- The Offering is being marketed to eligible investors with the final terms of the Notes to be determined via a bookbuild process expected to be completed prior to market open on 12 September 2024
- Concurrent with the Offering, a delta placement of existing NSR stapled securities (the **Delta Placement**) will be executed to facilitate some or all of the hedging activity of investors in relation to the Notes. NSR also advises that Moody's Investor Service has assigned a Baa2 issuer rating with a stable outlook to NSR and that the Notes will hold the same rating.
