VOTING ONLINE – PRIOR TO THE AGM

Securityholders may lodge their direct vote prior to the AGM at vote.linkmarketservices.com/MGR. Securityholders who lodge a direct vote do not need to appoint a proxy to act on their behalf.

Mirvac has rules to govern the form, method and timing of casting a direct vote for it to be valid. By submitting a direct vote, Securityholders agree to be bound by Mirvac's direct voting rules which are available at mirvac.com/About/Corporate-Governance.

Direct votes must be received by **11.00am (AEDT) Wednesday, 13 November 2024**. Any direct vote received after this deadline will be ineffective for the AGM.

VOTING – DURING THE AGM

Securityholders attending the AGM in person will be able to vote by poll when instructed by the Chair during the AGM.

VOTING BY PROXY

Securityholders are entitled to appoint a proxy to attend the AGM and to vote on their behalf. The proxy need not be a member of ML or MPT.

Proxy instructions must be received by **11.00am (AEDT) Wednesday, 13 November 2024**. Any proxy instructions received after this deadline will be ineffective for the AGM. Securityholders may lodge their proxy appointment:

- > electronically, by visiting the Share Registry website, vote.linkmarketservices.com/MGR and following the prompts and instructions. You will need your Securityholder Reference Number or Holder Identification Number; or
- > by posting the Voting Form to Link Market Services Limited, Locked Bag A14, Sydney South NSW 1235.

APPOINTMENT OF PROXY UNDER POWER OF ATTORNEY

Securityholders may appoint a proxy under a duly executed power of attorney at vote.linkmarketservices.com/MGR. Proxy instructions must be accompanied by the power of attorney (or a certified copy), unless it has previously been provided to Link Market Services and be received by **11.00am (AEDT) Wednesday, 13 November 2024**. Any proxy instructions received after this deadline will be ineffective for the scheduled AGM.

CORPORATE REPRESENTATIVES

A corporate Securityholder may elect to appoint a representative to vote on its behalf rather than a proxy, in accordance with the *Corporations Act 2001* (Cth). Where a corporate Securityholder appoints a representative, ML or MPT (as relevant) requires written proof of the representative's appointment to be provided to Mirvac before the AGM commences.

WHO CAN VOTE?

In accordance with the *Corporations Regulations 2001* (Cth), the Directors of Mirvac have determined that the stapled securities on issue as at **7.00pm (AEDT) on Wednesday, 13 November 2024** will be taken, for the purposes of the AGM, to be held by the persons who held them at that time. This means that any Securityholder registered at **7.00pm (AEDT) on Wednesday, 13 November 2024** is entitled to attend, speak and vote at the AGM.

HOW IS THE VOTE CARRIED OUT?

Voting on all the resolutions will be conducted by way of a poll.

HOW MANY VOTES DOES EACH SECURITYHOLDER HAVE?

On a poll each Securityholder has:

- > in the case of a resolution of ML, one vote for each share held in ML; and
- > in the case of a resolution of MPT, one vote for each whole \$1.00 of unit value held in MPT.

A Securityholder does not have to exercise all of their votes on their stapled securities in the same way and not all votes need to be cast.

A proxy may decide whether or not to vote on any item of business, except where the proxy is required by law or the Constitutions of ML or MPT to vote or abstain from voting in their capacity as proxy. If the proxy's appointment directs the proxy how to vote on an item of business, the proxy may vote on that item only in accordance with the direction. If the proxy's appointment does not direct the proxy how to vote on an item of business, the proxy may vote as he or she thinks fit on that item, subject to any applicable voting restrictions. If an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at the AGM and the appointed proxy does not attend the AGM or does not vote on a poll on the resolution in accordance with the direction, then the Chair of the AGM will be taken to have been appointed as the proxy of the relevant Securityholder in respect of the AGM or the poll on that resolution, as applicable.

A Securityholder who is entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the appointment does not specify the proportion or number of the Securityholder's voting rights, each proxy may exercise half of the Securityholder's votes. Fractions will be disregarded.

VOTING INTENTIONS OF THE AGM CHAIR (CHAIR)

If a Securityholder directs the Chair how to vote on an item of business, the Chair must vote in accordance with the direction. For proxies without voting instructions that are exercisable by the Chair, the Chair intends to vote in favour of that item on a poll.

If a Securityholder appoints the Chair as their proxy but does not direct the Chair on how to vote, then by completing and submitting the Voting Form they are expressly authorising the Chair to vote in favour of each item of business, even when an item of business is directly or indirectly connected to the remuneration of a member of the key management personnel of Mirvac.

ORDINARY RESOLUTIONS

All resolutions in this Notice are ordinary resolutions. An ordinary resolution is passed if more than 50% of the votes cast by or on behalf of Securityholders entitled to vote on the resolution are in favour of the resolution.

ITEM 1 — ANNUAL REPORTS

In accordance with the Corporations Act, ML's Financial Report, Directors' Report and Auditor's Report ("Reports") for the financial year ended 30 June 2024 will be presented to the Annual General Meeting of ML.

The Reports form part of Mirvac's 2024 Annual Report, which is available at vote.linkmarketservices.com/MGR or on Mirvac's website at mirvac.com/investor-centre/annual-report.

No resolution is required for this item, but following consideration of the Reports, the Chair of the AGM will give Securityholders as a whole at the AGM a reasonable opportunity to ask questions and make comments on the Reports and on the business, operations and management of ML and MPT.

Securityholders as a whole will also be given a reasonable opportunity at the AGM to ask a representative of the Auditor questions relevant to the:

- > conduct of the audit;
- > preparation and content of the Auditor's Report;
- > accounting policies adopted by ML in relation to the preparation of the financial statements; and
- > independence of the Auditor in relation to the conduct of the audit.

ITEM 2 – RE-ELECTION AND ELECTION OF DIRECTORS

Items 2.1 and 2.2 seek approval for the re-election of Jane Hewitt and Damien Frawley who will each retire by rotation at the conclusion of the AGM in accordance with article 10.3 of the ML Constitution and, being eligible, intend to offer themselves for re-election as a Director of ML.

Item 2.3 seeks approval for the election of James Cain who, as a Director appointed since the last AGM ceases to hold office in accordance with article 10.8 of ML's Constitution, and being eligible, intends to offer himself for election as a Director of ML. Prior to appointing James Cain, Mirvac satisfactorily undertook checks into his background and experience.

The Chair of the AGM intends to vote all available proxies in favour of this item.

ITEM 4 — PARTICIPATION BY THE GROUP CEO & MANAGING DIRECTOR IN THE LONG-TERM PERFORMANCE PLAN ("LTP PLAN")

This resolution is being put to Securityholders for the purpose of approving the participation by Campbell Hanan (Group CEO & Managing Director of Mirvac) in Mirvac's LTP Plan.

Background

The Board believes that the offer of performance rights under the LTP Plan is an important part of Campbell Hanan's overall remuneration package.

The performance rights are designed to provide a long-term incentive to pursue the growth and success of Mirvac. The LTP Plan is focused on individuals whose roles and contributions are identified as critical to the continued growth and success of the Group over the next three years.

Campbell Hanan's current total remuneration package comprises:

- a) fixed remuneration of \$1,500,000 per annum;
- b) short-term incentive (STI) target of 100% of fixed remuneration; and
- c) long-term incentive opportunity of 150% of fixed remuneration.

Further details of Campbell Hanan's remuneration arrangements are contained in the Remuneration Report in Mirvac's 2024 Annual Report.

PARTICIPATION IN THE LTP PLAN

Under ASX Listing Rule 10.14.1, no director can acquire securities under an employee incentive scheme without Securityholder approval. Accordingly, approval is being sought for Campbell Hanan to participate in the LTP Plan for the current financial year (2024/25).

If approved by Securityholders, the number of performance rights granted to Campbell Hanan would be determined by dividing his potential award under the LTP Plan of **\$2,250,000** by the grant price and rounding the resulting number down to the nearest whole number of performance rights. For this purpose, the grant price will be the average daily closing price on the ASX of a stapled security in Mirvac for the one-month period up to and including the AGM date, reduced by an estimated value (determined by an independent external consultant) in respect of dividends and distributions that may be paid on a stapled security in Mirvac during the Performance Period. The performance rights that may be granted to Campbell Hanan will be offered for nil cost to him as they form part of his remuneration.

PERFORMANCE PERIOD

For the performance rights to be granted to Campbell Hanan for the 2024/25 financial year, the performance period will begin on 1 July 2024 and end on 30 June 2027 ("Performance Period").

TERMS OF PERFORMANCE RIGHTS

On grant, each performance right would give the holder an entitlement to acquire one stapled security in the Group subject to satisfaction of any applicable performance conditions. Unvested performance rights carry no voting rights and no entitlements to participate in any dividends or distributions.

Participants are prohibited from dealing in (which includes selling, transferring and hedging) their unvested performance rights, unless the Board determines otherwise or in the event of death or bankruptcy.

Any performance rights that do not vest following testing of the performance hurdles will lapse. There is no re-testing. On vesting, a performance right will automatically convert into a stapled security. At the Board's discretion, entitlements to stapled securities on vesting of the performance rights will be satisfied by either an allotment of new stapled securities or by purchase on market of existing stapled securities.

PERFORMANCE HURDLES

Two performance hurdles will apply which must be satisfied over the three-year Performance Period before any entitlements to the granted performance rights vest. The two performance hurdles are:

- > 50% weighting: Relative Total Shareholder Return (TSR); and
- > 50% weighting: Relative Return on Equity (ROE).

Performance rights granted under the LTP Plan will generally only vest and be converted into stapled securities where any applicable performance conditions have been satisfied within the Performance Period, with the Board having overarching discretion to ensure vesting outcomes are appropriately aligned to performance.

For personal use only

Relative TSR performance hurdle

The TSR performance of Mirvac will be compared over the Performance Period with the TSR performance of each of the entities within the S&P/ASX 200 A-REIT Index, as constituted at the commencement of the Performance Period (Comparator Group).

Broadly, TSR measures the return to a securityholder over the Performance Period in terms of changes in the market value of the securities plus the reinvested value of any dividends or distributions paid on the securities.

At the end of the Performance Period, the growth in Mirvac's TSR over the Performance Period will be compared with the growth in TSR of the Comparator Group over the same period and Mirvac's relative ranking will be determined. Unless the Board determines otherwise, the security price used to calculate the TSR growth of a company for the Performance Period will be measured as follows:

- > the opening security price will be the average adjusted closing price of a security in that company on the ASX for the three-month period prior to but not including the first day of the Performance Period; and
- > the closing security price will be the average adjusted closing price of a security in that company on the ASX for the three-month period up to and including the last day of the Performance Period.

The percentage of the TSR performance rights which vest, if any, will be determined by the Board by reference to the percentile ranking achieved by Mirvac over the Performance Period compared to the Comparator Group as follows:

TSR – percentile ranking	TSR performance rights that vest (%)
Below 50th percentile	Nil
50th percentile	50%
Between 50th to 75th percentile	Pro-rated vesting between 50% and 100%
75th percentile and above	100%

Relative ROE performance hurdle

Mirvac's ROE will be compared over the Performance Period with the ROE of each of the entities within the Comparator Group.

ROE is an all-encompassing measure of profitability on the Group's equity base and is directly aligned to the returns delivered for Securityholders. A relative ROE hurdle enables the Board to reward management for outperformance against the Comparator Group under a clear and verifiable framework.

ROE is calculated as: Statutory Profit divided by Total Equity. These inputs will be sourced from public company disclosures and will be prepared under a framework governed by Accounting Standards. The calculation methodology is intended to be both transparent, fair and comparable across the Comparator Group. Noting, ROIC continues to be a key metric, however ROE was chosen as the best ROIC-like measure that would enable relative comparison on a like-for-like basis to peers.

At the end of the Performance Period, Mirvac's average annual ROE will be compared with the Comparator Group and its relative ranking will be determined.

The percentage of the ROE performance rights which vest, if any, will be determined by the Board by reference to the percentile ranking achieved by Mirvac over the Performance Period compared to the Comparator Group as follows:

ROE – percentile ranking	ROE performance rights that vest (%)
Below 50th percentile	Nil
50th percentile	50%
Between 50th to 75th percentile	Pro-rated vesting between 50% and 100%
75th percentile and above	100%

To strike a balance between relative outperformance and the need for absolute returns and to ensure appropriate gearing, vesting for this component will be capped at 50 per cent unless:

- a) ROIC exceeds WACC over the performance period; and,
- b) gearing is within the Board approved range.

Entities comprising the Comparator Group

As of 1 July 2024, the entities comprising the Comparator Group for both performance hurdles are set out below.

	Symbol	Entity
1	GPT	GPT Group
2	VCX	Vicinity Ltd
3	DXS	Dexus
4	WPR	Waypoint REIT Ltd

TREATMENT ON CESSATION OF EMPLOYMENT

If Campbell Hanan ceases to be an employee of the Group before the end of the Performance Period, any unvested performance rights will be dealt with as outlined below, unless the Board determines otherwise:

Reason for cessation of employment	Treatment in respect of unvested performance rights
Resignation or termination by Mirvac (other than as set out below)	All unvested performance rights lapse.
Redundancy, retirement, disability/ death, mutual agreement or agreed transfer to an investment partner	Unvested Performance Rights will neither vest nor lapse, and the terms applicable to the performance rights will continue to apply (i.e. the unvested performance rights will be tested at the end of the Performance Period).

OTHER TERMS

Under the terms of the LTP the Board has discretion to vest or lapse some or all performance rights in the event of a change of control.

The Board has broad “clawback” powers to determine that some or all performance rights lapse, any securities allocated on vesting are forfeited or that amounts are to be repaid in circumstances where the Board forms a view that Campbell Hanan may be provided with a benefit that is unwarranted or inappropriate.

FURTHER INFORMATION DISCLOSED IN ACCORDANCE WITH ASX LISTING RULE 10.15

Pursuant to approval by Securityholders at previous Annual General and General Meetings, performance rights were granted to Campbell Hanan in previous years under the LTP Plan.

1,333,423 performance rights have been issued to Campbell Hanan under the LTP Plan since his appointment as Group CEO & Managing Director in 2023. 2,101,665 performance rights were also previously issued to Campbell Hanan under the LTP Plan, in respect of his prior executive roles with the Group. All performance rights were granted at nil cost.

Further details of these performance rights are set out in the Annual Report for the relevant reporting period. Details of any securities issued under the LTP Plan will be published in the Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the LTP Plan after this resolution is approved, and who are not named in this Notice of Meeting will not participate until approval is obtained under that rule.

No other Director or associate of any Director is entitled to participate in, and no loans will be provided under, the LTP Plan in the current year.

Mirvac uses performance rights because they create security price alignment between executives while providing a better mechanism (than restricted securities) for enforcing the terms and conditions of the LTP Plan.

If approved by Securityholders, Mirvac intends to grant the performance rights to Campbell Hanan by 31 December 2024 but in any event by no later than 20 November 2025. If approval is not obtained, the Board will consider alternative arrangements to appropriately remunerate and incentivise Campbell Hanan.

RECOMMENDATION

The Directors (with Campbell Hanan abstaining) recommend that Securityholders vote in favour of this resolution.

The Chair of the AGM intends to vote all available proxies in favour of this item.

HOW TO COMPLETE THIS VOTING FORM

YOUR NAME AND ADDRESS

This is your name and address as it appears on Mirvac Group's Security register. If this information is incorrect, please make handwritten corrections on this form. Securityholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your Securities using this form.**

VOTING UNDER BOX A – VOTING DIRECTLY

If you ticked the box under Box A you are indicating that you wish to vote directly. You may vote by marking one of the boxes opposite each resolution. If you do not mark any of the boxes opposite a resolution, or you mark more than one box, your vote will be invalid for that resolution.

Custodians and nominees may identify on this form the total number of votes in each of the categories and their votes will be valid.

If you have lodged a direct vote, and then you attend the Meetings, your attendance will cancel your direct vote.

The Chair's decision as to whether a direct vote is valid is conclusive.

VOTING UNDER BOX B – APPOINTMENT OF PROXY

If you wish to appoint the Chair as your proxy, mark the box in Box B. If you wish to appoint someone other than the Chair as your proxy, please write the name of that individual or body corporate in the box provided at Box B. A proxy need not be a Securityholder of the Company.

If you complete both Box A and Box B, or neither of Box A or Box B, this form will be deemed to be an appointment of proxy to the Chair.

DEFAULT TO CHAIR

Any directed proxies that are not voted on a poll at the Meetings will default to the Chair, who is required to vote those proxies as directed. Any undirected proxies that default to the Chair of the Meetings will be voted according to the instructions set out in this Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by marking one of the boxes opposite each resolution. All your Securities will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the proportion or number of Securities you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given resolution then, subject to any voting restrictions that apply to the proxy, your proxy may vote as he or she chooses.

If the Chair is your proxy (either by appointment or default), and you do not complete any of the boxes by marking "For", "Against" or "Abstain" opposite a resolution on this form, the Chair intends to exercise your vote in favour of each resolution. If you wish to appoint the Chair as your proxy with a direction to vote against, or to abstain from voting on a resolution, you should specify this by marking the "Against" or "Abstain" boxes opposite the resolution on this form.

If you mark more than one box on a resolution your vote on that resolution will be invalid.

APPOINTMENT OF A SECOND PROXY

If you are entitled to cast two or more votes, you may appoint up to two persons as proxies to attend the Meetings and vote on a poll. If you wish to appoint a second proxy, an additional voting form may be obtained by telephoning Mirvac Group's Security registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- (a) on each of the first voting form and the second voting form state the proportion of your voting rights or number of Securities applicable to that form. If the appointments do not specify the proportion or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- (b) return both voting forms together.
