Explanatory Memorandum

This Explanatory Memorandum has been prepared for the information of Shareholders in connection with the business to be considered at the AGM of Shareholders to be held on Friday 22 November 2024.

The Explanatory Memorandum forms part of, and should be read in conjunction with, the Notice of Meeting. For the assistance of Shareholders, a glossary of defined terms is included at the end of this Explanatory Memorandum.

Full details of the business to be considered at the Meeting are set out below.

Financial Statements and Reports

The Corporations Act requires that the Annual Financial Report, Directors' Report and Auditor's Report be presented to the Meeting. Apart from the matters involving remuneration which are required to be voted upon, the Corporations Act does not require a vote of Shareholders at the Meeting on such reports or statements, however Shareholders as a whole will be given a reasonable opportunity to raise questions with respect to these reports and statements and the management of NEXTDC at the Meeting.

In addition and as required under section 250RA of the Corporations Act, a representative of the Company's auditors, PricewaterhouseCoopers, will be present to answer any questions about the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

The Annual Financial Report, Directors' Report and Auditor's Report are contained in the Company's Annual Report for the period 1 July 2023 to 30 June 2024, which has been sent to Shareholders who requested a copy and is available on the Company's website at www.nextdc.com.

A Shareholder Resolution is not required in respect of this item of business.

1. Resolution 1 – Remuneration Report

The Corporations Act requires that the Company's Remuneration Report be put to Shareholders for consideration and adoption by way of a non-binding ordinary resolution.

The Remuneration Report:

- explains the Board's policy for determining the nature and amount of remuneration of Key Management Personnel of the Company;
- explains the relationship between the Board's remuneration policy and the Company's performance;
- sets out remuneration details for each member of the Key Management Personnel of the Company; and
- details and explains any performance conditions applicable to the remuneration of Key Management Personnel.

A reasonable opportunity will be provided for Shareholders as a whole to ask questions about, or make comments on, the Remuneration Report at the Meeting. In addition, Shareholders will be asked to vote on the Remuneration Report.

The vote on this Resolution is advisory only and the outcome will not be binding on the Board or the Company. However, the Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

Recommendation

The Board unanimously recommends that Shareholders vote in favour of adopting the Remuneration Report.

For personal use only

2. Resolution 2 – Re-election of Mr Douglas Flynn, as a Director

ASX Listing Rule 14.5 requires that the Company hold an election of Directors at each Annual General Meeting. In accordance with ASX Listing Rule 14.4 and Rule 58 of the Company's Constitution, Mr Flynn retires from office and submits himself for re-election.

Douglas (Doug) was appointed to the Board in September 2013 as an Independent Non-executive Director and subsequently was appointed as Chairman in April 2014. The Board still considers that Doug is an Independent Director.

Doug has over 30 years of international experience in the media and information and communication technology industries, including holding various senior management and board positions. He has had extensive experience in building international networked businesses including currently in East Asia and elsewhere.

Doug is the current Chairman of IMEXHS Limited, a Latin America based medical imaging technology provider.

Previously, Doug was Chief Executive of newspaper publisher, Davies Brothers Limited, which was acquired by News Corporation in 1989. In 1995, he was appointed the Managing Director of News International Plc.

After leaving News International in 1998, Doug joined Aegis Group Plc and was appointed as CEO in 1999, where he was instrumental in doubling the size of the company and established a global market research business, Synovate and internet services business Isobar.

From 2005 to 2008, Doug served as the Chief Executive of facilities management provider Rentokil Initial Plc.

Doug graduated in Chemical Engineering from the University of Newcastle, New South Wales and received a Master of Business Administration with distinction from the University of Melbourne.

The Board believes that Mr Flynn continues to provide a valuable contribution to the Board, with his extensive expertise and experience in the media, IT and communications sectors.

Recommendation

The Board (other than Mr Flynn) unanimously recommends that Shareholders vote in favour of the re-election of Mr Flynn as a Director of the Company.

3. Resolution 3 – Increase in the maximum aggregate annual remuneration of Non-executive Directors

ASX Listing Rule 10.17 and the Company's Constitution require that any increase to the maximum aggregate amount of directors' fees that may be paid to the Non-executive Directors in any year be determined by Shareholders in a general meeting.

The current maximum aggregate amount of directors fee is \$2,000,000 per annum which was last approved at the Company's 2023 AGM.

The Board considers that it is reasonable and appropriate to seek an increase in the remuneration pool to allow for incremental adjustments to Board and Committee fees in compensation of the workload, time commitment and responsibility of the Board and its Committees and the growth in the operations of the Company and its market position both in Australia and abroad. The Board does not intend to utilise the entire increase in the maximum aggregate fee limit in the short term.

The Board intends to continue to undertake further benchmarking of Non-executive Director remuneration, with reference to companies of a similar size in Australia, as indicated by market capitalisation, to ensure its remuneration of Non-executive Directors remains appropriate.

Accordingly, Shareholder approval is sought to increase the maximum aggregate fee limit by \$200,000, from \$2,000,000 to \$2,200,000 per annum. If approval is not given under Resolution 3, this fee limit will remain at \$2,000,000 per annum. This means that the Board will not have the flexibility to adjust fees as anticipated above, and any adjustments to Board and Committee fees will need to be considered in the context of the current maximum aggregate fee limit.

No Non-executive Director has been issued securities within the past 3 years pursuant to Shareholder approval under ASX Listing Rules 10.11 or 10.14.

Recommendation

Given the interest of the Non-executive Directors in this matter, the Board makes no recommendation in relation to Resolution 3.

4. Resolution 4 – Ratification of issue of shares under institutional placement

On 16 September 2024, the Company completed an institutional placement of 32,069,971 ordinary shares at \$17.15 per share (the Placement Shares) to provide funding and flexibility to enable the Company to acquire sites in Asia earmarked for the development of new data centre facilities as well as general corporate purposes and transaction costs. The Placement Shares were issued to institutional investors and ranked equally in all respects with existing ordinary shares on issue (see Additional Information below). Information regarding the placement was announced to the ASX on 10 September 2024.

Why is the Company seeking shareholder approval?

Subject to a number of exceptions, ASX Listing Rule 7.1 limits the number of securities that a company may issue without Shareholder approval in any 12-month period to 15% of its issued securities (15% placement capacity). The issue of the Placement Shares was made within the Company's 15% placement capacity.

ASX Listing Rule 7.4 provides that an issue of shares by a company made pursuant to ASX Listing Rule 7.1 is treated as having been made with shareholder approval for the purposes of ASX Listing Rule 7.1, if such issue is subsequently approved by the company's shareholders.

Accordingly, the Company seeks Shareholder ratification for the issue of the Placement Shares to 'replenish' the Company's 15% placement capacity and give it the flexibility to issue further equity securities up to that limit during the applicable 12-month period.

Notwithstanding an approval by Shareholders of Resolution 4, any future equity raisings would remain subject to the 15% placement capacity limit set out in ASX Listing Rule 7.1.

If Resolution 4 is not approved, the Company's 15% placement capacity will not be replenished, limiting the Company's ability to raise funds by issuing further equity securities during the 12 month period following the issue of the Placement Shares. The requirement to obtain Shareholder approval for any future issue of equity securities, before the issue, could limit the Company's ability to take advantage of future market opportunities that may arise.

Additional information

In accordance with ASX Listing Rule 7.5, the following additional information is provided in relation to Resolution 4:

Type of security	ordinary shares
Number of securities issued	32,069,971
Date of issue	16 September 2024
Issue price	\$17.15
Terms of the securities	Placement Shares rank equally in all respects from the issue date with the existing ordinary shares on issue.
Person(s) to whom the securities were issued (or basis on which those persons were identified or selected)	Placement Shares were issued to existing institutional investors in the Company at the time of the placement, as well as new institutional investors, as selected by the Company in consultation with its advisors.
Use (or intended use) of the funds raised	To provide funding and flexibility to enable the Company to acquire sites in Asia earmarked for the development of new data centre facilities as well as general corporate purposes and transaction costs.

Recommendation

The Board unanimously recommends that Shareholders vote in favour of ratifying the issue of shares outlined in Resolution 4.

5. Resolution 5 – Approval of grant of Rights to Mr Craig Scroggie under the FY25 Long Term Incentive (LTI) Plan

The Company proposes to grant Mr Scroggie 97,206 Performance Rights and 97,206 Restricted Rights for FY25 pursuant to the Company's LTI Plan under the NEXTDC Limited Equity Incentive Plan (EIP). For this year, and to ensure Mr Scroggie is adequately incentivised for his ongoing service to the Company, the Board has proposed an increase in the percentage of base salary upon which his Performance Rights and Restricted Rights are calculated. The Board proposes an increase from 150% to 200% of base salary, which increase is reflected in the number of rights specified above.

Background

A key component to effective executive remuneration is the provision of incentive grants under a long-term incentive scheme to support retention, drive shared performance objectives and link remuneration to Company performance and Shareholder wealth outcomes. In his role as CEO and Managing Director, Mr Scroggie is a key executive of NEXTDC Limited and plays an important role in leading the execution of the Company's growth strategies and business objectives.

Why approval is being sought

ASX Listing Rule 10.14 requires the Company to obtain the approval of Shareholders to grant equity securities under an employee incentive scheme to a Director (ASX Listing Rule 10.14.1) or an associate of a Director (ASX Listing Rule 10.14.2). As Mr Scroggie is the CEO and Managing Director of NEXTDC, he falls within ASX Listing Rule 10.14.1 and therefore requires Shareholder approval under ASX Listing Rule 10.14 prior to being granted equity securities under the LTI Plan.

If Resolution 5 is not approved, the Board will consider alternative arrangements to appropriately remunerate and incentivise Mr Scroggie.

If Resolution 5 is approved, the Performance Rights and Restricted Rights will be issued to Mr Scroggie within 12 months of the Meeting.

Key features of the FY25 LTI Plan

The key features of Mr Scroggie's proposed FY25 LTI award are disclosed in Appendix A (which forms part of this Explanatory Memorandum) noting there have been some changes in the entitlements to Mr Scroggie's allocation, which are explained in the Appendix.

Recommendation

The Board (other than Mr Scroggie) unanimously recommends that Shareholders vote in favour of the grant of Performance Rights and Restricted Rights to Mr Scroggie.

Form of LTI Award	<p>The CEO's FY25 LTI award is being granted in the form of Performance Rights and Restricted Rights (together, Rights).</p> <p>The Company grants Rights under the EIP because they create strong economic alignment between the CEO and Shareholders while providing greater flexibility than Shares.</p> <p>Each Right will vest and become exercisable subject to the satisfaction of underlying conditions measured over a performance period. On exercise, each vested Right generally entitles the CEO to receive one Share in the Company. The Company uses Rights for the LTI award because they align the interests of the CEO and Shareholders but do not provide the CEO with the full benefits of share ownership (such as dividend and voting rights) unless the Rights vest and are exercised.</p>
Mix of Performance Rights and Restricted Rights	<p>The offer comprises 50% Performance Rights and 50% Restricted Rights, constituting the CEO's total FY25 LTI opportunity.</p>
Number of Rights	<p>A total of 194,412 Rights will be offered to the CEO in FY25:</p> <ul style="list-style-type: none"> ▪ 97,206 Performance Rights; and ▪ 97,206 Restricted Rights. <p>The number of Rights has been calculated by dividing his maximum award value of A\$3,353,618 (being 200% of his annual base salary) by A\$17.25 (being the volume-weighted average price of NEXTDC Shares over the 10 trading days following the release of the Company's FY24 audited accounts).</p>
Amount payable for Rights	<p>The LTI award forms part of the CEO's remuneration and, for that reason, no amount will be payable by the CEO on grant, vesting or exercise of the Rights.</p>
Performance period	<p>Vesting of the FY25 award occurs over a performance period of 3 – 5 years.</p> <p>Performance Rights:</p> <ul style="list-style-type: none"> ▪ Tranche 1 (50% of the Performance Rights), which will be tested after 3 years and be eligible to vest at that time; and ▪ Tranche 2 (50% of the Performance Rights), which will be tested after 4 years and be eligible to vest at that time. <p>Restricted Rights:</p> <ul style="list-style-type: none"> ▪ Tranche 1 (33.3% of the Restricted Rights), which will be tested after 3 years and be eligible to vest at that time; ▪ Tranche 2 (33.3% of the Restricted Rights), which will be tested after 4 years and be eligible to vest at that time; and ▪ Tranche 3 (33.4% of the Restricted Rights), which will be tested after 5 years and be eligible to vest at that time. <p>In all cases, performance is measured over a performance period commencing from the end of the day of the release of the Company's full year results (for this award it is the release of the FY24 results) to the end of the day of the release of the Company's full year results for the relevant year (in this case, it is FY27, FY28 and FY29). No component will be subject to re-testing.</p>

Performance conditions	<p>Performance Rights:</p> <p>Vesting of each tranche of the Performance Rights is subject to the following conditions:</p> <ol style="list-style-type: none"> Gateway Hurdle <p>Vesting of the Performance Rights is subject to an initial gateway hurdle of NEXTDC achieving positive total shareholder return (TSR) over the relevant performance period for that tranche. If the gateway hurdle is not met, the CEO's Performance Rights automatically lapse even if the TSR Hurdle (described below) is achieved.</p> TSR Hurdle <p>In addition to the Gateway Hurdle, vesting of the CEO's Performance Rights is subject to a relative TSR performance condition. Vesting of the CEO's Performance Rights under the TSR Hurdle is determined by ranking NEXTDC's TSR over the performance period for the relevant tranche, relative to the TSR of companies in the ASX 100 Accumulation Index (Index). Vesting of the CEO's Performance Rights will be determined by reference to the following vesting schedule:</p> <table border="1" style="margin-left: 20px;"> <thead> <tr> <th style="text-align: left;">NEXTDC's TSR over the Performance Period for the relevant Tranche</th> <th style="text-align: left;">% of Performance Rights to Vest in relevant Tranche</th> </tr> </thead> <tbody> <tr> <td>Less than TSR of Index</td> <td>0%</td> </tr> <tr> <td>At TSR of Index</td> <td>25%</td> </tr> <tr> <td>Between TSR of Index and TSR of Index + 5% p.a.</td> <td>Pro rata vesting from 25% to 100% on a straight-line basis</td> </tr> <tr> <td>TSR of Index + 5% p.a. or greater</td> <td>100%</td> </tr> </tbody> </table> <p>The scale requires that the Company deliver a TSR to Shareholders that is at least as good as the overall market (as indicated by the TSR of the Index over the performance period) before any vesting may occur.</p> <p>Full vesting does not become available until the TSR of the Company reaches the TSR of the Index over the performance period plus 5% p.a. This would, in the view of the Board, represent an outstanding outcome for the Company.</p> <p>Restricted Rights:</p> <p>Vesting of each tranche of the Restricted Rights is subject the following conditions:</p> <ol style="list-style-type: none"> Service <p>Vesting of Restricted Rights is subject to the CEO remaining employed with NEXTDC at the end of the performance period of each relevant tranche. Aspect	Details
Vesting and exercise of Rights	<p>At the end of the applicable performance period, the Board will determine if and to what extent the performance/vesting conditions have been satisfied and the number of Rights that will vest and become exercisable. Any Rights that do not vest when they are tested will immediately lapse.</p> <p>Upon vesting, the CEO is entitled to exercise the Rights (at no cost). On exercise, the Rights will be settled in Shares or, at the Board's discretion, with an equivalent cash payment. It is intended that vested and exercised Rights would be satisfied mainly in the form of Shares.</p> <p>Any vested Rights that remain on foot and are not exercised within 8 years of the grant date (the expiry date), will be automatically exercised on behalf of the CEO.</p>
Cessation of employment	<p>If the CEO's employment is terminated for cause or the CEO resigns, unvested Rights will lapse, unless the Board determines otherwise.</p> <p>If the CEO ceases employment because of death, total and permanent disability or redundancy, his unvested Rights will continue on-foot and be subject to the original terms as though he had not ceased employment, unless the Board determines otherwise.</p> <p>In any other circumstances, the Board has discretion to determine how the unvested Rights will be treated upon cessation of employment with NEXTDC.</p>
Change of control	<p>In circumstances where there is likely to be a change in the control of NEXTDC, the Board has discretion to determine the level of vesting (if any) having regard to the portion of the performance period elapsed, performance to date against the performance / vesting conditions and any other factors it considers appropriate.</p> <p>If an actual change in the control of NEXTDC occurs before the Board can exercise this discretion, unless the Board determines otherwise, the Gateway Hurdle will be waived, and unvested Rights will vest and become exercisable in proportion to the Company's performance against the TSR Hurdle up to the date of the change of control or on a pro-rata basis where a TSR Hurdle does not apply.</p>
No rights before vesting and exercise	<p>The CEO does not have any dividend or voting entitlements prior to vesting and exercise of the Rights.</p> <p>However, on vesting and exercise of the Rights, the CEO is entitled to receive a dividend equivalent payment in the form of additional Shares which are equivalent to the value of dividends that the CEO would have received between the grant date and vesting date if he had owned Shares. The number of Shares that the CEO will receive will be calculated by dividing the value of dividends which would have been received over that period by the share price on the date of allocation. The Board may alternatively direct to pay this entitlement in cash.</p>
Clawback and malus	<p>The Board has broad discretion under the EIP to lapse, forfeit or clawback unvested and vested LTI awards in certain circumstances to ensure that no inappropriate benefit is obtained by the CEO. These circumstances include where the CEO acts fraudulently or dishonestly; is in material breach of his obligations to NEXTDC; there is a material misstatement in a Group company's accounts; vesting has been triggered by another person's misconduct or where NEXTDC is required or entitled under law or NEXTDC policy to reclaim remuneration from the CEO.</p>
EIP	<p>The Board may amend or waive terms under the EIP, subject to the ASX Listing Rules. Subject to the Listing Rules, the Board may make such adjustments to Rights awarded under the Plan as the Board considers appropriate in order to minimise or eliminate any material advantage or disadvantage to the CEO resulting from a corporate action such as a capital raising or capital reconstruction. The Remuneration Report in the Company's Annual Report for the financial year ended 30 June 2024 contains further details about the EIP.</p>

Aspect	Details						
Reasons for the change in entitlement	<p>The Board and Remuneration Committee review the appropriateness of the EIP on an annual basis. The Board is of the opinion that the current structure of the LTI, most recently amended in 2023 to create separate classes of Performance Rights and Restricted Rights, (see detail above), remain appropriate. However, the Board is of the view that, in order to appropriately incentivise Mr Scroggie, the total percentage of base salary upon which his entitlements are calculated, should be increased from 150% to 200%.</p> <p>In his role as CEO and Managing Director, Mr Scroggie is a key executive of the Company and plays an important role in leading the execution of the Company's growth strategies and business objectives. The Board notes that, over the past three years, NEXTDC delivered compound annual growth of 18% in total revenue and 15% in underlying EBITDA.</p> <p>The Board believes that the increase in Rights allocation will deliver further value for Shareholders and will properly incentivise the CEO going forward.</p>						
Additional information	<p>In accordance with ASX Listing Rule 10.15, the following information is provided in relation to the proposed grant of Rights to the CEO pursuant to the LTI Plan:</p> <ul style="list-style-type: none"> ▪ Mr Scroggie's current total remuneration: <table border="1" data-bbox="456 831 1426 1106"> <tbody> <tr> <td data-bbox="456 831 892 925">Fixed Annual Remuneration (FAR)</td> <td data-bbox="892 831 1426 925">A\$1,676,809 (inc Super)</td> </tr> <tr> <td data-bbox="456 925 892 1014">FY25 Short Term Incentive</td> <td data-bbox="892 925 1426 1014">150% of FAR (maximum) if stretch target is achieved.</td> </tr> <tr> <td data-bbox="456 1014 892 1106">FY25 Long Term Incentive</td> <td data-bbox="892 1014 1426 1106">200% of FAR (maximum) if stretch target is achieved.</td> </tr> </tbody> </table> ▪ 2,368,712 Rights have been issued to Mr Scroggie for nil consideration under the EIP since the Plan was established in 2016. ▪ Aside from Mr Scroggie, no Directors (or Associates of Directors) are entitled to participate in the Company's LTI Plan under the EIP. ▪ No loan will be made by NEXTDC in connection with the acquisition of Rights under the LTI Plan. ▪ Details of any Rights issued under the EIP pursuant to this approval will be published in NEXTDC's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of Rights under the EIP after this resolution is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under ASX Listing Rule 10.14.
