EXPLANATORY STATEMENT

PURPOSE OF INFORMATION

This Explanatory Statement ("**Statement**") accompanies and forms part of the Company's Notice of Annual General Meeting ("**Notice**") for the 2024 Annual General Meeting ("**Meeting**").

This Notice incorporates, and should be read together, with this Statement.

ORDINARY BUSINESS

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2024 which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report and the auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all shareholders. You may access the Annual Report at the Company's website: <https://mithrilsilvergold.com> or via the Company's announcement platform on ASX (ASX:MTH).

Except as set out in Resolution 1, no resolution is required on these reports.

Shareholders will have the opportunity to ask questions about, or make comments on, the 2024 Annual Report and the management of the Company. The auditor will be invited to attend, to answer questions about the audit of the Company's 2024 Annual Financial Statements.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's June 2024 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "**spill resolution**") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five (25%) per cent of the total votes cast on that resolution and accordingly, a spill resolution will not under any circumstances be required for this Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

For personal use only

Voting Exclusions

A voting exclusion statement is set out in this Notice.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this Resolution, the Directors unanimously recommend that Shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

Resolution 2: Election of Mr David Toyoda as a Director of the Company**Background**

Mr David Toyoda was appointed as a Director by the Board on 20 September 2024.

David is the Principal of Pacific Star Corporate Finance Law in Vancouver, British Columbia Canada. He has a Bachelor of Commerce (with honours) and Bachelor of Law from the University of British Columbia. He practices in the areas of corporate and securities law, advising technology, biotechnology and mining companies that are listed, or are preparing to list on, Canadian stock exchanges. He also acts for clients in international securities transactions, including cross-border financings, and has established U.S. markets for Canadian public companies. He is a co-coordinator of a course at Simon Fraser University and Osgoode Hall Law School for directors and officers of public companies. The Board considers that Mr Toyoda will, if elected, qualify as an independent director.

There are no voting exclusions on this resolution.

Board Recommendation

The Board (with Mr Toyoda abstaining) unanimously recommends that shareholders vote in favour of the election of Mr Toyoda as it considers that his qualifications, experience, skills and expertise are appropriate for the Board position and will enable him to act in the best interests of the Company and its shareholders. The Chairman of the meeting intends to vote undirected proxies in favour of the Resolution.

Resolution 3: Re-Election of Mr Stephen Layton a Director of the Company**Background**

Resolution 3 is a resolution for the re-election of Mr Stephen Layton as a Director of the Company.

Pursuant to rule 6.1 of the constitution of the Company ("**Constitution**"), at each AGM one-third of Directors or, if their number is not a multiple of three (3), then the number nearest to but not more than one-third of Directors must retire from office. The Company has four (4) Directors (Excluding the Managing Director) and therefore one is required to retire.

Rule 6.2 of the Constitution provides that the Directors to retire by rotation at an AGM are those Directors who have been longest in office since their last election or appointment. Directors elected or appointed on the same day may agree among themselves or determine by lot which of them must retire.

Noting the above, Mr Layton retires by rotation and being eligible, offers himself for re-election.

Mr Layton has over 35 years' experience in equity capital markets in the UK and Australia. Mr Layton has worked with various stockbroking firms and/or AFSL regulated corporate advisory firms. Mr Layton specialised in capital raising services and opportunities, corporate advisory, facilitation of ASX listings and assisting companies grow.

Voting Exclusions

There are no voting exclusions on this resolution.

Board Recommendation

The Board (with Mr Layton abstaining) unanimously recommends that shareholders vote in favour of the re-election of Mr Layton as it considers that his qualifications, experience, skills and expertise are appropriate for the Board position and will enable him to act in the best interests of the Company and its shareholders. The Chairman of the meeting intends to vote undirected proxies in favour of the Resolution.

Resolution 4: Adoption of Employee Incentive Securities Plan

Background

The Company seeks Shareholder approval to adopt the Employee Incentive Securities Plan for the purposes set out in this Explanatory Statement so that Company securities may be issued under the Plan as an exception to ASX Listing Rule 7.1.

The Plan is intended to assist the Company to attract and retain key staff, whether employees or contractors. The Board believes that grants made to eligible participants under the Plan will provide a powerful tool to underpin the Company's employment and engagement strategy, and that the Plan will:

- enable the Company to incentivise and retain existing key management personnel and other eligible employees and contractors needed to achieve the Company's business objectives;
- enable the Company to recruit, incentivise and retain additional key management personnel, and other eligible employees and contractors, needed to achieve the Company's business objectives;

link the reward of key staff with the achievement of strategic goals and the long-term performance of the Company;

align the financial interest of participants of the Plan with those of Shareholders; and

provide incentives to participants under the Plan to focus on superior performance that creates Shareholder value.

ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme, if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as an exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum amount set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which the shareholder approval was pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

Information required by ASX Listing Rule 14.1A

If this Resolution is approved by Shareholders for all purposes under the ASX Listing Rules, including ASX Listing Rule 7.2 (exception 13(b)), it will have the effect of enabling the securities issued by the Company under the Incentive Plan to be automatically excluded from the formula to calculate the number of securities which the Company may issue in any 12 month period using Listing Rule 7.1 (15% capacity) during the next three year period.

For the avoidance of doubt, the Company will be required to seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of securities under the Incentive Plan to a related party (as defined in Listing Rule 19.12) or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of securities under the Incentive Plan to eligible participants, but any issues of securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the securities.

Information required by ASX Listing Rule 7.2 (exception 13(b))

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13(b)), the following information is provided in relation to this Resolution:

- A summary of the Plan is attached to this Notice as Annexure A.
- There has been no previous approval by shareholders of any employee incentive plan of the Company in the past three years.
- The Company has issued 3,350,000 Options pursuant to a previous employee securities scheme in past three years of which 2,550,000 were issued to Directors and approved by Shareholders under ASX Listing rule 10.14. The remaining 800,000 were issued to the Company's exploration manager under ASX Listing Rule 7.1.
- If this Resolution is approved by Shareholders, the Company will issue up to a maximum of 15,000,000 securities and not exceed 10% of issued capital of the Company as at the date of issue under the Incentive Plan during the three-year period following approval. The maximum number is not intended to be a prediction of the actual number of Securities to be issued under the Plan, simply a ceiling for the purposes of Listing Rule 7.2 (Exception 13(b)).
- A voting exclusion statement is included in this Notice.

TSX Venture Exchange Rules

The Company's common shares also trade on the TSX Venture Exchange, which requires that listed companies obtain the approval of their shareholders for Employee Incentive Securities Plans.

Disinterested shareholder approval of Employee Incentive Securities Plans must be obtained where:

- an Employee Incentive Securities Plan, together with all of the Company's other previously established and outstanding Employee Incentive Securities Plans or grants could result at any time in:
 - I. the number of shares reserved for issuance under incentive options granted to Insiders as a group exceeding 10% of the issued shares;
 - II. the grant to Insiders as a group, within a 12 month period, of a number of options exceeding 10% of the issued shares; or
 - III. the issuance to any one optionee, within a 12 month period, of a number of shares exceeding 5% of the issued shares calculated as at the date the options are granted; or
 - IV. the Company is decreasing the exercise price of incentive options previously granted to Insiders.
- If disinterested shareholder approval is required, the Employee Incentive Securities Plan must be approved by a majority of the votes cast by all shareholders at the shareholders' meeting excluding votes attaching to shares owned by:
 - I. Insiders to whom options may be issued under the Employee Incentive Securities Plan; and
 - II. associates and affiliates of persons referred to above.

The term "Insider" is defined in the *Securities Act* (British Columbia) and generally includes directors, senior officers and holders of greater than 10% of the voting securities of the Company.

The Company's Insiders may participate in the Employee Incentive Securities Plan. While it is not expected that Insiders, as a group, will necessarily acquire the majority of shares allocated under the Employee Incentive

For personal use only

Securities Plan, it is possible that this could happen.

Disinterested Shareholder Approval

To meet all of the requirements of the TSX Venture Exchange, the Company must obtain the approval of its disinterested shareholders for the Employee Incentive Securities Plan.

Directors' Recommendation

The Directors recommend that Shareholders vote in favour of this Resolution.

Resolution 5: Appointment of Canadian Auditor

Background

Pursuant to Section 12.2 of TSX Venture Policy 3.1, Shareholders will be asked to consider and, if deemed fit, pass an ordinary resolution appointing Davidson & Company LLP ("**Davidson**") of 1200-609 Granville Street, Vancouver, British Columbia Canada V7Y 1H4 as the Company's Canadian auditor and to authorize the directors to fix their remuneration. Davidson was first appointed as Canadian auditor on September 9, 2024.

Directors' Recommendation

The Directors recommend that Shareholders vote in favour of this Resolution.

SPECIAL BUSINESS

Resolution 6: Amendment to Constitution

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

This resolution is a special resolution which will enable the Company to amend its existing Constitution (Amended Constitution) to:

a) remove clause 6 and insert a new clause 6 in its place as follows:

"6. Election of Directors

6.1 At each annual general meeting of the Company, all the directors retire from office and no director may retain office for more than 1 year without submitting himself or herself for re-election"; and

b) insert a new clause 135.8 as follows:

"135.8 Subject to the ASX Listing Rules, TSXV Policies and the Corporations Act and for the purposes of section 1100V(2) of the Corporations Act, the issue cap is 10%."

Summary of material proposed changes

(a) Election of Directors

As announced on 26 September 2024, the Company's ordinary shares commenced trading on the TSX Venture Exchange (TSXV) under the symbol MSG on 27 September 2024. While the Company's primary listing is on the ASX,

For personal use only

as a TSXV listed entity, the Company must also comply with the TSXV policies. Accordingly, pursuant to TSXV Policy 14.2, at each annual meeting of shareholders, the board of Directors must, among other things, permit the Company's shareholders to vote on the election of Directors.

(b) Employee incentive securities plan

Under the new Division 1A of Part 7.12 of the Corporations Act, which came into effect on 1 October 2022, offers under an employee incentive plan that do not require a monetary payment (e.g., zero exercise price options) can be issued without an issue cap. However, offers requiring a monetary payment (whether upon grant or upon exercise/vesting of the awards and issue of the underlying shares) must be accompanied by an 'ESS offer document' and must comply with an issue cap. The cap is set at 5% under the Corporations Act unless raised by a company's constitution. A company may include a higher issue cap in its constitution to allow for more than 5% of securities to be issued under the plan.

Subject to the ASX Listing Rules, TSXV Policies and the Corporations Act and for the purposes of section 1100V(2) of the Corporations Act, the issue cap is 10%.

The resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

A copy of the Amended Constitution is available for review by Shareholders at the office of the Company. A copy of the Amended Constitution can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

Resolution 7: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting ("10% Placement Facility"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is seeking shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of this resolution will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period (as described below) without using the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders approve this resolution, the number of Equity Securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

If Shareholders do not approve this resolution, the Company will not have the capacity to issue Equity Securities under the 10% Placement Facility, nor will it issue any Equity Securities under the 10% Placement Facility.

The resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

For personal use only

Description of Listing Rule 7.1A

a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by shareholders, present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company, as at 22 October 2024, has on issue four classes of Equity Securities, quoted Fully Paid Ordinary Shares (107,465,522), quoted options, unquoted Options, unquoted performance rights.

c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of quoted Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

- A** is the number of fully paid ordinary securities on issue 12 months before the date of the issue or agreement to issue:
- i. plus the number of fully paid shares issued in the relevant 12 months under an exception in ASX Listing Rule 7.2 other than exception 9, 16 or 17;
 - ii. plus the number of fully paid ordinary shares issued in the relevant period on the conversion of convertible securities within ASX Listing Rule 7.2 where:
 - a. the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - b. the issue of, or agreement to issue, the convertible securities was approved, or taken under those rules to have been approved, under ASX Listing Rule 7.1 or 7.4;

d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

e) *Nature of consideration for issue and Minimum Issue Price*

- a) The period for which the Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained, being 27 November 2024, and expires on the first to occur of the following:

For personal use only

(b) continued expenditure on the Company's current exploration assets and/or general working capital.

- d) If this resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may also be exposed to economic risk and voting dilution, including the following:
- (a) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (b) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 7 October 2024 (**Current Share Price**). The Current Share price and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

- The table also shows:

two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities of the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and

two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against market price.

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options are exercised into Shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued fully paid ordinary share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on the Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
- The Share Price is \$0.545 (54.5 cents), being the price of the Shares last traded on the ASX on 21 October 2024.
- Variable A is based on the number of Shares on issue as at 22 October 2024.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- a. the methods of raising funds that are available to the Company, including, but not limited to, rights issues or other issues in which existing security holders can participate;
- b. the effect of the issue of the Equity Securities on the control of the Company;
- c. the financial situation and solvency of the Company; and
- d. advice from corporate financial and broking advisers (if applicable).

Due to the forward-looking nature of the approval, the allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.

INFORMATION FOR CANADIAN SHAREHOLDERS

Proxies and Voting

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. The Company has arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). The Company has also arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners). The Company will pay for Intermediaries to forward this document, the proxy form or a voting instruction form to objecting beneficial owners under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators. As a result, objecting beneficial owners will receive this document and associated meeting materials from their Intermediary.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the "**Proxy**") are officers of the Company or solicitors for the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and participate on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy or otherwise in accordance with applicable law.**

Registered Shareholders or their respective duly appointed proxyholders are entitled to attend and vote their

Common Shares at the Meeting. Registered Shareholders who are unable to or do not wish to attend the Meeting and who wish to ensure that their Common Shares will be voted at the Meeting are urged to complete, sign and deliver the enclosed form of Proxy to Computershare in accordance with the instructions and timing requirements set forth herein and on the form of Proxy.

In order to be valid and acted upon at the Meeting, forms of proxy must be returned to the aforesaid address not later than 48 hours (excluding Saturdays, Sundays and holidays) before the time set for the holding of the Meeting or any adjournments thereof. Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and
- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see "*Voting by Non-Registered Shareholders*" below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you have the right to vote by proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified;
- (ii) any amendment to or variation of any matter identified therein; and
- (iii) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that may come before the Meeting.

Voting by Registered Shareholders

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to Computershare, in accordance with the instructions on the Proxy. In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used. If completed Proxies are received after said deadline, they shall not be accepted for the purpose of voting at the Meeting unless authorized by the Chair of the Meeting, in his or her sole discretion.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. as nominee for The Canadian Depository for Securities Limited (which acts as depository for many Canadian brokerage firms and custodian banks), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company (through Computershare). If you have declined to disclose your ownership information, you will receive a request for voting instructions from your Intermediary. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent from Broadridge will name the same persons as the Company's Proxy to represent you at the Meeting. **Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity.** To exercise this right to attend the Meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

Compensation Discussion and Analysis

The overall objective of the Company's compensation strategy is to offer short-term, medium-term and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest caliber and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the CEO, if any, in this regard. The Company currently has short-term, medium-term and long-term compensation components in place, and intends to further develop these compensation components. The objectives of the Company's compensation policies and procedures are to align the interests of the Company's employees with the interests of its shareholders.

The Board of Directors assumes all responsibilities of the compensation committee. All tasks related to developing and monitoring the Company's approach to the compensation of officers of the Company and to developing and monitoring the Company's approach to the nomination of directors to the Board are performed by Board. The compensation of the NEOs and the Company's employees are reviewed, recommended and approved by the Board.

Compensation to NEOs may include a base salary that constitutes the Company's short-term compensation component. Such salary takes into account his or her existing professional qualifications and experience. The NEOs' performances and salaries are to be reviewed periodically on the anniversary of their employment with the Company. Increases in salary are to be evaluated on an individual basis and are performance and market-based.

The Company may also grant incentive securities to NEOs to satisfy the long-term compensation component. The Board may also award bonuses to its NEOs. The amount and award of such bonuses is discretionary, depending on, among other factors, the financial performance of the Company and the position of a NEO. The objective of the Company's base salary and bonus compensation elements is to compensate NEO's at competitive market levels in order to attract and retain the best individuals for these positions in order to achieve the Company's long-term plans and objectives. In addition, the objective of the Company's incentive option compensation is to align each NEO's interests with the interests of the Shareholders. Depending on the NEO's position, the amount of the grant, and other factors, the vesting schedule of incentive option grants is generally over a one year to a three-year period. This enables the incentive option grant to provide both short-term and long-term incentive components to employees, which the Company believes better aligns the NEO's interests with those the Shareholders, as it provides incentives for the NEO to consider the longer-term business interests of the Company when fulfilling the duties of their role.

To make its recommendations on the compensation of our NEO's, the Board takes into account the types of compensation and the amounts paid to directors and officers of a peer group of companies listed on the ASX stock exchange in the same or similar industry with market capitalizations under \$50 million which included Golden Mile Resources Ltd and Lightning Minerals Ltd.

In determining the amount of incentive option grants to the CEO, the Compensation Committee considers market levels of grants to the peer group of comparable companies used to determine overall compensation levels. For grants to NEO's other than the CEO, the Board considers recommendations from its senior executive officers, in addition to considering market levels of compensation for similar roles at comparable companies, and overall business performance.

The Company has not placed any restrictions on an NEO or a director's ability to purchase financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Risks Associated with Compensation Policies and Practices

For personal use only

For personal use only

In fulfilling its duties for oversight and administration of the Company's executive compensation program, the Board considers risks associated with the Company's compensation policies and practices. The potential risks of the Company's compensation policies and practices are considered on an annual basis as part of the evaluation of the NEO's performance and determination of the overall compensation for the coming year, and more frequently where required or where appropriate. The Board mitigates the risk of an NEO taking excessive or inappropriate risks by structuring the overall compensation to include both short-term and long-term components as well as fixed and variable elements. The long-term compensation includes investment options, which helps align management's interests with those of the Company, and helps to manage risk by linking a portion of the NEO's overall compensation to the longer term performance of the Company.

Performance Graph

Pursuant to section 2.2(a)(iii) of National Instrument 51-102F6, a performance graph is not required to be included in this document.

Share-based and Option-based Awards

The Company provides Option-based Awards to its employees and executive officers, and the Company may offer Share-based Awards to executive officers. Option-based Awards are generally granted to employees and executive officers on an annual basis based on the Company's performance, the individual's role, and the individual's performance based on the expectations of the role. In addition, option-based awards are typically granted to NEO's on their initial hire date as part of their long-term compensation. Previous grants are taken into account when considering new grants of incentive options.

Compensation Governance

The Company's Board acts as the Compensation Committee. Craig Sharpe is the chair of the Board and is considered independent. All tasks related to developing and monitoring the Company's approach to the compensation of officers of the Company and to developing and monitoring the Company's approach to the nomination of directors to the Board are performed by the Compensation Committee. The compensation of the NEOs and the Company's employees are reviewed, recommended and approved by the Board.

Narrative Discussion

Equity Incentive Plan

The Company has adopted a equity incentive plan (the “Plan”) which states that the Board may, from time to time, in its discretion, grant to eligible participants incentive options to purchase Shares. The Plan is a “rolling” stock option plan, whereby the aggregate number of Shares reserved for issuance, together with any other Shares reserved for issuance under any other plan or agreement of the Company, shall not exceed ten (10%) percent of the total number of issued Shares (calculated on a non-diluted basis) at the time an option is granted. As at the date hereof, there are 3,350,000 incentive options outstanding under the Plan.

Pension Plan Benefits

The Company does not have any defined benefit or defined contribution pension plans in place which provide for payments or benefits at, following, or in connection with retirement. The Company does not have a deferred

compensation plan with respect to any NEO.

Termination and Change of Control Benefits

Except as described below, the Company does not have any contracts, agreements, plans or arrangements that provides for payments to a director or NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the Company or a change in an NEO's responsibilities.

If the award agreement for the grant of incentive options so provides, in the event of a change of control (as defined in the Plan), all incentive options granted to a participant that ceases to be an eligible person shall become fully vested and shall become exercisable by the participant in accordance with the terms of such award agreement and the Plan, as applicable. No acceleration of the vesting of any incentive options shall be permitted without prior TSX Venture Exchange review and acceptance for incentive options issued to persons conducting investor relations activities.

Narrative Description

The Company's non-executive directors are eligible for incentive options and other performance based securities pursuant to the Plan which are typically granted on an annual basis and are based on business performance, personal performance, and are granted at a level that is consistent with director incentive option grants of comparable public companies.

The Non-Executive Directors and other executive may receive a superannuation guarantee contribution required by the government, which was 11%, and do not receive any other retirement benefits. Some individuals, however, may choose to sacrifice part of their salary to increase payments towards superannuation. All remuneration paid to directors and executives is expensed as incurred. Executives are also entitled to participate in the Company's incentive option scheme. Incentive options are valued using the Black-Scholes methodology.

Non-Executive Directors remuneration is set from a pool that is approved by shareholders, which presently is set at \$250,000 per annum. The Non-Executive Director fees have not been increased since the Company's initial public offering in 2002 and the Company has a policy of obtaining shareholder approval for any share based remuneration (such as incentive options) to be granted to Directors in accordance with the ASX Listing Rules. The Board policy is

to remunerate Non-Executive Directors at market rates based on comparable companies for time, commitment and responsibilities. The Board determines payments to non-executive Directors and reviews their remuneration annually, based on market practice, duties and accountability. Independent external advice is sought when required. There is no direct relationship between the remuneration policy and the Company's performance.

The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension.
