Dear Shareholder,

It is my pleasure to invite you to the 2024 Annual General Meeting (**AGM** or **Meeting**) of Platinum Asset Management Limited (**Company**), which will take place at **10:00am (AEDT) on Tuesday, 12 November 2024**.

This Meeting will be held as a hybrid meeting, allowing Shareholders to either attend in person at the **Museum of Sydney, corner of Phillip and Bridge Streets, Sydney, NSW 2000** or otherwise online at <https://meetnow.global/PTM2024>.

A guide on how to use the online Meeting platform is available on the Company's website at www.platinum.com.au/ptm-shareholder.

Included in this booklet is the Notice of Meeting, Explanatory Notes (including the Board's voting recommendations), Important Information for Shareholders and the Proxy Form. The items of business at the AGM are outlined in the Notice of Meeting and should be read together with the Explanatory Notes. There are a number of important resolutions being put to Shareholders which I have summarised below.

Election of Directors – Resolutions 1 and 2

Brigitte Smith, having served two three year terms, will retire from the Board after the close of the Meeting. As part of ordinary Board renewal, Rachel Grimes AM was appointed by the Board as a Non-Executive Director in September 2024 and will stand for election at the Meeting (Resolution 1). We have also received a nomination for election to the Board from James Simpson. Shareholders will be asked to vote on Mr Simpson's election as a Director in accordance with the Company's constitution (Resolution 2).

Remuneration Report and Conditional Spill Resolution – Resolutions 3 and 5

Resolution 3 seeks shareholder approval for the adoption of the 2024 Remuneration Report. At our 2023 annual general meeting we received a 'first strike' with more than 25% of votes cast against the adoption of the 2023 Remuneration Report.

As highlighted earlier this year, the Company is in the early stages of a broad-based turnaround program which was announced to the market in February. A key element of the 're-set phase' of the program has been the redesign of our remuneration framework to improve alignment with clients and shareholders and ensure clear accountability. With this in mind and having regard to the specific feedback received through our engagements with key stakeholders, we have taken the following steps:

- in order to better align the Company's pay and performance with Shareholder outcomes we substantially reduced our total variable remuneration awards for the executive key management personnel (**Executive KMP**) for the 2023/2024 financial year by 59% on the previous financial year, excluding for our newly appointed Managing Director and CEO, Jeff Peters, who was appointed by the Board at the start of the calendar year following an extensive international search;
- we significantly increased the average weighting of the financial metrics forming part of the key performance indicators (**KPIs**) for our Executive KMP to 45% up from 20% (on the prior financial year). Our newly appointed Managing Director and CEO's KPIs for the period to 30 June 2024 were entirely linked to the successful delivery of the 're-set phase' of the turnaround program;

- we simplified our remuneration framework by closing the Investment Team Plan and Profit Share Plan for future awards. The legacy Options and Performance Rights Plan and Fund Appreciation Rights Plan were also closed. Importantly, from the 2024/2025 financial year onwards, all variable awards (both short term incentives and long term incentives) will be paid out of a single incentive pool with the size of the pool directly linked to the Company's profit and revenue. This will ensure that total variable remuneration outcomes are aligned with the Company's financial performance; and
- we did not make any new awards under the Platinum Partners Long Term Incentive Plan (**Partners Plan**), and closed the plan for future awards in light of feedback received regarding the inadequacy of some of its features.

The Board takes shareholders' feedback seriously and has sought to comprehensively address all concerns that have been raised in relation to the Company's remuneration framework. The Board will continue to refine and improve this framework as the Company moves through the next phase of its turnaround program.

Having received a 'first strike' on the 2023 Remuneration Report last year, the 'spill resolution' (Resolution 5) is a conditional resolution and will only be put to the Meeting if at least 25% of the votes validly cast on the adoption of the 2024 Remuneration Report are voted against that resolution. If Resolution 5 is required to be put to the Meeting, the Board strongly recommends that Shareholders vote against this resolution particularly as the Company is in the early stages of its turnaround program and any resultant Board spill could be highly destabilising.

Grant of deferred rights to Jeff Peters, the Company's Managing Director and Chief Executive Officer - Resolution 4

The Board is seeking Shareholders' approval for an initial grant of deferred rights to the Company's new Managing Director and Chief Executive Officer, Jeff Peters. Vesting of these rights is subject to a four year continuous service period. The Board determined that it was necessary to provide Mr Peters with an initial grant of equity as part of his contractual arrangements in order to be able to attract and retain an international candidate of his calibre and experience to deliver on the turnaround required.

After the conclusion of the Meeting, Andrew Clifford (our Co-Chief Investment Officer) will provide an informal update on markets and the investment portfolios.

I look forward to welcoming you to our 2024 AGM and thank you for your continued support as a Shareholder.

Yours faithfully

EXPLANATORY NOTES

Introduction

These Explanatory Notes are intended to provide Shareholders with important background information in relation to each item of business. They should be read in conjunction with the Notice of Meeting.

ORDINARY BUSINESS OF THE MEETING

A. Financial and Statutory Reports (not voted on)

The Consolidated Group's Financial Report, Directors' Report and Auditor's Report for the financial year ended 30 June 2024 will be laid before the Meeting, as required by section 317 of the Corporations Act 2001 (Cth) (Corporations Act). These reports are in the Company's 2024 Annual Report which is available on the Company's website at: www.platinum.com.au/ptm-shareholder under the Financial Statements ribbon.

The Corporations Act does not require a vote of Shareholders on these reports. Shareholders will be given a reasonable opportunity during the Meeting to ask questions and make comments in relation to the financial and statutory reports, and the business and management of the Company. Shareholders will also be given a reasonable opportunity to ask a representative from the Company's external auditor, Ernst & Young, questions relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in the preparation of financial statements and the independence of the external auditor in relation to the conduct of the audit.

B. Items for Shareholder Approval

Resolution 1 – Election of Rachel Grimes AM as a Director

The Company's Constitution provides that a Director appointed as an addition to the Board must not hold office (without election) past the next annual general meeting of the Company. Rachel Grimes AM, being a Non-Executive Director appointed by the Board on 2 September 2024, is submitting herself for election as a Non-Executive Director.

A summary of Ms Grimes' qualifications and experience is set forth below:

Rachel Grimes AM BBus (Acc) FCS, FCPA, FIPA

Ms Grimes brings more than thirty years' experience in financial services to the Board, including extensive experience in asset management. Ms Grimes' most recent executive roles were Chief Financial Officer of Challenger and General Manager of Finance at Westpac. Ms Grimes has strong corporate transaction experience having previously led the sale of Challenger Bank, and co-led the Westpac - St George merger and BT Investment Management listing.

Ms Grimes is a director of ASX listed HUB24, Australian Payments Plus (and its subsidiaries), Digital Finance CRC and Angus Knight. She is a member of the Financial Reporting Council and the Chair of the Finance and Risk Committee of Surfing Australia. Ms Grimes is a past President of the International Federation of Accountants (IFAC) (2016-2018), past President of ICAA (now CA ANZ) and was awarded a Member in the General Division Medal in 2022 for her significant service to business in the field of accountancy and to professional associations.

The Board confirms that appropriate background checks into Ms Grimes' background and experience were undertaken prior to her appointment to the Board and did not raise any issues of concern.

The Board considers that Ms Grimes is independent.

Board recommendation

The Board (excluding Ms Grimes because of her interest) unanimously recommends Shareholders vote **FOR** the election of Rachel Grimes AM as a Director (Resolution 1). The Chair intends to vote all available undirected proxies **FOR** Resolution 1.

Resolution 2 – Election of James Simpson as a Director

James Simpson, an external candidate, is nominating himself for election as a Non-Executive Director in accordance with Rule 3.5(c) of the Company's Constitution.

The following biographical information has been provided by Mr Simpson in support of his election:

James Simpson

“James Simpson has 34 years of experience in active funds management, 17 of which were alongside Kerr Neilson and more lately management of his own family office. He has a foundation in equities but has broadened that focus toward the bond markets and private credit. As a co-founder of the Company he brings a deep understanding of the investment philosophy and a non-traditional aspect to the Board.”

The Board has considered Mr Simpson's nomination in the context of the Company's Board skills matrix and its composition and has determined to support Mr Simpson's nomination.

The Board considers that Mr Simpson is independent having regard to the Board's independence criteria.

As Mr Simpson's nomination was received shortly before this Notice of Meeting was finalised, the Company has not had the opportunity to complete its usual background checks in respect of Mr Simpson. These checks are currently underway.

Board recommendation

The Board unanimously recommends Shareholders vote **FOR** the election of James Simpson as a Director (Resolution 2). The Chair intends to vote all available undirected proxies **FOR** Resolution 2.

Resolution 3 - Adoption of the Remuneration Report

The Remuneration Report of the Company for the financial year ended 30 June 2024 forms part of the Directors' Report and is set out on pages 35 to 68 of the Company's 2024 Annual Report, which is available on the Company's website at www.platinum.com.au/ptm-shareholder under the Financial Statements ribbon.

Shareholders will be given a reasonable opportunity at the Meeting to ask questions about and comment on the 2024 Remuneration Report. Shareholders will also be asked to vote on a resolution to adopt the 2024 Remuneration Report during the Meeting as required by section 250R(2) of the Corporations Act. The vote on this Resolution is advisory only and does not bind the Board or the Company. However, the Company respects the views of its Shareholders and will take the outcome of the vote into account when considering the Company's remuneration policy in the future.

At last year's annual general meeting, the Company received a vote against the 2023 Remuneration Report. This 'against vote' of at least 25% of the votes cast on the resolution constituted what is known as a 'first strike'.

By way of background, the Company is currently undergoing a period of significant change, with a key and important milestone for the Board during financial year 2023/2024 being the appointment of the Company's new Managing Director and Chief Executive Officer, Jeff Peters, following an extensive international search.

Since his appointment in early January this year, Mr Peters has commenced the implementation of a strategic 'turnaround' program, and remuneration is a key pillar. This has resulted in the Board undertaking a wholesale review of the Company's remuneration framework with the primary objective of ensuring greater alignment of remuneration outcomes with the financial performance of the business and ultimately Shareholders' experience whilst retaining the ability to attract and retain key talent to deliver on the turnaround program.

Following the 'first strike', the Board actively engaged with Shareholders, proxy advisers and other stakeholders during the first half of calendar year 2024 to test its remuneration design proposals and seek feedback. The Board has listened carefully and made changes to the Company's remuneration framework in response to feedback received. The 2024 Remuneration Report seeks to comprehensively address and respond to the issues raised by our stakeholders. Many of the changes were implemented during financial year 2023/2024, with further agreed changes to be implemented in the 2024/25 financial year.

In particular, in our engagements with key stakeholders, we heard concerns regarding:

1. Misalignment of pay, performance and shareholder outcomes:

In Response: we substantially reduced our total variable remuneration awards for the executive key management personnel (**Executive KMP**) for the 2023/2024 financial year by 59% on the previous financial year, excluding our newly appointed Managing Director and CEO. We also realigned our performance assessment year end (which previously ran to 31 March) with our financial year end (which runs to 30 June) to ensure greater alignment between remuneration outcomes and our reported year-end financial results.

2. Excessive remuneration for our former Chief Executive Officer (also our Co-Chief Investment Officer), in light of Company performance.

In Response: we separated the CEO and Co-Chief Investment Officer roles, providing increased accountability and transparency. The new CEO's total remuneration was benchmarked against industry data and publicly available information for comparable ASX listed companies.

3. Lack of quantifiable KPIs for our Executive KMP and insufficient financial metrics:

In Response: For the 2023/24 financial year, the weighting of financial metrics for our Executive KMP were increased to an average of 45% from 20% (on the prior financial year) and the CEO's KPIs for the period to 30 June 2024 were entirely linked to the successful delivery of the first phase ('re-set phase') of the turnaround program.

For the 2024/2025 financial year, all Executive KMP will have at least 50% of their KPIs weighted to financial metrics, ensuring better alignment with shareholder interests over the longer term.

4. The Company's complex remuneration framework:

In Response: We simplified our remuneration framework by closing the Investment Team Plan and Profit Share Plan for future awards. The legacy Options and Performance Rights Plan and Fund Appreciation Rights Plan were also closed.

From the 2024/2025 financial year onwards all variable awards (both short term incentives and long term incentives) will be paid out of a single incentive pool with the size of the pool linked to the Company's profit and revenue (**General Employee Plan**), to ensure that total variable remuneration outcomes are aligned with the financial performance of the Company.

5. Inadequate design of the Platinum Partners Long Term Incentive Plan (**Partners Plan**):

In Response: For the 2023/24 financial year, no new awards were made under the Partners Plan and the plan was closed for future awards.

For the 2024/2025 financial year a new long-term incentive plan for our Executive KMP will incorporate the specific feedback we have received from key stakeholders. We anticipate being in a position to provide further details on this plan before the end of 2024.

Voting exclusions

In accordance with the Corporations Act, the Company will disregard any votes cast on Resolution 3 (in any capacity) by, or on behalf of, a member of the Company's key management personnel (**KMP**) whose remuneration details are included in the Company's Remuneration Report for the financial year ended 30 June 2024, or a Closely Related Party of such a member, unless it is cast as proxy for a person who is entitled to vote on Resolution 3 where the proxy appointment specifies the way the proxy is to vote on this Resolution. This restriction on voting undirected proxies does not apply to the Chair where the proxy appointment expressly authorises the Chair to exercise undirected proxies even if the Resolution is connected, directly or indirectly, with the remuneration of the KMP.

Board recommendation

The 2024 Remuneration Report forms part of the Directors' Report which has been approved by the Board. Noting that each Director has a personal interest in their own remuneration from the Company, the Board unanimously recommends Shareholders vote **FOR** the adoption of the Company's Remuneration Report for the financial year ended 30 June 2024. The Chair intends to vote all available undirected proxies **FOR** Resolution 3.

For personal use only

Resolution 4 – Grant of deferred rights (ASX: PTMAA) to Jeff Peters, the Company’s Managing Director and Chief Executive Officer, under the Company’s Deferred Remuneration Plan

The Company is seeking approval for the grant of deferred rights (**Deferred Rights**) under the Company’s Deferred Remuneration Plan to Jeff Peters, the Company’s Managing Director and CEO.

Number of Deferred Rights (ASX: PTMAA) proposed to be granted

The number and face value of Deferred Rights under the Deferred Remuneration Plan proposed to be granted to Mr Peters is 1,127,820 based on a face value of \$1,500,000.

In accordance with Mr Peters’ contract of employment, the number of proposed Deferred Rights has been determined by dividing the face value of the award by the volume weighted average price (**VWAP**) of the Shares on the seven trading days prior to the start date of Mr Peters’ employment with the Company on 8 January 2024. The VWAP is AUD \$1.33 per Share.

Number of Deferred Rights (ASX: PTMAA) previously granted to Mr Peters

The number of Deferred Rights (ASX: PTMAA) previously granted to Mr Peters is 249,213. No acquisition price was paid by Mr Peters for the grant of these Deferred Rights.

Number of Performance Rights (ASX: PTMAB) previously granted to Mr Peters

Nil.

Current total remuneration package

The annualised total remuneration package of Mr Peters is as follows:

Salary**	Super*	STI (cash)**	STI - face value (Deferred Rights)**	Initial Grant – face value to be delivered as Deferred Rights (pursuant to this Resolution 4)	Total
\$1,000,000	\$27,500**	\$475,000	\$475,000	\$1,500,000	\$3,477,500

*Being a US citizen, Mr Peters is entitled to a cash sum equivalent to what the Company would otherwise be required to contribute on his behalf to superannuation.

**These amounts have been annualised. The actual amounts received by Jeff Peters were pro-rated for the six month service period from 8 January 2024 (being his the start date of his employment) to 30 June 2024.

Why is the Board proposing to grant Deferred Rights to Mr Peters?

Pursuant to his original contract of employment, Jeff Peters, the Company’s new Managing Director and CEO, was eligible to receive an initial grant of performance rights (ASX: PTMAB) under the Partners Plan with a face value of \$1,500,000 (**Initial Grant**).

The Board determined that it was necessary to provide the Initial Grant to Mr Peters as part of his incentive arrangements to enable the Company to attract and retain an international candidate of Mr Peters’ calibre and experience, especially having regard to his previous experience of implementing turnaround strategies.

As explained above, the Board has since determined to close the Partners Plan to new awards. Accordingly, as announced to the market on 12 July 2024, the Board agreed to amend Mr Peters’ contract of employment, such that Mr Peters will instead receive his Initial Grant in the form of Deferred Rights (ASX: PTMAA) under the Company’s Deferred Remuneration Plan, with vesting of the rights conditional on Mr Peters remaining continuously employed with the Company for four years from the grant date (subject to the Good Leaver and Other Leaver provisions set forth below).

Why is Shareholder approval being sought?

ASX Listing Rule 10.14 requires a listed company to obtain Shareholder approval for the acquisition of securities under an employee incentive scheme by specified persons, which includes the Directors of the Company. Jeff Peters is a Director of the Company.

ASX Listing Rule 10.16(b) states that ASX Listing Rule 10.14 does not apply to options or other rights to acquire securities (such as Deferred Rights) to the specified persons, where the securities to be acquired on the exercise of the options or in satisfaction of the rights to acquire securities are required to be purchased on-market.

For personal use only

If Resolution 4 is approved by Shareholders, Shares delivered to Mr Peters on the exercise of vested Deferred Rights will be able to be satisfied by the issue of new Shares and/or the transfer of Shares that have been acquired (whether on-market or off-market). Resolution 4 is therefore being put to Shareholders to preserve the flexibility of the Company to fulfill vested and exercised Deferred Rights via the issue of new Shares.

Details of any Deferred Rights granted under the Deferred Remuneration Plan will be published in the Company's annual report for financial year 2024/2025, along with a statement that approval for the grant was obtained under ASX Listing Rule 10.14 (if Resolution 4 is approved by Shareholders). Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in a grant of Deferred Rights under the Deferred Remuneration Plan after Resolution 4 is approved by Shareholders (assuming this occurs) and who are not named in this Notice of Meeting, will not participate until approval is obtained under ASX Listing Rule 10.14 except in circumstances where the terms of the Deferred Remuneration Plan specify that Shares delivered to any such person on the exercise of vested Deferred Rights must be purchased on-market by the Company.

If Shareholders do not approve the grant of Deferred Rights under Resolution 4, Mr Peters will receive his Initial Grant as Deferred Rights under the Deferred Remuneration Plan in accordance with the terms of his employment contract. However, Shares delivered to Mr Peters on the exercise of those vested Deferred Rights will be required to be purchased on market by the Company.

Corporations Act

Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties by a public company. Section 208 of the Corporations Act prohibits a public company giving a financial benefit to a related party unless one of a number of exceptions apply.

A 'financial benefit' is defined in the Corporations Act in broad terms and the grant of equity incentives by a public company.

Under the Corporations Act, a director of a company is a related party of that company. As Jeff Peters is a recipient under the Deferred Remuneration Plan and a Director, financial benefits will be given by the Company when the Deferred Rights are granted to him.

Section 211 of the Corporations Act provides an exception to the prohibition in section 208 of the Corporations Act where the financial benefit is given to a related party as an officer of the Company and to give the remuneration would be reasonable given the circumstances of the Company and the related party's circumstances (including the responsibilities involved in the office or employment) (**Reasonable Remuneration Exemption**).

It is the view of the Board that the proposed grant of Deferred Rights to Jeff Peters (as contemplated in Resolution 4) falls within the Reasonable Remuneration Exemption given the circumstances of the Company and the position held by Jeff Peters as the Company's Managing Director and Chief Executive Officer.

Accordingly, the Board has determined not to seek Shareholder approval for the purposes of section 208 of the Corporations Act for the grant of Deferred Rights contemplated by Resolution 4.

Voting exclusions

The Company will disregard any votes cast on Resolution 4:

- in favour of Resolution 4 by or on behalf of Jeff Peters and his Associates; or
- as a proxy by a member of the Company's KMP at the date of the Meeting or their Closely Related Parties, unless the vote is cast:
 - as proxy or attorney for a person entitled to vote on Resolution 4 in accordance with the directions in the proxy appointment; or
 - by the Chair as proxy or attorney for a person entitled to vote on Resolution 4 in accordance with an express authorisation given to the Chair to vote as he sees fit, even though Resolution 4 is connected with the remuneration of a member of the KMP.

Board recommendation

The Board (other than Jeff Peters who did not participate because of his interest) unanimously recommends Shareholders vote **FOR** Resolution 4. The Chair intends to vote all available undirected proxies **FOR** Resolution 4.

CONTINGENT BUSINESS OF THE MEETING

Resolution 5 - Spill resolution (conditional item)

This is a conditional item of business. In accordance with the Corporations Act, Resolution 5 (called a 'spill resolution') will only be put to the AGM if the Company receives a 'second strike' on its Remuneration Report with at least 25% of the votes validly cast on Resolution 3 being cast against that Resolution. If less than 25% of the votes validly cast on Resolution 3 are against the Resolution, the spill resolution will not be put to the AGM.

If the spill resolution is put to the vote and passed at the AGM, it will have the effect outlined below.

The Company would be required to hold another meeting of Shareholders (**Spill Meeting**) within 90 days after the spill resolution is passed, to consider the composition of the Board. If a Spill Meeting is required, details of the meeting would be notified to Shareholders in due course.

If a Spill Meeting is held, the following Directors would automatically cease to hold office at the end of the Spill Meeting unless they are willing to stand for re-election and are re-elected, at that meeting:

- Guy Strapp
- Anne Loveridge
- Philip Moffitt

The Directors listed above are those who held office on 28 August 2024 when the Directors' Report (including the Remuneration Report) for the year ended 30 June 2024 was approved (with the exception of Brigitte Smith who will be retiring from the Board after the close of the Meeting). Each of the Directors listed above would be eligible to seek re-election at any Spill Meeting. However, there is no assurance that any or all of them would do so.

In accordance with the Corporations Act, the Managing Director and Chief Executive Officer, Jeff Peters, would not be required to stand for re-election as a Director at any Spill Meeting, and would continue to hold office after the Spill Meeting regardless of the outcome of the Spill Meeting.

Resolutions to appoint individuals to the offices that would be vacated immediately before the end of the Spill Meeting would be put to the vote at that meeting.

For the spill resolution to be passed at the AGM, more than 50% of the votes validly cast on Resolution 5 must be in favour of it. The Board considers the following factors are relevant to Shareholders' decisions on how to vote on this Resolution:

- the Board's actions to address concerns raised by Shareholders and proxy advisers in relation to the 2024 Remuneration Report as set forth in the Explanatory Notes accompanying Resolution 3 above;
- the significant costs that would be incurred if the Company is required to call and hold a Spill Meeting; and
- the disruption to the Board, which could undermine the Company's stability whilst it is in the early stages of its turnaround program.

Voting exclusions

The Company will disregard any votes cast on Resolution 5 (in any capacity) by, or on behalf of, a member of the Company's KMP whose remuneration details are included in the Company's Remuneration Report for the financial year ended 30 June 2024, or a Closely Related Party of such a member, unless it is cast as proxy for a person who is entitled to vote on Resolution 5 where the proxy appointment specifies the way the proxy is to vote on this Resolution. This restriction on voting undirected proxies does not apply to the Chair where the proxy appointment expressly authorises the Chair to exercise undirected proxies even if the Resolution is connected, directly or indirectly, with the remuneration of the KMP.

Board recommendation

Having regard to the matters set out above, the Board does not consider Resolution 5 to be in the best interests of the Company or its Shareholders. The Board unanimously recommends that Shareholders vote **AGAINST** Resolution 5 if it is put to the vote at the AGM. The Chair intends to vote all available undirected proxies **AGAINST** Resolution 5.
