Items 5 and 6: Approval of a Grant of Rights to Executive Directors

Background

Reece is an international company that competes globally for talent. During FY24, the Board assessed some international remuneration frameworks of comparable companies and carefully considered the importance of retention during this time of leadership transition.

In the financial year ending 30 June 2025 ("FY25") Reece will introduce a five year service-based/retention equity element into its remuneration framework for some senior employees.

Accordingly, the FY25 LTI is comprised of two components:

- Performance Rights: 80% (of the total LTI opportunity) remains performance tested against EPS CAGR and Average ROCE targets over the three-year performance period; and
- Retention Rights: 20% is based on service/retention over a five-year period.

This change is intended to improve the international competitiveness of Reece's remuneration framework (especially in the key North American market) and provides some retention benefits for the Company.

The introduction of a service-based element into the LTI, which the Board acknowledges is more common in the US market, is being undertaken in parallel with increases in the LTI opportunity to bring those opportunities (and Key Management Personnel total remuneration packages as a whole) more into line with global peers and competitors.

The resolutions in Items 5 and 6 seek approval for the grant of Performance Rights and Retention Rights to the Company's Executive Directors, Mr Sasha Nikolic and Mr Peter Wilson, as part of their LTI opportunity in respect of FY25.

Additional Information

ASX Listing Rule 10.14 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to (among others) a Director of the entity. The allocation of the Rights to Mr Nikolic and Mr Wilson are each an acquisition of securities by a Director under the LTI Plan, and consequently shareholder approval is required under ASX Listing Rule 10.14.

Pursuant to ASX Listing Rule 10.15, the following further information is provided in relation to the resolution in Items 5 and 6:

- a) Approval is required by ASX Listing Rule 10.14.1 as the Performance Rights will be issued to Mr Nikolic and Mr P. Wilson who are Directors of the Company.
- b) The Rights will be allocated under the LTI Plan at no cost to Mr Nikolic and Mr Wilson.
- c) The Rights will be granted within one month of the AGM being held and shareholder approval being obtained.
- d) The following additional information is provided in respect of Mr Nikolic:
 - (i) Mr Nikolic's FY25 total remuneration package from 1 November 2024 is set out below.
 - Fixed remuneration of \$1,500,000;
 - Short term variable remuneration equal to 100% at target (and 150% at stretch) of his fixed remuneration, payable in cash.
 - Long term variable remuneration equal to 100% at target (and 150% at stretch) of his fixed remuneration (which is the subject of the resolution in Item 5).
 - (ii) No securities have previously been issued to Mr Nikolic under the LTI Plan.
- e) The following additional information is provided in respect of Mr Wilson:
 - (i) Mr P. Wilson's FY25 total remuneration package is set out below.
 - Fixed remuneration of \$2,500,000;
 - Short term variable remuneration equal to 100% at target (and 200% at stretch) of his fixed remuneration, payable in cash.
 - Long term variable remuneration equal to 150% at target (and 250% at stretch) of his fixed remuneration (which is the subject of the resolution in Item 6).
 - (ii) The number of securities that have previously been issued to Mr Wilson under the LTI Plan (all approved by shareholders at prior AGMs from 2019 onwards) are:
 - 583,663 Performance Rights;
 - 267,588 options with an exercise price of \$14.46; and
 - 304,286 options with an exercise price of \$10.06.
- f) As noted above, the Rights vest when the applicable vesting conditions have been satisfied. The combination of Performance Rights and Retention Rights are proposed to be used as they allow the Company to offer employees equity as part of remuneration that is aligned with current market practices, tax and regulatory requirements in a range of circumstances, and provides retention benefits for the Company. Upon the exercise of vested Rights, the Company will deliver fully paid ordinary shares in the Company which will rank equally with the Company's other fully paid ordinary shares that are already on issue at that time. Although the Company retains the discretion to issue new shares on the exercise of vested Rights, to minimise the dilution to existing shareholders, it is expected that the shares provided on the exercise of vested Rights will be acquired by the Company through on-market purchases of existing shares.

- g) There is no loan scheme in relation to the Rights as no payment is required.
- h) A summary of the material terms of the LTI Plan is included in Schedule 1.
- i) Details of any securities issued under the LTI Plan will be published in the Company's annual report relating to the period in which they are issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the LTI Plan after the resolutions in Items 5 and 6 are approved and who were not named in this notice will not participate until approval is obtained under that rule.
- j) It is the Board's preference to obtain consensus with and support from shareholders for the approval of the grant of Rights to Mr Nikolic and Mr Wilson under the LTI Plan. However, if this resolution is not approved by shareholders, the Board will instead seek to negotiate alternative long-term incentives to the value of the proposed grant of Rights with Mr Nikolic and Mr Wilson. Any alternative long-term incentives granted would be subject to vesting conditions.

Termination Benefits

The Board is also asking for shareholder approval in relation to the potential treatment of unvested Rights on cessation of employment or holding office with the Company. The provisions of the Corporations Act limit the termination benefits that can be provided to certain officers on ceasing employment or ceasing to hold office as a Director, unless shareholders have approved the giving of a benefit.

The default position in relation to the LTI Performance Rights and Retention Rights is that Rights will lapse at the end of employment or holding office as a director of Reece, summarised in Schedule 1. The Board is seeking shareholder approval for flexibility to allow some or all of the relevant Rights to remain on foot and be tested and/or vest in the ordinary course. This is to take account of good leaver situations, such as bona fide retirement, death, disability or other circumstances approved by the Board. It would not extend to a resignation from employment or office or a termination for cause.

For the purposes of Section 200E(2) of the Corporations Act, the value of any termination benefit that may be provided would be equal to the number of Rights that the Board determines should not lapse upon ceasing employment or holding office (to a maximum of the number being approved in Item 5 and Item 6) multiplied by Reece's then share price.

Item 5: Approval of a Grant of Rights to Sasha Nikolic

Shareholder approval is being sought for the grant of 84,491 Rights, comprising 67,593 Performance Rights and 16,898 Retention Rights, to Sasha Nikolic, Group President and Managing Director, as part of his remuneration for FY25.

The Board considers it highly desirable for shareholders that Mr Nikolic's remuneration is aligned to the long-term interests of shareholders through the grant of Performance Rights with performance-based vesting conditions and the grant of Retention Rights with service-based vesting conditions (as outlined above).

The Directors (excluding Sasha Nikolic) recommend that shareholders vote in favour of the resolution in Item 5.

Item 6: Approval of a Grant of Rights to Peter Wilson

Shareholder approval is being sought for the grant of 234,698 Rights, comprising 187,758 Performance Rights and 46,940 Retention Rights, to Peter Wilson, currently Chief Executive Officer & Deputy Chair and, from 1 November 2024, Chairman and Chief Executive Officer, as part of his remuneration for FY25.

The Board considers it highly desirable for shareholders that Mr Wilson's remuneration is aligned to the long-term interests of shareholders through the grant of Performance Rights with performance-based vesting conditions and the grant of Retention Rights with service-based vesting conditions (as outlined above).

The Directors (excluding Peter Wilson) recommend that shareholders vote in favour of the resolution in Item 6.

Item 7: Approval of North American Employee Share Purchase Plan

The Company seeks shareholder approval of the adoption of the Reece Limited North American Employee Stock Purchase Plan (the Plan), an employee share purchase plan available to all eligible employees of participating companies.

The Plan is intended to be a qualified employee stock purchase plan under Section 423 of the United States Internal Revenue Code of 1986, as amended ("Section 423"). In order to qualify, Section 423(b)(2) of the U.S. Internal Revenue Code requires that the Plan be approved by the shareholders by no later than 12 months of the date it is established. Shareholder approval is also required under relevant California securities regulations in order for the Plan to be exempt from registration requirements in California.

Under the Plan, eligible employees of the Company and its designated subsidiaries may have the opportunity to purchase the Company's ordinary shares at a discount using contributions made through after-tax payroll deductions. The purchase price of the shares at each purchase date will be 85% of the fair market value of the shares on the purchase date (i.e., a 15% discount), unless otherwise determined by the Remuneration Committee of the Board. However, under Section 423, the purchase price may not be less than 85% of the lesser of (a) the fair market value of the shares on the offer date or (b) the fair market value of the shares on the purchase date. The participants in the Plan will have the same rights as any other shareholder once their shares are purchased and delivered. At present, the Plan is offered to employees of the Company's subsidiaries in the U.S. and Mexico. However, the Company may offer sub-plans of the Plan to employees in other jurisdictions.

As a qualifying plan under Section 423, the general rule is that no taxable income will be recognised at the time the employee purchases ordinary shares pursuant to the Plan for U.S. tax purposes and no compensation deduction will be available to the U.S. employer. Instead, income will be taxable to the employee when the employee sells the shares purchased under the Plan, and the U.S. employer may claim a compensation deduction only if the employee sells the shares before the end of a holding period required for qualified tax treatment. Neither the employee nor the U.S. employer is subject to U.S. social security or Medicare taxes under a qualifying Section 423 plan. If the requisite shareholder approval is not obtained, the Plan will not qualify for this favourable tax treatment. If the Plan does not qualify, participants must recognise as ordinary income on the date the ordinary shares are purchased, the excess of the fair market value of the shares on the purchase date over the price paid by participants, both the employee and the U.S. employer will be subject to U.S. social security (subject to a wage cap) and Medicare on such income, and the U.S. employer may claim a compensation deduction equal to such income amount. In addition, without shareholder approval, the Plan would not be exempt from applicable California registration requirements, which would mean that the Company would have to undertake costly steps for registration.

Key Terms of the Plan

- It is intended that offers will be made twice a year to eligible employees of the Company's U.S. and Mexican subsidiaries, and that the Plan will therefore operate through consecutive six-month offering periods, although the Company may change the offerings or terminate the Plan at any time.
- Employees of the Company and its designated subsidiaries who have been employed by the Company or an affiliate for at least one year are eligible to participate in the Plan. However, subject to compliance with Section 423 for U.S. offerings, the Company may determine the eligibility requirements for each offer.
- Employees who would own, immediately after their enrolment in the Plan, shares with at least 5% of the voting power of all classes of shares of the Company or a related company are not eligible to participate in the Plan.
- A participant may not purchase more than U.S. \$25,000 worth of shares under the Plan in any calendar year in which a purchase right is outstanding, as calculated in accordance with Section 423.
- A participant who ceases to be employed by a designated subsidiary for any reason will make no further contributions under the Plan and any contributions already made will be refunded, without interest, as soon as practicable, except as otherwise determined by the Company.
- The maximum aggregate number of shares that may be issued or sold under the Plan is 10,000,000 ordinary shares. The maximum aggregate number of shares that may be issued under the Plan may be adjusted upon changes in the ordinary shares due to company restructuring or changes in its capital structure.
- Without further shareholder approval, no offerings will be made under the Plan to residents of California after 10 years from the date the Plan was adopted by the Board on 26 February 2024.

The Board considers it highly desirable to strengthen the Reece employee value proposition by introducing the Plan.

The Directors unanimously recommend that shareholders vote in favour of the resolution in Item 7.

Item 8: Adoption of the Remuneration Report

Listed companies are required to provide detailed disclosures of non-executive and executive Directors and executive 'key management personnel' ('KMP') remuneration in the Directors' Report. These disclosures are set out in the Remuneration Report which is included in the Directors' Report in the 2024 Annual Report.

During the AGM, there will be reasonable opportunity to ask questions about, or to make comments on, the Remuneration Report.

In accordance with section 250R(3) of the Corporations Act, the vote on this resolution is advisory only and will not bind the Directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing the Company's remuneration policies and practices.

Noting that each Director has a personal interest in their own remuneration from the Company, as described in the Remuneration Report, the Board unanimously recommend that shareholders vote in favour of this resolution.

For the avoidance of doubt, associates of Eligible Persons are not eligible to be granted Rights unless otherwise determined by the Board.</p> <p>“Performance Right” means a Right (including a Share Appreciation Right) which is subject to performance related Vesting Conditions. For the avoidance of doubt, a service related Vesting Condition may form part of the terms of a Performance Right.</p> <p>“Invitation” means a communication to an Eligible Person that contains the terms and conditions of the specific invitation to apply for Rights.</p> <p>“LTVR” means long term variable remuneration.</p> <p>“Participant” means Eligible Persons whose applications have been accepted and have been granted Rights will be referred to as Participants in the Plan.</p> <p>“Restricted Shares” means Shares acquired by exercise of vested Rights and which are subject to disposal restrictions.</p> <p>“Right” means an entitlement to the value of a Share less any Exercise Price specified in an Invitation, which may be settled in the form of cash or a Share (including a Restricted Share), as determined by the Board in its discretion, unless a Settlement Restriction is specified in an Invitation.</p> <p>“Shares” means fully paid ordinary shares in the Company.</p> <p>“Service Right” means a Right (including a Share Appreciation Right) which is subject to service related Vesting Conditions.</p> <p>“Specified Disposal Restrictions” means the period specified in an Invitation, if any, commencing when a Restricted Share is acquired by exercise of a Right and ending on the first to occur of; the date specified in the Invitation and the 15th anniversary of the Grant Date.</p>
Instrument	<p>Rights under the LTI Plan entitles Participants to the value of a Share (less any Exercise Price) which may be satisfied either in cash and/or in Shares (at the Board’s discretion), unless otherwise specified in an Invitation. Generally, it is expected that exercised Rights will be satisfied in the form of Shares or Restricted Shares.</p> <p>The LTI Plan allows for three classes of Rights which may be appropriate forms of remuneration under various circumstances, being:</p> <ul style="list-style-type: none"> • Performance Rights which vest when performance conditions have been satisfied; • Retention Rights which vest after completion of a period of service; and • Restricted Rights which are vested at grant, but which may have Exercise Restrictions and or Specified Disposal Restrictions that extend to the Shares that result from the exercise of Rights (“Restricted Shares”). <p>When an Exercise Price greater than nil is specified in an Invitation the Rights are Share Appreciation Rights (“SARs”) that only produce value when the Share Price exceeds the Exercise Price at the time of exercise (that is, equivalent to an option). They may be Performance SARs, Service SARs, or Restricted SARs under the foregoing classes of Rights.</p>

For personal use only

Aspect	Details
Terms and Conditions	The Board has the discretion to set the terms and conditions on which it will offer Rights under the LTI Plan, including the terms of Invitations.
Variation of Terms and Conditions	To the extent permitted by the ASX Listing Rules, the Board retains the discretion to vary or amend the terms and conditions of the LTI Plan.
Eligibility	Eligible Persons selected by the Board will be invited to participate in the LTI Plan.
Term	Each Invitation will specify the Term of Rights, as determined by the Board, and if not exercised within the Term the Rights will lapse. The maximum term allowable is 15 years under the LTI Plan, which is based on the maximum tax deferral period in Australia.
Measurement Period	The Measurement Period is the period over which vesting conditions are assessed and may be determined by the Board as part of each Invitation.
Vesting Conditions	Vesting Conditions are to be determined by the Board as part of each Invitation.
Cost of Rights and Exercise Price	<p>No amount is payable by Participants for Rights unless otherwise determined by the Board.</p> <p>No Exercise Price is payable by a Participant to exercise Rights under the Rules. However, as part of the terms of an Invitation the Board may determine that a notional Exercise Price applies, which will be deducted from the value of a Share in determining the Exercised Rights Value, that is, creating a cashless exercise option or SAR which functions identically to an option, but is less dilutive than traditional options from a shareholder perspective.</p>
Exercise of Vested Rights	<p>Vested Rights may be exercised at any time between the Vesting Date (or the latter elapsing of Exercise Restrictions if applicable) and the end of their Term, by the Participant submitting an Exercise Notice, otherwise they will lapse. The Exercised Rights Value will be determined as follows and will be either be paid in cash, converted into Shares based on the then Share price, or a combination of cash and Shares, as determined by the Board:</p> $\text{Exercised Rights Value} = \text{Number of Rights Exercised} \times (\text{Share Price at Exercise} - \text{Exercise Price})$ <p>Generally, it is expected that vested Rights will be settled in Shares. Such Shares will often be Restricted Shares as they will be subject to disposal restrictions if the exercise occurs during a period in which trading in Shares is prohibited under the Company's securities dealing policy.</p> <p>For Participants outside of Australia, the Invitation may specify an automatic exercise date, to comply with local regulatory and tax conditions.</p>
Exercise Restrictions	An Invitation may specify a period of Exercise Restrictions during which Rights may not be exercised, even if vested.
Disposal Restrictions	<p>Rights may not be sold, transferred, mortgaged, charged or otherwise dealt with or encumbered, except by force of law.</p> <p>Shares acquired from the exercise of vested Rights will be subject to disposal restrictions due to:</p> <p>a) The Company's securities trading policy, and</p>

For personal use only

Aspect	Details
	<p>b) The insider trading provisions of the Corporations Act.</p> <p>Shares resulting from the exercising of Rights that may not be traded due to the foregoing or because of Specified Disposal Restrictions included in an Invitation will be Restricted Shares while they are so restricted.</p> <p>The Company will ensure that such restrictions are enforced due to the presence of CHES holding locks or alternatively by any trustee of an Employee Share Trust that may be engaged in connection with the LTI Plan.</p>
Specified Disposal Restrictions	<p>Invitations may include Specified Disposal Restrictions that apply for a specified period to Restricted Shares that result from the exercising of Rights or Rights. The Board will decide whether to include such conditions and the period for which they will apply.</p>
End of Employment/holding office as a Director of the Company	<p>In the event the end of employment or holding office with the Company occurs before the end of the Measurement Period, irrespective of if this is initiated by the Company or the employee the Rights will lapse, unless otherwise determined by the Board.</p> <p>If the officer resigns or his employment is terminated for cause prior to the end of the applicable 5 year service period, the Retention Rights will lapse.</p> <p>An end of employment or holding office after the Measurement Period has been served will result in the Rights remaining on-foot to be tested for vesting at the usual time, unless otherwise determined by the Board.</p> <p>Any unexercised vested Rights held will be exercised by the Company pursuant to the power of attorney, 90 days after the first date that all Rights that the Participant holds are fully vested and not subject to Exercise Restrictions.</p>
Delisting	<p>In the event the Board determines that the Company will be subject to a delisting, the Vesting Conditions specified in an Invitation for Performance Rights will cease to apply and:</p> <ul style="list-style-type: none"> • Rights with an Exercise Price greater than nil (ie, SARs) will vest 100% unless otherwise determined by the Board, comparable to the traditional treatment of Options and appropriate to the marginal value of such instruments, • Unvested Performance Rights with a nil exercise price, each tranche will vest in accordance with the following formula: $\begin{array}{rcccl} \text{Number of} & & & & \text{(Share Price at the Effective Date –} \\ \text{Performance} & & \text{Unvested} & \text{\% of} & \text{Share price at Measurement} \\ \text{Rights in} & = & \text{Performance} & \text{Measurement} & \text{Period Commencement)} \\ \text{Tranche to} & & \text{Rights in} & \text{Period} & \text{Share price at Measurement} \\ \text{Vest} & & \text{Tranche} & \text{Elapsed} & \text{Period Commencement} \\ & & & & \hline & & & & \end{array}$ <ul style="list-style-type: none"> • Remaining Performance Rights may vest or lapse as determined by the Board, • Retention Rights will vest to the extent determined to be appropriate by the Board under the circumstances applicable to each grant of Retention Rights, and • Exercise Restrictions and Specified Disposal Restrictions will cease to apply on the date determined by the Board.
Major Return of Capital or Demerger	<p>In the event that the Board forms the view that a major part of the Company's assets or operations will imminently cease to be owned by the Group due to an intention to sell or separately list those assets or operations, or in the event of a</p>

Aspect	Details
	major return of capital to shareholders, the Board has discretion to vest, lapse or adjust the terms of Rights such that Participants are neither advantaged nor disadvantaged by the corporate action.
Board Discretion, Preventing Inappropriate Benefits, Malus and Clawback	<p>The Board has sole discretion to determine that some or all Rights held by a Participant that are unvested or vested but subject to Exercise Restrictions, will lapse on a specified date if allowing the Rights to be retained or exercised by the Participant would, in the opinion of the Board, result in an inappropriate benefit to the Participant. Such circumstances include but are not limited to:</p> <ul style="list-style-type: none"> (a) if a Participant engages in any activities or communications that, in the opinion of the Board, may cause harm to the operations or reputation of the Company or the Board, (b) if the Board determines that a Participant or Participants took actions that caused harm or are expected to cause harm to the Company's stakeholders, (c) if the Board forms the view that a Participant or Participants have taken excessive risks or have contributed to or may benefit from unacceptable cultures within the Company, (d) if the Board forms the view that Participants have exposed employees, the broader community or environment to excessive risks, including risks to health and safety, (e) if a Participant becomes an employee of a competitor or provides services to a competitor, either directly or indirectly (as determined by the Board and unless otherwise determined by the Board), (f) if there has been a material misstatement in the Company's financial reports, which once resolved, indicates that a larger number of Rights previously vested than should have, in light of the corrected information, and (g) if there has been a breach of the Code of Conduct or other company policies.
Bonus Issues, Rights Issues, Voting and Dividend Entitlements	<p>The number of Rights held by Participants will be proportionately adjusted to reflect bonus issues so that no advantage or disadvantage arises for the Participant. Right holders will not participate in shareholder rights issues. Rights do not carry voting or dividend entitlements. Shares (including Restricted Shares) issued when Rights are exercised carry all entitlements of Shares, including voting and dividend entitlements.</p>
Quotation	Rights will not be quoted on the ASX. The Company will apply for official quotation of any Shares issued under the LTI Plan in accordance with the ASX Listing Rules.
Issue or Acquisition of Shares	Shares allocated to a Participant when Rights are exercised under the LTI Plan may be issued by the Company or acquired on or off market by a trustee whose purpose is to facilitate the operation of the LTI Plan.
Hedging	The Company prohibits the hedging of Rights or Shares subject to disposal restrictions by specified Participants.
