Explanatory Notes

These Explanatory Notes form part of the Notice of Meeting and are intended to provide shareholders of the Company with information to assess the merits of the proposed resolutions.

The directors recommend that shareholders read these Explanatory Notes in full before making any decision in relation to the resolutions.

ITEM 1 – FINANCIAL REPORTS

The Corporations Act requires that the financial statements of the Company and its subsidiaries (the “Group”) and the reports of the directors and the auditor (collectively the “Financial Reports”) be laid before the Annual General Meeting. The Corporations Act does not require a vote of shareholders at the Annual General Meeting on such reports or statements.

The Annual Report is available on the Company’s website (www.evt.com).

Shareholders as a whole will be given a reasonable opportunity at the Meeting to ask questions and make comments in relation to the Financial Reports and the management of the Company. Shareholders as a whole will also be given a reasonable opportunity to ask the Company’s auditor, KPMG, questions relevant to the conduct of the audit, the preparation and content of the Independent Auditor’s Report, the accounting policies adopted by the Group in relation to the preparation of its financial statements, and the independence of the auditor in relation to the conduct of the audit.

ITEM 2 – REMUNERATION REPORT

The remuneration report is set out on pages 35 to 46 of the 2024 Annual Report. It is also available on the Company’s website (www.evt.com). The remuneration report:

- explains the structure of, and rationale behind, the Group’s remuneration practices and the link between the remuneration of the Group’s KMP and the Group’s performance;
- sets out remuneration details for each director of the Company and for each member of the Group’s senior executive team who were KMP during the financial year; and
- makes clear that the basis for remunerating non-executive directors is distinct from the basis for remunerating executives, including the executive director.

Shareholders as a whole will be given a reasonable opportunity at the Meeting to ask questions and make comments in relation to the remuneration report.

Board recommendation

The Board recommends that shareholders vote in favour of Item 2.

ITEMS 3, 4 AND 5 – ELECTION AND RE-ELECTION OF DIRECTORS

ITEM 6 – AWARD OF PERFORMANCE RIGHTS TO THE CHIEF EXECUTIVE OFFICER

Shareholder approval is sought for the award of up to 225,000 performance rights to the Chief Executive Officer (“CEO”), Jane Hastings, under the Company’s long term incentive arrangements on the terms set out below.

Background and key terms of the Plan

The EVT Limited Executive Performance Rights Plan (the “Plan”) provides an incentive for executives to achieve above average performance over the medium to long term in the Group’s businesses, which will be reflected in higher Group earnings and growth rates. A summary of the material terms of the Plan has been attached at Annexure 1.

The Board believes that long term incentives form a key part of remuneration for executives and assist to align the interests of executives with the longer term interests of shareholders and has previously awarded long term incentives to certain senior executives on similar terms to those set out below. The Board considers that it is important that the remuneration of the CEO and members of the senior executive team, including any long term incentive, be on similar terms to ensure a co-ordinated and consistent approach.

Performance rights (“Rights”) are rights to receive shares in the Company in the future, subject to meeting performance hurdles specified by the Board. One ordinary share in the Company will be delivered to or for the benefit of the executive for each Right which vests.

The Company uses Rights because they create share price alignment between executives and ordinary shareholders but do not provide the executives with the full benefits of share ownership (such as dividend and voting rights) unless and until the Rights vest.

The Rights have no voting or dividend entitlements. Any dealing in respect of a Right is prohibited, unless the Board determines otherwise or the dealing is required by law.

ASX Listing Rule 10.14 provides that a listed company must not issue securities to a director or an associate of a director of a listed company under an employee incentive scheme unless it obtains the approval of its shareholders. As Ms Hastings is a director of the Company, the proposed issue of Rights falls within ASX Listing Rule 10.14.1 and requires shareholder approval for the purposes of ASX Listing Rule 10.14.

Performance hurdles

The performance criteria to apply to the award of Rights is based on earnings per share (“EPS”) growth of the Company as determined by the Board over a three-year period (the “Performance Period”).

The extent to which the performance hurdle has been met will be assessed by the Board at the conclusion of the Performance Period. The performance hurdles for this award of Rights will be based on the Company’s EPS growth over the Performance Period of the three years to 30 June 2027, with EPS performance measured against the year ended 30 June 2024.

The EPS hurdle requires that the Company’s EPS growth for the Performance Period must be greater than the target set by the Board. For the award of Rights with an EPS hurdle, the hurdle is as follows:

- (a) if annual compound EPS growth over the Performance Period is less than 5%, no Rights will vest;
- (b) if annual compound EPS growth over the Performance Period is equal to or greater than 5%, but less than 20%, the proportion of Rights vesting will be increased on a pro-rata basis between 50% and 100%; or
- (c) if annual compound EPS growth over the Performance Period is equal to or greater than 20%, all of the Rights awarded will vest.

The Board retains the absolute discretion to vary the performance hurdles and criteria and to determine whether the performance criteria have been satisfied. Following the Board’s assessment at the end of the Performance Period, any Rights that remain unvested will automatically lapse.

Proposed award of Rights to Ms Hastings

Only executives are eligible to participate in the Company’s long term incentive arrangements, which include the Plan. Ms Hastings is currently the Company’s only executive director and accordingly, Ms Hastings is the only director entitled to participate in the Plan.

For personal use only

It is proposed that Ms Hastings be awarded a total of up to 225,000 Rights. The award number of 225,000 Rights is the maximum number of Rights that may be issued to Ms Hastings, and does not necessarily represent the number that will be issued.

The actual number of Rights awarded to Ms Hastings will be calculated in accordance with the following formula:

Formula:
$$X = \frac{Y\% \text{ of Fixed Remuneration}}{P}$$

Where:

X = total number of Rights awarded (up to the total maximum number of 225,000 Rights);

Y = maximum long term incentive performance-based percentage, as approved annually at the Board's discretion. Ms Hastings' current maximum long term incentive performance-based percentage is 110%;

Fixed Remuneration = cash or base salary, superannuation contributions and any salary sacrifice components. Ms Hastings' current Fixed Remuneration is \$1,769,000;

P = the volume weighted average share price of the Company's shares over a 20 day trading period before the Meeting, as determined at the Board's discretion.

The face value of the Rights that may be awarded is 110% of Ms Hastings' fixed remuneration of \$1,769,000.

Ms Hastings will not be required to pay any consideration on issue of the Rights or when they vest. There is no loan to Ms Hastings in connection with the Rights. Subject to the ASX Listing Rules, the Board may make such adjustments to Ms Hastings' Rights as the Board considers appropriate in order to minimise or eliminate any material advantage or disadvantage to Ms Hastings resulting from any corporate action such as a capital raising, capital reconstruction, consolidation, subdivision, reduction or return.

If approved by shareholders, the Board will determine the timing of the award and the number of Rights awarded (based on the formula above and up to the maximum number approved by shareholders) following recommendations by the Nomination and Remuneration Committee and subject to the Group's senior executive remuneration policy. In any case, the Company will issue the Rights no later than 12 months after the Meeting.

If the proposed award is not approved by shareholders, the Board will consider alternative arrangements to appropriately remunerate and incentivise Ms Hastings.

Cessation of employment

If Ms Hastings' employment is terminated for cause or due to her resignation, all of her unvested Rights will lapse, unless the Board determines otherwise. If Ms Hastings' employment is terminated for any other reason, the Rights will continue to be held by Ms Hastings' and will vest or lapse in accordance with the terms on which they were awarded, unless the Board determines otherwise.

Change of control

In addition, the Board has discretion to determine that some or all of the unvested Rights will vest if there is a takeover, court ordered or member-approved compromise or arrangement or a proposed winding up of the Company or other similar event as outlined in the Plan.

Malus and clawback

Where in the opinion of the Board, the CEO acts fraudulently or dishonestly or is in breach of her obligations to the Group, there is a material financial misstatement circumstance, or the Company is required by or entitled under law or Company policy to reclaim overpaid bonuses or payments from the CEO, or the Board otherwise considers that the CEO may receive an unfair or inappropriate benefit, the Board may determine a treatment such that the CEO does not obtain any inappropriate or unfair benefits (for example, this may include lapsing Rights, resetting, varying or adding to the vesting conditions, forfeiting shares receiving on vesting of the Rights or repayment of cash amounts received under the Plan).

Additional information provided in accordance with the ASX Listing Rules

The total number of Rights previously awarded to Ms Hastings under the Plan is 858,498. All of these Rights were awarded to Ms Hastings for no consideration as part of her remuneration. Of these, 175,471 Rights have vested, and 400,972 Rights have lapsed due to the relevant performance criteria not having been achieved. 282,055 Rights remain unvested at the date of this Notice of Meeting and will be subject to testing in respect of the relevant performance criteria following the respective Performance Periods.

In addition, 166,362 Rights have previously been awarded to Ms Hastings under the Recognition and Retention Incentive Award pursuant to the shareholder approvals obtained at the 2020 and 2021 Annual General Meetings. The Rights were awarded to Ms Hastings for no consideration as part of her remuneration.

Details of Ms Hastings' current total remuneration package are set out below:

Remuneration component	Amount
Fixed Remuneration	\$1,769,000
Short Term Incentive	Maximum of 115% of Fixed Remuneration
Long Term Incentive	Maximum of 110% of Fixed Remuneration

Further details of Ms Hastings' remuneration for the year ended 30 June 2024 are included within the remuneration report in the 2024 Annual Report.

Details of any Rights issued under the Plan will be published in the Company's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after this resolution is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under that rule.

Board recommendation

Each of the non-executive directors of the Company recommends that shareholders vote in favour of Item 6.

TECHNICAL DIFFICULTIES

Technical difficulties may arise during the course of the Meeting. The Chairman of the Meeting has discretion as to whether and how the Meeting should proceed in the event that a technical difficulty arises. In exercising their discretion, the Chairman of the Meeting will have regard to the number of shareholders impacted and the extent to which participation in the business of the Meeting is affected. Where they consider it appropriate, the Chairman of the Meeting may continue to hold the Meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions.

For this reason, even if you plan to participate in the Meeting online, we encourage you to submit a directed proxy vote so that your vote will be counted if for any reason you cannot vote on the day.

ALTERNATIVE ARRANGEMENTS

If it becomes necessary or appropriate to make alternative arrangements for the holding, or conduct, of the Meeting (including changing the venue or implementing capacity limits) we will announce this on the Company's website at www.evt.com/investors and the ASX market announcements platform.

VOTING ENTITLEMENTS

Directors have determined that the shareholding of each shareholder for the purposes of ascertaining the voting entitlements for the Meeting will be as it appears in the Share Register at 7pm (Sydney time) on Wednesday 16 October 2024. Accordingly, share transfers registered after that time will be disregarded in determining entitlement to vote at the Meeting.

PROXIES AND CORPORATE REPRESENTATIVES

- A shareholder has the right to appoint a proxy, who need not be a shareholder of the Company.
- A proxy may be an individual or body corporate. If a shareholder appoints a body corporate as a proxy, that body corporate will need to ensure that it:
 - appoints an individual as its corporate representative to exercise its powers at the Meeting, in accordance with section 250D of the Corporations Act; and
 - provides satisfactory evidence of the appointment of its corporate representative.
- If such evidence is not received prior to the Meeting, the body corporate (through its representative) will not be permitted to act as a proxy.
- A body corporate representative must present satisfactory evidence of their appointment prior to the Meeting, unless previously lodged with the share registry of the Company.
- All resolutions will be decided on a poll. On a poll, shareholders have one vote for every fully paid ordinary share held.
- If a shareholder is entitled to cast two or more votes, they may appoint not more than two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If no proportion or number is specified, each proxy may exercise half of the shareholder's votes. If it is desired to appoint two proxies, then shareholders should follow the instructions specified on the Proxy Form.
- If a shareholder appoints more than one proxy, both proxies may only exercise votes on a poll in respect of the shares or voting rights that they represent.
- A shareholder may appoint the Chairman of the Meeting as their proxy by nominating them in the Proxy Form. If a shareholder returns their Proxy Form but does not nominate the identity of their proxy, the Chairman of the Meeting will automatically be appointed as their proxy. If a shareholder returns their Proxy Form but their nominated proxy does not attend the Meeting, then their proxy will revert to the Chairman of the Meeting. If a shareholder's nominated proxy is either not recorded as attending the Meeting or does not vote on a resolution on a poll in accordance with the shareholder's directions, the Chairman of the Meeting is taken, before voting on the resolution closes, to have been appointed as the shareholder's proxy for the purposes of voting on the resolution.

PROXY VOTING BY KEY MANAGEMENT PERSONNEL ("KMP")

If a shareholder appoints a KMP (which includes each of the directors) or one of their closely related parties as their proxy, the proxy will not be able to cast the shareholder's votes on Items 2 and 6, unless the shareholder directs them how to vote or the Chairman of the Meeting is the shareholder's proxy. If a shareholder appoints the Chairman of the Meeting as their proxy or the Chairman of the Meeting is appointed as the shareholder's proxy by default, but the shareholder does not mark a voting box for on Items 2 and 6, then by completing and submitting the Proxy Form the shareholder will be expressly authorising the Chairman of the Meeting to exercise the proxy even though the relevant Item is connected with the remuneration of the KMP.

The Chairman of the Meeting intends to vote all available proxies in favour of all Items of business.

SUBMITTING PROXY FORMS

The Proxy Form can be submitted to the share registry of the Company, Computershare Investor Services Pty Limited:

ANNEXURE 1 - SUMMARY OF MATERIAL TERMS OF THE PERFORMANCE RIGHTS PLAN

The information below has been provided in accordance with ASX Listing Rule 10.15.9.

1. **Award:** The Board may from time to time, and in its absolute discretion, award Rights to executives in accordance with the terms and conditions of the Plan and any additional terms determined by the Board and any applicable law. Rights generally will not vest with the executives unless and until the performance criteria specified by the Board at the time of the award of the Rights are satisfied.
2. **Entitlements:** The Rights will have no voting or dividend entitlements. The executive may not sell, assign, transfer or otherwise deal with or grant a security interest over Rights. Rights lapse immediately on any purported sale, assignment, transfer, dealing or grant of security interest unless the Board in its absolute discretion approves the dealing or transfer.
3. **Performance and Vesting Criteria:** The Board will stipulate in an award of Rights to the executive the performance criteria (or the “**performance hurdles**”) and other vesting conditions that must be satisfied before the Rights vest with the executive. The performance hurdle that the Board has determined will apply to the award of Rights in the year ending 30 June 2024 has been set out in the explanatory notes to Item 6.
4. **Satisfaction of Performance Criteria:** The Board must be satisfied in its absolute discretion that the performance criteria have been satisfied. Once the Board determines that the performance criteria have been satisfied, the Rights will vest with the executive and one ordinary share in the Company will be delivered to or for the benefit of the executive for each Right which has vested. The Company has discretion whether to arrange for shares to be delivered by way of a transfer (on or off market) or by way of a new issue of shares. Shares issued under the Plan will rank equally with those traded on the ASX at the time of issue.
5. **Reconstructions, bonus issues, rights issues and other corporate actions:** If there is a reconstruction (including a consolidation, subdivision, reduction or return) of the issued capital of the Company, a bonus issue or rights issue or other corporate action, then, subject to the ASX Listing Rules and at the Board’s discretion, the Rights may be adjusted or additional Rights may be granted to ensure that no material advantage or disadvantage accrues to the executive as a result of such corporate actions.
6. **Disposal Restrictions:** Any dealing in respect of a Right is prohibited, unless the Board determines otherwise or the dealing is required by law. In the award terms, the Board may impose disposal restrictions on shares delivered to the executive in satisfaction of Rights which have vested. Such a disposal restriction may be enforced using either the Company’s Share Plan Trust or a holding lock administered by the Company’s share registry or in some other way. To the extent that disposal restrictions are imposed after Rights have vested, the executive will not be permitted to dispose of or otherwise deal with their shares but will be entitled to receive dividends and other shareholder entitlements.
7. **Lapse and Forfeiture:** Unless and until the Rights vest with the executive on satisfaction of the performance and vesting criteria, the Rights will be subject to certain forfeiture conditions. In addition, the Plan contains forfeiture, malus and “clawback” provisions that the Board may apply to ensure no inappropriate or unfair benefit is obtained. These will apply in circumstances that include where, in the opinion of the Board, an executive acts fraudulently or dishonestly or has breached their obligations to the Group, there is a material financial misstatement circumstance or the Company is required by or entitled under law or Company policy to reclaim an overpaid bonus or other amount from the participant, or the Board considers that the executive may otherwise receive an unfair or inappropriate benefit.
8. **Cessation of employment:** Where an executive is terminated for cause their unvested Rights will lapse, unless the Board determines otherwise. If an executive ceases employment in any other circumstances, then, subject to the Board’s discretion, their unvested Rights will remain on foot subject to the original terms. The Board may determine a different treatment prior to or within 60 days of the executive ceasing to be an employee.
9. **Consideration:** An executive will not be required to make any payment for any Rights awarded or if their Rights vest.
10. **Takeover, scheme of arrangement and winding up:** In certain circumstances including a takeover bid, court ordered or member-approved compromise or arrangement or a proposed winding up of the Company, the Board may determine that some or all of a participant’s unvested Rights vest having regard to all relevant circumstances.

For personal use only

11. **Termination:** The Plan may be terminated or suspended at any time by a resolution of the Board.
12. **Amendment:** Subject to the ASX Listing Rules, the Plan or terms of Rights may be amended by resolution of the Board. Without the consent of the participant, no amendment may be made which reduces the rights of executives in respect of Rights already awarded under the Plan, except where the amendment is to:
 - (a) comply with or conform to relevant present or future State, Territory or Commonwealth legislation;
 - (b) correct a manifest error or mistake; or
 - (c) enable the Company to comply with the Corporations Act, the ASX Listing Rules or any other applicable law.

The Board may waive, amend or replace any performance condition if the Board determines that the original condition is no longer appropriate or applicable, provided that the interests of the relevant participant are not, in the opinion of the Board, materially prejudiced or advantaged relative to the position reasonably anticipated at the time of the grant.

The Plan allows for rules to be adopted that provide for the grant of awards on additional or modified terms in relation to executives in overseas jurisdictions to take account of local securities, exchange control or taxation laws or regulations or other applicable factors.

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

Voting restrictions for Key Management Personnel (KMP): Please note that if you appoint a member of the KMP (which includes each of the directors) or one of their closely related parties as your proxy, they will not be able to cast your votes on Items 2 or 6, unless you direct them how to vote or the Chairman of the Meeting is your proxy. If you appoint the Chairman of the Meeting as your proxy or the Chairman of the Meeting is appointed as your proxy by default, but you do not mark a voting box for Items 2 or 6, then by completing and submitting the proxy form, you will be expressly authorising the Chairman of the Meeting to exercise your proxy in respect of the relevant Item, even though the Item is connected with the remuneration of the KMP

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held.
