## 1 Financial statements and reports

To receive and consider the financial statements, Directors' report and auditor's report as contained in the Company's annual report for the financial year ended 30 June 2024.

## 2 Remuneration Report

To consider and, if thought fit, pass the following resolution as an ordinary resolution:

"To adopt the Remuneration Report for the financial year ended 30 June 2024."

### Voting exclusion statement for item 2:

The Company will disregard any votes cast on item 2:

- by or on behalf of a member of the Company's Key Management Personnel (**KMP**) whose remuneration details are included in the Remuneration Report (or their Closely Related Parties) in any capacity; or
- by any person who is a KMP on the date of the AGM (or their Closely Related Parties) as proxy, unless the votes are cast as proxy for a person entitled to vote on item 2:
  - in accordance with a direction on the proxy form; or
  - by the Chair of the AGM in accordance with an express authorisation to exercise the proxy even if the item is connected directly or indirectly with the remuneration of a member of the KMP.

## 3 Election and Re-election of Directors

### (a) Election of Christa Lenard

To consider and, if thought fit, pass the following resolution as an ordinary resolution:

"That Christa Lenard, a Director appointed in accordance with clause 15.1(f) of the Company's Constitution and, being eligible, offers herself for election, be elected as a Director."

### (b) Re-election of Deborah Beale

To consider and, if thought fit, pass the following resolution as an ordinary resolution:

"That Deborah Beale who retires from the office of Director by rotation and, being eligible, offers herself for re-election, be re-elected as a Director."

### (c) Re-election of Andrew Chambers

To consider and, if thought fit, pass the following resolution as an ordinary resolution:

"That Andrew Chambers who retires from the office of Director by rotation and, being eligible, offers himself for re-election, be re-elected as a Director."

#### 4 Renewal of the Omnibus Incentive Plan

To consider and, if thought fit, pass the following resolution as an ordinary resolution:

“That, for the purposes of ASX Listing Rule 7.2 exception 13(b), Chapter 2D.2 of the Corporations Act and for all other purposes, approval is given for the renewal of the Omnibus Incentive Plan (the terms of which are summarised in the Explanatory Notes) and future issues of Awards and Shares under the Omnibus Incentive Plan.”

##### **Voting exclusion statement for item 4:**

The Company will disregard any votes cast in favour of item 4 by, or on behalf of, any person who is eligible to participate in the Omnibus Incentive Plan, or any of their associates.

However, the Company need not disregard a vote cast in favour of item 4 if it is cast by:

- (a) a person as proxy or attorney for a person who is entitled to vote on item 4, in accordance with directions given to the proxy or attorney to vote on item 4 in that way; or
- (b) the person chairing the meeting as proxy or attorney for a person who is entitled to vote on item 4, in accordance with a direction given to the Chair to vote on item 4 as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
  - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the item; and
  - the holder votes on this item 4 in accordance with directions given by the beneficiary to the holder to vote in that way.

It is noted that, in accordance with section 250BD(2) of the Corporations Act, a vote must not be cast on item 4 as a proxy by a member of the KMP at the date of the AGM, or a Closely Related Party of such a member, unless it is cast as proxy for a person where the proxy form specifies the way the proxy is to vote on the item. This restriction on voting undirected proxies does not apply to the Chair where the proxy form expressly authorises the Chair to exercise undirected proxies even if the item is connected, directly or indirectly, with the remuneration of the KMP. The Chair intends to exercise undirected proxies in favour of item 4.

#### 5 Issue of shares to Andrew Chambers under the Omnibus Incentive Plan

To consider and, if thought fit, pass the following resolution as an ordinary resolution:

“That, subject to the passing of resolutions 3(c) and 4, for the purposes of Listing Rule 10.14 and for all other purposes, approval is given for the issue of fully paid ordinary shares in the Company to Andrew Chambers (or his nominee) under the Omnibus Incentive Plan as described, and on the terms set out, in the Explanatory Notes.”

##### **Voting exclusion statement for item 5:**

The Company will disregard any votes cast in favour of item 5 by or on behalf of any person referred to in ASX Listing Rules 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the Omnibus Incentive Plan (including, without limitation Andrew Chambers), or any of their associates.

However, the Company need not disregard a vote cast in favour of item 5 if it is cast by:

- (a) a person as proxy or attorney for a person who is entitled to vote on item 5, in accordance with directions given to the proxy or attorney to vote on item 5 in that way; or
- (b) the person chairing the meeting as proxy or attorney for a person who is entitled to vote on item 4, in accordance with a direction given to the Chair to vote on item 5 as the Chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
  - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the item; and
  - the holder votes on this item 5 in accordance with directions given by the beneficiary to the holder to vote in that way.

It is noted that, in accordance with section 250BD(2) of the Corporations Act, a vote must not be cast on item 5 as a proxy by a member of the KMP at the date of the AGM, or a Closely Related Party of such a member, unless it is cast as proxy for a person where the proxy form specifies the way the proxy is to vote on the item. This restriction on voting undirected proxies does not apply to the Chair where the proxy form expressly authorises the Chair to exercise undirected proxies even if the item is connected, directly or indirectly, with the remuneration of the KMP. The Chair intends to exercise undirected proxies in favour of item 5.

The Chair will put resolutions 2 to 5 to a poll at the meeting. Voting results on the resolutions that are put to the meeting (including the relevant proxy votes) will be announced to the ASX as soon as practicable after the meeting.

## Direct voting before the meeting

To be valid, direct vote instructions must be received by Computershare or the Company by 9.00am (AEDT) on Wednesday 23 October 2024.

Shareholders may submit their direct vote instructions by:

- visiting the following link: [www.investorvote.com.au](http://www.investorvote.com.au) and entering their SRN or HIN, postcode and Control Number, as listed on the voting form;

## Appointment of Proxies

A Shareholder who is entitled to attend and vote at the meeting has a right to appoint up to 2 proxies to attend and vote for the Shareholder at the meeting. A proxy need not be a Shareholder.

To be valid, proxy vote instructions must be received by Computershare by 9.00am (AEDT) on Wednesday 23 October 2024.

Shareholders may submit their proxy vote instructions by:

- visiting the following link: [www.investorvote.com.au](http://www.investorvote.com.au) and entering their SRN or HIN, postcode and Control Number, as listed on the proxy form;
- returning their hard copy proxy form (if applicable) by post to GPO Box 242 Melbourne VIC 3001;
- faxing their hard copy proxy form (if applicable) to 1800 783 447 (within Australia) or +61 3 9473 2555 (outside Australia).

Where a Shareholder appoints two proxies, the appointment may specify the proportion or number of votes which each proxy may exercise. If the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, then each proxy may exercise half of those votes.

If a proxy is instructed to abstain from voting on a resolution, they must not vote on the Shareholder's behalf, and any vote will not be counted.

If a Shareholder appoints someone as their proxy (other than the Chair) and directs them on how to vote, the Chair must cast those proxy votes on the Shareholder's behalf on a poll if the proxy does not do so.

If a Shareholder appoints the Chair as their proxy (or if he is appointed by default), and no direction is provided in relation to a resolution, the Shareholder will be expressly authorising the Chair to exercise their proxy as the Chair sees fit in relation to that resolution, including the adoption of the Remuneration Report (resolution 2), the renewal of the Omnibus Incentive Plan (resolution 4) and the issue of shares to Andrew Chambers (resolution 5) even though those resolutions are connected directly or indirectly with the remuneration of the Company's KMP.

If a Shareholder appoints a Director (other than the Chair) or another member of the Company's KMP or their Closely Related Parties as their proxy, the Shareholder must specify how they should vote on resolutions 2, 4 and 5 by completing the "For", "Against" or "Abstain" boxes on the proxy form. If the Shareholder does not, the proxy will not be able to exercise the Shareholder's vote for that resolution. Further instructions on appointing proxies are available on the proxy form.

A written proxy appointment must be signed by the Shareholder or the Shareholder's attorney. Where the appointment is signed by the appointor's attorney, a certified copy of the authority, or the authority itself, must be returned in the same manner, and by the same time, as the proxy vote instructions.

**Undirected Proxies**

The Chair intends to vote all available undirected proxies in favour of all resolutions.

**Corporate representative**

A Shareholder who is a body corporate and who is entitled to attend and vote at the meeting, or a proxy who is a body corporate and who is appointed by a Shareholder entitled to attend and vote at the meeting, may appoint a person to act as its representative at the meeting by providing that person with:

- (a) a letter or certificate, executed in accordance with the body corporate's constitution, authorising the person as the representative; or
- (b) a copy of the resolution, certified by the secretary or a director of the body corporate, appointing the representative.

**Questions for the Directors or Auditor**

Shareholders may submit written questions to the Directors of the Company on any matter relating to the business of the Company or to the Company's auditor, PricewaterhouseCoopers, if the question is relevant to the content of PricewaterhouseCoopers' audit report for the year ended 30 June 2024, the accounting policies adopted by the Company in relation to the preparation of the financial statements of the Company or the independence of the auditor in relation to the conduct of the audit.

Relevant written questions must be received by the Company by 9.00am (AEDT) Friday 18 October 2024.

**Technical difficulties** Technical difficulties may arise during the course of the AGM which may impact Shareholders attending online. The Chair has discretion as to whether and how the meeting should proceed in the event that a technical difficulty arises. In exercising his discretion, the Chair will have regard to the number of Shareholders impacted and the extent to which participation in the business of the meeting is affected.

Where the Chair considers it appropriate, the Chair may continue to hold the meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions.

For this reason, Shareholders are encouraged to submit their voting instructions before the meeting to Computershare so that they are received by 9.00am (AEDT) on Wednesday 23 October 2024.

# Explanatory Notes

## Item 1: Financial statements and reports

In accordance with the Corporations Act, the financial report, Directors' report and auditor's report for the year ended 30 June 2024 will be put before the meeting. These reports are contained in the Company's 2024 annual report and can be accessed on the Company's website at <https://pinnacleinvestment.com/shareholders/>.

This item does not require a formal resolution and, accordingly, no vote will be held on this item. Shareholders will be given a reasonable opportunity to ask questions in relation to these reports during discussion on this item. Please see "Information for Shareholders – Questions for the auditor" in relation to any questions that Shareholders would like to submit to the Company's auditor.

## Item 2: Remuneration Report

Shareholders are asked to adopt the Remuneration Report for the financial year ended 30 June 2024. The Remuneration Report forms part of the Directors' report in the Company's 2024 annual report which is available on the Company's website.

The Remuneration Report outlines the Company's remuneration strategy and objectives and provides details of Board and KMP remuneration received during the financial year. The Company's remuneration strategy seeks to attract and retain talented executives and employees and to align their interests with Shareholders by rewarding them competitively and incentivising them to deliver superior long term results for Shareholders. The Company's remuneration strategy for non-executive Directors is to remunerate them appropriately for their time, expertise and insight into strategic and governance issues, and to ensure the Company is able to attract and retain experienced and qualified Directors.

Under the Corporations Act, the vote on this resolution is advisory only and does not bind the Board or the Company. However, the Company values Shareholders' feedback.

A voting exclusion applies to this resolution, as set out earlier in this Notice.

### **Recommendation**

The Board unanimously recommends that Shareholders vote in favour of adopting the Remuneration Report. The Chair intends to vote all available proxies in favour of this resolution.

## Item 3: Election and Re-election of Directors

Under the Constitution, any Director appointed by the Directors holds office only until the end of the next following general meeting and is eligible for re-election at that meeting. Ms Christa Lenard was appointed as a Director by the Directors effective from 2 August 2024. Accordingly, Ms Lenard is required to stand for re-election at this year's AGM.

The Constitution also requires that one third of the Directors eligible for rotation (being all Directors other than the Managing Director and any Director appointed as a casual vacancy) stand for re-election every three years. The Directors to retire by rotation at each AGM are those who have been longest in office since their election or last re-election. As the Company currently has four Directors eligible for rotation, two Directors are required to retire from office at this year's AGM.

## Christa Lenard

As noted above, Ms Christa Lenard is required to stand for re-election at this year's AGM.

A summary of Ms Lenard's qualifications and experience is detailed below.

Ms Lenard specialises in employment and workplace law, with a practice that spans both the public and private sectors. She has 20 years' experience in advising and representing clients on a wide range of contentious and non-contentious employment law matters, including discrimination law, industrial disputation, enterprise bargaining, day to day employment law advisory, managing psychosocial welfare and organisational change, workplace investigations and alternative dispute resolution. She is a trusted advisor to many government agencies and works with clients across a range of industries, including banking and financial services, health and aged care, maritime and logistics, technology and the amusement industry.

### **Recommendation**

The Board (other than Christa Lenard) recommends that Shareholders vote in favour of the proposed resolution. The Chair intends to vote available proxies in favour of this resolution.

## **Deborah Beale AM**

Ms Deborah Beale is retiring by rotation at this year's AGM in accordance with the Constitution and will be offering herself for re-election.

A summary of Ms Beale's qualifications and experience is detailed below.

Ms Beale began her working career in the finance industry where she was employed by Merrill Lynch for over a decade. She then moved to Ernst & Young where she specialised in risk management, governance and public and government relations.

Ms Beale also served and continues to serve on a number of government, public, private and not-for-profit boards. Her broad experience includes the areas of finance, corporate governance, risk management, government and public relations.

Ms Beale is the Chair of the Melbourne Convention Bureau and a director of Visit Victoria. She has a Bachelor of Commerce from the University of Melbourne, a Graduate Diploma from the Securities Institute of Australia and a Master of Business Administration from Melbourne Business School.

### **Recommendation**

The Board (other than Deborah Beale) recommends that Shareholders vote in favour of the proposed resolution. The Chair intends to vote available proxies in favour of this resolution.

## **Andrew Chambers**

Mr Andrew Chambers is retiring by rotation at this year's AGM in accordance with the Constitution and is offering himself for re-election.

A summary of Mr Chambers' qualifications and experience is detailed below.

Mr Chambers was appointed Executive Director of the Company on 1 September 2016 and is Head of Institutional and International Distribution. He has been a senior executive since he commenced with the Company in March 2008.

Mr Chambers has extensive multi-channel (retail, wholesale and institutional) and multi-jurisdictional distribution experience and is currently responsible for leading the firm's institutional and international distribution divisions. He previously worked for Legg Mason, one of the world's largest, multi-affiliate investment management firms and has a Bachelor of Arts (Honours) from the University of Melbourne, a Master of Science in International Relations from the London School of Economics and Political Science and a Graduate Diploma of Applied Finance and Investment from Kaplan Professional.

Mr Chambers is also a director of the following Pinnacle Affiliates: Five V, Metrics, Plato and Riparian.

### **Recommendation**

The Board (other than Andrew Chambers) recommends that Shareholders vote in favour of the proposed resolution. The Chair intends to vote available proxies in favour of this resolution.

## **Item 4: Renewal of the Omnibus Incentive Plan**

The most important part of the Group's business is its people. These people have elected to work within the Group's business model and culture which is held fundamental to the Company's recent growth. The Board remains determined to sustain an environment that promotes the continuation of the success of the business and believes that this is inextricably linked to its ability to attract and retain a consistently high quality management team, operating in a flexible and entrepreneurial environment, within which individual behaviours and interests of the leadership of the executive group are directly aligned with external Shareholders through common long term equity ownership. This philosophy has been applied to the Company since its foundation in 2006.

The Plan constitutes a set of long term incentive arrangements that provides the ability to offer options, performance rights (each an **Award**) and loan funded shares (**Loan Shares**) to employees and was first approved by Shareholders at the Company's 2018 Annual General Meeting on 18 October 2018. The Company is seeking approval to renew the Plan in accordance with ASX Listing Rule 7.2 (exception 13(b)), section 200B of the Corporations Act. A summary of the Plan is set out in Schedule 1.

Since the date of last approval on 26 October 2021, the following have been issued under the Plan:

- (a) 3,034,500 Loan Shares have been issued of which 487,500 have been bought back due to forfeitures in accordance with the Plan rules;
- (b) 992,500 options are currently on issue in accordance with the Plan rules.

The maximum number of securities proposed to be issued under the Plan following approval (together with the number of securities issued at any time during the previous 3 year period as at the relevant issue date) will be five percent (5%) of the Company's total issued share capital which, as at the date of this notice, is 10,155,574.<sup>1</sup>

### **Regulatory Requirements – ASX Listing Rules**

Listing Rule 7.1 provides that a company must not, without shareholder approval, subject to certain exceptions, issue during any 12-month period any Equity Securities, if the number of those securities exceeds 15% of the number of securities in the same class on issue at the commencement of that 12-month period.

Under Exception 13(b) in Listing Rule 7.2, shareholders may approve the issue of Equity Securities as an exception to Listing Rule 7.1. If such approval is obtained, Listing Rule 7.1 does not apply to an issue of Equity Securities in a company within three years of the approval.

Exception 13(b) is only available to the Company if and to the extent that the number of Equity Securities issued under the Plan does not exceed the maximum number set out in the Company's notice of meeting dispatched to Shareholders in respect of the meeting at which Shareholder approval is obtained pursuant to ASX Listing Rule 7.2 (exception 13(b)). Exception 13(b) of ASX Listing Rule 7.2 also ceases to be available if there is a material change to the terms of the Plan from those set out in the notice of meeting.

If this Resolution 4 is passed at the AGM, any Equity Securities issued under the Plan in the course of the next three years will be excluded from the Company's 15% limit for the purpose of Listing Rule 7.1 and for the purposes of the additional 10% Placement capacity under Listing Rule 7.1A. Accordingly, the Company will be able to issue Equity Securities to eligible participants under the Plan over a period of three years without impacting the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period.

If this Resolution 4 is not passed and if the Board decides to issue any Equity Securities under the Plan (notwithstanding the non-approval), any Equity Securities issued will be included in calculating the Company's capacity under Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

### **Regulatory Requirements – Chapter 2D.2 of the Corporations Act**

Under Chapter 2D.2 of the Corporations Act, a company may only give a person a benefit in connection with ceasing to hold a managerial or executive office in the company or a related body corporate if the giving of the benefit is approved by shareholders or a statutory exemption applies.

For example, under the terms of the Plan, the Board possesses the discretion to determine that, upon the participant ceasing employment or office, some or all of the vesting conditions of the participant's unvested Awards will be waived in circumstances where the Awards would have otherwise lapsed with the cessation of employment or office.

The exercise of this discretion by the Board may constitute a "benefit" for the purposes of Chapter 2D.2 of the Corporations Act (and Listing Rule 10.19). The Company is therefore seeking refreshed Shareholder approval for the exercise of the Board's discretion in respect of any future participant in the Plan.

The approval, if obtained, is intended to facilitate the Board's discretion to determine termination benefits (if any) that may be awarded and does not of itself guarantee that any person will receive such termination benefits.

---

<sup>1</sup> Section 1100V of the Corporations Act

The value of any benefit relating to Awards and/or Loan Shares granted under the Plan that may be given to a person in connection with ceasing to hold a managerial or executive office cannot be presently ascertained. However, matters, events and circumstances that will, or are likely to, affect the calculation of that value include:

- (a) the date when, and the circumstances in which, the person ceases employment or office;
- (b) the number of unvested Awards and/or Loan Shares held by the person prior to cessation of employment or office;
- (c) the number of unvested Awards and/or Loan Shares that the Board has determined will vest (which could be all of the unvested Shares held by the person); and
- (d) the market price of the Loan Shares on ASX on the date of vesting.

If approval of resolution 4 is obtained, it will be effective for the purposes of Chapter 2D.2 of the Corporations Act for three years from the date that the resolution is passed.

A voting exclusion applies to this resolution, as set out earlier in this Notice.

### **Recommendation**

As all Directors are either current or potential participants under the Plan, no recommendation is made by the Directors on how to vote in respect of the resolution in item 4.

The Chairman intends to vote all available undirected proxies in favour of all resolutions in item 4.

A voting exclusion statement is included in this Notice in relation to item 4.

## **Item 5: Issue of shares to Andrew Chambers under the Omnibus Incentive Plan**

The Company is seeking approval to make a grant of fully paid ordinary shares acquired with a loan provided by the Group (**Loan Shares**) to executive Director, Mr Chambers under the Plan.

This approval is sought for the purposes of Listing Rule 10.14 and for all other purposes.

The Board considers it highly desirable that the interests of executives are aligned to the interests of Shareholders through the grant of Equity Securities to them.

Shareholder approval is being sought in resolution 5 to grant 100,000 Loan Shares under the Plan to Mr Chambers. These Loan Shares form part of the Company's FY24 remuneration program and are proposed to be issued (subject to Shareholder approval) on the same terms as the long term incentive grants issued to all other staff, except that the issue price will be determined after the receipt of Shareholder approval (noting that the price of grants are based on the volume weighted average price for the five trading days immediately prior to the issue date).

### **Regulatory Requirements – ASX Listing Rules**

Listing Rule 10.14 provides that a listed entity must not permit any of the following persons to acquire securities under an employee incentive scheme without shareholder approval:

- 10.14.1 a director of the listed entity;
- 10.14.2 an associate of a director; or
- 10.14.3 a person whose relationship with the listed entity or a person referred to in 10.14.1 or 10.14.2 above is such that, in ASX's opinion, the acquisition should be approved by shareholders.

If approval is given by shareholders under Listing Rule 10.14 in relation to a grant of securities, separate shareholder approval is not required under Listing Rule 10.11 for that grant.

The Plan provides that Loan Shares granted under the Plan may be fulfilled by the issue of new shares, the acquisition of shares (whether on-market or off-market) or the allocation of shares within an employee share trust. Resolution 5 is being put to Shareholders to preserve the flexibility for the Company to undertake such fulfilment in any manner it sees fit at the relevant time (including the issue of shares).

In accordance with Listing Rule 10.15, the following information is provided to Shareholders in relation to resolution 5:

<b>Current total remuneration package</b>	<p><b>Base salary:</b> \$510,000 per annum, inclusive of superannuation.</p> <p><b>Short Term Incentive (STI):</b> Eligible to receive up to 100% of base salary (inclusive of superannuation) dependent on meeting business and strategic objectives. <p>The EPS during a financial year will be determined by the Board and will be measured by reference to the Group's underlying net profit after tax for that year, divided by the weighted average number of shares on issue across that year. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of Equity Securities under the Plan after the resolution is approved and who were not named in this Notice will not participate until approval is obtained under Listing Rule 10.14.

If Shareholders do not approve resolution 5, the Loan Shares will not be granted to Mr Chambers and an alternative method to adequately remunerate Mr Chambers for his services to the Company will be required.

**Regulatory Requirements – Chapter 2E of the Corporations Act**

Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties by a public company. Section 208 of the Corporations Act prohibits a public company giving a financial benefit to a related party unless one of a number of exceptions apply.

Under the Corporations Act, a director of a company is a related party of that company. As Mr Chambers is an executive Director, financial benefits will be given by the Company when the Loan Shares are granted to him.

Section 211 of the Corporations Act provides an exception to the prohibition in section 208 of the Corporations Act where the financial benefit is given to the related party as an officer of the Company and to give the remuneration would be reasonable given the circumstances of the Company and the related party's circumstances (including the responsibilities involved in the office or employment) (**Reasonable Remuneration Exemption**).

It is the view of the Directors that the proposed grant of Loan Shares to Mr Chambers (as contemplated by resolution 5) fall within the Reasonable Remuneration Exemption given the circumstances of the Company and the position held by Mr Chambers.

Accordingly, the Directors have determined not to seek Shareholder approval for the purposes of section 208 of the Corporations Act for the grant of Loan Shares contemplated by resolution 5.

**Regulatory Requirements – Financial Assistance in relation to the grant of Loan Shares**

Section 260A of the Corporations Act provides that a company may financially assist a person to acquire shares in the company, only if:

- (a) giving the assistance does not materially prejudice:
  - (i) the interests of the company or its shareholders; or
  - (ii) the company's ability to pay its creditors; or
- (b) the assistance is approved by shareholders under section 260B; or
- (c) the assistance is exempted under section 260C.

The proposed offer of a limited recourse loan to Mr Chambers to fund the grant price of his Loan Shares will constitute the provision of financial assistance.

The Board has determined for the purposes of section 260A(1)(a) of the Corporations Act that giving the financial assistance in relation to the grant of Loan Shares contemplated by resolution 5 will not materially prejudice the interests of the Company or its shareholders or the Company's ability to pay its creditors. Accordingly, the approval of Shareholders to the abovementioned financial assistance under section 260B of the Corporations Act is not being sought.

**Recommendation**

The Board (other than Mr Chambers) recommends that Shareholders vote in favour of the proposed resolution in item 5.

The Chair intends to vote all available undirected proxies in favour of all resolutions in item 5.

A voting exclusion statement is included in this Notice in relation to item 5.
