Ltd (a majority shareholder of Pyridam which was incorporated in Singapore). See section 6.3(c) of the Scheme Booklet for further details.

1 Introduction

Probiotec Limited (**PBP**) is providing this Supplementary Scheme Booklet to supplement disclosure in the Scheme Booklet dated 27 March 2024 in relation to the proposed acquisition of all of the issued shares in Probiotec Limited (**PBP** or **Probiotec**) (**PBP Shares**) by PYFA Australia Pty Ltd (ACN 672 617 588) (**Pyridam Sub**), which as at the date of this Supplementary Scheme Booklet is a wholly-owned subsidiary of PT Pyridam Farma Tbk (Business Registry Number 8120014002237) (**Pyridam**)¹ by way of a scheme of arrangement under Part 5.1 of the Corporations Act (**Scheme**).

The purpose of this Supplementary Scheme Booklet is to provide information to PBP Shareholders about certain events which have occurred following the despatch of the Scheme Booklet, which relate to the funding arrangements for the Scheme Consideration.

¹ As noted in the Scheme Booklet on page 5 in footnote 1, Pyridam has informed Probiotec that it intends to undertake an internal reorganisation prior to the Second Court Date (currently scheduled for Wednesday, 5 June 2024 at 10:15am) such that Pyridam Sub will become a wholly-owned subsidiary of Pyfa Health Singapore Pte Ltd, which is in turn owned 99% by Pyridam, with the remaining 1% owned by Rejuve Global Investment Pte. Ltd (a majority shareholder of Pyridam which was incorporated in Singapore).

2 Supplementary information about Pyridam

2.1 Introduction

This section 2 forms part of the Pyridam Information and has been prepared by, and is the responsibility of, Pyridam and Pyridam Sub. This section 2 contains information concerning Pyridam and Pyridam Sub, and outlines how Pyridam Sub is funding the Scheme Consideration and its intentions, views and opinions in relation to PBP. PBP and its officers and advisers do not assume any responsibility for the accuracy or completeness of this information.

2.2 Funding arrangements for the Scheme Consideration

As detailed in section 6.5 of the Scheme Booklet, Pyridam Sub's funding for the Scheme was intended at that time to be sourced from:

- (a) equity funding under the Capital Raising (as set out in section 6.5(a) of the Scheme Booklet);
- (b) equity funding under the Equity Commitment Letter (as set out in section 6.5(a) of the Scheme Booklet); and
- (c) a secured debt facility in an amount of up to \$155 million which PT Bank Mandiri (Persero) Tbk had agreed to provide under a legally binding debt Commitment Letter (**Debt Commitment Letter**) (as set out in section 6.5(b) of the Scheme Booklet) (**Debt Funding**).

The equity funding arrangements referred to above in paragraphs 2.2 (a) and (b) are unchanged. However, since the date of the Scheme Booklet, the Debt Funding arrangements referred to above in paragraph 2.2 (c) have been changed on the basis described below in section 2.3.

2.3 Updated debt funding arrangements

Section 6.5(b) of the Scheme Booklet stated that the Debt Commitment Letter was expected to be superseded by a binding long form agreement on the same material terms contemplated by the Debt Commitment Letter prior to the Second Court Date.

The Debt Commitment Letter has now been superseded by a legally binding multicurrency term facility subscription agreement (**New Debt Document**) entered into by Pyridam Sub under which The Hongkong and Shanghai Banking Corporation Limited, Singapore Branch has agreed to provide a debt facility in an amount of up to \$155 million to Pyridam Sub (**New Debt Funding**).

As was the case in relation to the Debt Funding arrangements under the Debt Commitment Letter:

- (a) Pyridam Sub is permitted to use the proceeds of the New Debt Funding to fund the Scheme Consideration;
- (b) the New Debt Funding is subject to satisfaction of certain conditions, which are generally customary for facilities of this nature and include (but are not limited to) the conditions to implementation of the Scheme being satisfied or in certain circumstances waived, or such conditions otherwise being satisfied or in certain circumstances waived, on the date of the first drawdown under the New Debt Funding;
- (c) it is expected that the conditions to the New Debt Funding will be satisfied on or before the Second Court Date (other than certain conditions which are intended to be satisfied concurrently with, or prior to, the first drawdown under the New Debt Funding on the Implementation Date, including the payment of the Scheme Consideration).

2.4 **Pyridam Material Transaction Meeting**

As detailed in section 6.7(b) of the Scheme Booklet, the proposed acquisition of all of PBP's shares will require the approval of a majority of Pyridam's shareholders (**Material Transaction Proposal**), and the Scheme is conditional on the Material Transaction Proposal being approved.

The Scheme Booklet refers to the expectation that the extraordinary general meeting of Pyridam shareholders to consider the Material Transaction Proposal would be held on or around late April 2024. This date has been delayed and it is currently expected that such meeting will be held in or around mid-May 2024.

2.5 **No other material information**

Except as otherwise disclosed in this section 2 or in the Scheme Booklet, Pyridam and Pyridam Sub believe that there is no other Pyridam Information that is material to the making of a decision in relation to the Scheme, being the Pyridam Information that is within the knowledge of the directors of Pyridam and Pyridam Sub, at the date of this Supplementary Scheme Booklet, which has not previously been disclosed to PBP Shareholders. As at the date of this Supplementary Scheme Booklet, Pyridam is not aware of any circumstances which would cause any condition to the Scheme to not be satisfied or waived (if capable of waiver).

3 Other information

3.1 No change to recommendation of the IBC and Wesley Stringer (Probiotec CEO and Executive Director) or Independent Expert's conclusion

The New Debt Funding has no impact on the recommendations of the IBC² and Wesley Stringer (Probiotec CEO and Executive Director)³ that PBP Shareholders vote in favour of the Scheme, in the absence of a Superior Proposal and subject to the Independent Expert continuing to conclude that the Scheme is in the best interests of the PBP Shareholders.

The Independent Expert has confirmed that the New Debt Funding has no impact on the analysis or conclusion in the Independent Expert's Report in respect of the Scheme, such that the Independent Expert continues to conclude that the Scheme is fair and reasonable and therefore is in the best interests of PBP Shareholders, in the absence of a Superior Proposal.⁴

Section 4.10 of the Scheme Booklet refers to the long-term incentive arrangements for the Executive Shareholders (including Wesley Stringer) and their understanding with Pyridam that the specific type of long-term incentive arrangements would be agreed on or before 30 April 2024. As at the date of this Supplementary Scheme Booklet, this has not yet occurred, but the parties are working towards finalisation of these arrangements. The proposed terms of these arrangements currently remain the same as disclosed in section 4.10 of the Scheme Booklet, being that these terms will be in a form that is materially consistent with each Executive Shareholder's current long-term incentive arrangements.
