Earl Eddings appointed Executive Chairman of HITIQ

Global leader in concussion management technologies, **HITIQ Limited (ASX: HIQ) (HITIQ or the Company)** today announces the appointment of former Cricket Australia Chair, Earl Eddings, as Executive Chairman.

Mr Eddings, who will be transitioning into the role over coming weeks, brings a wealth of high-level board experience to the HITIQ leadership team, previously serving as an independent non-executive director of ASX listed sports technology company, MSL Solutions, from April 2019 until its acquisition by Pemba Capital Partners in April 2023.

He was Chairman and Director of Cricket Australia from 2008-2021, Director of Cricket Victoria from 2006-2015 and held the position of Deputy Chairman from 2008-2015.

Mr Eddings was also Director of the Kerry Packer Foundation and Director of the International Cricket Council.

He is a Fellow of the Governance Institute of Australia and Graduate of the AICD. Previously he was Managing Director for WSP Asia Pacific and Managing Director of ASX-listed Greencap before selling to Wesfarmers.

"We are delighted to welcome Earl Eddings as our new Executive Chairman," said HITIQ Director, Philip Carulli. "His extensive corporate leadership experience and proven track record will be a significant asset for HITIQ as we continue to deliver value for all stakeholders and drive innovation in building the world's first end-to-end concussion management platform in sport,".

"I would also like to take this opportunity to thank our co-founder and former CEO and MD Mike Vegar who will be transitioning away from the company. It was his vision, energy and leadership that turned an idea into a company that is leading globally in the fast-emerging market of concussion measurement and management. We wish Mike all the best in his future endeavours," he said.

Mr Eddings said he was honoured to be joining HITIQ as Executive Chairman.

“I look forward to working closely with the Board, management team and all stakeholders to build on the company’s success and drive further commercial returns from our technology. Our technology is validated and we are on an exciting growth trajectory, with key opportunities both in Australia and on a global stage,” Mr Eddings said.

HITIQ will be announcing new senior management appointments in the coming weeks.
