Rex Minerals enters a A\$393M Scheme Implementation Deed with MACH

Rex Minerals Limited (ASX: RXM) ("**Rex**") has entered into a Scheme Implementation Deed ("**SID**") with MACH Metals Australia Pty Ltd ("**MACH**"), under which it is proposed that MACH will acquire all of the shares in Rex which it does not already own by way of a scheme of arrangement for cash consideration of **A\$0.47** per Rex share ("**Transaction**").

Key Points

- **Rex has entered into a SID with its major shareholder MACH to acquire all of the shares it does not already own for cash consideration of A\$0.47 per share.**
- **The offer price implies a fully diluted equity value of A\$393 million¹ and represents a significant premium of 79% to Rex's 30-day VWAP² and 98% to the 90-day VWAP².**
- **MACH's offer price follows a competitive global partnering process and delivers Rex shareholders a certain outcome and an accelerated realisation of value.**
- **The Transaction is subject to limited conditions including FIRB approval (which has been applied for) and Rex shareholder approval. The Transaction is not subject to financing or due diligence conditions.**
- **The Rex Board unanimously recommends the Transaction in the absence of a superior proposal and subject to the independent expert concluding and continuing to conclude that the Transaction is in the best interests of Rex shareholders.**

Transaction background

The MACH offer was received following a competitive global partnering process. The process focused on the A\$854 million funding and subsequent development pathway for the Hillside Copper-Gold Project located in South Australia.

The Rex Board (in consultation with its advisers) carefully assessed the valuation, funding, timing and certainty of this Transaction against a range of other alternatives and after taking into account the risks and potential ownership dilution associated with a stand-alone development of Hillside.

¹ Based on fully diluted Rex shares of 836,631,676 (comprises 767,901,670 ordinary shares and 68,730,006 rights and options).

² Volume-weighted average price as at 5 July 2024.

The Rex Board unanimously recommends that Rex shareholders support the Transaction by voting in favour of it in the absence of a superior proposal and subject to an independent expert concluding and continuing to conclude that it is in the best interests of Rex shareholders.

Subject to those same qualifications, each member of the Rex Board intends to vote all Rex shares held or controlled by them in favour of the Transaction which represents approximately 2.9% of Rex's shares.

Commenting on today's announcement, Rex's Chief Executive Officer and Managing Director, Richard Laufmann, said:

"The Transaction provides certainty of value and a significant premium representing a 98% uplift relative to Rex's 90-day VWAP, as well as the opportunity for Rex shareholders to realise their investment at a 10-year historical share price high.

"This Transaction also represents a more certain outcome for wider stakeholders in Hillside, including the local community, the South Australian Government and Rex employees who will benefit from the significant financial strength and proven track record of MACH to deliver the successful development of Hillside.

"The South Australian Government has been a leader in Australia in support of decarbonisation and copper development. The successful development of Hillside will very much align with their strategy.

"Subject to approvals, we look forward to working with MACH through to completion and watching them develop the Hillside Project, Australia's largest fully permitted and shovel ready copper project."

Ian Smith, Rex's Independent Non-Executive Chairman stated the Transaction was a great outcome for shareholders and reflected the significant efforts of management over many years:

"Management has done a terrific job advancing Hillside to be Australia's largest fully permitted and shovel ready copper project. The MACH offer is the culmination of many years of hard work and delivers certain value for shareholders. We thank MACH for its constructive engagement in relation to the Transaction."

Ferdian Purnamasidi, Managing Director of MACH, expressed his enthusiasm about the acquisition and ongoing development of the Hillside Project.

"We are excited to acquire and continue the development of the Hillside Project, which aligns with our strategy to diversify our asset portfolio. Our strong focus on copper is critical to the energy transition process. We remain committed to advancing the excellent work undertaken by Rex on the Yorke Peninsula, including supporting the local workforce and the broader Yorke Peninsula community throughout the ownership transition."

Overview of the Transaction

If the Transaction is implemented, each Rex shareholder (excluding MACH) on the Transaction record date will receive a cash amount of A\$0.47 per Rex share.

The Transaction of A\$0.47 per Rex share represents:

- a 98% premium to Rex's 90-day VWAP² of A\$0.24;
- a 79% premium to Rex's 30-day VWAP² of A\$0.26;

² Volume-weighted average price as at 5 July 2024.

- a 71% premium to Rex's last close on 5 July 2024;
- a 176% premium to the offer price for Rex's most recent Entitlement Offer in January 2024 which was conducted at A\$0.17 per share; and
- a 10-year historical share price high.

The Transaction is subject to limited conditions, which include:

- MACH obtaining approval from FIRB (which has been applied for);
- the independent expert concluding and continuing to conclude that the Transaction is in the best interests of Rex shareholders;
- customary conditions including no material adverse change, no restraints and no prescribed occurrences;
- approval of Rex shareholders. For the Transaction to proceed, approval is needed by at least 75% of all votes cast by Rex shareholders (excluding MACH) and a majority by number of Rex shareholders voting; and
- requisite court approval.

The Transaction contains customary deal protections, including no shop, no talk and no due diligence and notification obligations and matching rights in favour of MACH together with an obligation on Rex to pay a break fee in certain circumstances.

Full details of the conditions of the Transaction and other agreed terms are set out in the SID, a copy of which is **attached** to this announcement.

 - (iii) no application is made to any Government Agency,
- in consequence of, or in connection with, the Scheme which:
- (iv) restrains, prohibits, prevents or otherwise materially adversely affects (or could reasonably be expected to restrain, prohibit, prevent or otherwise materially adversely affect) the Scheme, completion of the Scheme or the rights of Mach in respect of Rex or the Scheme Shares to be acquired under the Scheme; or
 - (v) requires the divestiture by Mach or its Associates of any Rex Shares or the divestiture of any material assets of the Mach Group or the Rex Group,
- unless such order, injunction, decision, decree, action, investigation or application has been disposed of to the satisfaction of Mach (acting reasonably and in good faith), or is otherwise no longer effective or enforceable, by 8.00 am on the Second Court Date;
- (c) **(Court Approval):** the Court approves the Scheme in accordance with section 411(4)(b) of the Corporations Act;
- (d) **(Shareholder Approval):** Rex Shareholders (other than Excluded Shareholders) agree to the Scheme at the Scheme Meeting by the requisite majorities required under section 411(4)(a)(ii) of the Corporations Act;
- (e) **(No Rex Material Adverse Change):** no Rex Material Adverse Change occurs or is discovered, announced, disclosed or otherwise becomes known to Mach between (and including) the date of this deed and 8.00 am on the Second Court Date;
- (f) **(No Prescribed Occurrence):** no Prescribed Occurrence occurs between (and including) the date of this deed and 8.00 am on the Second Court Date;
- (g) **(Independent Expert):** the Independent Expert:

- (i) issues an Independent Expert's Report which concludes that the Scheme is in the best interests of Rex Shareholders before the time when the Scheme Booklet is registered by ASIC; and
 - (ii) does not formally change its conclusion or withdraw its Independent Expert's Report before 8.00 am on the Second Court Date;
- (h) **(Options):** before 5.00 pm on the Business Day before the Second Court Date:
- (i) each holder of Options has either:
 - (A) exercised all of the Options held by them in accordance with their terms; or
 - (B) entered into an Option Cancellation Deed in respect of all of the Options held by them; or,
 - (ii) the Options have expired,
- and, in respect of any Options which are to be cancelled, ASX has provided a waiver or consent permitting the relevant Options to be cancelled without requiring the approval of Rex Shareholders;
- (i) **(Consideration Rights):** Rex takes all necessary steps on terms acceptable to Mach (acting reasonably) to ensure that no Consideration Rights are in existence as at 8.00 am on the Second Court Date;
 - (j) **(No Rex breach):** Rex is not in breach, in any material respect, of its obligations under clause 6 or any of its other obligations under this deed as at 5.00 pm on the Business Day before the Scheme Meeting and at 8.00 am on the Second Court Date, and if Rex is in breach in any material respect, Mach has a right to terminate this deed under clause 14.2(a); and
 - (k) **(Rex Representations and Warranties):** the Rex Representations and Warranties are true and correct in all material respects as at 8.00 am on the Second Court Date as though made on and as of that time, except to the extent any such representation or warranty expressly relates to an earlier date, and if they are not true and correct, Mach has a right to terminate this deed under clause 14.2(a).

Best endeavours

- 3.2 Mach undertakes to Rex to use its best endeavours to procure that the condition precedent in clause 3.1(a) (FIRB Approval) is satisfied as soon as practicable after the date of this deed and continues to be satisfied until the last time that it requires it to be satisfied.
- 3.3 Rex undertakes to Mach use its best endeavours to procure that each condition precedent in clause 3.1 is satisfied as soon as practicable after the date of this deed and continues to be satisfied until the last time that it requires it to be satisfied.
- 3.4 Each party undertakes to use its best endeavours to procure that there is no occurrence within the control of Rex or Mach (as the context requires) that would prevent a condition precedent in clause 3.1, which such party must use best endeavours to satisfy, being satisfied in accordance with its terms.
- 3.5 Each party, in respect of matters within its knowledge, must keep the other reasonably informed of the progress towards satisfying the conditions precedent.
- 3.6 Without limiting clause 3.2, Mach must:

- (a) take all steps it is responsible for as part of obtaining FIRB Approval, including responding to requests for information promptly; and
- (b) keep Rex informed of the progress in relation to obtaining FIRB Approval, including (to the extent permitted by law and FIRB) providing Rex with reasonable details of all material dealings with FIRB in relation to the application for FIRB Approval (including any written requests for information by FIRB and any conditions or other arrangements proposed by FIRB or other Government Agency in respect of FIRB Approval).

Waiver of conditions precedent

- 3.7 The conditions precedent in clauses 3.1(a) (FIRB Approval), 3.1(b) (Restraints), 3.1(c) (Court Approval) and 3.1(d) (Shareholder Approval) cannot be waived.
- 3.8 The conditions precedent in clauses 3.1(e) (No Rex Material Adverse Change), 3.1(f) (No Prescribed Occurrence), 3.1(h) (Options), 3.1(i) (Consideration Rights), 3.1(j) (No Rex breach) and 3.1(k) (Rex Representations and Warranties) are for the sole benefit of Mach and may only be waived by Mach (in its absolute discretion) in writing.
- 3.9 The condition precedent in clause 3.1(g) (Independent Expert) is for the sole benefit of Rex and may only be waived by Rex (in its absolute discretion) in writing.
- 3.10 If a party waives the breach or non-fulfilment of any of the conditions precedent in clause 3.1, that waiver does not prevent that party from taking action against the other party for any breach of this deed that resulted in the breach or non-fulfilment of the relevant condition precedent.
- 3.11 Waiver of a breach or non-fulfilment in respect of one condition precedent does not constitute:
 - (a) a waiver of breach or non-fulfilment of any other condition precedent resulting from the same event; or
 - (b) a waiver of breach or non-fulfilment of that condition precedent resulting from any other event.

Termination on failure of condition precedent

- 3.12 If any event occurs which would, or in fact does, prevent a condition precedent in clause 3.1 from being satisfied and that condition precedent is not waived in writing by Rex or Mach or both (as applicable) in accordance with clauses 3.7 to 3.11 the parties must consult in good faith to:
 - (a) consider and, if agreed, determine whether the Transaction may proceed by way of alternative means or methods;
 - (b) consider changing and, if agreed, change the date of the application made to the Court for an order under section 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed in writing by Rex and Mach (being a date no later than five Business Days before the End Date); or
 - (c) consider extending and, if agreed, extend the relevant date or End Date.
- 3.13 If the parties are unable to reach agreement under clause 3.12 within ten Business Days of becoming aware of the relevant occurrence, then unless that condition precedent is waived by Rex or Mach or both as provided in clauses 3.7 to 3.11, either party may terminate this deed (subject to clause 3.14, without any liability to the other party because of that termination)

unless the relevant occurrence or the failure of the condition precedent to be satisfied, or of the Scheme to become Effective, arises out of a breach by the terminating party. For the avoidance of doubt, nothing in this clause 3.13 affects the obligation of Rex to pay a Break Fee under clause 13.

- 3.14 Subject to any rights or obligations arising under or pursuant to clauses that are expressed to survive termination, on termination of this deed, no party shall have any rights against or obligations to any other party under this deed except for those rights and obligations which accrued prior to termination.
- 3.15 If the condition in clause 3.1(d) (Shareholder Approval) is not satisfied only because of a failure to obtain the majority required by section 411(4)(a)(ii)(A) of the Corporations Act, then either party may by written notice within three Business Days after the date of the conclusion of the Scheme Meeting require the approval of the Court to be sought, pursuant to the Court's discretion in that section, provided the party has in good faith formed the view that the prospect of the Court exercising its discretion in that way is reasonable. If approval is given, the condition in clause 3.1(d) (Shareholder Approval) is deemed to be satisfied for all purposes.

Certain notices

- 3.16 If Rex or Mach becomes aware that any condition precedent has been satisfied, it must promptly notify the other in writing of this fact.
- 3.17 If, before the time specified for satisfaction of a condition precedent, an event or occurrence that will prevent, or is likely to prevent, that condition precedent being satisfied occurs, the party with knowledge of that event must promptly give the other party written notice of that event or occurrence.
- 3.18 If it appears that a condition precedent in clause 3.1 will not be satisfied or waived by the time and date specified for satisfaction of that condition precedent in clause 3.1, then, unless there is no reasonable prospect that the condition precedent will be satisfied before the End Date, Rex must, after reasonable good faith consultation with Mach, make an application to defer the Second Court Date until such time (being not later than the Business Day before the End Date) as is reasonably required to enable the relevant condition precedent to be satisfied.
- 3.19 Rex and Mach (as the case may be) must promptly notify each other in writing of any fact, matter, change, event or circumstance causing, or which, so far as can reasonably be foreseen, would cause:
- (a) a representation or warranty provided in this deed by a relevant party to be false or misleading in any material respect;
 - (b) a breach or non-satisfaction of any of the conditions precedent; or
 - (c) a material breach of this deed by a relevant party.

Certificate

- 3.20 At the hearing on the Second Court Date, Rex and Mach must provide to the Court a certificate confirming whether or not the conditions precedent in clause 3.1 (other than the condition in clause 3.1(c) (Court Approval)) have been satisfied or waived in accordance with this deed. A draft of such certificate must be provided by each party to the other party by 12.00 pm on the date that is two Business Days prior to the Second Court Date.

Payment of Scheme Consideration

- 4.4 Subject to the terms and conditions of this deed and the Scheme, Mach undertakes and warrants to Rex (in its own right and separately as trustee or nominee for each of the Scheme Shareholders) that, in consideration of the transfer to Mach of each Rex Share held by a Scheme Shareholder at the Scheme Record Date under the terms of the Scheme, Mach will on the Implementation Date:
 - (a) accept or procure that Mach accept that transfer; and
 - (b) pay or procure the payment of the Scheme Consideration in accordance with the Scheme.

No amendment to Scheme without consent

- 4.5 Rex must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of Mach.

5. Implementation

Timetable

- 5.1 Subject to clause 5.2, without limiting the parties' obligations under clauses 5.5 and 5.6, the parties must each use all reasonable endeavours to commit necessary resources (including management and the resources of external advisers) and ensure that their respective officers and advisers work in good faith and in a timely and cooperative fashion with the other party to produce the Scheme Booklet and implement the Scheme as soon as reasonably practicable and in accordance with the Timetable, subject to the terms and conditions of this deed.
- 5.2 Failure by a party to meet any timeframe or deadline set out in the Timetable will not constitute a breach of clause 5.1 to the extent that such failure is due to circumstances and matters outside the party's control.
- 5.3 Each party must keep the other informed about their progress against the Timetable and notify each other if it believes that any of the dates in the Timetable are not achievable.
- 5.4 To the extent that any of the dates or timeframes set out in the Timetable become not achievable due to matters outside of a party's control, the parties will consult in good faith to agree to any necessary extension to ensure such matters are completed within the shortest possible timeframe.

Verification

- 5.7 Rex must undertake appropriate verification processes in relation to the Rex Information included in the Scheme Booklet and Mach must undertake appropriate verification processes in relation to the Mach Information included in the Scheme Booklet.

Content of Scheme Booklet

- 5.8 The parties agree that the Scheme Booklet will contain statements to the effect that:
- (a) Rex is responsible for the Rex Information;
 - (b) Mach is responsible for the Mach Information (and no other part of the Scheme Booklet); and
 - (c) the Independent Expert is responsible for the Independent Expert's Report.
- 5.9 Rex must (and must use its best endeavours to procure that each Rex Board Member does make the recommendation in the terms contemplated by this clause 5.9), unless there has been a change of recommendation in compliance with this deed, include in the Scheme Booklet a statement that each Rex Board Member:
- (a) recommends that Rex Shareholders vote in favour of the Scheme; and
 - (b) intends to vote, or procure the voting of, all of the Rex Shares held or controlled by him or her in favour of the Scheme,
- subject to:
- (c) the Independent Expert's Report concluding and continuing to conclude that the Scheme is in the best interests of Rex Shareholders; and
 - (d) there being no Superior Proposal.
- 5.10 If the parties disagree on the form or content of the Scheme Booklet, they must consult in good faith to try to settle an agreed form and content of the Scheme Booklet.
- 5.11 If within five Business Days of the consultation referred to in clause 5.10 above having commenced there is still no agreement between the parties, the final form and content of the Scheme Booklet shall be determined by Rex, acting reasonably, provided that if Mach disagrees with such final form and content:
- (a) Rex must include a statement to that effect in the Scheme Booklet; and
 - (b) if Rex's concerns relate to Mach Information, Rex must not include that Mach Information to the extent that Mach disagrees with the final form and content.

Access to information

- 5.12 Rex must, and must cause each of the Rex Group Members to, provide Mach and its Representatives with reasonable and timely access to information, premises, and members of senior management and technical consultants of Rex as reasonably requested by Mach at mutually convenient times for the sole purpose of:
- (a) the implementation of the Transaction;
 - (b) keeping Mach informed of material developments relating to the Rex Group including the Business;

- (c) facilitating Mach to develop plans for Rex's operations following implementation of the Scheme;
- (d) finalisation of Mach's structuring arrangements for the Transaction; or
- (e) any other purpose agreed between the parties in writing,

provided that:

- (f) to the extent practicable, information will be made available via the Data Room;
- (g) it does not, in the reasonable opinion of Rex, result in unreasonable disruptions to, or interference with, the Business or the day to day operations of the Rex Group; and
- (h) nothing in this clause will require Rex to provide information:
 - (i) concerning Rex's directors and management's consideration of the Transaction or any Competing Proposal;
 - (ii) concerning the Business that is, in the reasonable opinion of Rex, commercially sensitive; or
 - (iii) if to do so would or would be reasonably likely to:
 - (A) breach any confidentiality obligation owed to a third party, applicable law, regulatory requirement, authorisation or court order; or
 - (B) result in a waiver or loss of legal professional privilege.

5.13 The obligations pursuant to clause 5.12 commence from the date of this deed and cease on the earlier of:

- (a) the Implementation Date; and
- (b) a majority of the Rex Board changing, withdrawing or adversely modifying or revising their recommendation that Rex Shareholders vote in favour of the Scheme as permitted by this deed.

Transaction implementation committee

5.14 The parties must establish a Transaction implementation committee as soon as reasonably practicable after the date of this deed and work together in good faith to consult with each other and plan to:

- (a) implement the Transaction in accordance with this deed; and
- (b) ensure the smooth transition of the management of the business and the affairs of the Rex Group to Mach following the implementation of the Scheme.

Third party consents

5.15 As soon as practicable after the date of this deed, Rex and Mach must use best endeavours to identify any change of control or similar provisions in material contracts to which Rex or a Rex Group Member is party which may be required by, triggered by or exercised in response to the implementation of the Transaction. In respect of those material contracts:

- (a) Rex and Mach will, each acting reasonably, agree a proposed course of action and then Rex will initiate contact, including joint discussions if required, with the relevant counterparties and request that they provide any consents or confirmations required or

appropriate. Mach and its Representatives must not contact any counterparties for this purpose without Rex being present or without Rex's prior written consent (not to be unreasonably withheld or delayed);

- (b) Mach must cooperate with, and provide reasonable assistance to Rex to obtain such consents or waivers as expeditiously as possible, including by as soon as reasonably practicable providing any information reasonably required by counterparties; and
- (c) provided that Rex has complied with this clause 5.15, a failure by a Rex Group Member to obtain any third party consent or waiver in respect of a change of control requirement will not of itself constitute a breach of this deed by Rex.

Appointment and resignation of directors

- 5.16 On the Implementation Date, but subject to implementation of the Scheme occurring and receipt by Rex of relevant signed consents to act, Rex must take all actions necessary to:
- (a) cause the appointment of the nominees of Mach to the Rex Board in accordance with the constitution of Rex;
 - (b) ensure that all directors on the Rex Board, other than Mach nominees appointed pursuant to clause 5.16(a) and any existing Rex director which Mach has agreed in writing will remain on the Rex Board:
 - (i) resign in accordance with the constitution of Rex; and
 - (ii) acknowledge and agree in the notice of resignation that each such director has no outstanding claims against Rex or any other Rex Group Member; and
 - (c) ensure that all directors on the boards of Rex's Subsidiaries, other than any existing Rex Subsidiary director which Mach has agreed in writing will remain on the board of the relevant Rex Subsidiary:
 - (i) resign in accordance with the constitution of the relevant Rex Subsidiary; and
 - (ii) acknowledge and agree in the notice of resignation that each such director has no outstanding claims against Rex or the relevant Rex Group Member,

and to cause the appointment of nominees of Mach to those boards in accordance with the constitution of each relevant Rex Subsidiary.

Deeds of indemnity and insurance and D&O run-off insurance

- 5.17 Subject to the Scheme becoming Effective and the Transaction completing, Mach undertakes in favour of Rex and each other person who is a Rex Indemnified Party that it will:
- (a) for a period of seven years from the Implementation Date, ensure that the constitutions of Rex and each other Rex Group Member continue to contain such provisions as are contained in those constitutions at the date of this deed that provide for each company to indemnify each of its directors and officers against any liability incurred by that person in his or her capacity as a director or officer of the company to any person other than a Rex Group Member; and
 - (b) procure that Rex and each other Rex Group Member complies with any deeds of indemnity, access and insurance made by them in favour of their respective directors and officers from time to time and, without limiting the foregoing, ensure that directors' and officers' run-off insurance cover placed pursuant to clause 5.18 below is maintained for a period of seven years from the retirement date of each applicable

director and officer and not take any action which would prejudice or adversely affect any directors' and officers' run-off insurance cover taken out in accordance with clause 5.18.

- 5.18 Mach acknowledges and agrees that, notwithstanding any other provision of this deed, Rex may, prior to the Implementation Date, enter into arrangements to secure directors and officers run-off insurance for no less than a 7 year period from the retirement date of each director and officer (**D&O Run-off Policy**), and that any actions to facilitate that insurance or in connection with such insurance will not be a Prescribed Occurrence or a breach of any provision of this deed, or give rise to any right to terminate this deed, and will be disregarded when assessing the operation of any other part of this deed, provided that:
- (a) Rex must use reasonable endeavours to obtain the most attractive commercial terms for the D&O Run-off Policy from a reputable insurer;
 - (b) Rex keeps Mach promptly and reasonably informed of progress in relation to the D&O Run-off Policy and consults with Mach in good faith in relation to the D&O Run-off Policy; and
 - (c) the scope and amount of the cover of the D&O Run-off Policy is on the same terms, or terms that are reasonably the same in all material respects, as the existing insurance policies in place for the directors and officers of Rex as at the date of this deed (it being acknowledged that the market for cover is dynamic and reasonable regard is to be had to the extent to which the level and type of cover in place under the existing policies is available for the extended run-off).
- 5.19 The undertakings contained in clauses 5.17 and 5.18 are subject to any Corporations Act restriction and will be read down accordingly.
- 5.20 Rex receives and holds the benefit of clause 5.17, to the extent it relates to the other Rex Indemnified Parties, as trustee for them.

Options

- 5.21 Rex must give effect to the treatment of the Options in accordance with clause 3.1(h), and for the avoidance of doubt:

- 12.6 A notification given under clause 12.5 must include reasonable details of the actual, proposed or potential Competing Proposal (including price and form of consideration or conditions precedent, proposed deal protection arrangements and timetable), including the material terms and conditions of the actual, proposed or potential Competing Proposal and the identity of the party or parties making or proposing the Competing Proposal.
- 12.7 During the Exclusivity Period, Rex must also notify Mach in writing as soon as possible after it or any of its Representatives, becomes aware of any material developments in relation to the

actual, proposed or potential Competing Proposal, including in respect of any of the information previously provided to Mach pursuant to clauses 12.5 to 12.6.

Matching right

12.8 Without limiting clauses 12.2 and 12.3, during the Exclusivity Period:

- (a) Rex must not, and must procure that each of its Related Bodies Corporate does not, enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which one or more of a Third Party, Rex or any Related Body Corporate of Rex proposes or propose to undertake or implement or give effect to an actual, proposed or potential Competing Proposal; and
- (a) Rex must use its best endeavours to procure that none of its directors publicly recommend an actual, proposed or potential Competing Proposal or make any public statement to the effect that they may do so at a future point,

unless:

- (b) the actual, proposed or potential Competing Proposal is a Superior Proposal;
- (c) Rex has provided Mach with written notification of the material terms and conditions of the actual, proposed or potential Competing Proposal (including the identity of the party or parties making the actual, proposed or potential Competing Proposal and the price and form of consideration or conditions precedent, proposed deal protection arrangements and timetable);
- (d) Rex has given Mach at least five Business Days after the provision of the information referred to in clause 12.8(c) above to provide an irrevocable offer of a matching or superior proposal to the terms of the relevant actual, proposed or potential Competing Proposal on terms which Mach considers in good faith to be no less favourable to the relevant actual, proposed or potential Competing Proposal on an overall basis (**Mach Counter Proposal**); and
- (e) Mach has not announced or formally proposed to Rex a Mach Counter Proposal by the expiry of the five Business Day period in clause 12.8.

12.9 Rex must use its best endeavours to procure that its directors, within five Business Days of receiving the Mach Counter Proposal, consider any Mach Counter Proposal in good faith and promptly notify Mach in writing of its decision. If the Rex Board Members determine that the terms and conditions of the Mach Counter Proposal taken as a whole are no less favourable for Rex Shareholders as a whole (other than Excluded Shareholders) than those of the relevant Competing Proposal, Rex and Mach must each use their best endeavours to agree and enter into such documentation as is reasonably necessary to give effect to and implement the Mach Counter Proposal as soon as reasonably practicable.

12.10 Each successive amendment to any Competing Proposal that results in an increase in, or modification of, the consideration (or value of such consideration) to be received by Rex Shareholders will constitute a new Competing Proposal for the purposes of these clauses 12.8 to 12.10, except that any reference to "five Business Days" in clause 12.8(d) would in that event be taken to be a reference to "three Business Days".

Normal provision of information

12.11 Nothing in this clause 12 prevents Rex from:

- (a) continuing to make normal presentations to brokers, banks, financiers, portfolio investors and analysts in the ordinary course of business;

- (b) providing information to its Representatives;
 - (c) providing information to any Government Agency;
 - (d) providing information to its auditors, customers, financiers and suppliers acting in that capacity in the ordinary course of business;
 - (e) providing information required to be provided by law, including to satisfy its obligations of disclosure under the ASX Listing Rules or to any Government Agency; or
 - (f) engaging with its shareholders (in their capacity as a shareholder) in the ordinary course in relation to the Rex Group. For the avoidance of doubt this does not permit any actions relating to a Competing Proposal proposed or relating to any shareholder.

13. Break Fee

Background

- 13.1 Rex and Mach acknowledge that, having entered into this deed, if the Scheme is subsequently not implemented, Mach will incur significant costs, including significant opportunity costs.
- 13.2 In the circumstances referred to in clause 13.1, Mach has requested that provision be made for the payments outlined in clauses 13.5 and 13.6, without which Mach would not have entered into this deed or otherwise agreed to assist in implementing the Scheme.
- 13.3 Rex confirms that the Rex Board has acknowledged that:
- (a) it has received advice from its external legal advisers in relation to this deed and the operation of this clause 13;
 - (b) it believes the implementation of the Scheme will provide significant benefits to Rex and Rex Shareholders, such that it is reasonable and appropriate for Rex to agree to the Break Fee in order to secure Mach's participation in the Transaction; and
 - (c) the Break Fee is intended to be compensatory in nature and represents a genuine and reasonable estimate of cost and loss that would be suffered by Mach if this deed was entered into and the Scheme is subsequently not implemented, including to compensate Mach for the costs and expenses referred to in clause 13.7.

Payment by Rex to Mach

- 13.4 If:
- (a) during the Exclusivity Period, any Rex Board Member changes, withdraws or adversely modifies or revises his or her recommendation that Rex Shareholders vote in favour of the Scheme, or recommends a Competing Proposal, other than:
 - (i) as a result of the Independent Expert opining (including in any update of, or revision, amendment or supplement to, the Independent Expert Report) that the Scheme is not in the best interests of Rex Shareholders (other than where the reason for that opinion is a Competing Proposal);
 - (ii) as a result of any matter or thing giving Rex the right to terminate under clause 14.1(a) and that right has been exercised; or

- (iii) as a result of a failure of the conditions precedent in clause 3.1(a) (FIRB Approval), 3.1(b) (Restraints), 3.1(c) (Court Approval) or 3.1(d) (Shareholder Approval) giving rise to a right of Rex to terminate this deed and Rex has exercised that right;
- (b) a Competing Proposal of any kind is announced or made during the Exclusivity Period and, within 9 months of the date of such announcement, the person or persons announcing or making the Competing Proposal or an Associate of any such persons:
 - (i) completes a Competing Proposal of a kind referred to in any of paragraphs (b), (c) or (d) of the definition of Competing Proposal;
 - (ii) enters into an agreement, arrangement or understanding with Rex, with another member of the Rex Group or with the board of directors of any of the foregoing entities, which is of the kind referred to in paragraph (e) of the definition of Competing Proposal;
 - (iii) without limiting clause 13.4(b)(i) or 13.4(b)(ii), acquires (either alone or in aggregate) a relevant interest in, becomes the holder of, or otherwise acquires, directly or indirectly, 50% or more of Rex Shares and that acquisition is unconditional and free of defeating conditions;
 - (iv) acquires or becomes the holder of, or otherwise, acquires an economic interest in all or a substantial part of the Business;
 - (v) acquires control (as determined in accordance with section 50AA of the Corporations Act) of Rex; or
 - (vi) otherwise acquires or merges with Rex; or
- (c) Mach terminates this deed pursuant to clauses 14.2(a) or 14.2(c).

then Rex must pay Mach the Break Fee (without set-off or withholding) in accordance with clauses 13.5 and 13.6.

Satisfaction of payment obligation

- 13.5 Rex must pay Mach the amount claimed under clause 13.4 within five Business Days after receipt by Rex of a demand for payment in writing from Mach except to the extent that a finding has been made by a court, Takeovers Panel, regulatory authority or tribunal as described in clause 13.9. If an application has been made to such a body seeking such a finding then the obligation will be temporarily suspended until the application has been determined, withdrawn or terminated.
- 13.6 Rex's obligation to make the payment referred to in clause 13.5 will be satisfied by the payment of the relevant amount in immediately available funds to the account nominated by Mach for the purposes of this clause.

Nature of payment

- 13.7 The amount payable by Rex under clauses 13.5 and 13.6 is intended to be an amount to compensate Mach for:
- (a) advisory costs (including costs of advisers other than success fees);
 - (b) costs of management and directors' time;
 - (c) out-of-pocket expenses by Mach and its Representatives; and

- (d) the opportunity costs incurred by Mach in pursuing the Scheme or in not pursuing other alternative acquisitions or strategic initiatives which Mach could have developed to further its business and objectives,

and the parties agree that:

- (e) the costs actually incurred by Mach will be of such a nature that they cannot all be accurately ascertained; and
- (f) the Break Fee is a genuine and reasonable pre-estimate of those costs.

Qualifications

- 13.8 No amount shall be payable by Rex under this clause 13 if the Scheme becomes Effective, notwithstanding the occurrence of any event in clause 13.4. To the extent that any amounts have already been paid under this clause 13 and the Scheme becomes Effective, such amounts shall be promptly refunded to Rex.
- 13.9 This clause 13 does not impose an obligation on Rex to pay the Break Fee to the extent (and only to the extent) that the obligation to pay the amount:
- (a) constitutes unacceptable circumstances as declared by the Takeovers Panel; or
- (b) is held to be unenforceable by one party against the other as determined by a court, after all proper avenues of appeal and review, whether judicial or otherwise, have been exhausted. The parties must take all reasonable steps to ensure that any such determination applies to the minimum extent possible.
- 13.10 The parties must not make or cause or permit to be made, any application to a court or the Takeovers Panel for or in relation to a determination of a kind referred to in clause 13.9.
- 13.11 A statement that shareholders should 'take no action pending further advice' (or words to that effect) is not regarded as an adverse modification of a recommendation for the purposes of clause 13.4(a), provided the Rex Board publicly re-affirms its recommendation in favour of the Transaction at least 10 Business Days before the earlier of the date the Scheme is considered by Rex Shareholders and the End Date.

Limitation of liability

- 13.12 Subject to clauses 13.14 and 13.15 and as otherwise provided, despite anything to the contrary in this deed, the maximum aggregate liability of Rex for any claims under this deed is the Break Fee and in no event will the aggregate liability of Rex under or in connection with this deed exceed the Break Fee.
- 13.13 Subject to clauses 13.14 and 13.15 and as otherwise provided, notwithstanding any other provision under this deed, where the Break Fee is paid to Mach under this deed (or would be payable if a demand was made), Mach cannot make any claim against Rex or the other Rex Indemnified Parties in relation to any event or occurrence referred to in clause 13.4.
- 13.14 Clauses 13.12 and 13.13 do not apply to any application to a court or claim for specific performance or injunctive relief or any other remedies that would otherwise be available in equity or law as a remedy for a breach or threatened breach of this deed by Rex.
- 13.15 Clauses 13.12 and 13.13 do not apply in connection with a claim by Mach against Rex for loss which flows directly from a breach by Rex of clause 12 or a claim against Rex arising in relation to any wilful misconduct or fraudulent breach of this deed by Rex.

14. Termination

Termination

- 14.1 Without prejudice to any other rights of termination under this deed, Rex may terminate this deed by written notice to Mach at any time before 8.00 am on the Second Court Date if:
- (a) Mach is in breach of this deed (including a breach of a Mach Representation and Warranty under clause 8) and:
 - (i) that breach is material;
 - (ii) Rex has given written notice to Mach setting out the breach and stating an intention to terminate this deed if the breach is not remedied; and
 - (iii) the breach is not remedied by Mach to Rex's reasonable satisfaction within 10 Business Days (or any shorter period ending on the Second Court Date) from the time the notice is given in accordance with clause 14.1(a)(ii); or
 - (b) any Rex Board Member changes, withdraws or adversely revises or modifies their recommendation that Rex Shareholders vote in favour of the Scheme, or recommends a Competing Proposal, in each case as permitted to do so under clause 7.2 of this deed.
- 14.2 Without prejudice to any other rights of termination under this deed, Mach may terminate this deed by written notice to Rex at any time before 8.00 am on the Second Court Date if:
- (a) Rex is in breach of this deed (including a breach of a Rex Representation and Warranty under clause 8) and:
 - (i) that breach is material;
 - (ii) Mach has given written notice to Rex setting out the breach and stating an intention to terminate this deed if the breach is not remedied; and
 - (iii) the breach is not remedied by Rex to Mach's reasonable satisfaction within 10 Business Days (or any shorter period ending on the Second Court Date) from the time the notice is given in accordance with clause 14.2(a)(ii);
 - (b) any Rex Board Member changes, withdraws or adversely revises or modifies his or her recommendation that Rex Shareholders vote in favour of the Scheme, or recommends a Competing Proposal, whether or not permitted to do so under this deed; or
 - (c) in any circumstance (including circumstances permitted by clauses 12.8 to 12.10) where Rex enters into a definitive agreement to implement a Competing Proposal.

For the avoidance of doubt, a statement that shareholders should 'take no action pending further advice' (or words to that effect) is not regarded as an adverse modification of a recommendation for the purposes of clauses 14.1 and 14.2.

Termination by agreement

- 14.3 This deed is terminable if agreed to in writing by Rex and Mach.

Effect of termination

- 14.4 If this deed is terminated by either party under clauses 3.13, 14.1 or 14.2, this deed will become void and have no effect, without any liability or obligation on the part of any party, other than in relation to rights and obligations that accrued prior to termination and other than in relation to the provisions of this clause 14 and of clauses 1 (Definitions and interpretation), 8 (Representations and warranties), 11 (Confidentiality), 15 (GST), 16 (Notices) and 17 (General) which will remain in force after termination.

15. GST and withholding

GST

- 15.1 Unless expressly included, the consideration for any supply under or in connection with this deed does not include GST.
- 15.2 Despite the other provisions of this deed, to the extent that any supply made by a party (**Supplier**) to another party (**Recipient**) under or in connection with this deed is a taxable supply and a tax invoice has been provided to the Recipient, the Recipient must pay to the Supplier, in addition to the consideration otherwise to be provided under this deed for that supply (unless it expressly includes GST) an amount equal to the amount of that consideration (or its GST exclusive market value) multiplied by the rate at which GST is imposed in respect of the supply.
- 15.3 The additional amount on account of GST payable in accordance with clause 15.2 will be paid at the same time and in the same manner as the first part of the consideration otherwise payable for the supply is provided.
- 15.4 Except where the context suggests otherwise, terms used in this clause 15 have the meanings given to those terms by the A New Tax System (Goods and Services Tax) Act 1999 (as amended from time to time).

Capital gains tax withholding

- 15.5 Mach must make all payments that become due under the Scheme free and clear and without deduction of all present and future withholdings, unless Mach determines (acting reasonably) that it is required by law or it is required to pay an amount to the Commissioner of Taxation (**Commissioner**) pursuant to Subdivision 14-D of Schedule 1 to the TAA (a **CGT Withholding Amount**). The aggregate sum payable to the Scheme Shareholders shall not be increased to reflect the deduction and the net aggregate sum payable to those Scheme Shareholders shall be taken to be in full and final satisfaction of the amounts owing to the Scheme Shareholders.
- 15.6 If Mach determines (acting reasonably) that it is required to pay a CGT Withholding Amount with respect to the acquisition of the Scheme Shares from a Scheme Shareholder, Mach will:
- (a) determine the amount of the CGT Withholding Amount;
 - (b) remit the CGT Withholding Amount to the Commissioner within the time required under Subdivision 14-D of Schedule 1 to the TAA; and
 - (c) have satisfied its obligations to pay the CGT Withholding Amount to the Scheme Shareholder for the purposes of the Scheme.

- 15.7 Mach acknowledges and agrees that it shall not pay any amounts to the Commissioner under Subdivision 14-D with respect to a Scheme Shareholder where it receives an entity declaration from the Scheme Shareholder prior to the Implementation Date, where:
- (a) the entity declaration is made in accordance with the requirements in section 14-225 of Subdivision 14-D of the TAA and covers the Implementation Date (**Entity Declaration**); and
 - (b) Mach does not know the Entity Declaration to be false.
- 15.8 Rex agrees that Mach may approach the ATO to obtain clarification as to the application of Subdivision 14-D of the TAA to the Transaction and will provide all information and assistance that Mach reasonably requires in making any such approach. Mach agrees:
- (a) to provide Rex a reasonable opportunity to review the form and content of all materials to be provided to the ATO, and must incorporate Rex's reasonable comments on those materials, and more generally take into account Rex's comments in relation to Mach's engagement with the ATO, and provide Rex a reasonable opportunity to participate in any discussions and correspondence between Mach and the ATO in connection with the application of Subdivision 14-D to the Transaction; and
 - (b) not to contact any Scheme Shareholders in connection with the application of Subdivision 14-D or other withholding obligation to the Transaction without Rex's written consent.
- 15.9 The parties agree to take all actions that they agree (each acting reasonably) are necessary or desirable to ensure that, where possible, Entity Declarations are obtained from relevant Scheme Shareholders.

17. General

Remedies

17.1 Each party acknowledges that any breach of this deed will cause material damage to the other party and that damages may not be a sufficient remedy for such breach. Accordingly, the other party has the right to seek injunctive relief or specific performance as a remedy for any actual or threatened breach, in addition to any other remedies available at law or in equity under or independently of this deed.

Costs

17.2 Subject to clause 17.3, each party must bear its own costs and expenses (including professional fees and stamp duty) incurred by it in connection with the negotiation, preparation and execution of this deed and the implementation or attempted implementation of the Scheme.

Stamp duty

17.3 Mach must pay all stamp duty and any related fines or penalties in respect of this deed, the Deed Poll and the acquisition of the Scheme Shares in accordance with the Scheme and indemnify Rex (on Rex's own behalf and separately as trustee or nominee for the other Rex Indemnified Parties and Rex Shareholders) against any liability arising from failure to comply with this clause 17.3.

Entire agreement

17.4 To the extent permitted by law, in relation to the subject matter of this deed, this deed:

- (a) embodies the entire understanding of the parties and constitutes the entire terms agreed on between the parties; and
- (b) supersedes any prior agreement (whether or not in writing) between the parties other than the Confidentiality Agreement.

Further assurances

17.5 Each party must, at its own expense, whenever requested by the other party, promptly do or, to the extent reasonably practicable, arrange for others to do everything, including executing any documents, reasonably necessary to give full effect to this deed and the transactions contemplated by this deed.

No merger

17.6 The rights and obligations of the parties do not merge on completion of any transaction contemplated under this deed. They survive the execution and delivery of any assignment or other document entered into to implement any transaction contemplated under this deed.

Assignment

17.7 A party cannot assign, novate or otherwise transfer or deal in any other way with any of its rights or obligations under this deed without the other party's prior written consent.

Invalid or unenforceable provisions

17.8 If a provision of this deed is invalid or unenforceable in a jurisdiction:

- (a) it is to be read down or severed in that jurisdiction to the extent of the invalidity or unenforceability; and
- (b) that fact does not affect the validity or enforceability of that provision in another jurisdiction or the remaining provisions of this deed.

Waiver and exercise of rights

- 17.9 A waiver by a party of a provision of, or of a right under, this deed is only binding on the party granting the waiver if it is given in writing and is signed by the party or an authorised officer of the party granting the waiver.
- 17.10 A waiver is effective only in the specific instance and for the specific purpose for which it is given.
- 17.11 A single or partial exercise of a right by a party does not preclude another exercise of that right or the exercise of another right.
- 17.12 The failure to exercise, or the delay in exercising, a right does not operate as a waiver or prevent the party so failing or exercising its right from later doing so.

Amendment

- 17.13 Except as expressly provided to the contrary in this deed, this deed may only be amended by a document signed by or on behalf of each party.

Counterparts

- 17.14 This deed may be signed in counterparts and all counterparts taken together constitute one document.

Rights cumulative

- 17.15 Except as expressly provided to the contrary in this deed or as permitted by law, the rights, powers and remedies provided in this deed are cumulative and do not exclude any other rights, powers or remedies provided by law independently of this deed.

Consents or approvals

- 17.16 A party may give its approval or consent conditionally or unconditionally, or withhold its approval or consent, in its absolute discretion unless this deed expressly provides otherwise.

Governing law and jurisdiction

- 17.17 This deed is governed by the laws of Victoria, Australia.
- 17.18 Each party irrevocably and unconditionally:
- (a) submits to the non-exclusive jurisdiction of the courts of Victoria, Australia and any courts which have jurisdiction to hear appeals from any of those courts in respect of any proceedings arising out of or in connection with this Scheme; and
- (b) waives, without limitation, any claim or objection based on absence of jurisdiction or inconvenient forum.

Service of process

- 17.19 Each party agrees that a document required to be served in proceedings about this deed may be served:

- (a) by being delivered to or left at its address for service of notices under clauses 16.1; or
- (b) in any other way permitted by law.

Trust and deed poll

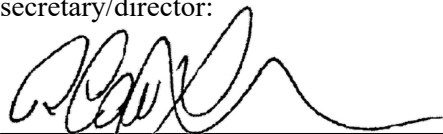

- 17.20 It is acknowledged and agreed by Rex that Mach not only enters into this deed on its own behalf but also as trustee for the Mach Indemnified Parties (other than Mach) in respect of rights, benefits and remedies expressed to be in favour of, or which are for the benefit of, or which benefit, the Mach Indemnified Parties (other than Mach) including the indemnity in clause 8.2 and release in clause 9.3.
- 17.21 It is acknowledged and agreed by Mach that Rex not only enters into this deed on its own behalf but also as trustee for the Rex Indemnified Parties (other than Rex) in respect of rights, benefits and remedies expressed to be in favour of, or which are for the benefit of, or which benefit, the Rex Indemnified Parties (other than Rex) including the indemnity in clause 8.6 and the release in clause 9.1.
- 17.22 Without limiting clauses 17.20 and 17.21 or any other terms of, or the operation and effect of, this deed, it is acknowledged and agreed by the parties that this deed will also operate as a separate deed poll by each of Mach and Rex in favour of, and for the benefit of, each Mach Indemnified Party (other than Mach) and each Rex Indemnified Party (other than Rex) respectively so that this deed may be directly enforced by or on behalf of any other Mach Indemnified Party and any other Rex Indemnified Party respectively if they choose to do so.

Mach has executed the Deed Poll in favour of each Scheme Shareholder under which it has covenanted, subject to this Scheme becoming Effective, to perform certain steps attributed to it under this Scheme and to do all things necessary to implement this Scheme, including to pay or procure the payment of the Scheme Consideration to the Scheme Shareholders.

- 3.3 The certificate referred to in clause 3.2 constitutes conclusive evidence of the satisfaction or waiver of the conditions precedent referred to in the relevant certificate.

End Date

4. Implementation of Scheme

Lodgement of Court orders

- 4.1 Rex must lodge with ASIC in accordance with section 411(10) of the Corporations Act an office copy of the Court order approving this Scheme as soon as practicable after the Court approves this Scheme and in any event by 5.00 pm on the first Business Day after the day on which the Court approves this Scheme (or such later date as agreed in writing by Mach and Rex).

Transfer of Scheme Shares

- 4.2 On the Implementation Date:
 - (a) subject to this Scheme becoming Effective and the payment of the Scheme Consideration in accordance with clauses 5.1 to 5.4, the Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares as at the Implementation Date, must be transferred to Mach, without the need for any further act by any Scheme Shareholder (other than acts performed by Rex as attorney and agent for Scheme Shareholders under clause 8.8), by:

- (i) Rex delivering to Mach a duly completed Scheme Transfer, executed on behalf of the Scheme Shareholders by Rex, for registration; and
 - (ii) Mach duly executing the Scheme Transfer, attending to the stamping of the Scheme Transfer (if required) and delivering it to Rex for registration; and
- (b) immediately following receipt of the Scheme Transfer in accordance with clause 4.2(a)(ii), but subject to the stamping of the Scheme Transfer (if required), Rex must enter, or procure the entry of, the name and address of Mach in the Rex Share Register as the holder of all the Scheme Shares transferred to Mach in accordance with the terms of this Scheme.

5. Scheme Consideration

Provision of Scheme Consideration

- 5.1 Mach must by no later than two Business Days before the Implementation Date, deposit in cleared funds an amount equal to the aggregate amount of the Scheme Consideration payable to each Scheme Shareholder (less the Withholding Amount as defined in clause 5.5 below), in an Australian dollar denominated trust account with an ADI operated by Rex as trustee for the Scheme Shareholders (**Trust Account**) and notified to Mach at least five Business Days prior to Implementation Date. Any interest on the amounts deposited (less bank fees and other charges) will be credited to Mach's account.
- 5.2 On the Implementation Date, subject to funds having been deposited in accordance with clause 5.1, Rex must pay or procure the payment from the Trust Account to each Scheme Shareholder based on the number of Scheme Shares held by such Scheme Shareholder as set out in the Rex Share Register on the Scheme Record Date.
- 5.3 The obligations of Rex under clause 5.2 will be satisfied by Rex (in its absolute discretion):
- (a) making or procuring a deposit into an account with an ADI in Australia notified by the Scheme Shareholder to Rex and recorded in or for the purposes of payments of dividends in the Rex Share Register as at the Scheme Record Date (**Registered Account**); or
 - (b) if Rex has not been notified by the Scheme Shareholder of a Registered Account, despatching or procuring the despatch to the Scheme Shareholder of a cheque, pre-paid ordinary post (or, if the Registered Address of the Scheme Shareholder is outside Australia, by pre-paid airmail post) in an envelope addressed to the Registered Address as at the Scheme Record Date.
- 5.4 To the extent that, following satisfaction of Rex's obligations under clause 5.2, there is a surplus in the amount held by Rex as trustee for the Scheme Shareholders in the Trust Account, that surplus will be paid by Rex to Mach.
- 5.5 If Mach is required by section 260-5 or Subdivision 14-D of Schedule 1 to the TAA or section 255 of the *Income Tax Assessment Act 1936 (Cth)* (or equivalent provisions) to pay a Government Agency an amount in respect of the acquisition of the Scheme Shares (the Withholding Amount), Mach is permitted to deduct the Withholding Amount from the Scheme Consideration otherwise payable to those Scheme Shareholders and remit such amounts to the Government Agency. The aggregate sum payable shall not be increased to reflect the deduction of the Withholding Amount and the net amount payable to those Scheme Shareholders to whom the Withholding Amount relates shall be taken to be in full and final satisfaction of the amounts owing to those Scheme Shareholders.

Joint holders

- 5.6 In the case of Scheme Shares held in joint names:
- (a) subject to clause 5.3, the Scheme Consideration is payable to the joint holders and any cheque required to be sent under this Scheme will be made payable to the joint holders and sent to either, at the sole discretion of Rex, the holder whose name appears first in the Rex Share Register as at the Scheme Record Date or to the joint holders; and
 - (b) any other document required to be sent under this Scheme, will be forwarded to either, at the sole discretion of Rex, the holder whose name appears first in the Rex Share Register as at the Scheme Record Date or to the joint holders.

- (a) is returned to Rex (or its agents); or
 - (b) has not been presented by a Scheme Shareholder within six months after the Implementation Date.
- 5.8 During the period of one year commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Rex (or the Rex Registry) (which request may not be made until the date which is 10 Business Days after the Implementation Date), Rex must reissue a cheque that was previously cancelled under clause 5.7.
- 5.9 The *Unclaimed Money Act 2008* (Vic) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 3 of the *Unclaimed Money Act 2008* (Vic)).

Orders of a court or Government Agency

- 5.10 If written notice is given to Rex (or the Rex Registry) of an order or direction made by a court of competent jurisdiction or by a Government Agency that:
- (a) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder by Rex in accordance with this clause 5, then Rex will be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
 - (b) prevents Rex from providing consideration to any particular Scheme Shareholder in accordance with this clause 5, or the payment or issuance of such consideration is otherwise prohibited by applicable law, Rex will be entitled to (as applicable) retain an amount, in Australian dollars, equal to the number of Scheme Shares held by that Scheme Shareholder multiplied by the Scheme Consideration until such time as provision of the Scheme Consideration in accordance with this clause 5 is permitted by that order or direction or otherwise by law.
- 5.11 To the extent that amounts are so deducted or withheld in accordance with clause 5.10, such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts are actually remitted as required.

6. Dealings in Rex Shares

Determination of Scheme Shareholders

- 6.1 Each Scheme Shareholder will be entitled to participate in this Scheme.
- 6.2 To establish the identity of the Scheme Shareholders, dealings in Rex Shares will only be recognised if:
- (a) in the case of dealings of the type to be effected by CHESS, the transferee is registered in the Rex Share Register as the holder of the relevant Rex Shares before the Scheme Record Date; and
 - (b) in all other cases, share transfer forms in registrable form or transmission applications in respect of those dealings are received by the Rex Registry before the Scheme Record Date,

and Rex must not accept for registration, nor recognise for any purpose (except a transfer to Mach pursuant to the Scheme and any subsequent transfer by Mach or its successors in title), any transfer or transmission application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

Rex's obligation to register

- 6.3 Rex must register any registrable transfers or transmission applications of the Scheme Shares in accordance with clause 6.2(b) before the Scheme Record Date provided that, for the avoidance of doubt, nothing in this clause 6.3 requires Rex to register a transfer that would result in a Rex Shareholder holding a parcel of Rex Shares that is less than a 'marketable parcel' (for the purposes of this clause 6.3 'marketable parcel' has the meaning given in the Operating Rules).

Transfers after the Scheme Record Date

- 6.4 If this Scheme becomes Effective, a Scheme Shareholder (and any person claiming through that holder) must not dispose of, or purport or agree to dispose of, any Scheme Shares or any interest in them on or after the Scheme Record Date, other than in accordance with this Scheme, and any attempt to do so will have no effect and Rex will be entitled to disregard any such disposal.

Maintenance of Rex Share Register

- 6.5 For the purpose of determining entitlements to the Scheme Consideration, Rex must, until the Scheme Consideration has been paid to the Scheme Shareholders, maintain the Rex Share Register in accordance with this clause 6. The Rex Share Register in this form will solely determine entitlements to the Scheme Consideration.

Effect of holding statements

- 6.6 All statements of holding for Rex Shares (other than statements of holding in favour of Mach) will cease to have effect after the Scheme Record Date as a document of title in respect of those shares.
- 6.7 Each entry on the Rex Share Register as at the Scheme Record Date (other than entries on the Rex Share Register in respect of Mach) will cease to have any effect except other than as evidence of the entitlements of the Scheme Shareholders to the Scheme Consideration in respect of the Rex Shares relating to that entry.

Information to be made available to Mach

- 6.8 As soon as practicable on or after the Scheme Record Date, and in any event within two Business Days after the Scheme Record Date, Rex will ensure that details of the names, Registered Addresses and holdings of Rex Shares for each Scheme Shareholder as shown in the Rex Share Register are available to Mach in the form Mach reasonably requires.

7. Quotation of Rex Shares

- 7.1 Rex must apply to ASX to suspend trading of Rex Shares on the ASX with effect from the close of trading on the Effective Date.
- 7.2 On a date after the Implementation Date to be determined by Mach, Rex must take all steps reasonably necessary and within its power (including by applying to ASX and satisfying any conditions reasonably required by ASX) to procure:
- (a) the termination of the official quotation of Rex Shares on the ASX; and
 - (b) the removal of Rex from the official list of the ASX.

8. General Scheme provisions

Consent to amendments to this Scheme

- 8.1 If the Court proposes to approve this Scheme subject to any alterations or conditions under section 411(6) of the Corporations Act:

 - (e) acknowledges and agrees that this Scheme binds Rex and all Scheme Shareholders (including those who do not attend the Scheme Meeting and those who do not vote, or vote against this Scheme, at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of Rex; and

- (f) consents to Rex and Mach doing all things and executing all deeds, instruments, transfers or other documents as may be necessary, incidental or expedient to the implementation and performance of this Scheme,

without the need for any further act by that Scheme Shareholder.

8.3 Each Scheme Shareholder is taken to have warranted to Rex and Mach on the Implementation Date, and appointed and authorised Rex as its attorney and agent to warrant to Mach on the Implementation Date, that:

- (a) all of its Rex Shares (including any rights and entitlements attaching to those shares) which are transferred under this Scheme will, at the date of transfer, be fully paid and free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise, and restrictions on transfer of any kind;
- (b) it has no existing right to be issued any shares, equity incentives or other securities; and
- (c) it has full power and capacity to transfer its Rex Shares to Mach together with any rights and entitlements attaching to those shares.

8.4 Rex undertakes in favour of each Scheme Shareholder that it will provide the warranties in clause 8.3, to the extent enforceable, to Mach on behalf of that Scheme Shareholder.

Title to and rights in Scheme Shares

8.5 To the extent permitted by law, the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme to Mach will, at the time of transfer of them to Mach, vest in Mach free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise and free from any restrictions on transfer of any kind.

8.6 On and from the Implementation Date, subject to the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clause 5, and pending registration by Rex of Mach as the holder of all Scheme Shares in the Rex Share Register, Mach will be beneficially entitled to the Scheme Shares.

Appointment of sole proxy

8.7 Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clause 5, and until registration by Rex of Mach as the holder of all Scheme Shares in the Rex Share Register, each Scheme Shareholder:

- (a) is deemed to have appointed Mach as attorney and agent (and directed Mach in each such capacity) to appoint any director, officer, secretary or agent nominated by Mach as its sole proxy and, where applicable or appropriate, corporate representative to:
- (i) attend shareholders' meetings;
- (ii) exercise the votes attaching to the Scheme Shares registered in their name; and

8.8 Each Scheme Shareholder, without the need for any further act:

- (a) on the Effective Date, irrevocably appoints Rex and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of enforcing the Deed Poll against Mach, and Rex undertakes in favour of each Scheme Shareholder that it will enforce the Deed Poll against Mach on behalf of and as agent and attorney for each Scheme Shareholder; and
- (b) on the Implementation Date, irrevocably appoints Rex and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of executing any document or doing or taking any other act necessary, desirable or expedient to give effect to this Scheme and the transactions contemplated by it, including (without limitation) executing the Scheme Transfer.

8.9 Rex accepts each such appointment contemplated by clause 8.8. Rex as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under clause 8.8 to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

Binding effect of Scheme

8.10 This Scheme binds Rex and all of the Scheme Shareholders (including those who do not attend the Scheme Meeting, do not vote on this Scheme, do not vote at the Scheme Meeting, or vote against this Scheme at the Scheme Meeting) and, to the extent of any inconsistency and to the extent permitted by law, overrides the constitution of Rex.

Costs and stamp duty

- 8.4 A single or partial exercise of a right by a person does not preclude another exercise of that right or the exercise of another right.
- 8.5 The failure to exercise, or the delay in exercising, a right does not operate as a waiver or prevent the person so failing or exercising its right from later doing so.

Variation

- (a) if before the First Court Date, the variation is agreed to by Rex; or
- (b) if on or after the First Court Date, the variation is agreed to by Rex and the Court indicates that the variation would not of itself preclude approval of the Scheme,

in which event Mach will enter into a further deed poll in favour of the Scheme Shareholders giving effect to the variation.
