement Period applicable to each Tranche of Service Rights will be specified in the Invitation. The Measurement Periods for Service Rights will relate to periods when service conditions must be satisfied for them to vest.
- 10.3 Measurement Periods for grants of Performance and Service Rights will commence on the first day of the financial year in which the grant is made unless otherwise determined by the Board and specified in the Invitation.

11 Vesting Conditions

- 11.1 Vesting Conditions may relate to:
 - a) performance of the Company or an aspect of the Company's operations or the performance of the Participant, or
 - b) continued service of the Participant with the Group, or
 - c) any combination of the foregoing determined by the Board for each Tranche.

- 11.2 Vesting Conditions, if applicable, must be specified in the Invitation, along with the relationship between various potential levels of performance and levels of vesting that may occur.
- 11.3 Performance conditions may vary between different Invitations and between different Tranches of Rights specified in an Invitation.

12 Gate

- 12.1 The Board may in its absolute discretion apply one or more Gates to Tranches of Performance Rights as a condition for vesting. If a Gate is to apply to a Tranche, it must be specified in the Invitation.
- 12.2 If a Gate is not satisfied then the Performance Rights in the Tranche to which the Gate applies will not vest irrespective of outcomes in relation to any Vesting Condition, unless otherwise determined by the Board.

13 Vesting of Performance Rights

- 13.1 Following the end of the Measurement Period, the Board will determine for each Tranche of Performance Rights to which the Measurement Period applies, and which have not previously lapsed or vested, the extent to which it has vested, if at all, and notify Participants in a Vesting Notice of both the extent of vesting and the Vesting Date.
- 13.2 Prior to the end of a Measurement Period the Board may determine that some or all of the Performance Rights held by a Participant will vest in which case the Board will notify Participants in a Vesting Notice of both the extent of vesting and the Vesting Date. In such circumstances the Board also has absolute discretion to determine that Exercise Restrictions (if any) are lifted, and that some or all of any remaining unvested Performance Rights will be forfeited in which case the Board shall notify Participants in writing, in a form determined by the Board in its absolute discretion.

14 Board Discretion Regarding Vesting of Performance Rights

- 14.1 The Board retains discretion to increase or decrease, including to nil, the extent of vesting in relation to each Tranche of Performance Rights if it forms the view that it is appropriate to do so given the circumstances that prevailed during the Measurement Period. In exercising this discretion, the Board shall take into account, amongst other factors it considers relevant, Company performance from the perspective of Shareholders over the relevant Measurement Period.
- 14.2 Before exercising its discretion under this Rule, the Board may seek advice from an independent advisor as to whether the discretion should be exercised and if so then the alternative extent of vesting that should be considered by the Board.

15 Vesting of Service Rights

- 15.1 Following the end of the Measurement Period, the Board will determine for each Tranche of Service Rights to which the Measurement Period applies and which have not previously lapsed, the extent to which it has vested, if at all, and notify Participants in writing of the vesting and the Vesting Date.
- 15.2 Prior to the end of a Measurement Period the Board may determine that some or all of the Service Rights held by a Participant will vest in which case the Board will notify Participants in a Vesting Notice of both the extent of vesting and the Vesting Date. In such circumstances the Board also has absolute discretion to determine that Exercise Restrictions (if any) are lifted, and that some or all of any remaining unvested Service Rights will be forfeited in

which case the Board shall notify Participants in writing, in a form determined by the Board in its absolute discretion.

16 Vesting of Restricted Rights

Restricted Rights are fully vested at the Grant Date, therefore the Grant Notice and the Vesting Notice may be combined i.e. the Grant Date is also the Vesting Date for Restricted Rights.

17 Lapsing of Rights

Rights will lapse automatically on the earlier of:

- a) For unvested Rights, when there is no opportunity for them to vest at a later date, or
- b) The end of the Term of the Right.

18 Exercise of Rights and Exercise Restrictions

- 18.1 An Invitation may specify an Exercise Restriction which is a period during which Rights may not be exercised, and any attempt to do so will be considered void, subject to the early release of Exercise Restrictions as provided for in these Rules.
- 18.2 Restricted Rights are subject to an Exercise Restriction for 90 days following the Grant Date, unless a longer period is determined by the Board and specified in the Invitation.
- 18.3 Rights may be exercised at any time between the latter to occur of the Vesting Date or the elapsing of the Exercise Restriction (if applicable) and the end of their Term, by the Participant submitting an Exercise Notice. If an Invitation so specifies, the exercising of vested and unexercised Rights may be completed automatically on a specific date following the end of the Measurement Period in which case the submission of an Exercise Notice is not required.
- 18.4 An Exercise Notice will be in the form determined by the Board from time to time, and provided to the Participant with a Vesting Notice.
- 18.5 Unless an Invitation contains a Settlement Restriction, on exercise of Rights the Board will determine in its absolute discretion whether to settle the Exercised Rights Value in whole Shares (including Restricted Shares) with any residual being forfeited, a cash payment to the Participant or a combination of whole Shares and a cash payment to the Participant. The Board will advise the Participant in writing of the result of its determination, in the Settlement Notice.
- 18.6 To the extent that the Exercised Rights Value is to be provided in Shares, the Board will in its discretion, either:
 - (a) issue Shares to the Participant, or
 - (b) arrange for Shares to be acquired for the benefit of Participants by the trustee of the EST. The Company or another Group Company will contribute such funds as are needed from time to time to the EST trustee to enable the EST trustee to acquire Shares and the trustee shall apply those funds to acquire Shares by:
 - i. market purchase, or
 - ii. subscription to a new issueas directed by the Board.
- 18.7 To the extent that the Exercised Rights Value is to be paid in cash it will be paid via payroll less any legally required withholdings such as PAYG tax.

- 18.8 The Board may in its absolute discretion waive the remaining portion of the Exercise Restriction period.
- 18.9 If the Exercised Rights value is settled in whole or in part by a new issue of Shares, the Company will arrange such Shares to be quoted on the ASX.

19 Disposal Restriction Attached to Shares

- 19.1 Shares acquired by Participants or held by the trustee of the EST for the benefit of Participants as a consequence of the exercise of Rights are initially Restricted Shares, and shall be subject to a disposal restriction being that such Shares may not be sold or disposed of in any way, if at the time of exercise:
- (a) a sale of Shares would breach the Company's share trading policy, and/or
 - (b) a sale of Shares would breach Division 3 of Part 7.10 of the Corporations Act, and/or
 - (c) a Specified Disposal Restriction in the relevant Invitation has not elapsed.
- 19.2 Any attempt by a Participant to deal in or dispose of Restricted Shares will result in forfeiture of the Restricted Shares by the Participant, and the Board may require the Participant to facilitate a transfer of forfeited Restricted Shares to another party nominated by the Board, for nil consideration.
- 19.3 In special circumstances such as financial hardship the Board may in its absolute discretion waive the remaining portion of the Specified Disposal Restriction period.
- 19.4 If Shares subject to Specified Disposal Restrictions are held in the name of the Participant then the Company shall impose a CHESS holding lock to ensure that the disposal restrictions are complied with.
- 19.5 Any CHESS holding lock applied by the Company to Restricted Shares will be removed when the Participant ceases to be an employee of the Group, unless otherwise determined by the Board and specified in the Invitation.
- 19.6 On the first occasion following the cessation of Specified Disposal Restrictions, if any, when Shares may be sold without breaching the Company's share trading policy, the Board will advise the Participant in writing of the date of that occasion. A Cessation of Disposal Restrictions Notice will be used for this purpose. However, if sale of the Shares may not be undertaken due to Division 3 of Part 7.10 of the Corporations Act (insider trading restriction provisions) then the effective date of the Cessation of Disposal Restrictions Notice will be taken to be delayed until the next point in time when sales of Shares may occur without breaching either the Company's share trading policy or Division 3 of Part 7.10 of the Corporations Act (insider trading restriction provisions).

20 Disposal Restrictions and Exercise Restrictions Release at Taxing Point

- 20.1 In the event that a taxing point arises for a Participant in relation to vested but unexercised Rights that are subject to Exercise Restrictions held by a Participant the Exercise Restrictions will cease to apply to 50% of such Rights that are the subject of the tax liability, unless otherwise determined by the Board.
- 20.2 In the event that a taxing point arises for a Participant in relation to Restricted Shares subject to Specified Disposal Restrictions then Specified Disposal Restrictions (and associated CHESS holding locks if applicable) will cease to apply to 50% of such Shares that are the subject of the tax liability unless otherwise determined by the Board.

21 Fraud and Defalcation

In the event that the Board forms the opinion that a Participant has committed an act of fraud or defalcation, the Participant will forfeit all unvested Rights and vested Rights subject to Exercise Restrictions.

22 Board Discretion to Prevent Inappropriate Benefits, Malus and Clawback

22.1 The Board has sole discretion to determine that some or all Rights held by a Participant that are unvested or vested but subject to Exercise Restrictions, will lapse on a specified date if allowing the Rights to be retained or exercised by the Participant would, in the opinion of the Board, result in an inappropriate benefit to the Participant. Such circumstances include but are not limited to:

- (a) if a Participant engages in any activities or communications that, in the opinion of the Board, may cause harm to the operations or reputation of the Company or the Board,
- (b) if the Board determines that a Participant or Participants took actions that caused harm or are expected to cause harm to the Company's stakeholders,
- (c) if the Board forms the view that a Participant or Participants have taken excessive risks or have contributed to or may benefit from unacceptable cultures within the Company,
- (d) if the Board forms the view that Participants have exposed employees, the broader community or environment to excessive risks, including risks to health and safety,
- (e) if a Participant becomes an employee of a competitor or provides services to a competitor, either directly or indirectly (as determined by the Board and unless otherwise determined by the Board),
- (f) if there has been a material misstatement in the Company's financial reports, which once resolved, indicates that a larger number of Rights previously vested than should have, in light of the corrected information,
- (g) if there has been a breach of the Code of Conduct or other company policies, and
- (h) if the Board's standards or expectations regarding environmental, social and governance ("ESG") conduct have been breached, as determined by the Board from time to time.

22.2 While the Company has a separate malus and/or clawback policy that applies to variable remuneration, and that policy addresses unvested and/or vested Rights and/or Restricted Shares, then in the event of any inconsistency between the Plan Rules and the policy, the policy shall apply.

22.3 At the time of assessing performance and/or service conditions to determine the level of vesting the Board shall also consider the Company's actual risk exposure during the Measurement Period relative to its risk governance policies and, in appropriate circumstances, reduce the level of vesting that would otherwise have applied. The risk factors to be considered are those that are most relevant to the Company but may include: financial, regulatory, environmental, social, health & safety, governance, customer satisfaction, competition, technology and supply of materials/products.

23 No Hedging

Participants must not enter into an arrangement with anyone if it would have the effect of limiting their exposure to risk in relation to Rights (vested or unvested) or Restricted Shares.

24 Bonus Issues, Rights Issues and Capital Reorganisation

- 24.1 In cases of bonus share issues by the Company the number of Rights held by a Participant shall be increased by the same number as the number of bonus shares that would have been received by the Participants had the Rights been fully paid ordinary shares in the Company, except in the case that the bonus share issue is in lieu of a dividend payment, in which case no adjustment will apply.
- 24.2 In the case of general rights issues to Shareholders there will be no adjustment to the Rights.
- 24.3 In the case of an issue of rights other than to Shareholders there will be no adjustment to the Rights.
- 24.4 In the case of other capital reconstructions the Board may make such adjustments to the Rights as it considers appropriate with a view to ensuring that holders of Rights are neither advantaged nor disadvantaged.
- 24.5 This rule is subject to the application of the Listing Rules.

25 Cessation of Employment

- 25.1 Unless an Invitation otherwise specifies;
- (a) if a Participant ceases to be an employee of the Group due to termination for cause, or other termination circumstances specified in an Invitation, then Performance Rights which are not vested will be forfeited, unless and to the extent otherwise determined by the Board in its discretion,
 - (b) if a Participant ceases to be an employee of the Group in any other circumstance, Performance Rights which are not vested will be forfeited in the same proportion as the remainder of the first year of the Measurement Period bears to the full year in respect of each Tranche, unless and to the extent otherwise determined by the Board in its discretion.
- 25.2 Performance Rights that do not lapse at the termination of employment will continue to be held by Participants with a view to testing for vesting at the end of the Measurement Period. The Board has discretion to determine that any service conditions have been fulfilled at the end of the Measurement Period, regardless of whether or not a Participant remains employed by the Group.
- 25.3 If a Participant ceases to be an employee of the Group then Service Rights will be dealt with as specified in the relevant Invitation. In respect of Service Rights that are not forfeited at termination, the Board has discretion to determine that any service conditions have been fulfilled at the end of the Measurement Period, regardless of whether or not a Participant remains employed by the Group.
- 25.4 If a Participant has previously ceased to be an employee of the Group then Performance and Service Rights that are exercised after the date of termination will be dealt with pursuant to Rule 18 except that if the market value of a Share at the time of exercise is less than the market value of a Share at the date of the termination then the Exercised Rights Value will be paid in cash, unless otherwise determined by the Board or settlement of the Exercised Rights Value is limited to Shares only, due to a Settlement Restriction being specified in the relevant Invitation.
- 25.5 Unless otherwise specified in an Invitation, 90 days after the first date that all Rights that the Participant holds are fully vested and not subject to Exercise Restrictions, all Rights they hold will be automatically exercised on a date determined by the Board, unless the Board determines that they may be held for any remainder of the Term specified in the Invitation.

For personal use only

25.6 In respect of a Participant that is not an Australian resident, the Invitation may specify alternative treatment of Performance Rights, Service Rights and Restricted Rights in the case the Participant ceases to be an employee of the Group, including with regards to the treatment of Exercise Restrictions and Disposal Restrictions, and the automatic exercising of vested Rights.

26 Retirement Benefit Limit

Notwithstanding any other provision in these Rules, the Company is not required to provide or procure the provision of any benefit which would result in a breach by the Company of Division 2 of Part 2D.2 of the Corporations Act relating to termination benefits to any Participants who are the holder of a managerial or executive office unless any prior approval required from the Shareholders for the provision of such a benefit has been sought and obtained by the Company.

27 Change in Control and Delisting

27.1 Unless otherwise determined by the Board, in the event the Board determines that the Company will be imminently de-listed, whether in the case of a Change in Control or otherwise, the Vesting Conditions attached to the Tranche at the time of the Application will cease to apply and:

- (a) Performance Rights constructed as Share Appreciation Rights will vest 100% unless otherwise determined by the Board,
- (b) unvested Performance Rights subject to a nil Exercise Price will vest in accordance with the application of the following formula to each unvested Tranche as at a date determined by the Board (Effective Date), noting that negative results will be taken to be nil and vesting cannot exceed 100%:

$$\begin{array}{l} \text{Number of Performance Rights in Tranche to Vest} \\ = \\ \text{Unvested Performance Rights in Tranche} \\ \times \\ \text{\% of First Year of Measurement Period Elapsed} \\ \times \\ \frac{\text{(Share Price at the Effective Date - Share price at Measurement Period Commencement)}}{\text{Share price at Measurement Period Commencement}} \end{array}$$

- (c) any remaining unvested Performance Rights will vest to the extent, if any, determined by the Board having regard to performance over the Measurement Period prior to the Effective Date,
- (d) any unvested Performance Rights that remain following (b) and (c) will lapse, unless the Board determines that Participants may continue to hold unvested Rights following the Effective Date,
- (e) some or all unvested Service Rights may vest to the extent determined by the Board in its discretion, having regard to the circumstances that gave rise to the grant of Service Rights and any remainder will lapse immediately,
- (f) any unexercised Rights held by a Participant that are subject to an Exercise Restriction will cease to be so restricted on the date that the Board determines in its sole discretion, and
- (g) any Specified Disposal Restrictions will be lifted, including the removal of any Company initiated CHES holding lock.

27.2 In the event the Board determines that the Company will be imminently become the subject of a Change in Control without delisting, the Board may make adjustments to:

- (a) Vesting Conditions,

For personal use only

- (b) Measurement Periods,
- (c) Exercise Restrictions,
- (d) Specified Disposal Restrictions,
- (e) Exercise Price, and
- (f) Automatic exercise of Rights,

in respect of any Rights previously issued under these Rules and in accordance with the Listing Rules, as necessary to ensure that the plan will operate as intended following the Change in Control.

28 Major Return of Capital to Shareholders or Demerger

In the event that the Board forms the view that a major part of the Company's assets or operations will imminently cease to be owned by the Group due to an intention to sell or separately list those assets or operations, or in the event of a major return of capital to Shareholders, the Board will determine the treatment of all vested and unvested Rights and Restricted Shares held by Participants including but not limited to vesting, lapsing and removal of Exercise Restrictions and Specified Disposal Restrictions, and the automatic exercise of vested Rights on a specific date.

29 ASIC Class Order Compliance

Invitations to Australian Participants that include a tranche of SARs, allow for cash settlement of the Exercised Rights Value, or are made to Eligible Persons who do not hold roles classified as a senior manager under the Corporations Act will be made in reliance on ASIC Class Order 14/1000 (or any successor class order, law or regulation) and the Board will take such action or refrain from taking actions so as to remain able to rely on the relief provisions of the Class Order, including notifying ASIC when it first relies on such relief, and not making grants that may exceed the limit contained in the Class Order.

30 Employee Share Scheme Taxing Provisions to Apply

Subdivision 83A-C of the Income Tax Assessment Act 1997 applies to this Plan including to all Rights granted under the Plan and all Shares that arise from the exercising of Rights.

31 Overseas Transfers

31.1 If a Participant is transferred to work in another country and, as a result of that transfer, the Participant would:

- (a) suffer a tax disadvantage in relation to their Rights (this being demonstrated to the satisfaction of the Board); or
- (b) become subject to restrictions on their ability to deal with the Rights, or to hold or deal in the Shares or the proceeds of the Shares acquired on exercise, because of the security laws or exchange control laws of the country to which he or she is transferred,

then, if the Participant continues to hold an office or employment with the Group, the Board may decide that the Performance or Service Rights will vest on a date it chooses before or after the transfer takes effect, and that Exercise Restrictions and Disposal Restrictions cease to apply. The Rights will vest to the extent determined by the Board and may lapse or not lapse as to the balance as determined at the discretion of the Board.

32 Non-Australian Residents

When a Right is granted under the Plan to a person who is not a resident of Australia, the provisions of the Plan apply subject to such alterations or additions as the Board determines having regard to any applicable or relevant laws, matters of convenience and desirability and similar factors which may have application to the Participant or to the Company in relation to Rights. Such alterations or additions shall be specified in the Invitation.

33 Board Determinations and Amendment of the Plan

- 33.1 A determination by the Board or a Board committee or a delegate of the Board may be evidenced by minutes of a meeting of the Board or Board committee or a record of a determination by the delegate (as applicable). Any such minute or determination shall be prima facie evidence of the determination in the absence of manifest error.
- 33.2 The Board may at any time by written instrument, or by resolution of the Board, amend or repeal all or any of the provisions of the Rules, including this Rule.
- 33.3 No amendment to or repeal of the Rules is to reduce the existing rights of any Participant in respect of any accepted Application that had commenced prior to the date of the amendment or repeal, other than with the consent of the Participant or where the amendment is introduced primarily:
- (a) for the purpose of complying with or conforming to a present or future State, Territory or Commonwealth legal requirement governing, regulating or effecting the maintenance or operation of the Plan or like plans;
 - (b) to correct any manifest error or mistake;
 - (c) to address possible adverse tax implications for Participants generally or the Company arising from:
 - i. a ruling of any relevant taxation authority;
 - ii. a change to tax legislation or the application or termination of the legislation or any other statute or law (including an official announcement by any relevant taxation or government authority);
 - iii. a change in interpretation of tax legislation by a court of competent jurisdiction or by any relevant taxation authority; or
 - iv. to enable the Company to comply with the Corporations Act or the Listing Rules.

34 Not Exclusive Method of Providing Variable Remuneration

This Plan shall not be an exclusive method of providing variable remuneration for employees of the Company, nor shall it preclude the Company from authorising or approving other forms of variable remuneration.

35 No Right to Continued Employment

Neither the establishment of the Plan nor receipt of an Invitation, nor the approval of an Application, nor the payment of an award nor the vesting of Performance Rights or any other action under the Plan shall be held to confer upon any Participant the right to continue in the employment of the Company or affect any rights the Company may have to terminate the employment of the Participant.

36 Relationship to Other Plans

Participation in the Plan shall not affect or be affected by participation in or payment under any other plan of the Company, except as otherwise determined by the Board.

37 Notices

- 37.1 A notice (meaning for the purposes of this Rule 37, notice, application, permission or other communication) under the Rules or in connection with the Plan may be given in writing, addressed to the person to whom it is given, and is taken to be given and received if sent in accordance with Rules 37.2, 37.3 or 37.4.
- 37.2 For the purposes of Rule 37.1 a notice is duly given and received by the Company or another Company if sent to the Company by pre-paid mail or by facsimile or other electronic communication, to an address at which it is actually received by:

 - (b) in the case of a Participant who has not ceased to be an employee of the Company, to the last known mailing, facsimile or other electronic communication address of the place of business at which the person performs the whole or substantially the whole of his or her employment.
- 37.5 A notice given under Rule 37.1 to a person being a natural person (referred to in Rule 37.4), is duly given even if the person is then deceased (and whether or not any Company has notice of his or her death), unless the legal personal representative of the person has established title to this position to the satisfaction of the Company and supplied to the Company an address to which documents should be sent.
- 37.6 A notice sent in accordance with Rule 37.1 is treated as given and received:
