EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.paradigmbiopharma.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were more than 25%. Accordingly, the Spill Resolution will be relevant for this Meeting if at least 25% of the votes cast on this Resolution are voted against adoption of the Remuneration Report. Refer to Resolution 2 and Section 3 of this Explanatory Statement for further information.

3. RESOLUTION 2 – SPILL RESOLUTION

If less than 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report, the Chair will withdraw Resolution 2.

3.1 General

The Corporations Act requirements for this Resolution to be put to vote are set out in Section 2.2.

The effect of this Resolution being passed is the Company will be required to hold another meeting of Shareholders within 90 days of the date of this Meeting (**Spill Meeting**) and the Vacating Directors will cease to hold office immediately before the end of the Spill Meeting. The business of the Spill Meeting will be to put to vote resolutions to appoint persons to offices vacated by the Vacating Directors.

In the event a Spill Meeting is required a separate notice of meeting will be distributed to Shareholders with details about those persons who will seek election as directors of the Company at the Spill Meeting.

3.2 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the voting restrictions applying to Resolution 1 apply in the same manner to this Resolution.

4. RESOLUTION 3 – ELECTION OF MATTHEW FRY

4.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

If this Resolution is not passed, Mr Fry will not continue in their role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

5. RESOLUTION 4 – RE-ELECTION OF AMOS MELTZER

5.1 General

Listing Rule 14.4 and clause 13.3 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Independence	If re-elected, the Board considers that Mr Meltzer will be an independent Director.
Board recommendation	Having received an acknowledgement from Mr Meltzer that he will have sufficient time to fulfil their responsibilities as a Director and having reviewed the performance of Mr Meltzer since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Meltzer) recommend that Shareholders vote in favour of this Resolution.

5.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Meltzer will be re-elected to the Board as an independent Director.

If this Resolution is not passed, Mr Meltzer will not continue in their role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

6. RESOLUTIONS 5 AND 6 – ISSUE OF INCENTIVE PERFORMANCE RIGHTS TO DIRECTORS – DONNA SKERRETT AND PAUL RENNIE

6.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue an aggregate of 2,900,000 Performance Rights to Donna Skerrett and Paul Rennie (together, the **Related Parties**), comprising:

- (a) 1,200,000 Performance Rights to Donna Skerrett (or her nominee) (the subject of Resolution 6); and
- (b) 1,700,000 Performance Rights to Paul Rennie (or his nominee) (the subject of Resolution 7),

pursuant to the Plan and on the terms and conditions set out below (**Incentive Performance Rights**).

6.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Incentive Performance Rights to the Related Parties (or their respective nominees) constitutes giving a financial benefit the Related Parties are each a related party of the Company by virtue of being Directors.

All non-conflicted Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Incentive Performance Rights to the Related Parties, because the issue of Incentive Performance Rights constitutes reasonable remuneration payable to the Related Parties.

6.3 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue of Incentive Performance Rights to the Related Parties falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

Resolutions 5 and 6 seek the required Shareholder approval for the issue of the Incentive Performance Rights under and for the purposes of Listing Rule 10.14.

6.4 Technical information required by Listing Rule 14.1A

If Resolutions 5 and 6 are passed, the Company will be able to proceed with the issue of the Incentive Performance Rights to the Related Parties under the Plan within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Incentive Performance Rights (because approval is being obtained under Listing Rule 10.14), the issue of the Incentive Performance Rights will not use up any of the Company's 15% annual placement capacity.

If Resolutions 5 and 6 are not passed, the Company will not be able to proceed with the issue of the Incentive Performance Rights to the Related Parties under the Plan.

Resolutions 5 and 6 are independent of one another. If either of Resolution 5 or 6 is not carried, and the other Resolution is passed, then the Company may still proceed with the issue of the Incentive Performance Rights to the relevant Related Party in respect of which the issue of Incentive Performance Rights has been approved.

6.5 Technical information required by Listing Rule 10.15

REQUIRED INFORMATION	DETAILS

Categorisation under Listing Rule 10.14	<p>The Related Parties fall within the category set out in Listing Rule 10.14.1 as they are each a related party of the Company by virtue of being a Director.</p> <p>Any nominee(s) of the Related Parties who receive Securities may constitute 'associates' for the purposes of Listing Rule 10.14.2.</p>

7. RESOLUTION 7 – RATIFICATION OF PRIOR ISSUE OF OPTIONS TO FIFTYONE CAPITAL

7.1 Background

On 9 February 2024, the Company announced that it appointed FiftyOne Capital Pty Ltd (ACN 651 230 232) (**FiftyOne Capital**) as a corporate advisor pursuant to a consultancy agreement dated 31 January 2024 (**Consultancy Agreement**) to work with the Company to support its efforts in executing one or more regional pharmaceutical deals for injectable Pentosan Polysulfate Sodium (iPPS), intended to provide non-dilutionary funding for its clinical programs.

Pursuant to the Consultancy Agreement, FiftyOne Capital will carry out advisory work on a non-exclusive basis including:

- (a) assessing funding alternatives for the Company;
- (b) corporate advisory relating to transactions, market messaging, announcements and presentations;
- (c) working closing with the Company on items regarding equity capital markets, transactions, investor introductions and relations,

(together, the **Advisory Services**).

In consideration for the Advisory Services, the Company agreed to pay/issue FiftyOne Capital:

- (a) \$5,000 per month (plus GST) as a retainer fee;
- (b) an aggregate of 7,500,000 unlisted Options at a deemed issue price of \$0.00001 per Option as follows:
 - (i) 2,500,000 Options, exercisable at \$0.65 each on or before the date that is two (2) years from the date of issue, to be granted immediately;
 - (ii) 2,500,000 Options, exercisable at \$1.00 each on or before the date that is two (2) years from the date of issue; and
 - (iii) 2,500,000 Options, exercisable at \$1.35 each on or before the date that is two (2) years from the date of issue, to be granted immediately;

The Company issued the 2,500,000 Options set out at 7.1(b)(i) above to FiftyOne Capital on 13 February 2024.

The Options set out at Sections at 7.1(b)(ii) and 7.1(b)(iii) above will be granted on and subject to the Company entering into at least one binding commercial agreement for the commercialisation of a clinical program or product within the Company's portfolio prior to or on 31 July 2025 (**Milestone**). The obligation to issue the Options set out at Sections at 7.1(b)(ii) and 7.1(b)(iii) above survives termination of the Consultancy Agreement.

The Consultancy Agreement was terminated on 31 August 2024.

This Resolution seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 2,500,000 Options to FiftyOne Capital on 12 February 2024, in consideration for the Advisory Services pursuant to the Consultancy Agreement.

7.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

7.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

7.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

8. RESOLUTION 8 – APPROVAL OF 7.1A MANDATE

8.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). The Company is an Eligible Entity.

8.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

8.3 Technical information required by Listing Rule 7.3A

		<p>(b) all Shares issued on exercise of the Performance Rights are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and</p> <p>(c) all Shares issued on exercise of the Performance Rights are subject to the terms of the Company's Securities Trading Policy.</p>
12.	Rights attaching to Shares on exercise	All Shares issued upon exercise of the Performance Right will rank equally in all respects with the then Shares of the Company.
13.	Change of Control	Subject at all times to the Listing Rules, if a Change of Control Event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the holder's Performance Rights will be dealt with, including, without limitation, in a manner that allows the holder to participate in and/or benefit from any transaction arising from or in connection with the Change of Control Event. The Board may specify in the Invitation how the Performance Rights will be treated on a Change of Control Event occurring, or the Board determining that such event is likely to occur, which may vary depending upon circumstances in which the Participant becomes a leaver and preserve some or all of the Board's discretion under this rule.
14.	Participation in entitlements and bonus issues	Subject always to the rights under paragraphs 15 and 16, holders of Performance Rights will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
15.	Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Performance Rights is entitled, upon exercise of the Performance Rights, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Performance Rights are exercised.
16.	Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Performance Rights will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
17.	Buy Back	Subject to applicable law, the Company may at any time buy back the Performance Rights in accordance with the terms of the Plan.
18.	US Withholding	Shares allocated to a US Participant in accordance to the plan will be subject to U.S. federal and state tax withholdings as required by law.

SCHEDULE 2 – TERMS AND CONDITIONS OF EMPLOYEE PERFORMANCE RIGHTS PLAN

Plan Events

The Plan involves Performance Rights being granted, then 'vested' (if and when vesting conditions are met), then converted to shares, and then shares may be sold.

In chronological order:

- (a) grant of Performance Rights;
- (b) vesting of Performance Rights;
- (c) conversion of Performance Rights to shares;
- (d) sale of Shares.

Each of these is utilized below in turn, first by reference to relevant Plan Rules and then how the Board intends to utilize the Plan Rules to make offers in 2024.

Grant

Plan Rules

Under the Plan Rules, the Board has discretion over which Employees, Executive Directors or individual contractors (for simplicity here referred to collectively as 'Employees') participate in the Plan and the terms of offer.

However, to achieve the commercial goals of the Plan, the rules constrain the Board's discretion in two key ways:

- (a) the vesting conditions; and
- (b) the number of Performance Rights granted.

Vesting conditions: In every offer, the Board must include vesting conditions ensuring rewards can only be delivered if over the vesting period there has been a minimum level of performance for each of the three key stakeholders – that is:

- (a) the Participant's performance must have been acceptable according to the Company's performance management system;
- (b) Shareholders must have derived a minimum total Shareholder return; and
- (c) The Company must have achieved a core business goal derived from its strategic plan.

Number of Performance Rights granted: The Board must select numbers of Performance Rights to be offered to ensure the Participant's *overall remuneration package* will be appropriate having regard to market practice for someone of the Participant's standing within the Company. Within this constraint, the Board must also ensure for Employees where adequate data is available (that is, employees of a classification for which a significant proportion of comparable companies provide substantial long-term incentive rewards according to recent survey data – 'benchmarked employees'), rewards under the Plan are appropriately *benchmarked* against long-term incentive rewards for similar employee positions in comparable companies having regard to the level of the Company's performance relative to business goals derived from its strategic plan.

Offers in 2024

It is proposed that:

- (a) those eligible to be offered Performance Rights will be:
 - (i) Executive Directors (if approved by Shareholders); and
 - (ii) key Employees who are accountable for a significant direct impact on strategic business goals;
- (b) the number of Performance Rights granted to each Participant will be calculated so the dollar value of the Performance Rights at the time of vesting (based on the current

share price) would equal the median of LTI rewards in the local Life Sciences sector according to the Radford Global Compensation Survey at the time of grant with reference to the total compensation package as determined by the survey where relevant; and

- (c) Employee rewards are scaled to the level of the Company's business achievement – thus, if over the three (3) year vesting period Shareholders and the Employee have both achieved minimum acceptable performance as defined, and the Company has:
- (i) target achievement – that is, the 'primary' business goal is met (see 'Vesting' below) – **all** the Performance Rights vest;
 - (ii) acceptable achievement – that is, an 'intermediate' business goal is met in lieu of the primary business goal – **one half** of the Performance Rights vest and the other half are forfeited; and
 - (iii) over-achievement – that is, one or more 'stretch' business goals is met as well as the primary business goal – the participant is granted a number of **additional** fully-vested Performance Rights to lift the total reward above the median level to a pre-defined percentile for benchmarked employees according to the strategic importance of the particular secondary goal achieved.

Vesting

Plan Rules

When the *vesting date* stated in the offer arrives, if the Participant remains employed with the Company the Board will determine whether the vesting conditions have been satisfied and hence whether the Performance Rights vest.

The Board has power to vest Performance Rights early, before the vesting date, in special circumstances, such as death, disability, bona fide redundancy, or a takeover or change in control prior to the vesting date where the Board considers that the Company was on track to achieve its business goals by the vesting date.

Performance Rights will be forfeited if either:

- (a) the Board determines that the vesting conditions have not been satisfied; or
- (b) if the Participant ceases employment before the vesting date,

unless the Board determines otherwise in special circumstances.

Offers in 2024

The vesting conditions proposed for Performance Rights to be offered in 2024 are listed below. Each vesting condition will be measured three (3) years from the grant date – that is, at a vesting date in late 2027.

- (a) Shareholder target: A minimum total shareholder return, based on the change in the Share price and any Shareholder distributions, representing a compound annual growth rate (**CAGR**) achievement of 40% per annum.
- (b) Employee target: The Employee must remain employed on the vesting date and the Employee's performance over the three (3) year period between the grant date and the vesting date must be assessed as acceptable according to the Company's performance management system, so that rewards do not go to under-performing Employees.
- (c) Company target: The Company has successfully completed the Phase 3 trial for iPPS for OA (as per the clinical trial protocol) and has filed a New Drug Application with the U.S. FDA.

If all three targets are met, 100% of the Participant's Performance Rights vest.

There are two alternative scenarios:

- (a) 50% vesting: If the Shareholder and Employee targets are met, only 50% of the Participant's Performance Rights vest if the Company does not achieve the above Company target but does achieve the following:

(i) The Company has successfully completed the Phase 3 trial for iPPS for OA (as per the clinical trial protocol) but has not filed a New Drug Application with the U.S. FDA.

(b) Additional Performance Rights: If all three targets above are met, additional vested Performance Rights will be granted if any of the following 'stretch' business goals are met:

(i) The Company has entered into a binding, exclusive licence and supply agreement with one or more third parties covering iPPS for OA in China or involving an upfront payment to the Company of at least \$30 million.

(ii) The Company has entered into a binding, exclusive licence and supply agreement with one or more third parties covering iPPS for MPS.

(iii) The Company has received Provisional Approval from the Australian TGA covering iPPS for OA.

Conversion of Performance Rights

Plan Rules

When vested, the Performance Rights will convert to shares as soon as reasonably practicable after whichever of the following is provided for in the offer:

(a) automatically on vesting;

(b) automatically on expiry of a Plan Sale Restriction Period (as defined in the Plan); or

(c) on the Participant exercising the Performance Rights (at a time of the Participant's choosing by lodging the required form).

Offers in 2024

It is proposed Performance Rights will convert to Shares on vesting (using method 1) without any sale restrictions on the Shares.

Offers in future years

In future years, the Board may consider having Performance Rights convert to Shares on expiry of sale restrictions (using method 2) to achieve further equity lock-in as explained below.

Based on current tax laws, methods 1 and 2 (but not method 3) are able to achieve consistent tax and cash flow outcomes for U.S. and Australian-based Participants, so it is proposed method 3 not be used.

Sale Restrictions

Plan Rules

The Employee can sell the Shares any time subject to:

(a) The Company's prevailing securities dealing and other corporate governance policies (which could also be utilised if needed to minimise the number of Shares sold all at once); and

(b) any sale restriction if included in the offer (if a sale restriction is applicable, the Shares can be sold on or after a fixed period set in the offer, earlier cessation of employment or an earlier date determined by the Board in the event of special circumstances such as a takeover).

Offers in 2024

It is proposed not to have a sale restriction on the Shares, to avoid undue delay in reward delivery given the delays experienced by prospective participants in receiving long-term incentive rewards to date.

Offers in future years

In future years, the Board may consider including a sale restriction on the Shares, to ensure Participants, as long as they remain employed, keep 'skin in the game' for a further 1-to-2 years (making it a total of 4-to-5 years including the 3-year vesting period), especially as there will come

a point in time when, even with a sale restriction, a tranche of shares will become saleable each year. A sale restriction could, for example, be defined as:

- (a) for one third of the Shares – no sale restriction;
- (b) for another third of the Shares – a sale restriction up to the first anniversary of the vesting date; and
- (c) for the final third – a sale restriction up to the second anniversary of the vesting date.

Even with a sale restriction, the Board would have power to lift it early to deal with special circumstances – for example, if a Participant is in financial hardship.

Other Features

- (a) The Plan includes an upper limit so that an offer of Performance Rights can only be made if the offer would not result in the total number of Performance Rights and Shares subject to Plan sale restrictions exceeding 5% of the Company's diluted capital. (In practical terms, even if the Plan limit is reached, as Performance Rights convert to shares either without Plan sale restrictions or as Plan sale restrictions expire – that is, every 3-5 years, the Plan limit becomes 'refreshed' so that further Performance Rights can be offered.)
- (b) Shares acquired under the Plan rank equally with other fully-paid ordinary shares from the date of acquisition, and thus holders will be entitled to exercise voting rights and to participate in dividends and other shareholder distributions.
- (c) Each Participant appoints those administering the Plan as their attorney to exercise administrative powers on the Participant's behalf.
- (d) To allow the Plan to have flexibility to deal with unforeseen circumstances, the Board has additional discretions as follows:
 - (i) to convert Performance Rights to shares before the vesting date (eg to simplify the share register) in which case the resulting Shares would be forfeited if Performance Rights would have been forfeited;
 - (ii) if the Participant requests, to have Performance Rights or Shares acquired in the name of the Participant's nominee;
 - (iii) rather than the Participant's Performance Rights converting to Shares, to redeem them for a cash payment based on the prevailing market value of an equivalent number of Shares, or provide a mix of cash and Shares, and potentially to delay payment thereof with interest for up to 2 years (eg to cater for liquidity problems);
 - (iv) rather than issue new Shares, to have existing Shares transferred;
 - (v) to have Shares held by the trustee of an employee share trust, and then potentially to allow the Participant to have dividends reinvested in further Shares and/or for the trustee to redeem the Participant's Shares for a cash payment based on the prevailing market value of an equivalent number of Shares rather than the Shares being sold;
 - (vi) to re-express the number of Performance Rights to take account of a bonus issue, rights issue or other capital reorganisation; and
 - (vii) to grant Options with an upfront price or exercise price.
- (e) The Board has power to terminate or suspend the operation of the Plan or to amend the Plan. (Where the amendment, in net terms, would have a materially adverse effect on a participant's pre-existing rights, the Board must obtain the Participant's consent, unless the amendment is introduced primarily to comply with law, correct a mistake or accommodate adverse tax implications.)

U.S. Rule Variations

To take account of differing tax requirements, some relatively minor variations in the rules for U.S.-based participants are summarised below:

1. where Performance Rights convert to shares upon the Rights vesting, the shares must be acquired by the U.S. participant (or full payment on redemption of the Performance Rights in lieu of conversion to Shares must be made) within 75 days after the later of the end of Paradigm's financial year, or the end of the U.S. participant's taxable year, in which Performance Rights first vest ('75-day period');
2. where the terms of a U.S. offer include a sale restriction and Performance Rights convert to shares upon expiry of a sale restriction period after the 75-day period:
 - (a) the U.S. participant must have made a prior timely deferral election (which will be included in the Plan application form for U.S. offers); and
 - (b) the shares must be acquired (or full payment on redemption of the Performance Rights in lieu of conversion to Shares must be made) as soon as administratively practicable after either: expiry of the fixed sale restriction period specified in the U.S. participant's offer, Separation from Service, or (if so determined by the Board) a Change of Control, Disability or some other time or event permitted under the U.S. tax provisions;
3. Performance Rights may not be converted to shares by the U.S. participant exercising the Rights when the participant chooses;
4. U.S. participants give permission for U.S. tax withholding to be taken from regular wages or other cash compensation, shares or the proceeds of sale of shares; and
5. the Plan's flexibility in the future to grant options with an upfront price or an exercise price does not extend to U.S. participants.

SCHEDULE 3 – VALUATION OF INCENTIVE PERFORMANCE RIGHTS

The Performance Rights to be issued to the Related Parties pursuant to Resolution 5 and 6 have been valued by internal management.

Using the Black & Scholes valuation model and based on the assumptions set out below, the Performance Rights were ascribed the following value:

Assumptions:	
Valuation date	4 October 2024
Market price of Shares	\$0.21
Exercise price	\$0.58
Expiry date (length of time from issue)	3 years
Risk free interest rate	3.58%
Volatility (discount)	62.6%
Indicative value per Performance Right	\$0.0369
Total Value of Performance Rights	
- Donna Skerrett (Resolution 5)	\$44,284
- Paul Rennie (Resolution 6)	\$62,736

Note: The valuation noted above is not necessarily the market price that the Performance Rights could be traded at and is not automatically the market price for taxation purposes.

SCHEDULE 4 – TERMS AND CONDITIONS OF OPTIONS ISSUED TO FIFTYONE CAPITAL

(a) **Entitlement**

Each Option entitles the holder to subscribe for one Share upon exercise of the Option.

(b) **Exercise Price**

Subject to paragraph (j), the amount payable upon exercise of each Option will be \$0.65 (**Exercise Price**).

(c) **Expiry Date**

(d) **Exercise Period**

The Options are exercisable at any time on or prior to the Expiry Date (**Exercise Period**).

(e) **Notice of Exercise**

(f) **Exercise Date**

A Notice of Exercise is only effective on and from the later of the date of receipt of the Notice of Exercise and the date of receipt of the payment of the Exercise Price for each Option being exercised in cleared funds (**Exercise Date**).

(g) **Timing of issue of Shares on exercise**

Within five Business Days after the Exercise Date, the Company will:

- (i) issue the number of Shares required under these terms and conditions in respect of the number of Options specified in the Notice of Exercise and for which cleared funds have been received by the Company;
- (ii) if required, give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, or, if the Company is unable to issue such a notice, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors; and
- (iii) if admitted to the official list of ASX at the time, apply for official quotation on ASX of Shares issued pursuant to the exercise of the Options.

If a notice delivered under (g)(ii) for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, the Company must, no later than 20 Business Days after becoming aware of such notice being ineffective, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors.

(h) **Shares issued on exercise**

Shares issued on exercise of the Options rank equally with the then issued shares of the Company.

(i) **Quotation of Shares issued on exercise**

Application will be made by the Company to ASX for quotation of the Shares issued upon exercise of the Options.

(j) **Reconstruction of capital**

If at any time the issued capital of the Company is reconstructed, all rights of an Optionholder are to be changed in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the reconstruction.

(k) **Participation in new issues**

There are no participation rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options without exercising the Options.

(l) **Change in exercise price**

An Option does not confer the right to a change in Exercise Price or a change in the number of underlying securities over which the Option can be exercised.

(m) **Transferability**

The Options are transferable subject to any restriction or escrow arrangements imposed by ASX or under applicable Australian securities laws.
