Voting restrictions

Resolution 1: Adoption of Remuneration Report

In accordance with the Corporations Act, the Company will disregard any votes cast on Resolution 1 in any capacity by or on behalf of a member of the Key Management Personnel (**KMP**) of the Company, details of whose remuneration are included in the Remuneration Report, or a Closely Related Party of such a member. However, the Company need not disregard a vote cast on Resolution 1 as proxy if the vote is not cast on their behalf and either:

- (a) the proxy is appointed by writing that specifies the way the proxy is to vote on Resolution 1; and
- (b) the proxy is the Chairman of the Meeting and the appointment of the Chairman of the Meeting as proxy does not specify the way the proxy is to vote on Resolution 1 and expressly authorises the Chairman of the Meeting to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a member of the KMP of the Company.

If you are a member of the KMP of the Company or a Closely Related Party of such a member (or acting on behalf of such a person) and purport to cast a vote on Resolution 1 that will be disregarded by the Company, you may be liable for an offence for breach of voting restrictions that apply to you under the Corporations Act.

Resolution 3: Grant of Performance Rights to Mr Douglas Ritchie (Chairman)

In accordance with Listing Rule 14.11, Metro will disregard any votes cast in favour of Resolution 3 by or on behalf of any person who is to receive the Performance Rights the subject of Resolution 3 (being Mr Douglas Ritchie or his nominee) and any other person who will obtain a material benefit as a result of the grant of the Performance Rights the subject of Resolution 3 (except a benefit solely by reason of being a holder of Metro Shares) or any Associate of any such person.

However, Metro need not disregard a vote cast in favour of Resolution 3 if it is cast by:

- (a) a person as proxy or attorney for a person who is entitled to vote on Resolution 3, in accordance with directions given to the proxy or attorney to vote on Resolution 3 in that way; or
- (b) the Chairman of the Meeting as proxy or attorney for a person who is entitled to vote on Resolution 3, in accordance with a direction given to the Chairman to vote on Resolution 3 as the Chairman decides; or

 - (ii) the holder votes on Resolution 3 in accordance with directions given by the beneficiary to the holder to vote in that way.

In addition, a vote must not be cast on Resolution 3 by the KMP or their Closely Related Parties as proxy where the appointment as proxy does not specify the way the proxy is to vote on Resolution 3 (i.e. for, against, abstain). However, in accordance with section 250BD(2) of the Corporations Act, the Company need not disregard votes cast on Resolution 3 if the votes are cast by the Chairman of the Meeting and the appointment of the Chairman as proxy expressly authorises the Chair to exercise the proxy even if Resolution 3 is connected directly or indirectly with the remuneration of a member of the KMP.

Resolution 4: Grant of Performance Rights to Mr Andrew Lloyd (Non-Executive Director)

In accordance with Listing Rule 14.11, Metro will disregard any votes cast in favour of Resolution 4 by or on behalf of any person who is to receive the Performance Rights the subject of Resolution 4 (being Mr Andrew Lloyd or his nominee) and any other person who will obtain a material benefit as a result of the grant of the Performance Rights the subject of Resolution 4 (except a benefit solely by reason of being a holder of Metro Shares) or any Associate of any such person.

 - (ii) the holder votes on Resolution 4 in accordance with directions given by the beneficiary to the holder to vote in that way.

In addition, a vote must not be cast on Resolution 4 by the KMP or their Closely Related Parties as proxy where the appointment as proxy does not specify the way the proxy is to vote on Resolution 4 (i.e. for, against, abstain). However, in accordance with section 250BD(2) of the Corporations Act, the Company need not disregard votes cast

For personal use only

on Resolution 4 if the votes are cast by the Chairman of the Meeting and the appointment of the Chairman as proxy expressly authorises the Chairman to exercise the proxy even if Resolution 4 is connected directly or indirectly with the remuneration of a member of the KMP.

Resolution 5: Grant of Performance Rights to Mr Simon Wensley (Managing Director and Chief Executive Officer) – 2024 STI and 2024-2026 LTI

However, Metro need not disregard a vote cast in favour of Resolution 5 if it is cast by:

 - (i) the holder votes on Resolution 5 in accordance with directions given by the beneficiary to the holder to vote in that way.

In addition, a vote must not be cast on Resolution 5 by the KMP or their Closely Related Parties as proxy where the appointment as proxy does not specify the way the proxy is to vote on Resolution 5 (i.e. for, against, abstain). However, in accordance with section 250BD(2) of the Corporations Act, the Company need not disregard votes cast on Resolution 5 if the votes are cast by the Chairman of the Meeting and the appointment of the Chair as proxy expressly authorises the Chairman to exercise the proxy even if Resolution 5 is connected directly or indirectly with the remuneration of a member of the KMP.

Resolution 6: Approval of additional 10% Placement Capacity under Listing Rule 7.1A

 - (ii) the holder votes on Resolution 6 in accordance with directions given by the beneficiary to the holder to vote in that way.

Voting intentions of the Chairman

Shareholders should be aware that the Chairman of the Meeting intends to vote all undirected proxies in favour of each item of business, subject to compliance with the above voting restrictions.

Explanatory Memorandum

Metro Mining Limited ACN 117 763 443

This Explanatory Memorandum accompanies the Notice of Annual General Meeting of Metro Mining Limited (**Company** or **Metro**) to be held on Tuesday, 21 May 2024 at 11.00am AEST at the offices of KPMG, Heritage Lanes, Level 11, 80 Ann Street, Brisbane, Queensland.

The Explanatory Memorandum has been prepared to assist Shareholders in determining how to vote on the Resolutions proposed and ought to be read in conjunction with the Notice of Meeting.

Ordinary business

Financial statements and reports

The Corporations Act requires that the financial statements, the Directors' report and the auditor's report for the financial year ended 31 December 2023 be laid before the Annual General Meeting. In addition, Metro's Constitution provides for these reports to be received and considered at the Meeting.

Apart from the matters involving remuneration which are required to be voted upon, neither the Corporations Act nor Metro's Constitution requires a vote of Shareholders at the Annual General Meeting on the financial statements and reports.

Shareholders will be given a reasonable opportunity at the Meeting to raise questions and make comments on the financial statements and reports.

In addition to asking questions at the Meeting, Shareholders may address written questions to Metro's auditor, Ernst & Young, if the question is relevant to:

- (a) the content of the auditor's report; or
- (b) the conduct of its audit of the annual financial report to be considered at the Meeting.

Note: Under section 250PA(1) of the Corporations Act, a Shareholder must submit the question to the Company no later than the fifth business day before the day on which the Annual General Meeting is held.

Written questions for Ernst & Young must be delivered by 5.00pm on Tuesday, 14 May 2024, addressed to the General Counsel & Company Secretary, by mail to GPO Box 10955, Adelaide Street, Brisbane, Qld, 4000, or via email to cosec@metromining.com.au.

The financial statements, the Directors' report and the auditor's report for the financial year ended 31 December 2023 are contained in the Company's 2023 annual report which is available on the Company's website at <https://metromining.com.au/>.

Resolution 1: Adoption of Remuneration Report

Shareholders are asked to adopt the Remuneration Report of the Company for the financial year ended 31 December 2023. This report is included in the Directors' report in the Company's 2023 annual report which is available on the Company's website at <https://metromining.com.au/>.

The Remuneration Report:

- (a) explains the Board's policies on the nature and level of remuneration paid to Directors and senior executives within the Metro group;
- (b) discusses the link between the Board's policies and Metro's performance;
- (c) sets out the remuneration details for each Director and for each member of Metro's senior executive team; and
- (d) makes clear that the basis for remunerating non-executive Directors is distinct from the basis for remunerating senior executives.

The Chair of the Meeting will give Shareholders a reasonable opportunity to ask questions about, or to make comments on, the Remuneration Report.

Resolution 1 is advisory only and not binding on the Company or the Directors. The Board will, however, take the discussion at the Meeting into consideration when determining the Company's remuneration policy and appropriately respond to any concerns Shareholders may raise in relation to remuneration issues.

A voting exclusion applies to Resolution 1, as set out earlier in this Notice of Meeting.

Directors' recommendation

As Resolution 1 relates to matters including the remuneration of the Directors, the Board, as a matter of corporate governance and in accordance with the spirit of section 250R(4) of the Corporations Act, abstains from making a recommendation regarding Resolution 1.

Resolution 2: Re-election of Mr Andrew Lloyd as a Director

Article 38.1(c) of Metro's Constitution requires that, at each annual general meeting of the Company, one-third of the Directors for the time being stand for re-election, excluding the Managing Director, any Director who has served three years since last re-elected, and any Director appointed to fill a casual vacancy or as an addition to the Board. If that number is not a multiple of three, then the greater of one or the number nearest to one-third but not exceeding one third of the Directors are required to stand for re-election. Excluding Mr Simon Wensley, who is the Managing Director (noting that there are no Directors who have served three years standing for re-election, and no Directors appointed to fill a casual vacancy or as an addition to the Board standing for election), there are four remaining Directors. One of those Directors, Mr Mark Sawyer, was re-elected at Metro's 2023 annual general meeting. The other three of those Directors, being Mr Douglas Ritchie, Mr Andrew Lloyd and Ms Fiona Murdoch, were either elected or re-elected at Metro's 2022 annual general meeting and have therefore been in office for the equal longest period of time. As such, one of those Directors is required to retire in accordance with article 38.1(c) of Metro's Constitution. Listing Rule 14.5 also requires that an entity which has Directors hold an election of Directors at each annual general meeting. Mr Lloyd has offered to retire, and being eligible, also offers himself for re-election as a Director.

Mr Lloyd was appointed an independent non-executive Director of the Company on 24 May 2022.

Mr Lloyd has over 30 years' experience in the global resources value chain from development and operations through to mine closure and stakeholder engagement. He was a senior executive with Rio Tinto for many years, during which he held a number of senior commercial, project development and board positions in Papua New Guinea, Namibia, the United States of America, the United Kingdom and Australia. He also served 4 years with Nabalco in senior roles at the Gove bauxite mine and alumina refinery. His experience spans across a range of businesses, including copper, aluminium, coal and uranium.

Mr Lloyd was previously the Independent Chair of Jabiru Kablokmakmen Ltd (JKL) (until October 2022) and a Director of Developing East Arnhem Ltd (DEAL) (until January 2021). JKL and DEAL are both organisations focused on developing sustainable benefits for local First Nations communities in the Northern Territory. Mr Lloyd has also been a member of several Federal Government advisory committees, including the advisory group for the Energy White Paper and the Emissions Reduction Assurance Committee.

Directors' recommendation

The Directors (with Mr Lloyd abstaining) recommend you vote in favour of Resolution 2.

Special business

Resolutions 3 and 4: Grants of Performance Rights to Mr Douglas Ritchie (Chairman) and Mr Andrew Lloyd (Non-Executive Director)

Background

Since his appointment as Chairman in July 2021, Mr Douglas Ritchie, in an effort to preserve the Company's cash position, has agreed to his Director's fees being settled through the grant of Performance Rights. At Metro's 2023 annual general meeting, Shareholders approved a grant of Performance Rights to Mr Ritchie (or his nominee) for the period 1 July 2022 to 30 June 2023. Mr Ritchie has requested a further grant of Performance Rights in lieu of his Director's fees for the period 1 July 2023 to 30 June 2024. This is subject to Shareholders approving the grant of the Performance Rights in compliance with Listing Rule 10.11. Resolution 3 therefore seeks Shareholder approval for the grant of 7,013,550 Performance Rights to Mr Ritchie.

Mr Andrew Lloyd, Non-Executive Director, in an effort to preserve the Company's cash position, has also agreed to 50% of his Director's fees being settled through the grant of Performance Rights. At Metro's 2023 annual general meeting, Shareholders approved a grant of Performance Rights to Mr Lloyd (or his nominee) for the period 1 July 2022 to 30 June 2023. Mr Lloyd has requested a further grant of Performance Rights in lieu of 50% of his Director's fees for the period 1 July 2023 to 30 June 2024. This is also subject to Shareholders approving the grant of the Performance Rights in compliance with Listing Rule 10.11. Resolution 4 therefore seeks Shareholder approval for the grant of 2,251,150 Performance Rights to Mr Lloyd.

Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, an ASX listed company must not issue or agree to issue Equity Securities to a related party (including a director) (Listing Rule 10.11.1), a person who is or was at any time in the six months before the issue or agreement a substantial (30%+) holder in the company (Listing Rule 10.11.2), a person who is or was at any time in the six months before the issue or agreement a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so (Listing Rule 10.11.3), an Associate of a person referred to in Listing Rules 10.11.1 to 10.11.3 (Listing Rule 10.11.4), or a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that in ASX's opinion the issue or agreement should be approved by its shareholders (Listing Rule 10.11.5), unless it obtains the approval of its shareholders.

The grants of Performance Rights contemplated by Resolutions 3 and 4 fall within Listing Rule 10.11.1 (as Mr Ritchie and Mr Lloyd are Directors and therefore related parties of Metro for the purposes of the Listing Rules) and do not fall within any of the exceptions in Listing Rule 10.12. Each grant of Performance Rights therefore requires the approval of Shareholders under Listing Rule 10.11. Resolutions 3 and 4 therefore seek the required Shareholder approval for the grants of the Performance Rights under and for the purposes of Listing Rule 10.11.

For personal use only

If Resolutions 3 and 4 are passed, the Company will be able to proceed with the proposed grants of Performance Rights contemplated by Resolutions 3 and 4.

If Resolutions 3 and 4 are not passed, the Company will not be able to proceed with the proposed grants of Performance Rights the subject of Resolutions 3 and 4. In those circumstances, the Director mentioned in the relevant Resolution will be entitled to receive an amount equivalent to the aggregate cash component of their remuneration for the period instead of the Performance Rights proposed to be granted in the relevant Resolution.

The table below sets out the amount of the cash payments the Company would be required to make in the event that Resolutions 3 and 4 are not passed:

Resolution	Name	Position	Cash payment required if relevant Resolution not passed*
No. 3	Douglas Ritchie	Chairman	\$140,271
No. 4	Andrew Lloyd	Non-Executive Director	\$45,023

*This is the amount of the aggregate cash component of the remuneration which would otherwise be forgone in exchange for the grant of the relevant Performance Rights had the relevant Resolution been passed and excludes the amounts paid to Mr Ritchie and Mr Lloyd in accordance with the *Superannuation Guarantee (Administration) Act 1992* (Cth).

Resolutions 3 and 4 are not conditional on one other, and Shareholders may approve neither, one or both of these Resolutions.

If approval is given to grant the relevant Performance Rights to Mr Ritchie and Mr Lloyd or their respective nominees under Listing Rule 10.11, approval will not be separately required under Listing Rule 7.1 and that number of Performance Rights granted will not be counted towards the Company's placement capacity.

Information required by Listing Rule 10.13

The following information in relation to the proposed grants of Performance Rights to Mr Ritchie and Mr Lloyd is provided to Shareholders for the purposes of Listing Rule 10.13:

- (a) the Performance Rights will be granted to the following related parties of the Company (or their nominees) in the following quantities:

Resolution	Name of related party	Position	Number of Performance Rights
No. 3	Douglas Ritchie	Chairman	7,013,550
No. 4	Andrew Lloyd	Non-Executive Director	2,251,150

- (b) Mr Ritchie and Mr Lloyd fall within Listing Rule 10.11.1 as they are Directors and therefore related parties of Metro for the purposes of the Listing Rules;
- (c) a summary of the material terms of the Performance Rights is as follows:
 - a) vest on issue;

For personal use only

- b) nil exercise price;
 - c) one Performance Right converts into one Metro Share; and
 - d) expiry date is the business day prior to the 5-year anniversary of the grant date;
- (d) the Performance Rights will be granted to Mr Ritchie and Mr Lloyd or their respective nominees within one month after the date of the Annual General Meeting;
- (e) the numbers of Performance Rights to be granted to Mr Ritchie and Mr Lloyd or their respective nominees (as outlined above) have been calculated by applying the following formulas:

Mr Ritchie – 100% of Mr Ritchie's annual cash remuneration divided by the 30-day volume weighted average price of Metro Shares on ASX to close of trading on 30 June 2023, being \$0.02 per Metro Share; and

Mr Lloyd – 50% of Mr Lloyd's annual cash remuneration divided by the 30-day volume weighted average price of Metro Shares on ASX to close of trading on 30 June 2023, being \$0.02 per Metro Share;

- (f) the Performance Rights will be granted to Mr Ritchie and Mr Lloyd or their respective nominees for no consideration;
- (g) the grant of the Performance Rights, if approved by Shareholders, will reduce the amount of the cash payments that would otherwise be payable to the relevant Directors during the relevant period. Their issue will form part of the Company's initiatives to reduce cash outflows. Consequently, no new funds will be raised from the grant of the Performance Rights but the Company will be relieved from the obligation to make cash payments to the relevant Directors on account of their fees for the relevant period. The grant of the Performance Rights will, therefore, enhance the cash flow position of the Company; and
- (h) details of the current total remuneration packages of Mr Ritchie and Mr Lloyd are set out in the table below:

Director	Remuneration	Superannuation	Total remuneration
Douglas Ritchie	\$140,271	\$15,430	\$155,701
Andrew Lloyd	\$90,045	\$9,905	\$99,950

The grants of the Performance Rights the subject of Resolutions 3 and 4 are not intended to provide any additional remuneration or incentive to the relevant Directors. Rather, the Performance Rights will be granted to the relevant Directors if Resolutions 3 and 4 are approved instead of the Company paying the particular cash component of their annual remuneration with respect to the relevant period. If either of Resolution 3 or 4 is not approved, the total remuneration for the relevant Director will remain unchanged. However, in those circumstances, that Director's remuneration will be paid entirely in cash.

Directors' recommendation

Given Mr Ritchie's interest in Resolution 3 and Mr Lloyd's interest in Resolution 4, Mr Ritchie and Mr Lloyd make no recommendation to Shareholders with respect to Resolution 3 and Resolution 4, respectively. The remaining Directors recommend that Shareholders vote in favour of Resolutions 3 and 4.

Resolution 5: Grant of Performance Rights to Mr Simon Wensley (Managing Director and Chief Executive Officer) – 2024 STI and 2024-2026 LTI

Resolution 5 seeks Shareholder approval for the grant of Performance Rights to the Company's Managing Director and Chief Executive Officer, Mr Simon Wensley (or his nominee), under the Company's employee incentive scheme titled '2020 Employee Incentive Plan' (**EIP** or **Plan**).

The Plan has been established to provide eligible employees of Metro, which includes the Chief Executive Officer, with an opportunity to share in the growth in the value of Metro Shares and to encourage them to improve the Company's performance and its returns to Shareholders, as well as to provide an alternate way of remunerating those employees through the acquisition of securities in the Company that are subject to certain performance criteria.

In the Company's circumstances, the Board considers that the grant of Performance Rights provides a cost-effective means of incentivising the Chief Executive Officer, which appropriately aligns the interests of participants in the Plan with those of stakeholders as well as conserving the cash reserves of the Company.

The Board considers that the Chief Executive Officer's remuneration package, including the proposed grant of Performance Rights under the Plan, is reasonable and appropriate having regard to the Company's circumstances, business performance and remuneration objectives, and the Chief Executive Officer's duties and responsibilities.

Listing Rule 10.14

Listing Rule 10.14 provides that an ASX listed company must not permit a director of the company (Listing Rule 10.14.1), an Associate of a director of the company (Listing Rule 10.14.2), or a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that in ASX's opinion the acquisition should be approved by its shareholders (Listing Rule 10.14.3), to acquire Equity Securities under an employee incentive scheme without the approval of its shareholders.

The grant of Performance Rights contemplated by Resolution 5 falls within Listing Rule 10.14.1 (as Mr Wensley is the Managing Director and Chief Executive Officer of the Company) and does not fall within any of the exceptions in Listing Rule 10.16. The grant of Performance Rights therefore requires the approval of Shareholders under Listing Rule 10.14. Resolution 5 therefore seeks the required Shareholder approval for the grant of the Performance Rights under and for the purposes of Listing Rule 10.14.

If Resolution 5 is passed, the Company will be able to proceed with the proposed grant of Performance Rights under the Plan to Mr Wensley contemplated by Resolution 5.

If Resolution 5 is not passed, the Company will not be able to proceed with the proposed grant of Performance Rights under the Plan to Mr Wensley the subject of Resolution 5. In that circumstance, the Board will consider the impact of this outcome on the remuneration arrangements for Mr Wensley and review available options to provide this type of performance-based remuneration.

If approval is given to grant the relevant Performance Rights to Mr Wensley or his nominee under Listing Rule 10.14, approval will not be separately required under Listing Rule 7.1 and that the number of Performance Rights granted will not be counted towards the Company's placement capacity.

The total value attributed to the Performance Rights is set out below and is calculated with reference to the 30-day volume weighted average price of Metro Shares on ASX to close of trading on 31 December 2023, being \$0.02 per Metro Share:
- (i) 2024 STI – \$407,905
 - (ii) 2024–2026 LTI – \$582,721

- (h) the Performance Rights will be granted to Mr Wensley or his nominee as soon as practicable following the Annual General Meeting, and in any event, within three years after the date of the Annual General Meeting;

Mr Wensley is the only Director or person covered by Listing Rule 10.14 to whom it is proposed that Performance Rights be granted under the Plan at this time. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after Resolution 5 is approved and who are not named in this Notice of Meeting will not participate until Shareholder approval is obtained under Listing Rule 10.14.

Summary of material terms of Performance Rights

The rules of the Plan allow for the Board to require the satisfaction of one or more performance-based conditions (**Performance Conditions**) in order for the Performance Rights granted under the Plan to vest and, therefore, become exercisable by a participant.

The Performance Rights proposed to be granted to Mr Wensley pursuant to Resolution 5 will be divided into a short-term incentive (**STI**) and long-term incentive (**LTI**), with each being subject to satisfaction of specific Performance Conditions and other vesting requirements.

STI

The Performance Conditions and weightings for Mr Wensley for his proposed 2024 STI are detailed below:

Measure	Performance Condition
Safety and ESG (20%)	High Potential Incident Rate and Serious Accident Frequency Rate Planned actions on critical risks completed Worker influenced reportable environmental incidents Progress with ESG initiatives
Expansion Project (30%)	All infrastructure, approvals and capacity required to complete expansion is delivered
2024 Market Guidance (25%)	Production and shipping market guidance achieved

Measure	Performance Condition
Cost of production to meet sales (25%)	Achieve sales prices and unit costs to maintain margins

It is proposed that Mr Wensley be granted, subject to Shareholder approval, 20,395,235 Performance Rights as the 2024 STI, which will be subject to satisfaction of the Performance Conditions as outlined above and other vesting requirements. Such Performance Rights will have an expiry date of 31 December 2024.

LTI

The performance metrics and weightings for Mr Wensley for his proposed 2024-2026 LTI are detailed below:

Metrics	2024-2026 LTI
Relative total Shareholder return measured against ASX Materials Indices (XMM)	40%
Return on capital employed measured against the Metro group's weighted average cost of capital	30%
Return on sales measured against budgeted return on sales	30%

It is proposed that Mr Wensley be granted, subject to Shareholder approval, 29,136,050 Performance Rights as the 2024-2026 LTI, which will be subject to satisfaction of the Performance Conditions as outlined above and other vesting requirements. Such Performance Rights will have an expiry date of 31 December 2026.

In the event that the Performance Conditions attaching to the relevant Performance Rights for the 2024 STI and the 2024-2026 LTI are not satisfied, the Performance Rights will lapse and will not be capable of vesting or conversion into Metro Shares.

Mr Wensley will not be required to pay any exercise price to receive Metro Shares on the exercise of the Performance Rights the subject of Resolution 5.

The Performance Rights the subject of Resolution 5 will only be exercisable if Mr Wensley maintains his employment with the Company at the time that they vest.

The terms of the Performance Rights the subject of Resolution 5 to be granted to Mr Wensley will include a provision to the effect that if the Company is subject to a change of control event before the vesting date for the relevant Performance Rights, the Performance Conditions will be subject to Board discretion to determine that vesting of some or all of the Performance Rights be accelerated and that dealing restrictions on restricted Metro Shares be released.

Directors' recommendation

The Directors (with Mr Wensley abstaining) recommend that Shareholders vote in favour of Resolution 5.

Resolution 6: Approval of additional 10% Placement Capacity under Listing Rule 7.1A

Broadly speaking and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that an ASX listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities that it had on issue at the start of that period. Under Listing Rule 7.1A, however, an Eligible Entity (as defined below) may seek shareholder approval by special resolution passed at an annual general meeting to increase this 15% limit by an extra 10%, such that the Eligible Entity will have the capacity to issue an additional number of Equity Securities equal to 10% of its issued capital (calculated in accordance with the formula prescribed in Listing Rule 7.1A.2) during the 10% Placement Capacity Period (as defined below) (**10% Placement Capacity**).

An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less (**Eligible Entity**). Metro is an eligible entity for this purpose, as it is not, as at the date of this Notice of Meeting, in the S&P/ASX 300 Index and has a market capitalisation of approximately \$206 million.

Resolution 6 seeks Shareholder approval for the Company to have the additional 10% Placement Capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval. Any Equity Securities issued under the 10% Placement Capacity must be in an existing quoted class of Equity Securities.

Resolution 6 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 6 for it to be passed.

If Resolution 6 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rule 7.1 and Listing Rule 7.1A without any further Shareholder approval. If Resolution 6 is not passed, the Company will not be able to access the additional 10% Placement Capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

The number of Equity Securities that may be issued (if Shareholder approval is obtained in respect of Resolution 6 at the Annual General Meeting) will be determined in accordance with the following formula prescribed in Listing Rule 7.1A.2:

(A x D) – E

where:

- A is the number of fully paid Metro Shares on issue at the commencement of the 12-month period immediately preceding the date of issue or agreement (**Relevant Period**):
 - (A) plus the number of fully paid Metro Shares issued in the Relevant Period under an exception in Listing Rule 7.2 (other than exception 9, 16 or 17);
 - (B) plus the number of fully paid Metro Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period, or the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;

- (C) plus the number of fully paid Metro Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where the agreement was entered into before the commencement of the Relevant Period, or the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
 - (D) plus the number of any other fully paid Metro Shares issued in the relevant period with approval under Listing Rule 7.1 or Listing Rule 7.4;
 - (E) plus the number of partly paid ordinary shares in Metro that became fully paid in the Relevant Period; and
 - (F) less the number of fully paid Metro Shares cancelled in the Relevant Period;
- D is 10%; and
- E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

For the purposes of Listing Rule 7.3A, Metro provides the following information:

Period for which approval will be valid	<p>The Equity Securities may be issued under the 10% Placement Capacity during the period commencing on the date of the Meeting and expiring on the first to occur of the following:</p> <ul style="list-style-type: none"> (a) the date that is 12 months after the date of the Meeting; (b) the time and date of the Company's next annual general meeting; or (c) the time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of the Company's activities) or Listing Rule 11.2 (a disposal of the Company's main undertaking), <p>(10% Placement Capacity Period).</p>
Minimum price at which the Equity Securities may be issued	<p>Any Equity Securities issued under the 10% Placement Capacity must be in an existing quoted class of the Company's Equity Securities and issued for a cash consideration per Equity Security which is not less than 75% of the volume weighted average market price for Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:</p> <ul style="list-style-type: none"> (a) the date on which the price at which the Equity Securities are to be issued is agreed by the Eligible Entity and the recipient of the Equity Securities; or (b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a), the date on which the Equity Securities are issued.

<p>Risk of economic and voting dilution</p>	<p>Any issue of Equity Securities under the 10% Placement Capacity involves the risk of economic and voting dilution for existing Shareholders. The risks include that:</p> <ul style="list-style-type: none"> (a) the market price for Equity Securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and (b) the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date. <p>In accordance with Listing Rule 7.3A.4, a table describing the notional possible dilution, based upon various assumptions as stated, is set out below.</p>
<p>Allocation policy under the 10% Placement Capacity</p>	<p>The Company's allocation policy will depend on the prevailing market conditions at the time of any proposed issue pursuant to Listing Rule 7.1A. <p>Issues of Equity Securities under Listing Rule 7.1A.2 in the 12-month period preceding the date of the Meeting</p>	<p>The Company has not issued or agreed to issue any Equity Securities under Listing Rule 7.1A.2 in the 12-month period preceding the date of the Meeting.</p>

Information required by Listing Rule 7.3A.4

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A(2) as at 11 April 2024 and the market price of Metro Shares on that date. The table below also shows two examples where Variable 'A' increases, by 50% and 100%, and two examples where the issue price of Metro Shares issued under the 10% Placement Capacity decreases by 50% and increases by 50%, as against the current market price of Metro Shares.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.0225 50% decrease in issue price	\$0.045 Issue price	\$0.09 100% increase in issue price
Current Variable 'A'* 4,808,996,031 Metro Shares	10% voting dilution	480,899,603	480,899,603	480,899,603
	Funds raised	\$10,820,241.07	\$21,640,482.14	\$43,280,964.27
50% increase in current Variable 'A'* 7,213,494,046 Metro Shares	10% voting dilution	721,349,404	721,349,404]	721,349,404
	Funds raised	\$16,230,361.59	\$32,460,723.18	\$64,921,446.36
100% increase in current Variable 'A'* 9,617,992,062 Metro Shares	10% voting dilution	961,799,206	961,799,206	961,799,206
	Funds raised	\$21,640,482.14	\$43,280,964.27	\$86,561,928.54

*Note: Current Variable A refers to the calculation required by Listing Rule 7.1A.2 which, in Metro's case, equates to the current number of Metro Shares on issue. The number of Metro Shares on issue could increase as a result of issues of Metro Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table has been prepared on the following assumptions:

- Metro issues the maximum possible number of Metro Shares under the 10% Placement Capacity.
- No options are exercised to convert into Metro Shares before the date of issue of the Metro Shares under the 10% Placement Capacity.
- Other than as indicated in the above table, the Company does not issue any additional Equity Securities during the 10% Placement Capacity Period.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued Metro Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of Metro Share issues under the 10% Placement Capacity, based on that Shareholder's holding at the date of this Notice of Meeting.
- The above table only shows only the effect of issues of Metro Shares under the 10% Placement Capacity, and not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Capacity consists only of Metro Shares.
- The issue price is \$0.045, being the closing price of Metro Shares on ASX on 11 April 2024.

Directors' recommendation

The Directors unanimously recommend that you vote in favour of Resolution 6.

Annexure "A"

The EIP was approved by the Board in June 2020.

Eligibility

The EIP is open to participation by Directors, full-time or part-time employees of Metro, and casual employees and contractors of Metro (**Specified Persons**), as well as prospective Specified Persons who can also be made offers under the EIP (acceptance of which is subject to them becoming Specified Persons), in each case who are declared by the Board to be eligible to receive grants of options and/or performance rights in respect of Metro Shares (**Securities**) under the EIP (**Eligible Participants**).

Offers of Securities

The Board may, in its absolute discretion, issue or cause to be issued a written offer in respect of a number of Securities to an Eligible Participant, subject to the terms and conditions of the EIP and upon such additional terms and conditions as the Board determines. An offer of Securities may specify, amongst other things, applicable performance hurdles as determined by the Board.

No quotation of Securities

Securities granted under the EIP will not be quoted on ASX (unless noted otherwise in the relevant Eligible Participant's offer).

Nomination of eligible nominees

Upon receipt of an offer of Securities under the EIP, an Eligible Participant may, by notice in writing to the Board, nominate an eligible nominee to be granted the Securities the subject of the Eligible Participant's offer and/or the resulting Metro Shares in relation to such Securities. The Board may accept or reject such a nomination without giving any reason for that decision.

Employee share trust

The Board may elect to use on such terms and conditions as determined by the Board in its absolute discretion an employee share trust for the purposes of holding Metro Shares before or after the exercise of a Security or delivering any resulting Metro Shares under the EIP. The Board may do all things necessary for the establishment, administration, operation and funding of an employee share trust.

Acceptance of offer

An Eligible Participant may accept an offer of Securities under the EIP by delivering to Metro a completed acceptance form by the relevant acceptance date set out in the Eligible Participant's offer, and providing to Metro any other documents in a form required by Metro to give effect to the offer. The Board may accept or reject any acceptance form in its absolute discretion. By submitting an acceptance form, an Eligible Participant agrees to be bound by the terms and conditions of their offer, the acceptance form, the EIP and the Constitution, as amended from time to time. An offer which is not accepted by the Eligible Participant by the Acceptance Date shall lapse. An Eligible Participant who accepts an offer of Securities under the EIP is referred to in this Annexure "A" as a **Participant**.

Vesting and exercise of Securities and delivery of Metro Shares

Provided any applicable performance hurdles attaching to a Security have been satisfied and the Board has notified the Participant in writing of that fact, the relevant Security will vest and become immediately exercisable. For a Participant whose offer makes provision for manual exercise of Securities, vested Securities may be exercised by the Participant (subject to compliance with Metro's Securities Trading Policy) providing Metro with a written notice of exercise specifying the number of vested Securities being exercised and payment for the exercise price (if any) for the Securities being exercised. For a Participant whose offer makes provision for automatic exercise of Securities, vested Securities will be deemed exercised on the date of provision of the notice provided to the Participant by the Board regarding satisfaction of any applicable performance hurdles (subject to compliance with Metro's Securities Trading Policy).

Metro will then, as soon as practicable following the valid exercise (or deemed exercise) of a Security, issue, allocate or cause to be transferred (whether on-market or off-market) to the Participant the number of resulting Metro Shares in respect of which the Participant is entitled under the EIP, and/or where permitted by the relevant offer, pay a cash amount to the Participant. All resulting Metro Shares will rank *pari passu* in all respects with the Metro Shares then on issue, with the exception of any rights attached to other Metro Shares by virtue of entitlements arising from a record date prior to the date of the allotment of the resulting Metro Shares, and any disposal restrictions applying to the resulting Metro Shares under the EIP.

Lapse, forfeiture or other adjustment

Where a Participant or its eligible nominee ceases to be an Eligible Participant, they will retain all of their vested Securities but all of their unvested Securities will lapse on a date determined by the Board, unless the Board provides express written consent that the Participant may retain any or all of their unvested Securities. An unvested Security will generally lapse immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable performance hurdles have not been met or cannot be met by the relevant date. Securities (whether vested Securities or unvested Securities) may also be forfeited in certain circumstances, including where Metro notifies a Participant of a material breach by that Participant of the EIP or the Participant's offer and the Participant is unable to remedy the breach to the satisfaction of the Board within 20 business days of receiving notice from Metro.

The Board may also determine, in its sole and absolute discretion, that the vesting (in the case of unvested Securities) or continued ability to exercise (in the case of vested Securities) of a Participant's Securities is not justified in particular circumstances, including where there is gross misconduct of or by the Participant, an error is found in any published financial statements of Metro or any business division of Metro, or an exceptional event occurs which has a material impact on the value or reputation of any Metro group company as determined by the Board in its sole and absolute discretion, and may in such circumstances take actions including reducing the level of vesting of the Participant's unvested Securities or determining that they do not vest, or requiring forfeiture of vested Securities. The EIP contains similar provisions in respect of resulting Metro Shares issued in respect of Securities, where the Board can, in those same circumstances, direct that the resulting Metro Shares issued in respect of Securities be transferred by the Participant for nil consideration as it directs, or otherwise direct the payment of an equivalent cash amount to Metro.

Change of control event

If a change of control event occurs in respect of Metro (or the Board determines for the purposes of the EIP that such event is likely to occur) the Board may, in its absolute discretion, determine the manner in which any or all of the Participant's Securities will be dealt with.

Disposal restrictions

Metro Shares issued, allocated or transferred to a Participant upon the valid exercise of a Security under the EIP may be subject to disposal restrictions. In those circumstances, the Board may implement any procedure it deems appropriate to ensure that such disposal restrictions are complied with.

Disposal restrictions in respect of Metro Shares do not affect the Participant's entitlement to receive a notice of, or to vote or attend at, a meeting of Shareholders, and to receive any dividends declared by the Metro during the relevant disposal restriction period in respect of that Metro Share.

Restriction on dealings and hedging of Securities

A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Security that has been granted to them, unless the Board in its absolute discretion so approves, or the relevant dealing is effected by force of law on death or legal incapacity to the Participant's legal personal representative. Metro may require that a Security be forfeited if a sale, assignment, transfer, dealing or grant of a security interest occurs other than in accordance with the EIP.

A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to an unvested Security that has been granted to them.

Assignment

An offer of Securities to an Eligible Participant is personal to them and is not assignable.

Costs

No brokerage, commission, stamp duty or other transaction costs will be payable by Eligible Participants in respect of any grant of Securities under the EIP.

Miscellaneous

The EIP otherwise contains various other customary provisions for an employee incentive scheme of its nature. A full copy of the EIP is available at <https://metromining.com.au/company/corporate-governance/>.

For personal use only
