All resolutions will be decided on a poll.

Shareholders may vote on resolutions considered at the spill meeting by either:

- voting online at least 48 hours prior to the meeting at by using the virtual spill meeting platform; or

### **3. PROXIES**

A shareholder who is entitled to attend and vote at the spill meeting may appoint a proxy to attend and vote at the spill meeting on their behalf. A proxy need not be a shareholder and can be either an individual or a body corporate. Should you appoint a body corporate as your proxy, that body corporate will need to ensure that it:

- appoints an individual as its corporate representative to exercise any of the powers the body corporate may exercise at general meetings of the Company, in accordance with section 250D of the Corporations Act; and
- provides satisfactory evidence of the appointment of its corporate representative prior to commencement of the meeting.

If satisfactory evidence of appointment as corporate representative is not received before the spill meeting, then the body corporate (through its representative) will not be permitted to act as your proxy.

If a shareholder is entitled to cast two or more votes at the spill meeting, they may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the proxy appointments do not specify the proportion or number of the shareholder's votes that each proxy may exercise, each proxy may exercise half of the shareholder's votes.

## **INFORMATION FOR SHAREHOLDERS (CONT'D)**

The proxy form (and, if the appointment is signed by the appointer's attorney, the authority under which it was signed or a certified copy of the authority) must be received by the Company's share registry, Link Market Services Limited by 11.30am AEDT on Tuesday 22 October 2024.

As this office operates only during business hours, if you wish to hand deliver your proxy form, it must be received at this office by 5.00pm Friday 18 October 2024. Please note the alternative methods outlined above for lodging your proxy form.

If a shareholder appointing a proxy directs a proxy how to vote on an item of business, the proxy may only vote on that item, in accordance with that direction. If a proxy is not directed how to vote on an item of business, the proxy may vote how he/she thinks fit.

The Company's constitution provides that where the appointment of a proxy has not named the proxy or proxies in whose favour it is given, the Chair may either act as proxy or complete the instrument of proxy by inserting the name or names of one or more directors or secretary of the Company.

If a shareholder appoints the Chair of the meeting as the shareholder's proxy and does not specify how the Chair is to vote on an item of business, the Chair will vote, as a proxy for that shareholder, in favour of the item on a poll.

Link Market Services will contact proxyholders via email within 24 hours prior to the spill meeting to provide them with the proxy code that they will need to enter into the virtual spill meeting platform. ### **4. CORPORATE REPRESENTATIVES**

A corporate shareholder may elect to appoint an individual to act as its representative in accordance with section 250D of the Corporations Act in which case the Company will require a certificate appointing the Corporate Representative to be executed in accordance with the Corporations Act. The certificate must be lodged with the Company before the spill meeting. The Company will retain the certificate.

### **5. SPILL MEETING CONSIDERATIONS AND SHAREHOLDER QUESTIONS**

To ensure an orderly conduct of the spill meeting, Shareholders are requested to observe the following protocols:

- all shareholder questions should be stated clearly and should be relevant to the business of the spill meeting, which is the election of directors;
- if a shareholder has more than one question on an item, all questions should be asked at the one time; and
- shareholders should not ask questions at the spill meeting regarding personal matters or those that are commercial in confidence.

## **EXPLANATORY NOTES**

### **1. BACKGROUND TO THE SPILL MEETING**

Under the “two strikes” legislation set out in the Corporations Act, if at least 25% of the votes cast on the adoption of the remuneration report of the Company at two consecutive AGMs are against the adoption of the remuneration report the Company must put to the shareholders a “spill resolution” at the second AGM. If the spill resolution is passed, the Company must hold another general meeting of shareholders (“spill meeting”) within 90 days of the passing of the resolution. All of the directors of the Company who were in office when the directors’ report (including the remuneration report) was approved (and who remain in office at the spill meeting), cease to hold office immediately before the end of the spill meeting and may stand for re-election.

At the Company’s 2023 AGM, the Company received a “first strike” because more than 25% of the votes cast on the resolution to adopt the Company’s resolution to adopt the 2023 Remuneration Report were cast against its adoption. If at the 2024 AGM (due to be held immediately before this spill meeting), at least 25% of the votes cast on the resolution to adopt the 2024 Remuneration Report are cast against its adoption, the Company will receive a “second strike” and shareholders will be required to vote on the spill resolution.

Please see the accompanying Notice of 2024 AGM for further information regarding the spill resolution and spill meeting.

This spill meeting will only take place if the spill resolution is put to shareholders and is passed by shareholders at the 2024 AGM. If the spill resolution is not required to be voted on by shareholders at the 2024 AGM, or if it is voted on but is not passed by shareholders at the 2024 AGM, the resolutions proposed to be voted on at this spill meeting will not be required and will be withdrawn. If the spill resolution is put to shareholders at the 2024 AGM and is passed, each of the Company’s current directors, who were in office when the directors resolved to approve the Remuneration Report (being Mr Peter Hill, Mr Stephen Hill and Mr Harry Hodge), will cease to hold office immediately before the end of the spill meeting and will stand for re-election. Those directors elected or re-elected at the spill meeting will commence holding office at the end of the spill meeting.

If a director is re-elected in these circumstances, the Corporations Act provides that the term of office of the director will not be affected and directors will be subject to retirement and re-election at an AGM of the Company as if the cessation and appointment at the spill meeting had not occurred.

**There is no voting exclusion applicable to the resolutions to be put to the spill meeting.**

**The Chair intends to vote all undirected proxies in favour of all the proposed resolutions in Items 1 to 3.**

Mr Peter Hill and Mr Stephen Hill who are the founders and major shareholders of the Company and who collectively hold over 60% of the Company’s issued share capital as at the date of this notice of spill meeting, have advised the Company that it is their intention to vote in favour of the resolutions in Items 1 to 3.

Under the Corporations Act, a public company such as Globe International Limited must have a minimum of three directors appointed at all times. Accordingly, if, after the spill meeting, there are fewer than three directors of the Company elected, in accordance with the Corporations Act, the unsuccessful nominees with the highest proportion of favourable votes will be appointed as directors, to make up the minimum number of three directors required under the Corporations Act. This will result in the same three directors being appointed.
