PM Capital Global Opportunities Fund Limited (ASX: PGF) announces successful completion of upsized \$135 million placement

PM Capital Global Opportunities Fund Limited (ACN 166 064 875) (**PGF** or the **Company**) is pleased to announce the successful completion of its placement (**Placement**), details of which were announced on Tuesday, 30 July 2024. Following significant support from new and existing shareholders, the placement bookbuild completed early on Tuesday, 30 July 2024 with bids received well in excess of PGF's maximum placement capacity. The total amount of the placement was upsized to approximately \$135 million, being PGF's maximum placement capacity.

Chris Knoblanche, Chair of the Company, said:

"We are greatly appreciative of the support received from both existing shareholders and new investors, with the Placement closing early in response to the level of demand received. We congratulate Paul and the PM Capital team on their strong performance and careful management of the portfolio and look forward to the team continuing to deliver favourable long-term returns for PGF shareholders."

Details of the Placement

The Placement will raise approximately \$135 million via the issue of approximately 61.45 million new fully paid ordinary shares in PGF (**New Shares**)¹ at a price of \$2.19 per New Share (**Offer Price**), utilising PGF's maximum placement capacity under ASX Listing Rule 7.1. The Placement received strong demand from both existing and new wholesale and sophisticated investors.

The Offer Price is equal to the estimated pre-tax Net Tangible Asset (**NTA**) per fully paid ordinary share (**Share**) of the Company on Friday, 26 July 2024. As such, the Placement is not expected to be dilutive to existing shareholders on a pre-tax NTA per Share basis, while representing a discount of 6.4% to the \$2.34 ASX closing price of PGF on Monday, 29 July 2024.

Proceeds raised under the Placement will be invested in line with the existing investment strategy managed on behalf of PGF by PM Capital, the Company's investment manager (**Investment Manager**).

¹ This represents 15% of existing Shares (defined below) on issue.

As announced to ASX on Tuesday, 30 July 2024, the Placement is accompanied by a non-underwritten follow-on share purchase plan to eligible shareholders (**SPP**, and together with the Placement, the **Offer**).

New Shares issued under the Placement are expected to commence trading on Thursday, 8 August 2024 and will rank equally with existing Shares with effect from their date of issue.

New Shares issued under the Offer will be entitled to receive the anticipated Financial Year 2024 full year dividend, for which guidance was reiterated by the PGF Board on Tuesday, 30 July 2024 to be a minimum of 5.0 cents per Share, fully franked, representing an annualised grossed-up fully franked dividend yield of 6.46% per Share.² The announcement of PGF's Financial Year 2024 full year dividend is expected to be determined concurrently with the release of PGF's Financial Year 2024 full year results on Thursday, 8 August 2024.

PGF expects the trading halt to be lifted shortly and for trading to resume from market open today.

SPP

The SPP is targeting to raise up to approximately \$20 million, while maintaining the flexibility to accept applications in excess of this amount.³ Existing shareholders of the Company who were registered on the Company's share register at 7.00pm (Sydney time) on Monday, 29 July 2024 with a registered address in either Australia or New Zealand and who are not in the United States and are not acting for the account or benefit of a person in the United States (**Eligible Shareholders**) will have an opportunity to acquire up to \$30,000 worth of New Shares at a price of \$2.19 per New Share (being the same price per New Share to be paid by investors in the Placement). The SPP is scheduled to open on Friday, 9 August 2024 and is expected to close at 5.00pm (Sydney time) on Wednesday, 28 August 2024.

Additional details are set out in PGF's announcements to ASX on Tuesday, 30 July 2024.

Update to NTA

In addition, PGF confirms that as at 31 July 2024, its pre-tax NTA was \$2.20 and its post-tax NTA (excluding deferred tax assets) was 1.91.⁴
