Business of the AGM

Item 1 – Annual Financial Report, Directors' Report and Auditor's Report

The Annual Financial Report for the financial year ended 30 June 2024 can be found on Zip's website (and on the ASX Announcements Platform) and has been sent to those Shareholders who have requested a copy.

During the discussion of Item 1, there will be an opportunity for the Shareholders to ask questions about, or comment on, the Annual Financial Report and the management and performance of Zip.

You may also submit questions in advance of the AGM via the process outlined in the Explanatory Notes under "Asking Questions".

Zip's auditor, Deloitte Touche Tohmatsu, will be available at the AGM to answer questions from Shareholders on the audit, Zip's accounting policies, their Auditor's Report and independence.

Item 2 – Remuneration Report

Background

Zip is required under the Corporations Act to include, in the business of its AGM, a resolution that its Remuneration Report for the financial year ended 30 June 2024 (**Remuneration Report**) be adopted. The Remuneration Report is set out in the Directors' Report within the Annual Financial Report. During discussion of Item 2, there will be an opportunity for Shareholders to ask questions about, or comment on, the Remuneration Report.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to KMP and sets out remuneration details, service agreements and the details of any share-based compensation.

The vote on Item 2 is advisory only and does not bind the Directors or the Company. The Board will consider the outcome of the vote, and comments made by Shareholders on the Remuneration Report at the AGM, when reviewing the Company's remuneration policies.

If 25% or more of the votes are cast against the adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a Spill Resolution that a Spill Meeting be held within 90 days, at which all of the Directors who were in office when the latest Directors' Report was approved (other than the Managing Director) will cease to hold office unless re-elected at that Spill Meeting.

Directors' Recommendation

The Directors (as at the date of this Notice of Meeting) unanimously recommend that the Shareholders **VOTE IN FAVOUR** of Item 2.

Explanatory Notes continued

Item 3 – Election and Re-Election of Directors

(a) Election of Kevin Moss as a Director

Background

Under Item 3(a), Kevin Moss seeks election as a Director of the Company at the AGM for the purposes of Clause 22.6 of the Company's Constitution and ASX Listing Rule 14.4 and for all other purposes.

Kevin Moss was appointed as an additional Director of the Company effective from 21 May 2024 in accordance with the Company's Constitution. Clause 22.6 of the Company's Constitution requires that a Director appointed as an addition to the existing Directors may only hold office until the Company's next annual general meeting, and such director is then eligible for re-election at that meeting (clause 22.7(b)). ASX Listing Rule 14.4 also provides that an additional director appointed during the year must not hold office (without re-election) past the next annual general meeting.

The Company confirms that it has satisfactorily conducted appropriate checks into Kevin Moss' background and experience.

Qualifications: BS (Applied Statistics); MS (Quantitative analysis)

Term: Non-Executive Director from 21 May 2024.

Independent: Yes. The Board considers Kevin Moss to be an independent director.

Committees: Member of the Audit and Risk Committee, Remuneration, People and Culture Committee, and Nominations Committee.

Other directorships: None.

Experience: Based in San Francisco, Kevin is an experienced credit and risk leader with almost 40 years' experience in the financial services and payments sectors. He spent 17 years in executive roles at Wells Fargo, including Chief Risk Officer for the consumer lending group, Business Manager for the National Home Equity Group, Chief Credit Officer for the home and consumer finance group and Head of Consumer Risk Management. His most recent executive role was as Chief Risk Officer at SoFi. Kevin has over nine years' experience as an advisor for companies that provide risk, fraud and consumer lending product solutions.

Mr. Moss is based in the US and brings to the Board a deep understanding of the US market and broad commercial expertise including risk management. For these reasons the Directors support the election of Kevin Moss as a Director.

Kevin Moss will be offered the opportunity to address the Meeting to speak to his election.

Directors' Recommendation

The Directors (with Kevin Moss abstaining) recommend that the Shareholders **VOTE IN FAVOUR** of Item 3(a).

(b) Election of Matthew W. Schuyler as a Director

Background

Under Item 3(b), Matthew W. Schuyler seeks election as a Director of the Company at the AGM for the purposes of Clause 22.6 of the Company's Constitution and ASX Listing Rule 14.4 and for all other purposes.

Matthew W. Schuyler was appointed as an additional Director of the Company effective from 7 October 2024 in accordance with the Company's Constitution. Clause 22.6 of the Company's Constitution requires that a Director appointed as an addition to the existing Directors may only hold office until the Company's next annual general meeting, and such director is then eligible for re election at that meeting (clause 22.7(b)). ASX Listing Rule 14.4 also provides that an additional director appointed during the year must not hold office (without re election) past the next annual general meeting.

The Company confirms that it has satisfactorily conducted appropriate checks into Matthew W. Schuyler's background and experience.

Qualifications: MBA (Organizational Behavior and Human Resources Management); B.S. (Accounting)

Term: Non-Executive Director from 7 October 2024.

Explanatory Notes continued

Independent: Yes. The Board considers that Matthew W. Schuyler satisfies the criteria to be an independent director.

Committees: Member of each of the Audit and Risk Committee, Remuneration, People and Culture Committee and Nominations Committee, from 7 October 2024.

Other directorships: Chair of the Board of Trustees of Penn State University.

Experience: Based in Virginia in the US, Matthew has significant and wide-ranging experience in brand-building, business transformation, human resources and cultural strategy. He most recently served as Chief Brand Officer for Hilton Worldwide, following previous roles as Chief Administrative Officer and Chief Human Resources Officer at Hilton. Prior to his roles at Hilton, Matthew served as Chief Human Resources Officer and Head of Corporate Real Estate for Capital One and Senior Vice President of Human Resources for Cisco Systems Inc and before that, was a partner at PricewaterhouseCoopers. Matthew is Chair of the Board of Trustees of Penn State University, overseeing the governance of one of the largest universities in the US.

Mr. Schuyler brings to the Board significant experience of the US market, brand leadership, people and culture. For these reasons the Directors support the election of Matthew W. Schuyler as a Director.

Matthew W. Schuyler will be offered the opportunity to address the Meeting to speak to his election.

Directors' Recommendation

The Directors (excluding Matthew W. Schuyler) recommend that the Shareholders **VOTE IN FAVOUR** of Item 3(b).

(c) Re-Election of Diane Smith-Gander AO as a Director

Background

Under Item 3(b), Diane Smith-Gander is required to retire by rotation, and being eligible, seeks re-election as a Director of the Company at the AGM for the purposes of Clause 22.10 of the Company's Constitution, ASX Listing Rule 14.4 and for all other purposes.

Diane Smith-Gander was appointed as a Director of the Company on 1 February 2021 and was re-elected at the 2021 Annual General Meeting. Clause 22.10(b) of the Company's Constitution and ASX Listing 14.4 provide, among other matters, that a Director, other than a Managing Director, may not hold office for more than three years or beyond the third annual general meeting following their appointment (whichever is longer) without submitting for re-election. A Director who retires under clause 22.10 is eligible for re-election.

Qualifications: BEc, MBA, FAICD, FGIA, FAIM, GAICD

Term: Non-Executive Director appointed on 1 February 2021.

Independent: Yes. The Board considers that Diane Smith-Gander is an independent Director.

Experience: Diane has extensive Australian and international experience in banking and finance, technology, and strategic and management consulting. This includes as a former partner at McKinsey & Company, and Group Executive IT and Operations, Westpac Banking Corporation.

Diane has gained deep experience as a non-executive director since joining the Wesfarmers board in 2009 (ceased as a director in 2020) across diverse sectors including listed entities, State and Commonwealth government, cooperatives, professional services and privately held companies.

In recognition of her contributions to business and gender equality, Diane was made an Officer in the Order of Australia in 2019. Diane is also past President and current member of Chief Executive Women.

For these reasons, the Board supports the re-election of Ms. Smith – Gander as a director. Ms. Smith-Gander will be offered the opportunity to address the Meeting to speak to her re-election.

Directors' Recommendation

The Directors (with Ms. Smith-Gander abstaining) recommend that the Shareholders **VOTE IN FAVOUR** of Item 3(b).

Explanatory Notes continued

Item 4 – Granting of Restricted Rights to Non-Executive Directors under the NED Equity Plan (ZIPNEP)

Background

Item 4 seeks Shareholder approval to grant restricted rights to eligible Non-Executive Directors (NEDs) under the Zip Co Limited NED Equity Plan (ZIPNEP) for the next three years, and for the allocation of Shares on exercise of those Restricted Rights.

The Company completed a review of NED remuneration during FY24 which included benchmarking against similar sized and market valued listed entities. Having regard to market benchmarks and recognising the substantial turnaround that has been achieved and the ongoing significant workload of NEDs, the Board approved the restoration of the total remuneration paid to NEDs to the amounts that were paid before the NEDs implemented a voluntary fee reduction in FY23 and a further adjustment of some fees.

The Board also reviewed the operation of the ZIPNEP and determined to make a change to the operation of the plan such that it operates on a voluntary basis. Each NED who wishes to participate in the ZIPNEP can nominate the amount of their Non-Executive Director Fees (NED Fees) that they wish to receive in the form of Zip securities. Zip securities issued under the plan are subject to certain disposal restrictions as described below (Specified Disposal Restrictions) that aim to facilitate long-term holding of equity interests. Elections are made on an annual basis and are binding for the duration of that year.

The ZIPNEP has been designed to facilitate the Company aligning remuneration structures for NEDs with the interests of Shareholders, and reducing cash remuneration costs in relation to NEDs, while preserving their independence.

Regulatory Requirements – Overview of ASX Listing Rules

The grant of Restricted Rights to a Director of the Company (and Shares on the exercise of such Restricted Rights) falls within ASX Listing Rule 10.14.1 and therefore requires approval of the Shareholders.

If Item 4 is passed, the Company will invite NEDs to apply for the Restricted Rights, and if they accept the invitation, proceed with the grant of the Restricted Rights to them. Approval will not be required under ASX Listing Rule 7.1 and the grant of the Restricted Rights to the applicable NEDs will not count towards the Company's existing placement capacity under ASX Listing Rule 7.1. Separate approval will also not be required under ASX Listing Rule 10.11.

For the avoidance of doubt, if Item 4 is passed, but any of the NEDs who have elected to participate in the ZIPNEP and received an invitation to participate do not accept the invitation to participate in the grant, Zip will not issue the Restricted Rights contemplated in Item 4 (as applicable) and the applicable NED will not be entitled to be paid the relevant part of their NED Fees.

If Item 4 is not passed, the Company will not be able to grant the relevant Restricted Rights, and the relevant amounts of NED Fees that would otherwise have been paid in equity may be paid in cash.

Explanatory Notes continued

Explanatory Notes continued

The issue of STVR Shares to Cynthia Scott and Larry Diamond falls within ASX Listing Rule 10.14.1 and therefore requires approval of the Shareholders as contemplated by Item 5.

If Item 5 is passed, the Company will be able to proceed with the proposed issue of the STVR Shares. Approval will not be required under ASX Listing Rule 7.1, and the grant of the STVR Shares to Cynthia Scott and Larry Diamond will not count towards the Company's existing placement capacity under ASX Listing Rule 7.1. Separate approval will also not be required under ASX Listing Rule 10.11 (which provides a general restriction against issuing securities to directors without shareholder approval).

If Item 5 is not passed, the Company will not be able to proceed with the issue of the STVR Shares. The Company will therefore be required to pay the equivalent value in cash to Cynthia Scott and Larry Diamond respectively or buy the shares on market.

The non-conflicted Non-Executive Directors of the Company (being Diane Smith-Gander, John Batistich, Meredith Scott and Kevin Moss) carefully considered the issue of these STVR Shares to Cynthia Scott and Larry Diamond and formed the view that the giving of this financial benefit as part of remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the STVR Shares, and the responsibilities held by Cynthia Scott and Larry Diamond in the Company. The Non-Executive Directors consider that the issue of STVR Shares is a more cost-effective way to remunerate Cynthia Scott and Larry Diamond than other forms of remuneration, such as an additional cash bonus.

Accordingly, the Non-Executive Directors of the Company believe that the issue of these STVR Shares to Cynthia Scott and Larry Diamond under Item 5 falls within the reasonable remuneration exception as set out in section 211 of the Corporations Act, and rely on this exception for the purposes of section 208 of the Corporations Act.

Directors' Recommendation

The Non-Executive Directors (as at the date of this Notice of Meeting) unanimously recommend that the Shareholders **VOTE IN FAVOUR** of Item 5.

Item 6 – Grant of LTVR Performance Rights Under the EIP to Cynthia Scott

Item 6 seeks Shareholder approval to grant to Cynthia Scott, a Director, 736,329 LTVR Performance Rights under the EIP as part of the Long-Term Variable Reward (**LTVR**) plan.

Background

The Company engaged Godfrey Remuneration Group to complete a review of the remuneration paid to Cynthia Scott, Group CEO and Managing Director. The review included benchmarking against two comparator groups: ASX listed entities with a similar market capitalisation (equally balanced, 10 larger, 10 smaller, within a range of half to double Zip's market value at the time), which was used as the primary reference; and an ASX listed industry comparator group, which was used as a secondary reference. The review found that the remuneration paid to Cynthia Scott was substantially below the median of both comparator groups, reflecting that the Board had restrained remuneration while undertaking the task of restoring shareholder value and de-risking the business. Given the progress towards those objectives, the Board has approved an increase to the remuneration paid to Cynthia Scott with effect from 1 October 2024 to start to address market positioning relative to market peers, and intends to complete a further review in FY26. While the increase is significant, it is necessary to close the gap to a market position that reflects the scale and complexity of Zip, relevant to the CEO role challenge. The Board also determined that remuneration should continue to be weighted towards long-term performance-based pay.

Reasons for Grant of Performance Rights

As stated in the FY24 Remuneration Report, the LTVR plan aligns executive accountability and remuneration outcomes with the delivery of sustained group performance and Shareholder interests over the long-term. It is designed to vary remuneration outcomes in line with the extent of longer-term (three year) performance achievement focused on Shareholder returns. The LTVR measures the Company's performance on TSR relative to the performance of the ASX300 Accumulation Index as a clear alignment with Shareholders' long-term interests.

Regulatory Requirements – Overview of ASX Listing Rules

The grant of LTVR Performance Rights to Cynthia Scott falls within ASX Listing Rule 10.14.1 and therefore requires approval of the Shareholders as contemplated by Item 6.

If Item 6 is passed, the Company will be able to proceed with the grant of the LTVR Performance Rights to Cynthia Scott. Approval will not be required under ASX Listing Rule 7.1, and the grant of the LTVR Performance Rights to Cynthia Scott will not count towards the Company's existing placement capacity under ASX Listing Rule 7.1. Separate approval will also not be required under ASX Listing Rule 10.11 (which provides a general restriction against issuing securities to directors without shareholder approval).

If Item 6 is not passed, the Company will not be able to grant the LTVR Performance Rights. The Company will thereafter need to discuss and negotiate the remuneration package of Cynthia Scott to reflect the intent of her employment agreement and may consider alternative deferred remuneration arrangements such as deferred cash awards. If deferred cash awards are granted, this may diminish the alignment of Cynthia Scott's interests with those of the rest of the senior leadership team and Shareholders.

Regulatory Requirements – Corporations Act – Related Party Approvals

The non-conflicted Non-Executive Directors of the Company (being Diane Smith-Gander, John Batistich, Meredith Scott and Kevin Moss) carefully considered the grant of the LTVR Performance Rights to Cynthia Scott, and formed the view that the giving of this financial benefit as part of her remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the LTVR Performance Rights, and the responsibilities held by Cynthia Scott in the Company. The Non-Executive Directors consider that the grant of the LTVR Performance Rights is a more cost-effective way to remunerate Cynthia Scott than other forms of remuneration, such as additional cash bonuses.

Accordingly, the Non-Executive Directors of the Company believe that the grant of the LTVR Performance Rights to Cynthia Scott under Item 6 falls within the reasonable remuneration exception as set out in section 211 of the Corporations Act, and rely on this exception for the purposes of section 208 of the Corporations Act.

Regulatory Requirements – Corporations Act – Termination Benefits

Additionally, the Company is also seeking approval to give certain termination benefits in connection with Cynthia Scott ceasing to hold a managerial or executive office in the Company or a related body corporate for the purposes of sections 200B and 200E of the Corporations Act and for all other purposes.

Part 2D.2, Division 2 of the Corporations Act provides that a listed company must not permit a person in a managerial or executive office (including a director) to receive a benefit in connection with their retirement or removal from office or employment (**Termination Benefit**), except with respect to certain statutory exceptions, over the applicable 'base salary amount' without shareholder approval. The 'base salary amount' is calculated as 12 months of the applicable person's base salary plus any short-term benefits not dependent on performance conditions paid during the relevant period. This section of the Corporations Act, and in particular the meaning of a Termination Benefit has wide operation and is subject to a broad interpretation.

Under the terms and conditions of the EIP, the Board may determine that the LTVR Performance Rights issued to Cynthia Scott will vest 'early' upon the occurrence of any event as determined by the Board in its absolute discretion. Examples of circumstances in which the early vesting or exercise of the LTVR Performance Rights may be permitted at the Board's discretion could include termination of a participant's employment, engagement or office with the Company due to any reason the Board decides, or in other circumstances where the Board exercises its discretion to allow early vesting as well as change of control events.

Item 6 therefore seeks Shareholder approval for the exercise of the Board's discretion in relation to Termination Benefits (if any) that may be awarded to Cynthia Scott and, does not of itself, guarantee that she will receive such Termination Benefits.

Explanatory Notes continued

The value of the potential Termination Benefits that may be given to Cynthia Scott in connection with her ceasing to hold managerial or executive office cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the precise value of a particular benefit will depend on factors such as the prevailing Share price at the time of vesting and the number of LTVR Performance Rights that will vest or otherwise be affected (which could be up to all of the LTVR Performance Rights held by Cynthia Scott). The following additional factors may also affect the benefit's value:

- the date when, the reasons for and the circumstances in which Cynthia Scott ceases employment; and
- the number of equity securities held by Cynthia Scott prior to cessation of employment or office.

Directors' Recommendation

The Non-Executive Directors (as at the date of this Notice of Meeting) unanimously recommend that the Shareholders **VOTE IN FAVOUR** of Item 6.

Item 7 – Renewal of Proportional Takeover Provisions in the Company's Constitution

Background

The Constitution includes provisions dealing with proportional takeover bids for the Shares in accordance with the Corporations Act.

Under the Corporations Act, a company may include provisions in its constitution to enable it to refuse to register shares acquired under a proportional takeover bid unless a resolution approving the bid is passed by the shareholders. A proportional takeover is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares. The provisions are designed to assist shareholders to receive proper value for their shares if a proportional takeover bid is made for the company. Under the Corporations Act, the provisions must be renewed every 3 years or they will cease to have effect.

The Company adopted its current Constitution on 30 November 2020 at the Company's 2020 Annual General Meeting. When it was adopted, it included proportional takeover approval provisions that ceased to have effect on 30 November 2023. If renewed again at the 2024 AGM, the proposed proportional takeover provisions will be in exactly the same terms as the existing provisions in the Company's Constitution and will have effect for a three-year period commencing on the date of the Meeting.

The Corporations Act requires that the following information be provided to shareholders when they are considering the inclusion of proportional takeover provisions in a constitution.

Effect of the proposed proportional takeover provisions

The effect of the proportional takeover provisions is as follows:

- if a proportional takeover bid is made for the Shares of the Company, the Directors must ensure that a meeting of Shareholders is convened to vote on a resolution to approve that bid;
- the bidder and persons associated with the bidder may not vote;
- approval of the bid will require a simple majority of the votes cast;
- the meeting must take place more than 14 days before the last day of the bid period (**Resolution Deadline**);
- if the resolution is rejected before the Resolution Deadline, the bid cannot proceed and any transfers giving effect to takeover contracts for the bid will not be registered;
- the bid will be taken to have been approved if, as at the end of the day before the Resolution Deadline, the resolution has not been voted on;
- if the resolution is approved, the transfers must be registered (subject to other provisions of the Corporations Act and the Constitution); and
- the Directors will breach the Corporations Act if they fail to ensure the resolution is voted on. However, the bid will still be taken to have been approved if it is not voted on within the Resolution Deadline.

The proportional takeover provisions do not apply to full takeover bids.

Reasons for including the proportional takeover provisions in the Constitution

In the absence of the proportional takeover provisions, a proportional takeover bid may result in control of the Company changing without Shareholders having an opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders could be exposed to the risks of passing control to the bidder without payment of an adequate control premium for all their Shares and being left with a minority interest in the Company. Such Shareholders could suffer potential further loss if the takeover bid were to cause a decrease in the Share price or otherwise make the Shares less attractive and, therefore, more difficult to sell.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) providing the right to discuss, in a meeting called specifically for that purpose, and then decide, by majority vote, whether an offer under a proportional takeover bid should proceed;
- (b) assisting the prevention of Shareholders being locked in as a minority;
- (c) increasing the bargaining power of Shareholders, which may assist in ensuring that any proportional takeover bid is adequately priced;
- (d) potentially increasing the likelihood of a full takeover bid rather than a proportional takeover bid; and
- (e) enabling individual Shareholders to better assess the likely outcome of the proportional takeover bid, by knowing the view of the majority of Shareholders, which may assist in deciding whether to accept or reject an offer under the bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) imposing a hurdle to, and potentially discouraging the making of, provisional takeover bids which, in turn, may reduce any takeover speculation element in the price of Shares;
- (b) potentially reducing the likelihood of success of a proportional takeover bid;
- (c) possible reduction or loss of opportunities for Shareholders to sell some or all of their Shares at a premium; and
- (d) potentially causing some Shareholders to form the view that the proportional takeover provisions impose an additional restriction on their ability to freely deal with their Shares.

The Board does not believe the potential disadvantages outweigh the potential advantages of renewing the proportional takeover approval provisions in the Constitution. Renewing the proportional takeover approval provisions in the Constitution will not confer any particular advantages or disadvantages on the Directors in their capacity as Directors of the Company. The Directors therefore consider that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

Pursuant to section 136 of the Corporations Act, this Item 7 is a Special Resolution and requires approval of 75% or more of all votes cast by or on behalf of Shareholders present at the Meeting and eligible to vote.

Directors' Recommendation

The Directors (as at the date of this Notice of Meeting) consider that, on balance, renewal of the proportional takeover provisions in the Constitution is in the best interests of the Shareholders and, accordingly, the Directors unanimously recommend that the Shareholders **VOTE IN FAVOUR** of Item 7.

Annexure A: ZIPNEP

Term	Details
Instrument	<p>The ZIPNEP uses restricted rights which are entitlements, when exercised, to a Share (ordinary fully paid shares in the Company that may be subject to Specified Disposal Restrictions) (Rights or Restricted Rights, as applicable).</p> <p>Grants of Rights under the ZIPNEP are intended to be a component of 'director fees' that are part of the remuneration of Non-Executive Directors, as an alternative to director fees being paid in cash only. The value that will be realised is a function of the Share price at the time of disposal of the Shares.</p>
Terms and conditions	<p>Under the rules of the ZIPNEP, the Board has the discretion to set the terms and conditions on which it will offer Rights, including the modification of the terms and conditions as appropriate to ensuring the ZIPNEP operates as intended.</p> <p>The terms and conditions of the ZIPNEP include those aspects legally required as well as the treatment of Rights in a range of circumstances such as a change of control, a major return of capital to shareholders or in relation to cessation of holding office with the Company.</p> <p>The ZIPNEP contains customary and usual terms having regard to Australian law for dealing with winding up, administration, variation, suspension and termination of the ZIPNEP.</p>
Variation of terms and conditions	To the extent permitted by the ASX Listing Rules, the Board retains the discretion to vary or amend the terms and conditions of the ZIPNEP.
Eligibility	Eligible persons selected by the Board will be invited to participate in the ZIPNEP. Eligible persons include Non-Executive Directors, and excludes executives.
Term	Each invitation to participate in the ZIPNEP (an Invitation) will specify the term of the Rights, as determined by the Board, and if not exercised within the term, the Rights will lapse. The maximum term allowable is 15 years under the ZIPNEP, which is based on the maximum tax deferral period in Australia.
Number of Rights	The number of Rights specified in an Invitation will be at the discretion of the Board. It is intended that the number of Rights to be granted will be determined annually with regard to the participant's 'director fees', generally an election to exchange cash for equity in settlement of those fees, an appropriate VWAP, relevant market practices and the relevant policies of the Company regarding the remuneration of participants.
Vesting	Restricted Rights are fully vested at grant and are not subject to risk of forfeiture in order to ensure Non-Executive Director independence is not compromised by the equity interest structure. Therefore, grants will be made at a time when the participant has already served the period earning the remuneration, or when the Board takes the view that it is reasonable to expect that the full financial year will be served by the participant.
Cost of Rights and exercise price	<p>No amount is payable by participants for Rights unless otherwise determined by the Board. Rights are intended to form part of the annual remuneration package appropriate to each participant.</p> <p>The exercise price is nil.</p>

Annexure A: ZIPNEP continued

Term	Details
Exercise of Rights	<p>Rights may be exercised at any time between the elapsing of Exercise Restrictions and the end of their term by the participant submitting an exercise notice, otherwise they will lapse. Rights will be settled in Shares only. Such Shares will generally be restricted Shares, which are Shares that are subject to disposal restrictions which may include Specified Disposal Restrictions (Restricted Shares).</p> <p>For participants outside of Australia, if applicable, the Invitation may specify an automatic exercise date, to comply with local regulatory and tax conditions.</p>
Exercise Restrictions	<p>An Invitation will specify a period of 'exercise restrictions' during which Rights may not be exercised, which must not be less than 90 days from the grant date (Exercise Restrictions).</p>
Dealing and disposal restrictions	<p>Rights may not be sold, transferred, mortgaged, charged or otherwise dealt with or encumbered, except by force of law.</p> <p>Shares acquired from the exercise of vested Rights will be subject to disposal restrictions due to:</p> <ul style="list-style-type: none"> (a) the Company's securities trading policy; (b) the insider trading provisions of the Corporations Act; (c) on-sale restrictions under the Corporations Act; and (d) Specified Disposal Restrictions included in the Invitation. <p>Shares resulting from the exercising of Rights that may not be traded due to the foregoing will be Restricted Shares while they are so restricted. Zip will ensure that such restrictions are enforced due to the presence of CHES holding locks or alternatively by any trustee of an employee share trust that may be engaged in connection with the ZIPNEP.</p>
Specified Disposal Restrictions	<p>Invitations may include Specified Disposal Restrictions that apply for a specified period to Restricted Shares that result from the exercising of Rights. The Board will decide whether to include such conditions and the period for which they will apply.</p> <p>Initially, grants will be subject to a Specified Disposal Restriction until the earlier of:</p> <ul style="list-style-type: none"> (a) the participant ceasing to hold office and any employment with the Company; and (b) the elapsing of 15 years from the grant date. <p>For international participants, an earlier date may be specified to ensure appropriate tax outcomes for the Participant.</p>
Disposal and exercise restriction release at taxing point	<p>In the event that a taxing point arises in relation to Restricted Rights or Restricted Shares and the Exercise Restrictions or Specified Disposal Restrictions have not elapsed then they will cease to apply to 50% of the taxable Rights and Shares.</p> <p>This aims to ensure that unreasonable tax outcomes are avoided.</p>

Annexure A: ZIPNEP continued

Term	Details
Cessation of holding the office of Director	If a participant ceases to hold the office of Non-Executive Director and is not immediately re-appointed, Exercise Restrictions and Specified Disposal Restrictions attaching to Restricted Shares will cease to apply at the date of cessation of holding the office of Non-Executive Director and the Company will remove any CHES holding lock, except in respect of Shares issued less than 12 months prior to the cessation, which will continue to be the subject of disposal restrictions until the elapsing of 12 months from their date of issue (unless the on-sale provisions in the Corporations Act do not apply to such disposal).
Delisting	In the event that a delisting of the Company's Shares becomes imminent, Exercise Restrictions and Specified Disposal Restrictions will cease on the date determined by the Board, except in respect of Shares issued less than 12 months prior to the cessation, which will continue to be the subject of disposal restrictions until the elapsing of 12 months from their date of issue (unless the on-sale provisions in the Corporations Act do not apply to such Disposal).
Fraud, gross misconduct, etc	In the event that the Board forms the opinion that a participant has committed an act of fraud, defalcation or gross misconduct in relation to the Company, the participant will forfeit all unexercised Rights.
Bonus issues, rights issues, voting and dividend entitlements	<p>The number of Rights held by participants will be proportionately adjusted to reflect any bonus issue of Shares (including, for example, a rights issue) so that no advantage or disadvantage arises for the participant. Rights holders will not participate in Shareholder rights issues.</p> <p>Rights do not carry voting or dividend entitlements. Shares (including Restricted Shares) issued when Rights are exercised carry all entitlements of Shares, including voting and dividend entitlements.</p>
Quotation	Rights will not be quoted on the ASX. The Company will apply for official quotation of any Shares issued under the ZIPNEP, in accordance with the ASX Listing Rules.
Issue or acquisition of Shares	Shares allocated to a participant when Rights are exercised under the ZIPNEP may be issued by the Company or acquired on or off market by a trustee whose purpose is to facilitate the operation of the plan.
Cost and administration	The Company will pay all costs of issuing and acquiring Shares for the purposes of satisfying exercised Rights, as well as any brokerage on acquisitions of Shares for this purpose and all costs of administering the ZIPNEP.
Hedging	The ZIPNEP prohibits the hedging of Rights, or Shares subject to dealing restrictions by participants.
