Voting exclusion statements

Item 2

In accordance with section 250R(4) of the Corporations Act, a vote must not be cast on the resolution in Item 2 in any capacity by or on behalf of:

- a) a member of the Company's Key Management Personnel (including directors) (**KMP**), whose remuneration details are included in the Remuneration Report for the financial year ended 30 June 2024; or
- b) their closely related parties; or
- c) as proxy by a person who is a member of the KMP of the Company and their closely related parties.

A "closely related party" of a member of the KMP of the Company means a spouse or child of the member, a child of the member's spouse, a dependant of the member or the member's spouse, anyone else who is one of the member's family and may be expected to influence the member, or be influenced by the member, in the member's dealings with the Company, or a company the member controls.

However, a vote may be cast on the resolution in Item 2 by such persons where it is cast as proxy for a person entitled to vote on the resolution in Item 2, and:

- a) the proxy appointment is in writing and specifies how the proxy is to vote on the resolution in Item 2; or
- b) the proxy is the Chair of the meeting, and:
 - (i) the appointment does not specify the way the proxy is to vote on the resolution; and
 - (ii) the appointment expressly authorises the Chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of the Company's KMP.

If you appoint the Chair of the AGM as your proxy, and you do not direct your proxy how to vote on the resolution in Item 2 on the Proxy Form, you will be expressly authorising the Chair of the AGM to exercise your proxy even if the resolution in Item 2 is connected directly or indirectly with the remuneration of a member of the Company's KMP. The Chair is a member of the KMP.

Item 5

In accordance with ASX Listing Rule 14.11, the Company will disregard any votes cast in favour of the resolution in Item 5 by or on behalf of Mr Ian Lowe, the Company's Managing Director and Chief Executive Officer, who is eligible to participate in the Integrated Research Limited Equity Plan Rules or any of his associates. However, the Company will not disregard a vote if it is cast by:

- a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with the directions given to the proxy or attorney to vote in that way; or
- b) the Chair of the meeting as a proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote as the Chair decides; or
- c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution, and
 - (ii) the holder votes on the resolution in accordance with the directions given by the beneficiary to the holder to vote in that way.

Ian Lowe is the only Director currently eligible to participate in an employee incentive scheme of the Company.

In addition, as the resolution in Item 5 is directly related to the remuneration of a member of the Company's KMP (i.e., Ian Lowe), a vote must not be cast on the resolution in Item 5 by a member of the Company's KMP, or a KMP's closely related party, as a proxy, unless the vote is cast:

- a) for a person entitled to vote in accordance with the directions on the Proxy Form; or

- b) by the Chair of the AGM for a person entitled to vote and the Chair has received express authority to vote undirected proxies as the Chair sees fit on the resolution in Item 5 even though that resolution is connected directly or indirectly with the remuneration of a member of the KMP of the Company.

If you appoint the Chair of the AGM as your proxy, and you do not direct your proxy how to vote on the resolution in Item 5 on the Proxy Form, you will be expressly authorising the Chair of the AGM to exercise your proxy even if the resolution in Item 5 is connected directly or indirectly with the remuneration of a member of the KMP. The Chair is a member of the KMP.

The Chair of the AGM intends to vote undirected proxies able to be voted in favour of Items 2 to 5. Accordingly, if the Chair of the AGM is appointed as your proxy and you wish for the Chair to vote differently to how the Chair of the AGM intends to vote on any of the resolutions, you will need to direct your proxy how to vote by marking the appropriate box (“For”, “Against” or “Abstain”) on the Proxy Form for the relevant item.

Proxies

A Shareholder has the right to appoint a proxy, who need not be a shareholder of the Company. If a Shareholder is entitled to two or more votes they may appoint two proxies and may specify the percentage or number of votes each proxy is appointed to exercise. If a Shareholder appoints two proxies and the appointment does not specify the proportion or number of votes each proxy may exercise, each proxy may exercise half of the Shareholder’s votes (disregarding any fractions of votes). Proxy Forms (and any power of attorney under which it is signed) must be received at any given address below or lodged online no later than 10:00am (AEDT) on 23 November 2024. Proxy Forms received after that time will not be effective.

The Proxy Form must be signed by the Shareholder or the Shareholder’s attorney. Proxies appointed by corporate Shareholders (companies) must be executed in accordance with the Corporations Act. Where the appointment of a proxy is signed by the appointor’s attorney, a certified copy of the power of attorney must be received at any given address below or online no later than 10:00am (AEDT) on 23 November 2024.

The Proxy Form must be completed and returned by the following methods:

Explanatory Notes

The following notes explain the items of business to be considered at the AGM and form part of, and should be read in conjunction with, the Notice of Meeting.

Item 1: Financial report and directors' and auditor's reports

As required by the Corporations Act, the Financial Report of the Company, Directors' Report and Auditor's Report for the financial year ended 30 June 2024 will be laid before the AGM.

No vote is required to be cast in relation to this item. It is intended to provide an opportunity for Shareholders as a whole to raise questions on the reports themselves and on the performance and management of the Company.

The Auditors of the Company will be present at the AGM and Shareholders will be given a reasonable opportunity to ask the Auditors questions about the content and preparation of the Auditor's Report, the conduct of the audit, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

Item 2: Remuneration Report

In accordance with section 250R of the Corporations Act, the Company must put to Shareholders a resolution that the Remuneration Report for the financial year ended 30 June 2024 be adopted. The full Remuneration Report is contained in the Company's 2024 Annual Report.

The vote on this resolution is advisory only and does not bind the Company or the Directors. However, the Directors will take into consideration the outcome of the Shareholders' vote on this matter in determining future remuneration policies for Directors and Executives of the Company.

The Chair will allow Shareholders a reasonable opportunity, as a whole, to ask questions about, or make comments on, the Remuneration Report, following which the advisory resolution will be put to members.

The Directors consider that the Company's remuneration levels, including the grant of short and long-term incentive arrangements, are competitively set to attract and retain appropriately qualified and experienced Directors and Executives, which are consistent with other successful mid-size listed companies in the technology sector in Australia. The Company's approach to remuneration also ensures that the interests of Directors and Executives for the short, medium and long term are aligned with the interests of Shareholders.

Recommendation: Acknowledging that each Director has a personal interest in his / her own remuneration from the Company as described in the Remuneration Report, the Directors recommend that Shareholders vote in favour of the resolution in Item 2.

Item 3: Re-election of Peter Lloyd

Peter was appointed Director in July 2010 and elected Chairman in March 2021. He has over 45 years' experience in computing technology, having worked for both multinational computer hardware and software providers. Peter's experience in global markets includes executive management roles leading the Asia Pacific region as well as several stints in the U.S. For 35 years, Peter was specifically involved in the provision of payments solutions for banks and financial institutions. He is currently the proprietor of The Grayrock Group Pty Ltd, a management consultancy company focusing on the payments industry. Peter is a Non-Executive Director of privately held Taggle Pty Ltd.

Recommendation: Directors (excluding Peter Lloyd) recommend that Shareholders vote in favour of the resolution in Item 3.

Item 4: Election of Kate Greenhill

Kate was appointed a Director in April 2024 and is a fellow of the Institute of Chartered Accountants in Australia and a Graduate of the Australian Institute of Company Directors. Kate has over 25 years' experience in the financial services industry with extensive knowledge of finance and risk. As a former Partner with PwC, Kate has worked in both Australia and the UK providing assurance and advisory services to clients. She has experience as Chair of Audit, Risk & Compliance Committees.

Kate is currently a Director of Australian Ethical Investment Limited, an ASX Listed company. Kate is also a Director of Intersect Australia Limited, Australian Ethical Superannuation Pty Limited and the Australian Ethical Foundation Limited.

Recommendation: Directors (excluding Kate Greenhill) recommend that Shareholders vote in favour of the resolution in Item 4.

Item 5: Issue of Performance Rights to Ian Lowe

Ian Lowe was appointed by the Company to the position of Chief Executive Officer (**CEO**) with effect from 1 October 2024 and was subsequently appointed as Managing Director from 17 October 2024.

ASX Listing Rule 10.14 requires shareholder approval for the acquisition of equity securities by a Director under an employee incentive scheme, where that scheme does not require the equity securities to be purchased on-market. As part of the Company's remuneration strategy and approach to long-term incentives (**LTIs**), Shareholder approval is sought for the grant of up to 403,226 Performance Rights to the CEO and Managing Director, Ian Lowe (and the acquisition of up to 403,226 fully paid shares in the Company on the vesting and exercise of those Performance Rights), under the Integrated Research Limited Equity Plan Rules (**Equity Plan**), as part of his FY25 remuneration package.

The number of Performance Rights to be granted has been determined by dividing the face value of the CEO's LTI opportunity for FY25, being AUD 250,000, by the Company's 10-day closing price volume weighted average share price (**VWAP**) on 2 September 2024 being AUD 0.62. Performance Rights have been proposed as the LTI as it provides immediate share price exposure. The actual value (if any) that Mr Lowe will receive from the Performance Rights will depend on the extent to which the performance hurdles are achieved.

The Equity Plan is a key component of the Company's remuneration arrangement for the CEO. Mr Lowe's total remuneration package for FY25 includes total fixed remuneration, short term incentive and the grant of Performance Rights under the Equity Plan. The Board considers the value of Mr Lowe's remuneration package, including the grant of Performance Rights, is within market range for an experienced CEO of a mid-size listed company in the technology sector in Australia. Vesting of Performance Rights is subject to the Company achieving agreed hurdles, which allows the Company to:

- ensure that the CEO's medium and long-term interests are aligned with the interests of Shareholders of the Company;
- match rewards under the CEO's remuneration with the long-term performance of the Company; and
- provide the CEO with a remuneration opportunity consistent with market standards and practices to retain suitable candidates for the CEO position.

The CEO is the only Director of the Company entitled to participate in the Equity Plan.

The Performance Rights to be granted to the CEO in FY25 will vest in three years subject to satisfaction of both the performance and service conditions on the applicable vesting date. The Board determined that the use of Performance Rights aligns with Shareholders' expectations and should be granted to the CEO, subject to Shareholder approval being obtained.

The Company's share price during the performance period will normally determine whether the Performance Rights are exercised on the vesting date. At the time Performance Rights are exercised and shares allocated, the Company's shares may be trading at a higher price than the exercise price of the Performance Rights. The Performance Rights will not be quoted on the ASX and as such have no actual market value on the date of grant.

The CEO's FY25 Performance Rights are subject to the sole performance measure of share price improvement over a three-year performance period, vesting in a single tranche in three years time, being September 2027 (**Performance Period**). The performance condition will only be met if the Company's share price reaches the target value of VWAP for

the ten trading days following the release of the Company's full year Financial Report for FY27, expected to be released in August 2027.

If Shareholder approval is not obtained then, subject to the achievement of the performance and service conditions described in this Notice of Meeting, the Board will consider alternative remuneration arrangements, which may include Mr Lowe receiving either shares purchased on-market or a cash payment at the end of the Performance Period, equivalent in value to the equity based LTI he would have received had Shareholder approval been obtained.

Summary of the Performance Rights allocation terms

The key terms of the Performance Rights proposed to be granted to Mr Lowe under the Equity Plan are summarised below.

Terms and Conditions	
Number of Performance Rights:	Subject to Shareholder approval, 403,226 Performance Rights will be granted under the Equity Plan. Each Performance Right, subject to the satisfaction of Exercise Conditions, entitles the CEO to receive one fully paid ordinary share in the Company on payment of the Exercise Price (if any). The Board has determined that no Exercise Price is payable in relation to these Performance Rights.
Exercise Condition:	For the Performance Rights to automatically vest and exercise the CEO must meet both the Performance Condition and Service Condition on the Vesting Date.
Service Conditions:	Vesting of Performance Rights is subject to the following conditions being satisfied: <ul style="list-style-type: none"> (a) the CEO continues to be employed by the Company throughout the Performance Period and on the Vesting Date (unless terminated due to death, disability, or redundancy); and (b) during the course of the Performance Period until the Vesting Date, the CEO: <ul style="list-style-type: none"> (i) acts in good faith and fully co-operates in the strategic initiatives of the Company, and (ii) complies with and follows the directions of the Board, Board Committees or Board Sub-Committees (or any member of such Committee/s or the Board). If any of the Service Conditions are not satisfied, the Performance Rights will lapse immediately.
Performance Condition	Vesting: Where the Company's share price, calculated using the closing share price VWAP for the 10 trading days following the release of the Company's FY27 Financial Report, is equal to or greater than AUD 1.80, the percentage of Performance Rights that will vest against the Performance Condition is 100%. Nil Vesting: Where the Company's share price, calculated using the closing share price VWAP for the 10 trading days following the release of the Company's FY27 Financial Report, is less than AUD 1.80, the percentage of Performance Rights that will vest against the Performance Condition is Nil.
Vesting Date	The Vesting Date is 10 trading days following the release of the Company's FY27 Financial Report. Any Performance Rights which are not vested and exercised by the Vesting Date will automatically lapse.
Delivery of Shares:	The Company must either issue the relevant number of fully paid ordinary shares in the Company, or procure the transfer of the relevant number of shares (e.g. by acquiring them on-market), on the exercise of Performance Rights within 30 days of the relevant Vesting Date.
Change of control	In the event of a takeover or other change of control, any unvested Performance Rights will vest at the discretion of the Board.
Malus and clawback	The awards will be subject to malus considerations by the Board and in relation to serious and material matters may be subject to a reduction or adjustment prior to exercise or clawback. In the event of fraud, dishonesty or breach of obligations (including legal and statutory non-compliance), the Board may take any actions to ensure that no unfair benefit is obtained.

For personal use only

CEO's FY25 Remuneration

Once Shareholder approval is obtained under ASX Listing Rule 10.14, for the grant of Performance Rights to the CEO, the Company can rely on ASX Listing Rule 7.2 (Exception 14) as an exception to any requirement that may otherwise apply requiring Shareholder approval under ASX Listing Rule 7.1. This means the Performance Rights and any shares issued pursuant to this approval, will not utilise part of the Company's placement capacity under ASX Listing Rule 7.1.

In accordance with ASX Listing Rule 10.15, the following information is provided:

- (a) As at the date of this Notice of Meeting, Mr Lowe is the Chief Executive Officer and Managing Director of the Company, and falls under ASX Listing Rule 10.14.1.
- (b) It is proposed to grant Mr Lowe 403,226 Performance Rights which may upon full vesting result in the issue of 403,226 shares (subject to any necessary adjustments required by the Equity Plan).
- (c) The Performance Rights will be granted for nil consideration. No amount is payable to the Company on the vesting of the Performance Rights and the resulting issue or transfer of shares in the Company to Ian Lowe.
- (d) Ian Lowe is the only person referred to in ASX Listing Rule 10.14 who is entitled to participate in the Equity Plan.
- (e) There is no loan applicable in relation to the acquisition of Performance Rights or the shares underlying them as there is no payment for Performance Rights or the shares underlying them.
- (f) The Performance Rights are proposed to be granted to Mr Lowe within 1 month of the AGM and, in any event, no later than 12 months after the AGM.
- (g) Details of any Performance Rights issued under the Equity Plan will be published in the Company's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.
- (h) Any additional individuals covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of Performance Rights under the Equity Plan after this resolution in Item 5 is approved and who were not named in this Notice of Meeting will not participate until approval is obtained under ASX Listing Rule 10.14.

The CEO's total remuneration package for FY25

Fixed remuneration (inclusive of base salary plus superannuation and any fringe benefits such as motor vehicles)	AUD 550,000
Short-term incentive	AUD 250,000 at target

Recommendation: Directors (excluding Ian Lowe) recommend that Shareholders vote in favour of the resolution in Item 5.
