A vote may be cast by such person if the vote is not cast on behalf of a person who is excluded from voting on this Resolution, and:

- (a) the person is appointed as a proxy by writing that specifies the way the proxy is to vote on this Resolution; or
- (b) the voter is the Chair and the appointment of the Chair as proxy does not specify the way the proxy is to vote on this Resolution, but expressly authorises the Chair to exercise the proxy even if this Resolution is connected with the remuneration of a member of the Key Management Personnel.

**Resolution 5 and Resolution 6:** In accordance with section 250BD of the Corporations Act, a person appointed as a proxy must not vote, on the basis of that appointment, on these Resolutions if:

- (a) the proxy is either a member of the Key Management Personnel or a Closely Related Party of such member; and

- (b) the appointment does not specify the way the proxy is to vote on the Resolution.

However, the above prohibition does not apply if:

Further, in respect of **Resolution 6**, in accordance with section 200E(2A) of the Corporations Act, a vote on **Resolution 6** must not be cast by any participants or potential participants in the Plan and their associates, otherwise the benefit of this Resolution will be lost by such a person in relation to that person's future retirement.

However, a vote may be cast by such a person if:

- (a) the person is appointed as proxy by writing that specifies the way the proxy is to vote on the Resolution; and
- (b) it is not cast on behalf of the person or an associate of the person.

- (b) the appointment does not specify the way the proxy is to vote on the Resolution.

However, the above prohibition does not apply if:

- (a) the proxy is the Chair; and
- (b) the appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel.

Further, in accordance with section 224 of the Corporations Act, a vote on **Resolution 9(a) to (d) (inclusive)** must not be cast (in any capacity) by or on behalf of a related party of the Company to whom the Resolution would permit a financial benefit to be given, or an associate of such a related party.

However, the above prohibition does not apply if:

- (a) it is cast by a person as a proxy appointed by writing that specifies how the proxy is to vote on the Resolution; and
- (b) it is not cast on behalf of a related party of the Company to whom the Resolution would permit a financial benefit to be given, or an associate of such a related party.

**Please note:** If the Chair is a person referred to in the section 224 Corporations Act voting prohibition statement above, the Chair will only be able to cast a vote as proxy for a person who is entitled to vote if the Chair is appointed as proxy in writing and the Proxy Form specifies how the proxy is to vote on the relevant Resolution.

If you purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and you may be liable for breaching the voting restrictions that apply to you under the Corporations Act.

### 2.3 Voting by proxy

Shareholders are encouraged to vote by completing a Proxy Form.

A Proxy Form is made available with this Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

- (a) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a member of the Company; and

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (a) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed);

- (d) if the proxy is not the Chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Section 250BC of the Corporations Act provides that, if:

- (a) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members;
- (b) the appointed proxy is not the chair of the meeting;
- (c) at the meeting, a poll is duly demanded, or is otherwise required under section 250JA on the resolution; and

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

#### 2.4 **Chair's voting intentions**

Subject to the below, the Chair intends to exercise all available proxies in favour of all Resolutions, unless the Shareholder has expressly indicated a different voting intention. In exceptional circumstances, the Chair of the Meeting may change his/her voting intention on any Resolution, in which case an ASX announcement will be made.

If the Chair is your proxy, either by appointment or by default, and you have not indicated your voting intention, you expressly authorise the Chair to exercise the proxy in respect of Resolution 1, Resolution 5, Resolution 6 and Resolution 9(a) to (d) (inclusive) even though these Resolutions are connected directly or indirectly with the remuneration of the Company's Key Management Personnel.

If the Chair is a person referred to in the voting prohibition statement applicable to a Resolution (under section 224 of the Corporations Act), the Chair will only be able to cast a vote as proxy for you on the relevant Resolution if you are entitled to vote and have specified your voting intention in the Proxy Form.

#### 2.5 **Submitting questions**

Shareholders may submit questions in advance of the Meeting to the Company. Questions must be submitted by emailing the Company Secretary at [bdonovan@arguscorp.com.au](mailto:bdonovan@arguscorp.com.au) by 5.00pm (AWST) on Monday, 25 November 2024.

The Chair will attempt to respond to the questions during the Meeting. The Chair will request prior to a Shareholder asking a question that they identify themselves (including the entity name of their shareholding and the number of Shares they hold).

### 3. Annual Report

In accordance with section 317 of the Corporations Act, Shareholders will be offered the opportunity to discuss the Annual Report, including the Financial Report, the Directors' Report and the Auditor's Report for the financial year ended 30 June 2024.

There is no requirement for Shareholders to approve the Annual Report.

At the Meeting, Shareholders will be offered the opportunity to:

- (a) discuss the Annual Report which is available online at <https://magres.com.au/investors-media/> or on the ASX platform for "MAU" at [www.asx.com.au](http://www.asx.com.au);
- (b) ask questions about, or comment on, the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Company's auditor about:

- (a) the preparation and content of the Auditor's Report;
- (b) the conduct of the audit;
- (c) accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than five business days before the Meeting to the Company Secretary at the Company's registered office.

The Company will not provide a hard copy of the Company's Annual Report to Shareholders unless specifically requested to do so.

### 4. Resolution 1 – Remuneration Report

#### 4.1 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report for the year ended 30 June 2024 in the Annual Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2023 annual general meeting held on 28 November 2023. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2025 annual general meeting, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

#### 4.2 **Additional information**

Resolution 1 is an ordinary resolution.

Given the personal interests of all Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders regarding this Resolution.

### 5. **Resolution 2 – Re-election of Director – Ben Donovan**

#### 5.1 **General**

Clause 14.2 of the Constitution requires that one third of the Directors (excluding the Managing Director and any Directors seeking election under Clause 14.4 of the Constitution) must retire at each annual general meeting (or if that is not a whole number, the whole number nearest to one third). The Directors to retire are those who have held their office as Director for the longest period since their last election.

Pursuant to Clause 14.2, a director who retires in accordance with Clause 14.2 of the Constitution holds office until the conclusion of the meeting at which that director retires but is eligible for re-election and that re-election takes effect at the conclusion of the meeting.

Messrs Eric Lim (Non-Executive Chairman) and Ben Donovan (Non-Executive Director) were each last elected as a Director at the Company's 2022 annual general meeting. Accordingly, Mr Donovan has agreed to retire as a Director at this Meeting and, being eligible and offering himself for re-election, seeks re-election pursuant to Resolution 2.

If Resolution 2 is passed, Mr Donovan will be re-elected as a Director of the Company with effect from the conclusion of the Meeting.

If Resolution 2 is not passed, Mr Donovan will not be re-elected as a Director of the Company.

#### 5.2 **Ben Donovan**

Mr Donovan is a member of Chartered Secretaries Australia and provides corporate advisory, IPO and consultancy services to a number of companies. Mr Donovan is currently a director and company secretary of several ASX listed and public unlisted companies involved in the resources and technology industries, including one company currently developing a large magnetite project in Australia. He has extensive experience in listing rules compliance and corporate governance, having served as a senior adviser at the Australian Securities Exchange (ASX) in Perth for nearly 3 years, including as a member of the ASX JORC

Committee. In addition, Mr Donovan has experience in capital markets having raised capital and assisted numerous companies in achieving an initial listing on the ASX, as well as for a period of time, as a private client adviser at a boutique stock broking group.

Mr Donovan does not currently hold any other material directorships, other than as disclosed in this Notice.

Mr Donovan has been a Director of the Company since 31 March 2022.

If elected, Mr Donovan is considered by the Board (with Mr Donovan abstaining) to be an independent Director. Mr Donovan is not considered by the Board to hold any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect, his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the entity as a whole rather than in the interests of an individual security holder or other party.

Mr Donovan has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as a Director.

### 5.3 **Board recommendation**

The Board (other than Mr Donovan who has a personal interest in the outcome of this Resolution) supports the re-election of Mr Donovan for the following reasons:

- (a) Mr Donovan's significant experience in respect to ASX Listing Rules, capital markets and corporate transactions are important additions to the Board's existing experience; and
- (b) Mr Donovan has an in-depth knowledge and understanding of the Company and its business, and his continuing role as a member of the Board will benefit the Company.

### 5.4 **Additional information**

Resolution 2 is an ordinary resolution.

## 6. **Resolution 3 – Ratification of issue of March Placement Shares**

### 6.1 **General**

On 15 March 2024, the Company announced that it had received firm commitments for a single tranche share placement to raise approximately \$12 million (before costs) through the issue of 13,333,333 Shares (**March Placement Shares**) at an issue price of \$0.90 per March Placement Share (**March Placement**).

On 22 March 2024, the Company issued the March Placement Shares to sophisticated, professional and institutional investors without prior Shareholder approval using the Company's available placement capacity under Listing Rule 7.1.

Resolution 3 seeks the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue of the March Placement Shares.

### 6.2 **Listing Rules 7.1 and 7.4**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over

any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the March Placement Shares does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's placement capacity under Listing Rule 7.1. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the March Placement Shares.

Listing Rule 7.4 provides an exception to Listing Rule 7.1. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1), those Equity Securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The effect of Shareholders passing Resolution 3 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% placement capacity set out in Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 3 is passed, 13,333,333 March Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 3 is not passed, 13,333,333 March Placement Shares will continue to be included in the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 13,333,333 Equity Securities for the 12 month period following the issue of those March Placement Shares.

### 6.3 **Specific information required by Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the March Placement Shares:

- (a) The March Placement Shares were issued to sophisticated, professional and institutional investors, none of whom is a related party or Material Investor of the Company (**March Placement Participants**). Ord Minnett Limited and Argonaut Securities Pty Limited (together, the **Joint Lead Managers**) acted as Joint Lead Managers to the March Placement. The March Placement Placements were identified through a bookbuild process, which involved the Joint Lead Managers seeking expressions of interest to participate in the March Placement from existing contacts of the Company and clients of the Joint Lead Managers.
- (b) A total of 13,333,333 March Placement Shares were issued using the Company's available placement capacity under Listing Rule 7.1.
- (c) The March Placement Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.
- (d) The March Placement Shares were issued on 22 March 2024 at \$0.90 each.

- (e) The proceeds from the issue of the March Placement Shares have been or are intended to be applied towards:
  - (i) exploration and drilling at the Lady Julie North 4, Lady Julie Central, Hawks Nest and Homeward Bound deposits;
  - (ii) ongoing feasibility work; and
  - (iii) general working capital.
- (f) There are no other material terms to the agreement for the subscription of the March Placement Shares.
- (g) A voting exclusion statement is included in the Notice.

#### 6.4 **Additional information**

Resolution 3 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 3.

### 7. **Resolution 4 – Ratification of issue of September Placement Shares**

#### 7.1 **General**

On 30 September 2024, the Company announced that it had received firm commitments for a single tranche share placement to raise \$10 million (before costs) through the issue of 8,000,000 Shares (**September Placement Shares**) at an issue price of \$1.25 per September Placement Share (**September Placement**).

On 7 October 2024, the Company issued the September Placement Shares to sophisticated, professional and institutional investors without prior Shareholder approval using the Company's available placement capacity under Listing Rule 7.1.

Resolution 4 seeks the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue of the September Placement Shares.

#### 7.2 **Listing Rules 7.1 and 7.4**

A summary of Listing Rules 7.1 and 7.4 is in Section 6.2.

The issue of the September Placement Shares does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's placement capacity under Listing Rule 7.1. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the September Placement Shares.

The effect of Shareholders passing Resolution 4 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% placement capacity set out in Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 4 is passed, 8,000,000 September Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 4 is not passed, 8,000,000 September Placement Shares will continue to be included in the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 8,000,000 Equity Securities for the 12 month period following the issue of those September Placement Shares.

### 7.3 **Specific information required by Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the September Placement Shares:

- (a) The September Placement Shares were issued to sophisticated, professional and institutional investors, none of whom is a related party or Material Investor of the Company (**September Placement Participants**). Argonaut Securities Pty Limited (**Lead Manager**) acted as Lead Manager to the September Placement. The September Placement Participants were identified through a bookbuild process, which involved the Lead Manager seeking expressions of interest to participate in the September Placement from existing contacts of the Company and clients of the Lead Manager.
- (b) A total of 8,000,000 September Placement Shares were issued using the Company's available placement capacity under Listing Rule 7.1.
- (c) The September Placement Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.
- (d) The September Placement Shares were issued on 7 October 2024 at \$1.25 each.
- (e) The proceeds from the issue of the September Placement Shares have been or are intended to be applied towards:
  - (i) resource definition drilling;
  - (ii) deeper drilling for research expansion at the Lady Julie Gold Project;
  - (iii) exploration drilling;
  - (iv) ongoing feasibility work; and
  - (v) general working capital.
- (f) There are no other material terms to the agreement for the subscription of the September Placement Shares.
- (g) A voting exclusion statement is included in the Notice.

### 7.4 **Additional information**

Resolution 4 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 4.

## 8. Resolution 5 – Approval of Plan

### 8.1 General

The Company considers that it is desirable to adopt an employee incentive scheme pursuant to which the Company can issue Equity Securities to attract, motivate and retain key Directors, employees and consultants and provide them with the opportunity to participate in the future growth of the Company.

On 1 October 2022, amendments to the Corporations Act commenced, simplifying the process for incentivising participants under employee share schemes (**ESS**). Division 1A was introduced into Part 7.12 of the Corporations Act, providing a new regime for the making of offers in connection with an ESS (**New Regime**). This regime replaces the relief previously afforded by ASIC Class Order 14/1000 (**Class Order**).

Resolution 5 seeks Shareholder approval for the adoption of the employee incentive scheme titled 'Magnetic Resources NL Employee Securities Incentive Plan' (**Plan**), which complies with the New Regime, in accordance with Listing Rule 7.2 exception 13(b).

Under the Plan, the Board may offer to eligible persons the opportunity to subscribe for such number of Equity Securities in the Company as the Board may decide and on the terms set out in the rules of the Plan. A summary of the key terms and conditions of the Plan is in Schedule 2. In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Plan can also be sent to Shareholders upon request to the Company Secretary at [bdonovan@arguscorp.com.au](mailto:bdonovan@arguscorp.com.au). Shareholders are invited to contact the Company if they have any queries or concerns.

### 8.2 Listing Rules 7.1 and 7.2, exception 13(b)

A summary of Listing Rule 7.1 is in Section 6.2.

Listing Rule 7.2, exception 13(b), provides an exception to Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of three years from the date on which Shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1. Listing Rule 7.2, exception 13(b), ceases to be available to the Company if there is a material change to the terms of the Plan from those set out in Schedule 2.

If Resolution 5 is passed, the Company will be available to issue Equity Securities under the Plan pursuant to Listing Rule 7.2, exception 13(b), to eligible participants over a period of 3 years up to a nominated amount without using the Company's 15% annual placement capacity under Listing Rule 7.1.

However, any future issues of Equity Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained, will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

If Resolution 5 is not passed, any issue of Equity Securities pursuant to the Plan must either be undertaken using the Company's placement capacity under Listing Rule 7.1, or with prior Shareholder approval.

### 8.3 **Specific information required by Listing Rule 7.2, exception 13(b)**

Pursuant to and in accordance with Listing Rule 7.2, exception 13(b), the following information is provided in relation to the Plan:

- (a) A summary of the material terms of the Plan is in Schedule 2.
- (b) As at the date of this Notice, no Equity Securities have been issued under the Plan. Subject to prior receipt of Shareholder approval, the Company is proposing to issue up to 5,000,000 Director Performance Rights to the Directors (or their respective nominees) under Listing Rule 10.14, the subject of Resolution 9(a) to (d) (inclusive).
- (c) The maximum number of Equity Securities proposed to be issued under the Plan pursuant to Listing Rule 7.2, exception 13(b) is 20,000,000 (subject to adjustment in the event of a reorganisation of capital and further subject to applicable laws and the Listing Rules).

The maximum number of Equity Securities is not intended to be a prediction of the actual number to be issued under the Plan but is specified for the purposes of setting a ceiling in accordance with Listing Rule 7.2, exception 13(b).

- (d) A voting exclusion statement is included in the Notice.

### 8.4 **Additional information**

Resolution 5 is an ordinary resolution.

The Board declines to make a recommendation in relation to Resolution 5 due to the Directors' personal interests in the outcome of the Resolution.

## 9. **Resolution 6 – Approval of potential termination benefits under the Plan**

### 9.1 **General**

The Corporations Act contains certain limitations concerning the payment of 'termination benefits' to persons who hold a 'managerial or executive office'. The Listing Rules also provides certain limitations on the payment of 'termination benefits' to officers of listed entities.

As is common with employee incentive schemes, the Plan provides the Board with the discretion to, amongst other things, determine that some or all of the Equity Securities granted to a participant under the Plan (**Plan Securities**) will not lapse in the event of that participant ceasing their engagement with the Company before such Plan Securities have vested. This 'accelerated vesting' of Plan Securities may constitute a 'termination benefit' prohibited under the Corporations Act, regardless of the value of such benefit, unless Shareholder approval is obtained.

If Resolution 5 or Resolution 6 are not passed, the Company will not be able to offer 'termination benefits' to persons who hold a 'managerial or executive office' pursuant to the terms of the Plan unless Shareholder approval is obtained each and every time such termination benefit is proposed, in accordance with section 200E of the Corporations Act.

## 9.2 Part 2D.2 of the Corporations Act

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a 'managerial or executive office' (as defined in the Corporations Act) if an exemption applies or if the benefit is approved by Shareholders in accordance with section 200E of the Corporations Act.

Shareholder approval is sought for the purposes of Part 2D.2 of the Corporations Act to approve the giving of benefits under the Plan to a person by the Company in connection with that person ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company (or a subsidiary of the Company) on the terms and conditions in this Explanatory Memorandum.

Under the terms of the Plan and subject to the Listing Rules and Corporations Act, the Board possesses the discretion to vary the terms and conditions of the Plan Securities.

Notwithstanding the foregoing, without the consent of the participant in the Plan, no amendment may be made to the terms of any granted Plan Security which reduces the rights of the participant in respect of that Plan Security, other than an amendment introduced primarily to comply with legislation, to correct any manifest error or mistake or to take into consideration possible adverse tax implications.

As a result of the above discretion, the Board has the power to determine that some or all of a participant's Plan Securities will not lapse in the event of the participant ceasing employment or office before the vesting of their Plan Securities.

The exercise of this discretion by the Board may constitute a 'benefit' for the purposes of section 200B of the Corporations Act. The Company is therefore seeking Shareholder approval for the exercise of the Board's discretion in respect of any current or future participant in the Plan who holds:

- (a) a managerial or executive office in, or is an officer of, the Company (or a subsidiary of the Company) at the time of their leaving or at any time in the three years prior to their leaving; and
- (b) Plan Securities at the time of their leaving.

## 9.3 Valuation of the termination benefits

Provided Shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved benefit will not count towards the statutory cap under the legislation).

The value of the termination benefits that the Board may give under the Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting and the number of Plan Securities that will vest or otherwise be affected. The following additional factors may also affect the benefit's value:

- (a) the participant's length of service and the status of the vesting conditions attaching to the relevant Plan Securities at the time the participant's employment or office ceases; and
- (b) the number of unvested Plan Securities that the participant holds at the time they cease employment or office.

In accordance with Listing Rule 10.19, the Company will ensure that no officer of the Company or any of its child entities will, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that are or may be payable to all officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules, without seeking Shareholder approval.

#### 9.4 **Additional information**

Resolution 6 is conditional on the passing of Resolution 5.

If Resolution 5 is not approved at the Meeting, Resolution 6 will not be put to Shareholders at the Meeting. Resolution 6 is an ordinary resolution.

The Board declines to make a recommendation in relation to Resolution 6 due to their potential personal interests in the outcome of the Resolution.

### 10. **Resolution 7 – Modification of existing Constitution**

#### 10.1 **General**

Under section 136(2) of the Corporations Act, a company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 7 seeks the approval of Shareholders to modify the Company's existing Constitution to incorporate recent amendments to the Corporations Act regarding the new regime for the making of offers in connection with employee share schemes under Part 7.12 of the Corporations Act.

The Directors believe that it is preferable in the circumstances to simply modify the existing Constitution rather than repealing the entire existing Constitution and replacing it with a new constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders.

A copy of the modified Constitution is available for review by Shareholders at the office of the Company. A copy of the modified Constitution can also be sent to Shareholders upon request to the Company Secretary at [bdonovan@arguscorp.com.au](mailto:bdonovan@arguscorp.com.au). Shareholders are invited to contact the Company if they have any queries or concerns.

If Resolution 7 is passed, the Company will adopt the modified Constitution with effect from the date this Resolution is passed.

If Resolution 7 is not passed, the Company will not adopt the modified Constitution and, in this regard, not increase the 5% issue cap under the Corporations Act in respect of offers for monetary consideration under the Plan to 10%.

#### 10.2 **Summary of material proposed changes**

The proposed amendments provide the ability for the Company to increase the 5% issue cap under the Corporations Act in respect of offers for monetary consideration under the Plan to 10%.

Set out below are the proposed modifications to the existing Constitution:

- (a) **Insert as new definitions in Clause 1.1:**

*ESS Interests* has the meaning under section 1100M(1) of the Corporations Act.

- (b) **Insert as a new Clause 2.16:**

**2.16 Issue cap for offers involving monetary consideration under an employee incentive scheme**

*For the purposes of section 1100V(2)(a) of the Corporations Act, the Company may only make an offer of ESS Interests if, at the time the offer is made, the Company reasonably believes:*

- (a) *the total number of fully paid ordinary shares in the capital of the Company that are, or are covered by, the ESS Interests of the Company that may be issued under the offer; and*
- (b) *the total number of fully paid ordinary shares in the capital of the Company that are, or are covered by, the ESS Interests that have been issued, or may be issued, under offers that were both received in this jurisdiction and made under an employee share scheme of the Company at any time during the 3 year period ending on the day the offer is made,*

*do not exceed 10% of the number of fully paid ordinary shares in the capital of the Company actually on issue as at the start of the day the offer is made.*

**10.3 Additional information**

Resolution 7 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 7.

**11. Resolution 8 – Re-insertion of proportional takeover bid approval provisions**

**11.1 General**

The Company's Constitution contains proportional takeover bid approval provisions (**Proportional Takeover Provisions**) which enable the Company to refuse to register securities acquired under a proportional takeover bid unless a resolution is passed by Shareholders in general meeting approving the offer. Under the Corporations Act, proportional takeover provisions expire after three years from adoption or renewal and may then be renewed. The Proportional Takeover Provisions in the current Constitution expired on 30 November 2023 and have ceased to apply on that date.

Resolution 8 seeks the approval of Shareholders to modify the Constitution by re-inserting the Proportional Takeover Provisions for a further three years under sections 648G(4) and 136(2) of the Corporations Act. The proposed Proportional Takeover Provisions set out in Schedule 3 are identical to those previously contained at Clause 36 of the Constitution.

The Corporations Act requires the Company to provide Shareholders with an explanation of the Proportional Takeover Provisions as set out below.

## 11.2 Information required by section 648G of the Corporations Act

### (a) Effect of Proportional Takeover Provisions to be renewed

A proportional off-market takeover bid (**PT Bid**) is a takeover offer sent to all Shareholders but only for a specified portion of each Shareholder's Securities.

Where offers have been made under a PT Bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a PT Bid is prohibited unless and until a resolution to approve the PT Bid is passed.

### (b) Reasons for renewing Proportional Takeover Provisions

If re-inserted, under Clause 36 of the Constitution if a PT Bid is made to Shareholders of the Company, the board of the Company is required to convene a meeting of Shareholders to vote on a resolution to approve the proportional takeover. That meeting must be held at least 15 days before the offer under the PT Bid closes.

The resolution is taken to have been passed if a majority of Securities voted at the meeting, excluding the Securities of the bidder and its associates, vote in favour of the resolution. If no resolution is voted on at least 15 days before the close of the PT Bid, the resolution is deemed to have been passed. Where the resolution approving the PT Bid is passed or deemed to have been passed, transfers of Securities resulting from accepting the PT Bid are registered provided they otherwise comply with the Corporations Act, the ASX Listing Rules, the ASX Operating Rules and the Company's Constitution. If the resolution is rejected, then under the Corporations Act the PT Bid is deemed to be withdrawn.

The Directors consider that Shareholders should have the opportunity to re-insert the Proportional Takeover Provisions. Without the Proportional Takeover Provisions applying, a PT Bid for the Company may enable effective control of the Company to be acquired without Shareholders having the opportunity to dispose of all of their Securities to the bidder. Shareholders could be at risk of passing control to the bidder without payment of an adequate control premium for all their Securities whilst leaving themselves as part of a minority interest in the Company.

Without the Proportional Takeover Provisions, if there was a PT Bid and Shareholders considered that control of the Company was likely to pass, Shareholders would be placed under pressure to accept the PT Bid even if they did not want control of the Company to pass to the bidder. Re-inserting the Proportional Takeover Provisions will make this situation less likely by permitting Shareholders to decide whether a PT Bid should be permitted to proceed.

### (c) Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

### (d) Advantages and disadvantages of the Proportional Takeover Provisions since last renewed

As there have been no takeover bids made for any of the shares in the Company since the Proportional Takeover Provisions were adopted, there has been no

application of the provisions. It may be argued that the potential advantages and disadvantages described below have also applied for the period since adoption of the Proportional Takeover Provisions.

(e) **Potential advantages and disadvantages of Proportional Takeover Provisions**

The renewal of the Proportional Takeover Provisions will enable the Directors to formally ascertain the views of Shareholders about a PT Bid. Without these provisions, the Directors are dependent upon their perception of the interests and views of Shareholders. Other than this advantage, the Directors consider that re-insertion of the Proportional Takeover Provisions has no potential advantages or potential disadvantages for them, as they remain free to make a recommendation on whether a PT Bid should be accepted.

The Directors consider that re-inserting the Proportional Takeover Provisions benefits all Shareholders in that they will have an opportunity to consider a PT Bid and then attend or be represented by proxy at a meeting of Shareholders called specifically to vote on the proposal. Accordingly, Shareholders are able to prevent a PT Bid proceeding if there is sufficient support for the proposition that control of the Company should not be permitted to pass under the PT Bid. Furthermore, knowing the view of Shareholders assists each individual Shareholder to assess the likely outcome of the PT Bid and whether to accept or reject that bid.

As to the possible disadvantages to Shareholders re-inserting the Proportional Takeover Provisions, potentially, the proposal makes a PT Bid more difficult and PT Bids will therefore be discouraged. This may reduce the opportunities which Shareholders may have to sell all or some of their Securities at a premium to persons seeking control of the Company and may reduce any takeover speculation element in the Company's Share price. The Proportional Takeover Provisions may also be considered an additional restriction on the ability of individual Shareholders to deal freely on their Securities.

The Directors consider that there are no other advantages or disadvantages for Directors or Shareholders which arose during the period during which the Proportional Takeover Provisions were in effect, other than those discussed in this Section.

(f) **Recommendation of the Board**

The Directors do not believe the potential disadvantages outweigh the potential advantages of re-inserting the Proportional Takeover Provisions and as a result consider that the Proportional Takeover Provisions in the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 8.

11.3 **Additional information**

Resolution 8 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 8.

## 12. Resolution 9 – Approval of issue of Director Performance Rights

### 12.1 General

The Company is proposing, subject to obtaining Shareholder approval, to issue up to a total of 5,000,000 Performance Rights to Directors, Eric Lim, George Sakalidis, Ben Donovan and Hian Siang Chan, or their respective nominees, (**Director Performance Rights**) as follows:

Director	Director Performance Rights			
	Tranche A	Tranche B	Tranche C	TOTAL
Eric Lim ( <i>Non-Executive Chairman</i> )	300,000	300,000	400,000	<b>1,000,000</b>
George Sakalidis ( <i>Managing Director</i> )	1,000,000	500,000	500,000	<b>2,000,000</b>
Ben Donovan ( <i>Non-Executive Director &amp; Company Secretary</i> )	300,000	300,000	400,000	<b>1,000,000</b>
Hian Siang Chan ( <i>Non-Executive Director</i> )	300,000	300,000	400,000	<b>1,000,000</b>
<b>TOTAL</b>	<b>1,900,000</b>	<b>1,400,000</b>	<b>1,700,000</b>	<b>5,000,000</b>

The Company is in an important stage of development with significant opportunities and challenges in both the near and long-term, and the proposed issue seeks to align the efforts of the Directors in seeking to achieve growth of the Company's projects and in the creation of Shareholder value. The Board believes that the issue of these Director Performance Rights will align the interests of each Director with those of the Company and its Shareholders. In addition, the Board also believes that incentivising with Performance Rights is a prudent means of conserving the Company's available cash reserves. The Board believes it is important to offer these Director Performance Rights to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

The Director Performance Rights are to be issued under the Plan. A summary of the material terms of the Plan is in Schedule 2. Subject to the terms and conditions in Schedule 4, the Director Performance Rights will vest as follows:

Tranche	Number of Director Performance Rights	Vesting Condition	Vesting Date
Tranche A	1,900,000	On or prior to the Vesting Date, the Company announces the commencement of commercial ore production of one of	5.00pm (AWST) on the date that is 3 years from the date of issue of the Director Performance Rights.

		the Company's projects.	
Tranche B	1,400,000	On or prior to the Vesting Date, the Company achieving a market capitalisation of at least A\$420,000,000 over a period of not less than 30 consecutive trading days on which trades in the Company's Shares actually occur (calculated with reference to the Company's closing price on each relevant trading day)	5.00pm (AWST) on the date that is 3 years from the date of issue of the Director Performance Rights.
Tranche C	1,700,000	On or prior to the Vesting Date, the Company achieving a market capitalisation of at least A\$500,000,000 over a period of not less than 30 consecutive trading days on which trades in the Company's Shares actually occur (calculated with reference to the Company's closing price on each relevant trading day)	5.00pm (AWST) on the date that is 3 years from the date of issue of the Director Performance Rights.

Resolution 9(a) to (d) (inclusive) seeks Shareholder approval pursuant to Listing Rule 10.14 and sections 195(4) and 208 of the Corporations Act for the issue of up to 5,000,000 Director Performance Rights under the Plan to the Directors or their respective nominees

## 12.2 Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme, unless Shareholder approval is provided:

- (a) a director of the company (Listing Rule 10.14.1);

- (b) an associate of a director the company (Listing Rule 10.14.2); or
- (c) a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders (Listing Rule 10.14.3).

The proposed issue of the Director Performance Rights falls within Listing Rule 10.14.1 (or Listing Rule 10.14.2 if a Director elects for the Director Performance Rights to be issued to his nominee) and therefore requires the approval of Shareholders under Listing Rule 10.14.

Approval pursuant to Listing Rule 7.1 is not required for the issue of the Director Performance Rights as approval is being obtained under Listing Rule 10.14. Accordingly, the issue of the Director Performance Rights to the Directors (or their respective nominees) will not be included in the Company's 15% annual placement capacity in Listing Rule 7.1 or the maximum permitted number of Equity Securities issued under Listing Rule 7.2, exception 13(b).

The effect of Shareholders passing Resolution 9(a) to (d) (inclusive) will be to allow the Company to issue the Director Performance Rights to the Directors (and/or their respective nominees) as part of their remuneration package and in the proportions listed above.

If Resolution 9(a) to (d) (inclusive) are not passed, the Company will not be able to proceed with the issue of the Director Performance Rights to the Directors (and/or their respective nominees) and the Company will consider other alternative commercial means to incentivise the Directors, including by the payment of cash, subject to the requirements of the Constitution, Corporations Act and Listing Rules.

Resolution 9(a) to (d) (inclusive) are not conditional on each other, and Shareholders may approve one or all of those Resolutions (in which case, the Director Performance Rights the subject of the relevant Resolution(s) will be issued), even though Shareholders have not approved all of these Resolutions.

### 12.3 **Specific information required by Listing Rule 10.15**

Pursuant to and in accordance with Listing Rule 10.15, the following information is provided in relation to the proposed issue of the Director Performance Rights:

- (a) The Director Performance Rights will be issued to:
  - (i) Eric Lim pursuant to Resolution 9(a);
  - (ii) George Sakalidis pursuant to Resolution 9(b);
  - (iii) Ben Donovan pursuant to Resolution 9(c); and
  - (iv) Hian Siang Chan pursuant to Resolution 9(d),or their respective nominees.
- (b) Each of Eric Lim, George Sakalidis, Ben Donovan and Hian Siang Chan are a related party of the Company by virtue of being a Director of the Company and fall into the category stipulated by Listing Rule 10.14.1. In the event the Director Performance Rights are issued to a nominee of a Director, that person will fall into the category

- (c) An aggregate maximum of 5,000,000 Director Performance Rights will be issued to the Directors (or their respective nominees) in the proportions set out in Section 12.3 above.
- (d) The current total remuneration package for each of the Directors for the financial year ended 30 June 2024 is set out below:

Director	Salary and fees <sup>(1)</sup>
Eric Lim ( <i>Non-Executive Chairman</i> )	\$288,085
George Sakalidis ( <i>Managing Director</i> )	\$970,485
Ben Donovan ( <i>Non-Executive Director &amp; Company Secretary</i> )	\$378,665
Hian Siang Chan ( <i>Non-Executive Director</i> )	\$288,085

**Notes:**

1. For the year ended 30 June 2024, inclusive of superannuation and equity-based payments. Figures do not include the proposed issue of the Director Performance Rights, the subject of Resolution 9(a) to (d) (inclusive).
- (e) No Equity Securities have previously been issued under the Plan to the Directors or their respective nominees.
- (f) The Director Performance Rights will be issued on the terms and conditions in Schedule 4.
- (g) The Board considers that Performance Rights, rather than Shares, are an appropriate form of incentive because the Performance Rights granted will generally only be of benefit if the Directors perform to the level whereby the milestones to the Performance Rights are satisfied. The issue of the Director Performance Rights will therefore further align the interests of the Directors with Shareholders. Additionally, the issue of Director Performance Rights instead of cash is a prudent means of rewarding and incentivising the Directors whilst conserving the Company's available cash reserves.
- (h) An independent valuation of the Director Performance Rights is in Schedule 5, with a summary for each of the Directors below:

Director	Director Performance Rights			
	Tranche A	Tranche B	Tranche C	TOTAL
Eric Lim ( <i>Non-Executive Chairman</i> )	\$390,000	\$332,242	\$390,701	<b>\$1,112,943</b>
George Sakalidis ( <i>Managing Director</i> )	\$1,300,000	\$553,736	\$488,377	<b>\$2,342,113</b>

Director	Director Performance Rights			
	Tranche A	Tranche B	Tranche C	TOTAL

#### 12.4 Section 195 of the Corporations Act

Section 195(1) of the Corporations Act prohibits a director of a public company who has a material personal interest in a matter that is being considered at a meeting of directors from being present while the matter is being considered at the meeting or voting on the matter. If there is not a quorum of directors who are eligible to vote on a matter because of the operation of section 195(1) of the Corporations Act, one or more directors may call a general meeting and the general meeting may deal with the matter.

The Directors have a personal interest in the outcome of each of their respective Resolutions under Resolution 9(a) to (d) (inclusive) and have exercised their right under section 195(4) of the Corporations Act to put the issue of the Director Performance Rights to the Directors to Shareholders to resolve upon.

## 12.5 Chapter 2E of the Corporations Act

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

- (a) obtain Shareholder approval in the manner set out in section 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed issue of the Director Performance Rights constitutes giving a financial benefit to related parties of the Company.

Given the personal interests of all the Directors in the outcome of Resolution 9(a) to (d) (inclusive), the Board is seeking Shareholder approval pursuant to Chapter 2E of the Corporations Act in respect of the issue of the Director Performance Rights.

## 12.6 Information required under Chapter 2E of the Corporations Act

Pursuant to and in accordance with section 219 of the Corporations Act, the following information is provided in relation to the proposed issue of the Director Performance Rights:

- (a) **Identity of the related parties to whom Resolution 9(a) to (d) (inclusive) permit financial benefits to be given**

Refer to Section 12.3(a) above.

- (b) **Nature of the financial benefit**

Resolution 9(a) to (d) (inclusive) seek Shareholder approval to allow the Company to issue the Director Performance Rights in the amounts specified in Section 12.1 to the Directors (or their respective nominees).

The Director Performance Rights are to be issued in accordance with the Plan and otherwise on the terms and conditions in Schedule 4.

The Shares to be issued upon conversion of the Director Performance Rights will be fully paid ordinary shares in the capital of the Company on the same terms and conditions as the Company's existing Shares and will rank equally in all respects with the Company's existing Shares. The Company will apply for official quotation of the Shares on ASX.

- (c) **Board recommendations**

Given the personal interests of all the Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders in relation to Resolution 9(a) to (d) (inclusive).

- (d) **Valuation of financial benefit**

Refer to Section 12.3(h).

(e) **Remuneration of the Directors**

Refer to Section 12.3(d).

(f) **Existing relevant interest of Directors**

At the date of this Notice, the Directors hold the following relevant interests in Equity Securities of the Company:

Director	Shares	Partly Paid Shares	Options
Eric Lim ( <i>Non-Executive Chairman</i> )	9,790,206	-	2,400,000
George Sakalidis ( <i>Managing Director</i> )	8,052,892	3,135,714	4,800,000
Ben Donovan ( <i>Non-Executive Director &amp; Company Secretary</i> )	19,047	60,000	2,100,000
Hian Siang Chan ( <i>Non-Executive Director</i> )	30,164,538	-	1,685,185

Assuming that Resolution 9(a) to (d) (inclusive) are approved by Shareholders, all of the Director Performance Rights are issued, vested and exercised into Shares, and no other Equity Securities are issued, exercised or converted (including any existing Options or Partly Paid Shares held by the Directors as at the date of this Notice), the interests of each of the Directors in the Company would (based on the Share capital as at the date of this Notice) be as follows:

Director	Interest in the Share capital of the Company
Eric Lim ( <i>Non-Executive Chairman</i> )	3.97%
George Sakalidis ( <i>Managing Director</i> )	3.70%
Ben Donovan ( <i>Non-Executive Director &amp; Company Secretary</i> )	0.38%

Hian Siang Chan ( <i>Non-Executive Director</i> )	11.47%
---	--------

(g) **Dilution**

The issue of the Director Performance Rights will have a diluting effect on the percentage interest of existing Shareholders' holdings if the Director Performance Rights are converted to Shares. The potential dilution if all of the Director Performance Rights are exercised into Shares is 1.84%. This figure assumes the current Share capital structure as at the date of this Notice and that no Shares are issued other than the Shares issued on conversion of the Director Performance Rights.

The exercise of all of the Director Performance Rights will result in a total dilution of all other Shareholders' holdings of 1.63% on a fully diluted basis (assuming that all other Securities are exercised and converted to Shares, including Partly Paid Shares). The actual dilution will depend on the extent that additional Shares are issued by the Company.

(h) **Trading history**

The highest and lowest closing market sale prices of the Shares on ASX during the 12 months prior to the date of this Notice were:

**Highest:** \$1.60 per Share on 6, 12 and 27 August 2024

**Lowest:** \$0.840 per Share on 12 January 2024

The latest available closing market sale price of the Shares on ASX prior to the date of this Notice was \$1.30 per Share on 16 October 2024.

(i) **Corporate governance**

George Sakalidis is an Executive Director of the Company and therefore the Board (other than George Sakalidis) believe that the grant of those Director Performance Rights to George Sakalidis is in line with Recommendation 8.2 of the 4<sup>th</sup> Edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (**Recommendations**).

The Board acknowledges that the grant of those Director Performance Rights to Messrs Eric Lim, Ben Donovan and Hian Siang Chan (together, the **Non-Executive Directors**) is contrary to Recommendation 8.2 of the Recommendations. However, the Board considers the grant of Director Performance Rights to the Non-Executive Directors is reasonable in the circumstances for the reasons set out in Section 12.3(g).

(j) **Taxation consequences**

There are no taxation consequences for the Company arising from the issue of the Director Performance Rights (including fringe benefits tax).

(k) **Other information**

The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 9(a) to (d) (inclusive).

12.7 **Additional information**

Resolution 9(a) to (d) (inclusive) are separate ordinary resolutions.

Given the personal interests of all the Directors in the outcome of Resolution 9(a) to (d) (inclusive) the Board declines to make a recommendation to Shareholders in relation to Resolution 9(a) to (d) (inclusive).

## Schedule 2 Summary of Plan

A summary of the material terms and conditions of the Plan is set out below:

- (a) **(Eligible Participant):** Eligible Participant means a person that has been determined by the Board to be eligible to participate in the Plan from time to time and is an “ESS participant” (as that term is defined in Division 1A) in relation to the Company or an associated entity of the Company. This relevantly includes, amongst others:
- (i) an employee or director of the Company or an individual who provides services to the Company;
  - (ii) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;
  - (iii) a prospective person to whom paragraphs (i) or (ii) apply;
  - (iv) a person prescribed by the relevant regulations for such purposes; or
  - (v) certain related persons on behalf of the participants described in paragraphs (i) to (iv) (inclusive).

- (b) **(Maximum allocation)** The Company must not make an offer of Securities under the Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:
- (i) the total number of Plan Shares (as defined in paragraph (m) below) that may be issued or acquired upon exercise of the convertible securities offered; plus
  - (ii) the total number of Plan Shares issued or that may be issued as a result of offers that were both received in this jurisdiction (as defined in section 9 of the Corporations Act) and made under an employee share scheme (as defined in section 1100L(1) of the Corporations Act) at any time during the previous 3 year period,

would exceed 5% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company’s Constitution from time to time. Resolution 7 is seeking Shareholder approval to increase this 5% threshold to 10%.

The maximum number of equity securities proposed to be issued under the Plan for the purposes of Listing Rule 7.2, Exception 13 will be as approved by Shareholders from time to time (**ASX Limit**). This means that, subject to the following paragraph, the Company may issue up to the ASX Limit under the Plan without seeking Shareholder approval and without reducing its placement capacity under Listing Rule 7.1.

The Company will require prior Shareholder approval for the acquisition of equity securities under the Plan to Directors, their associates and any other person whose relationship with the Company or a Director or a Director’s associate is such that, in ASX’s opinion, the acquisition should be approved by Shareholders. The issue of Securities with Shareholder approval will not count towards the ASX Limit.

- (c) **(Purpose):** The purpose of the Plan is to:
- (i) assist in the reward, retention and motivation of Eligible Participants;
  - (ii) link the reward of Eligible Participants to Shareholder value creation; and
  - (iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity

to Eligible Participants to receive an equity interest in the Company in the form of Securities.

- (d) **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.
- (e) **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the Plan will comply with the disclosure obligations pursuant to Division 1A.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

- (f) **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
- (g) **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

- (h) **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
- (i) **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of

those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

**Market Value** means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

- (j) **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
- (k) **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
  - (ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.
- (l) **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
  - (m) **(Rights attaching to Plan Shares):** All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
  - (n) **(Disposal restrictions on Securities):** If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

- (o) **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

- (p) **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
- (q) **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

- (r) **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.

- (s) **(Employee Share Trust):** The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Options or Performance Rights.

7. **(Issue of Shares):** As soon as practicable after the valid exercise of a vested Performance Right, the Company will:
  - (a) issue, allocate or cause to be transferred to the holder the number of Shares to which the holder is entitled;
  - (b) issue a substitute Certificate for any remaining unexercised Performance Rights held by the holder;
  - (c) if required, and subject to clause 8, give ASX a notice that complies with section 708A(5)(e) of the Corporations Act; and
  - (d) do all such acts, matters and things to obtain the grant of quotation of the Shares by ASX in accordance with the Listing Rules.
8. **(Restrictions on transfer of Shares):** If the Company is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, or such a notice for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, Shares issued on exercise of the Performance Rights may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act. The Company is authorised by the holder to apply a holding lock on the relevant Shares during the period of such restriction from trading.
9. **(Ranking):** All Shares issued upon the conversion of Performance Rights will upon issue rank equally in all respects with other Shares.

10. **(Transferability of the Performance Rights)**: The Performance Rights are not transferable, except with the prior written approval of the Company at its sole discretion and subject to compliance with the Corporations Act and Listing Rules.
11. **(Dividend rights)**: A Performance Right does not entitle the holder to any dividends.
12. **(Voting rights)**: A Performance Right does not entitle the holder to vote on any resolutions proposed at a general meeting of the Company, subject to any voting rights provided under the Corporations Act or the ASX Listing Rules where such rights cannot be excluded by these terms.
13. **(Quotation of the Performance Rights)**: The Company will not apply for quotation of the Performance Rights on any securities exchange.
14. **(Adjustments for reorganisation)**: If there is any reorganisation of the issued share capital of the Company, the rights of the Performance Rights holder will be varied in accordance with the Listing Rules.
15. **(Entitlements and bonus issues)**: Subject to the rights under clause 16, holders will not be entitled to participate in new issues of capital offered to **shareholders** such as bonus issues and entitlement issues. There will be no change to the number of Shares over which the Performance Rights are exercisable in the event of the Company making a pro-rata issue of Shares or other securities to the holders of Shares in the Company (other than a bonus issue).
16. **(Bonus issues)**: If the Company makes a bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment), the number of Shares which must be issued on the exercise of a vested Performance Right will be increased by the number of Shares which the holder would have received if the holder had exercised the Performance Right before the record date for the bonus issue.
17. **(Return of capital rights)**: The Performance Rights do not confer any right to a return of capital, whether in a winding up, upon a reduction of capital or otherwise.
18. **(Rights on winding up)**: The Performance Rights have no right to participate in the surplus profits or assets of the Company upon a winding up of the Company.
19. **(Takeovers prohibition)**:
  - (a) the issue of Shares on exercise of the Performance Rights is subject to and conditional upon the issue of the relevant Shares not resulting in any person being in breach of section 606(1) of the Corporations Act; and
  - (b) the Company will not be required to seek the approval of its members for the purposes of item 7 of section 611 of the Corporations Act to permit the issue of any Shares on exercise of the Performance Rights.
20. **(Change of Control)**: If a Change of Control Event occurs, or the Board determines that such an event is likely to occur, any unvested Performance Rights will automatically vest. **Change of Control Event** has the meaning given to that term in the Plan and also includes the sale of the whole, or substantially the whole, of the assets of the Company in a single transaction or a series of related transactions.

21. **(No other rights):** A Performance Right does not give a holder any rights other than those expressly provided by these terms and those provided at law where such rights at law cannot be excluded by these terms.
22. **(Amendments required by ASX):** The terms of the Performance Rights may be amended as considered necessary by the Board in order to comply with the ASX Listing Rules, or any directions of ASX regarding the terms provided that, subject to compliance with the Listing Rules, following such amendment, the economic and other rights of the holder are not diminished or terminated.
23. **(Plan):** The Performance Rights are issued pursuant to and are subject to the Plan. In the event of conflict between a provision of these terms and conditions and the Plan, these terms and conditions prevail to the extent of that conflict.
24. **(Constitution):** Upon the issue of the Shares on exercise of the Performance Rights, the holder will be bound by the Company's Constitution.
