## BSA teams with UGL to tender for NBN Field Services Contract

BSA Limited (ASX:BSA) are pleased to announce that it has teamed with UGL to bid for the nbn Field Services Contract, which will combine BSA and UGL's complementary strengths and capabilities to provide a holistic solution for nbn.

BSA has delivered services for nbn over the last 9 years which includes the roll out and maintenance of the nbn network. BSA has been fully aligned with the nbn strategy to drive a better digital future for Australia. In doing so, BSA has built great expertise and service excellence in delivering service/network activation, assurance, and maintenance activities.

UGL, a member of the CIMIC Group, has a track record in delivering nbn Fixed Wireless, satellite and complex build works.

Current estimated timelines indicate that the nbn Field Services contract will not commence before September 2025. The tender process is not expected to materially impact BSA's FY25 forecasts and expectations

BSA will continue to inform the market of any updates in relation to the existing nbn Unified Field Operations (Services) agreement and progress on the nbn Field Services tender.

Authorised for release by the Board of Directors.
