Key Appointment to drive Mining Sector Growth

SSH Group Ltd. (ASX:SSH) (**Company** or **SSH**) has recently engaged Mr. Cullum Winn, a highly recognised mining engineer with 30+ years industry experience in West Australia's mining industry, to help unlock future growth opportunities in the mining sector.

SSH Group is currently identifying projects and establishing partnerships to help drive the expansion of our service offerings to the mining industry and Mr Winn will help accelerate this effort. Mr Winn brings extensive experience in the mining sector, having held several senior operational management roles within:

- ▶ Lithco / Liatam Mining
- ▶ Norton Goldfields
- ▶ Newcrest Mining Limited
- ▶ KCGM
- ▶ Westgold Resources Limited
- ▶ Barrick Gold

Mr Winn's extensive operational mining experience encompasses early mine planning through to mine site start up and full mine production management. Mr Winn has delivered multiple production records for operating mines and in addition has had M&A exposure with successful ASX 50 company transitions.

Managing Director Mr Daniel Cowley-Cooper commented: "Mr. Winn's appointment will significantly enhance the company's capabilities and help drive our strategic push for growth in the mining sector. SSH Group is pursuing growth in the mining sector with both existing Tier 1 mines and development projects. We are especially focused on creating value accretive project partnerships and bespoke service offerings for mid-tier and junior minors to help unlock opportunities for all."

AUTHORISATION

This release has been authorised in accordance with the Company's published continuous disclosure policy and approved for release by the Board of SSH Group Ltd.

ABOUT SSH GROUP

SSH Group Ltd has a portfolio of essential service businesses, focused on service delivery to the Australian Mining, Civil, and Construction Industry. We stand by our commitment to improving outcomes for Australian projects and communities.

FORWARD LOOKING STATEMENTS

This announcement may contain forward looking statements which involve risks, uncertainties, and unaudited metrics. Forward-looking statements are expressed in good faith and are believed to have a reasonable basis. These statements reflect current expectations, intentions or strategies regarding the future and assumptions based on currently available information. Should one or more risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary from the expectations, intentions and strategies described in this announcement.

The forward- looking statements are made as at the date of this announcement and the Company disclaims any intent or obligation to update publicly such forward looking statements, whether as the result of new information, future events or results, or otherwise.
