Dear Sir/Madam

### Request for Trading Halt: Amaero International Limited (ASX:3DA)

In accordance with the requirements of Listing Rule 17.1, Amaero International Limited (the "Company") hereby requests an immediate trading halt of the Company's securities.

The trading halt is requested pending an announcement by the Company in relation to an equity capital raising.

The Company requests that the trading halt remain in place until the Company provides an announcement to the market relating to the equity capital raising or the commencement of trading on Tuesday, 17 September 2024, whichever is earlier.

The Company is not aware of any reason why the Trading Halt should not be granted.

Yours faithfully,

Mark Licciardo Company Secretary

#### About Amaero International Limited (ASX:3DA)

Amaero International Limited (ASX:3DA) is an ASX-listed company with manufacturing and corporate headquarters located in Tennessee, USA. The company is a leading U.S. domestic producer of high-value C103, refractory alloy and titanium powders for additive and advanced manufacturing of components utilized by the defense, space and aviation industries. The technical and manufacturing team bring decades of experience and know-how with pioneering work in gas atomization of refractory and titanium alloys, as well as leadership in numerical modelling. The company has commissioned advanced gas atomization technology with a superior yield of AM powder. The company is also a leader in Isostatic Pressing Powder (IPP) manufacturing of large near-net-shape powder metallurgy (PM) parts with forged-equivalent material properties and microstructure for a variety of alloys. IPP is helping alleviate the strained domestic supply chain for castings and forgings of large components.
