## **About Newmont**

Newmont is the world's leading gold company and a producer of copper, zinc, lead, and silver. The Company's world-class portfolio of assets, prospects, and talent is anchored in favorable mining jurisdictions in Africa, Australia, Latin America & Caribbean, North America, and Papua New Guinea. Newmont is the only gold producer listed in the S&P 500 Index and is widely recognized for its principled environmental, social, and governance practices. Newmont is an industry leader in value creation, supported by robust safety standards, superior execution, and technical expertise. Founded in 1921, the Company has been publicly traded since 1925.
