As of the date of this Notice of Meeting, the executive Director is Mr. Ning Yue, the non-executive Directors are Mr. Gang Ru, Mr. Yaomeng Xiao, Mr. Xiaolong Huang and Mr. Changyi Zhang and the independent non-executive Directors are Mr. Gregory James Fletcher, Dr. Geoffrey William Raby and Ms. Debra Anne Bakker.

EXPLANATORY NOTES

The Explanatory Notes form part of the Notice of Meeting and have been prepared to assist shareholders to understand the business to be put to the shareholders at the AGM.

Item 1: Financial Statements and Reports

The financial statements and reports relate to the period from 1 January 2023 to 31 December 2023.

The Corporations Act requires the Financial Report (which includes the financial statements and notes, and the Directors' Declaration), the Directors' Report and the Auditor's Report to be laid before the AGM.

There is no requirement in the Corporations Act for shareholders to approve the Financial Report, the Directors' Report or the Auditor's Report. Pursuant to Rule 7.10(a)(2) of the Constitution, the Company's majority shareholder, Yankuang Energy Group Company Limited (formerly known as Yanzhou Coal Mining Company Limited) (**Yankuang Energy**), has approved the financial statements of the Company in writing.

Shareholders will be given a reasonable opportunity at the AGM to ask questions and make comments on these reports and on the business and operations of the Company. Shareholders will also be able to ask questions of the Auditor, SW Audit.

The documents are available on the Company's website at www.yancoal.com.au.

Item 2: Election and Re-election of Directors

The Company must hold an election of Directors each year in accordance with ASX Listing Rule 14.5. Further, in accordance with ASX Listing Rule 14.4, and Rule 8.1(c) and 8.1(d) of the Constitution, a Director appointed by the Board only holds office until the conclusion of the next general meeting following his or her appointment; and a Director must not hold office (without re-election) beyond the third annual general meeting following the meeting at which the Director was elected or re-elected. In accordance with code provision B.2.2 of Part 2 of Appendix C1 to the Rules Governing the Listing of Securities on the Stock Exchange (**HK Listing Rules**), every director should be subject to retirement by rotation at least once every three years.

Mr Ning Yue was appointed as a Director on 27 September 2023, and being eligible, offers himself for election to be elected as an executive Director of the Company.

Ms Debra Anne Bakker was appointed as a Director on 1 March 2024, and being eligible, offers herself for election to be elected as an independent non-executive Director of the Company. Mr Gregory James Fletcher and Dr Geoffrey William Raby were re-elected on 28 May 2021. In accordance with the rules outlined above, Mr Gregory James Fletcher and Dr Geoffrey William Raby are to retire from the Company's Board at the AGM unless they offer themselves for re-election. Mr Gregory James Fletcher and Dr Geoffrey William Raby, being eligible, have offered themselves for re-election at the AGM in accordance with ASX Listing Rule 14.4 and Rule 8.1(d) of the Constitution.

In accordance with code provision B.2.3 of Part 2 of Appendix C1 to HK Listing Rules, if an independent non-executive director has served more than nine years, his or her further appointment should be subject to a separate resolution to be approved by shareholders and the listed issuer is required to state in a notice of meeting why its board believes he or she is still independent and should be re-elected.

Mr Fletcher and Dr Raby have been independent non-executive Directors since their appointment on 26 June 2012 and therefore will have served on the Board of the Company as independent directors for more than nine years. Mr Fletcher and Dr Raby have always emphasised the importance of high standards of corporate governance and contributed by objectively advising as well as constructively monitoring and mentoring the management team in their capacity as independent non-executive Directors. Being familiar with the corporate values of the Company, Mr Fletcher and Dr Raby have enhanced these values through their strong relationship with management. Mr Fletcher and Dr Raby have also devoted sufficient time and demonstrated the required attributes of independent non-executive Directors and have provided independent views and advice to the Company from various perspectives including but not limited to accounting, financial management, commercial and corporate governance matters.

After a review of all the skillsets, experience, qualifications, time commitment and actual contributions of Mr Fletcher and Dr Raby respectively, the Board is satisfied that Mr Fletcher and Dr Raby each have the required character, integrity, experience and knowledge to continue fulfilling their respective roles of independent non-executive Directors effectively, their length of tenure had not affected their independence having regard to their actual contributions, their objectivity and effective oversight of management, and their continued tenure will continue to bring valuable insights, expertise and fresh perspectives to the Board and its diversity.

Each of Mr Fletcher and Dr Raby has confirmed his independence as regards to each of the factors referred to in Rule 3.13 of the HK Listing Rules. The Company is not aware of any evidence that the length of tenure of Mr Fletcher and Dr Raby has any adverse impact on their independence, nor any circumstance that might influence them in effectively exercising their judgement independently, in either case in their capacity as independent non-executive Directors despite their familiarity with the Company's affairs and management. The Company has conducted an assessment on their independence, and is of the view that each of them complies with the guidelines on independence as set out in Rule 3.13 of the HK Listing Rules and that Mr Fletcher and Dr Raby are considered as independent under the HK Listing Rules, despite the fact that they have served the Company for more than nine years.

- sets out the remuneration details for each Director and for each relevant executive of the Company.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the AGM.

The vote on the Remuneration Report is advisory only and will not bind the Company.

A voting exclusion applies to this item of business, as set out in this Notice of Meeting.

Recommendation

The Board recommends that shareholders vote in favour of the adoption of the Remuneration Report.

Item 4: Approval of termination benefit payments

On 27 September 2023, the Company announced that Mr Ning Zhang had resigned as an Executive Director, Co-Vice Chairman of the Board and Chair of the Executive Committee and all related Group directorships effective 27 September 2023. The Board agreed to the terms of his resignation.

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the company or a related body corporate if an exemption applies under section 200F or it is approved by shareholders under section 200E. This restriction applies to managerial or executive officers of the Company or any of its subsidiaries, which includes Mr Ning Zhang.

The term "benefit" for the purposes of Part 2D.2 of the Corporations Act has a wide operation and could include the payment listed below. The contemplated payment to Mr Zhang does not fall under any of the exemptions or thresholds under section 200F of the Corporations Act. Accordingly, for the purposes of sections 200B and 200E of the Corporations Act, approval is required to be obtained from shareholders to allow the Company to pay the final payment to Mr Zhang under the deferred 2021 STIP, deferred 2022 STIP and 2023 STIP as determined by the Board (**CEC STIP Payment**), in accordance with the Yancoal Australia Ltd Equity Incentive Plan (the **Plan**) and on the terms and conditions set out in his deed of release.

If approval is granted, Mr Zhang will receive the payment described in the table below, in addition to any other termination benefits that the Company may provide to them where permitted to do so under the Corporations Act.

If approval is not granted, the Company may be unable to provide Mr Zhang with the benefits described in the table below. This may unnecessarily expose the Company to a substantial risk of claims for breach of contract and other legal action.

The Plan was previously approved by shareholders in 2018 for the purposes of what was then ASX Listing Rule 7.2, Exception 9(b) (but is now Listing Rule 7.2, Exception 13(b)) and approval by shareholders of the Plan for the purposes of Listing Rule 7.2, Exception 13(b) is again being sought by way of ordinary resolution under Item 5.

The Company's majority shareholder, Yanguang Energy, holds approximately 62.26% of the shares on issue in the Company, and is not an associate of Mr Zhang.

As Mr Zhang was a director of the Company in the last 12 months, he is a connected person of the Company under the HK Listing Rules, and accordingly, the CEC STIP Payment constitutes a connected transaction under the HK Listing Rules. As all relevant percentage ratios (as defined in the HK Listing Rules) in relation to the CEC STIP Payment is less than 0.1%, such connected transaction is exempt from the reporting, announcement and independent shareholders' approval requirements under the HK Listing Rules.

An overview of the key terms of the proposed payment of the CEC STIP Payment to Mr Zhang, including the value of the benefit given and other information required under sections 200B and 200E of the Corporations Act, is set out in the table below.

Details of the CEC STIP Payment	\$515,174
Date of proposed payment	On or around 15 June 2024

A voting exclusion applies to this item of business, as set out in this Notice of Meeting.

Recommendation

The Board recommends that you vote in favour of approving the CEC STIP Payment to Mr Ning Zhang.

Item 5: Approval of the issue of securities under the Equity Incentive Plan

Following a review of the Company's variable remuneration and incentive framework, in 2018 the Board implemented the Plan, under which present and prospective eligible employees, contractors and Directors of the Company and its subsidiaries (**Eligible Employees**) may be granted equity Awards from time to time.

The purpose of the Plan is to attract, retain and motivate Eligible Employees essential for the continued growth and development of the Company, provide a strategic, value based reward for Eligible Employees who make a key contribution to the success of the Company and align the interests of Eligible Employees more closely with the interests of shareholders by providing an opportunity for Eligible Employees to receive an equity interest in the Company and to share in any future growth in value of the Company.

Under ASX Listing Rule 7.1, a listed company must not, without the approval of its shareholders, issue more than 15% of its equity securities in any 12 month period.

Exception 13(b) of ASX Listing Rule 7.2 provides that an issue of securities under an employee incentive scheme (which would include the issue of equity Awards under the Plan) will be treated as an exception to ASX Listing Rule 7.1 if, within 3 years before the date of issue of the securities, the shareholders of the listed company have approved the issue of securities pursuant to the relevant employee incentive scheme. Accordingly, the resolution in Item 5 seeks the approval of shareholders for any issue of securities under the Plan (including the grant of any equity Awards under the Plan, and any issue of shares under the Plan upon the exercise of Awards) for the purposes of ASX Listing Rule 7.2, Exception 13(b) so that, to the extent that securities are issued under the Plan during the 3 year period following the shareholder approval, those securities will not count towards the 15% limit under ASX Listing Rule 7.1.

Subject to there being no material amendments to the Plan, shareholder approval of the resolution in Item 5 will be effective for 3 years from the date of the approval. In the absence of such an approval, future issues of securities under the Plan may still be made, but must be counted towards the Company's capacity to issue equity securities under ASX Listing Rule 7.1 at the time of issue.

The Plan was previously approved by shareholders in 2018 for the purposes of what was then ASX Listing Rule 7.2, Exception 9(b) (but is now Listing Rule 7.2, Exception 13(b)). For the purposes of ASX Listing Rule 10.15.9, details of the key terms of the Plan are provided in the table below.

Eligibility	Eligibility to participate in the Plan will be determined by the Board.
Offers	The Board may offer Awards (as defined below) to any eligible employee from time to time as determined by the Board by making an offer or invitation to the eligible employee (Eligible Employee).
Awards	<p>Under the Plan, the Board will have the discretion to offer awards (Awards) in the form of:</p> <ul style="list-style-type: none"> rights to acquire shares in the Company for an exercise price (Options); rights to acquire shares in the Company for nil consideration (Rights); shares, including to be acquired under a limited recourse loan funded arrangement; and/or restricted shares, to be held under the Plan subject to disposal restrictions. <p>Each Option or Right will entitle to receive such number of shares determined by the Board and specified in the relevant offer, or to receive a cash amount equivalent to the value of such number of shares, on and subject to the rules of the Plan and the terms of the offer.</p>

Terms and conditions	<p>The Board has the discretion to determine the terms and conditions applicable to an offer of Awards under the Plan, including:</p> <ul style="list-style-type: none"> the number and type of Awards being offered; any performance, service, or other conditions which must be satisfied or waived before the Awards vest (Vesting Conditions); in the case of Awards in the form of Options or Rights, any further conditions which must be satisfied or waived before vested Options or Rights may be exercised (Exercise Conditions); any acquisition price payable for the grant of Awards; in the case of Awards in the form of Options, any exercise price payable on the exercise of the Options; in the case of Awards in the form of Options or Rights, any rights to receive a payment equivalent to the value of dividends paid on shares during the vesting period attaching to the Options or Rights; the terms of any loan pursuant to which the Company or a subsidiary (Group Company) will lend the Eligible Employee an amount to fund the acquisition price (if any) or exercise price (if any) payable for the Awards; and any disposal and/or forfeiture restrictions applicable to shares acquired under the Plan, including following the vesting of shares granted under the Plan or shares acquired on the exercise of Options or Rights (Disposal Conditions).
Shares as an Award or on exercise of an Award	<p>Shares acquired under the Plan (including shares acquired on the exercise of Options or Rights) may, at the discretion of the Board, be delivered:</p> <ul style="list-style-type: none"> through the issue of new shares; and/or the transfer of existing shares, including shares held in an employee share plan trust, acquired on-market or acquired through an off-market transaction. <p>Shares acquired under the Plan will rank equally in all respects, and carry the same rights and entitlements, as existing shares from the date of acquisition, including in respect of dividends and distributions, rights issues, bonus rights and voting.</p> <p>The Company will apply for official quotation of any shares issued under the Plan, in accordance with the ASX Listing Rules.</p> <p>Subject to the terms of the relevant offer, shares acquired under the Plan may be subject to Disposal Conditions which may restrict the shares from being disposed of or dealt with for a period of time and/or may result in the shares being forfeited if certain further conditions are not satisfied.</p>

Waiver	The Board may, at its discretion, reduce or waive any Vesting Conditions, Exercise Conditions and/or Disposal Conditions attaching to Awards at any time, subject to applicable law.
Vesting of Shares	Shares granted under the Plan which have not been forfeited under the Plan will vest if and when any applicable Vesting Conditions have been satisfied or waived by the Board. Upon vesting, subject to any Disposal Conditions specified in the relevant offer, shares will cease to be subject to disposal restrictions and the forfeiture provisions of the Plan (except where shares have been acquired using a loan provided by a Group Company and the Eligible Employee breaches the loan agreement).
Vesting and exercise of Options and Rights	Options and Rights which have not lapsed under the Plan will vest if and when any applicable Vesting Conditions have been satisfied or waived by the Board. However, vested Options or Rights will not become exercisable until any applicable Exercise Conditions have been satisfied or waived by the Board. Subject to applicable law, following the valid exercise of an Option or Right, the Company will issue or arrange the transfer of such number of shares to the Eligible Employee that relate to the Option or Right being exercised or make a cash payment equivalent to the value of such shares in lieu the issue or transfer such shares (at the discretion of the Board).
Rights attaching to Options and Rights	Options and Rights awarded under the Plan will not carry any voting or dividend rights. Options and Rights do not confer the right to participate in new issues of shares or other securities in the Company. However, the Plan provides for adjustments to be made to the number of shares to which a participant would be entitled on the exercise of Options or Rights or the exercise price (if any) of the Options or Rights in the event of a bonus issue or pro-rata issue to existing holders of shares (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) or a reorganisation of capital. Options and Rights will not be quoted on ASX.
Expiry	Options or Rights which have not been exercised by the date determined by the Board and specified in the offer (Expiry Date), will lapse unless the Board determines otherwise.

Forfeiture/lapse of Awards	<p>Unless otherwise determined by the Board, a share granted under the Plan will be forfeited, and an Option or Right will lapse, in certain circumstances including:</p> <ul style="list-style-type: none"> • where the Board determines that any Vesting Condition or Exercise Condition applicable to the Award cannot be satisfied; • where the participant purports to dispose of the Award, or enter into any arrangement in respect of the Award, in breach of any disposal or hedging restrictions; • in the case of an Option or Right, on the Expiry Date applicable to the Option or Right; • where the Award has been acquired using a loan provided by a Group Company and the participant breaches the loan agreement; • in certain circumstances if the participant's employment is terminated (see 'Cessation of employment' below); • if the Board determines that the Award will be forfeited or lapse in the event of a change of control in respect of the Company (see 'Change of control' below); and • if the Board determines that the Award is liable to claw back (see 'Claw back' below).
Cessation of employment	<p>The rules of the Plan contain provisions regarding the treatment of vested and unvested Awards in the event that a participant ceases employment with the Group (as that term is defined in the Plan), as summarised below. However, an offer may prescribe that a specific grant of Awards will be treated in a different manner to the manner set out in the Plan rules.</p> <p>Generally, under the Plan rules, if a participant ceases employment in 'bad leaver' circumstances (including resignation (other than due to death, terminal illness, total and permanent disablement, mental illness, redundancy or retirement) or dismissal for cause or poor performance), unless the Board determines otherwise, all of their unvested Awards will be forfeited or lapse, and the participant will be required to exercise any vested Options or Rights within 60 days or they will also lapse.</p> <p>If a participant ceases employment in 'good leaver' circumstances, unless the Board determines otherwise, the participant will be entitled to retain a pro-rata amount of their unvested Awards based on the proportion of any applicable vesting period which has elapsed at the date that employment ceases, and all other unvested Awards will be forfeited or lapse. Unless the Board determines otherwise, any retained Awards will remain on foot subject to any applicable Vesting Conditions, Exercise Conditions and Disposal Conditions.</p> <p>Notwithstanding the above, the Board has discretion to treat Awards in a different manner to that set out above, subject to any requirement for shareholder approval.</p>

Clawback	If the Board becomes aware of a material misstatement in the Company's financial statements, that a participant has committed an act of fraud, negligence or gross misconduct or failed to comply in a material respect with any restrictive covenant or that some other event has occurred which, as a result, means that a participant's Award should be reduced or extinguished, or should not vest, then the Board may claw back or adjust any such Award at its discretion to ensure no unfair benefit is derived by the participant.
Change of control	In the event of a change in control or other circumstances where the Board determines it is not practical or appropriate for unvested Awards to continue on foot, the Board has the discretion to determine the extent to which all or part of any unvested Awards should vest, lapse or otherwise be treated.
Restrictions	Awards may not be sold, transferred, mortgaged, pledged, charged, granted as security or otherwise disposed of, without the prior approval of the Board, or unless required by law. Participants must not enter into any arrangement for the purpose of hedging, or otherwise affecting their economic exposure to any unvested shares, or Options or Rights.
Employee share plan trust	A trust may be established in connection with the operation and administration of the Plan. The trust, if established, may be used to acquire shares that are then used to satisfy the Company's obligations to deliver shares to participants upon the exercise of Option and Rights under the Plan.
Amendments	The Board may, in its discretion, amend the Plan rules, or waive or modify the application of the Plan rules in relation to a participant, provided that (except in specified circumstances) if such amendment would reduce the rights of a participant in respect of their Awards acquired under the Plan, the Board must obtain the consent of the participant.

The Company has issued 19,528,807 securities under the Plan since the Plan was approved by shareholders in 2018 and the maximum number of securities proposed to be issued under the Plan, following shareholder approval, is 13,000,000 securities.

A voting exclusion applies to this item of business, as set out in the Notice of Meeting.

Recommendation

The Board recommends that shareholders vote in favour of this resolution.

Item 6 – Issue of STIP Rights to Co-Vice Chairman under Equity Incentive Plan

Under the Plan, the Board has the discretion to offer awards in the form of rights to acquire shares in the Company for nil consideration (**Rights**). The Board has determined to award to Mr Ning Yue, a Co-Vice Chairman and a Director of the Company, deferred share Rights under the short term incentive plan (**STIP Rights**), in accordance with the Plan rules. The Plan was previously approved by shareholders in 2018 for the purposes of what was then ASX Listing Rule 7.2, Exception 9(b) (but is now Listing Rule 7.2, Exception 13(b)) and approval by shareholders of the Plan for the purposes of Listing Rule 7.2, Exception 13(b) is again being sought by way of ordinary resolution under Item 5. Details of the key terms of the Plan are provided in the table in Item 5.

ASX Listing Rule 10.14 requires shareholders' approval for the acquisition of equity securities in the Company under an employee incentive scheme by a Director, an associate of a Director, or any other person whose relationship with the Company is, in ASX's opinion, such that shareholders' approval should be obtained. The issue of the STIP Rights to Mr Yue under the Plan falls within ASX Listing Rule 10.14.1 on the basis that Mr Yue is a Director, and therefore requires the approval of the Company's shareholders.

The resolution contained in Item 6 seeks the required shareholders' approval to the issue of the STIP Rights under the Plan for the purposes of Listing Rule 10.14.

If shareholders' approval is obtained under ASX Listing Rule 10.14 for the issue of STIP Rights to Mr Yue under Item 6, the STIP Rights will be issued to Mr Yue as soon as practicable after the AGM, but in any event within 12 months after the date of the AGM.

If shareholders' approval is not obtained under ASX Listing Rule 10.14 for the issue of STIP Rights to Mr Yue under Item 6, the STIP Rights will not be issued to Mr Yue.

Details of any securities issued under the Plan will be published in the annual report of the Company relating to a period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.

Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in the issue of securities under Plan after the resolution is approved and who were not named in this Notice of Meeting will not participate until approval is obtained under ASX Listing Rule 10.14.

As Mr Yue is a Director and therefore a connected person of the Company under the HK Listing Rules, the issue of STIP Rights to Mr Yue constitutes a connected transaction under the HK Listing Rules. It is the Company's current intention to satisfy the STIP Rights by way of either the transfer of existing Shares or the payment of a cash amount equivalent to the value of such number of shares, on and subject to the rules of the Plan and the terms of the grant. As the STIP Rights form part of the remuneration package under Mr Yue's service contract with the Company, such connected transaction is exempt from the reporting, announcement and independent shareholders' approval requirements under the HK Listing Rules.

An overview of the key terms of the proposed grant of STIP Rights to Mr Yue, a Co-Vice Chairman and Director of the Company, including information required under ASX Listing Rule 10.15, is set out in the table below (except for information required under ASX Listing Rule 10.15.9, which is set out in the table in Item 5).

Details of the proposed grant	The proposed grant to Mr Yue is up to 16,541 STIP Rights. The proposed grant is being provided as STIP Rights because STIP Rights create share price alignment between Mr Yue and shareholders, but do not provide Mr Yue with the full benefits of share ownership (such as dividend and voting rights) unless and until the Board exercises discretion to equity settle once the vesting conditions have been met. Subject to satisfying the employment conditions under the Plan, 8,270 STIP Rights will vest on 1 March 2025 and 8,271 STIP Rights will vest on 1 March 2026.
Price payable on grant or exercise	The STIP Rights to be granted to Mr Yue will be for nil consideration. Mr Yue will not be required to pay any amount to exercise the STIP Rights on vesting.
Details of current total remuneration package	\$565,000, comprising a fixed base salary and superannuation.
Number of securities previously issued to Mr Yue	Nil.
Date of grant	If shareholder approval is obtained, the STIP Rights will be granted to Mr Yue as soon as practicable after the AGM, but in any event within 12 months after the date of the AGM.

Material terms of the STIP Rights	<p><i>Rights attaching to STIP Rights</i></p> <p>STIP Rights awarded to Mr Yue will not carry any voting or dividend rights, and do not confer the right on Mr Yue to participate in new issues of shares or other securities in the Company. Shares allocated on exercise of STIP Rights rank equally with other ordinary Shares on issue, including in relation to dividend and voting rights.</p> <p><i>Vesting Conditions</i></p> <p>Unless the STIP Rights lapse under the terms of the Plan, 8,270 STIP Rights will vest on 1 March 2025 and 8,271 STIP Rights will vest on 1 March 2026 (each a Vesting Date). The number of STIP Rights has been determined by dividing the dollar value of the STIP Rights by the volume weighted average price of the Company's ordinary shares traded on the ASX across a 20 day trading period spread 10 days on either side of 31 December 2023, rounded down to the nearest whole number.
Other information required by ASX Listing Rule 10.15	Mr Yue, as executive Director, is the only person referred to in ASX Listing Rule 10.14 presently entitled to participate in the Plan. No loan will be made available to Mr Yue in connection with the acquisition or exercise of the STIP Rights proposed to be granted to him if the resolution in Item 6 is approved.

A voting exclusion applies to this item of business, as set out in the Notice of Meeting.

Recommendation

The Board (with Mr Ning Yue abstaining) recommends that shareholders vote in favour of this resolution.

Item 7: Reappointment of Auditor and authorisation to fix Auditor's remuneration

Shareholder's approval is sought by way of ordinary resolution for the re-appointment of SW Audit as the independent auditor of the Company and authorising the Directors to fix the amount of the Auditor's remuneration for the year ending 31 December 2024.

Reasons for resolution

In accordance with HK Listing Rule 13.88, the Company must at each annual general meeting appoint an auditor to hold office from the conclusion of that meeting until the next annual general meeting. In accordance with Rule 7.10(b)(11) of the Constitution, the shareholders have the power to fix the auditor's remuneration and in accordance with Rule 7.10(d), the shareholders may instruct the Board to do so by a resolution of the Company. The reason for this resolution is to comply with the requirement under HK Listing Rule 13.88 and the Directors consider that the authorisation will provide the Company with flexibility in fixing auditor's remuneration.

Recommendation

The Board recommends that shareholders vote in favour of this resolution.

Item 8: General mandate to issue shares

The Company's existing mandate to issue Shares was approved by its shareholders at the annual general meeting held on 31 May 2023. Unless otherwise renewed, the existing mandate to issue Shares will lapse at the conclusion of the AGM. Shareholders' approval is sought by way of ordinary resolution for granting a general mandate to the Directors to exercise the powers of the Company to allot, issue and deal with additional Shares in the share capital of the Company representing up to 20% of the total number of issued Shares immediately after the passing of the resolution in relation to such general mandate.

Reasons for resolution

The reason for this resolution is to ensure flexibility and discretion to the Directors in the event that it becomes desirable to issue new Shares. The Directors wish to state that they have no immediate plans to issue any new Shares pursuant to such general mandate.

As at the Latest Practicable Date, the number of Shares on issue was 1,320,439,437. Assuming no further Shares will be issued before the date of the AGM, the Directors would be granted a general mandate to issue up to a maximum of 264,087,887 Shares.

This resolution is commonly sought for companies publicly-listed in Hong Kong. Unless the Company obtains this general mandate, its ability to exercise its right to issue shares under ASX Listing Rule 7.1 without obtaining shareholder approval is limited. Regardless of the passing of this resolution, ASX Listing Rule 7.1 will continue to apply to the Company (the Company is ineligible to seek shareholder approval under ASX Listing Rule 7.1A). This means that shareholder approval would be required for the issue of such number of shares as exceeded the 15% placement capacity which is set out in ASX Listing Rule 7.1. The Company confirms that it will comply with all regulatory requirements under the Corporations Act and with the relevant ASX Listing Rules if it were to issue shares that are not within the Company's capacity under ASX Listing Rule 7.1.

Recommendation

The Board recommends that shareholders vote in favour of this resolution.

Item 9: General mandate to repurchase shares

The Company's existing mandate to repurchase Shares was approved by its shareholders at the annual general meeting held on 31 May 2023. Unless otherwise renewed, the existing mandate to repurchase Shares will lapse at the conclusion of the AGM. Shareholder approval is sought by way of ordinary resolution for granting a general mandate to the Directors to repurchase shares not exceeding 10% of the total number of issued Shares as at the date of the relevant resolution approving such mandate (**Proposed Repurchase Mandate**) to the Directors to exercise the powers of the Company to repurchase shares representing up to 10% of the total number of issued shares immediately after the passing of the resolution in relation to the Proposed Repurchase Mandate.

Explanation statement and reasons for resolution

Share Capital

As at the Latest Practicable Date, there were on issue a total of 1,320,439,437 Shares. Subject to the passing of the ordinary resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed to repurchase a maximum of 132,043,943 Shares which represent 10% of the total number of issued Shares during the period ending on the earlier of the conclusion of the next annual general meeting of the Company, or the date by which the next annual general meeting of the Company is required to be held by law or by the Constitution, or the date upon which such authority is revoked or varied by an ordinary resolution of the shareholders in general meeting.

Rule 10.06(5) of HK Listing Rules provides that the listing of all shares purchased by the Company is automatically cancelled and that the certificates for those Shares must be cancelled and destroyed.

Any repurchase of Shares by the Company would also need to comply with the requirements imposed by the Corporations Act and the ASX Listing Rules, including the lodging of an Appendix 3C in relation to the proposed share buy-back.

Reasons and funding of Repurchases

The Directors believe that it is in the best interest of the Company and the shareholders as a whole, to seek the Proposed Repurchase Mandate from the shareholders to enable the Company to repurchase Shares on the Stock Exchange. The Directors have sought the grant of the proposed Repurchase Mandate to give the Company the flexibility to repurchase the Shares if and when appropriate. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for such purpose and in accordance with the Constitution, the Corporations Act, the ASX Listing Rules and HK Listing Rules. However, the Directors do not have a concrete plan to exercise the Proposed Repurchase Mandate as at the Latest Practicable Date and, accordingly, do not have the associated proposal on the source of funds to finance the repurchase, if any. When the Directors consider that it is appropriate and beneficial to the Company and the shareholders for them to exercise the Proposed Repurchase Mandate, the Directors will consider whether internal resources, loans or other forms of finance would be the most appropriate source of funds and, in this regard will take into account, among other things, the financial position of the Group and the costs of the funds.

At present, the Directors have no intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interest of the Company. There could be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements of the Company as at 31 December 2023, being the latest published audited financial statements of the Company), if the Proposed Repurchase Mandate is exercised in full at any time. The Directors do not propose to exercise the mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

General

As at the Latest Practicable Date, none of the Directors nor any of their respective close associates (as defined in the HK Listing Rules) have any present intention to sell any Shares to the Company or its subsidiaries in the event that the Proposed Repurchase Mandate is approved at the AGM and is exercised.

The Directors will, so far as the same may be applicable, exercise the Proposed Repurchase Mandate in accordance with the HK Listing Rules and the applicable laws of Australia.

Neither the Explanatory Notes nor the Proposed Repurchase Mandate has any unusual features.

As at the Latest Practicable Date, no core connected person has notified the Company that he/she has a present intention to sell any Shares to the Company, or has undertaken not to do so, in the event that the Proposed Repurchase Mandate is approved at the AGM and is exercised.

If, as a result of a repurchase of Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Hong Kong Code on Takeovers and Mergers (**Takeovers Code**). Accordingly, a shareholder, or a group of shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the shareholder's interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date and to the best knowledge and belief of the Directors, Shandong Energy is the controlling shareholder of Yankuang Energy, which directly holds a total of 822,157,715 Shares. As Shandong Energy is entitled to exercise or control the exercise of more than one-third of the voting power at general meetings of Yankuang Energy, Shandong is taken to have an interest under the SFO in the same block of 822,157,715 Shares, representing approximately 62.26% of the issued Shares.

In the event that the Directors should exercise in full the Proposed Repurchase Mandate, the shareholding of each of Shandong Energy and Yankuang Energy in the Company will be increased to approximately 69.18% of the issued Shares (if the present shareholding remains the same). Taking into account that each of Shandong Energy and Yankuang Energy is already holding more than 50% of the issued shares of the Company, it is not expected that the repurchase of Shares would give rise to a mandatory offer obligation under Rule 26 of the Hong Kong Takeovers Code. Save as aforesaid, the Directors are not aware of any other consequence which would arise under the Hong Kong Takeovers Code as a result of any repurchase of Shares pursuant to the Proposed Repurchase Mandate.

Rule 8.08(1)(a) of the HK Listing Rules requires that at least 25% of an issuer's total issued share capital must at all times be held by the public. The Company obtained a waiver under Rule 8.08(1)(d) of the HK Listing Rules to accept a lower public float percentage and the Company's minimum public float is approximately 15.37%. Based on the information that is publicly available to the Company and within the knowledge of the Directors as at the Latest Practicable Date, the Company has maintained the minimum public float of approximately 15.37% under the HK Listing Rules. In the opinion of the Directors, the exercise of the Proposed Repurchase Mandate may reduce public float to below 15.37% of the total number of Shares in issue as approved by the Stock Exchange. At present, the Directors have no intention to repurchase Shares to such extent as to result in the number of Shares held in the hands of the public falling below the prescribed limit as approved by The Stock Exchange of Hong Kong Limited.

Share Repurchase made by the Company

No repurchase of Shares has been made by the Company (whether on the Stock Exchange, ASX Limited or otherwise) in the six months preceding the Latest Practicable Date.

Share Prices

The highest and lowest traded prices for the Shares recorded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:

Recommendation

The Board recommends that shareholders vote in favour of this resolution.

Item 10: Extension of general mandate to add the number of repurchased shares

Shareholders' approval is sought by way of ordinary resolution for, subject to the passing of the resolutions numbered 8 and 9, extending the authority given to the Directors pursuant to resolution numbered 8 to issue Shares by adding the number of issued Shares repurchased under resolution numbered 9.

Reasons for resolution

The reason for this resolution is to ensure flexibility to the Directors to exercise the powers of the Company to allot and issue more Shares in the event that the Proposed Repurchase Mandate is exercised.

Recommendation

The Board recommends that shareholders vote in favour of this resolution.

Item 11: Re-insertion of proportional takeover provision

Rule 6 of the Company's Constitution currently contains provisions dealing with proportional takeover bids for shares in the Company in accordance with the Corporations Act. Under the Corporations Act and the Company's Constitution, these provisions must be renewed every three years, or they will cease to have effect.

The current provisions were last approved by the Company's members at the annual general meeting held in 2021. Accordingly, it is proposed to refresh the provisions at the 2024 AGM. If this item of business is approved, Rule 6 will operate on the same basis for a further period of three years from the date of the 2024 AGM.

The Corporations Act requires that the following information be provided to shareholders in connection with this item of business.

What is a proportional takeover bid, and why do we need the proportional takeover approval provisions?

A proportional takeover bid involves the bidder offering to buy a proportion only of each shareholder's shares in the Company. This means that control of the Company may pass without members having the chance to sell all their shares to the bidder. It also means the bidder may take control of the Company without paying an adequate amount for gaining control.

In order to deal with this possibility, a company may provide in its constitution that:

- in the event of a proportional takeover bid being made for shares in the Company, members are required to vote by ordinary resolution and collectively decide whether to accept or reject the offer; and
- the majority decision of the Company's members will be binding on all individual members.

The Directors consider that members should be able to vote on whether a proportional takeover bid ought to proceed given such a bid might otherwise allow control of the Company to change without members being given the opportunity to dispose of all their shares for a satisfactory control premium. The Directors also believe that the right to vote on a proportional takeover bid may avoid members feeling pressure to accept the bid even if they do not want it to succeed.

What is the effect of the proportional takeover approval provisions?

If a proportional takeover bid is made, the Directors must ensure that members vote on a resolution to approve the bid more than 14 days before the bid period closes.

The vote is decided on a simple majority. Each person who, as at the end of the day on which the first offer under the bid was made, held bid class securities is entitled to vote. However, the bidder and their associate are not allowed to vote.

If the resolution is not passed, transfers which would have resulted from the acceptance of a bid will not be registered and the bid will be taken to have been withdrawn. If the bid is approved (or taken to have been approved), the transfers must be registered if they comply with the Corporations Act and the Company's Constitution.

The bid will be taken to have been approved if the resolution is not voted on within the deadline specified under the Corporations Act.

The proportional takeover approval provisions do not apply to full takeover bids, and only apply for three years after the date they are approved by shareholders. The provisions may be refreshed for a further three-year period, but only by a special resolution passed by members.

Potential advantages and disadvantages

Rule 6 allows the Directors to ascertain members' views on a proportional takeover bid, but it does not otherwise offer any advantage or disadvantage to the Directors who remain free to make their own recommendations as to whether the bid should be accepted.

The provisions in Rule 6 ensure that all members have an opportunity to study a proportional bid proposal and vote on the bid at a general meeting. This is likely to ensure a potential bidder structures its offer in a way which is attractive to a majority of members, including appropriate pricing. Similarly, knowing the view of the majority of members may help individual members assess the likely outcome of the proportional takeover when determining whether to accept or reject the offer.

However, it is also possible that the inclusion of such provisions in the Constitution may discourage proportional takeover bids, and may reduce any speculative element in the market price of the Company's shares arising from the possibility of a takeover offer being made. The inclusion of the provisions may also be considered to constitute an unwarranted additional restriction of the ability of members to freely deal with their shares.

The Board considers that the potential advantages for members of the proportional takeover approval provisions outweigh the potential disadvantages.

As at the date on which this statement was prepared, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Recommendation

The Board recommends that shareholders vote in favour of this resolution.
