Explanatory Memorandum

Introduction

This Explanatory Memorandum has been prepared to assist Shareholders to understand information in relation to the business to be put to Shareholders at the General Meeting.

This Explanatory Memorandum should be read in conjunction with the accompanying Notice of General Meeting. Please refer to **Annexure A** for definitions of capitalised terms in the Notice of General Meeting and Explanatory Memorandum.

Business

1 Background to Resolutions

On 24 July 2024, the Company announced:

- (a) a placement of Shares at an issue price of \$0.16 per new Share (**Offer Price**) to raise \$20 million (before costs) from various sophisticated and institutional investors in two tranches, with the second tranche subject to Shareholder approval (**Placement**); and
- (b) a share purchase plan to raise up to \$7 million (with the ability to accept over subscriptions of up to a further \$3 million) at the same issue price as under the Placement (**SPP**),

(**Capital Raising Announcement**).

Placement

Tranche 1 of the Placement completed on 1 August 2024 and a total of 88,732,000 Shares (**Tranche 1 Shares**) were issued to the relevant subscribers raising a total of \$14,197,120 (before costs). These Shares were issued pursuant to the Company's available placement capacity under Listing Rule 7.1 and the issue did not require Shareholder approval.

Tranche 2 will, subject to Shareholder approval, result in the issue of up to a further 36,268,000 Shares at the Offer Price (**Tranche 2 Shares**) to raise approximately \$5.8 million (before costs).

The specific details of each tranche of the Placement is set out in the table below:

Description	Number of Shares issued/to be issued	Funds raised/to be raised
Tranche 1	88,732,000 Shares issued on 1 August 2024	\$14,197,120 raised
Tranche 2	Up to 36,268,000 to be issued	\$5,802,880 to be raised
Total	125,000,000	\$20,000,000

The Placement is, subject to Shareholder approval for Tranche 2 of the Placement and other customary conditions, fully underwritten by Canaccord Genuity (Australia) Limited and UBS Securities Australia Limited, who acted as Joint Lead Managers and Bookrunners to the Placement (**JLMs**).

SPP and SPP Shortfall Offer

Under the SPP, eligible Shareholders may subscribe for up to \$30,000 of new Shares in the Company at the same issue price as under the Placement. The SPP offer is being made through a prospectus that was lodged with ASIC and released to ASX on 2 August 2024 (**Prospectus**). The SPP opened on 2 August 2024 and is scheduled to close on 9 September 2024 (unless otherwise extended).

Explanatory Memorandum

The Company may accept oversubscriptions under the SPP of up to an additional \$3 million over the targeted amount of \$7 million by the issue of up to an additional 18,750,000 Shares.

The total number of Shares that may be issued under the SPP (in the various scenarios) is set out in the table below:

Scenario 1: SPP is fully subscribed	Scenario 2: SPP is fully subscribed with maximum oversubscriptions accepted
43,750,000 Shares	62,500,000 Shares

The SPP provides that, if the SPP raises less than \$7 million (before costs) then the Company may seek to raise the shortfall of funds by way of an offer of Shares (**SPP Shortfall Shares**) to specific investors as a separate offer under the Prospectus (**SPP Shortfall Offer**). Any SPP Shortfall Shares issued will be issued at the same issue price as under the Placement and SPP. If there is a shortfall, and all SPP Shortfall Shares are issued, then the total number of Shares issued under the SPP and the SPP Shortfall Offer would be the same as the number of Shares issued if the SPP were fully subscribed (as set out in the table above under Scenario 1).

For the avoidance of doubt, if the Company accepts any oversubscriptions under the SPP, there will be no shortfall under the SPP and, accordingly, no SPP Shortfall Offer.

The issue of all Shares under the SPP (including the issue of any SPP Shortfall Shares) is subject to Shareholder approval. Resolution 3 seeks that Shareholder approval.

Directors (and their associates and any other person referred to in Listing Rule 10.11) may only participate in the SPP subject to Shareholder approval. Resolution 4 seeks that Shareholder approval. In addition, Directors (and their associates and any other person referred to in Listing Rule 10.11) will not be permitted to participate in the SPP Shortfall Offer unless Shareholder approval is obtained. These approvals will not be sought at the Meeting (and will only be sought if such participation is intended).

Further details about the Placement, the SPP and the capital raising more broadly are contained in the Capital Raising Announcement, the Company's ASX announcement dated 25 July 2024 and the Prospectus.

Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to (among others) a related party or an associate (as defined in the Listing Rules) of a related party unless it obtains the approval of its shareholders. A "related party" includes a director.

Explanatory Memorandum

2 Resolution 1 – Ratification of Previous Issue of Shares under Tranche 1 of the Placement

Please refer to the “Background to Resolutions” above for information about the Placement and Listing Rules 7.1 and 7.4.

Shareholder approval sought

The issue of the Tranche 1 Shares did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, has used up a significant portion of the Company’s 15% limit under Listing Rule 7.1, reducing (to essentially zero) the Company’s capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Tranche 1 Shares.

Under this Resolution, the Company seeks Shareholder approval for, and ratification of, the issue of the Tranche 1 Shares under and for the purposes of Listing Rule 7.4 so as to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

If this Resolution is passed, the issue of the Tranche 1 Shares will be excluded in calculating the Company’s 15% limit in Listing Rule 7.1, increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Tranche 1 Shares.

If this Resolution is not passed, the issue of the Tranche 1 Shares will be included in calculating the Company’s 15% limit in Listing Rule 7.1, and will continue to restrict the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Tranche 1 Shares.

Information required by Listing Rule 7.5

Listing Rule 7.5 requires the following specific information to be provided in relation to this Resolution:

- (a) The Tranche 1 Shares were issued to various Australian and international sophisticated and institutional investors. Some of the investors were introduced to the Company by the JLMs as part of the bookbuild process for the Placement and the other investors were known to the Company. None of the investors who participated in Tranche 1 of the Placement were material investors whose identity is required to be disclosed under ASX Guidance Note 21.
- (b) 88,732,000 fully paid ordinary shares in the capital of the Company were issued under Tranche 1 of the Placement.
- (c) The Tranche 1 Shares were issued on 1 August 2024.
- (d) The issue price for the Tranche 1 Shares was \$0.16 per Share.
- (e) The purpose of the issue was to raise capital. Funds raised from the Placement (in conjunction with funds raised under the SPP) are intended to be used for activities necessary to support critical path activities, compliance and progressing improvement ideas that reduce capital, schedule and risk (and for general working capital purposes).
- (f) There are no further material terms to disclose in respect of the Tranche 1 Shares.
- (g) A voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting.

Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1.

Explanatory Memorandum

3 Resolution 2 – Issue of Shares under Tranche 2 of the Placement

Please refer to the “Background to Resolutions” above for information about the Placement and Listing Rule 7.1.

Shareholder approval sought

The agreement to issue the Tranche 2 Shares did not fit within any of the exceptions to Listing Rule 7.1 and would exceed the 15% limit in Listing Rule 7.1 at the time of agreement. As such, the agreement to issue (and the issue) of the Tranche 2 Shares was conditional on, and requires, the approval of the Company’s Shareholders under Listing Rule 7.1.

Under this Resolution, the Company seeks Shareholder approval for the issue of up to 36,268,000 Shares to sophisticated and institutional investors under Tranche 2 of the Placement for the purposes of Listing Rule 7.1, so as to permit the issue of these Tranche 2 Shares to proceed.

If Resolution 2 is passed, the Company will be able to proceed with the issue of the Tranche 2 Shares and the issue will be excluded from the calculation of the Company’s 15% limit under Listing Rule 7.1.

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of the Tranche 2 Shares and will not raise the full amount under the Placement.

Information required by Listing Rule 7.3

Listing Rule 7.3 requires the following specific information to be provided in relation to this Resolution:

- (a) Up to 36,268,000 fully paid ordinary shares in the capital of the Company may be issued to various Australian and international sophisticated and institutional investors and/or the JLMs. Some of the investors were introduced to the Company by the JLMs as part of the bookbuild process for the Placement and the other investors were known to the Company. None of the investors who will participate in Tranche 2 of the Placement are material investors whose identity is required to be disclosed under ASX Guidance Note 21.
- (b) The Tranche 2 Shares will be issued on or about 9 September 2024, and in any event within 3 months after the date of the Meeting.
- (c) The Tranche 2 Shares will be issued at the Offer Price of \$0.16 per Share.
- (d) The purpose of the issue is to raise capital. Funds raised from the Placement (in conjunction with funds raised under the SPP) are intended to be used for activities necessary to support critical path activities, compliance and progressing improvement ideas that reduce capital, schedule and risk (and for general working capital purposes).
- (e) There are no further material terms to disclose in respect of the Tranche 2 Shares.
- (f) A voting exclusion applies to Resolution 2 in the terms set out in the Notice of Meeting.

Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 2.

4 Resolution 3 – Issue of Shares under the SPP (including under the SPP Shortfall Offer)

Please refer to the “Background to Resolutions” above for information about the SPP, the SPP Shortfall Offer and Listing Rule 7.1.

In certain circumstances, a listed company may undertake a share purchase plan in accordance with *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (ASIC Instrument)*. This ASIC Instrument allows a registered

Explanatory Memorandum

holder (subject to particular conditions applicable to some custodians) to be issued no more than \$30,000 worth of shares in any consecutive 12-month period under a share purchase plan.

Similarly, Listing Rule 7.2 (Exception 5) permits a listed company to issue securities under a share purchase plan without that issue counting towards the company's placement capacity under Listing Rule 7.1, where (amongst other things) the issue satisfies the conditions of the ASIC Instrument. Listing Rule 7.2 (Exception 5) can only be relied upon once in any 12-month period.

The Company completed a share purchase plan on 25 January 2024 in reliance on Listing Rule 7.2 (Exception 5) and the ASIC Instrument, and is now offering eligible Shareholders the ability to acquire up to a further \$30,000 worth of Shares under the SPP.

Accordingly, given that the Company is unable to satisfy the conditions of the ASIC Instrument for the SPP or rely on Listing Rule 7.2 (Exception 5) twice in a 12 month period, the issue of all Shares under the SPP is being made pursuant to the Prospectus and is subject to the Company receiving prior Shareholder approval for the purposes of Listing Rule 7.1 (and for all other purposes) at this General Meeting.

As noted above, to the extent that the SPP offer is not fully subscribed for by eligible shareholders under the SPP and raises less than \$7 million (before costs), the Company may offer those SPP Shortfall Shares to specific investors by invitation only under the SPP Shortfall Offer. Any SPP Shortfall Shares issued under the SPP Shortfall Offer will be issued at the same issue price as under the Placement and SPP.

Shareholder approval sought

As stated above, Shareholder approval is required under Listing Rule 7.1 for the proposed issue of Shares under the SPP (including any SPP Shortfall Shares).

Accordingly, this Resolution seeks Shareholder approval for the issue of up to 62,500,000 Shares under the SPP (including any SPP Shortfall Shares) under and for the purposes of Listing Rule 7.1. These Shares represent the maximum number of Shares that may be issued under the SPP (if the Company accepts oversubscriptions up to the maximum amount).

If this Resolution is passed, the issue of the Shares under the SPP (including any SPP Shortfall Shares) can proceed and the issue will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If this Resolution is not passed, the issue of Shares under the SPP (including any Shortfall Shares) will not proceed, the SPP will be withdrawn and the Company will not raise any funds under the SPP, which will impact the total amount the Company could potentially raise under the capital raising. Accordingly, any amounts received from eligible shareholders under the SPP will be refunded by the Company, without interest.

On 23 July 2024, the Company obtained a waiver from ASX in respect of Listing Rule 7.3.9 to the extent necessary to permit this Resolution to not include a voting exclusion statement excluding the votes of persons who may participate in the SPP. In accordance with Condition 2 of the ASX waiver, any Shareholders casting votes on this Resolution will be excluded from participating in the SPP Shortfall Offer.

Resolution 3 does not, itself, permit the issue of Shares under the SPP to Directors or their associates to the extent that they are eligible shareholders under the SPP (and that approval is sought under Resolution 4 below).

Information required by Listing Rule 7.3

Listing Rule 7.3 requires the following specific information to be provided in relation to this Resolution:

- (a) Shares under the SPP will be issued to Shareholders with a registered address in Australia or New Zealand as at 7.00pm (AEST) on 23 July 2024 who apply for such Shares (provided such applications are accepted by the Company). See Resolution 4 in relation to the Shareholder approval required if Directors wish to participate in the SPP. To the extent that any SPP Shortfall Shares are issued, they will be issued to specific investors by invitation only under the SPP Shortfall Offer. Directors and related parties of the Company (and any associates)

Explanatory Memorandum

will not be permitted to participate in the SPP Shortfall Offer. These approvals will not be sought at the Meeting (and will only be sought if such participation is intended).

- (b) The maximum number of Shares that the Company may issue under the SPP is 62,500,000 Shares. For the avoidance of doubt, this includes (as applicable) any SPP Shortfall Shares and any Shares issued under the SPP due to the maximum number of oversubscriptions being accepted. All Shares issued will be fully paid ordinary shares in the capital of the Company.
- (c) Subject to receipt of Shareholder approval, it is expected that Shares to be issued to eligible shareholders under the SPP will be issued on or about 11 September 2024. Any SPP Shortfall Shares will be issued no later than three months after the date of the Meeting (or such later date to the extent permitted by an ASX waiver or modification of the Listing Rules).
- (d) The Shares will be issued at the Offer Price of \$0.16 per Share.
- (e) The purpose of the issue is to raise capital. Funds raised from the SPP (in conjunction with funds raised under the Placement) are intended to be used for activities necessary to support critical path activities, compliance and progressing improvement ideas that reduce capital, schedule and risk (and for general working capital purposes).

Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 3.

5 Resolution 4 – Issue of Shares to Directors under the SPP

Please refer to the “Background to Resolutions” above for information about the SPP, the SPP Shortfall Offer and Listing Rule 10.11.

Directors and their associates who are ‘eligible shareholders’ for the purposes of the SPP will only be permitted to participate in the SPP (on the same terms as all other eligible shareholders) subject to Shareholder approval being obtained under Resolution 4.

To the extent the Directors or their associates subscribe for Shares under the SPP, a maximum of 750,000 Shares in total (being \$30,000 worth of Shares for each Director) may be issued to those Directors (or their associates) (**Director SPP Issues**), subject to Shareholder approval at this Meeting.

Shareholder approval sought

The Director SPP Issues fall within Listing Rule 10.11.1 and do not fall within any of the exceptions in Listing Rule 10.12. They therefore require the approval of Shareholders under Listing Rule 10.11.

Resolution 4 seeks the required Shareholder approval for the Director SPP Issues under and for the purposes of Listing Rule 10.11.

Resolution 4 is conditional upon the passing of Resolution 3.

If Resolution 4 is passed, the Company will be able to proceed with the Director SPP Issues.

If Resolution 4 is not passed, the Company will not be able to proceed with the proposed issue of Shares under the SPP to the Directors (or their associates). However, provided that Resolution 3 is passed, the relevant Shares will (as part of the SPP) still be able to be issued by the Company to eligible shareholders under the SPP, or to specific investors pursuant to the SPP Shortfall Offer. As noted above, Directors (and their associates and any other person referred to in Listing Rule 10.11) will not be permitted to participate in the SPP Shortfall Offer unless Shareholder approval is obtained. These approvals will not be sought at the Meeting (and will only be sought if such participation is intended).

Explanatory Memorandum

Information required by Listing Rule 10.13

Listing Rule 10.13 requires the following information to be provided in relation to the Director SPP Issues:

- (a) The persons that may acquire Shares under the Director SPP Issues in relation to each Director are as follows:

Name of Director	Eligible shareholder under the SPP that will acquire Shares	Category in Listing Rules 10.11.1 – 10.11.5 the person falls into
Mark Southey	Tervuren Pty Ltd <Southey Superannuation A/C>	Listing Rule 10.11.4, as an associate (as defined in the Listing Rules) of Mr Southey
