Dear Melissa,

RE: GENETIC TECHNOLOGIES LIMITED (ASX: GTG) - REQUEST FOR TRADING HALT

In accordance with Listing Rule 17.1, Genetic Technologies Limited ("GTG") requests an immediate trading halt be placed on its securities.

Set out below is the information required by ASX Listing Rule 17.1:

1. The reason for the trading halt is that GTG is currently assessing its strategic options, operational review and progress on its fund raising that it previously announced on 26 July 2024.
2. The trading halt is requested from the date of this letter until the commencement of trade on Monday, 21 October 2024, or such earlier time as GTG makes an announcement to update the market.
3. As at the date of this letter, GTG expects to make an announcement to the market concerning these matters before the commencement of trade on Monday 21 October 2024.
4. GTG is not aware of any reason why the trading halt should not be granted. Thank you for your assistance.

The request for a trading halt has been authorised by the board of GTG.

Kind regards,
