NEW CONTRACT WIN

EVZ Limited (ASX: EVZ), a leading provider of innovative engineering solutions, is pleased to announce that it has been awarded a major contract in the mining and industrial sector through its wholly owned subsidiary, Brockman Engineering. The total value of this contract is circa \$23M.

Bulk Process Water Tanks, Dampier, WA

Brockman has been awarded a bulk process water tanks package by Rio Tinto as part of the seawater desalination project at Parker Point, Dampier. The package includes design and procurement and is valued at circa \$23M.

Works are expected to commence immediately on the design and procurement activities before a planned mobilisation to site in December 2024 for anticipated completion in the last quarter of 2025.

This project will contribute to EVZ Limited's revenue and earnings in FY25 and FY26 as part of our diversified project portfolio across the Energy & Resources sectors.
