Explanatory Memorandum

This Explanatory Memorandum has been prepared to assist members with their consideration of the resolutions to be put to the Annual General Meeting to be held on 6 November 2024. These explanatory notes should be read with, and form part of, the accompanying Notice of Annual General Meeting.

1. Financial Statements and Reports

As required by law, the financial report, Directors' report and Auditor's report are laid before the AGM. Members will be given a reasonable opportunity at the meeting to ask questions and make comments on these reports. There is no requirement however for members to approve the reports.

The Auditor will be present to answer audit-related questions from shareholders and will respond to any relevant written questions provided these are submitted to the Company no later than five business days prior to the Annual General Meeting.

2. Resolution 1 – Remuneration Report

The remuneration report of the Company for the financial year ended 30 June 2024 is set out in the Company's 2024 Annual Report.

The remuneration report sets out the Company's remuneration arrangements for directors, including the Managing Director, and the Company's employees. The Chairman of the meeting will allow a reasonable opportunity for shareholders to ask questions about, or make comments on, the remuneration report at the meeting.

By law, the Company is required to put the remuneration report to a vote by members at the Annual General Meeting. The vote on the resolution is advisory only and does not bind the Directors or the Company. The Board will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

A voting exclusion applies to Key Management Personnel and their Closely Related Parties in certain circumstances – please see the notes to Resolution 1.

Under the Corporations Act, if 25% or more of the votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a resolution (a 'spill' resolution) that another meeting be held within 90 days at which all of the Company's directors (other than the Managing Director) must stand for re-election.

As the Directors have a personal interest in the proposed Resolution 1, they make no recommendations as to how shareholders should vote on the Resolution.

3. Resolution 2 – Re-election of Lynda O'Grady as Non-Executive Director

In accordance with clause 13 of the Constitution and ASX Listing Rule 14.4, Ms O'Grady is retiring by rotation. Being eligible, Ms O'Grady offers herself for re-election. Lynda was first appointed to the Board in April 2015 and was last re-elected by shareholders at the Company's 2021 annual general meeting.

Lynda has extensive experience in executive and consulting roles in IT, telecommunications and media organisations spanning more than 30 years. This experience was gained in a diverse range of organisations across several industries characterised by complex technology, products and services. Executive roles included Executive Director and Chief of Product at Telstra and Commercial Director of the publishing division of PBL (Publishing Division).

She has a successful track record in innovation in product and business development including identification, acquisition and successful integration of competitive or complementary businesses.

Lynda is a Fellow of the Australian Institute of Company Directors, Director of Musica Viva, Director of Rubicon Water Ltd, and a Member of the Advisory Board of Jamieson Coote Bond Trading, amongst other director and advisory appointments.

Ms O'Grady is a member of the Audit and Risk Committee and a member of the Nomination and Remuneration Committee.

Even though Ms O'Grady has been a director since 2015, the Board considers her to be an independent director as she continues to bring an independent mind to bear on issues before the Board. The Board considers that Ms O'Grady makes a significant contribution to the Company due to her expertise, judgement, and understanding of the Company's operations.

The Directors (with Ms O'Grady abstaining) recommend that you vote in favour of this resolution.

4. **Resolution 3 – Re-election of Tony Peake as Non-Executive Director**

In accordance with clause 13 of the Constitution and ASX Listing Rule 14.4, Mr Peake is retiring by rotation. Being eligible, Mr Peake offers himself for re-election. The Board considers Mr Peake to be an independent director.

Tony Peake is a Fellow of Chartered Accountants Australia & New Zealand (FCA) and Graduate and Fellow of the Australian Institute of Company Directors (FAICD), and brings more than three decades' of board-level experience across the public, commercial and not-for-profit sectors.

Tony has served as an Audit and Consulting Partner, Chief Operating Officer, and Executive Director at PwC Australia, with particular experience in Retail & Consumer, Education, and Government.

At PwC, Tony was the lead audit partner for major international brands, and led financial due diligence for large scale, multinational client acquisitions.

Tony is on the boards of PeopleIN Limited (ASX:PPE), Bakers Delight, Country Fire Authority, Central Highlands Water, The Australian Ballet and Chairs the Museum of Australian Photography.

Mr Peake has been a director since 2021, is the Chair of the Company's Audit and Risk Committee and a member of the Nomination, Remuneration and Culture Committee.

The Directors (with Mr Peake abstaining) recommend that you vote in favour of this resolution.

5. **Resolutions 4 and 5 – Approval for grant of equity incentives to Managing Director**

5.1 **Overview – Group remuneration policy**

Fixed and variable remuneration at the Company is set to reward capability and experience, and to provide recognition for contribution to the Company's goals and objectives.

Full details of the Company's remuneration policy and, governance and remuneration framework are set out in the Remuneration Report contained in the Company's 2024 Annual Report.

5.2 **The Managing Director's total remuneration package for FY25**

Information regarding the Managing Director's FY24 remuneration is detailed on pages 90 to 104 of the 2024 Annual Report.

The remuneration package for Mr Meij for FY25 comprises:

- Total fixed remuneration of \$1,853,183 (representing a 3.75% increase on FY24 which is consistent with the general increase provided to ANZ based staff in FY25);
- Short term incentive opportunity of up to \$1,650,000 (equivalent to 89% of fixed remuneration), 50% to be provided in cash and, subject to shareholder approval, 50% to be provided after 12 months in the form of the Right (STI); and
- Long term incentive opportunity of up to \$3,200,000 (equivalent to 173% of fixed remuneration) to be provided, subject to shareholder approval, in the form of Performance Rights (LTI).

6. **The performance measure for the FY25 LTI grant is Earnings Per Share (EPS) because of its alignment with long term shareholder value. Resolution 4 – Grant of a Right to the Managing Director, in respect of his FY25 STI.**

6.1 **Proposed FY25 STI**

The proposed STI opportunity for the Managing Director, Mr Don Meij, for the 2025 financial year (**FY25 STI**) is a maximum of \$1,650,000, which will be delivered as follows: 50% in cash and subject to shareholder approval, 50% deferred equity in the form of the Right. The Right will be granted on the terms and conditions in paragraph 6.3 and otherwise on the terms and conditions of the Domino's Pizza Share and Option Plan (**Plan**).

This deferred equity structure has been used because it supports retention, provides further alignment with shareholder interests and simplifies the communication of the STI structure to investors and participants.

The exact amount of the STI opportunity that Mr Meij will receive, if any, will be subject to the performance measures linked to earnings-based performance hurdles over FY25. The STI performance hurdle is set by the Board each year. Specific targets have not been disclosed due to their commercial sensitivity.

6.2 Approvals Sought

6.2.1 ASX LR 10.14.1 approval – agreement to issue shares to a director

Resolution 4 seeks approval for the grant of a Right to the Managing Director, to acquire Shares in the Company having a value of up to \$825,000, comprising the deferred portion his FY25 STI award, on the terms set out in the Plan and summarised below.

ASX Listing Rule 10.14.1 provides that an entity must not permit a director of the entity to acquire securities under an employee incentive scheme without the approval of holders of its ordinary securities. The Company wishes to have flexibility to satisfy the Right by way of issuing new Shares or acquiring Shares on-market.

Accordingly, Shareholders are asked to approve the grant of the Right and the issue of Shares on exercise of the Right. The number of Shares eligible to be acquired will be determined following the assessment of performance against earnings based performance hurdles over FY25.

Approval of this resolution will also result in the Right granted to the Managing Director being included as an exception to the approval requirements of ASX Listing Rule 7.1. This means the Right granted to the Managing Director, and any other Shares issued pursuant to this approval, will not use up part of the 15% placement capacity available under ASX Listing Rule 7.1.

If approval is not obtained from Shareholders, the Board will consider whether to make a payment in cash or acquire shares on-market to satisfy the Right.

6.2.2 Corporations Act approval – potential retirement benefit from early vesting of the Right

Section 200B of the Corporations Act requires shareholder approval by ordinary resolution, and in accordance with the provisions of section 200E of the Corporations Act, in order to access the exemption from the prohibition on a company giving a person a benefit in connection with that person's retirement from an office or employment in that company where that person is, or was in the three years prior to his or her retirement, in a managerial or executive office in that company.

Where the Managing Director ceases employment with the Company, the Right will immediately lapse, and any Shares held subject to a trading restriction will immediately be forfeited, unless he leaves for a "good leaver" reason.

However, the Board retains a discretion to determine a different treatment for the Managing Director's Right (and any Shares held subject to a trading restriction) on cessation of employment.

The Board has not determined whether it will exercise its discretion or, in what circumstances, it may exercise its discretion or what conditions it might require. But the Board considers that it should have the flexibility to exercise its discretion in the appropriate circumstances in the interests of the Company.

An exercise of the Board's discretion may result in the Company providing a benefit to the Managing Director in connection with his retirement from office. The value of that benefit cannot be determined in advance, as many of the factors that will or are likely to affect that value (such as the Company's share price) will not be known until the benefit is decided to be given (if at all). Shareholder approval is sought for the provision of such a benefit which may arise in the circumstances described above.

6.3 STI – Key terms of the Right

An overview of the key terms of the proposed grant of the Right are set out below.

Term	Details
Value of the Right	<p>Subject to Shareholder approval, the Managing Director will be granted a right to acquire Shares having a value of up to \$825,000 under the Plan and the terms and conditions described in this Explanatory Memorandum.</p> <p>The value of the Right will be determined based on 50% of the Managing Director's FY25 STI outcome. The Managing Director's total FY25 STI opportunity is \$1,650,000.</p>
Date of grant	If Shareholder approval is obtained, the Right will be granted to the Managing Director within 12 months of the AGM and in any event within 3 years after the date of the AGM.
Exercise period	From the date of grant, until the tenth anniversary of the date of grant.

Term	Details
General terms of the Right	<p>The Right is an entitlement to receive a number of Shares, equal to 50% of the value of the Managing Director's FY25 STI outcome, (or a cash payment of equivalent value at the Board's discretion), subject to the performance hurdles being achieved and the Managing Director remaining employed by the Company at the time of exercise.</p> <p>The Right does not carry any dividend or voting rights, or in general, a right to participate in other corporate actions such as bonus issues.</p> <p>The Right is not transferable (except in limited circumstances or with the consent of the Board).</p>

6.4 Previous STI awards

The current STI scheme for the Managing Director was first implemented in respect of the 2023 financial year. Since implementation, the Managing Director was granted, as part of his employment terms, a right to receive 50% of his FY23 STI and FY24 STI in the form of deferred equity, following approval by Shareholders at the 2022 AGM and 2023 AGM respectively. For FY24, the Managing Director was entitled to receive 10.5% of his STI, of which 50% was provided in the form of shares. For FY24, the Managing Director was issued 2,694 shares.

6.5 Voting Exclusion

A voting exclusion statement applicable to Resolution 4 is set out in this Notice of Meeting.

6.6 Directors' Recommendation

The Board (other than the Managing Director, who abstains from making a recommendation because of his interest in the resolution) unanimously recommends that Shareholders vote in favour of this Resolution 4.

7. Resolution 5 – Grant of Performance Rights to the Managing Director, in respect of the FY25 LTI

7.1 Proposed FY25 LTI

The FY25 LTI is a grant of Performance Rights that will be tested for vesting at the end of a three-year performance period against growth in earnings per share (EPS).

7.2 Approvals Sought

7.2.1 ASX LR 10.14.1 approval

ASX Listing Rule 10.14.1 provides that an entity must not permit a director of the entity to acquire securities under an employee incentive scheme without the approval of holders of its ordinary securities. The Company wishes to have flexibility to satisfy Performance Rights by way of issuing new Shares or acquiring Shares on-market.

Accordingly, Shareholders are asked to approve the grant of Performance Rights to the Managing Director, Mr Don Meij, under the Plan, over Shares having a value of \$3,200,000, on the terms and conditions set out below. Approval of this resolution will also result in the Performance Rights granted to the Managing Director being included as an exception to the approval requirements of ASX Listing Rule 7.1. This means the Performance Rights granted to the Managing Director, and any other Shares issued pursuant to this approval, will not use up part of the 15% placement capacity available under ASX Listing Rule 7.1.

If approval is not obtained from Shareholders, then the Board will consider whether to proceed with the grant, make the grant on different terms (subject to shareholder approval) or acquire Shares on-market to satisfy the Performance Rights.

7.2.2 Corporations Act approval – potential retirement benefit from early vesting of the Performance Rights

Section 200B of the Corporations Act requires shareholder approval by ordinary resolution, and in accordance with the provisions of section 200E of the Corporations Act, in order to access the exemption from the prohibition on a company giving a person a benefit in connection with that person's retirement from an office or employment in that company where that person is, or was in the three years prior to his or her retirement, in a managerial or executive office in that company.

Where the Managing Director ceases employment with the Company, the Performance Rights will immediately lapse, and any Shares held subject to a trading restriction will immediately be forfeited, unless he leaves for a "good leaver" reason.

However, the Board retains a discretion to determine a different treatment for the Managing Director's Performance Rights (and any Shares held subject to a trading restriction) on cessation of employment.

The Board has not determined whether it will exercise its discretion or, in what circumstances, it may exercise its discretion or what conditions it might require. But the Board considers that it should have the flexibility to exercise its discretion in the appropriate circumstances in the interests of the Company.

An exercise of the Board's discretion may result in the Company providing a benefit to the Managing Director in connection with his retirement from office. The value of that benefit cannot be determined in advance, as many of the factors that will or are likely to affect that value (such as the Company's share price) will not be known until the benefit is decided to be given (if at all). Shareholder approval is sought for the provision of such a benefit which may arise in the circumstances described above.

7.3 Key terms of the Performance Rights

An overview of the key terms of the proposed grant of Performance Rights to the Managing Director under the FY25 LTI are set out below.

Term	Details												
Value of the Performance Rights	<p>Subject to Shareholder approval, the Managing Director will be granted a number of Performance Rights under the Plan over Shares having a value equal to the FY25 LTI opportunity of \$3,200,000.</p> <p>The number of Performance Rights to be granted will be calculated by dividing \$3,200,000 by the VWAP of a Share over ten trading days, being the 5 days prior to, the day of, and the 4 days following, the Company's 2024 Annual General Meeting.</p>												
Date of grant	If Shareholder approval is obtained, the Performance Rights will be granted to the Managing Director as soon as practicable after the AGM, but in any event, within 3 years of the date of the AGM.												
Performance Rights	<p>Each performance right is an entitlement to receive one Share (or a cash payment of equivalent value at the Board's discretion), subject to satisfaction of the applicable performance and service-related conditions.</p> <p>Performance Rights do not carry any dividend or voting rights, or in general, a right to participate in other corporate actions such as bonus issues.</p> <p>Performance Rights are not transferable (except in limited circumstances or with the consent of the Board).</p>												
Performance measures and weightings	<p>Vesting of the LTI is subject to 80% EPS growth and 20% organic net new store openings.</p> <p>EPS hurdle</p> <p>100% of the Performance Rights will vest subject to the following schedule.</p> <table border="1"> <thead> <tr> <th>EPS compound annual growth rate</th> <th>Portion vesting</th> </tr> </thead> <tbody> <tr> <td>Less than 8%</td> <td>0%</td> </tr> <tr> <td>At 8%</td> <td>30%</td> </tr> <tr> <td>Between 8% and 12%</td> <td>Straight line vesting between 30% and 85%</td> </tr> <tr> <td>Between 12% and 15%</td> <td>Straight line vesting between 85% and 100%</td> </tr> <tr> <td>At or above 15%</td> <td>100%</td> </tr> </tbody> </table> <p>EPS (basic) reflects the company's net profit after tax divided by the total number of shares on issue. EPS is calculated on a 'constant currency' basis (to AUD using the average currency exchange rates for the base financial year). Using a constant currency measure of EPS removes volatility from exchange rate movements out of the control of executives.</p>	EPS compound annual growth rate	Portion vesting	Less than 8%	0%	At 8%	30%	Between 8% and 12%	Straight line vesting between 30% and 85%	Between 12% and 15%	Straight line vesting between 85% and 100%	At or above 15%	100%

Between 12% and 15%	Straight line vesting between 85% and 100%												
At or above 15%	100%												
Performance period	<p>The performance measures outlined above will be tested over a three-year performance period for the financial years FY25, FY26, and FY27. The number of Performance Rights eligible to vest will be determined following the end of FY27.</p> <p>Any Performance Rights that do not vest following testing will lapse.</p>												
Vesting date	The date that the Board notifies the Managing Director of the extent to which his Performance Rights have vested, following the end of the performance period.												
Exercise period	Vested Performance Rights may be exercised for a period of five years from the vesting date.

Term	Details
Allocation of Shares following exercise	<p>Following determination of the extent to which the performance measures have been satisfied (at the end of the three-year performance period), vested Performance Rights will become exercisable and may be exercised during the exercise period.</p> <p>One Share will be allocated for each vested performance right that is exercised, see “Trading Restriction” below.</p> <p>The Company’s obligation to allocate Shares on exercise may be satisfied by issuing new Shares, acquiring Shares on-market or by transferring from an employee share trust.</p>
Trading Restriction of Shares following exercise	<p>The Shares allocated on the exercise of the Right will be transferred directly into the Company’s employee share trust, where they will be subject to a trading restriction for a period of two years from the vesting date.</p> <p>While the Shares are subject to a trading restriction, they are not able to be sold, or otherwise dealt with, by the Managing Director.</p>
Price payable for securities	<p>No amount is payable in respect of the grant of Performance Rights, nor in respect of any Shares allocated on exercise of vested Performance Rights.</p>
Cessation of employment	<p>In general, if the Managing Director ceases employment with the Company, the treatment of his Performance Rights and any Shares subject to a trading restriction will depend on the circumstances of his cessation.</p> <p>Where the Managing Director ceases employment with the Company, his Performance Rights (both vested and unvested) will immediately lapse, and any Shares held subject to a trading restriction will immediately be forfeited, unless he leaves for a “good leaver” reason, which includes total and permanent disablement and death.</p> <p>Where the Managing Director ceases employment for a “good leaver” reason, all vested and unvested Performance Rights will continue on the same terms, unless the Board determines otherwise. Unvested Performance Rights will vest on the vesting date, and the number of Performance Rights that vest will be pro-rated to reflect the period of time that has elapsed from the grant date to the date of cessation.</p> <p>The Board retains discretion to determine a different treatment for the Managing Director’s Performance Rights (and any Shares held subject to a trading restriction) on cessation of employment.</p>
Malus and clawback	<p>The Board has the ability to apply malus and/or clawback and lapse the Performance Rights and forfeit Shares subject to a trading restriction in certain circumstances, including fraud, gross misconduct and material reputational damage to the Company.</p>
Other information	<p>There is no loan scheme in relation to the grant of Performance Rights. A summary of the material terms of the Plan is set out in the Annexure. Details of any Performance Rights granted under the Plan will be published in the Annual Report relating to the period in which they were granted, along with a statement that approval for the grant was obtained under Listing Rule 10.14. Any additional people covered by ASX Listing Rule 10.14 who become entitled to participate in a grant of Performance Rights under the Plan after this Resolution 5 is approved, and who were not named in this Notice of Meeting, will not participate until approval is obtained under that rule.</p>

7.4 Previous LTI awards

The current LTI scheme for the Managing Director was first implemented in respect of the 2023 financial year. Since implementation, the Managing Director was granted, as part of his employment terms the following Performance Rights on terms and conditions which were substantially similar to the current proposed LTI award (including vesting based on satisfaction of performance conditions):

- 54,265 Performance Rights for FY23 on the basis of an average acquisition price of \$58.97 per security; and
- 62,426 Performance Rights for FY24 on the basis of an average acquisition price of \$51.26 per security.

7.5 Voting Exclusion

A voting exclusion statement applicable to Resolution 5 is set out in this Notice of Meeting.

7.6 Directors' Recommendation

The Board (other than the Managing Director, who abstains from making a recommendation because of his interest in the resolution) unanimously recommends that Shareholders vote in favour of this Resolution 5.

Annexure – Summary of the material Plan terms

Key terms of the Plan are as follows:

Eligibility	The Board may invite a person to participate in the Plan if that person is a director, employee or any person who provides advice or services to the Company (whether or not engaged as an employee or contractor).
Option terms	Unless otherwise specified in the terms and conditions of grant (i.e. if the cashless exercise facility applies or if the option is a short term incentive zero exercise price option), each option confers an entitlement to be allocated 1 fully paid ordinary share.
Ranking of shares	Shares allocated on exercise of an option will rank equally with all existing shares on issue in respect of all rights issues, bonus issues and dividends which have a record date for determining entitlements on or after the allocation date of those shares.
Exercise Conditions	Vesting of options is subject to the satisfaction of exercise conditions, which may include performance measures and will generally be subject to a continuous employment requirement with the Company.
Exercise	An option which has vested and which has not lapsed may be exercised by the participant during the Exercise Period by paying the Exercise Price (if any) or utilising the cashless exercise facility.
Cashless Exercise Facility	The Company may advise a participant that the cashless exercise facility applies to their options. The cashless exercise facility allows participants to set off the option exercise price against the number of shares to be issued on exercise of the option.
Exercise Period	The exercise period is a defined period set out in the terms of the grant.
Rights	No dividends or voting rights are provided on any options unless options have been exercised and shares have been issued in respect of those options.
Lapse of options	Subject to the Board's discretion, an option will lapse in certain circumstances, including where: <ul style="list-style-type: none">• the participant ceases to be employed by any member of the Company's group;• the Board determines that the participant has (a) been dismissed, removed from office or otherwise terminated for a reason which entitles a group company to dismiss the participant without notice; (b) committed any act of fraud, defalcation or gross misconduct in relation to the affairs of the Company (whether or not charges with an offence); or (c) done any act which brings the group into disrepute;• the option has not been exercised by the last exercise date; or• the participant elects to surrender the option.
Administration	The Plan is administered by the Board and the Board may establish a Share Trust and administer the Plan in conjunction with the Share Trust. Where the Plan provides for a determination, decision, approval or opinion of the Board or the Company, that may be given by the Board in its absolute discretion.
Amendments	The Board may at any time amend any of the Plan rules or waive or modify the application of the Plan rules in relation to any participant.

When you enter the number of votes in a certain box it will automatically tally how many votes you have left.

Note: If you are submitting a partial vote and do not use all of your entitled votes, the un-voted portion will be submitted as No Instruction and therefore will not be counted.

Once you have finished voting on the resolutions scroll down to the bottom of the box and click the red **'Cast Vote'** or **'Cast Partial Vote'** button.

Note: You are able to close your voting card during the meeting without submitting your vote at any time while voting remains open. Any votes you have already made will be saved for the next time you open up the voting card. The voting card will appear on the bottom left corner of the webpage. The message **'Not yet submitted'** will appear at the bottom of the page.

You can edit your voting card at any point while voting is open by clicking on **'Edit Card'**. This will reopen the voting card with any previous votes made.

If at any point you have submitted your voting card and wish to make a change while voting is still open you can do so by clicking the **'Edit Card'** button and making the required change. Once you have completed your card select the red **'Cast Vote'** or **'Cast Partial Vote'** button.

The voting card remains editable until the voting is closed at the conclusion of the Meeting. Once voting has been closed all voting cards, submitted and un-submitted, will automatically be submitted and cannot be changed.

At the conclusion of the Meeting a red bar with a countdown timer will appear at the top of the Webcast and Slide windows advising the remaining voting time available to shareholders. Please make any changes required to your voting cards at this point and submit your voting cards.

If an additional resolution is proposed during the meeting, there will be a short delay while the resolution is added to the voting card. Once the resolution has been added you will be notified by the Chairman during the meeting. In order to vote on the extra resolution you will need to reopen your voting card to cast your vote by clicking the **'Edit Card'** button.

Note: Registration for the Meeting and voting opens 30 minutes before the meeting begins.
