EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <http://www.raceoncology.com>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that, at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

For personal use only

3. RESOLUTION 2 – ELECTION OF DIRECTOR – DR SERGE SCROFANI

3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Dr Serge Scrofani, having been appointed by other Directors on 1 September 2024 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

4.1 General

Dr Peter Smith, who has held office without re-election since 27 November 2023 and being eligible retires by rotation and seeks re-election.

Independence	If re-elected, the Board does not consider that Dr Smith will be an independent Director.
Board recommendation	Having received an acknowledgement from Dr Smith that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Dr Smith since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Dr Smith) recommend that Shareholders vote in favour of this Resolution.

4.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Dr Smith will be re-elected to the Board as Executive Chairman.

If this Resolution is not passed, Dr Smith will not continue in his role as Executive Chairman. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, the Company will have less than the minimum required number of Directors and may be suspended by ASX until a new suitable Director is appointed.

5. RESOLUTION 4 – ADOPTION OF EMPLOYEE INCENTIVE SECURITIES PLAN

5.1 General

This Resolution seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) for the issue of a maximum of 8,521,295 Convertible Securities (being Options and/or

Performance Rights exercisable/convertible into Shares) under the employee incentive scheme titled "Employee Incentive Securities Plan" (**Plan**).

The Plan has been drafted to comply with Division 1A of Part 7.12 of the Corporations Act and replaces the previous incentives schemes adopted by the Company, comprising the Company's incentive option plan approved by Shareholders on 23 November 2021 and the Company's incentive performance rights plan approved by Shareholders on 30 November 2020.

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide services to the Company, and the Company considers that the adoption of the Plan and the future issue of Securities under the Plan will provide these parties with the opportunity to participate in the future growth of the Company.

5.2 Listing Rule 7.1 and Listing Rule 7.2 (Exception 13(b))

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

5.3 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated in Section 5.4 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek separate Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

5.4 Technical information required by Listing Rule 7.2 (Exception 13)

REQUIRED INFORMATION	DETAILS
Terms of the Plan	A summary of the material terms and conditions of the Plan is set out in Schedule 1.
Number of Securities previously issued under the Plan	The Company has not issued any Securities under the Plan as this is the first time that Shareholder approval is being sought for the adoption of the Plan.
Maximum number of Securities proposed to be issued under the Plan	The maximum number of Securities proposed to be issued under the Plan in reliance on to Listing Rule 7.2 (Exception 13(b)), following Shareholder approval, is 8,521,295 Securities. It is not envisaged that the maximum

REQUIRED INFORMATION	DETAILS
	<p>number of Securities for which approval is sought will be issued immediately.</p> <p>The Company may also seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.</p>
Voting exclusion statement	A voting exclusion statement applies to this Resolution.
Voting prohibition statement	A voting prohibition statement applies to this Resolution.

6. RESOLUTION 5 – ISSUE OF OPTIONS TO DR SERGE SCROFANI

6.1 General

This Resolution seeks Shareholder approval for the purposes of Listing Rule 10.14 for the issue that number of Options to Dr Serge Scrofani (or his nominee) (**Scrofani Options**), equal to \$35,000 divided by the value of the Option based on a 10-day VWAP of Shares up to the date prior to the date of issue, determined using the Black & Scholes methodology.

The Company has prepared an example valuation of the Scrofani Options assuming a 10-day VWAP of Shares as at 27 September 2024 (**Example Valuation**). Based on the Example Valuation, the Company values the Scrofani Options at \$0.7556 per Option, which would result in a total of 46,321 Scrofani Options being issued to Dr Scrofani (or his nominee).

Shareholders should note that the value of the Scrofani Options is subject to change based on the VWAP determined at the time of issue of the Scrofani Options. Therefore, the total number of Scrofani Options to be issued under this Resolution could increase or decrease from the 46,321 Scrofani Options noted in the Example Valuation. For the avoidance of doubt, the aggregate value of the Scrofani Options will not exceed \$35,000. Refer to Schedule 3 for the Example Valuation of the Scrofani Options.

The Scrofani Options will be issued pursuant to the Plan (as defined in Section 5.1), subject to the passing of Resolutions 2 and 4, and on the terms and conditions set out in Schedule 2.

6.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and Dr Scrofani is a related party of the Company by virtue of being a Director.

The Directors (other than Dr Scrofani) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the Scrofani Options, reached as part of the remuneration package for Dr Scrofani, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

6.3 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

6.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue of the Scrofani Options under the Plan, and the Company may have to find alternative methods to incentivise and remunerate Dr Scrofani, some of which may not be as financially preferred for the Company as the issue of the Scrofani Options.

6.5 Technical information required by Listing Rule 10.15

REQUIRED INFORMATION	DETAILS
Name of the person to whom Securities will be issued	Dr Scrofani (or his nominee).
Categorisation under Listing Rule 10.14	Dr Scrofani falls within the category set out in Listing Rule 10.14.1 as he is a related party of the Company by virtue of being a Director. Any nominee(s) of Dr Scrofani who receive Securities may constitute 'associates' for the purposes of Listing Rule 10.14.2.
Number of Securities and class to be issued	That number of Scrofani Options, equal to \$35,000 divided by the value of the Option based on a 10-day VWAP of Shares up to the date prior to the date of issue, determined using the Black & Scholes methodology.
Remuneration package	The current total remuneration package for Dr Scrofani is \$78,050, comprising of directors' fees of \$70,000, a superannuation payment of \$8,050. If the Securities are issued, the total remuneration package of Dr Scrofani will increase by \$78,050 to \$113,050, being the value of the Scrofani Options (\$35,000).
Securities previously issued to the recipient/(s) under the Plan	No Securities have been previously issued to Dr Scrofani under the Plan.
Terms of Securities	The Scrofani Options will be issued on the terms and conditions set out in Schedule 2.

REQUIRED INFORMATION	DETAILS
Consideration of type of Security to be issued	<p>The Company has agreed to issue the Scrofani Options for the following reasons:</p> <ul style="list-style-type: none"> (a) the issue of the Scrofani Options has no immediate dilutionary impact on Shareholders; (b) the issue to Dr Scrofani will align the interests of the recipient with those of Shareholders; (c) the issue is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Dr Scrofani; (d) the deferred taxation benefit which is available to the recipient in respect of an issue of Scrofani Options is also beneficial to the Company as it means the recipient is not required to immediately sell the Scrofani Options to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company; and (e) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Scrofani Options on the terms proposed.
Valuation	<p>The Company values the Scrofani Options at \$0.7556 per Scrofani Option, based on the Example Valuation. Shareholders should note that the value of each Scrofani Option is subject to change based on the VWAP determined at the time of issue of the Scrofani Options. Therefore, the total number of Scrofani Options to be issued under this Resolution could increase or decrease from the 46,321 Scrofani Options noted in the Example Valuation. For the avoidance of doubt, the aggregate value of the Scrofani Options will not exceed \$35,000. Refer to Schedule 3 for the Example Valuation of the Scrofani Options.</p>
Date(s) on or by which the Securities will be issued	<p>The Company expects to issue the Scrofani Options within 5 Business Days of the Meeting. In any event, the Company will not issue the Scrofani Options later than three years after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).</p>
Issue price of Securities	<p>The Scrofani Options will be issued at a nil issue price.</p>
Material terms of the Plan	<p>A summary of the material terms and conditions of the Plan is set out in Schedule 1.</p>
Material terms of any loan	<p>No loan is being made in connection with the acquisition of the Scrofani Options.</p>
Additional Information	<p>Details of any Securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.</p>

REQUIRED INFORMATION	DETAILS

Purpose	The purpose of the Plan is to: <ul style="list-style-type: none"> (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Performance Rights and Options (Convertible Securities).
Maximum number of Convertible Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b) – refer to Resolution 4 and Section 5.1). The maximum number of equity securities proposed to be issued under the Plan in reliance on Listing Rule 7.2 (Exemption 13(a)), following Shareholder approval, is 8,521,295 Convertible Securities. It is not envisaged that the maximum number of Convertible Securities will be issued immediately.
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) Options and Performance Rights provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

Amendment of Plan	<p>Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.</p> <p>No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.</p>
Plan duration	<p>The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.</p> <p>If a Participant and the Company (acting by the Board) agree in writing that some or all of the securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those securities may be cancelled in the manner agreed between the Company and the Participant.</p>
