### MONADELPHOUS CONTRACTS UPDATE

Engineering company Monadelphous Group Limited (ASX: MND) (“Monadelphous” or “the Company”) today announced the award of a number of new construction and maintenance contracts totalling approximately \$230 million.

Melchor, Monadelphous’ civil business, has been awarded a construction contract by Saipem Clough Joint Venture at Project Ceres, Perdaman Industries’ urea plant located near Dampier, Western Australia, with work expected to be completed midway through 2025. In addition, Monadelphous’ heavy lift services joint venture, Alevro, has also been awarded a contract by Saipem Clough Joint Venture to provide heavy haulage services at Project Ceres.

The Company has also secured a multidisciplinary construction contract at BHP’s Prominent Hill Expansion Project in South Australia. The scope of work, which includes supply, fabrication and installation associated with the surface materials handling system, winder building and hoist, is expected to be completed in the second half of 2025.

Finally, Monadelphous has secured a three-year contract, with two one-year extension options, to continue providing maintenance and shutdown services at South32’s Worsley Alumina operations in Western Australia.
