Dear Shareholder,

### Invitation to participate in Share Purchase Plan

On 22 April 2024, DroneShield Limited (ACN 608 915 859) (**DroneShield or the Company**) announced the completion of a \$70,221,532.80 placement of fully paid ordinary shares in the Company (**Shares**) to sophisticated, institutional and professional investors (**Tranche 1 Placement**) at an issue price of \$0.80 per Share (**Placement Price**) and a proposed further \$30,300,000 placement of Shares at the Placement Price, subject to Shareholder approval (**Tranche 2 Placement** and, together with the Tranche 1 Placement, the **Placement**). Further details in relation to the Placement, including the use of funds are set out in the investor presentation dated 18 April 2024 and the ASX announcements released on 18 and 22 April 2024.

The board of directors of the Company (**Board**) is pleased to offer Eligible Shareholders (defined below) an opportunity to participate in a share purchase plan (**SPP**). The SPP will provide all Eligible Shareholders with the opportunity to purchase Shares up to the value of \$30,000 at \$0.80 per Share (being the Placement Price), irrespective of the size of their shareholding, without incurring brokerage or transaction costs.

The offer under the SPP (**Offer**) is intending to raise a maximum of \$5,000,000 on the terms and conditions contained in this document (**Terms and Conditions**). The Company may elect to accept oversubscriptions, but subject to a maximum amount of \$15,000,000, or alternatively close the Offer early and/or scale back applications at its absolute discretion.

### Shareholders eligible to participate in the SPP

Participation under the SPP is optional and is available exclusively to shareholders of the Company who are registered as holders of Shares at 7.00pm (AEST) on 17 April 2024 (**Record Date**) and whose registered address is in Australia, New Zealand, Singapore, Switzerland, Hong Kong, the United Kingdom, Germany, the Netherlands or the United States (only to shareholders who are "accredited investors" as defined in Rule 501(a) of the US Securities Act of 1933) (**Eligible Shareholders**).

### Share Purchase Plan

The SPP entitles Eligible Shareholders, irrespective of the size of their shareholding, to purchase Shares up to the value of \$30,000 at an issue price of \$0.80 per Share (**Price**) being the same price as the Shares offered under the Placement. The Price represents a discount of 18.9% to \$0.986 (being the volume weighted average market price (**VWAP**) of the Shares over the last five trading days on which sales in the Shares were recorded before the day on which the SPP was announced on 18 April 2024.

Whilst the Company intends to raise \$5,000,000 under the SPP, the Company reserves the right to accept oversubscriptions, but subject to a maximum amount of \$15,000,000, at its absolute discretion subject to shareholder demand and compliance with the ASX Listing Rules. In accordance with the ASX Listing Rules, the maximum number of Shares that can be issued under a share purchase plan is that amount equal to 30% of the Company's existing issued share capital.

Depending on applications received, the Company may, in its absolute discretion, undertake a scale back so that not more than \$5,000,000 is raised under the SPP. Scale back decisions are made by the Board and are final.

For personal use only

The SPP will not be underwritten.

The directors of the Company who are Eligible Shareholders intend to participate under the SPP subject to the Listing Rules.

An application form for the SPP (**Application Form**) is available and accessible at the following link: <https://investor.automic.com.au>. Eligible Shareholders will need their Securityholder Reference Number (**SRN**) or Holder Identification Number (**HIN**) from their latest Holding Statement, and postcode, to access the Application Form.

**Current activities**

Details of the Company's current activities are set out in the announcements made by the Company to the ASX and are available from the ASX platform (ASX: DRO) at <https://www.asx.com.au/markets/company/DRO>.

**Use of funds**

The proceeds raised under the SPP and the Placement are intended to be utilised to build up the Company's inventory to support its strong pipeline of high-quality customer opportunities, invest in artificial intelligence and machine learning, pay the expenses of the Offer and for general working capital purposes.

**How much can you invest?**

Eligible Shareholders may each apply for Shares with a maximum value of \$30,000 and a minimum value of \$2,000 under the SPP.

**How to accept this Offer**

To apply for Shares under the SPP, please follow the instructions on the enclosed personalised Application Form. Eligible Shareholders may participate by selecting only one of the following offers to purchase Shares under the SPP:

	Total amount payable	Number of Shares which may be purchased
Offer A	\$30,000	37,500
Offer B	\$25,000	31,250
Offer C	\$20,000	25,000
Offer D	\$15,000	18,750
Offer E	\$10,000	12,500
Offer F	\$5,000	6,250
Offer G	\$2,000	2,500

The number of Shares to which you are entitled will be calculated by dividing the subscription amount you have selected by the Price, rounded down.

All payments in accordance with the options set out in your Application Form (**Application**) must be received by the **Closing Date of 10 May 2024**. If the exact amount of money is not tendered with your Application, the Company reserves the right to either:

- (a) return your application monies and not issue any Shares to you; or

For personal use only

- (b) issue to you the number of Shares that would have been issued had you applied for the highest designated amount that is less than the amount of your payment and refund the excess application monies to you by electronic funds transfer as soon as possible, without interest.

The Company confirms that if the amount to be refunded is less than the issue price of one Share, being \$0.80, it will not be refunded and will be retained by the Company.

Once an Application has been made it cannot be revoked.

### **Multiple holdings**

The maximum investment any Eligible Shareholder may apply for will remain \$30,000 even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account). It is the responsibility of the applicant to ensure that the aggregate of the application amount paid for the Shares the subject of the Application and any other shares and interests in the class applied for by you under the SPP or any similar arrangement in the 12 months prior to the date of submission does not exceed \$30,000.

### **Custodians and Nominees**

Eligible Shareholders who hold Shares as custodian or nominee (**Custodian**) for one or more persons on the Record Date (**Beneficiary**) may apply for Shares up to a maximum amount of \$30,000 in respect of each Beneficiary who is resident in Australia, New Zealand, and Singapore, subject to providing a Custodian Certificate to the Company, as described in the Terms and Conditions. Please refer to the Terms and Conditions section of this document below for more details.

Custodians and Nominees may not distribute this document and may not permit any beneficial shareholder to participate in the Offer, in any country outside Australia, New Zealand and Singapore except, with the consent of the Company, to beneficial shareholders resident in certain other countries where the Company may determine it is lawful and practical to make the Offer.

### **Relationship of issue price with market price**

On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on ASX was \$1.12. The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you pursuant to your Application under the Offer.

By making an Application under the Offer and applying for Shares under the SPP, each Eligible Shareholder will be acknowledging that although the Price is at a discount, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make an offer and the date of issue of Shares under that offer and that the value of the Shares received under the SPP may rise or fall accordingly.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an Application under the Offer.

### **Additional information and important dates**

The offer of Shares under the SPP is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (**ASIC CI 2019/547**) and therefore does

not require a prospectus for the purposes of Chapter 6D of the *Corporations Act 2001* (Cth) (**Corporations Act**).

The Offer cannot be transferred, and the directors of the Company (**Directors**) reserve the right in their absolute discretion to reject, or scale back, on an equitable basis, any Application. Shares issued under the SPP will be issued no more than five business days after the Closing Date of the Offer. Application for quotation on ASX of the new Shares will be made immediately following the issue of those Shares.

The maximum amount proposed to be raised under the Offer is \$5,000,000. The Company, however, reserves absolute discretion regarding the final amount raised under the Offer subject to a maximum amount of \$15,000,000, subject to the ASX Listing Rules.

In the event of oversubscriptions by the Closing Date the Directors may, in their absolute discretion, scale-back applications on an equitable basis. Scale-back for Shares held by Custodians will be applied at the level of the underlying Beneficiary. Directors may also, in their absolute discretion, decide to increase acceptances in the event of oversubscriptions, subject to a maximum amount of \$15,000,000.

If the Company rejects or scales-back an Application or purported Application, the Company will promptly return to the applicant the relevant application monies, without interest.

**DRONESHIELD LIMITED****ACN 608 915 859****Share Purchase Plan - Terms and Conditions****Purpose**

The purpose of the Share Purchase Plan (the **SPP**), which will be conducted in conjunction with the Placement, is to offer shareholders of DroneShield Limited (**DroneShield** or the **Company**) the opportunity to acquire additional fully paid ordinary shares in the Company (**Shares**) up to a maximum value of \$30,000 (when combined with any Shares issued under any share purchase plan in the 12 months preceding the date of the SPP) and a minimum value of \$2,000.

The issue price of \$0.80 per Share under the SPP represents a discount of 18.9% to the volume weighted average market price of the Shares over the last five trading days on which sales in the Shares were recorded prior to the date the SPP was announced on 18 April 2024, being \$0.986.

The Company is intending to raise \$5,000,000 under the SPP with the ability to accept oversubscriptions, but subject to a maximum amount of \$15,000,000. The Shares will not attract brokerage costs and will be issued without the need for the Company to issue a prospectus. The SPP is governed upon such terms and conditions as the board of Directors, in its absolute discretion, sees fit.

**No financial advice**

This document does not provide financial advice and has been prepared without taking account of any person's investment objectives, financial situation or particular needs. You should consider the appropriateness of participating in the SPP having regard to your investment objectives, financial situation and particular needs. Participation in the SPP is optional and is subject to these Terms and Conditions. Offers made under the SPP are non-renounceable (i.e., Eligible Shareholders may not transfer their rights to any Shares offered under the SPP). Eligible Shareholders who wish to take up Shares offered under the SPP agree to be bound by the Company's constitution in respect of Shares issued under the SPP.

An offer may, at the discretion of the Directors, be made under the SPP once a year. The maximum amount which any shareholder may subscribe for in any consecutive 12-month period is \$30,000. The Directors may also determine in their discretion the minimum amount

for participation, the multiple of Shares to be offered under the SPP and the period the offer is available to Eligible Shareholders.

**Custodians, trustees and nominees**

If you are an Eligible Shareholder and hold Shares as a custodian (as defined in ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (**ASIC CI 2019/547**) (refer below) (**Custodian**) or in any more specific ASIC relief granted to the Company in relation to the SPP), you may apply for Shares up to a value of \$30,000 for each beneficiary for whom you act as custodian provided you complete and submit, together with an Application, a certificate (**Custodian Certificate**) with the following information:

- (a) that you held Shares on behalf of:
  - (i) one or more other persons that are not custodians; and/or
  - (ii) another custodian (**Downstream Custodian**) that holds beneficial interests in Shares on behalf of one or more other persons who are resident in a Permitted Jurisdiction, to which those beneficial interests relate,  
  
(each a **Participating Beneficiary**) at the Record Date who have subsequently instructed you, and/or the Downstream Custodian, to apply for Shares under the SPP on their behalf;
- (b) the number of Participating Beneficiaries and their names and addresses;
- (c) the number of Shares that you hold on behalf of each Participating Beneficiary;
- (d) the number or dollar amount of Shares that each Participating Beneficiary has instructed you, either directly or indirectly through a Downstream Custodian, to apply for on their behalf;
- (e) that the application price for Shares applied under the Offer for each Participating Beneficiary for whom you act in addition to the application price for any other Shares issued to you as custodian (as a result of instruction given to you as Custodian or a Downstream Custodian) for that Participating Beneficiary under any arrangement similar to the SPP in the prior 12 months does not exceed \$30,000;
- (f) that a copy of the written Offer document was given to each Participating Beneficiary; and
- (g) where you hold Shares on behalf of a Participating Beneficiary indirectly, through one or more Downstream Custodians, the name and address of each Downstream Custodian.

For the purposes of ASIC CI 2019/547 you are a '**Custodian**' if you provide a custodial or depository service in relation to shares of a body or interests in a registered scheme and you:

- (a) hold an Australian financial services licence covering the provision of a custodial or depository service;
- (b) are exempt from the requirement to hold an Australian financial services licence covering the provision of a custodial or depository service;

Custodians should request a Custodian Certificate when making an Application on behalf of Participating Beneficiaries. To request a Custodian Certificate and if you would like further information on how to apply, you should contact the Company's share registry at any time from 8.30am to 5.00pm (AEST time) Monday to Friday during the Offer period.

Custodians and Nominees may not distribute this document and may not permit any beneficial shareholder to participate in the Offer, in any country outside Australia, New Zealand and Singapore except, with the consent of the Company, to beneficial shareholders resident in certain other countries where the Company may determine it is lawful and practical to make the Offer.

The Company reserves the right to reject any Application to the extent it considers that the Application (whether alone or in conjunction with other Applications) does not comply with these requirements. The Company reserves the right to reject Applications in accordance with these Terms and Conditions.

### **Price of Shares**

The issue price of Shares under the SPP has been set to match the issue price of Shares offered under the Placement.

The issue price of Shares to be issued under the SPP is \$0.80 which represents a discount of 18.9% of the volume weighted average market price for the Shares over the last five trading days on which sales in the Shares were recorded prior to the date the SPP was announced on 18 April 2024, being \$0.986.

The future market price of the Shares is uncertain and there is a risk that the market price of the Shares may rise or fall between the date of the Offer and the date when the Shares are issued to applicants under the SPP. Accordingly, the issue price you pay for Shares under the SPP may either be higher or lower than market price of the Shares trading on the ASX at the time the Shares are issued to you under the SPP. The market price for the Shares on the ASX can be obtained from your stockbroker or the ASX's website.

### **Applications and notices**

At the discretion of the Directors, the Company will send Eligible Shareholders a letter of offer and acceptance procedures, inviting them to subscribe for Shares under the SPP, and accompanied by these Terms and Conditions of the SPP and an Application Form. Applications will not be accepted after the Closing Date of the Offer being **10 May 2024**. Oversubscriptions to the Offer may be refunded without interest, if not accepted by the Company.

Notices and statements made by the Company to participants may be given in any manner prescribed by the Company's Constitution.

The Company does not intend to place any shortfall under the Offer.

---

## **Issue of Shares**

Shares to be issued under the SPP will be issued as soon as reasonably practicable after the Closing Date and in any event no more than five business days after the Closing Date.

All Shares issued under the SPP will rank equally in all respects with all other fully paid ordinary shares in the capital of the Company from the date of issue.

Holding statements or CHESS notification will be issued in respect of all Shares issued under the SPP. The Company will, promptly after the issue of Shares under the SPP, make an application for those Shares to be quoted on ASX.

## **Modification and termination of the SPP**

The Company may modify or terminate the SPP at any time. The Company will notify ASX of any modification to, or termination of, the SPP. The omission to give notice of any modification to, or termination of, the SPP or the failure of ASX to receive such notice will not invalidate the modification or termination.

Without limiting the above, the Company may issue to any person fewer Shares than the person applied for, or issue that person no Shares at all, under the SPP if the issue of Shares applied for would contravene any applicable law, ASIC requirements (including under ASIC CI 2019/547) or policy or any ASX Listing Rules.

## **Raising amount and scale back**

While the Company is seeking to raise \$5,000,000 under the SPP, the Company reserves the right to accept oversubscriptions at its absolute discretion, but subject to a maximum amount of \$15,000,000.

The Company reserves absolute discretion regarding the final amount raised under the SPP subject to compliance with the ASX Listing Rules but subject to a maximum amount of \$15,000,000.

In accordance with the ASX Listing Rules, the maximum number of Shares that can be issued under a share purchase plan is that amount equal to 30% of the Company's existing issued share capital.

In the event of oversubscriptions, the Directors may, in their absolute discretion, increase the amount raised under the SPP (in accordance with the ASX Listing Rule parameters), but subject to a maximum amount of \$15,000,000, or alternatively scale-back all Applications on an equitable basis. If the Company rejects or scales-back an Application or purported Application, the Company will promptly return to the applicant the relevant application monies, without interest. Scale-back decisions are made by the Directors and are final.

## **Dispute resolution**

The Company may, in any manner it thinks fit, settle any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the SPP, whether generally or in relation to any participant, Application or Shares. The decision of the Company in this respect will be conclusive and binding on all shareholders and other persons to whom that determination relates.

The Company reserves the right to waive strict compliance with any provision of these Terms and Conditions. The powers of the Company under these Terms and Conditions may be exercised by the Directors or any delegate of the Directors.
