Information for Shareholders

General Meeting

This Notice of Meeting applies to the 2024 Annual General Meeting of the Company that will be held on Tuesday, 12 November 2024 at 10:00am (Sydney time) at Baker McKenzie, Tower One – International Towers Sydney, Level 46, 100 Barangaroo Avenue, Sydney NSW 2000.

The Explanatory Statement provides additional information on matters to be considered at the Meeting. The Explanatory Statement and the Proxy Form are considered part of this Notice of Meeting. Capitalised terms used in this Notice of Meeting and the Explanatory Statement have the meaning given to those terms in the Explanatory Statement.

Asking questions at the Meeting

Shareholders are:

- encouraged to submit questions before the Meeting via email to AGM2024@count.au; and
- welcome to submit questions during the Meeting when the Chair provides the opportunity to do so.

Submitting questions in advance will not prevent any Shareholder from asking questions at the Meeting should they wish to do so, however, submitting questions in advance will facilitate a considered reply.

Questions submitted before the Meeting should be received by no later than 10:00am (Sydney time) on Monday, 11 November 2024. Please note that individual responses to questions will not be sent.

All Resolutions by poll

The Chair intends to call a poll on each of the Resolutions proposed at the Meeting. Each Resolution considered at the Meeting will therefore be conducted by poll, rather than a show of hands. Every Shareholder who is present in person or by proxy, representative or attorney will have one vote for each Share held by that Shareholder.

How to vote

For the purpose of the Meeting, securities will be taken to be held by the persons who are registered as the holders of those securities at 7:00pm (Sydney time) on Sunday, 10 November 2024.

Shareholders may vote either by:

- voting in person at the Meeting; or
- appointing a proxy to attend the Meeting on their behalf.

Voting prior to the Meeting via the online platform

Shareholders may lodge a direct vote or appoint a proxy online at www.investorvote.com.au or by submitting a voting form to the Share Registry. Please note that your votes need to be received by no later than 10:00am (Sydney time) on Sunday, 10 November 2024. To log in, you will need your holder identifier (SRN, HIN or employee identification) and postcode.

Appointing a proxy to attend on their behalf, using the Proxy Form

A Shareholder entitled to attend and vote, is entitled to appoint one proxy if the Shareholder is entitled to cast one vote, or two proxies if the Shareholder is entitled to cast two or more votes to attend and vote instead of that Shareholder. If two proxies are appointed, you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 on the Proxy Form.

An instrument appointing a proxy must be signed by the Shareholder appointing the proxy or by the Shareholder's attorney duly authorised in writing or, if the Shareholder is a corporation, in accordance with the Corporations Act and the Constitution. A proxy need not be a Shareholder of the Company.

Where more than one joint Shareholder votes, the vote of the Shareholder whose name appears first in the register of Shareholders shall be accepted to the exclusion of the others.

A Proxy Form and the power of attorney or authority (if any) under which it is signed or a copy of that power of attorney or authority certified as a true copy, must be lodged not less than 48 hours before the commencement of the Meeting, being 10:00am (Sydney time) on Sunday, 10 November 2024.

If you sign and return a Proxy Form and do not nominate a person to act as your proxy, the Chair will be appointed as your proxy by default.

For personal use only

Proxy voting and proxy holder participation

The Company encourages all Shareholders to submit a proxy vote ahead of the Meeting.

A Proxy Form is enclosed together with a reply paid envelope. For Shareholders on the Australian sub-register, proxy votes can also be lodged online at www.investorvote.com.au.

Shareholders who submit a proxy vote can either participate in the Meeting themselves or appoint a proxy to participate for them. To participate in the Meeting, proxyholders will need to contact the Share Registry, Computershare Investor Services Australia, during the registration period which will open one hour before the start of the Meeting.

Proxy vote if appointment specifies way to vote

Section 250BB of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- a) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- b) if the proxy has two or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- c) if the proxy is the Chair of the Meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- d) if the proxy is not the Chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-Chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- a) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- b) the appointed proxy is not the Chair of the Meeting; and
- c) at the Meeting, a poll is duly demanded on the question that the resolution be passed; and
- d) either of the following apply:
 - i) if a record of attendance is made for the Meeting – the proxy is not recorded as attending; or
 - ii) the proxy does not vote on the resolution,

the Chair of the Meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution of the Meeting.

Proxy voting on Resolutions 2 and 3 – and voting by Chair

Key Management Personnel and their Closely Related Parties will not be able to vote your proxy on Resolutions 2 and 3 unless you direct them how to vote by marking the voting boxes for those Resolutions. If you intend to appoint a Key Management Personnel (or their Closely Related Party) as your proxy, please ensure that you direct them how to vote on Resolutions 2 and 3.

If you intend to appoint the Chair of the Meeting as your proxy, you can direct him to vote by marking the relevant boxes on the Proxy Form. If you sign and return your Proxy Form and do not provide any voting directions, you will be deemed to have expressly authorised the Chair of the Meeting (where he is appointed your proxy or becomes your proxy by default) to cast your vote on Resolutions 2 and 3 even though Resolutions 2 and 3 are connected with the remuneration of the Key Management Personnel or the Board.

The Chair intends to vote any undirected proxies held by him in favour of all items of business.

Resolution 1

Re-election of Mr Ray Kellerman

Background

Shareholder approval is sought for the re-election of Mr Ray Kellerman who, retires by rotation in accordance with Listing Rule 14.5 and Rule 10.2 of the Constitution and, being eligible, offers himself for re-election as a Director. Mr Kellerman was re-elected as a Director at the Company's 2022 Annual General Meeting and so, pursuant to Listing Rule 14.5 and Rule 10.2 of the Constitution, retires from office at the 2024 Annual General Meeting and seeks re-election as a Director.

Details of the qualifications and experience of Mr Kellerman are as follows:

- Mr Kellerman was appointed as an Independent Non-Executive Director of the Company in January 2017 and Chairman in April 2017. He is a member of the Remuneration and Nominations Committee.
- Mr Kellerman has over 35 years of experience in the financial services industry, including in the funds management, financial advisory, life insurance and corporate and structured finance industries. Previous appointments include Independent Chairman of ClearView Wealth (an ASX listed life insurance and financial services company) and Independent Chairman of Credit Suisse Asset Management Australia. Prior to this, he was with Perpetual Trustees Australia for 10 years before establishing his own financial services and compliance advisory business in 2001.
- Mr Kellerman is an owner and Executive Director of Quentin Ayers, an implemented asset advisor specialising in alternative private market investments. He holds qualifications in law, economics, investment securities and management.
- Mr Kellerman currently acts as a director for Goodman Funds Management Australia, Ironbark Asset Management (Fund Services), Serene Capital and Ryder Capital. He is also active in a number of governance related roles for some major fund managers operating in Australia.

The Board considers Mr Kellerman to be independent and free from any business or other relationship that could materially interfere with the independent exercise of his judgement.

Directors' recommendation

 The Board (with Mr Kellerman absent and not voting) unanimously recommends that Shareholders vote in favour of the re-election of Mr Kellerman.

Resolution 2

Adoption of Remuneration Report

Background

Section 300A of the Corporations Act requires disclosure, in a dedicated part of the Directors' Report under the heading of 'Remuneration Report' of the remuneration paid to Key Management Personnel (including non-executive and executive directors) of a listed company.

A copy of the Remuneration Report of the Company for the financial year ended 30 June 2024 is set out on pages 28 to 40 of the Company's 2024 Annual Report.

The Corporations Act also requires a listed company to put its remuneration report for each financial year to a resolution of members at its AGM. Under section 250R(3) of the Corporations Act, the vote is advisory only and does not bind the Directors or the Company. However, if at least 25% of the votes cast on Resolution 2 are against adoption of the Company's Remuneration Report at two consecutive AGMs (such votes commonly referred to as the 'first strike' and 'second strike' respectively), the Company will be required to put to Shareholders at the second of those AGMs a resolution proposing the calling of an extraordinary general meeting to be held within 90 days of the second AGM. At this extraordinary general meeting, all of the Company's Directors in office at the time of the Directors' resolution to approve the Directors' Report containing that second Remuneration Report (other than the Managing Director) will cease to hold office but may stand for re-election.

At the Company's 2023 AGM, 98.7% of votes were cast in favour of the adoption of the Remuneration Report in the Company's 2023 Annual Report.

Please see the Remuneration Report section of the Company's 2024 Annual Report for further detail.

Directors' recommendation

 Noting that each Director has a personal interest in his or her own remuneration from the Company as described in the Remuneration Report, the Board unanimously recommends that Shareholders vote in favour of the 2024 Remuneration Report.

Resolution 3

Grant of Performance Rights to the Managing Director and CEO (Mr Hugh Humphrey)

Background

Shareholder approval is sought for the grant of Performance Rights to the Managing Director and CEO, Mr Hugh Humphrey, under the LTI Award.

Mr Humphrey as Managing Director and CEO has previously been granted 1,343,428 Performance Rights as disclosed on page 38 in the Remuneration Report section of the Company's 2024 Annual Report.

Grant of Performance Rights

Key terms

The key terms of Mr Humphrey's remuneration package, and the Performance Rights, are as follows:

a) Current total Remuneration Package

Mr Humphrey's current total fixed annual remuneration (FAR) is \$630,053 and he has a maximum short-term incentive (STI) of \$472,540[^].

Mr Humphrey's Executive Service Agreement provides that (subject to Shareholder approval) he will be awarded an annual long-term incentive calculated based on 80% of his FAR, therefore the LTI Award value is \$504,042. The formula to calculate the number of Performance Rights is determined by dividing the LTI Award value (\$504,042) by the 30-day Volume Weighted Average Price (VWAP) of Shares at the grant date. The 30-day VWAP will be independently calculated. Since the number of rights to be offered to Mr Humphrey for the 2024 LTI Award is unknown at the date of this Notice, the Company has disclosed the formula for the purposes of Listing Rule 10.15.3. For illustrative purposes only, an example of the use of the formula above can be shown in the table below.

LTI Award Value	= \$504,042 (80% of \$630,053)
30-day VWAP at grant date	= \$0.68 per share
*Number of Performance Rights to be granted	= 741,238 (\$504,042 divided by \$0.68)

* This figure is used for illustrative purposes only.

[^] The Board at their discretion, may reward Mr Humphrey with an additional STI amount of \$68,688 for FY25. Refer to note 4 of page 37 of the 2024 Annual Report.

Price of Performance Rights

The Performance Rights will be granted at no cost to Mr Humphrey. Once the Vesting Conditions (described below) are met (or waived), the Performance Rights will vest and can be exercised for nil exercise price.

On exercise, Mr Humphrey will be entitled to receive one Share for each Performance Right.

Importantly, no value will be received by Mr Humphrey if the Performance Rights lapse prior to the vesting dates.

The 'fair value' of the Performance Rights for accounting purposes will be determined at their grant date and the value expensed over the relevant service period after taking account of any market and non-market vesting conditions, in accordance with Australian equivalent of the International Financial Reporting Standards (AIFRS-2).

b) Grant Date

It is intended that, if Resolution 3 is approved by Shareholders, the Performance Rights will be granted immediately after this Meeting and, in any case, no later than 12 months after the date of this Meeting.

c) Vesting Date

The vesting date for the Performance Rights will be 13 November 2027 (**Vesting Date**), subject to meeting the Vesting Conditions (described below). Any unvested Performance Rights will expire on 13 December 2027 if they have not lapsed or been forfeited earlier.

For personal use only

For personal use only

d) Vesting Conditions

The number of Performance Rights which will vest is dependent on and subject to the 2024 LTI Award Service and Performance Conditions (together, the **Vesting Conditions**) set out below.

In addition, if, in the Board's opinion, Mr Humphrey has acted fraudulently or dishonestly or is in breach of his material obligations to the Company, the Board may determine that any or all of his Performance Rights which have not yet vested, lapse.

i) Service Condition

The Service Condition is that Mr Humphrey must remain employed with the Company for a continuous period of three years from the grant date of the Performance Rights.

ii) Performance Conditions

In addition to the Service Condition described above, there are two performance hurdles – underlying earnings per share growth (**EPS**) and underlying return on equity (**ROE**).

Each performance hurdle has a 50% weighting. The performance hurdles were chosen because the Company believes they:

- align with the Company's strategy and the interests of Shareholders;
- best reflect the key financial performance metrics of the Company; and
- strike an appropriate balance between growth and long-term profitability.

The Company's Remuneration and Nominations Committee reviews the long-term equity-linked performance incentives for the CEO and senior management, annually.

The vesting schedule, as depicted in the tables below, will take effect for grants of Performance Rights made under the Plan after the date of the Meeting, including the proposed 2024 LTI Award to be made to Mr Humphrey if Resolution 3 is approved. This vesting schedule, amended from that of prior years, will not impact or amend the terms of the Performance Rights previously made (including those approved by Shareholders).

1) Underlying Diluted EPS Growth Hurdle (50% weighting)

Up to 50% of the Performance Rights (Underlying Diluted EPS Tranche) will vest if the Company's underlying earnings per share (EPS) achieves a growth rate of between 10% and 12.5% per annum averaged over three consecutive financial years commencing on 1 July 2024 (Underlying Diluted EPS Growth).

The deemed base year EPS of 4.39 cents per Share has been determined by the reported FY2024 underlying net profit after tax (NPAT), and is disclosed on page 16 of the 2024 Annual Report.

	Underlying Diluted EPS Growth	% of Performance Rights Vesting*
Threshold	10%	50%
Target	12.5%	100%

* Straight-line vesting between threshold and target

The Board has the discretion to adjust for material one-off impacts to the performance metrics to ensure the intent and integrity of the hurdles are preserved.

2) Average underlying ROE Hurdle (50% weighting)

Up to 50% of the Performance Rights (ROE Tranche) will be subject to a Company underlying ROE of between 7% and 11% per annum averaged over three consecutive financial years, commencing on 1 July 2024 (Average underlying ROE).

	Average underlying ROE	% of Performance Rights Vesting*
Threshold	7%	50%
Target	11%	100%

* Straight-line vesting between threshold and target

The Board has the discretion to adjust for material one-off impacts to the performance metrics to ensure the intent and integrity of the hurdles are preserved.

Other Conditions

Change of control: If a change of control occurs, the Board will determine, in its sole and absolute discretion, the manner in which all unvested and vested Awards will be dealt with.

Cessation of employment: If Mr Humphrey ceases employment before the Vesting Conditions are satisfied, the Performance Rights will automatically lapse (unless the Board determines otherwise).

ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme:

- a director of the company (ASX Listing Rule 10.14.1);
- an associate of a director of the company (ASX Listing Rule 10.14.2); or
- a person whose relationship with the company or a person referred to in ASX Listing Rule 10.14.1 or ASX Listing Rule 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its Shareholders,

unless it obtains the approval of its Shareholders.

The proposed grant of Performance Rights to Mr Humphrey falls under the ASX Listing Rule 10.14.1 as Mr Humphrey is a Director. The purpose of Resolution 3 is to obtain Shareholder approval for the proposed grant of the Performance Rights to Mr Humphrey under the 2024 LTI Award and to the extent those Performance Rights vest and are exercised, the issue of the underlying Shares in the Company, under and for the purposes of ASX Listing Rule 10.14.

If Shareholders approve Resolution 3, Performance Rights will be granted to Mr Humphrey under the 2024 LTI Award and on the basis set out above. If Resolution 3 is not approved, the Performance Rights will not be granted and the Board will consider other ways to reward and incentivise Mr Humphrey.

Mr Humphrey is the only Director entitled to participate in the Plan. There is no loan for the Performance Rights granted, given that no consideration is payable for the grant of the Performance Rights or upon exercise should they vest.

Other information

- Shares issued pursuant to the exercise of vested Performance Rights will rank equally with Shares then on issue in the Company.
- The Performance Rights are not transferable.
- Mr Humphrey will be prohibited from mortgaging or granting any security interest over his interests in the Performance Rights, or entering into any hedging arrangements in respect of the Performance Rights.
- Performance rights are used to align the remuneration of Mr Humphrey with Shareholder value, whilst retaining his services.
- If Shareholder approval is obtained, details of the Performance Rights granted to Mr Humphrey under the 2024 LTI Award will be provided in the Remuneration Reports for each relevant subsequent year along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.
- Any additional person covered by ASX Listing Rule 10.14 who becomes entitled to participate under the LTI scheme after Resolution 3 is approved and who was not named in the Notice of Meeting will not participate until approval is obtained under that rule.
- For the purposes of exception 14 of ASX Listing Rule 7.2, it is noted that if approval is given by Shareholders under ASX Listing Rule 10.14 for the grant of the Performance Rights to Mr Humphrey, approval for such grant is not required under ASX Listing Rule 7.1. Similarly, the Company is entitled to rely on ASX Listing Rule 10.12 (Exception 8) as an exception to any requirement that may otherwise apply requiring Shareholder approval under ASX Listing Rule 10.11.

Directors' recommendation

- The Board (with Mr Humphrey absent and not voting) considers the grant of Performance Rights to Mr Humphrey to be appropriate in all circumstances and unanimously recommends that Shareholders vote in favour of the grant of the Performance Rights to Mr Humphrey and Resolution 3.

Resolution 4

Approval of 10% Placement Capacity

Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its AGM, to increase this 15% limit by an extra 10% to 25%.

An "eligible entity" means an entity which is not included in the S&P/ASX300 Index and which has a market capitalisation of \$300 million or less at the date of the Meeting. The Company is an eligible entity for these purposes as at the date of this Notice (based on the closing price and quantity of its Shares on 19 September 2024, being \$0.645 multiplied by 168,797,227, being the number of Shares on issue as at the date of this Notice) for a total market capitalisation of \$108,874,211.

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval (**Additional Issuance Capacity**).

If Resolution 4 is not passed, the Company will not be able to access the Additional Issuance Capacity and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Directors' recommendation

The Board considers it is in the Company's best interests to have the opportunity to take advantage of the flexibility to issue additional securities provided under ASX Listing Rule 7.1A. As at the date of this Notice, no decision has been made by the Board to undertake any issue of Equity Securities under the Additional Issuance Capacity if Shareholders approve Resolution 4.

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

The information below provides more background on ASX Listing Rule 7.1A and the disclosure required by ASX Listing Rule 7.3A.

Description of ASX Listing Rule 7.1A

a) Securities which may be issued under the Additional Issuance Capacity

The Additional Issuance Capacity is in addition to the Company's usual 15% placement capacity under Listing Rule 7.1.

Under the Additional Issuance Capacity, the Company must issue Equity Securities belonging to an existing quoted class of the Company's Equity Securities. As at the date of this Notice, the Company has on issue one class of quoted Equity Securities, being fully paid ordinary shares (ASX Code: CUP).

As at the date of this Notice, the Company has 168,797,227 Shares on issue and therefore, in addition to any other Shares which it can issue under the permitted exceptions to Listing Rules 7.1 and 7.1A, it has capacity to issue:

- i) 25,319,584 Shares under Listing Rule 7.1; and
- ii) subject to Shareholder approval being obtained under Resolution 4, 16,879,723 Shares under Listing Rule 7.1A.

The actual number of Shares that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Shares in accordance with the formula in Listing Rule 7.1A.2.

b) Minimum issue price

The issue price of each Equity Security issued under the Additional Issuance Capacity must not be less than 75% of the VWAP for the securities in that class, calculated over the 15 ASX trading days on which trades of securities in that class were recorded immediately before:

- i) the date on which the price at which the securities are to be issued is agreed by the Company and the recipient of the securities; or
- ii) if the securities are not issued within 10 ASX trading days of the date referred to in paragraph (i) above, the date on which the securities are issued.

The issue of Equity Securities under the Additional Issuance Capacity consists only of Shares and the consideration provided for those Shares must be cash in accordance with Listing Rule 7.1A.3.

The Company will disclose this information when Equity Securities are issued under the Additional Issuance Capacity.

For personal use only

For personal use only

c) Period for which approval will be valid

Shareholder approval of the Additional Issuance Capacity will be valid for the period commencing on the date of the Meeting and expiring on the first to occur of the following:

- i) the date that is 12 months after the date of this Meeting;
- ii) the time and date of the Company's next AGM; or
- iii) if the Company receives Shareholder approval for a proposed transaction under ASX Listing Rule 11.1.2 (significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking), the time and date of that approval.

d) Dilution Risks

If Equity Securities are issued under the Additional Issuance Capacity, there is a risk of economic and voting dilution of existing Shareholders, including the following risks:

- i) the market price for Equity Securities in the class of securities issued under the Additional Issuance Capacity may be significantly lower on the issue date than on the date of the approval under ASX Listing Rule 7.1A (that is, the date of the Meeting, if Resolution 4 is approved); and
- ii) the Equity Securities may be issued under the Additional Issuance Capacity at a discount to the market price for those Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2, as at 19 September 2024.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue as at 19 September 2024. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro-rata entitlement offer or securities issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future general meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at 19 September 2024.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)*	Dilution

	Funds Raised	\$10,887,421	\$21,774,842	\$32,662,263

* The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 168,797,227 Shares on issue.
2. The issue price set out above is the closing price of the Shares on the ASX on 19 September 2024.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the Additional Issuance Capacity consists only of Shares and the consideration provided for those Shares is cash. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

e) Purpose of issue under Additional Issuance Capacity

The Company may seek to issue Equity Securities under the Additional Issuance Capacity to raise cash to fund the following:

- i) general working capital and general corporate purposes;
- ii) activities associated with its current assets;
- iii) repayment of debt; or
- iv) the acquisition of new assets and investments (including any expenses associated with such an acquisition).

The Company will comply with the disclosure required by ASX Listing Rule 7.1A.4 on issue of any Equity Securities issued pursuant to the approval sought by Resolution 4.

f) Allocation under Additional Issuance Capacity

The identity of the recipients of Equity Securities issued under the Additional Issuance Capacity will be determined on a case-by-case basis at the time of issue and in the Company's discretion.

No decision has been made in relation to an issue of Equity Securities under the Additional Issuance Capacity, including whether the Company will engage with new investors or existing Shareholders, and if so the identities of any such persons.

However, when determining the allocation and identity of the recipients, the Company will have regard to the following considerations:

- i) prevailing market conditions;
- ii) the purpose for the issue of the Equity Securities;
- iii) the financial situation and solvency of the Company;
- iv) impacts of the placement on control of the Company;
- v) other methods of raising capital; and
- vi) advice from corporate, legal, financial and broking advisers (if applicable).

Recipients under the Additional Issuance Capacity have not yet been determined as at the date of this Notice and may include existing Shareholders or new investors, but not persons who are Directors, related parties or associates of related parties of the Company without a further specific Shareholder approval.

Resolution 5

Approval of Proportional Takeover Provisions in Constitution

Background

A takeover bid involves a bidder making a purchase offer at a specified price to each holder of a particular class of securities. These offers are made either as an on-market bid or an off-market bid.

An on-market bid must be for all the securities in the bid class, while an off-market bid may specify a proportion of the securities in the bid class to which the offer relates. A proportional takeover bid is one under which the offer is made to each Shareholder only for a proportion of that Shareholder's securities.

The Corporations Act permits a company to include in its constitution proportional takeover provisions prohibiting the registration of a transfer of securities resulting under a proportional takeover bid, unless and until a resolution to approve the bid is passed in accordance with the provisions.

The Constitution submitted to the ASX on its admission to the official list on 22 December 2010 included certain provisions dealing with proportional takeover bids, designed to assist shareholders to receive proper value for their shares if a proportional takeover bid is made for the Company.

These proportional takeover provisions do not prohibit a proportional takeover, rather they provide shareholders the opportunity to meet, consider and vote on whether the bid should be allowed to proceed.

The proportional takeover provisions contained in Rule 22 of the Constitution were last approved by shareholders at the 2021 Annual General Meeting, and cease to apply from 16 November 2024. If Resolution 5 is passed, the proportional takeover provisions will take effect from the close of the Meeting until 3 years from the date of the Meeting. They will then cease to apply unless approved by a special resolution of the Company.

The Directors consider that it is in the best interests of shareholders to renew the proportional takeover provisions in the Constitution. Accordingly, a special resolution is being put to shareholders under section 648G of the Corporations Act.

The Corporations Act requires that the following information be provided to shareholders when they are considering the insertion or renewal of proportional takeover provisions in a constitution.

Reasons for proposing the resolution

The Board considers that shareholders should continue to have the opportunity to vote on a proposed proportional takeover bid.

In the absence of new Rule 22 of the Constitution, a proportional takeover bid for the Company may enable a bidder to obtain control of the Company without shareholders having the opportunity to sell all their shares.

Shareholders may then be exposed to the risk of being left as a minority in the Company by a bidder being able to acquire control of the Company without payment of an adequate premium for all of their shares.

If Rule 22 of the Constitution is adopted, the Board considers that this risk will be minimised, as shareholders will be given the opportunity to decide whether a proportional takeover bid should be permitted to proceed.

Potential advantages and disadvantages

The proposed proportional takeover provisions will enable the Directors to ascertain the views of the shareholders on a proportional takeover bid. The Directors consider that the proposed proportional takeover provisions have no potential advantages or disadvantages for them as they remain free to make a recommendation on whether a proportional takeover bid should be approved.

For shareholders, the Directors consider the renewal of the proportional takeover provisions will provide all relevant shareholders with the opportunity to consider, discuss in a meeting called specifically for the purpose, and vote on whether a proportional takeover bid should be approved. This affords the relevant shareholders an opportunity to have a say in the future ownership and control of the Company and help the shareholders to avoid being locked into a minority or having less opportunity in the future to sell their shares in the Company at a price that is considered attractive to the shareholder (because of the presence of a majority shareholder).

The Directors believe this will encourage any proportional takeover bid to be structured to be attractive to at least a majority of the relevant Shareholders. It may also discourage the making of a proportional takeover bid that might be considered opportunistic.

For personal use only

Finally, knowing the view of a majority of the relevant Shareholders may help each individual holder to assess the likely outcome of the proportional takeover bid and decide whether or not to accept an offer under the bid.

A potential disadvantage for shareholders arising from the new proportional takeover provisions is that proportional takeover bids may be discouraged by the procedural steps that the rule will entail and, accordingly, this may reduce any takeover speculation element in the price of the Company's securities.

Shareholders may be denied an opportunity to sell a portion of their securities at an attractive price where the majority rejects an offer from persons seeking control of the Company.

These advantages and disadvantages of the proportional takeover provisions have been applicable during the period that the prior rule had been in effect. It should be noted that during that period, no takeover bid for securities in the Company (whether proportional or otherwise) had been announced or made. While it may be argued that during that period, they had the disadvantage of discouraging proportional takeover bids, the Board is not aware of any potential takeover bid that was discouraged by those provisions during that period.

The Board does not believe the potential disadvantages outweigh the potential advantages of inserting the proportional takeover provisions in the Constitution.

The effect of the proposed provisions

The effect of Rule 22 of the Constitution will be that where a proportional takeover bid is made for securities in the Company, the Directors must ensure that a resolution to approve the proportional takeover bid is voted on at least 14 days before the last day of the bid period.

To be passed, the resolution must be approved by a majority of votes at the meeting and each person, excluding the bidder and its associates, who as at the end of the day on which the first offer under the bid was made held bid class securities, is entitled to vote, on the basis of one vote for each bid class security held at that time.

If the resolution to approve the bid is not passed, transfers resulting from acceptances for the proportional takeover bid will not be registered and the bid will be taken to have been withdrawn. However, the Corporations Act also provides that, if the meeting is not held within the time required, then a resolution to approve the proportional takeover bid will be deemed to have been passed.

If the resolution to approve the proportional takeover bid is passed or deemed to have been passed, the transfer of securities resulting from acceptance of an offer under that bid will be permitted, and the transfers registered, subject to the Corporations Act and the Constitution.

The proportional takeover provisions do not apply to full takeover bids and will only apply until 3 years after the date of their adoption under Resolution 5. The provisions may be renewed for a further term, but only by a special resolution of the Company's shareholders.

Directors' recommendation

The Board unanimously recommend that shareholders vote in favour of Resolution 5.

Resolution 6

Approval of Change of Auditor

Background

Under section 327B of the Corporations Act, shareholder approval is required for the appointment of a new auditor at an annual general meeting to fill a vacancy. After a competitive tender process, the Board has resolved to appoint KPMG as the Company's auditor based on the firm's reputation, experience and recognition.

As a consequence, Grant Thornton Audit Pty Ltd has applied under section 329(5) of the Corporations Act for ASIC's consent to resign as auditor of the Company prior to the Meeting.

As at the date of this Notice, ASIC has not provided its consent to the resignation of Grant Thornton Audit Pty Ltd as the Company's auditor. Accordingly, the appointment of KPMG as auditor of the Company will become effective on the later date of receipt of ASIC's consent to the resignation and the date of this Meeting (subject to Shareholders approving this Resolution 6) (**Effective Date**).

KPMG have not yet been paid for audit services provided to the Company.

Under section 327C(2) of the Corporations Act, any auditor appointed under section 327C(1) of the Corporations Act holds office until the company's next annual general meeting. The Company is therefore required to appoint an auditor of the Company to fill the vacancy in the office of auditor at this Meeting pursuant to section 327B of the Corporations Act.

In accordance with section 328B of the Corporations Act, the Company has received written notice of nomination from a member of the Company for KPMG to be appointed as the Company's auditor. A copy of the notice of nomination is attached to this Explanatory Statement as Annexure A.

Accordingly, Resolution 6 seeks the approval of Shareholders to appoint KPMG as the Company's auditor with the effect from the Effective Date. KPMG has given its written consent to act as the Company's auditor. If Resolution 6 is not passed, there will be a vacancy in respect of the Company's auditor, which the Directors will be obliged to fill within one month, in accordance with section 327C of the Corporations Act.

Directors' recommendation

The Board unanimously recommend that shareholders vote in favour of Resolution 6.

- b) the Chair as proxy or attorney for a person who is entitled to vote on Resolution 3, in accordance with a direction given to the Chair to vote on Resolution 3 as the Chair decides; or
- c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting and is not an associate of a person excluded from voting, on Resolution 3; and
 - ii) the holder votes on Resolution 3 in accordance with the directions given by the beneficiary to the holder to vote in that way.

In addition, in accordance with the Corporations Act, Mr Humphrey and any of his associates must not cast a vote on Resolution 3 unless:

- a) the person votes as a proxy appointed by writing that specifies how the proxy is to vote on the Resolution; and
- b) the vote is not cast by Mr Humphrey or an associate of Mr Humphrey.

In reference to Resolution 4, the Company obtained Shareholder approval at the 2023 Annual General Meeting under Listing Rule 7.1A. The Company has not approached any particular existing Shareholder or an identifiable class of existing Shareholders to participate in the issue of the Shares. No existing Shareholder's vote will therefore be excluded under this Resolution.
