Invitation from the Chair

23 September 2024

Dear Shareholders,

I am pleased to invite you to the 2024 Annual General Meeting (**AGM**) of BHP Group Limited (**BHP**). The AGM will be held on Wednesday 30 October 2024 at 10:00am (Brisbane time).

I am delighted that we will meet with shareholders in person again this year.

For those shareholders not able to join us in person, we invite you to participate in the meeting by submitting questions and your proxy vote in advance of the meeting. You may also watch the webcast live online at bhp.com/aggm. Details can be found in this Notice of Meeting.

FY2024 and our priorities

Our operational and financial performance was strong in FY2024 and we made solid progress against our social value and sustainability commitments. It is more than four years since we began the strategic transformation of BHP's portfolio towards future-facing commodities and the world has changed markedly in that time. Today, BHP has a portfolio of world-class assets focused on products that are critical to the future.

However, FY2024 was overshadowed by a fatality. We are deeply saddened by the fatality of a team member at the BMA Saraji mine in Queensland. Our heartfelt thoughts and condolences go to their family and friends. Safety is our top priority and our commitment to zero fatalities and serious injuries at BHP is unwavering.

2024 Climate Transition Action Plan

Our 2024 Climate Transition Action Plan (**2024 CTAP**) provides an update on our climate strategy and our progress and plans in relation to our greenhouse gas emissions goals and targets. Our plan reaffirms our intent to play our part in the global effort to achieve the world's net zero ambitions – producing more of the essential commodities the world needs to develop and decarbonise, investing to reduce our operational greenhouse gas emissions, and collaborating to support lower greenhouse emissions in our value chain.

Throughout the year, I have engaged with investors and stakeholders on our climate change strategy. Our 2024 CTAP was released with our Annual Reporting suite in August 2024, and continues our multi-decade focus on climate and underscores our commitment to becoming a more sustainable and resilient business. This is important work that will help set us up to grow long-term value for shareholders. There will be a 'Say on Climate' vote at the 2024 AGM and I recommend you vote in favour of our 2024 CTAP in Item 13. Our 2024 CTAP is available at bhp.com/CTAP2024.

Board succession

Our structured Board renewal process continued in FY2024 and our Board remained gender balanced. Ross McEwan joined the Board as a Non-executive Director on 3 April 2024. Ross has significant experience in the financial services industry with deep expertise in capital allocation, risk management and value creation in complex regulatory environments.

Don Lindsay also joined the Board as a Non-executive Director on 1 May 2024 and brings over 40 years of global experience in the resources sector and investment banking, including in mining and resource development, financial markets, growth and value creation. Ross and Don are both seeking election at the 2024 AGM and the remaining Directors will seek re-election in line with our policy for annual Director elections.

In April 2024, Ian Cockerill retired from the Board and in October 2023, we farewellled Terry Bowen who also retired from the Board. We benefited greatly from Ian and Terry's extensive experience and I would like to thank them for their contribution and commitment to BHP during their time on the Board.

Board recommendation

The Board considers the resolutions in Items 2 to 13 are in the best interests of BHP shareholders and recommends you vote in favour of those Items.

Thank you for your continued support of BHP. I encourage you to join us at the AGM and look forward to meeting our shareholders on the day.

Yours sincerely

Ken MacKenzie
Chair

Explanatory Notes

Item 1

Financial Statements and reports

The Corporations Act requires BHP to lay before the AGM its financial report, Directors' Report and Auditor's Report for the financial year ended 30 June 2024.

This Item does not require a vote, but shareholders will be given a reasonable opportunity as a whole to ask questions or make comments about the management of BHP.

Ernst & Young (EY), BHP's Auditor, will also be present at the meeting. Shareholders as a whole will be given a reasonable opportunity to ask EY questions about the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by BHP in relation to the preparation of the Financial Statements, and the independence of the Auditor in relation to the conduct of the audit.

The reports are contained in BHP's Annual Report 2024, available on BHP's website at bhp.com/investors/annual-reporting.

Items 2 to 10

Election and re-election of Non-executive Directors

Don Lindsay and Ross McEwan are seeking election by shareholders for the first time, having each been appointed as a Director after the 2023 AGM. The remaining Non-executive Directors retire and submit themselves for re-election.

The biographical details, relevant qualifications, experience and skills of each of the Non-executive Directors standing for election or re-election are set out on the following pages.

Under BHP's Constitution, at least one-third of Directors must retire (and may seek re-election) at each AGM. However, the Board has adopted a policy under which all Non-executive Directors must seek re-election annually. The Board annually reviews the performance of each Director seeking re-election at the AGM. The Nomination and Governance Committee has also reviewed the composition of the Board.

Based on these reviews and for the reasons outlined on the following pages, the Board considers all Directors seeking election or re-election demonstrate commitment to their role. The contribution of each Director is and continues to be important to BHP's long-term sustainable success. The Board as a whole has an appropriate mix of skills, backgrounds, knowledge, experience and diversity to operate effectively.

All Non-executive Directors have been determined by the Board to be independent, on the basis that they are free of any interest, position or relationship that might influence or reasonably be perceived to influence in a material respect their capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of BHP as a whole rather than in the interests of an individual security holder or other party. The Corporate Governance Statement 2024, available on BHP's website at bhp.com/investors/annual-reporting, contains more information on the independence of Directors.

The Board (with the relevant Director seeking election or re-election abstaining) recommends shareholders vote in favour of Items 2 to 10 for the reasons set out on the following pages.

Item 2

Don Lindsay

BS (Hons), MBA

Independent Non-executive Director

Appointment

Independent Non-executive Director since May 2024

Skills and experience

Don Lindsay has more than 40 years' global experience, including in mining and resource development, financial markets, transformational leadership, growth and value creation.

Don was the President and Chief Executive Officer of Teck Resources Limited (from 2005 to 2022) and prior to that, worked for almost 20 years with CIBC World Markets Inc., where he served as President, Head of Investment and Corporate Banking and Head of the Asia Pacific Region. Don also served as Chair of the Board of Governors for Mining and Metals for the World Economic Forum, Chair of the Business Council of Canada and Chair of the International Council on Mining and Metals.

Don brings extensive experience in global resource development, as well as sustainability, community health, safety and global education and business forums. His technical and management experience across a range of commodities and mining jurisdictions brings a unique understanding of prospective resources, cost of development and operations and the assessment of opportunities to strengthen the portfolio of world-class assets.

Prior to his appointment, BHP undertook appropriate background and experience checks on Don.

Current appointments

Don is Chair of the Board of Manulife Financial Corporation (since February 2023) and the Invictus Games Vancouver Whistler 2025 (since November 2022).

Item 11

Adoption of the Remuneration Report

The Remuneration Report is on pages 115-131 of BHP's Annual Report 2024. It includes information about our remuneration framework and remuneration arrangements for our Key Management Personnel (**KMP**) during FY2024.

The vote on this Item is advisory only and does not bind the Directors or BHP. However, the Board will take the outcome of the vote into account when reviewing BHP's remuneration framework. Shareholders will have a reasonable opportunity as a whole to ask questions about or make comments on the Remuneration Report.

Voting exclusion statement

BHP will disregard any votes cast on Item 11:

- by or on behalf of a member of BHP's KMP who are named in BHP's Remuneration Report for the year ended 30 June 2024 or their closely related parties, regardless of the capacity in which the vote is cast; or
- as a proxy by a person who is a member of BHP's KMP at the date of the AGM or their closely related parties, unless the vote is cast as proxy for a person entitled to vote on Item 11:
 - in accordance with a direction in the proxy form; or
 - by the Chair of the AGM pursuant to an express authorisation in the proxy form to exercise the proxy even though Item 11 is connected with the remuneration of BHP's KMP.

The Board recommends shareholders vote in favour of this Item.

Item 12

Approval of equity grants to the Chief Executive Officer

BHP is seeking shareholder approval to grant Mike Henry, the Chief Executive Officer and an Executive Director of BHP, the following securities under BHP's Equity and Cash Incentive Plan rules (**BHP's Incentive Plan Rules**), which were adopted by BHP's People and Remuneration Committee on 25 September 2023. The incentives will be granted under two separate schemes:

Scheme	Grant
Cash and Deferred Plan (CDP)	35,042 CDP two-year awards and 35,042 CDP five-year awards (CDP awards)
Long-Term Incentive Plan (LTIP)	127,848 LTIP awards with a face value equal to 200% of Mike's annual base salary at the date of grant (i.e. US\$1.893 million x 200% = US\$3.786 million) (LTIP awards)

If Item 12 is approved by shareholders, awards will be made under BHP's Incentive Plan Rules for the CDP and LTIP awards on the terms set out below. Each CDP and LTIP award is a conditional right to one fully paid ordinary share in BHP, subject to meeting the applicable service and/or performance conditions.

These conditional rights have been proposed as they create share price alignment between Mike and ordinary shareholders but do not provide him with the full benefits of share ownership (such as dividends and voting rights) unless and until the awards vest.

Under Australian Securities Exchange (**ASX**) Listing Rule 10.14, shareholder approval is required for an issue of BHP securities to Directors. Approval would not be required where the terms of the grant require that the underlying shares are purchased on-market. The Board is seeking shareholder approval in the interests of transparency and good governance, and to preserve flexibility for BHP to issue shares or purchase shares on-market at the relevant time.

CDP awards

BHP is seeking shareholder approval to grant CDP awards to Mike Henry on the following basis:

Key term	Description
Number of CDP awards	35,042 CDP two-year awards and 35,042 CDP five-year awards.
Value of the CDP awards	As set out in the Remuneration Report released August 2024, the Board assessed Mike's performance against a FY2024 scorecard containing CDP performance conditions and determined the value of the FY2024 CDP awards for Mike was US\$3.113 million. Under the CDP award terms: one-third is paid in cash in September 2024; one-third is granted as CDP two-year awards; and one-third is granted as CDP five-year awards (subject to a review as set out below). Approval is being sought in relation to the grant of CDP two-year awards and CDP five-year awards.
How the number of CDP awards was calculated	<p>The proposed number of CDP awards to be granted to Mike was calculated using the following formula:</p> <ul style="list-style-type: none"> – the maximum value of the CDP grant (being US\$1.038 million for the CDP two-year awards and US\$1.038 million for the CDP five-year awards) multiplied by – the US\$/A\$ exchange rate (being the average exchange rate over the 12 months up to and including 30 June 2024, to convert the award value into Australian dollars) divided by – the average daily closing price of BHP shares traded on the ASX over the 12 months up to and including 30 June 2024, and – rounded down to the nearest whole number of awards.
Vesting conditions	Subject to the 'cessation of employment' provision below, vesting of the CDP two-year awards and the CDP five-year awards are subject to Mike's continued employment with BHP until the end of the relevant vesting period. The vesting of the CDP five-year awards is also subject to a satisfactory performance underpin, which encompasses a holistic review of performance at the end of the vesting period, including a review of safety and sustainability performance, profitability, cash flow, balance sheet health, returns to shareholders, corporate governance and conduct over the five-year period.
Vesting of CDP awards	<p>On vesting, each CDP award will entitle Mike to receive one share in BHP (unless the Board exercises its discretion to settle vested awards with a cash payment of equivalent value instead). Before vesting, the awards do not carry entitlements to ordinary dividends or other shareholder rights. A dividend equivalent payment (DEP) is provided on vested CDP awards in either cash or additional shares. The DEP is calculated as the value of dividends that would have been received over the vesting period if Mike had held shares in BHP, and where shares are provided, the DEP amount is divided by the closing price of BHP shares on the date prior to vesting.</p> <p>The decision to vest CDP awards is subject to the overriding discretion of the Board, which may adjust vesting outcomes upwards or downwards (including to zero) if appropriate, even if performance criteria has or has not been satisfied, including to better reflect shareholder expectations, to take into account the total value of the award at the time of any vesting, to account for personal or Group performance or any other factor that the Board reasonably determines is appropriate to take into account in the circumstances. The Board may also impose dealing restrictions on any shares that vest.</p>
Malus and clawback	BHP's Incentive Plan Rules allow the Board to reduce or clawback CDP awards (including any DEP) in a range of circumstances, including where the participant acts fraudulently or dishonestly, is in material breach of their obligations to BHP, or where vesting is not justified or supportable in the circumstances. The Board can also suspend or delay vesting until the outcome of any investigation is known.
Cessation of employment	'Good leaver' treatment will apply where the cessation of employment with BHP is due to retirement, retrenchment or redundancy or termination by mutual agreement, or such other circumstances that do not constitute resignation or termination for cause, unless the Board decides otherwise. For a 'good leaver', they may receive a pro-rated cash award based on performance for that year, and their unvested CDP two-year awards and a pro-rated portion of their unvested CDP five-year awards (pro-rated for the portion of the vesting period served) will remain on foot unless the Board determines otherwise. Where a participant is not a 'good leaver', all unvested CDP awards will lapse, unless the Board determines otherwise.
Change of control	On a change of control event as defined in BHP's Incentive Plan Rules or on the divestment of a material business or subsidiary, the Board has discretion to determine the treatment of CDP awards.

For personal use only

LTIP awards

BHP is seeking shareholder approval to grant LTIP awards to Mike Henry on the following basis:

Key term	Description
Number of LTIP awards	127,848 LTIP awards with a face value equal to 200% of Mike's annual base salary at the date of grant (i.e. US\$1.893 million x 200% = US\$3.786 million).
How the number of LTIP awards was calculated	<p>The proposed number of LTIP awards to be granted to Mike was calculated using the following formula:</p> <ul style="list-style-type: none"> – the maximum value of the LTIP grant (being US\$3.786 million) multiplied by – the US\$/A\$ exchange rate (being the average over the 12 months up to and including 30 June 2024, to convert the award value into Australian dollars) divided by – the average daily closing price of BHP shares traded on the ASX over the 12 months up to and including 30 June 2024, and – rounded down to the nearest whole number of awards. <p>The face value of US\$3.786 million was determined by considering Mike's total target remuneration, taking into account a number of factors, including the appropriate total remuneration for Mike's role and market competitiveness. The People and Remuneration Committee's independent adviser provided input.</p>
Performance conditions	<p>Vesting of Mike's LTIP awards is conditional on achieving five-year relative total shareholder return (TSR) performance conditions as set out below:</p> <ul style="list-style-type: none"> – 67% of Mike's LTIP awards will vest subject to BHP's TSR relative to the MSCI World Metals and Mining index TSR (Sector TSR) – 33% of Mike's LTIP awards will vest subject to BHP's TSR relative to the MSCI World index TSR (World TSR)
Testing of performance conditions	<p>Vesting of either TSR component of the LTIP occurs on a sliding scale between the 50th and 80th percentiles:</p> <ul style="list-style-type: none"> – full vesting (100% of each TSR component of the LTIP grant) occurs where BHP's TSR is at or exceeds the 80th percentile of the Sector TSR or the World TSR (as applicable) – threshold vesting (25% of each TSR component of the LTIP grant) occurs where BHP's TSR equals the 50th percentile (i.e. the median) of the Sector TSR or the World TSR (as applicable). <p>Where the TSR performance condition is not met, there is no retesting and LTIP awards will lapse. The People and Remuneration Committee considers the achievement against the pre-determined performance conditions and what is fair and commensurate to decide if the outcome should be varied.</p>
Vesting of LTIP awards	<p>On vesting, each LTIP award will entitle Mike to receive one share in BHP (unless the Board exercises its discretion to settle vested awards with a cash payment of equivalent value instead). Before vesting, the LTIP awards do not carry entitlements to ordinary dividends or other shareholder rights. A DEP is provided on vested LTIP awards in the form of either cash or additional shares. The DEP is calculated as the value of dividends that would have been received over the vesting period if Mike had held shares in BHP, and where shares are provided, the DEP amount is divided by the closing price of BHP shares on the date prior to vesting.</p> <p>The decision to vest LTIP awards is subject to the overriding discretion of the Board, which may adjust outcomes upwards or downwards (including to zero) if appropriate, even if the performance criteria has or has not been satisfied, including to better reflect shareholder expectations, to take into account the total value of the award at the time of any vesting, to account for personal or group performance or any other factor that the Board reasonably determines is appropriate to take into account in the circumstances. The Board may also impose dealing restrictions on any shares that vest.</p> <p>The vesting of LTIP awards is also subject to a satisfactory performance underpin, which encompasses a holistic review of performance at the end of the vesting period, including a review of safety and sustainability performance, profitability, cash flow, balance sheet health, returns to shareholders, corporate governance and conduct over the five-year period.</p>
Malus and clawback	<p>BHP's Incentive Plan Rules allow the Board to reduce or clawback LTIP awards (including any DEP) in a range of circumstances, including where the participant acts fraudulently or dishonestly, is in material breach of their obligations to BHP, or where vesting is not justified or supportable in the circumstances. The Board can also suspend or delay vesting until the outcome of any investigation is known.</p>
Cessation of employment	<p>On cessation of employment, for a 'good leaver', unvested LTIP awards generally remain on foot on termination and are pro-rated for the portion of the vesting period served and the balance will lapse, unless the Board decides otherwise. These awards are eligible for vesting in the ordinary course, subject to any applicable performance conditions. 'Good leaver' treatment may apply where the cessation of employment with BHP is due to retirement, retrenchment or redundancy or termination by mutual agreement, or such other circumstances that do not constitute resignation or termination for cause. If the participant is not a 'good leaver', all unvested LTIP awards will lapse, unless the Board decides otherwise.</p>
Change of control	<p>On a change of control event as defined in BHP's Incentive Plan Rules or on the divestment of a material business or subsidiary, the Board has discretion to determine the treatment of LTIP awards.</p>

Other information

There is no cost payable by Mike and no loan made by BHP to Mike in relation to the grant of the CDP or LTIP awards or the allocation of shares on vesting of the awards. Mike is the only Director (or associate of a Director) entitled to participate in the CDP and LTIP awards in the year ended 30 June 2024.

Details of Mike's current maximum total remuneration package are set out below. More details of Mike's remuneration are contained in the Remuneration Report, released in August 2024.

Remuneration component	Amount
Annual base salary	US\$1.893 million
Pension contribution	10% of annual base salary
CDP – cash	Maximum of 120% of annual base salary
CDP – two-year awards	Maximum of 120% of annual base salary
CDP – five-year awards	Maximum of 120% of annual base salary
LTIP – five-year awards	Maximum of 200% of annual base salary

BHP's Incentive Plan Rules were adopted in September 2023. A total of 86,212 awards were granted to Mike under the CDP scheme (at no cost) in 2023 as his deferred short-term incentive. 125,124 awards were granted to Mike under the LTIP scheme (at no cost) in 2023 as his long-term incentive.

If shareholder approval is obtained, the CDP and LTIP awards that are the subject of this approval will be granted to Mike following the AGM and prior to 30 October 2027. If shareholder approval is not obtained, the Board will consider alternative arrangements to appropriately remunerate and incentivise Mike.

Details of any securities issued under BHP's Incentive Plan Rules will be published in BHP's Remuneration Report, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under BHP's Incentive Plan Rules after the resolution in this Item is approved and who were not named in this Notice of Meeting will not participate until approval is obtained under that rule. For information on the CDP and LTIP refer to the Remuneration Report released in August 2024, available at bhp.com.

Voting exclusion statement

BHP will disregard any votes cast:

- in favour of Item 12 by or on behalf of Mike Henry, or his associates, regardless of the capacity in which the vote is cast; or
- on Item 12 as a proxy by a person who is a member of BHP's KMP on the date of the AGM or their closely related parties.

However, votes will not be disregarded if they are cast:

- as proxy or attorney for a person entitled to vote on Item 12 in accordance with a direction given to the proxy or attorney to vote on Item 12 in that way;
- by the Chair of the AGM as proxy for a person entitled to vote on Item 12, in accordance with an express authorisation to exercise undirected proxies as the Chair of the AGM decides; or
- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on Item 12; and
 - the holder votes on Item 12 in accordance with directions given by the beneficiary to the holder to vote in that way.

The Board, with Mike Henry abstaining, recommends shareholders vote in favour of this Item.

Item 13

2024 Climate Transition Action Plan

Item 13 is an advisory vote in relation to BHP's 2024 Climate Transition Action Plan (**2024 CTAP**). The 2024 CTAP is available at bhp.com/CTAP2024.

BHP has an important role to play in supporting the global transition to a net zero greenhouse gas emissions future. As the global population grows and urbanises and the world pursues decarbonisation and electrification, we are positioning our portfolio to increase our exposure to these trends.

The 2024 CTAP demonstrates our commitment to becoming a more sustainable and resilient business, which will help us to continue to generate long-term value for our shareholders, partners and other stakeholders. It provides an update on BHP's climate change strategy and builds on our 2021 Climate Transition Action Plan, which was approved by shareholders at our 2021 AGM.

Our 2024 CTAP explains our greenhouse gas emissions targets and goals, and provides an update on our progress and plans across the key aspects of our climate change strategy.

In particular, the 2024 CTAP includes:

- our position and performance in relation to our operational greenhouse emissions (Scopes 1 and 2 emissions from our operated assets) – the medium-term target and long-term net zero goal we have set to decarbonise how we operate
- our position and performance in relation to value chain greenhouse gas emissions (Scope 3 emissions) – the medium-term goals and long-term net zero targets and goal we have set to support efforts to reduce greenhouse gas emissions in our value chain
- our portfolio strategy in an evolving external environment and how we use a 1.5°C scenario analysis to test the resilience of our portfolio should global ambitions be realised in the future
- how we conduct our climate policy advocacy
- our approach to assessing physical climate-related risks and developing our potential adaptation responses
- equitable change and transition – our approach when there are major changes to our business and/or operations
- our approach to Board and management governance of climate-related risk and climate transition planning, Board skills and management's capability, and the link between the delivery of our climate change strategy and executive remuneration
- our approach to management of climate-related risk, both threats and opportunities
- how our Capital Allocation Framework is applied to determine the amount and timing of investment to progress our climate change strategy
- our approach to the use of carbon credits to offset greenhouse gas emissions.

We believe it is important for shareholders to have ongoing opportunities to engage with us on our climate change strategy and actions. In addition to the other avenues of engagement we provide on climate-related issues, this advisory vote is intended to provide a further opportunity for shareholder engagement on these matters as set out in our 2024 CTAP. Shareholders are not being asked to determine BHP's climate change strategy. The Board is responsible for our climate change strategy, acting in the best interests of BHP. The advisory vote is not binding but the Board will take the outcome of the vote and discussion at the meeting into account in continuing to determine how BHP progresses and evaluates the initiatives set out in the 2024 CTAP to advance BHP's climate change strategy.

The Board recommends shareholders vote in favour of this Item.

In this spirit, we ask shareholders and guests attending the AGM to be courteous and respectful to others. The Chair of the AGM reserves the right to ensure the meeting is conducted in this way.

Security measures will be in place to ensure your safety. Please note bag searches will be in operation and any large or inappropriate items may be required to be stored in the cloakroom until the end of the event.

This section provides information on participating and voting if you are a shareholder and hold your BHP Group Limited shares directly.

1. Am I eligible to vote at the AGM?

In accordance with Regulation 7.11.37 of the Corporations Regulations 2001 (Cth), registered holders of shares in BHP at 6:00pm (Brisbane time) on Monday 28 October 2024 are entitled to attend and vote at the AGM as shareholders. Share transfers registered after that time will be disregarded in determining entitlements to attend and vote at the AGM.

If more than one joint holder of shares is present at the AGM (personally or by proxy, attorney or representative) and tender a vote, only the vote of the joint holder whose name appears first on the register will be counted.

All Items of business set out in this Notice of Meeting will be decided by way of a poll. On a poll, shareholders have one vote for every fully paid ordinary share held (subject to the restrictions on voting set out in this Notice of Meeting).

2. How can I attend the AGM in person or watch the AGM online?

To attend in person, you must register at the AGM. Registration desks will be open from 9:00am (Brisbane time) and we ask you to arrive at least 30 minutes before the meeting starts to allow time to register.

The proxy form you receive with your Notice of Meeting has a personalised barcode, which can be scanned to register at the AGM. Bring your proxy form to the AGM to make the registration process simpler.

You can watch a live webcast online as a guest at bhp.com/agm. You will not be able to ask questions or vote online on the webcast facility.

3. How do I ask questions at the AGM?

Shareholders as a whole will have a reasonable opportunity to make comments and ask questions on the items of business in this Notice of Meeting at the AGM (including a reasonable opportunity to ask questions of BHP's Auditor). To make a comment or ask a question at the AGM, please follow the instructions we provide to shareholders on the day.

Please note there may not be enough time during the meeting to address all comments and questions.

4. How do I ask BHP questions before the AGM?

We encourage shareholders to ask questions or make comments in advance of the AGM online at bhp.com/agm by 5:00pm (Brisbane time) Wednesday 23 October 2024. During the AGM, the Chair of the AGM will seek to address the key themes raised by shareholders before the AGM. There may not be enough time during the meeting to address all questions or comments. Individual responses will not be sent to shareholders.

5. How do I ask BHP's Auditor questions before the AGM?

Shareholders can submit written questions to BHP's Auditor on the content of the Auditor's Report or conduct of its audit of the annual financial report for the year ended 30 June 2024. Shareholders can submit questions to BHP's Auditor before the AGM online at bhp.com/agm by 5:00pm (Brisbane time) Wednesday 23 October 2024. BHP's Auditor is not required to provide individual responses to shareholders.

6. How do I vote by proxy?

Appointing a proxy

Shareholders entitled to attend and vote at the meeting can appoint a proxy to attend and vote for them. The proxy does not need to be a shareholder and can be an individual or a body corporate.

Shareholders holding two or more shares can appoint either one or two proxies. If two proxies are appointed, the appointing shareholder can specify the proportion or number of votes that each proxy can exercise. If no proportion or number is specified, each proxy can exercise half the shareholder's votes.

Shareholders who wish to indicate how their proxy should vote should mark the appropriate boxes on the proxy form. If a proxy is not directed how to vote on an Item of business, or if any resolution other than those specified in this Notice of Meeting is proposed at the AGM, the appointing shareholder is authorising the proxy to vote as they decide, subject to any applicable voting exclusions.

Shareholders who return their proxy forms with a direction on how to vote but do not nominate the identity of their proxy will be taken to have appointed the Chair of the AGM as their proxy to vote on their behalf.

Participating and Voting continued

Proxy voting on Items 11 and 12

BHP's KMP (which includes each of the Directors and executives named in BHP's 2024 Remuneration Report) and their closely related parties will not be able to vote as proxy on Items 11 and 12 unless you direct them how to vote (or if the Chair of the AGM is your proxy – refer to the next paragraph). If you appoint any of those people as your proxy, you should direct them how to vote on Items 11 and 12, otherwise they will not be able to cast a vote as your proxy on the relevant Item.

If you appoint the Chair of the AGM as your proxy, you can direct the Chair of the AGM how to vote. If you appoint the Chair of the AGM as your proxy, or the Chair of the AGM is appointed as your proxy by default, but you do not direct the Chair how to vote (by marking a box next to Item 11 and 12) by signing and submitting the proxy form, you expressly authorise the Chair of the AGM to vote as they decide in respect of the relevant Item, even though the Items are connected with the remuneration of BHP's KMP.

Proxy voting on a poll

All Items will be decided by poll. On a poll, any directed proxies that are not voted at the meeting will automatically default to the Chair of the AGM, who is required to vote proxies as directed.

Note that for proxies without voting instructions that are exercisable by the Chair of the AGM, the Chair of the AGM intends to vote all available proxies in favour of Items 2 to 13.

7. How do I submit a proxy form?

To appoint a proxy, submit the proxy form no later than 10:00am (Brisbane time) on Monday 28 October 2024.

BHP encourages you to register your voting or proxy instructions online ahead of the meeting, even if you are planning to attend in person. Proxy instructions can be lodged online via the Share Registry website at www.investorvote.com.au. Only registered BHP shareholders may access this facility.

Alternatively you may:

- hand deliver or post to BHP Share Registrar Computershare Investor Services Pty Limited – Yarra Falls, 452 Johnston Street, Abbotsford VIC 3067. Postal address: GPO Box 782, Melbourne VIC 3001 Australia
- fax to 1800 783 447 (within Australia) or +61 3 9473 2555 (outside Australia)
- for Intermediary Online users only (custodians): submit at intermediaryonline.com

8. I am a representative of a corporate shareholder. How can I attend and vote?

A body corporate that is a shareholder or has been appointed as a proxy may appoint an individual to act as its representative at the AGM. The appointment must comply with the requirements of section 250D of the Corporations Act.

The representative should bring evidence of their appointment to the AGM, including any authority that it was signed under, unless it has previously been given to BHP.

9. I have a power of attorney from a shareholder. How can I attend and vote?

A shareholder entitled to attend and vote may appoint an attorney to act on their behalf at the AGM. The attorney does not need to be a shareholder.

Attorneys must submit the instrument appointing the attorney and the authority that the instrument is signed under or a certified copy of the authority, in the same way and by the same time as outlined for proxy forms, unless it has previously been given to BHP.

10. If I hold shares through BHP Shareplus, how do I vote?

The Shareplus administrator will provide information on how to vote at the AGM. You must submit your vote by 10:00am (Brisbane time) Monday, 21 October 2024.

11. I am not a shareholder. How can I attend or watch the meeting?

Non-shareholders (who are not proxy holders, corporate representatives or attorneys) may be admitted to the AGM at the discretion of BHP as guests, and are requested to register by 5:00pm (Brisbane time) Tuesday 29 October 2024 by emailing their details to BHPAGMattendance@computershare.com.au.

Non-shareholders may watch the live webcast online at bhp.com/agm. You will not be able to ask questions or vote online on the webcast facility.
