EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.blackstoneminerals.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – ALISON GAINES

3.1 General

Listing Rule 14.4 and article 6.3 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer.

Alison Gaines, having held office without re-election since 29 November 2021 and being eligible, retires by rotation and seeks re-election.

Further information in relation to Alison Gaines is set out below.

Qualifications, experience and other material directorships	Alison Gaines has over 20 years of experience as a director in Australia and internationally. She has experience in the roles of Board Chair and board committee chair, particularly remuneration and nomination and governance committees. Ms Gaines is the Managing Director of Gaines Advisory P/L and was recently global CEO of international search and board consulting firm Gerard Daniels, with a significant mining and energy practice. Ms Gaines has a Bachelor of Laws and a Bachelor of Arts (hons) from the University of Western Australia, a Graduate Diploma Legal Practice from Australian National University and is an Honorary Doctorate of the University and Master of Arts (Public Policy) from Murdoch University. She is a Fellow of the Australian Institute of Company Directors and holds the INSEAD Certificate in Corporate Governance. Ms Gaines currently holds positions as the Governor of the College of Law Ltd, Non-Executive Chairman of ASX listed Hiremii Limited and Non-Executive Director of Tura New Music Ltd.
Term of office	Alison Gaines has served as a Director since 1 April 2021 and was last re-elected on 29 November 2021.
Independence	If re-elected, the Board considers that Alison Gaines will be an independent Director.
Board recommendation	Having received an acknowledgement from Ms Gaines that she will have sufficient time to fulfil her responsibilities as a Director and having reviewed the performance of Ms Gaines since her appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Ms Gaines) recommend that Shareholders vote in favour of this Resolution.

3.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Alison Gaines will be re-elected to the Board as an independent Director.

If this Resolution is not passed, Ms Gaines will not continue in her role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

4.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders

over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An Eligible Entity" means an entity which is not included in the S&P/ASX300 Index and which has a market capitalisation of \$300 million or less at the date of the Meeting. Blackstone Minerals Limited is an Eligible Entity.

4.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.
