Explanatory Notes

Item A: Discussion of Financial Statements and Reports

In accordance with the Corporations Act, Shareholders will have a reasonable opportunity to ask questions or make comments on the Company's Financial Report, Directors' Report and Auditor's Report for the year ended 31 December 2023.

The Company's auditor, KPMG, will be present at the Meeting and Shareholders will have an opportunity to ask the auditor questions in relation to the conduct of the audit, the Auditor's Report, the Company's accounting policies and the independence of the auditor.

The auditor will also respond to any written questions about the content of the Auditor's Report or the conduct of the audit of the Financial Report provided these are submitted to the Company no later than 5.00pm (AWST) on Wednesday, 15 May 2024.

There is no requirement for Shareholders to approve the Company's Financial Report, Directors' Report and Auditor's Report.

A copy of the Company's 2023 Annual Report, which includes the Company's Financial Report, Directors' Report and Auditor's Report is available on the Company's website: goldroad.com.au.

Item 1: Resolution 1 – Remuneration Report

Background

The Remuneration Report for the financial year ended 31 December 2023 is included in the Company's 2023 Annual Report and sets out the Company's remuneration arrangements for Directors and Executives.

The Chair will allow a reasonable opportunity for Shareholders to ask questions about or make comments on the Remuneration Report at the Meeting. Shareholders will then be asked to vote on the Remuneration Report.

The Corporations Act requires that, at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to shareholders. However, the vote is advisory only and does not bind the Company or its Directors. The Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

No Spill Resolution

If at least 25% of votes that are cast are voted against the adoption of the Company's Remuneration Report at two consecutive annual general meetings, Shareholders must vote on whether there should be a spill meeting and whether the Board should go up for re-election.

At the Company's 2023 Annual General Meeting, less than 25% of the votes cast on the resolution to adopt the 2022 Remuneration Report were voted against the resolution. Accordingly, no spill resolution will be held at this Meeting.

Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of the adoption of the Remuneration Report.

The Chair intends to vote undirected proxies in favour of Item 1 in accordance with the express authorisation on the Proxy Form.

Voting Exclusion Statement

In accordance with the Corporations Act, the Company will disregard any votes cast on Item 1:

- by or on behalf of a member of Key Management Personnel (details of whose remuneration are included in the Remuneration Report), or their Closely Related Parties, regardless of the capacity in which the votes are cast; or
- by a person who is a member of the Key Management Personnel at the date of the Meeting, or their Closely Related Parties, as a proxy.

However, votes will not be disregarded if they are cast as a proxy for a person entitled to vote on Item 1:

- in accordance with a direction as to how to vote on the proxy form; or
- by the Chair pursuant to an express authorisation in the proxy form to exercise the proxy even if this Item is connected directly or indirectly with the remuneration of the Key Management Personnel.

Item 2: Resolution 2 – Re-Election of Ms Maree Arnason

Ms Maree Arnason

BA, FAICD

Maree Arnason was appointed Non-executive Director on 15 June 2020 and was elected by Shareholders at the Company's 2021 Annual General Meeting, on 27 May 2021.

Board Recommendation

Following a review of Ms Arnason's performance conducted by the Board, the Board (other than Ms Arnason who has an interest in the resolution) believe that the re-election of Ms Arnason is in the best interests of the Company and unanimously recommends that Shareholders vote in favour of the re-election of Ms Arnason. The Chair intends to vote undirected proxies in favour of Item 2.

Items 3-4: Grant of Performance Rights to the MD and CEO

Background

Mr Duncan Gibbs is the Managing Director and Chief Executive Officer of the Company. ASX Listing Rule 10.14 requires that shareholder approval be obtained for the acquisition of securities by a director under an employee incentive scheme.

The Board is seeking Shareholder approval to grant long term incentive performance rights (**LTI Performance Rights**) and short term incentive performance rights (**STI Performance Rights**) (collectively, the **Performance Rights**) in accordance with the terms and conditions of the 2023 employee incentive plan (**2023 Employee Incentive Plan**) as follows:

Name	LTI Performance Rights (2024-2026)	STI Performance Rights (2024)
Mr Duncan Gibbs (or his nominee)	419,016 ¹	151,893 ²

¹ These figures include provision for a stretch of 130% of target LTI

² These figures include provision for a stretch of 145% of target STI

Each Performance Right represents a right to be issued a fully paid ordinary share in the Company (**Share**) at a future point in time subject to the satisfaction of any conditions relating to vesting, performance hurdles and/or exercise.

Item 3: Resolution 3 - Grant of 2024-2026 Long Term Incentive Rights

The Board intends to grant the LTI Performance Rights as part of Mr Gibbs' long term incentive portion of his remuneration package. Vesting of the LTI Performance Rights is dependent upon achieving future hurdles (which have been developed in support of the Company's strategic plan) and Shareholder return hurdles. **Schedule 2** to this Notice sets out the performance hurdles used to determine the percentage of the LTI Performance Rights that vest.

The Company's remuneration policy for long term incentives, which is included in the Company's 2023 Annual Report for the financial year ended 31 December 2023, is to ensure executive remuneration is competitive in retaining and motivating key executives. The granting of these LTI Performance Rights, which may only vest three years from 1 January 2024 (i.e. 31 December 2026), will provide a long term incentive for continued outstanding performance and the opportunity for share ownership.

The proposed grant of LTI Performance Rights seeks to further align Mr Gibbs' interests with those of Shareholders by linking his remuneration with the long term performance of the Company. In addition to the performance hurdles set out in **Schedule 2** to this Notice, the other key vesting condition is that Mr Gibbs must remain employed on the applicable test date of 31 December 2026. The calculation framework used to determine the LTI Performance Rights to be granted is set out below.

Name	Base Salary	Maximum LTI Opportunity	Maximum LTI \$ Value	Maximum No. of Performance Rights
Mr Gibbs	\$626,913	130% ¹	\$814,987	419,016

¹ Target LTI is 100% for Mr Gibbs. This figure includes provision for a 130% stretch (refer to Schedule 2)

Item 4: Resolution 4 - Grant of 2024 Short Term Incentive Rights

The 2024 STI Program is based on the following set percentage of base salary, with performance assessed against a mix of personal and corporate objectives over the one year period from 1 January 2024 to 31 December 2024, which are set out in **Schedule 3** to this Notice.

Maximum STI as a % of base salary	94.25% ¹
Target aligned to corporate KPI	90%
Target aligned to personal performance KPI	10%

¹ Target STI is 65% of base salary for Mr Gibbs. This figure includes provision for a 145% stretch (refer to Schedule 3)

The 2024 STI Program comprises a 50% cash component and 50% STI Performance Rights component that will be awarded based on the key performance indicators (**KPIs**) outlined in **Schedule 3** of this Notice. If granted and Mr Gibbs achieves the maximum weighting of 145% of his KPIs, he could earn the following amounts at the end of the one year performance period on or around 31 December 2024:

Name	Maximum STI Opportunity	Maximum 50% cash component	Maximum No. of Performance Rights vested
Mr Gibbs	\$590,866	\$295,433	151,893

Key terms of Performance Rights and additional information required by Listing Rule 10.15

Securities to be Issued

- Up to 419,016 Performance Rights (LTI 2024-2026) to Mr Gibbs or his nominee (refer to Item 3)
- Up to 151,893 Performance Rights (STI 2024) to Mr Gibbs or his nominee (refer to Item 4).

Listing Rule

As a director of the Company, if Mr Gibbs elects to have the Performance Rights granted to him personally, Listing Rule 10.14.1 applies. If Mr Gibbs elects to have the Performance Rights granted to his nominee (as an associate of Mr Gibbs), Listing Rule 10.14.2 applies.

Current Total Remuneration Package

Mr Gibbs' current total remuneration package is:

- \$626,913 base salary;
- \$27,500 superannuation;
- 65% of base salary for target (94.25% for stretch) Short Term Incentives (50% cash / 50% Performance Rights); and
- 100% of base salary for target (130% for stretch) Long Term Incentives (100% Performance Rights).

Previous grants under the 2023 Employee Incentive Plan under Listing Rule 10.14

Shareholders approved the 2023 Employee Incentive Plan at the Annual General Meeting on 18 May 2023.

Since the 2023 Employee Incentive Plan was approved on 18 May 2023, the following securities have been granted under the 2023 Employee Incentive Plan to Mr Gibbs or his nominee.

Mr Gibbs (or his nominee)

Type	Number
Performance Rights	594,465 under STI 2023 Plan and LTI 2023-2025 Plan, of which: <ul style="list-style-type: none"> • 50,372 have vested and converted to Shares; • 90,227 have expired or been cancelled; and • 442,832 have not yet met the vesting time period for assessment.

No consideration was payable for the grant of Performance Rights under the 2023 Employee Incentive Plan. The Performance Rights were subject to performance hurdles.

In accordance with Listing Rule 10.15.6, as the Performance Rights are not fully paid ordinary shares, the following information is provided:

- The proposed issue of the STI Performance Rights and LTI Performance Rights pursuant to Items 3 and 4 are seen as a cost effective way of providing Mr Gibbs tangible incentives to enhance the performance of the Company and to seek to further align Mr Gibbs' interests with those of Shareholders by linking his remuneration with the short and long term performance of the Company.
- The Company attributes \$1.945 to the value of each STI Performance Right and LTI Performance Right on the basis of the volume weighted average price of the Company's shares over the 30 calendar day period prior to the commencement of the performance period (i.e. 31 December 2023).
- A summary of the material terms of the STI Performance Rights and LTI Performance Rights are set out in the table below:

Price	Each Performance Right will be issued for no consideration and no amount is payable on vesting of the Performance Right.
No funds raised	No funds are raised through the grant of the Performance Rights or on the exercise and conversion of the Performance Rights to Shares.

Issue date	Within one month of the Meeting.

Terms of grant	The Performance Rights will be granted in accordance with the 2023 Employee Incentive Plan (refer to Schedule 1) and the further terms set out below.
Transfer of securities	The Performance Rights are not transferable.
Vesting Conditions and Performance Hurdles	The vesting terms or performance hurdles for grants of Incentives under the Employee Incentive Plan will be decided by the Board. Details of the performance hurdles linked to: <ul style="list-style-type: none"> • LTI Performance Rights are set out in Schedule 2 to this Notice; and • STI Performance Rights are set out in Schedule 3 to this Notice, <p>(Vesting Conditions).</p> <p>The Board may waive Vesting Conditions.</p>

Upon satisfaction of the Vesting Conditions, the Company may issue a vesting notice. An incentive will vest when that vesting notice is given or deemed to have been given to the Eligible Participant.

If the participant ceases employment for any other reason, at the Board's discretion a pro rata portion of their unvested Performance Rights (based on the proportion of the performance period that has elapsed to the date of cessation) will remain on foot and will vest in the ordinary course.
Expiry	The Performance Rights automatically exercise following determination by the Board of Vesting Conditions. Any Performance Rights that do not vest following determination will automatically lapse.
Change of Control	If a change of control occurs, a pro rata portion of the participant's unvested Performance Rights (based on the proportion of the performance period that has elapsed to the date of the change of control and performance against the Vesting Conditions, as determined by the Board) will vest.
Disposal Restrictions	Performance Rights may not be disposed of unless the Board in its absolute discretion so approves the disposal (which will only occur under exceptional circumstances) or the relevant disposal is effected by force of law on death or legal incapacity to the holder's personal representative.
Malus and Clawback	The Board may reduce unvested grants and clawback previously vested Shares, or require the payment or repayment as a debt net proceeds of the sale of any Shares, or any cash payment or any dividends or distributions received, in respect of Shares, allocated after Vesting of Performance Rights in accordance with the 2023 Employee Incentive Plan.

A full summary of the material terms and conditions of the 2023 Employee Incentive Plan is set out in **Schedule 1** to this Notice. A full copy of the 2023 Employee Incentive Plan is available at the Company's registered office during normal business hours.

Details of any securities issued under the 2023 Employee Incentive Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of Performance Rights under the 2023 Employee Incentive Plan after the resolution is approved and who were not named in the Notice will not participate until approval is obtained under that rule.

A voting exclusion statement applies to Resolutions 3 and 4 as set out further below.

Shareholder Approval

The Company is proposing to issue the LTI Performance Rights and STI Performance Rights. Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- a director of the Company
- an associate of a director of the Company; or
- a person whose relationship with the Company, director of the Company or an associate of a director of the Company is such that, in ASX's opinion, the acquisition should be approved by its Shareholders;

unless it obtains Shareholder approval.

The issue of LTI Performance Rights and STI Performance Rights to Mr Gibbs or his nominee falls within Listing Rule 10.14.1 or 10.14.2 and therefore requires the approval of Shareholders under Listing Rule 10.14.

Items 3 and 4 seeks the required Shareholder approval to the issue of the LTI Performance Rights and STI Performance Rights to Mr Gibbs or his nominee under and for the purposes of Listing Rule 10.14.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act also requires Shareholder approval where a public company seeks to give a "financial benefit" to a "related party" (unless an exception applies). A "related party" for the purposes of the Corporations Act is defined widely. It includes a director of a public company and specified members of the director's family. It also includes an entity over which a director maintains control. Mr Gibbs is considered to be a related party of the Company within the meaning of the Corporations Act, and the Performance Rights will constitute a financial benefit for the purposes of Chapter 2E of the Corporations Act.

An exception to the requirement to obtain Shareholder approval in accordance with section 211 of Chapter 2E applies where the financial benefit constitutes part of the related party's "reasonable remuneration". The Board (other than Mr Gibbs who was not able to make a recommendation due to his interests in the grant of Performance Rights) considers that the grant of the Performance Rights to Mr Gibbs, and any issue of Shares upon the exercise of those Performance Rights, constitutes part of the reasonable remuneration of Mr Gibbs. In reaching this conclusion, the Board has had regard to a variety of factors including market practice and the remuneration offered to persons in comparable positions at comparable companies.

What will happen if the resolution is, or is not, approved?

If Items 3 and 4 are approved the grant of LTI Performance Rights and STI Performance Rights (and Shares upon vesting of the Performance Rights) to Mr Gibbs or his nominee will not be included in calculating the Company's capacity to issue equity securities equivalent to 15% of the Company's ordinary securities, under Listing Rule 7.1.

If Shareholders do not approve one or more of the resolutions to grant Performance Rights, the proposed grant will not proceed. In that circumstance, issues may arise with the competitiveness of Mr Gibbs' total remuneration package and alignment of rewards with other senior executives in the Company. The Board would then need to consider alternative remuneration arrangements or performance hurdles, after consulting with Shareholders.

Board Recommendation

The Board (excluding Mr Gibbs who declines to make a recommendation based on his interest in the outcome of Items 3 and 4, respectively) unanimously recommends that Shareholders vote in favour of the grant of the Performance Rights the subject of Items 3 and 4.

The Chair intends to vote undirected proxies in favour of Items 3 and 4 in accordance with the express authorisation on the Proxy Form.

Voting Exclusion Statements

The Company will disregard any votes cast in favour of Items 3 or 4 (inclusive) by or on behalf of:

- a Director, including Mr Gibbs;
- an associate of a Director; or
- a person referred to in Listing Rule 10.14.3, who is eligible to participate in the 2023 Employee Incentive Plan

However, this does not apply to a vote cast in favour of Items 3 or 4 by:

- a. a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- b. the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- c. a holder acting solely in a nominee, trustee or custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - i. the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - ii. the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

In accordance with the Corporations Act, the Company will also disregard a vote cast on Items 3 or 4 (as applicable) by a person appointed as a proxy if:

- a. the proxy is either:
 - i. a member of the Key Management Personnel; or
 - ii. a Closely Related Party of a member of the Key Management Personnel; and
- b. the appointment does not specify the way the proxy is to vote on Items 3 or 4 (as applicable).

However, votes will not be disregarded if:

- a. the proxy is the Chair; and
- b. the appointment expressly authorises the Chair to exercise the proxy even though Items 3 or 4 (as applicable) is connected directly or indirectly with the remuneration of a member of Key Management Personnel.

Schedule 1 - 2023 Employee Incentive Plan

Set out below is a summary of the key terms of the 2023 Employee Incentive Plan:

Term	Summary
Purpose	The Employee Incentive Plan allows the Board to grant Performance Rights and share options (each an Incentive) to eligible participants. The Employee Incentive Plan is targeted at the Company's directors, senior management, employees and contractors.
Eligibility	<p>Under the Employee Incentive Plan, the Board may determine which directors, senior management, employees or contractors of the Company and its related bodies corporate are eligible to participate (Eligible Participants). An Eligible Participant may nominate an individual or entity to be the legal holder of Eligible Participant's Incentives, subject to approval by the Board and the nominee executing a form agreeing to be bound by the terms of the Employee Incentive Plan and the Invitation.</p> <p>Any proposal to issue Performance Rights or share options to Directors under the Employee Incentive Plan would require prior Shareholder approval under the related party provisions of the ASX Listing Rules.</p>
Invitations	<p>The Board will advise Eligible Participants in an invitation the number of Incentives that the Eligible Participant is eligible for (or the formula for determining that number), the method of calculation of any exercise price, the period or periods in which Incentives may be exercised, whether the Incentive will be automatically exercised or need to be manually exercised, the date and times when the Incentives lapse (which must not be greater than 15 years from grant), and any applicable Vesting Conditions.</p> <p>The terms and conditions in the Invitation will prevail to the extent of any inconsistency with the Employee Incentive Plan.</p>
Vesting Conditions	<p>The vesting terms or performance hurdles for grants of Incentives under the Employee Incentive Plan will be decided by the Board (Vesting Conditions). Where appropriate, the Board may impose appropriate performance hurdles to encourage employees to focus on performance of the Company over the long term. The Board may waive Vesting Conditions.</p> <p>Upon satisfaction of the Vesting Conditions, the Company may issue a vesting notice. An incentive will vest when that vesting notice is given or deemed to have been given to the Eligible Participant.</p> <p>The Board considers that issuing share options with a premium exercise price, and on such terms that the share options lapse on the cessation of employment, will ensure that benefits will only be received by Eligible Participants who continue to be employed by the Company. In the Board's view, terms of that nature have a similar effect to a Vesting Condition.</p>
Cessation of Employment	In circumstances where an eligible person ceases to be employed or engaged by the Company (including approved leave of absence), the Board may decide that some or all of that person's incentives will be forfeited. The Board has post cessation discretions where an employee has breached a post cessation covenant or where the Board considers it is no longer appropriate for eligible person to retain the benefits.
Number of Incentives to be granted	Once an Eligible Participant has accepted an offer of Incentives (and paid any moneys payable in respect of the grant), the Board may, in its complete discretion, grant Incentives to the Eligible Participant or their nominee with effect from the grant date, or procure the grant of the Incentives by a third party, upon the terms set out in the Employee Incentive Plan and upon such additional terms and Vesting Conditions as the Board determines.
Exercise Price	<p>Performance Rights do not require the Eligible Participant to pay any amount to the Company upon vesting or exercise.</p> <p>The Board may grant share options under the Employee Incentive Plan. If elected, the exercise price of any share options granted under the Incentive Plan is at the absolute discretion of the Board and the Board will determine the exercise price from time to time. Typically, any share options granted would have an exercise price calculated by reference to a 30 day calendar volume weighted average price (VWAP) of the Company's shares prior to the date of grant. The Board may permit cashless exercise based on the 30 day calendar VWAP.</p>
Delivery of Shares	<p>Following vesting of an Incentive, the Eligible Participant will be entitled to delivery of a Share upon exercise of the Incentive. Unless the Performance Rights automatically vest or the Board otherwise determines, Incentives lapse fifteen years after grant of the Incentive.</p> <p>The Board will determine how the Shares are to be delivered, which may include the issue of new Shares, or the purchase and transfer of existing Shares (including via an employee share trust), or a combination.</p> <p>The Board may determine to settle in cash in lieu of delivering Shares. The cash payment would be based on the 30 day calendar VWAP price of the Shares prior to vesting.</p>
Ranking of Shares	Any Shares delivered to an Eligible Participant on exercise of an Incentive will rank equally with all other issued Shares.
Disposal Restrictions	The Board may require that any Shares delivered to an Eligible Participant on exercise of an Incentive will be subject to restrictions, including disposal, for a specified period. The Company may ensure compliance with this restriction, including an ASX Holding Lock on the Shares or using an employee share trust.

Term	Summary
Takeover bid and change in control	Subject to the Board's absolute discretion, Incentives granted under the 2023 Employee Incentive Plan may vest in the event of a change in control of the Company, including where a takeover bid is made for the Company and the bidder acquires more than 50% of the Company, Shareholders approve a scheme of arrangement, any person becomes bound or entitled to acquire shares in the Company under section 414 or chapter 6A of the Corporations Act, a selective capital reduction is approved by Shareholders which results in a person obtaining a voting power of more than 50 or a transaction, event or state of affairs that (in the Board's opinion) is likely to result in, or should be treated as, a change in control. If a change of control occurs, a pro rata portion of the unvested Incentive (having regard to the portion of the performance measurement period that has elapsed up until the date of the change of control and performance against the relevant Vesting Conditions), will vest. The remainder of Incentive will lapse or be forfeited (as appropriate) unless the Board determines otherwise.
Malus and Clawback	The Board, acting reasonably, may reduce unvested grants and clawback previously vested Shares from a participant or former participant or trustee, or require the payment or repayment as a debt net proceeds of the sale of any Shares, or any cash payment or any dividends or distributions received in respect of Shares, allocated under the 2023 Employee Incentive Plan. The Board may exercise this power where in the reasonable opinion of the Board there is fraud, material breach of duties or obligations to the Company, serious or willful misconduct, a false or misleading statement or omission relied on by the Board, material financial misstatements, negligence, a material adverse effect on the reputation or financial position or performance of the Company, the Company is required or entitled to reclaim remuneration from an Eligible Participant, vesting of some or all unvested incentives is not justified or supportable, or a significant unexpected or unintended consequence or outcome has occurred which impacts the Company (including where the expected performance outcomes which were intended to be incentivise have not been realised).
Transferability	Incentives granted under the 2023 Employee Incentive Plan are generally not transferable. An incentive invitation may contain disposal restrictions for a specified period of time.
Adjustment for rights issues / Reorganisation and Bonus issues	If shares are issued pro rata to the Company's Shareholders generally by way of a rights issue, Incentives will be adjusted in accordance with the ASX Listing Rules. If any reorganisation (including consolidation, subdivision, reduction or return) of the issued capital of the Company is effected, Incentives will be adjusted in the manner required by the ASX Listing Rules. If Shares are issued pro rata to the Company's Shareholders by way of a bonus issue (other than an issue in lieu of dividends or by way of a dividend reinvestment) involving capitalisation of reserves or distributable profits, Incentives will be adjusted in the manner allowed or required by the ASX Listing Rules.
Board Discretion	Under the terms of the 2023 Employee Incentive Plan, the Board has absolute discretion to determine the exercise price, the expiry date and vesting conditions of any grants made under the 2023 Employee Incentive Plan, without the requirement for further Shareholder approval (subject to ASX Listing Rules).
Trust	The Board may establish an employee share trust for the purposes of the 2023 Employee Incentive Plan.
Superannuation	Any amounts which are paid or payable, are inclusive of the Company's compulsory superannuation contribution (if applicable).
Amendments	Without the consent of an Eligible Participant, no amendment to the terms of the granted Incentive which reduces the Eligible Participant's right may be made, except to comply with any law or regulation, to correct any manifest error or mistake or to take into account possible adverse tax implications. Subject to the above and the ASX Listing Rules, the Board may at any time by resolution amend or add to all or any provisions of the 2023 Employee Incentive Plan, including Vesting Conditions.
Copies of the 2023 Employee Incentive Plan	A copy of the full terms of the 2023 Employee Incentive Plan can be obtained by contacting the Company Secretary on +61 8 9200 1600 or via email at CoSec@goldroad.com.au.

Schedule 2 - Long Term Incentive

Overview

The framework for the Company's Long Term Incentive Remuneration Policy is based on the following key principles which apply to the grant of long term incentives:

- The vesting of long term incentives will be subject to performance measured against long term internal Company hurdles and Shareholder return hurdles (see section 2 below for further details on performance hurdles).
- Vesting will be measured at the end of a minimum three year period (in this instance, being 1 January 2024 to 31 December 2026).
- Long term incentives are to be granted annually, and will be a percentage amount of base remuneration. The percentage amount is to be reviewed at each grant, and determined based on market and peer group practice.
- The market value used by the Company, for the purposes of calculating the quantity of Performance Rights that may be converted to Shares is the volume weighted average price (VWAP) per Share for the 30 calendar day period prior to the commencement of the performance period (i.e. 31 December 2023), being \$1.945.

2024-2026 LTI Performance Rights

The LTI Performance Rights are subject to four separate performance KPI over a three year performance period (1 January 2024 to 31 December 2026), with a total target weighting of 100% but with stretch potential of up to a 130% weighting. The LTI 2024-2026 remains similar in structure to the LTI 2023-2025, with the key change only applying to the threshold of achieving the EPS growth target increasing between 5% to 25%. LTI 2023-2025 has the EPS growth target from 0% to 30%. The Total Shareholder Return KPI incorporates equally weighted metrics for both Absolute and Relative Total Shareholder Returns.

The Strategic Growth measure, set at a target of 30%, includes incentives designed to foster corporate growth through successful exploration and value-accretive transactions, ultimately aiming to enhance long-term shareholder value. Achieving a stretch goal of up to 30% is feasible by delivering on both metrics.

If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
