

Proposed combination with Energy Fuels to create global critical minerals business

Key points

- Base Resources and Energy Fuels have reached a binding agreement for Energy Fuels, a US-based uranium and critical minerals producer, to acquire 100% of the issued shares in Base Resources by way of scheme of arrangement.
- Base Resources shareholders to receive 0.0260 Energy Fuels common shares plus an unfranked special dividend of A\$0.065 for each Base Resources share held, equating to total consideration of approximately A\$0.302 per share.
- Represents a premium to Base Resources' last closing price of 188%, and a premium to the 20-day VWAP of Base Resources shares of 173%.
- Base Resources' Board unanimously recommends shareholders vote in favour of the Scheme and each Director owning Base Resources shares intends to vote all those shares in favour of the Scheme¹.

Voting intention statements from each of Base Resources' two major shareholders (respectively owning 26.5% and 24.8% of the shares on issue) received confirming that they each intend to vote in favour of the Scheme¹.

Transaction will establish a global leader in the critical minerals sector with a focus on rare earth elements, uranium and heavy mineral sands production and a clear strategic development pathway.

Transaction will also create a platform for the funding and development of Base Resources' world-class Toliara Project in Madagascar, with future monazite production from the project to be processed at Energy Fuels' operating White Mesa mill in the United States.

Base Resources' proven leadership team to be retained and continue to oversee the development, and operation of the Toliara Project and the completion of operations and closure of Kwale Operations, as well as the progression of other mineral sands and rare earths interests of the combined group.

Base Resources Limited (ASX & AIM: BSE) (**Base Resources**) has entered a binding scheme implementation deed (**SID**) with Energy Fuels Inc. (NYSE American: UUUU, TSX: EFR) (**Energy Fuels**) pursuant to which Energy Fuels has agreed to acquire 100% of the issued shares in Base Resources by way of scheme of arrangement (**Transaction** or **Scheme**).

Under the terms of the Transaction, Base Resources shareholders will be entitled to receive 0.0260 Energy Fuels common shares (**Share Consideration**), plus A\$0.065 in cash via an unfranked special dividend payable by Base Resources² (together, the **Transaction Consideration**), for each Base Resources share held.

The Transaction Consideration implies an offer price of A\$0.302 per share³ and a total equity value for Base Resources of A\$375 million⁴, and represents a premium of:

- 188% to Base Resources' last closing price of A\$0.105 per share on 19 April 2024.
- 173% to Base Resources' 20-day volume weighted average price (**VWAP**) to 19 April 2024 of A\$0.111 per share.

¹ In each case, in the absence of a superior proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of shareholders.

² Payment of the special dividend is conditional on the Scheme becoming legally effective.

³ Based on Energy Fuels' last closing price on 19 April 2024 of US\$5.84 per share and a AUD:USD exchange rate of 0.640.

⁴ Based on 1,239,116,949 fully diluted Base Resources shares on issue.

Following implementation of the Transaction, Base Resources shareholders will hold approximately 16.4% of the combined group, which will have a pro forma market capitalisation of approximately US\$1,144 million⁵.

The Base Resources Board unanimously recommends that shareholders vote in favour of the Transaction in the absence of a Superior Proposal (as defined in the SID) and subject to the Independent Expert concluding, and continuing to conclude, that the Transaction is in the best interests of Base Resources shareholders. Subject to these same qualifications, each Director also intends to vote, or procure the voting of, all Base Resources shares held by or on behalf of them (representing 1.2% of the shares on issue) in favour of the Scheme.

Base Resources has also received voting intention statements from each of its two largest shareholders, Pacific Road Capital⁶ (owning 26.5% of the Base Resources shares on issue) and Sustainable Capital Ltd (owning 24.8% of the Base Resources shares on issue), confirming that they each intend to vote all of the Base Resources shares that they hold or control in favour of the Scheme, in the absence of a Superior Proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of shareholders.

Potential Benefits to Base Shareholders

In addition to the significant premium offered, the Transaction provides several other potential benefits to Base Resources shareholders, including:

- Continued exposure to Base Resources' world-class Toliara Project in Madagascar.
- A strong platform for the funding and development of the Toliara Project, through the significantly greater market capitalisation, trading liquidity, market profile and funding capacity of the combined group.
- Exposure to the opportunity to add significant value to the monazite produced at the Toliara Project by capturing a greater share of the rare earth element (REE) value chain through processing at Energy Fuels' operating White Mesa mill in Utah (Mill) into separated rare earth oxides (REOs). This opportunity remains subject to Energy Fuels completing commissioning of Phase 1 of its REE separation facility at the Mill, and then arranging funding for and making a development decision on Phases 2 and 3 of this facility.
- Enhanced opportunity to secure strategic, low-cost United States Government funding support for the development of the Toliara Project, as well as the Phase 2 and 3 expansions of the REO production capacity at the Mill.
- Increased commodity diversification via exposure to Energy Fuels' uranium business, with the White Mesa mill being the only operating conventional uranium mill, and Energy Fuels currently being the largest producer of yellowcake, in the United States.
- Continued exposure to Base Resources' proven leadership team, who will continue to oversee the development and operation of the Toliara Project and the completion of operations and closure of Kwale Operations, as well as enhance Energy Fuels' teams on the progression of other mineral sands and rare earths interests of the combined group.
- A combined group with multiple potential value drivers (REE, uranium, mineral sands) providing risk diversification and multiple directions for strategic growth, including further down the REE value chain.

Managing Director of Base Resources, Tim Carstens, said:

"This Transaction, which is the culmination of 12 months of discussions between Base Resources and Energy Fuels, reflects the exceptional quality of the Toliara Project and the efforts of the Base Resources team over the past several years to advance the project towards construction readiness. The combined group will have the financial and technical capability to not only build Toliara into one of the best critical mineral projects in the world, but also to develop an integrated value chain for the rare earth elements that are essential to the global energy transition. Shareholders of Base Resources will receive both a compelling and immediate premium, and the opportunity to further participate in the market recognition and development of a company with a unique diversified position in the critical minerals landscape."

⁵ Based on 163,651,897 Energy Fuels common shares on issue and Energy Fuels' last closing price on 19 April 2024 of US\$5.84 per share.

⁶ Pacific Road Capital means Pacific Road Capital Management GP II Limited and Pacific Road Capital II Pty Limited.

Key Conditions and Terms

A copy of the SID, which sets out the terms and conditions of the Transaction and associated matters, is attached to this announcement. In summary, conditions for implementation of the Scheme include:

- Base Resources shareholder approval by the required majorities.
- the Independent Expert concluding (and continuing to conclude) that the Transaction is in the best interests of Base Resources shareholders.
- approval by Australia's Foreign Investment Review Board.
- approval of the Federal Court of Australia.

- other customary conditions.

The SID also contains customary deal protections and exclusivity terms in favour of Energy Fuels, including "no shop", "no talk", "no due diligence", "notification" and "matching right" obligations, subject to a "fiduciary out" in certain circumstances.

The SID includes certain circumstances in which a break fee of US\$2.4 million would be payable to Energy Fuels, or a reverse break fee (of also US\$2.4 million) would be payable to Base Resources.

Recognising the significance of the Transaction to Base Resources, the Board has determined to provide an additional award opportunity of A\$275,000 to Managing Director, Tim Carstens, under the Company's Short Term Incentive Plan, payment of which is conditional on implementation of the Scheme by 31 December 2024.

 - (i) Bidder Holdco has given written notice to the Company setting out the relevant circumstances and stating an intention to terminate;
 - (ii) the relevant breach is not curable, or if curable, continues to exist 10 Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which the notice is given under clause 11.2(a)(i); and
 - (iii) the relevant breach is material in the context of the Scheme taken as a whole.

12. Exclusivity

12.1 No current discussions

- (a) The Company represents and warrants that, as at the date of this Deed:
 - (i) it is not in any negotiations or discussions, with any person in respect of any actual, proposed or potential Competing Proposal;
 - (ii) has ceased any existing negotiations or discussions, with any person in respect of any actual, proposed or potential Competing Proposal; and
 - (iii) has ceased to provide or make available any non-public information in relation to the Company to a Third Party where such information was provided for the purpose of facilitating, or could reasonably be expected to lead to, a Competing Proposal.
- (b) Subject to clause 12.5, the Company undertakes:
 - (i) in respect of any confidentiality or other agreement it has with any person that has been entered into in the last 12 months in connection with the provision of confidential information to that person or in connection with a Competing Proposal, to not waive, and to promptly enforce (including with respect to an anticipated breach) any standstill obligations under any such agreements; and
 - (ii) to request the return or destruction of any substantive confidential information (for clarity, excluding any management presentations which only contain high-level summaries of confidential information) in relation to the Company Group (including any Company Information) provided to any person in the last 12 months in connection with a Competing Proposal.

12.2 No-shop

During the Exclusivity Period, the Company must not, and must ensure that neither it nor any of its Related Parties, directly or indirectly:

- (a) solicits, invites, encourages or initiates any expressions of interest, offers, proposals, inquiries, negotiations or discussions; or
- (b) communicates any intention to do any of the things referred to above,

with a view to obtaining, or that may be expected to encourage or lead to the making of any actual, proposed or potential Competing Proposal.

12.3 No-talk

Subject to clause 12.5, during the Exclusivity Period, the Company must not, and must ensure that neither it nor any of its Related Parties, directly or indirectly:

- For personal use only

an actual, proposed or potential Competing Proposal or any agreement, arrangement, or understanding that might be reasonably expected to lead to a Competing Proposal.

12.4 Notification of approaches

- (a) During the Exclusivity Period, the Company must promptly, and in any event within two Business Days, notify Bidder Holdco and Bidder AU in writing if the Company or any of its Related Parties becomes aware of any:
 - (i) approach or attempt to initiate discussions or negotiations regarding any actual, proposed or potential Competing Proposal; or
 - (ii) proposal made to the Company or any of its Related Parties regarding an actual, proposed or potential Competing Proposal,

whether direct or indirect and whether or not that actual, proposed or potential Competing Proposal was solicited, invited, encouraged or initiated by the Company or any of its Related Parties. For clarity, any of the acts described in this clause 12.4(a) may only be taken by the Company or its Related Parties if permitted by clause 12.5.

- (b) A notification given under clause 12.4(a) must include notice of:
 - (i) the fact of the approach, the material terms and conditions of the Competing Proposal, including the price, timetable, break fee, reimbursement fee and any material updates to the proposal; and
 - (ii) the identity of the person making the approach (and if different, details of the person making or proposing the relevant Competing Proposal).

12.5 Fiduciary carve out

Clauses 12.1(b) and 12.3 do not prohibit any action or inaction by the Company or any of its Related Parties, in relation to a Competing Proposal (which was not directly or indirectly solicited, invited, encouraged or initiated by the Company or any of its Related Parties in breach of clause 12.2 or 12.3) provided that the Company Board has first determined, acting in good faith, that:

- (a) after receiving advice from its financial and legal advisors, such Competing Proposal is, or could reasonably be considered to become, a Superior Proposal; and
- (b) after receiving written legal advice from its external legal advisors, compliance with those clauses would, or would be reasonably likely to, constitute a breach of the Company Directors' fiduciary or statutory obligations,

and provided that to the extent the Company or its Related Parties propose to provide information to which clause 12.3(c) applies, the Company has entered into a binding confidentiality agreement with the relevant person who will receive that information, and either:

- (c) the terms of the confidentiality agreement are no less favourable to the Company than the Confidentiality Deed; or
- (d) the Company agrees to amend the terms of the Confidentiality Deed such that the obligations imposed on the Bidder Holdco under that agreement are no less favourable to the Bidder Holdco than the obligations imposed on the relevant person who will receive that information are to that other person.

12.6 Matching right

- (a) Without limiting clauses 12.2 and 12.3, during the Exclusivity Period:
 - (i) the Company must not, and must procure that its Related Bodies Corporate do not, enter into any agreement (whether or not in writing) pursuant to which one or more of a Third Party, the Company or any Related Body Corporate of the Company proposes, or proposes to undertake or to give effect to, any actual, proposed or potential Competing Proposal; and
 - (ii) neither the Company nor any of the Company Directors may change, withdraw or modify their Recommendation or Voting Intention in favour of the Scheme, publicly recommend, support or endorse a Competing Proposal or make any public statement to the effect that they may do so at a future point in time (provided that any of the following statements will not contravene this clause):
 - (A) no action should be taken by the Company Shareholders pending the assessment of a Competing Proposal by the Company Board and its Advisors;
 - (B) the Company has agreed to provide due diligence or access to information to satisfy a due diligence or access to information condition contained in a Competing Proposal (in accordance with clause 12.5 of this Deed), where such disclosure is required by law; or
 - (C) that the Company Directors have determined that a Competing Proposal is a Superior Proposal and have commenced the matching right process set out in this clause 12.6,

unless:

- (iii) the Company Board, acting in good faith and in order to satisfy what the Company Directors consider to be their statutory or fiduciary duties (having received written legal advice from their external legal advisor) determine that the Competing Proposal is a Superior Proposal;
- (iv) the Competing Proposal is not subject to a due diligence or access to information condition precedent (it being expressly acknowledged that the Company may provide due diligence or access to information to satisfy such a condition prior to commencing the matching rights process set out in this clause 12.6, where the provision of such due diligence or access to information is permitted under clause 12.5);

- (v) the Company has provided Bidder Holdco with the material terms and conditions of the Competing Proposal, including the price, timetable, break fee, reimbursement fee and identity of the third party making the Competing Proposal, in each case to the extent known by the Company or any of its Related Parties;
- (vi) the Company has given Bidder Holdco at least five Business Days from the provision of the information under clause 12.6(a)(v) to provide a matching or superior proposal to the terms of the Competing Proposal, and during this period, has made itself reasonably available, to the extent requested by Bidder Holdco, to negotiate in good faith with Bidder Holdco as part of Bidder Holdco's consideration of providing a matching or superior proposal to the terms of the Competing Proposal; and
- (vii) Bidder Holdco has not announced or otherwise formally proposed to the Company a matching or superior proposal to the terms of the Competing Proposal by the expiry of the five Business Day period in clause 12.6(a)(vi),

provided that, for the avoidance of doubt, this clause 12.6(a) will be separately applied to each new Competing Proposal that is a material modification or variation of an existing Competing Proposal.

- (b) If Bidder Holdco provides the Company with a proposal as contemplated by clause 12.6(a)(vi) (**Counterproposal**) the Company must procure that the Company Board considers the Counterproposal and determines whether, acting in good faith, the Counterproposal would provide an equal or superior outcome to the Company Shareholders compared to the Competing Proposal. Following that determination, the Company must within two Business Days, notify Bidder Holdco in writing of the determination, stating the reasons for that determination.
- (c) If the notification provided by the Company to Bidder Holdco is that the Company Board has determined that the Counterproposal would provide an equal or superior outcome to the Company Shareholders compared to the Competing Proposal, then:
 - (i) the Company and Bidder Holdco must use their reasonable endeavours to agree on any necessary amendments to this Deed and agree on such other documents that are reasonably necessary to reflect the Counterproposal as soon as reasonably practicable; and
 - (ii) the Company must use reasonable endeavours to procure that each of the Company Directors continues to recommend that the Company Shareholders vote in favour of the Scheme (as modified by the Counterproposal) (subject to the same qualifications as set out in clause 5.4).

12.7 General exception to the exclusivity arrangements

Nothing in this clause 12 prevents the Company from:

- (a) providing any information to its Related Parties;
- (b) providing any information to any Governmental Agency;
- (c) providing any information to its auditors, customers, financiers or potential financiers, joint venturers and suppliers acting in that capacity in the ordinary course of business;

- (d) engaging with the Company Shareholders (in their capacity as shareholders of the Company) in relation to the Company in the ordinary course of the Company's investor relations activities;
- (e) making presentations to, and responding to enquiries from, brokers, portfolio investors, analysts and institutional lenders in the ordinary course in relation to the Company's business generally; or
- (f) providing any information required to be provided by any applicable law, including to satisfy its obligations under the AIM Rules or the ASX Listing Rules.

12.8 Compliance with law

- (a) The parties acknowledge that this clause 12 is a material provision and that Bidder Holdco would not have entered into this Deed without the benefit of clause 12.
- (b) If it is finally determined by a Court or the Takeovers Panel that this clause 12 or any part of it:
 - (i) constitutes a breach of the fiduciary or statutory duties of the Company Board;
 - (ii) constitutes 'unacceptable circumstances' within the meaning of the Corporations Act or as declared by the Takeovers Panel; or
 - (iii) is unlawful for any other reason,then, the Company will not be obliged to comply with that part (and only to that extent) of clause 12.
- (c) The parties must not make or cause or permit to be made, any application to a Court or the Takeovers Panel for or in relation to a determination of the kind set out in this clause 12.8.

13. Break fee

13.1 Acknowledgments

- (a) The Company acknowledges that:
 - (i) it believes, having taken advice from its external legal advisor and financial advisors, that it and its shareholders will derive significant benefits from the implementation of the Scheme and acknowledges that:
 - (A) each of Bidder Holdco and Bidder AU has and will incur significant costs, expenses, outgoings and losses if the Scheme is not successful, and that it is not possible to accurately ascertain these costs;
 - (B) it is reasonable and appropriate to agree to pay the Break Fee to secure each of Bidder Holdco's and Bidder AU's entry into this Deed; and
 - (C) the Break Fee represents a genuine and reasonable pre-estimate of the internal, external advisory and financial costs (and all associated out of pocket expenses) of Bidder Holdco and Bidder AU in relation to the proposed Scheme.

- (b) The Company confirms that:
- (i) it has received legal advice on this Deed and the operation of this clause; and
 - (ii) it considers this clause to be fair and reasonable and that it is appropriate to agree to the terms in this clause in order to secure the significant benefits to it (and its shareholders) resulting from the Scheme.

13.2 Break Fee

Subject to clauses 13.3 and 13.5, the Company must pay to Bidder Holdco the Break Fee in accordance with clause 13.4 if, during the Exclusivity Period:

- (a) **Competing Proposal:** a Competing Proposal of any kind is made or announced (whether or not such proposal is stated to be subject to any pre-conditions) and, within 12 months of the date of the termination of this Deed (whether or not during the Exclusivity Period), that Third Party (or its Related Bodies Corporate) completes a Competing Proposal of a kind referred to in paragraphs (b), (c) or (d) of the definition of Competing Proposals or paragraph (a) of the definition of Competing Proposal, on the basis that the reference to 'more than 20%' in that paragraph is replaced with 'more than 50%';
- (b) **Superior Proposal:** a Superior Proposal is received by the Company or publicly announced and the Company terminates this Deed in accordance with clause 11.1(c);
- (c) **Change of recommendation:** a Company Director:
 - (i) fails to recommend that the Company Shareholders vote in favour of the Scheme in accordance with clause 5.4;
 - (ii) withdraws or adversely modifies that recommendation;
 - (iii) does not vote, or makes a public statement to the effect that they will not vote, any Company Shares in which they have a Relevant Interest in favour of the resolution to approve the Scheme; or
 - (iv) recommends, supports or endorses a Competing Proposal,except:
 - (v) where the Company is entitled to terminate this Deed pursuant to clause 11.1(a)(i), 11.1(a)(ii) or 11.2(b); or
 - (vi) in the circumstances contemplated in clause 5.4(d) or clause 5.4(c)(ii) (unless, in the case of clause 5.4(c)(ii) only, a majority of the Company Directors are required to change, withdraw or adversely modify their Recommendation of the Scheme), or
 - (vii) where the Company Director takes (or fails to take) any of the actions set out in sub-clauses (i) to (iv) above because the Independent Expert does not conclude in the Independent Expert's Report (or any update of, or revision, amendment or supplement to that report) that the Scheme is in the best interests of Scheme Shareholders (other than in circumstances where a reason provided for the Independent Expert reaching that conclusion is a Competing Proposal having been made or announced),

but in each case excluding any statement that:

- (viii) no action should be taken by the Company Shareholders pending the assessment of a Competing Proposal by the Company Board and its Advisors;
 - (ix) the Company has agreed to provide due diligence or access to information to satisfy a due diligence or access to information condition contained in a Competing Proposal (in accordance with clause 12.5 of this Deed), where such disclosure is required by law; or
 - (x) that the Company Directors have determined that a Competing Proposal is a Superior Proposal and have commenced the matching right process set out in clause 12.6; or
- (d) **Material breach by the Company:** the Company is in material breach of any of its obligations under this Deed (including of a representation or warranty) and Bidder Holdco validly terminates this Deed in accordance with (and subject to the cure periods specified in) clause 11.1(a)(i) or 11.2(a) (as applicable).

13.3 Limits on payment of the Break Fee

- (a) The Break Fee is not payable under clause 13.2 if the Scheme becomes Effective despite the occurrence of any event under clause 13.2 and, if the Break Fee has already been paid it must be refunded by Bidder Holdco.
- (b) For the purposes of clause 13.2, qualifications and explanations of the kind set out in clause 5.1(c) contained in the Scheme Booklet will not be regarded as a failure to make or as a withdrawal of the making of a recommendation in favour of the Scheme and will not require the Company to pay the Break Fee to Bidder Holdco.
- (c) Notwithstanding any other provision of this Deed, the maximum aggregate liability of the Company to Bidder Holdco under or in connection with this Deed, including in respect of a breach of this Deed (including a breach of representation or warranty), is an amount equal to the amount of the Break Fee, except to the extent that liability arises in connection with any wilful misconduct or fraud by, or on behalf of, any Company Indemnified Party.

13.4 Payment of the Break Fee

- (a) Any payment of the Break Fee required under this clause 13 must be made into the account nominated by Bidder Holdco, without set-off or withholding, within 10 Business Days of receipt of a written demand from Bidder Holdco.
- (b) Any payment of the Break Fee under this clause 13 which has been made in accordance with clause 13.4(a) can only be made once and Bidder Holdco cannot make any claim against the Company for any further or subsequent Break Fee.

13.5 Compliance with law

- (a) If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a court that all or any part of the Break Fee required to be paid under this clause 13 (**Impugned Amount**):
 - (i) involves a breach of a statutory, fiduciary or other duty of a director of a party;
 - (ii) is, was or would be unlawful; or

- (iii) constitutes unacceptable circumstances (as declared by the Takeovers Panel or a court) or breaches an order of the Takeovers Panel,

then where the Company has paid the Break Fee to Bidder Holdco in accordance with this clause 13, the requirement to pay the Break Fee does not apply to the extent to the Impugned Amount, and if Bidder Holdco has received the Impugned Amount, it must refund it within five Business Days of the determination being made.

- (b) The parties must not make or cause to be made, any application to a court or the Takeovers Panel for or in relation to a declaration or determination referred to in clause 13.5(a).

14. Reverse Break Fee

14.1 Acknowledgement

- (a) Bidder Holdco acknowledges that:
 - (i) Bidder Holdco believes, having taken advice from its external legal advisor and financial advisors, that it and its shareholders will derive significant benefits from the implementation of the Scheme and acknowledges that:
 - (A) the Company has and will incur significant costs, expenses, outgoings and losses if the Scheme is not successful, and that it is not possible to accurately ascertain these costs;
 - (B) it is reasonable and appropriate to agree to pay the Reverse Break Fee to secure the Company's entry into this Deed; and
 - (C) the Reverse Break Fee represents a genuine and reasonable pre-estimate of the internal, external advisory and financial costs (and all associated out of pocket expenses) of the Company in relation to the proposed Scheme.
- (b) Bidder Holdco confirms that:
 - (i) it has received legal advice on this Deed and the operation of this clause; and
 - (ii) it considers this clause to be fair and reasonable and that it is appropriate to agree to the terms in this clause in order to secure the significant benefits to it (and its shareholders) resulting from the Scheme.

14.2 Reverse Break Fee triggers

Subject to clauses 14.3 and 14.5, Bidder Holdco must pay the Reverse Break Fee to the Company, if, during the Exclusivity Period:

- (a) **Bidder Holdco Shares CPs:** this Deed is validly terminated in accordance with clause 3.5 due to the failure to satisfy the Condition Precedent set out in clause 3.1(l) (*NYSE and TSX listing*) or 3.1(m) (*U.S. Securities Act Exemption*);
- (b) **Material breach by Bidder Holdco:** Bidder Holdco is in material breach of any of its obligations under this Deed (including of a representation or warranty) and the

Company validly terminates this Deed in accordance with (and subject to the cure periods specified in) clause 11.1(a)(i) and 11.2(b); or

- (c) **Failure to complete:** Bidder Holdco or Bidder AU do not provide the Scheme Consideration in accordance with its obligation under this Deed, the Scheme and the Deed Poll.

14.3 Limits on payment of the Reverse Break Fee

- (a) The Reverse Break Fee is not payable under clause 14.2 if the Scheme becomes Effective despite the occurrence of any event under clause 14.2(a) or 14.2(b) and, if the Reverse Break Fee has already been paid it must be refunded by the Company.
- (b) Notwithstanding any other provision of this Deed, but subject to 14.6, the maximum aggregate liability of the Bidder Group Members, as a whole, to the Company under or in connection with this Deed, including in respect of a breach of this Deed (including a breach of representation or warranty), is an amount equal to the amount of the Reverse Break Fee, except to the extent that liability arises in connection with any wilful misconduct or fraud by, or on behalf of, any Bidder Indemnified Party.

14.4 Payment of the Reverse Break Fee

- (a) Any payment of the Reverse Break Fee required under this clause 14 must be made into the account nominated by the Company, without set-off or withholding, within 10 Business Days of receipt of a written demand from the Company.
- (b) Any payment of the Reverse Break Fee under this clause 14 which has been made in accordance with clause 14.4(a) can only be made once and the Company cannot make any claim against Bidder Holdco for any further or subsequent Reverse Break Fee.

14.5 Compliance with law

- (a) If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a court that all or any part of the Reverse Break Fee required to be paid under this clause 14 (**Reverse Break Fee Impugned Amount**):
 - (i) involves a breach of a statutory, fiduciary or other duty of a director of a party;
 - (ii) is, was or would be unlawful; or
 - (iii) constitutes unacceptable circumstances (as declared by the Takeovers Panel or a court) or breaches an order of the Takeovers Panel,

then where Bidder Holdco has paid the Reverse Break Fee to the Company in accordance with this clause 14, the requirement to pay the Reverse Break Fee does not apply to the extent to the Reverse Break Fee Impugned Amount, and if the Company has received the Reverse Break Fee Impugned Amount, it must refund it within five Business Days of the determination being made.

- (b) The parties must not make or cause to be made, any application to a court or the Takeovers Panel for or in relation to a declaration or determination referred to in clause 14.5(a).

14.6 Claims under the Deed Poll

Nothing in clause 14 or otherwise in this Deed, will limit:

- (a) Bidder Holdco or Bidder AU's liability in connection with a failure of Bidder Holdco or Bidder Au to provide, or procure the provision of, the Scheme Consideration to each Scheme Shareholder for each Company Share in accordance with the terms of this Deed and the Scheme in breach of clause 4.1 of this Deed, clause 4 of the Scheme or the Deed Poll; or
- (b) any application to a court or claim for specific performance or injunctive relief in relation to Bidder Holdco's or Bidder AU's failure to provide or procure the Scheme Consideration in accordance with clause 4.1 of this Deed, clause 4 of the Scheme or the Deed Poll.

15. Confidentiality and restrictions on contacting Government Agencies

Bidder Holdco and the Company acknowledge and agree that they continue to be bound by the Confidentiality Deed after the date of this Deed (including the confidentiality undertakings and restrictions on contact with government contained in that deed). The rights and obligations of the parties under the Confidentiality Deed survive termination of this Deed. To the extent of any inconsistency between the Confidentiality Deed and this Deed, the terms of this Deed shall prevail.

16. General

Subject to clauses 4.3, 4.4 and 4.6 the obligation of Bidder Holdco to provide, or procure the provision of, the Scheme Consideration to the Scheme Shareholders will be satisfied where the Scheme Consideration that is required to be provided to Scheme Shareholders is in the form of New Bidder Holdco Shares, by Bidder Holdco:

- (a) on the Implementation Date, issuing the Scheme Consideration comprising New Bidder Holdco Shares to each Scheme Shareholder and procuring that the name and address of the Scheme Shareholder is entered in the share register of Bidder Holdco in respect of those New Bidder Holdco Shares; and
- (b) procuring that on or before the date that is five Business Days after the Implementation Date, a share certificate or holding statement (or equivalent document) is sent to the Registered Address of each Scheme Shareholder representing the number of New Bidder Holdco Shares issued to the Scheme Shareholder pursuant to this Scheme.

4.3 Fractional Entitlements and Splitting

Where the calculation of the number of New Bidder Holdco Shares to be issued to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a New Bidder Holdco Share, the fractional entitlement will be rounded down to the nearest whole number of New Bidder Holdco Shares.

4.4 Ineligible Foreign Shareholders

- (a) Bidder Holdco has no obligation to issue any New Bidder Holdco Shares under this Scheme to any Ineligible Foreign Shareholder and instead:
 - (i) subject to clauses 4.3 and 4.5, Bidder Holdco must, on or before the Implementation Date, issue the New Bidder Holdco Shares which would otherwise be required to be issued to the Ineligible Foreign Shareholders (**Relevant Bidder Holdco Shares**) under this Scheme to the Sale Agent;
 - (ii) Bidder Holdco must procure that as soon as reasonably practicable after the Implementation Date (and in any event within 20 days after the Implementation Date), the Sale Agent:
 - (A) in consultation with Bidder Holdco, sells or procures the sale of the Relevant Bidder Holdco Shares in the ordinary course of trading on the TSX and in such manner, at such price and on such other terms as the Sale Agent reasonably determines; and
 - (B) as soon as reasonably practicable after settlement (and in any event within 10 Business Days), remits to Bidder Holdco the proceeds of the sale (after deduction of any reasonable brokerage or other selling costs, taxes and charges) (**Proceeds**);

- (iii) promptly after receiving the Proceeds in respect of the sale of all of the Relevant Bidder Holdco Shares in accordance with clause 4.4(a)(ii)(B), Bidder Holdco must pay, or procure the payment of, to each Ineligible Foreign Shareholder, the amount 'A' calculated in accordance with the following formula and rounded down to the nearest cent:

$$A = \left(\frac{B}{C}\right) \times D$$

Where

A = the amount to be paid to the relevant Ineligible Foreign Shareholder;

B = the number of Relevant Bidder Holdco Shares attributable to, and that would otherwise have been issued to, that Ineligible Foreign Shareholder had it not been an Ineligible Foreign Shareholder and which were instead issued to the Sale Agent;

C = the total number of Relevant Bidder Holdco Shares attributable to, and which would otherwise have been issued to, all Ineligible Foreign Shareholders collectively and which were issued to the Sale Agent; and

D = the Proceeds (as defined in clause 4.4(a)(ii)(B)).

- (b) The Ineligible Foreign Shareholders acknowledge that none of Bidder Holdco, Bidder AU, the Company nor the Sale Agent gives any assurance or representation as to the price that will be achieved for the sale of New Bidder Holdco Shares described in clause 4.4(a) or the amount of proceeds of sale to be received by Ineligible Foreign Shareholders under the Sale Facility. Each of the Company, Bidder Holdco or Bidder AU and the Sale Agent expressly disclaim any fiduciary duty to the Ineligible Foreign Shareholders which may arise in connection with this clause 4.4.
- (c) Bidder Holdco or Bidder AU must make, or procure the making of, payments to Ineligible Foreign Shareholders under clause 4.4(a) by either (in the absolute discretion of Bidder Holdco or Bidder AU, and despite any election referred to in clause 4.4(c)(i)(ii) or authority referred to in clause 4.4(c)(i) made or given by the Scheme Shareholder):
- (i) paying, or procuring the payment of, the relevant amount in United States dollars by electronic means to a bank account nominated by the Ineligible Foreign Shareholder by an appropriate authority from the Ineligible Foreign Shareholder to Bidder Holdco or Bidder AU; or
 - (ii) if a bank account has not been nominated by the Ineligible Foreign Shareholder in accordance with clause 4.4(c)(i):
 - (A) if an Ineligible Foreign Shareholder has, before the Record Date, made a valid election in accordance with the requirements of the Company Registry to receive dividend payments from the Company by electronic funds transfer to a bank account nominated by the Ineligible Foreign Shareholder, paying, or procuring the payment of, the relevant amount in United States dollars by electronic means in accordance with that election; or
 - (B) otherwise dispatching, or procuring the dispatch of, a cheque for the relevant amount in United States dollars to the Ineligible Foreign Shareholder by prepaid post to their Registered Address (as at the Record Date), such cheque being drawn in the name of

the Ineligible Foreign Shareholder (or, each in the case of joint holders, in accordance with the procedures set out in clause 4.3).

- (d) If Bidder Holdco or Bidder AU receives professional advice that any withholding or other tax is required by law or by a Governmental Agency to be withheld from a payment to an Ineligible Foreign Shareholder, Bidder Holdco is entitled to withhold the relevant amount before making the payment to the Ineligible Foreign Shareholder (and payment of the reduced amount shall be taken to be full payment of the relevant amount for the purposes of this Scheme, including clause 4.4(a)(iii)). Bidder Holdco or Bidder AU must pay any amount so withheld to the relevant taxation authorities within the time permitted by law, and, if requested in writing by the relevant Ineligible Foreign Shareholder, provide a receipt or other appropriate evidence of such payment (or procure the provision of such receipt or other evidence) to the relevant Ineligible Foreign Shareholder.
- (e) Each Ineligible Foreign Shareholder appoints Bidder Holdco as its agent to receive on its behalf any financial services guide (or similar or equivalent document) or other notices (including any updates of those documents) that the Sale Agent is required to provide to Ineligible Foreign Shareholders under the Corporations Act or any other applicable law.
- (f) Payment of the amount 'A' calculated in accordance with clause 4.4(a) to an Ineligible Foreign Shareholder in accordance with this clause 4.4 satisfies in full the Ineligible Foreign Shareholder's right to Scheme Consideration.
- (g) Where the issue of New Bidder Holdco Shares to which a Company Shareholder would otherwise be entitled under this Scheme would result in a breach of law:
 - (i) Bidder Holdco will issue the maximum possible number of New Bidder Holdco Shares to the Company Shareholder without giving rise to such a breach; and
 - (ii) any further New Bidder Holdco Shares to which that Company Shareholder is entitled, but the issue of which to the Company Shareholder would give rise to such a breach, will instead be issued to the Sale Agent and dealt with under the preceding provisions in this clause 4.4, as if a reference to Ineligible Foreign Shareholders also included that Company Shareholder and references to that person's New Bidder Holdco Shares in that clause were limited to the New Bidder Holdco Shares issued to the Sale Agent under this clause.

4.5 Orders of a court or Governmental Agency

If a law requires, or if written notice is given to the Company (or the Company Registry) or Bidder Holdco (or Bidder Holdco share registry) of an order or direction made by a court of competent jurisdiction or by another Governmental Agency that:

- (a) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder by the Company or Bidder Holdco in accordance with this clause 4, or which requires an amount to be deducted or withheld from any consideration which would otherwise be payable or provided to a Scheme Shareholder in accordance with this clause 4, then the Company or Bidder Holdco (as applicable) shall be entitled to procure that provision of that consideration, or deduction or withholding, is made in accordance with that order or direction; or
- (b) prevents the Company or Bidder Holdco from providing consideration to any particular Scheme Shareholder in accordance with this clause 4, or the payment or

issuance of such consideration is otherwise prohibited by applicable law, the Company or Bidder Holdco shall be entitled to (as applicable):

- (i) in the case of an Ineligible Foreign Shareholder or other shareholder referred to in clause 4.4, retain an amount, in United States dollars, equal to the relevant shareholder's share of the Proceeds; or
- (ii) not to issue (or direct Bidder Holdco to issue), or to issue to a trustee or nominee, such number of New Bidder Holdco Shares that Scheme Shareholder would otherwise be entitled under clause 4.2,

until such time as provision of the Scheme Consideration in accordance with this clause 4 is permitted by that (or another) order or direction or otherwise by law.

To the extent that amounts are deducted or withheld under or in accordance with this clause 4.5, such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction or withhold was made.

4.6 Unclaimed monies

- (a) Bidder Holdco or Bidder AU may cancel a cheque issued under clause 4.4(c)(ii)(B) if the cheque:
 - (i) is returned to the Company or Bidder AU; or
 - (ii) has not been presented for payment within 6 months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Shareholder to the Company or Bidder AU (or the Company Registry) (which request may not be made until the date that is 20 Business Days after the Implementation Date), Bidder Holdco or Bidder AU must reissue a cheque that was previously cancelled under clause 4.6(a).
- (c) The Unclaimed Money Act will apply in relation to any Scheme Consideration that becomes "unclaimed money" (as defined in section 6 of the Unclaimed Money Act), but any interest or other benefit accrued from the unclaimed Scheme Consideration will be for the benefit of Bidder AU.

4.7 Status of New Bidder Holdco Shares

Bidder Holdco covenants in favour of the Company (in its own right and on behalf of the Scheme Shareholders) that the New Bidder Holdco Shares required to be issued by it under this Scheme will:

- (a) on their issue rank equally in all respects with all other Bidder Holdco Shares on issue;
- (b) on their issue be duly and validly issued and authorized in accordance with all applicable laws and Bidder Holdco's articles of incorporation, by-laws and other constituent documents;
- (c) on their issue be entitled to participate in and receive any dividends or distribution of capital paid and any other entitlements accruing in respect of Bidder Holdco Shares on and from the Implementation Date;

- (d) from the Business Day following the date this Scheme becomes Effective (or such later date as NYSE or TSX requires), be quoted and listed for trading on the NYSE and TSX; and
- (e) on their issue be fully paid, non-assessable and free of any Security Interest or encumbrance.

4.8 Joint Holders

In the case of the Company Shares held in joint names:

- (a) the New Bidder Holdco Shares to be issued under this Scheme must be issued to and registered in the names of the joint holders; and
- (b) any other document required to be sent under this Scheme, will be forwarded to either, at the sole discretion of the Company, the holder whose name appears first in the Register as at the Record Date or to the joint holders.

5. Dealings in the Company Shares

5.1 Determination of Scheme Shareholders

For the purposes of identifying the Scheme Shareholders, dealings in the Company Shares will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Register as the holder of the relevant Company Shares at or before 5.00 pm on the Record Date; and
- (b) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received at or before 5.00 pm on the Record Date at the place where the Register is kept.

5.2 Register

- (a) **(Transmission applications or transfers received at or before 5.00 pm on the Record Date)**: the Company must register registrable transmission applications or transfers of the kind referred to in clause 5.1(b) by 5.00 pm on the Record Date, provided that, for the avoidance of doubt, nothing in this clause 5.2(a) requires the Company to register a transfer that would result in a Company Shareholder holding a parcel of the Company Shares that is less than a “marketable parcel” (for the purposes of this clause 5.2(a), “marketable parcel” has the meaning given in the Operating Rules).
- (b) **(Transmission applications or transfers received after 5.00 pm on the Record Date)**: the Company will not accept for registration or recognise for any purpose any transmission applications or transfers in respect of the Company Shares received after 5.00 pm on the Record Date, other than a transfer to Bidder AU in accordance with this Scheme and any subsequent transfer by Bidder AU or its successors in title.
- (c) **(Maintaining of the Register)**: for the purpose of determining entitlements to participate in this Scheme, the Company will, until the Scheme Consideration has been provided, maintain the Register in accordance with the provisions of this clause 5 and the Register in this form will solely determine entitlements to the Scheme Consideration.

- (d) **(Scheme Shareholder details):** the Company must procure that by 9.00 am on the Implementation Date, details of the names, registered addresses and holdings of the Company Shares of every Scheme Shareholder as shown in the Register at 5.00 pm on the Record Date are available to Bidder Holdco in such form as Bidder Holdco may reasonably require.
