GAME OF THRONES™

PLAYSIDE STUDIOS AND WARNER BROS. INTERACTIVE ENTERTAINMENT ANNOUNCE DEVELOPMENT OF NEW “GAME OF THRONES” REAL-TIME STRATEGY GAME

New Multiplayer Action Real-Time Strategy Game in Development for PC

For personal use only

PORT MELBOURNE, Australia – May 24, 2024 – PlaySide Studios, Warner Bros. Interactive Entertainment and HBO® today announced the development of a multiplayer strategy game based on the Emmy® Award- and Golden Globe®-winning “Game of Thrones” series. This new premium title will be available for PC.

Developed by PlaySide Studios and officially licensed by Warner Bros. Interactive Entertainment on behalf of HBO, the game recreates the iconic characters and immersive world of Westeros in a real-time strategy (RTS) format.

Featuring multiple game modes, fans will be able to play on their own, team up with friends or engage in multiplayer skirmishes. Players take control of prominent factions from the series – each featuring its own unique heroes and playstyles – and lead their armies to victory through strategic warfare and tactical politics.

About PlaySide Studios

PlaySide Studios Limited (“PlaySide”) develops video games for multiple platforms including PC/Console, mobile, virtual reality and mixed reality, with a portfolio of over 70 titles. The Company publishes its own games based on original intellectual property, including the award-winning RTS Age of Darkness: Final Stand, as well as providing end-to-end game development services in collaboration with AAA game studios and major technology and entertainment companies such as Warner Bros., Activision Blizzard, Meta, Netflix Games and Take Two Interactive. It also has a publishing arm which provides funding, development support, marketing and publishing of third-party games from smaller independent studios.

PlaySide was incorporated in 2011 and is headquartered in Port Melbourne, Australia. Its shares are publicly traded on the Australian Securities Exchange under the code PLY.
