The Company will disregard any votes cast in favour of Item 5 by or on behalf of:

 - the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Voting Prohibition Statement: In accordance with section 250BD of the Corporations Act, a person appointed as a proxy must not vote, on the basis of that appointment, on Item 5 if:

Definitions

Words that are defined in the Glossary have the same meaning when used in this Notice unless the context requires, or the definitions in the Glossary provide, otherwise.

Proxies

Generally:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair of the Meeting, who must vote the proxies as directed.

Proxy vote if appointment specifies way to vote

An appointment of a proxy may specify the way the proxy is to vote on a resolution and, if it does:

- if the proxy is the Chair of the meeting at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the Proxy is not the Chair of the Meeting, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to Chair in certain circumstances

If:

- an appointment of a proxy specifies the way the proxy is to vote on a resolution at a meeting of the Company's members;
- the appointed proxy is not the Chair of the meeting;
- at the Meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting; or
 - the proxy attends the meeting but does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at that meeting.

Explanatory Notes on the Items of Business

This information forms part of the Notice of Meeting.

AGM Considerations and Shareholder Questions

A discussion will be held on all items to be considered at the AGM.

All Shareholders and proxy holders will have a reasonable opportunity to ask questions in writing and orally during the AGM in person or via the online platform. More detailed information on how to ask questions during the meeting is provided in the Online Platform Guide available at www.computershare.com.au/virtualmeetingguide and on our website at www.mmsg.com.au.

To ensure that as many Shareholders as possible have the opportunity to participate, Shareholders are requested to observe the following:

- all Shareholder questions should be written clearly and should be relevant to the business of the AGM, including matters arising from the Financial Report, Directors' Report (including the Remuneration Report) and Independent Audit Report, and general questions about the performance, business or management of the Company;
- if a Shareholder has more than one question on an item, all questions should be asked at the one time; and
- Shareholders should not ask questions at the AGM regarding personal matters or those that are commercial in confidence.

Shareholders are encouraged to submit questions to the Company or its auditor (via the Company) in advance of the AGM by completing a Shareholder Question Form. Please follow the instructions on the Shareholder Question Form for information on how the Shareholder Question Form can be submitted to the Company. To allow time to collate questions and prepare answers, submitted written questions need to be received by no later than 5.00pm (Melbourne time) on Friday, 18 October 2024.

The Chair will endeavour to address as many of the more frequently raised questions as possible during the meeting. Please note that individual responses will not be sent to Shareholders.

Item 1: Financial reports

Under section 317 of the Corporations Act, the Financial Report, Directors' Report and Independent Audit Report of the Company in respect of the 2024 financial year will be laid before the meeting.

There is no requirement for a formal resolution on this item of business. Shareholders will, however, be given the opportunity to raise questions or comments on the reports at the meeting.

The reports are available on the Company's website, www.mmsg.com.au.

Item 2: Adoption of Remuneration Report

Under section 250R(2) of the Corporations Act, a resolution must be put to the Shareholders that the Remuneration Report be adopted. The vote on this resolution is advisory only and does not bind the Directors or the Company. The Board will, however, take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

The Remuneration Report is set out in the Company's 2024 Annual Report and:

- explains the Board's policies in relation to the nature and level of remuneration paid to KMP;
- discusses the link between the Board's remuneration policies and the Company's performance;
- provides a summary of performance conditions applicable to KMP, explaining why they were chosen and how performance is measured against them;
- sets out remuneration details for each KMP; and
- makes clear that the basis of remunerating non-executive Directors is distinct from the basis for remunerating Executive KMP, including the Chief Executive Officer.

A reasonable opportunity will be provided to the members to ask questions in writing and orally on the Remuneration Report at the meeting.

If at least 25% of the votes cast on the resolution to adopt the Remuneration Report are against adoption of the report at the Meeting (subject to this Notice of Meeting), then:

- if comments are made on the report at the Annual General Meeting, the Company's Remuneration Report for FY25 will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reasons for this; and
- if, at the Company's 2025 Annual General Meeting, at least 25% of the votes cast on the resolution for adoption of the Remuneration Report for the relevant financial year are against its adoption, the Company will be required to put to Shareholders a resolution proposing that a general meeting (**Spill Meeting**) be called to consider the election of Directors of the Company (**Spill Resolution**). The Spill Meeting must be held within 90 days of the date of the 2025 Annual General Meeting. For any Spill Resolution to be passed, more than 50% of the votes cast on the resolution must be in favour of it. If a Spill Resolution is passed, all the Directors (other than any Managing Director) will cease to hold office immediately before the end of the Spill Meeting unless re-elected at that meeting.

Noting that each Director has a personal interest in their remuneration from the Company, as described in the Remuneration Report, the Board unanimously recommends that the Shareholders vote in favour of adopting the Remuneration Report.

Item 3: Re-election of Director retiring by rotation under the Constitution of the Company

Rule 20.2 of the Constitution requires one third of the Directors to retire from office at each Annual General Meeting. The Directors that have been in office the longest since their last election must retire and are eligible for re-election to the Board at the meeting. Mr Bruce Akhurst is retiring by rotation at this meeting and, in accordance with the Constitution, is offering himself for re-election.

Bruce Akhurst

B Ec (Hons), LLB, FAICD

Mr Akhurst is currently the Chairman of Tabcorp Holdings Limited and also Chair of the Peter McCallum Cancer Foundation. Mr Akhurst was previously the CEO of Sensis, Group MD and General Counsel of Telstra, a Partner of Mallesons Stephen Jaques and Council Member of RMIT University and a Director of Vocus Group Limited. Mr Akhurst is considered an independent director under the Company's definition of independence.

Mr Akhurst is a very experienced listed company director including in highly regulated industries. He brings deep experience across corporate transactions, strategy, risk management, customer and product technology.

Mr. Akhurst is Chair of the Company's People, Culture and Remuneration Committee and a member of the Audit, Risk and Compliance Committee and the Nomination Committee.

The Directors (excluding Mr Akhurst) unanimously recommend that the Shareholders vote in favour of this resolution.

Item 4: Re-election of Director retiring by rotation under the Constitution of the Company

Mr John Bennetts is also retiring by rotation under rule 20.2 of the Constitution at this meeting and, in accordance with the Constitution, is offering himself for re-election.

John Bennetts

B.Econ, LLB

Mr Bennetts is an experienced investor and has been the founder and director of a number of successful Australian companies. He owns businesses in varied industries including technology and finance. Mr Bennetts is a Non-Executive Director of Sacred Heart Mission. He was a founder of Cellestis Limited and private equity investment firm, Mooroolbark Investments Pty Limited (M-Group). He has also provided corporate advisory services to a range of companies in Australia and Asia. Prior to the establishment of M-Group, he was a senior executive of pioneering Australian multinational IT company, Datacraft Limited and also practised as a commercial lawyer.

Mr Bennetts is not considered an independent director under the Company's definition of independence. The Board is comprised of a majority independent Non-Executive Directors. Mr Bennetts is not a member of the Company's sub-committees. The Board (with Mr Bennetts abstaining) supports the re-election recommendation, given Mr Bennetts' deep knowledge of the Company's operations and industry experience coupled with his long term alignment, corporate memory, customer focus and new business creation experience.

The Directors (excluding Mr Bennetts) unanimously recommend that the Shareholders vote in favour of this resolution.

Item 5: Adoption of Executive Incentive Plan

The Company's Executive Incentive Plan (**Incentive Plan**) (formerly known as the Long-Term Incentive Plan) was last approved by Shareholders of the Company on 22 November 2021. Accordingly, the Company seeks Shareholder approval to readopt the Incentive Plan (on similar terms as the previous plan) for the purposes set out in these Explanatory Notes.

The objective of the Incentive Plan is to attract, motivate and retain key members of the Company's management team and it is considered by the Company that the adoption of the Incentive Plan and the future issue of Shares under the Incentive Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

The Incentive Plan will be similar to the terms of the original Incentive Plan, and amongst other provisions includes the new terms and conditions required by Division 1A of Part 7.12 (Employee share schemes) of the Corporations Act, which replaced the previous relief provided by ASIC Class Order 14/1000 (ESS Legislation). The Incentive Plan provides the ability to issue Shares, Options and Rights (including Performance Rights, Share Rights and Indeterminate Rights) (Incentive Securities).

A summary of the key terms of the Incentive Plan is set out in Annexure A, and a copy of the rules of the Incentive Plan is available upon request from the Company.

ASX Listing Rules

Listing Rule 7.1 generally limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

If this Resolution is approved by Shareholders for all purposes under the Corporations Act and the ASX Listing Rules, including ASX Listing Rule 7.2 (exception 13(b)), it will have the effect of enabling the securities issued by the Company under the Incentive Plan to be automatically excluded from the formula to calculate the number of securities which the Company may issue in any 12 month period using Listing Rule 7.1 (15% capacity) during the next three year period.

Since the Incentive Plan was last approved by Shareholders on 22 November 2021, the Company advises that it has issued 384,814 Performance Rights and 374,024 Indeterminate Rights as set out in the table below:

Incentive Security	FY22	FY23	FY24
Performance Rights	-	236,748	148,066
Indeterminate Rights	374,024	-	-

Note over this time since 2021 the Company has also repurchased 7,738,083 ordinary shares via the off market share repurchase conducted in FY23.

If this Resolution is approved by Shareholders, the Company will issue up to a maximum of 3,482,151 Incentive Securities (which represents 5% of the Issued Capital at the time of this Notice) under the Incentive Plan during the three year period following approval (for the purposes of exception 13). This maximum is not intended to be a prediction of the actual number of securities to be issued under the Incentive Plan but is specified for the purposes of setting a ceiling on the number of securities approved to be issued under and for the purposes of Listing Rule 7.2, Exception 13(b). Once that number is reached, any additional issues of securities under the Incentive Plan would not have the benefit of Exception 13 without fresh Shareholder approval.

Directors' Recommendation

The Directors recommend that Shareholders vote in favour of Item 5.

Item 6: Issue of Rights to Managing Director

Background

The Board has determined that the remuneration framework remains unchanged from the prior year.

The FY25 remuneration framework is summarised as follows:

- Fixed annual remuneration (base salary plus superannuation plus allowances);
- STIP will be part delivered in cash following a one year performance period and part delivered in Rights following a one year service based deferral. An annual scorecard will apply comprising financial, sustainability, strategy, customer and people defined targets; and

For personal use only

- LTIP will be an annual grant of performance rights with a single three year performance window set at the beginning of year one and measured at the end of year three (targets relate to EPS and ROCE).

The Board (excluding the Managing Director) has determined that the Managing Director's maximum STIP opportunity be increased to 80% (60% in FY24). There was no change to the Managing Director's fixed remuneration other than the statutory 0.5% increase in the superannuation guarantee contribution and there was no change to the Managing Director's LTIP opportunity.

Under the terms and conditions of employment with the Company, Mr De Luca's remuneration will be paid partly in Rights and partly in cash with the Rights component subject to shareholder approval. The proposed issue of Rights is pursuant to the McMillan Shakespeare Limited Executive Incentive Plan (Incentive Plan).

The total value of the Rights to be awarded to Mr De Luca in FY25 of \$1,128,886 represents a face value of 140% of his fixed salary. The value of the Rights consists of \$806,349 for the 45,608 LTI Rights and \$322,536 for the 18,243 STI Rights. The face value of \$1,128,886 is divided by the five-day volume weighted average MMS share price (VWAP) up to 30 June 2024 of \$17.68 to determine the number of Rights (subject to rounding).

As a result, the Company proposes to issue 45,608 Performance Rights and 18,243 Share Rights to Mr De Luca as incentive-based remuneration on the terms set out below. The Rights will be issued under and subject to the rules of the Company's Incentive Plan as amended and approved by shareholders in 2024.

If Item 6 is approved by Shareholders, the Board intends to issue the Rights to Mr De Luca as soon as reasonably practicable following the Annual General Meeting and in any event, not later than three years from the date of the meeting. A summary of the key terms of the Incentive Plan is set out in Annexure A, and a copy of the rules of the Incentive Plan is available upon request from the Company.

Approval of acquisition of Rights under ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- a) a director of the Company;
- b) an associate of a director of the Company; or
- c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As Mr De Luca is a Director, the approval of Shareholders is required for him to participate in the Incentive Plan. In particular, ASX Listing Rule 10.14.1 requires Shareholder approval for Mr De Luca to participate in an employee share plan under which he acquires, or may acquire, equity securities in the Company.

Accordingly, the Company seeks the approval of Shareholders in respect of the proposed issue of the Rights (and the issue of new shares or acquisition of shares on market on vesting of the Rights) to Mr De Luca on the terms and conditions set out below.

Vesting Conditions for Rights

The Rights offer to be made to Mr De Luca under the LTIP will be subject to certain vesting conditions in addition to a condition of on-going employment. They will be offered for nil consideration that vest after three years on the terms as set out in the LTIP Financial Metric table below.

CEO LTIP Financial Metric

Metric	Percentage of Total Under the Tranche (Number of Rights)	0% Vesting	50% - 100% Vesting
3 Year EPS CAGR	65 % (29,645)	<7%	Between 7% and 12%
3 Year Average ROCE	35 % (15,963)	<55%	Between 55% and 60%

Financial performance relating to FY23, FY24 and FY25 for LTIP purposes will be Normalised from continuing operations for the purposes of FY24 and FY25. Normalised refers to adjustments made for the negative earnings transitional period for the implementation of the funding warehouse, Onboard Finance (“Warehouse”). It normalises for the Warehouse’s in year operating expenses and for an adjustment for current commissions that would have otherwise been received in period had the sales been financed via a principal and agency funder rather than through the Warehouse and are currently expected to be stated up to and including FY25. Continuing operations excludes discontinued operations (as set out in the FY24 Financial Statements that relate to the sale of the Aggregation and UK businesses). Financial performance for FY26 will not be Normalised.

Conversion of Rights is subject to Mr De Luca’s continued employment with the Company as at the date of lodgement of the Company’s financial statements with ASX for FY27.

The Share Rights offer of up to 18,243 to be made to Mr De Luca under the STIP will be subject to certain vesting conditions in addition to a condition of on-going employment. They will be offered for nil consideration that vest following a one-year service based deferral. An annual scorecard applies an appropriate mix of financial and non financial metrics.

Other Information required under LR 10.15

The Company will not apply to the ASX for official quotation of the Rights granted under the Incentive Plan.

- Mr De Luca, CEO and Managing Director was previously issued 162,498 Performance Rights under the Incentive Plan following shareholder approval.
- Shares issued pursuant to the vesting of Rights will rank equally with Shares then on issue. The Board has the discretion to settle the Rights by way of Shares or a cash equivalent payment.
- The Company has the flexibility to issue new shares or to purchase shares on-market for allocation to Mr De Luca on vesting of Rights.
- There is no proposed loan scheme in relation to the Rights or the Incentive Plan.
- Any dealing in Shares is subject to the constraints of Australian insider trading laws and the Company’s Securities Trading Policy. Participants are specifically prohibited from hedging their Company share price exposure in respect of their Rights during the vesting period.
- There is no exercise price payable by the CEO and Managing Director to exercise the Rights once they have vested and the expiry date will be 5 years from the date of issue.

For personal use only

- Details of the Rights granted to Mr De Luca will be provided in the Remuneration Reports for FY25, FY26 and FY27.
- Mr De Luca's total cost to the Company of remuneration for FY24 was \$1,824,290 comprising (cash salary, annual leave, other benefits, superannuation, long service leave and Rights). Further details on Mr De Luca's total annual remuneration package for FY24 are set out in the Company's FY24 Remuneration Report. Mr De Luca's total remuneration package for FY25 will be \$2,257,820 comprising of fixed remuneration, STIP and LTIP.
- Details of any securities issued to Mr De Luca under the Incentive Plan will be published in the Company's Annual Report, along with a statement that approval for the issue was obtained under Listing Rule 10.14. No additional persons covered by Listing Rule 10.14 will participate in the Incentive Plan without Shareholder approval being first obtained.

The Board believes that it is in Shareholders' best interests to provide the CEO and Managing Director with an incentive to ensure there is significant alignment between returns for Shareholders and the rewards for the CEO and Managing Director by linking an appropriate part of his remuneration to the generation of long term returns for Shareholders. If Shareholders do not approve the proposed grant of Rights to Mr De Luca, the Board will instead seek to negotiate alternative long-term incentives to the value of the proposed grant with Mr De Luca. Any alternate long-term incentives granted will be subject to performance hurdles.

Directors' Recommendation

The Directors (excluding Mr De Luca) recommend that Shareholders vote in favour of Item 6.

ANNEXURE A – SUMMARY OF THE KEY TERMS OF THE INCENTIVE PLAN

1. **General**

The Plan is intended to retain and motivate the Company's management team and provide strong alignment with Shareholder outcomes. Under the Plan, the Board has the discretion to offer Shares or grant Options, Performance Rights, Share Rights or Indeterminate Rights (Rights) to Eligible Employees (which includes executive Directors) of the Company or a related body corporate. An offer of shares may be accompanied by an offer of a loan (acquisition loan) from the Company or a related body corporate to acquire the shares.

Note, there is no current proposal to offer loans under the Plan. Both Options and Rights give a participant in the Plan a right to acquire shares in the Company subject to the achievement of both time based and performance based vesting conditions, with Options requiring the payment of an exercise price to acquire the shares and a Right not requiring the payment of an exercise price. The Board has the discretion to amend the rules of the Plan (including respectively in respect of previous awards of shares, options, performance rights, share rights or indeterminate rights) but not so as to reduce the rights of participants, except where necessary to correct obvious errors or mistakes or to comply with legal requirements or where agreed by the participant. Awards under the Plan are made at the Board's discretion.

2. **Eligibility**

The rules allow for offers under the Plan to be made to any employee of the Company or a related body corporate, including executive directors, or such other person as the Board determines. However, it has been the case and it is currently intended to continue to be the case that participation in the Plan will only be offered to the Company's eligible employees including the Managing Director.

3. **Issue of shares and grant of Options or Rights**

Shares, Options, and Rights may be issued under the Plan subject to vesting conditions, including time and performance based hurdles. The Board determines the details of the vesting conditions attaching to Shares, Options and Rights under the Plan prior to offers of participation being made. Shares, Options or Rights will only vest (under normal circumstances) upon satisfaction of the time and performance-based vesting conditions. If those conditions are not met, Shares will be bought back or the Options or Rights will generally expire and not be capable of exercise. To be eligible for ESS Legislation relief in respect of disclosure obligations, licensing, hawking, advertising and on-sale restrictions, only a nominal amount may be payable on the grant of options or rights offered under the Plan.

4. **Delivery of shares**

Shares in the Company will be delivered to participants upon exercise of vested options or the vesting of rights. The Company may deliver Shares by new issue or by purchasing Shares for transfer to participants. No exercise price is payable on the vesting of Rights.

5. **Claw-Back Events**

The Plan provides for the Claw-Back of Shares, Options or Rights offered under the plan in certain circumstances, including on the forfeiture of the Shares, Options or Rights.

6. **Change of control**

On a change of control of the Company, the board has discretion to waive the vesting conditions applicable to unvested options and rights, subject to such terms and conditions as it determines.

7. **Expiry of Options and Rights and leaver treatment**

Unless otherwise determined by the Board in its discretion, Options which have not been exercised and Rights which have not vested will expire and cease to exist on the expiry date specified at the date of grant, or upon the Board making a determination that the Options or Rights are to be forfeited.

If a Participant ceases to be employed by the Company or any of its subsidiaries, the treatment of its Options and Rights will depend on the circumstances of the Participant's departure as follows:

- a) If a Participant becomes a Good Leaver, unless the Board determines otherwise in its absolute discretion, the Participant:

- (i) may retain their Vested Options and Vested Rights; and
 - (ii) may retain the Relevant Proportion of their Unvested Options and Unvested Rights (rounded up to the nearest whole Option and Right), and there will be no change to the terms and conditions applying to those retained Unvested Options and Unvested Rights unless the Board determines otherwise in its absolute discretion; and
 - (iii) must forfeit the Remaining Proportion of their Unvested Options and Unvested Rights.
- b) If a Participant becomes a Bad Leaver, unless the Board determines otherwise in its absolute discretion, the Participant:
- (i) may retain their Vested Options and Vested Rights, provided that those Options and Rights must be exercised on or prior to the earlier of:
 - A. 5pm (Melbourne time) on the date that is 1 calendar month following the date that the Participant becomes a Bad Leaver; and
 - B. the expiry date set out in the terms and conditions specified at the Time of Grant; and
 - (ii) must forfeit all of their Unvested Options and Unvested Rights.

In all cases, the treatment of Securities granted under the Plan where a Participant becomes a Leaver is subject to Applicable Law, including in relation to the provision of termination benefits under Part 2D.2 Division 2 of the Corporations Act. The Board is not bound to exercise any discretion in connection with a Security granted under the Plan or provide any associated benefit in connection with a Participant becoming a Leaver to the extent that the amount of the benefit (together with all other relevant termination benefits) exceeds the amount that is permitted to be paid or given under the Corporations Act without member approval, if such relevant approval has not been obtained.

8. **Restrictions on shares and forfeiture conditions**

Shares, Options and Rights, and shares delivered on exercise, may be subject to claw-back or forfeiture (subject to lifting at the discretion of the Board) if a participant commits any act of fraud, defalcation or gross misconduct in relation to the Company or a related body corporate. In addition, the Board can decide, on the offer of Shares or the grant of Options or Rights under the Plan the circumstances under which the Shares, Options or Rights are to be forfeited in additional circumstances, such as the termination or cessation of employment. Shares delivered on exercise of Options or Rights may be subject to disposal restrictions in the form of a holding lock (subject to removal at the discretion of the Board).

9. **Hedging economic exposure prohibited**

Without limiting the prohibitions in Part 2D.7 of the Corporations Act (ban on hedging remuneration of key management personnel), the terms of the Plan prohibit entering into transactions or arrangements which limit the economic risk of participating in unvested entitlements under the Plan.

10. **Use of Share Plan Trust**

The Board may, in its discretion, use an employee share trust for the purposes of holding Shares (whether on an allocated or unallocated basis) and/or fulfilling awards made by the Company under the Plan on such terms and conditions as are determined by the Board from time to time. For the avoidance of doubt, the Company may do all things the Board considers necessary for the establishment, administration, operation and funding of an employee share trust.
