The Retail Entitlement Offer took place in conjunction with a fully underwritten placement to institutional investors (**Placement**) and 1 for 16 pro rata accelerated non-renounceable entitlement offer (**Entitlement Offer** and, together with the **Placement**, the **Offer**) of new fully paid ordinary shares (**New Shares**) to raise approximately \$100.2 million. The Placement and institutional component of the Entitlement Offer were successfully completed, raising approximately \$89.6 million.

The Retail Entitlement Offer allowed eligible retail shareholders in the Company (**Eligible Retail Shareholders**) the opportunity to subscribe for 1 New Share for every 16 existing fully paid ordinary shares which they held in Immutep as at 7.00pm (Sydney, Australia time) on Wednesday, 5 June 2024 at a price of A\$0.38 per New Share, and also the opportunity to apply for additional New Shares in excess of their entitlement (**Additional New Shares**).

**Dr Russell Howard, Chairman of Immutep, said:**

"Immutep is pleased to have the continuing support of many long-term and existing shareholders who have participated in our Retail Entitlement Offer on the same terms as our institutional investors. We have a very exciting path ahead as we advance toward marketing approval for efti through our late-stage clinical trial program. This includes our Phase III trial in lung cancer being conducted under our third collaboration with MSD. We look forward to sharing news and milestones with all our shareholders as we move forward."

The shortfall after the issue of the New Shares and Additional New Shares under the Retail Entitlement Offer will be allocated to the sole underwriter of the Offer. The shortfall is comprised of entitlements not taken up by Eligible Retail Shareholders (or in the case of retail shareholders who were ineligible to participate in the Retail Entitlement Offer, in respect of their entitlements which would otherwise have been available to them).

The settlement date for New Shares and Additional New Shares to be issued under the Retail Entitlement Offer is Tuesday, 25 June 2024 and the issue of New Shares and Additional New Shares under the Retail Entitlement Offer is scheduled to occur on Wednesday, 26 June 2024, with those shares expected to commence trading on the ASX on Thursday, 27 June 2024. New Shares and Additional New Shares issued under the Retail Entitlement Offer will rank equally in all respects with existing ordinary shares on issue in Immutep with effect from their date of issue.

As announced to ASX on Monday, 3 June 2024, the Retail Entitlement Offer was fully underwritten by Bell Potter Securities Limited and joint lead managed by Bell Potter Securities Limited, Canaccord Genuity (Australia) Limited and Wilsons Corporate Finance Limited and co-managed by CLSA Australia Pty Ltd.

Eligible Retail Shareholders should confirm the actual number of New Shares (including any Additional Shares) issued to them before trading in such shares, and the sale by any Eligible Retail Shareholder of New Shares (including any Additional Shares) prior to receiving their holding statement is at their own risk.

The Board of Immutep wishes to thank all Eligible Retail Shareholders who participated in the Retail Entitlement Offer.
