Commenting on the FY24 results and dividend declaration, MSV Executive Chairman Nathan Mitchell said:

"A key aspect of FY24's success was the execution of our capital management strategy that focused on rapid debt reduction and maximising shareholder returns. Since the inception of the capital management strategy in early FY23, the Company reduced net debt from approximately \$40m to just under \$2m and returned approximately \$17.7m to shareholders via dividends and buy-backs."

This announcement has been authorised by the Company's Board of Directors.
