The proxy may, but need not, be a member of the Company.

Where a Shareholder appoints two proxies, on a poll each proxy may only exercise votes in respect of those shares or voting rights the proxy represents.

Proxies may be lodged using any of the following methods:

The proxy form must be signed by the Shareholder (or in the case of a joint holding, by each joint holder) or his/her attorney duly authorised in writing or, if the member is a corporation, in a manner permitted by the Corporations Act. A proxy given by a foreign corporation must be executed in accordance with the laws of that corporation's place of incorporation.

If you sign the proxy form and do not appoint a proxy, you will have appointed the Chair of the Meeting as your proxy.

The appointment of one or more duly appointed proxies will not preclude a Shareholder from attending this meeting and voting personally. If the Shareholder votes on a resolution, the proxy must not vote as the Shareholder's proxy on that resolution. A proxy form is attached to this Notice.

How the Chair will vote undirected proxies

Subject to the restrictions set out in the Notice, the Chair of the meeting will vote undirected proxies on, and in favour of, all of the proposed resolutions.

2024 ANNUAL GENERAL MEETING

PURPOSE OF INFORMATION

This Explanatory Memorandum ("**Memorandum**") accompanies and forms part of the Company's Notice of the 2024 Annual General Meeting ("**Meeting**") to be held at Deloitte Australia Offices, L30, 477 Collins Street, Melbourne VIC, at 9.00am (AEDT) on Friday, 22 November 2024. The Notice of the 2024 Annual General Meeting ("**the Notice**") incorporates, and should be read together with, this Memorandum.

ORDINARY BUSINESS

2024 Annual Reports

The 2024 Annual Financial Statements, comprising the Financial Report, Directors' Report and Auditor's Report for the year ended 30 June 2024 will be laid before the meeting. Shareholders will have the opportunity to ask questions about or make comments on the 2024 Annual Financial Statements and the management of the Company. A representative of the auditor will be invited to attend to answer questions about the audit of the Company's 2024 Annual Financial Statements.

The Company's 2024 Annual Financial Statements are set out in the Company's 2024 Annual Report which can be obtained from the Company's website, www.alteritytherapeutics.com or upon request to the Company Secretary by email to info@alteritytherapeutics.com.

There is no requirement for these reports to be formally approved by Shareholders. No resolution is required to be moved in respect of this item.

Resolution 1: Non-binding Resolution - Remuneration Report

Background

Pursuant to the *Corporations Act 2001* (Cth) ("**Corporations Act**") at the Annual General Meeting ("**AGM**") of a listed company, that company must propose a resolution that the Remuneration Report be adopted.

The purpose of this resolution is to present to the Shareholders the Company's Remuneration Report so that Shareholders may ask questions about or make comments on the management of the Company in accordance with the requirements of the Corporations Act and vote on whether to adopt the Remuneration Report for the year ended 30 June 2024.

This resolution is advisory only and does not bind the Company, however the Board will consider the outcome of the vote made by Shareholders on the remuneration report at the meeting when reviewing the Company's remuneration policies. Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs (treating this AGM as the first such meeting), shareholders will be required to vote at the second of those AGM's on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director and CEO) must be put up for re-election. The vote on the Remuneration Report contained in the Company's 2023 Annual Financial Statement was passed with the support of more than 75% of votes thus a spill resolution will not be required in the event 25% or more of the votes that are cast at the 2024 AGM are against the adoption of the 2024 Remuneration Report. However, in the event that 25% or more of votes that are cast

EXPLANATORY MEMORANDUM

are against the adoption of the 2024 Remuneration Report, shareholders should be aware if there is a 'no' vote of 25% or more for the same resolution at the 2025 AGM it may result in the re-election of the Board.

The Remuneration Report is contained within the 2024 Annual Report. You may access the Annual Report by visiting the Company's website www.alteritytherapeutics.com.

Resolution 2: Re-Election of Director – Mr. Geoffrey Kempler

At each AGM of the Company, one third of the Directors of the Company must retire from office by rotation, in accordance with the Company's Constitution. The Managing Director is not subject to rotation. No Director (except the Managing Director) shall retain office for a period in excess of three years without submitting himself or herself for re-election. A Director who retires from office by rotation and is eligible for re-election may offer him or herself for re-election.

Mr Geoffrey Kempler retires by rotation and, being eligible, offer himself for re-election. A biography for Mr Geoffrey Kempler is set out below:

Mr. Geoffrey Kempler has served as Chairman of the Board of Directors since November 1997; between November 1997 and August 2004 he served as the Chief Executive Officer and again assumed the position of Chief Executive Officer from June 2005 until January 2021. Mr. Kempler holds a B.Sc degree in science from Monash University, Grad. Dip. App. Soc. Psych. degree from Swinburne University.

The board of Directors (with Mr Geoffrey Kempler abstaining from making a recommendation) recommend that shareholders vote in favour of Resolution 2.

The shares were issued under the placement capacity available to the Company under ASX Listing Rule 7.1A on 18 July 2024 and an Appendix 2A for the issue of the shares was released to ASX on 19 July 2024. The Company seeks approval under Listing Rule 7.4 to refresh its capacity to make further issues without shareholder approval under Listing Rule 7.1 and/or Listing Rule 7.1A.

If shareholders pass Resolution 3 then the fully paid ordinary shares the subject of Resolution 3 will be treated as not having used the placement capacity of the Company available under the ASX Listing Rules. EXPLANATORY MEMORANDUM

The options are proposed to be issued to the proposed recipients as incentive securities in connection with their respective roles within the Company, as a means of preserving the cash reserves of the Company whilst providing valuable remuneration to the recipients that further aligns their interests with those of shareholders.

The number of options was determined having regard to the capital structure of the Company and the desire to provide balanced incentives to the proposed related party recipients of unlisted options.

Valuation of options

A Black-Scholes valuation of the options by the Company as at 30 September 2024 (such Black-Scholes valuation calculated at a 225.9% volatility rate and 3.58% risk free rate) attributed a value of A\$0.0027 (0.27 Australian cents) for each option. The total aggregate value of options proposed to be issued to the proposed recipients (and/or their respective nominee(s)) based on this Black-Scholes valuation is set out in the table below:

For indicative purposes, the below shows the direct and indirect interests of each of the proposed related party recipients in the securities of the Company based on their existing holdings in the Company plus the number of shares issued on conversion of all of the options the subject of resolutions 4 to 7:

Total	32,666,491	0.62%	202,666,491	3.69%

** all percentages are subject to rounding. Assumes no further shares are issued between the date of the notice and the issue of the unlisted options the subject of resolutions 4 to 7. The above table only takes into account the issue of shares on conversion of the unlisted options the subject of Resolutions 4 to 7 and does not take into account the issue of any other shares (whether on conversion of options or otherwise).*

Potential dilutive effect of the issue of options

The issue of the options the subject of Resolutions 4 to 7 will not result in dilution of the interests of shareholders of the Company until such time as those options (or part thereof) are exercised into fully paid ordinary shares in the capital of the Company. There is no guarantee that a certain number of options will be exercised into fully paid ordinary shares, or any at all.

For indicative purposes, an example of the potential dilutive impact if all of the options the subject of resolution 4 to 7 were exercised into fully paid ordinary shares is set out in the table below:

Example shareholder	Shares held	Current % *	% post-exercise of options
A	10,000,000	0.19%	0.18%
B	25,000,000	0.47%	0.46%
C	50,000,000	0.94%	0.91%
D	100,000,000	1.88%	1.82%
E	250,000,000	4.70%	4.55%

All percentages in the above table are subject to rounding. The above table only takes into account the issue of fully paid ordinary shares upon the exercise of the unlisted options the subject of resolutions 4 to 7 and does not take into account the issue of any other shares (whether on conversion of options or otherwise).

Corporations Act – Section 195(4)

Although no Director participated in the discussion or decision making process in respect of the unlisted options proposed to be issued to them, the Directors acknowledge that Resolutions 4 to 7 separately relate to each of them. Accordingly, Directors propose that Resolutions 4 to 7 each also be put to shareholders for the purposes of section 195(4) of the Corporations Act such that shareholders determine whether the named related parties

EXPLANATORY MEMORANDUM

will be issued the respective securities the subject of Resolutions 4 to 7.

Director recommendations

The Directors do not make any recommendations with respect to resolutions 4 to 7 as such recommendations are in connection with the remuneration of each of the Directors of the Company and therefore may be considered to be a conflict of interest as set out in ASIC guidance in ASIC Regulatory Guide 76.

SPECIAL BUSINESS

Resolution 8 – Approval of 10% placement facility

1. General

ASX Listing Rule 7.1A enables eligible entities to issue equity securities (as that term is defined in the ASX Listing Rules) up to 10% of its issued share capital through placements over a 12 month period after the Annual General Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1. An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of A\$300 million or less. The Company is an eligible entity as at the date of the Notice.

The Company seeks Shareholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Facility. The exact number of equity securities (if any) to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to section 2(c) below). Equity securities under the 10% Placement Facility may only be issued for cash consideration. The Company may use funds raised from any 10% Placement Facility for funding of specific projects and/or general working capital.

If shareholders pass Resolution 8, the Company will be able to issue up to the number of equity securities under the 10% Placement Facility for cash in accordance with the formula prescribed by ASX Listing Rule 7.1A.2 (as set out below). If Resolution 8 is not passed by shareholders then the Company will not be able to issue Equity Securities under the 10% Placement Facility.

The Directors of the Company believe that Resolution 8 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of Resolution 8.

2. Description of ASX Listing Rule 7.1A

(a) Shareholder approval

The ability to issue equity securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an AGM.

(b) Equity Securities

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company.

The Company, as at the date of the Notice, has on issue two classes of quoted equity securities, being fully paid ordinary Shares (**ATH**) and options expiring 31 August 2026 (**ATHO**).

For personal use only

(c) Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an AGM may issue or agree to issue, during the 12-month period after the date of the 2024 AGM, a number of equity securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue 12 months before the date of the issue or agreement:

- (A) plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2 other than Exception 9, 16 or 17;
- (B) plus the number of fully paid ordinary shares issued in the relevant period on the conversion of convertible securities within ASX Listing Rule 7.2 Exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under those rules to have been approved, under ASX Listing Rule 7.1 or 7.4;
- (C) plus the number of fully paid ordinary shares issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 Exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under those rules to have been approved, under ASX Listing Rule 7.1 or 7.4;
- (D) plus the number of partly paid shares that became fully paid in the 12 months;
- (E) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rules 7.1 and 7.4; and
- (F) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that has not been subsequently approved and ratified by shareholders under ASX Listing Rules 7.4.

(d) ASX Listing Rule 7.1 and ASX Listing Rule 7.1A

The ability of an entity to issue equity securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

The actual number of equity securities that the Company will have capacity to issue under ASX Listing

EXPLANATORY MEMORANDUM

Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to section 2(c) above).

(e) Minimum Issue Price

The issue price of equity securities issued under ASX Listing Rule 7.1A must be not less than 75% of the VWAP of equity securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (A) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the relevant equity securities; or
- (B) if the equity securities are not issued within 10 trading days of the date in paragraph (A) above, the date on which the equity securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the AGM at which the approval is obtained and expires on the earlier to occur of:

- (A) the date that is 12 months after the date of the AGM at which the approval is obtained; or
- (B) the date and time of the subsequent AGM after the AGM at which the approval is obtained; or
- (C) the date and time of the approval by shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), (10% Placement Period).

3. ASX Listing Rule 7.1A

The effect of Resolution 8 will be to allow the Directors to issue the equity securities under ASX Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

Resolution 8 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

4. Specific Information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The equity securities will be issued at an issue price of not less than 75% of the VWAP for the Company's equity securities over the 15 trading days on which trades in that class were recorded immediately before:
 - (A) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the relevant equity securities; or
 - (B) if the equity securities are not issued within 10 trading days of the date in paragraph (A) above, the date on which the equity securities are issued.

EXPLANATORY MEMORANDUM

(b) If Resolution 8 is approved by the Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted. Indicative examples of the potential dilutive impact of the issue of equity securities under the 10% Placement Facility is shown in the table set out in section (f) below.

(c) There is a risk that:

(A) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of the Annual General Meeting; and

(B) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary shares for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the date of the Notice.

The table below also shows:

- (i) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary shares the Company has on issue at the date of the Notice. The number of ordinary securities on issue may increase as a result of issues of ordinary shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the price of ordinary securities has decreased by 50% and increased by 50% as against the Deemed Price (defined below).

Variable "A" in ASX Listing Rule 7.1A.2	Dilution		
	50% decrease in Deemed Price \$0.0015	Deemed Price \$0.0030	50% Increase in Deemed Price \$0.0045

* Please note that the current number of shares on issue shown above is as at the date of the Notice.

For personal use only

The table has been prepared on the following assumptions:

- (i) The share figures are as at close of trade on 30 September 2024;
 - (ii) The Company issues the maximum securities available under the ASX Listing Rule 7.1A being 10% of the Company's shares on issue at the date of the Meeting;
 - (iii) No options are exercised into fully paid ordinary securities before the date of the issue of securities under ASX Listing Rule 7.1A;
 - (iv) The table does not demonstrate an example of dilution that may be caused to a particular shareholder by reason of placements under ASX Listing Rule 7.1A, based on that shareholder's holding at the date of the Meeting;
 - (v) The table only demonstrates the effect of issues of securities under ASX Listing Rule 7.1A. It does not consider placements made under ASX Listing Rule 7.1, the "15% rule";
 - (vi) The price of ordinary securities is deemed for the purposes of the table above to be \$0.003, being the closing price of the Company's fully paid ordinary shares on ASX 30 September 2024 (**Deemed Price**). The Deemed Price is indicative only and does not consider any discount to market that the securities may be placed at; and
 - (vii) The table does not demonstrate the effect of listed or unlisted options being issued under ASX Listing Rule 7.1A, it only considers the issue of the fully paid ordinary securities.
- (d) The Company will only issue and allot the equity securities during the 10% Placement Period.
- (e) The Company may only seek to issue the equity securities under the 10% Placement Facility for cash consideration. The Company may use the funds raised towards advancing specific Company projects and/or general working capital.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) upon issue of any equity securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the equity securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

- (f) The Company previously obtained approval for the 10% Placement Facility at its 2012, 2013, 2015,

2016, 2017, 2018, 2019, 2020, 2021, 2022 and 2023 AGMs.

In the 12 months prior to the Meeting, the Company has issued 75,220,800 equity securities (ordinary shares) under the 10% Placement Facility approved by shareholders at the 2023 AGM. These aggregate of 75,220,800 equity securities issued in the 12 months preceding the Meeting represent 2.29% of the total number of equity securities on issue in the Company (being 3,284,135,277 total equity securities comprising 2,439,897,618 ordinary shares and 844,237,659 unlisted options) at the commencement of the 12 month period preceding the Meeting (being 22 November 2023).

The issue of securities by the Company under its 10% Placement Facility in the 12 months prior to the Meeting is set out below:

Date of issue	18 July 2024
Number issued	75,220,800
Total consideration received	A\$406,192.32 before costs, being an issue price of A\$0.0054 per share.

Use of funds raised	Funds raised are to be used for working capital and to progress research and development activities. Amount raised: A\$406,192.32 Amount spent: \$0.00 Amount remaining: A\$406,192.32

- (g) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities, and it is not proposed to do so between the date of the Notice and the date of the Meeting. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

ANNEXURE A
TERMS OF OPTIONS

The terms of the issue of the Options are:

1. Each Option entitles the holder to one fully paid ordinary share in the capital of Alterity Therapeutics Limited [ABN 37 080 699 065] (**the Company**) (each a **Share**).
2. The Options may be exercised at any time prior to 5.00pm Melbourne time on the date that is three (3) years from issue of the Options (**Expiry Date**).
3. The exercise price of the Options is A\$0.01 (1 Australian cents) each (**Exercise Price**).
4. The Options will not be listed.
5. The Options are transferable, subject at all times to the requirements of the Australian Corporations Act 2001 and any other applicable law or regulation.
6. To exercise the Options, each Option holder must duly complete, execute and deliver to the Company an exercise notice in the form provided to the Option holder or as otherwise acceptable to the Company (**Notice of Exercise**). Options may be exercised by the Option holder in whole or in part by completing the Notice of Exercise (or such other form of written notice of exercise acceptable to the Company) and delivering it to the Company Secretary at its registered office or to its designated registry (which may include delivery or giving by electronic means), to be received prior to the Expiry Date. The Notice of Exercise must, among other things, state the number of Options exercised, the consequent number of Shares to be allotted and the identity of the proposed allottee. The Notice of Exercise by an Option holder must be accompanied by payment (which may be made by electronic funds transfer by prior arrangement in writing with the Company or its designated registry) in full for the relevant number of Shares being subscribed, being an amount of the Exercise Price per Option exercised.
7. All Shares issued upon the exercise of the Options will rank equally in all respects with the Company's then issued Shares. The Company will apply to the Australian Securities Exchange (**ASX**) for all Shares issued pursuant to the exercise of the Options to be admitted to quotation.

9. In the event of a bonus issue the number of Shares over which the Option is exercisable shall be increased by the number of Shares which the Option holder would have received if the Option had been exercised before the record date for the bonus issue.
10. In the event of any reorganisation of the capital of the Company (including consolidation, subdivisions, reduction or return) prior to the Expiry Date the rights of an Option holder will be changed to the extent necessary to comply with the Listing Rules of the ASX applying to a reorganisation of the capital at the time of the reorganisation.
11. There are no participating rights or entitlements inherent in the Options and an Option holder will not be entitled to participate in new issues of capital offered to the Company's shareholders during the term of the Options. However, the Company will if required by the Listing Rules of ASX send a notice to the Option holder at least 3 business days (or such longer period as the Listing Rules of ASX require) before the record date of any new issues of capital offered to the Company's shareholders in order to give the Option holder the opportunity to exercise their Options prior to the date for determining entitlements to participate in any such issue. Notice may be sent to the last email address advised by the Option holder.
12. The Options will not give any right to participate in dividends until Shares are issued pursuant to the exercise of the relevant Options.
13. The Options may not be exercised by or on behalf of a person in the United States unless the Options and the underlying Shares have been registered under the US Securities Act of 1933, as amended, and applicable state securities laws, or exemptions from such registration requirements are available.
