The SPP, which was launched following the previously announced successful placement¹, offered eligible shareholders the opportunity to purchase shares at the same price as the placement. The SPP closed on 30 August 2024, and the new shares are expected to be issued on Friday 6 October 2024. The Company looks forward to updating shareholders on progress as the team continues to execute IND's HPQ development strategy.

Managing Director, Jeff Sweet commented:

"We are delighted with the outcome of the SPP and the strong support from our shareholders, especially in the current challenging market conditions."

"The funds raised will be instrumental in advancing our HPQ projects as we continue to work towards establishing IND as a key supplier of high-purity quartz materials."

"We extend our sincere thanks to all participating investors for their continued support."
