Item 4 - Increase the maximum aggregate amount of remuneration that may be paid to Non-Executive Directors

The Company is required to obtain shareholder approval for an increase in the maximum aggregate amount of remuneration that may be paid to Non-executive Directors.

The maximum aggregate remuneration level has not been amended since 2017.

The Directors consider that it is now reasonable and appropriate to seek to increase the maximum aggregate amount of remuneration from \$400,000 to \$600,000 per annum in order to: give the Board flexibility to retain current Directors and attract and appoint additional Non-executive Director(s) when required; provide for incremental increases in remuneration in line with market conditions; and take into account the appointment of an additional Non-executive Director in April 2024.

Total remuneration paid to Directors is detailed in the Remuneration Report in the Company's 2024 Annual Report.

The Board recommends that shareholders vote in favour of this resolution.

Subject to the Voting Exclusion statement contained in this Notice, the Chairman of the Meeting intends to vote all undirected proxies in favour of the increase in the maximum aggregate amount of remuneration that may be paid to Non-executive Directors.
