Fission Shareholders Vote in Favour of the Acquisition by Paladin

Paladin Energy Ltd (ASX:PDN OTCQX:PALAF) ("**Paladin**") notes the announcement on 9 September 2024 by Fission Uranium Corp. (TSX:FCU OTCQX:FCUUF FSE:2FU) ("**Fission**") regarding the outcome of the special meeting of Fission securityholders (the "**Meeting**") held to consider the proposed acquisition by Paladin of all of the issued and outstanding shares of Fission by way of a court approved plan of arrangement under the *Canada Business Corporation Act* (the "**Transaction**").

Paladin is pleased to announce that Fission shareholders have approved the Transaction, with 67.9% of votes cast at the Meeting in favour of the Transaction, exceeding the required 66^{2/3}% threshold. Receipt of Fission shareholder approval for the Transaction satisfies an important condition precedent for the completion of the Transaction under the arrangement agreement between Paladin and Fission dated 24 June 2024 as amended on 25 July 2024 and 29 August 2024 ("**Agreement**").

Paladin CEO Ian Purdy commented:

"We fully expect that the combination of our companies will create significant value for all shareholders. Fission's Patterson Lake South project is a natural fit for Paladin, delivering medium term development potential to augment production from the recently restarted Langer Heinrich Mine. With producing assets, a quality near term development project and a global portfolio of exploration assets, Paladin is well positioned to continue to deliver value for its shareholders from the structural demand shift for uranium driven by global decarbonisation."

Completion of the Transaction remains subject to certain customary closing conditions under the Agreement, including Investment Canada Act ("**ICA**") clearance and receipt of a final order approving the Transaction (the "**Final Order**") from the Supreme Court of British Columbia (the "**Court**"). The Court hearing for the Final Order is expected to take place on 12 September 2024. Paladin continues to progress the ICA clearance process.

This announcement has been authorised for release by the Board of Directors of Paladin Energy Ltd.
