EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024 together with the declaration of the directors, the directors' report and the auditor's report.

The Company will not provide a hard copy of the Company's annual report (containing the financial report, directors' report and auditor's report) to Shareholders unless specifically requested to do so. The Company's annual report is available on its website at www.medadvisorsolutions.com/investors-financial-results.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

Proxy	Directions given	No directions given
Key Management Personnel ¹	Vote as directed	Unable to vote ³
Chair ²	Vote as directed	Able to vote at discretion of Proxy ⁴
Other	Vote as directed	Able to vote at discretion of Proxy

Notes:

- ¹ Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the remuneration report, or a Closely Related Party of such a member.
- ² Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the remuneration report), or a Closely Related Party of such a member.
- ³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.
- ⁴ The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

2.5 Board Recommendation

The Board does not make any recommendation in respect of Resolution 1.

3. RESOLUTIONS 2 TO 3 – RE-ELECTIONS OF DIRECTORS

3.1 General

ASX Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 years, whichever is the longer (excluding a managing director).

Clause 14.2 of the Constitution provides that:

- (a) at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election;
- (b) the Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots;
- (c) a Director who retires by rotation under clause 14.2 of the Constitution is eligible for re-election; and
- (d) in determining the number of Directors to retire, no account is to be taken of:
 - (i) a Director who only holds office until the next annual general meeting pursuant to clause 14.4 of the Constitution; and/or
 - (ii) a Managing Director,

each of whom are exempt from retirement by rotation. However, if more than one Managing Director has been appointed by the Directors, only one of them (nominated by the Directors) is entitled to be excluded from any determination of the number of Directors to retire and/or retirement by rotation.

The Company currently has six Directors in the above category. Accordingly, two must retire.

Ms Jenkinson and Mr Xenos, the Directors equally longest in office since last election, retire by rotation and seek re-election.

The Board (excluding Mr Xenos) unanimously supports Resolution 3 and the re-election of Mr Xenos.

4. RESOLUTION 4 - ISSUE OF EMPLOYEE INCENTIVE OPTIONS TO MR RICHARD RATLIFF, CEO & MANAGING DIRECTOR

4.1 Background

The Company has agreed, subject to obtaining Shareholders' approval, to issue a total of 760,059 Options to Mr Richard Ratliff, Chief Executive Officer and Managing Director of the Company, on the terms and conditions set out below. These 760,059 Options are exercisable as follows:

- (a) 334,791 options vesting on 30 July 2027, with an exercise price of nil (**Tranche 1 Options**); and
- (b) 425,268 options vesting on 30 July 2027, with an exercise price of \$0.54 (**Tranche 2 Options**);

(together, **Ratliff Options**).

The purpose of the issue of the Ratliff Options to Mr Richard Ratliff is to provide the Ratliff Options as a component of his remuneration package as Chief Executive Officer and Managing Director. The Board believes that it is in Shareholders' best interests to provide Mr Ratliff with an equity-based long-term incentive such as the Ratliff Options to ensure there is significant alignment between satisfactory returns for Shareholders and the rewards for Mr Ratliff by linking an appropriate part of his remuneration to the generation of long term returns for Shareholders.

The Ratliff Options will have a deemed fair value of \$0.540c on date of offer for Tranche 1 options and 0.425c for Tranche 2.

The value of the Ratliff Options is measured using the Black-Scholes option pricing model. Measurement inputs include the Share price on the measurement date, the exercise price, the term of the Ratliff Option, the impact of dilution, the expected volatility of the underlying Shares (based on weighted average historic

volatility adjusted for changes expected due to publicly available information), the expected dividend yield and the risk free interest rate for the term of the Ratliff Option.

The Ratliff Options will be issued under and subject to the rules of the Company's Long Term Incentive Plan (LTIP). A summary of the LTIP rules is set out in Schedule 1.

If Resolution 4 is approved by Shareholders, the Board intends to issue the Ratliff Options to Mr Ratliff as soon as reasonably practicable following the Annual General Meeting and in any event, not later than one month from the date of the Meeting.

If Resolution 4 is not approved by Shareholders, the Company will not be able to proceed with the issue of the Ratliff Options to Mr Ratliff and may consider alternative forms of remuneration with Mr Ratliff.

4.2 Approval of acquisition of Ratliff Options under ASX Listing Rule 10.14

As Mr Ratliff is a Director, the approval of Shareholders is required for him to participate in the LTIP. In particular, ASX Listing Rule 10.14 requires Shareholder approval for Mr Ratliff to participate in an employee share option plan under which he acquires, or may acquire, equity securities in the Company.

Accordingly, Resolution 4 seeks the approval of Shareholders in respect of the proposed issue of the Ratliff Options (and the issue of new Shares or acquisition of Shares on market on vesting or exercise of the Ratliff Options) to Mr Ratliff on the terms and conditions set out below.

Vesting Conditions for Ratliff Options

Each of the Ratliff Options offers to be made to Mr Ratliff will be subject to certain vesting conditions, being:

- Mr Ratliff's continued employment with the Company; and
- in the event of a Change of Control (as defined in the LTIP rules), any Ratliff Options that would otherwise vest following the Change of Control, assuming Mr Ratliff's continued employment with the Company, will immediately vest.

The Ratliff Options all have an expiry date of 30 July 2034 but will lapse immediately if a relevant vesting condition is not met.

The Company also notes the following:

- it will not apply to the ASX for official quotation of the Ratliff Options granted under the LTIP;
- Shares issued pursuant to the exercise of Ratliff Options will rank equally with Shares then on issue;
- the Company has the flexibility to issue new Shares or to purchase Shares on-market for allocation to Mr Ratliff on vesting and exercise of Ratliff Options;
- any dealing in Shares is subject to the constraints of Australian insider trading laws and the Company's Securities Trading Policy. Mr Ratliff is specifically prohibited from hedging the Company share price exposure in respect of the Ratliff Options during the vesting period;
- funds will be raised on the exercise of Ratliff Options based on the exercise price of \$0.54 per Tranche 2 Option. The total amount will depend on the number of Tranche 2 Options that vest and are exercised and subject to any cashless exercise or cash settlement arrangement in accordance with the LTIP rules. Any funds raised on exercise of the Tranche 2 Options will be put towards working capital; and
- details of the Ratliff Options granted to Mr Ratliff will be provided in the Remuneration Report for FY25.

Mr Ratliff's current total remuneration package

Under his contract for services with the Company, Mr Ratliff currently receives a salary of USD\$475,000 gross per annum (subject to applicable taxes and any other permitted deductions) (**Base Salary**). Mr Ratliff will also be eligible for an annual target bonus of 50% of Base Salary (**Target Bonus**), with the actual bonus payable

at the Company's discretion and based on and subject to Mr Ratliff's achievement of mutually agreed upon objectives.

For the period of Mr Ratliff's employment to 31 December 2024, Mr Ratliff will be paid a bonus of AUD\$340,219 (**2024 Bonus**). The Target Bonus and 2024 Bonus will be paid all in cash.

Securities previously issued to Mr Ratliff under LTIP

Mr Ratliff was granted 19,675,689 Options with an exercise price of \$0.14 on 18 July 2022 by the Board with approval given by Shareholders at the 2022 Annual General Meeting held on 30 November 2022. The expiry date of these Options is 17 July 2029. Further terms of these options are contained in the Notice of Meeting dated 30 November 2022. Mr Ratliff currently holds all of these 19,675,689 Options.

Other Information required under Listing Rule 10.15

- Mr Ratliff is a Director of the Company and therefore falls within Listing Rule 10.14.1.

- There is no proposed loan scheme in relation to the Ratliff Options.

- The value of the Tranche 1 Options being provided to Mr Ratliff under the LTIP as at the offer date 1 August 2024 is approximately \$180,787 using the Black Scholes pricing model and the following assumptions:
 - the risk free rate of 4.42%;
 - the underlying Share price of \$0.540;
 - the estimated volatility used in the valuation is 70.00%; and
 - for the purposes of valuation, no future dividend payments have been forecast.
 - Mr Ratliff was offered Options on 1 August 2024 which is subject to Shareholder approval.
 - the Ratliff Options will be issued within one month after the Meeting.
- The value of the Tranche 2 Options being provided to Mr Ratliff under the LTIP as at the offer date 1 August 2024 is approximately \$180,787 using the Black Scholes pricing model and the following assumptions:
 - the risk free rate of 4.42%;
 - the underlying Share price of \$0.540;
 - the estimated volatility used in the valuation is 70.00%; and
 - for the purposes of valuation, no future dividend payments have been forecast.

- Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issued of securities under the LTIP after the resolution approved and who were not named in this Notice will not participate until approval is obtained under that Listing Rule.

4.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Ratliff Options constitutes giving a financial benefit and Mr Ratliff is (or will be) a related party of the Company by virtue of being the Chief Executive Officer and Managing Director of the Company.

The Directors (other than Mr Ratliff, who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Ratliff Options because the agreement to issue the Ratliff Options, reached as part of the remuneration package for Mr Ratliff, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

Voting Exclusion

A voting exclusion statement is included in this Notice.

4.4 Board Recommendation

The Directors (excluding Mr Ratliff who has an interest in the matter) unanimously recommend that Shareholders vote in favour of Resolution 4.

5. RESOLUTION 5 – RENEWAL OF PROPORTIONAL TAKEOVER APPROVAL

5.1 General

The partial takeover plebiscites provisions set out in Rule 36 of the Company's Constitution were last approved by Shareholders of the Company at the general meeting held on 26 November 2021.

The provisions prohibit the registration of a transfer of shares under a proportional takeover bid, unless and until a resolution is passed by Shareholders at a meeting. As provided in Rule 36, the provisions cease to have effect after three years unless renewed. Accordingly, the proportional takeover provisions in the Company's Constitution will cease to have effect on 26 November 2024, unless renewed by special resolution of Shareholders.

The Corporations Act requires that the following information be provided to Shareholders when they are considering the renewal of partial takeover plebiscites provisions in the Company's Constitution.

5.2 What is a proportional takeover bid, and why does the Company need the provisions?

A proportional takeover bid involves the bidder offering to buy a proportion only of each Shareholder's Shares in the Company. This means that control of the Company may pass without members having the chance to sell all their Shares to the bidder. It also means the bidder may take control of the Company without paying an adequate amount for gaining control.

In order to deal with this possibility, a company may provide in its constitution that:

- in the event of a proportional takeover bid being made for Shares in the Company, members are required to vote by ordinary resolution and collectively decide whether to accept or reject the offer; and
- the majority decision of the Company's members will be binding on all individual members.

The Directors consider that members should be able to vote on whether a proportional takeover bid ought to proceed given such a bid might otherwise allow control of the Company to change without members being given the opportunity to dispose of all their Shares for a satisfactory control premium. The Directors also believe that the right to vote on a proportional takeover bid may avoid members feeling pressure to accept the bid even if they do not want it to succeed.

5.3 What is the effect of the provisions?

If a proportional takeover bid is made, the Directors must ensure that members vote on a resolution to approve the bid more than 14 days before the bid period closes.

The vote is decided on a simple majority. Each person who, as at the end of the day on which the first officer the bid was made, held bid class securities is entitled to vote. However, the bidder and their associates are not allowed to vote.

If the resolution is not passed, transfers which would have resulted from the acceptance of a bid will not be registered and the bid will be taken to have been withdrawn. If the bid is approved (or taken to have been approved), and if the transfers comply with the Corporations Act and the Company's Constitution, the transfers must be registered.

The bid will be taken to have been approved if the resolution is not voted on within the deadline specified under the Corporations Act.

The proportional takeover approval provisions do not apply to full takeover bids, and only apply for three years after the date they are renewed. The provisions may be refreshed for a further three-year period, but only by a special resolution passed by members.

5.4 Potential advantages and disadvantages

The renewal does not offer any advantage or disadvantage to the Directors who remain free to make their own recommendation as to whether the bid should be accepted.

The provisions in Rule 36 ensure that all members have an opportunity to study a proportional bid proposal and vote on the bid at a general meeting. This is likely to ensure a potential bidder structures its offer in a way which is attractive to a majority of members, including appropriate pricing.

Also, knowing the view of the majority of members may help individual members assess the likely outcome of the proportional takeover when determining whether to accept or reject the offer.

The disadvantage to the renewal of the provisions is that they may discourage proportional takeover bids and may reduce any speculative element in the market price of the Company's Shares arising from the possibility of a takeover offer being made. The renewal of the provisions may also be considered to constitute an unwarranted additional restriction of the ability of members to freely deal with their Shares.

The Board considers that the potential advantages for members of the proportional takeover approval provisions outweigh the potential disadvantages.

5.5 No awareness of any proposal to acquire or to increase the extent of a substantial interest in the Company

As at the date of this notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

5.6 Board Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 5.

The key terms of the MedAdvisor Long Term Incentive Plan are as follows:

- (a) **Eligibility:** The Board may grant Plan Options to Directors, full-time, part-time and casual employees of the Company or any of its subsidiaries, individuals engaged as contractors of a Group Company and prospective participants (**Participants**).
- (b) **Consideration:** Each Plan Option issued under the Plan will be issued for nil cash consideration (unless otherwise determined by the Board in its discretion at the time of grant).
- (c) **Conversion:** Each Plan Option is exercisable into one Share in the Company ranking equally in all respect with the existing issued Shares in the Company (**Plan Share**).
- (d) **Exercise Price and Expiry Date:** The exercise price and expiry date for Plan Options granted under the Plan will be determined by the Board prior to the grant of the Plan Options.
- (e) **Exercise Restrictions:** The Plan Options granted under the Plan may be subject to conditions on exercise as may be fixed by the Directors prior to grant of the Plan Options (**Exercise Conditions**). Any restrictions imposed by the Directors must be set out in the offer for the Plan Options.
- (f) **Renounceability:** Eligible Participants may renounce their offer in favour of a nominee (the Eligible Participants and their nominees are each **Participants**).
- (g) **Lapsing of Plan Options:** Subject to the terms of the offer made to a Participant, an unexercised Plan Option will lapse and cease to exist upon the Board deciding that the Plan Options are to be forfeited and otherwise will expire in accordance with the terms and conditions specified at the time of grant.
- (h) **Cessation of Employment:** The Board may determine that, where a Participant ceases to be an employee, any one or more of the following apply to any unvested Plan Options that at the time are held by the Participant:
- (i) some or all of those unvested Plan Options continue to be subject to the vesting conditions applicable to those unvested Plan Options;
 - (ii) the vesting condition applicable to some or all of those unvested Plan Options will be assessed as at a date determined by the Board or are waived; and
 - (iii) some or all of those unvested Plan Options will lapse.
- (i) **Share Restriction Period:** Plan Shares issued on the exercise of Plan Options may be subject to a restriction that they may not be transferred or otherwise dealt with until a restriction period has expired, as specified in the offer for the Plan Options.
- (j) **Disposal of Options:** Plan Options will not be transferable and will not be quoted on the ASX, unless the offer provides otherwise or the Board in its absolute discretion approves.
- (k) **Trigger Events:** The Company may permit Plan Options to be exercised in certain circumstances where there is a change in control of the Company (including by takeover or entry into a scheme of arrangement).
- (l) **Participation:** There are no participating rights or entitlements inherent in the Plan Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Plan Options.
- (m) **Change in exercise price:** A Plan Option will not confer a right to a change in exercise price or a change in the number of underlying Plan Shares over which the Plan Option can be exercised.
- (n) **Cashless exercise:** at the time of exercise of Plan Options, subject to Board approval at that time, the Participant may elect not to be required to provide payment of the exercise price for the number of Plan Options specified in a notice of exercise but that on exercise of those Plan Options the Company will transfer or allot to the Participant that number of Plan Shares equal in value to the positive difference between the then market value of the Plan Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Plan Options.

For personal use only

- (o) **Cash settlement:** the Board may determine that, instead of allocating Plan Shares to a Participant in respect of a vest Plan Option, the Company will pay a cash amount to the Participant equivalent to the market value of each of the Plan Shares that would otherwise be allocated to the Participant (subject to adjustment).
- (p) **Reorganisation:** If at any time the capital of the Company is reorganised (including consolidation, subdivision, reduction or return), all rights of a Participant are to be changed in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the reorganisation.
- (q) **Trust:** The Plan may be administered in conjunction with an employee incentive plan trust, the trustee of which may acquire Plan Shares for the purposes of allocation to Participants.
- (r) **Limitations on Offers** Unless the Board determines otherwise, the Company will not issue Plan Shares on exercise of Options or Rights if the total number of Plan Shares that would be issued under the exercise, when aggregated with:
 - (i) the number of shares which could be issued with each outstanding grant with respect to Shares, units of Shares and Options or Rights to acquire unissued Shares, under the Plan or any other employee or non-executive Director share scheme of the Company to be accepted or exercised; and
 - (ii) the number of Shares issued, during the previous three years pursuant to the Plan or any other employee or non-executive Director share scheme of the Company,but disregarding any offer made, or Option or Right acquired or Share issued by way of or as a result of:
 - (iii) an offer to a person situated at the time of receipt of the offer outside Australia; or
 - (iv) an offer that did not need disclosure to investors because of section 708 of the Corporations Act; or
 - (v) an offer made under a disclosure document,

would exceed 5% of the total number of issued Shares at that time. **Note:** this is a separate threshold to that in respect of the total number of equity securities that may be issued over and above the Company's placement capacity under Listing Rule 7.1 (which does not exclude offers made under sub-clauses (iii) to (v), other than offers made subject to separate and specific shareholder approval, such as issues to directors). The above threshold is to ensure compliance with s 1100V, which the Plan seeks to rely on.
