**The Board unanimously recommends that Securityholders vote in favour of this non-binding resolution.**

## Items 3(a) to 3(c) – Re-election and election of Directors of the Company

Under rule 9.1(d) of the Company's constitution, no Director (excluding the Managing Director) may hold office without re-election beyond the third AGM following the meeting at which the Director was elected or last re-elected. Accordingly, Tim Hammon and Janette Kendall will retire at the AGM and offer themselves for re-election.

In addition, the Board has nominated Angus McNaughton (who is a representative of The Gandel Group), for election as a Non-executive Director at the AGM in accordance with clause 9.1(j)(2) of the Company's constitution.

Information on each Director candidate seeking re-election or election is set out below.

Vicinity considers that all information that Securityholders would consider relevant to a decision whether to elect or re-elect each Director is contained in this Notice.

## Item 3(a) – Re-election of Tim Hammon as a Director of the Company

**Tim Hammon**

BCOM, LLB, MAICD

**Independent Non-executive Director**

*Appointed December 2011*

*Last re-elected as a Director by securityholders on 10 November 2021*

Tim Hammon has extensive wealth management, property services and legal experience.

Mr Hammon was previously Chief Executive Officer of Mutual Trust Pty Limited and worked for Coles Myer Ltd reporting to the Chief Executive Officer in a range of senior executive roles including Chief Officer, Corporate and Property Services with responsibility for property development, leasing and corporate strategy. He was also Managing Partner of various offices of the law firm previously known as Mallesons Stephen Jaques.

Mr Hammon is the Chairman of the Risk, Compliance and ESG Committee and a member of the Remuneration and Human Resources Committee and Nominations Committee.

Mr Hammon is also the Chairman and a member, respectively, of the advisory boards of Pacific Group of Companies and of Liuzzi Property Group, a Director of EQT Holdings Limited and an advisor to EMT Partners Pty Ltd.

<b>Current Listed Directorships</b>	EQT Holdings Limited (since 2018)
-------------------------------------	-----------------------------------

<b>Past Listed Directorships (last three years)</b>	Nil
---	-----

In supporting his re-election, the Board notes the broad perspective Mr Hammon brings to all deliberations, and the valuable knowledge and insights gained throughout his career, which includes extensive experience in law, property development, leasing and strategy. Mr Hammon makes a significant contribution as a Director, including through his roles as Chairman of the Risk, Compliance and ESG Committee and a member of the Remuneration and Human Resources Committee and Nominations Committee.

## Explanatory memorandum

### Additional information regarding Tim Hammon's re-election

The Board has considered Mr Hammon's independence, having regard to his tenure, and is satisfied that he remains independent. In making this determination, the Board has had regard to Mr Hammon's conduct throughout his tenure and the independence of thought that he brings to bear on all issues before the Board. The Board has also considered the current range of Directors' tenures and, given that half of the Directors have joined Vicinity since 2022, there is value in retaining Mr Hammon's depth of experience and historical knowledge.

In relation to the disclosure that Mr Hammon has been a Director of Vicinity Centres for over 12 years (since December 2011), we note that this is calculated with reference to his appointment to the Board of Federation Centres which merged with Novion Property Group on 11 June 2015 to form Vicinity Centres. The Board considers that, from that date, for all practical purposes, the merged entity became a new organisation and Federation Centres and Novion Property Group both ceased to exist, noting that Vicinity Centres and its leadership team are distinct from each of the two entities which merged to create it. However, technically, for legal and accounting purposes, Federation Limited (now called Vicinity Limited), of which Mr Hammon was a director prior to the merger, became and remains the deemed parent entity of Vicinity Centres.

While Mr Hammon's board tenure is disclosed as being calculated from his date of appointment to the Federation Limited board on 15 December 2011, the Board considers that, in substance and for governance purposes, his tenure should be calculated from 11 June 2015, being the date of the merger, which would result in a calculation of nine years' tenure at Vicinity Centres as at the date of this Notice.

Notwithstanding, the Board takes issue with any automatic assessment of a director as non-independent solely on the basis of tenure and in the absence of any other substantive factors that indicate the director is unable to bring an independent judgement to bear on issues before the Board and act in the best interests of Vicinity as a whole rather than in the interests of an individual securityholder or other party.

**The Board (with Mr Hammon abstaining) unanimously recommends that Securityholders vote in favour of the re-election of Tim Hammon as an Independent Director.**

### Item 3(b) – Re-election of Janette Kendall as a Director of the Company

#### Janette Kendall

BBUS MARKETING, FAICD

#### Independent Non-executive Director

Appointed December 2017

Last elected as a Director by securityholders on 10 November 2021

Janette Kendall has significant expertise in strategic planning, digital innovation, marketing, operations and leadership across a number of industry sectors including digital and technology, marketing and communications, media, retail, fast moving consumer goods, hospitality, gaming, property and manufacturing.

Ms Kendall's executive experience, both in Australia and China, includes Senior Vice President of Marketing at Galaxy Entertainment Group, China, Executive General Manager of Marketing at Crown Resorts, General Manager and Divisional Manager roles at Pacific Brands, Executive Director at Singleton Ogilvy & Mather, CEO of emitch Limited, and Executive Director of Clemenger BBDO.

Ms Kendall is a member of the Remuneration and Human Resources Committee and the Risk, Compliance and ESG Committee.

Ms Kendall is also a Director of Tabcorp Holdings Limited, Melbourne Football Club, KM Property Funds, and Chair of the Advisory Board of WeAre8. Ms Kendall was previously a Director of the Costa Group.

<b>Current Listed Directorships</b>	Tabcorp Holdings Limited (since 2021)
<b>Past Listed Directorships (last three years)</b>	Costa Group (from 2016 to 2024)

In supporting her re-election, the Board notes Ms Kendall's valuable knowledge and insights from her broad career, including extensive experience in strategic planning, digital innovation, marketing and operations, and diverse board experience. Ms Kendall makes a significant contribution as a Director, including through her roles as a member of the Remuneration and Human Resources Committee and the Risk, Compliance and ESG Committee.

**The Board (with Ms Kendall abstaining) unanimously recommends that Securityholders vote in favour of the re-election of Janette Kendall as an Independent Director.**

### Item 3(c) – Election of Angus McNaughton as a Director of the Company

**Angus McNaughton**  
BMS (Hons), FAPI, GAICD

Angus McNaughton, has been nominated to replace Clive Appleton on the Board as a Non-executive Director and representative of The Gandel Group.

The Board considers Mr McNaughton, if elected, would not be an independent Director as he is connected with The Gandel Group, a substantial Securityholder of Vicinity.

Mr McNaughton is an experienced Director and CEO, with more than 30 years in director and leadership positions within the listed and unlisted real estate markets in Australia, Singapore and New Zealand. Mr McNaughton has extensive real estate experience across all investment, development and asset management functions.

Mr McNaughton was previously a Non-executive Director of The GPT Group, the CEO and Managing Director of Vicinity Centres (2015 to 2017), and CEO and Managing Director of Novion Property Group, and held a number of senior roles with Colonial First State Global Asset Management.

Mr McNaughton is currently a Director of The Gandel Group and a real estate advisor to the industry super fund, Retail Employees Superannuation Trust.

<b>Current Listed Directorships</b>	Nil
<b>Past Listed Directorships (last three years)</b>	The GPT Group (from 2018 to 2022)

In supporting his election, the Board notes Mr McNaughton's extensive executive career, including as a CEO, substantial experience in the property sector and deep understanding of Vicinity's business which will complement the other skills and experience on the Board following the retirement of Clive Appleton. The Board also notes the benefit to all Securityholders of having appropriate representation of the largest Securityholder and co-owner of Vicinity's largest asset, Chadstone, on the Board. Appropriate background checks were completed before the Board nominated Mr McNaughton for election at this meeting and those checks did not reveal any information of concern.

**The Board unanimously recommends that Securityholders vote in favour of the election of Angus McNaughton as a Director.**

### Item 4 – Approval of equity grant to CEO and Managing Director

ASX Listing Rule 10.14 requires that Securityholder approval be obtained for the acquisition of securities by a Director under an employee incentive scheme.

Securityholder approval is sought for the proposed grant of Performance Rights to Vicinity's CEO and Managing Director, Peter Huddle, under the Vicinity Equity Incentive Plan (EIP) rules and on the terms set out below.

#### 4.1 Proposed grant of Performance Rights

If Securityholder approval is obtained, Performance Rights with a face value of \$2,250,000 (representing 150% of Mr Huddle's total fixed remuneration (TFR)) will be granted to Mr Huddle as part of his FY25 remuneration package. The Performance Rights may vest at the end of the four-year performance period commencing on 1 July 2024 and ending on 30 June 2028 (**Performance Period**) if the Vesting Conditions described in section 4.2 below are met.

The Board considers the proposed grant of Performance Rights to be aligned with the objectives of Vicinity's remuneration framework, to build capability by attracting, retaining and engaging a talented executive team capable of managing and enhancing the business, while aligning their actions and outcomes with Securityholder interests. The grant of Performance Rights creates Security price alignment between the executive and Securityholders and does not provide the executive with the full benefits of security ownership (such as distribution and voting rights) unless and until the Performance Rights vest.

Following vesting, Mr Huddle will be entitled to one Stapled Security for each Performance Right that vests. The Board may determine that the vesting of a Performance Right will be satisfied by Vicinity making a cash payment in lieu of an allocation of Stapled Securities.

The number of Performance Rights issued to Mr Huddle will be based on a face value methodology. The price used to calculate the number of Performance Rights to be issued will be the volume weighted average price (VWAP) of the Stapled Securities for the 10 trading days commencing on the first trading day immediately following the AGM (**Grant Price**).

The actual number of Performance Rights will be derived by dividing the grant face value of \$2,250,000 by the Grant Price, subject to rounding. As the grant of Performance Rights forms part of Mr Huddle's agreed remuneration for FY25, the Performance Rights will be granted at no cost to Mr Huddle and no amount is payable on vesting of the Performance Rights. The Performance Rights will be granted under, and subject to, the rules of the EIP. Performance Rights do not carry any distribution or voting rights prior to vesting.

If Securityholder approval is obtained, it is expected that the Performance Rights will be granted to Mr Huddle in November 2024, and in any case, no more than 12 months after the date of the AGM.

If Securityholder approval is not obtained, to remunerate Mr Huddle appropriately, the Board may provide alternative compensation to Mr Huddle, equivalent to the value that the grant of the Performance Rights would have had at vesting had it been approved by Securityholders.

## Explanatory memorandum

### 4.2 Vesting Conditions

The Performance Rights to be granted to Mr Huddle will be subject to two Performance Measures:

- Relative Total Securityholder Return (TSR); and
- Total Return (TR).

Taken together, these Performance Measures create an incentive aligned to our strategy and long-term value creation and growth, having regard to the following:

- Relative TSR measures Vicinity's ability to deliver superior Securityholder returns relative to a comparator group of predominantly retail-focused S&P/ASX200 A-REIT peers (**Comparator Group**) over the Performance Period; and
- TR measures the extent to which Vicinity efficiently manages and extracts value from its assets.

To the extent the Board determines that Vesting Conditions have been satisfied at the end of the Performance Period, the Performance Rights granted to Mr Huddle will vest in accordance with the vesting schedules described below. Any Performance Rights that do not vest will lapse.

Calculation of, and achievement against, the Vesting Conditions will be determined by the Board in its absolute discretion, having regard to any matters that it considers relevant (including any adjustments for unusual or non-recurring items that the Board considers appropriate). In addition, the Board may waive, amend or replace a Vesting Condition attaching to Performance Rights if the Board determines that the original Vesting Condition is no longer appropriate or applicable.

#### 4.2.1 TSR Performance Rights

50% of the Performance Rights will be subject to Vicinity achieving a TSR hurdle over the Performance Period. Broadly, TSR measures the return to a Securityholder over the relevant Performance Period in terms of changes in the market value of securities plus the value of any dividends and distributions paid in respect of the securities.

The Comparator Group and weightings are set out below.

Entity	ASX Code	Sector	Weighting
Scentre Group	SCG	Retail specialist	20%
Charter Hall Retail REIT	CQR	Retail specialist	20%
Region Group	RGN	Retail specialist	20%
HomeCo Daily Needs REIT	HDN	Retail specialist	20%
The GPT Group	GPT	Diversified (including retail)	10%
Dexus Property Group	DXS	Non-retail specialist	10%
<b>Total</b>			<b>100%</b>

The entities in the Comparator Group have been weighted to achieve a suitable balance between retail and appropriate non-retail group exposure and balanced representation across retail-focused constituents.

At the end of the Performance Period, the TSR of each entity in the Comparator Group will be multiplied by its weighting in the Comparator Group and then added together to determine the weighted TSR of the Comparator Group.

Vicinity's TSR relative to the weighted TSR of the Comparator Group will then be determined. The percentage of TSR Performance Rights that vest, if any, will be determined by the Board at the end of the Performance Period in accordance with the vesting schedule set out below:

Vicinity's Relative TSR growth against the Index	Percentage vesting
Exceeds the Comparator Group by 2.7% per annum or 11.2% <sup>1</sup> cumulatively over four years	100% vesting
Between the Comparator Group and 2.7% per annum above the Comparator Group	Pro-rata straight-line vesting between 50% and 100%
Below the Comparator Group	Nil vesting

1. Rounded based on 2.7% per annum over four years.

The Board will have discretion to adjust the Comparator Group to take into account events including, but not limited to, takeovers, mergers or de-mergers that might occur during the Performance Period.

For the purpose of calculating TSR, any distributions or dividends are assumed to be reinvested on the ex-dividend date. The Board will determine the VWAP periods to be used to calculate the starting and closing Stapled Security price used to measure the TSR of Vicinity and the Comparator Group over the Performance Period.

#### 4.2.2 TR Performance Rights

50% of the Performance Rights will be subject to Vicinity achieving a TR hurdle over the Performance Period.

The TR is measured as follows:

$$\text{Annual TR} = \frac{\text{Change in Net Tangible Assets per Stapled Security (NTA) (during the performance year)} + \text{Distributions per Stapled Security (during the performance year)}}{\text{NTA (beginning of the year)}}$$

The annual TR for each year in the Performance Period will then be used to calculate the compound annual TR for the Performance Period. The percentage of the TR Performance Rights that vest, if any, will be determined by the Board at the end of the Performance Period in accordance with the vesting schedule set out below:

Compound annual TR per annum	Percentage vesting
At or above 8.5%	100% vesting
Between 5.5% to 8.5%	Pro-rata straight-line vesting between 10% and 100%
At 5.5%	10% vesting
Below 5.5%	Nil vesting

The TR range reflects an increase from the range of 5.5% to 7.5% that was applicable to the TR Performance Rights granted in FY24 and was determined through detailed internal modelling over the Performance Period, including cost of equity using the Capital Asset Pricing Model, distribution yield on, and growth in, NTA, and asset capitalisation and discount rates.

The equivalent return range if calculated based on the Security price as at 30 June 2024 instead of NTA is approximately 6.9% to 10.6%.

In making its determination of the TR outcome, the Board seeks to ensure that the TR Performance Rights vesting reflects the value created from the efficient management of Vicinity's assets and that there is no undue advantage, penalty or disincentive for undertaking certain activities. This may result in adjustments to the TR outcome for items such as one-off items (including transaction costs), unrealised foreign exchange movements and unrealised fair value adjustments to derivatives. Both upward and downward adjustments can be made, with reference to principles agreed by the Board, to ensure the outcomes are appropriate. Where adjustments are approved by the Board, they will be appropriately disclosed in Vicinity's Remuneration Report.

#### 4.3 Malus and clawback

Any Performance Rights granted, or Stapled Securities allocated to Mr Huddle, are subject to adjustment, cancellation or clawback under the EIP Rules.

#### 4.4 Treatment of Performance Rights on cessation of employment

Unless the Board determines otherwise, if before the Performance Rights vest, Mr Huddle ceases employment:

- by reason of resignation or termination for cause, all unvested Performance Rights will be forfeited; or
- for any other reason, including death, total and permanent disablement, genuine retirement, redundancy or termination by agreement, a pro-rata portion of the Performance Rights will continue beyond cessation of employment in accordance with the terms of the grant, including in relation to any Performance Measures and lapse or forfeiture conditions, except that any continuous service requirements will be deemed to have been waived. The remainder will lapse. The pro-rata portion will be calculated by reference to the portion of the period from the start of the Performance Period until the end of the Performance Period that has elapsed as at the date of cessation.

#### 4.5 Treatment upon change of control

In the event of a takeover or change of control of Vicinity, any unvested Performance Rights may vest at the discretion of the Board having regard to all factors it considers relevant, which may include the nature of the change of control event, the performance against the Performance Measures achieved in the partial Performance Period and the time that has elapsed since the grant of Performance Rights.

#### 4.6 CEO and Managing Director – Total remuneration opportunity

Listing Rule 10.15.4 requires this Notice to include details (including the amount) of Mr Huddle's current total remuneration arrangements.

The Board reviewed Mr Huddle's remuneration arrangements for FY25 and determined to increase the Short Term Incentive (STI) opportunity (at target) from 95% to 100% of TFR, and the maximum Long Term Incentive (LTI) opportunity from 140% to 150% of TFR. These changes were made to align more closely with the market following a detailed review of relevant Australian external benchmarks, including applicable ASX100 A-REITs. There was no change to Mr Huddle's TFR which has remained unchanged since his appointment as CEO and Managing Director on 1 February 2023. As a result of these changes, Mr Huddle's Total Target Remuneration opportunity was increased by 4.5% from \$5,025,000 to \$5,250,000, effective 1 July 2024, as summarised below.

FY25 remuneration components		Amount
TFR		\$1,500,000
STI opportunity (at target)	100% of TFR	\$1,500,000 <sup>1</sup>
LTI opportunity	150% of TFR	\$2,250,000
<b>Total target remuneration opportunity</b>		<b>\$5,250,000</b>

1. Mr Huddle's maximum STI opportunity is 150% of TFR or \$2,250,000, which results in a total maximum remuneration opportunity of \$6,000,000.

Further information in relation to Mr Huddle's FY24 remuneration package as well as the actual remuneration he received for FY24 is set out in the Remuneration Report.

#### 4.7 Previous grants under the EIP and the LTI Plan

A total of 3,308,809 Performance Rights and 165,682 Restricted Rights have previously been granted to Mr Huddle at no cost under the EIP and LTI Plan as part of his FY20-FY24 remuneration packages.

#### 4.8 Other information required under the ASX Listing Rules

In relation to the EIP:

- there is no loan scheme in relation to the Performance Rights or the EIP;
- the CEO and Managing Director is prohibited from hedging the Stapled Security price exposure in respect of the Performance Rights during the Performance Period;
- details of any Performance Rights issued under the EIP will be published in Vicinity's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14; and
- any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the EIP after the resolution is approved and who were not named in this Notice will not participate until approval is obtained under that rule.

A voting exclusion applies to this resolution, as set out in this Notice.

**The Board (with Mr Huddle abstaining) unanimously recommends that Securityholders vote in favour of this resolution.**

# Additional information

## 1. Stapling

The Shares and Units are stapled together under the Company constitution and Trust constitution to form a Stapled Security. This means that all Securityholders are Shareholders in the Company and Unitholders in the Trust and each Securityholder holds the same number of Shares and Units.

## 2. Voting entitlements and joint holdings

The Directors of the Company and the RE have determined that, for the purposes of determining voting entitlements at the AGM, Stapled Securities will be taken to be held by the persons who are registered as Securityholders as at 11.00am (AEDT) on Sunday, 27 October 2024. Transfers registered after this time will be disregarded in determining entitlements to attend and vote at the AGM. In the case of Stapled Securities held by joint holders, only the person whose name stands first in the register may vote.

All resolutions will be decided on a poll. On a poll, each Securityholder has:

- in the case of a resolution of the Company, one vote for each Share held in the Company; and
- in the case of a resolution of the Trust, one vote for each dollar of the value of the total interests they have in the Trust.

## 3. Corporate representatives and attorneys

A body corporate that is a Securityholder, or which has been appointed to vote as proxy, may appoint an individual to act as its representative at the AGM. Corporate representatives are requested to submit a completed 'Certificate of Appointment as a Corporate Representative' form in accordance with the instructions in note 6 below. The form may be obtained from Vicinity's Security Registry or online at [linkmarketservices.com.au](http://linkmarketservices.com.au).

A Securityholder entitled to attend and vote at the AGM may appoint an attorney to attend and vote on their behalf. An attorney need not be a Securityholder of Vicinity. Instructions for submitting a Power of Attorney or a certified copy of a Power of Attorney are set out in note 6 below.

## 4. Appointing a proxy

A Securityholder entitled to attend and vote at the AGM may appoint a person as their proxy to attend and vote on their behalf (**Proxy Holder**). A person appointed as a Proxy Holder need not be a Securityholder and may be either an individual or a body corporate.

A Securityholder entitled to cast two or more votes may appoint up to two Proxy Holders and may specify the proportion or number of votes each Proxy Holder is entitled to exercise. If no proportion or number of votes for each Proxy Holder is specified, each Proxy Holder may exercise half of the votes.

A Securityholder may direct the Proxy Holder to vote 'For' or 'Against', or to 'Abstain' from voting on each resolution. Vicinity encourages all Securityholders to direct Proxy Holders how to vote on each resolution. If you do not direct the Proxy Holder how to vote on each resolution, the Proxy Holder may decide how to vote on each resolution, subject to the voting exclusions described in this Notice. Refer to the instructions on page 1 for how to lodge your votes by proxy.

Unless the Chairman of the AGM is your proxy, members of Vicinity's KMP and their closely related parties will not be able to vote on the resolutions in Items 2 and 4 as your Proxy Holder unless you direct them how to vote on those resolutions. Similarly, Peter Huddle and his associates will not be able to vote in favour of the resolution in Item 4 as your Proxy Holder unless you direct them how to vote on that resolution. If you intend to appoint any of these persons as your Proxy Holder, you should ensure that you direct that person how to vote on the resolutions in items 2 and 4 by marking 'For', 'Against' or 'Abstain' on the proxy form.

If you intend to appoint the Chairman of the AGM as your Proxy Holder, you can direct the Chairman of the AGM how to vote by marking 'For', 'Against' or 'Abstain' on the proxy form for each resolution. If the Chairman of the AGM is appointed your proxy (or becomes your proxy by default), and you do not direct the Chairman of the AGM how to vote on Items 2 and 4 on the proxy form, then by completing and submitting the proxy form, you will be expressly authorising the Chairman of the AGM to exercise the proxy in respect of the resolutions in Items 2 and 4 as the Chairman of the AGM sees fit even though the resolutions are connected with the remuneration of a member of Vicinity's KMP.

If you appoint a Proxy Holder, you may still attend the AGM. However, in order for you to cast a vote on any resolution during the AGM, you will need to revoke your proxy nomination. If you do not revoke your proxy nomination, you will be able to ask questions but not vote at the AGM.

Any directed proxies that are not voted on a poll at the AGM will automatically default to the Chairman of the AGM, who is required to vote proxies as directed.

## 5. How the Chairman of the AGM intends to vote available undirected proxies

If the Chairman of the AGM is appointed your proxy (or becomes your proxy by default), the Chairman of the AGM intends to vote all available undirected proxies in favour of each resolution.

## 6. How to register your authorities

Corporate representatives are requested to submit a completed 'Certificate of Appointment as a Corporate Representative' form by email to [vicinity@linkmarketservices.com.au](mailto:vicinity@linkmarketservices.com.au) by no later than 11.00am (AEDT) on Sunday, 27 October 2024.

For Securityholders intending to appoint an attorney to act on their behalf, the Power of Attorney or a certified copy of the Power of Attorney cannot be submitted online and must be sent to the address or facsimile number set out below. The Power of Attorney or a certified copy of the Power of Attorney must be received by no later than 11.00am (AEDT) on Sunday, 27 October 2024.

Proxy nominations must also be lodged by no later than 11.00am (AEDT) on Sunday, 27 October 2024.

## HOW TO COMPLETE THIS SECURITYHOLDER PROXY FORM

### YOUR NAME AND ADDRESS

This is your name and address as it appears on Vicinity's security register. If this information is incorrect, please make the correction online at [linkmarketservices.com.au](http://linkmarketservices.com.au). Securityholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your Securities using this proxy form.**

### APPOINTMENT OF PROXY

If you wish to appoint the Chairman as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chairman as your proxy, please write the name and email address of that individual or body corporate in Step 1. An email will be sent to your appointed proxy with details on how to access the AGM. If you leave this section blank, or if your named proxy does not attend the AGM, the Chairman will be your proxy. If your named proxy attends the AGM but does not vote on an item in accordance with your direction, the Chairman will become your proxy in respect of that item. A proxy need not be a Securityholder of Vicinity.

### PROXY VOTING BY THE CHAIRMAN

On a poll, the Chairman will vote directed proxies as directed and may vote available undirected proxies as the Chairman sees fit. If the Chairman is your proxy or becomes your proxy by default, and you do not provide voting directions, then by submitting the proxy form you are expressly authorising the Chairman to exercise your proxy on resolutions that are connected directly or indirectly with the remuneration of a member of Vicinity's key management personnel.

### VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your Securities will be voted in accordance with your direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of Securities you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on an item of business, your proxy may vote as they choose on that item. If you mark more than one box on an item your vote on that item will be invalid.

### APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the AGM and vote on a poll. If you wish to appoint a second proxy, an additional proxy form may be obtained by telephoning Vicinity's security registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- on each of the first proxy form and the second proxy form, state the percentage of your voting rights or number of Securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- return both forms together.

### SIGNING INSTRUCTIONS

You must sign this form as follows in the spaces provided:

**Individual:** where the holding is in one name, the Securityholder must sign.

**Joint holding:** where the holding is in more than one name, any Securityholder may sign.

**Power of attorney:** to sign under power of attorney, you must lodge the power of attorney with Vicinity's security registry unless it has previously been provided and not revoked. If you have not previously lodged this document for notation, please attach a certified copy of the power of attorney to this form when you return it.

**Companies:** where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the *Corporations Act 2001* (Cth)) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please indicate the office held by signing in the appropriate place.

### CORPORATE REPRESENTATIVES

If a representative of the corporation is to attend the AGM, the appropriate 'Certificate of Appointment of Corporate Representative' form must be received at [vicinity@linkmarketservices.com.au](mailto:vicinity@linkmarketservices.com.au) prior to the AGM. A form of the certificate may be obtained from Vicinity's security registry or online at [linkmarketservices.com.au](http://linkmarketservices.com.au).
