The Retail Entitlement Offer took place in conjunction with a 1 for 1.82 pro rata accelerated non-renounceable entitlement offer (**Entitlement Offer**) of new fully paid ordinary shares (**New Shares**) to raise approximately A\$10.0 million. The institutional component of the Entitlement Offer successfully completed on 6 September 2024, raising approximately A\$3.1 million.

Commenting on the outcome, Lumos CEO and Managing Director, Doug Ward said, *“With the Retail Entitlement Offer successfully reaching its target amount of A\$6.9 million, the capital raise was fully subscribed, bringing the total amount raised under the Entitlement Offer to A\$10.0 million.*

We appreciate the strong backing from all those investors who participated in this capital raise, particularly Tenmile and Ryder Capital, who are aligned with our vision to address unmet needs in human health. These funds provide Lumos with solid backing to drive the growth of our business.

Achieving CLIA waiver status in the US for our FebriDx® point-of-care test is high on our list of objectives, and we are moving forward with this project, with the aim of completing the CLIA waiver study and FDA application ahead of the 2025 US flu season.”

The Retail Entitlement Offer provided eligible retail shareholders in the Company (**Eligible Retail Shareholders**) the opportunity to subscribe for 1 New Share for every 1.82 existing fully paid ordinary shares which they held as at 7:00pm (AEST) on Friday, 6 September 2024 at a price of A\$0.038 (3.8 cents) per New Share.

The Retail Entitlement Offer closed at 5:00pm (AEST) on Wednesday, 2 October 2024 with valid applications for entitlements received raising approximately A\$0.3 million. Ryder Capital Limited and Tenmile Ventures Pty Ltd acted as sub-underwriters for the Underwritten Amount (**Sub-Underwriters**). The shortfall after the issue of New Shares from the Retail Entitlement Offer was allocated to the Sub-Underwriters (in their respective proportions) up to the Underwritten Amount.

Eligible Retail Shareholders should confirm the actual number of New Shares issued to them before trading in such shares, and the sale by any Eligible Retail Shareholder of New Shares prior to receiving their holding statement is at their own risk.

The Board of Lumos wishes to thank all those investors who participated in the capital raise. The funds raised through this process are critical to driving Lumos' product and services opportunities and sets the company up for future growth.
